With Thanks and Best Wishes To All

Judge Walker Finishes 24 Years of Service To The People of Shelby County

A Letter of Appreciation

My twenty-fourth (24th) year as your Probate Judge will expire on January 19, 1959. It has been a great privilege to serve you good people in this capacity. I am indeed grateful to all of you. I have tried to serve my native county and its people to the very best of my ability. Any mistakes that I may have made through these years have certainly been made honestly and unintentionally. When you elected me as your Probate Judge in 1934, I promised that I would serve you to the best of my ability and protect your interests. I honestly believe that I have fulfilled this promise.

I would like to extend my heartfelt thanks and deep appreciation to my present and past Probate Office employees for their loyalty and downright hard work in helping to keep the Probate records in order and for their geniality to the people. All of these ladies have been residents of Shelby County. I am very grateful to each of them.

I would like to further extend my sincerest thanks and appreciation to the Members of the Board of Revenue and Control, to its able and efficient clerk, and its County Attorney, Mr. Handy Ellis for their fine cooperation and help in effecting the progress and sound financial condition here in Shelby County.

I would again like to extend my thanks and appreciation to the County Engineer, the Engineering staff, office personnel, construction and maintenance superintendents, the several foremen and to each man in the County Road Department for their sweat and hard work. Without this efficient organization, the fast progress that has been made on the public roads would not have been possible.

I wish also to extend my everlasting appreciation to the present and past County Solicitors for their help in so ably assisting me with the Juvenile Courts. This thanks I also extend to Mrs. Gerald Fulton, the Director of the Shelby County Department of Pensions and Security and her personnel for their efficient handling of the investigations and reports with respect to the Juvenile Courts and also their general service to the welfare of the county.

I again wish to extend my heartfelt thanks to all of the Shelby County Officials and their personnel, the Circuit Solicitor, Circuit Judge and court Reporter; to all of the directors or heads of the various Farm Agencies and their personnel; to the vital County Health Department (I have the fondest memories of the late Dr. E. F. Sloan and Judge W. W. Wallace); to the State Forester and his staff; to J. C. Walton and Ellis Boaz for their long hours of hard work in caring for the Courthouse; to the owners and personnel of the County Newspapers; to the Bank Officers and employees for handling my Probate Office deposits at times other than banking hours and to the attorneys-at-law. The fine cooperation of all of these people has been a joy and inspiration to me.

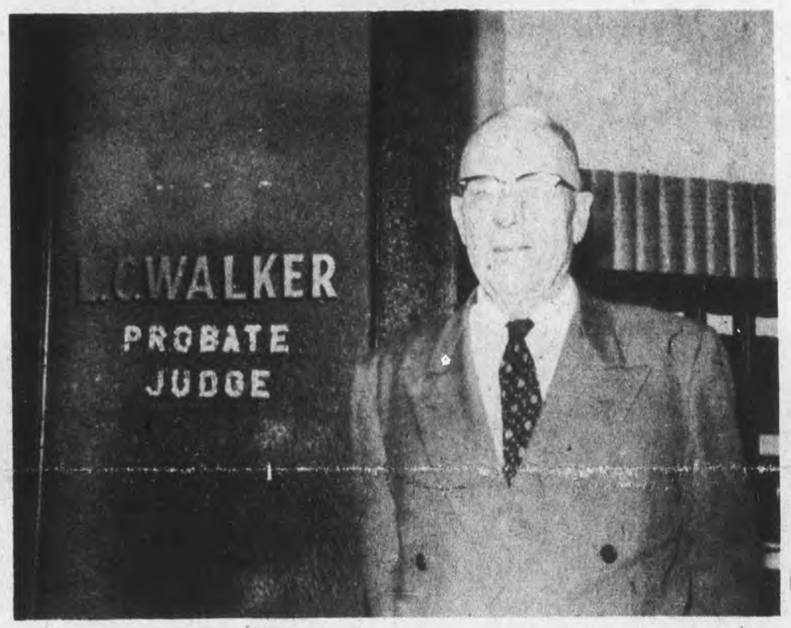

I wish for my successor, Mr. Conrad Fowler, and the newly elected County Officials much success and I personally feel that they will do a fine job in serving you, the people. As I retire to the life of a private citizen, I will not fade away. Mrs. Walker and I will be very much interested in the progress and welfare of our County and State. We will continue to remain your friends and neighbors.

May God watch over and keep all of us.

Respectfully,

L. C. WALKER

Probate Judge and Chairman of the Board.

PROBATE JUDGE L. C. WALKER

Judge Walker will finish 24 years of service to the people of Shelby County as Probate Judge and Chairman of the Board of Revenue when he is succeeded by Conrad M. Fowler on January 19. "Well done, thou good an faithful servant . . ."

Roy Downs Says Late Comers May Yet Contribute To Christmas Seal TB Fund

REV. GOREE TO GO TO LANETT

Rev. J. F. Goree, Pastor of Calera Baptist Church, has turned in his resignation and has accepted the call to Plant City Baptist Church, Lanett, Ala., effective Jan. 15th.

TONI HORTON ENGAGED

Mrs. W. E. Broadhead, of Calera, announces the engagement of her granddaughter, Toni Horton, to Wayne Stephens, son of Mr. and Mrs. W. C. Stephens, of Mobile.

MONTEVALLO PTA MEETING

The Montevallo PTA will meet Monday night at 7:30 in the high school auditorium.

Mr. and Mrs. H. B. Vest, of Joplin, Mo., spent Christmas with their daughter, Mrs. Dudley Pendleton, and family, in Montevallo.

MRS. FAYE QUICK

Mrs. Quick has served as Chief Clerk in the Probate Judge's office for a number of years. She is noted for her welcoming smile and willingness always to assist any visitors to the Shelby County Court House.

Only $700 is needed to complete the quota assigned this year to Shelby County for collection in the campaign against tuberculosis in Alabama. Roy Downs, county treasurer for the Tuberculosis Association, has announced that at present the total collected in the countywide drive is $1,831.13. Many who have intended to respond to the appeal for help have delayed because of numerous commitments and interferences. Now that Christmas is over, it is believed that the full amount asked of Shelby County, to be used in its own fight to eradicate the dread disease, will be speedily collected.

Mr. Downs is convinced of this. "There are always late contributors," he said. "But the people of Shelby County are well aware of the suffering and loss caused in the past by tuberculosis and almost everyone knows of the fine health work done here by the late Dr. E. F. Sloan, county health officer who specialized in the treatment of tuberculosis, and whose records still show the lessening of inroads made by this disease in the health of Shelby County citizens. I feel sure the people of Shelby County will see to it that this county goes over the top this year."

Great strides have been made in fighting tuberculosis, due in no small part to the work of the Tuberculosis Association and to the financial success past sales of Christmas seals have achieved. But a great deal more remains to be done. Deaths in the state in 1957 amounted to 309, and a number of these were in Shelby County. It is estimated that one-third of the population of Alabama is infected with the germ that causes TB. Medical authorities say that a large percentage of this infected group will develop TB in their lifetime. Only preventive and remedical action can stop this from happening. The sale of Christmas seals is the only method used in accumulating funds for fighting the disease and for continuing research on prevention and cure.

W. A. FREDERICK

W. A. Frederick, 60, died Saturday at a Birmingham hospital after a short illness.

He is survived by his wife, Mrs. Margaret Frederick; three sons, Billy, Robert and Jimmy Frederick; a daughter, Mrs. G. C. Horton of Atlanta; three sisters, Mrs. Gladys Parks and Mrs. Mavis Payne of Birmingham and Mrs. Clara Burt of Brierfield; two brothers, Howard and Jimmy Frederick, of Brierfeild.

Funeral services were held at 2 p.m. Monday at Ashby, Ala.

ODDLY ENOUGH by WALDMAN

During World War II, New Zealand scientists found a way to increase fresh vegetable production by adding the element molybdenum to the soil.

After the war it was found that this same element enabled Australian and New Zealand ranchers to improve grazing lands to the point where 4 acres could support 16 sheep instead of just 1.

Today in the U.S.A. the latest advance is a new form of molybdenum called **Moly-Gro.** With this material it is possible to increase yields of such crops as alfalfa, peas, peanuts, and soybeans up to 50% by treating the seeds rather than adding to the soil. Most important, it is easier for the farmer to apply.

Weather Change Effects Structure Of Your House

Expansion and contraction of building materials caused by temperature changes from season to season can open up tiny cracks in the weather-proof armor of a house.

For this reason it's a good idea for the home owner, caulking gun in hand, to inspect outside walls and areas around windows, doors, and foundation at least twice yearly.

Even cracks that are almost invisible can let heat escape in winter and are open doorways for dust and insects.

One area of the house that is unaffected by expansion and contraction is a roof of asphalt shingles. This is because asphalt shingles have a tough flexibility that permits them to absorb normal swelling and shrinkage of other components of the structure.

If the roof is old and weather-worn, however, it should be inspected along with the rest of the house. This should be done by a reliable roofing contractor who can tell quickly if the old material is giving adequate protection.

We have looked forward to the opportunity to tell our numerous patrons we sincerely appreciate their support during the past year and to wish them every happiness and success in the new year.

Foreign Students Visit Alabama Medical Center

A group of foreign students, fellows, professors and researchers from the University of Alabama Medical Center, and their wives were honored this week at City Hall when Mayor James W. Morgan was host at a Christmas and New Year ceremony welcoming them to the city. During the ceremony, they were all presented with keys to the city.

The group was composed of representatives from 2 foreign countries, who are furthering their knowledge and training in medicine, dentistry and research here.

Dr. Robert C. Berson, Vice President of the University for Health Affairs, extended the season's greetings to the group, on behalf of the Medical Center. "We can gain greater understanding of each other and consequently, of each other's countries, as we work and study side by side," he said. "When we cement good relations between individuals, we further the good will between nations.

After the ceremony at the City Hall, the entire group were Mayor Morgan's guests for luncheon, after which they were conducted on a short tour of Birmingham.

Card of Thanks

I wish to express sincere thanks from myself and from my family for the many prayers, cards, flowers, visits, well wishes, and all the many kindnesses shown to us during my recent illness.—Edward P. Davis.

Extends Diesel Life

Ni-Resist nickel corrosion-resisting cast irons are receiving wide acceptance for parts of diesel engines that are constantly subjected to high temperatures and corrosion, such as turbocharger castings, manifolds, piston ring carriers and valve guides. These alloys maintain good wear-resistance and stability at elevated temperatures and resist heat and corrosion.

For your good-will and friendly patronage please accept our most hearty thank you. May you have a joyful Holiday.

WBYE

BYE Radio, 1370 on your dial

Voice of Shelby County

WBYE is your radio station. News of your community is as close as the 1370 spot on your radio dial.

WBYE furnishes its listeners with LOCAL news—news that no other radio station carries.

And YOU are the key to this service. A full coverage of local news depends on the participation of each and every listener. Give us the news of your neighborhood by phone, by card, or by letter—Church, School, Club, Scout and other activities—nothing is TOO BIG or too small for WBYE.

•

WBYE is to soon be locally owned and operated. The new owners each have called Shelby County "Home" for many years. Local ownership will most certainly yield a "listenability" superior to the good listening you have known in the past. Being locally owned, WBYE will truly be Shelby County's Radio Voice.

•

Throughout New Year's Day, WBYE will feature the records that were Number One on BYE's Brilliant Fifty in 1958. The week-by-week top songs will be played and the week they were Number One recalled. Tune in 1370 and see "if you remember."

Alcohol And Accidents Go Hand In Hand

By Jeanne Smith,
Dodge Safety Consultant

ESPECIALLY TIMELY at the holiday season are some statistics on the relationship of alcohol and accidents released by the National Safety Council.

Miss Smith

Urging drivers and pedestrians alike not to mix alcoholic spirits with the Christmas spirit, the Council points out that more than 25 percent of traffic fatalities are the result of drinking.

In Delaware, where special attention has been given to the problem of the drinking driver, blood tests, police reports and intoximeter tests show that 40.6 percent of all drivers involved in traffic fatalities had been drinking.

A test of 50 volunteers, reported by the Council, revealed that drinking seriously impairs both judgment and reaction time.

After the 35 men and 15 women volunteers had first been tested for driving ability, each drank an ounce of whiskey for every 30 pounds of body weight. (In other words, a 150 pound man consumed five drinks.)

Forty-five minutes later, the volunteers were retested with these results:

Nearly all suffered loss of visual sharpness. Thirty percent showed a significant drop in depth perception. More than half were unable to judge distances well and over 50 percent were affected adversely by headlight glare.

When quick thinking is vital, Council officials stress, the drinking driver is severely handicapped.

Angus Show And Sale Is Planned

The twenty-first Annual Southern Regional Angus Show and Sale will be held in Montgomery, Alabama, at the State Coliseum.

A prize Angus heifer will be presented as a door prize during the meeting by Mr. and Mrs. J. Harry Edwards, Brierfield Angus Farm, Brierfield.

Eighty-three bulls and thirty females will be sold at this event. Nineteen breeders from six Southern states have consignments in the sale.

Judging of the animals will be held at 1:00 p.m. on January 5 with Dr. R. A. Long, Head of the Animal Husbandry Department, University of Georgia as Judge. The sale will begin at 10:30 a.m. January 6 with George Kurtz and Scott Wilson as Auctioneers.

A record crowd is expected to attend this annual sale as the best group of cattle ever consigned to this event will be offered for sale.

On the evening of January 5 the Alabama Angus Association will entertain with a hospitality hour and banquet at the Whitley Hotel. All Angus breeders and persons interested in Angus cattle are invited to attend these events.

The Show and Sale is sponsored by the Montgomery Chamber of Commerce, the Alabama Angus Association and is one of the top Angus sales held each year in the South.

MALCOLM PENDLETON

In making compost, add 5 to 7½ pounds of a high-grade fertilizer, such as 5-10-5 or 6-8-6 to each 100 pounds of compost. This cut rotting time to about half, says The Progressive Farmer.

Get Stuck-- Not Struck

By Jeanne Smith,
Dodge Safety Consultant

USE CARE and caution when you stop your car along the highway during winter—or else you'll invite a rear-end collision.

This warning comes from the Institute for Safer Living which suggests "risk getting stuck instead of struck!"

Miss Smith

Many motorists, who must stop to change a tire, clean windshields or adjust a tire chain, are reluctant to pull off the road, say Institute officials. They fear getting stuck in banked snow or soft shoulders.

What they forget, when they stop in traffic lanes, is that visibility is now at its worst and slippery road surfaces make it nearly impossible for oncoming traffic to make emergency stops or quick shifts in direction.

If you must stop, the Institute's safety advice is wait until you can pull entirely off the road, out of the line of traffic.

Then be sure to use only the right hand door for getting in and out of your car and, at night, always leave your headlights on!

800 Thousand Alabamians To Receive Federal Income Tax Forms This Year

About 800 thousand Alabamians will get 1958 Federal income tax forms. Either the 1040 or 1040A forms and instruction booklets will be mailed to every person who filed a return for 1957.

The Internal Revenue Service waited to mail the forms to avoid the Christmas mail rush. Forms for Alabamians will be mailed from the Internal Revenue Service Center in Kansas City. The forms should be received late in December or early in January.

District Director, George D. Patterson, said that this year's forms for individuals are pretty much the same as last year. He said however, there is an important change in who may use the 1040A.

Taxpayers having incomes up to $10,000 may use the simple card 1040A in filing their 1958 income tax return.

Husband and wife may file a joint return on Form 1040A if their combined income is under $10,000, he added.

In prior years, only persons with income of less than $5,000 could use the simple card form.

He said Form 1040A applies to taxpayers whose income consists of wages reported on Form W-2 and not more than $200 in dividends, interest and wages not subject to withholding.

Mr. Patterson added:

"As in past years, taxpayers with income under $5,000 may figure their own tax or have Internal Revenue do it for them.

"Since the law does not extend this privilege to incomes up to to $10,000 taxpayers having $5,000 or more income must figure their own tax.

"In using Form 1040A, taxpayers must take the standard 10 percent deduction allowed for contributions, interest payments, medical deductions, and the like.

"Taxpayers with allowable deductions in excess of 10 percent of their income must use the regular Form 1040 in order to claim them."

Mr. Patterson said taxpayers are not permitted to use Form 1040A if they wish to claim (1) "head of household" or "surviving spouse" status; (2) dividends received or retirement income credit; (3) "sick pay"; (4) estimated tax payment credit, or (5) if either the taxpayer or his wife itemizes deductions on page 2 of a separate return on Form 1040.

"If you incur expenses for your employer", Mr. Patterson said, "and he reimburses you for the actual amount expended, or if he allows you subsistence or mileag for travel of not more than $15 a day and 12½ cents a mile, you may still use Form 1040A, provided your expenses equal or exceed the amount of your reimbursement.

"On the other hand, if the amount of reimbursement (or allowance) is more than your actual expense, or if you wish to claim the amount of your expense in excess of the reimbursement you must use regular Form 1040."

Mr. Patterson said that income tax offices have received a large quantity of forms to distribute. People needing copies can pick them up at any local Internal Revenue office. Forms will also be available at post offices and banks.

Funeral Held For Mrs. Lucy Harper

Funeral services were held Sunday at 2:00 p.m. at the Montevallo Baptist Church for Mrs. Lucy Harper, of Pea Ridge, 52, who passed away on Christmas day at South Highlands Infirmary in Birmingham, after a short illness. The Reverend Edward Glover officiated. Burial was in Montevallo Cemetery.

Mrs. Harper was a member of Macedonia Baptist Church.

She is survived by her husband, Herbert L. Harper Sr., of Montevallo, who is a patient in Veterans Hospital in Birmingham; two sons, Herbert L. Harper Jr., of Selma, and Kermit R. Cold Weather Car Tricks

By Martha Johnson,
Dodge Safety Consultant

ONE of these cold, frosty mornings it may happen to you! You're already late for work or an important appointment—and your car won't start. Or the windows are crusted with a thick coat of ice. Perhaps the lock's frozen and you can't get in!

Test drivers, who put cars through all sorts of winter-driving paces, offer these time and temper saving tricks when such situations occur.

When starting your cold engine, turn off heater, lights, radio and etc. Depress the accelerator to the floor then return it to the half-way position and hold it steadily until the motor catches. Don't pump the accelerator or race the motor. *(Prevention:* Have battery checked weekly during a cold spell — more frequently in sub zero weather. To prevent gas line from freezing, add a good quality fuel line anti-freeze to each tank of gas.)

Note: Most good quality winter fuels contain such a compound.

The radiator frozen! Thaw your car in a heated garage or run engine with the front of the radiator covered till thawed. If done in a garage make sure the doors are open. *Caution:* Never pour hot water into radiator unless engine is running. *(Prevention:* Plenty of anti-freeze is your best protection.)

When windows are frosted, use a soft plastic or wooden scraper. *(Prevention:* Slip large cards under the windshield wipers if the car is parked outdoors.)

If the lock is frozen, heat the key with a match or cigaret lighter. *(Prevention:* Lubricate lock with powdered graphite and make sure lock covers are completely closed.)

My Neighbors

"Oh, just barely enough to pay my taxes . . . why?"

Store pumpkins in a dry, cool place, says The Progressive Farmer. Don't let them freeze. A light covering will usually keep them from freezing.

New Dish Makes Feeding Easier

Leading authorities on child care agree on advantages Baby's first feeding dish should have. They recommend a sectional plate to keep foods separated. A hot water chamber is necessary to keep foods warm during the painstaking process of getting food onto spoon or fingers, then to the mouth. Straight sides against which food can be pushed, they say, give momentum to this new "game." They also advise enough weight to hold the dish where it belongs, even though a budding Tarzan may want to bounce it off the wall.

A dish with all these properties and a few welcome extras has just been introduced by Evenflo. This new food warmer insures Mother against upside-down dinners. A vacuum cup anchors the dish to high chair tray or table top. Educational designs in each compartment encourage Baby to eat all the food to find the gaily-colored apple, bunny and cat which accompany bright ABCs. The designs, as they become more familiar, will teach a child colors, shapes, and letters.

Add a gourmet touch to broiled chicken by spreading it with a blend of one fourth cup sesame seeds and one bar Imperial margarine. Baste it with this spread too and have plenty on hand for serving at table.

County Lags in Christmas Seal Sales

Lacking almost $600.00 of its quota, Shelby County remains in arrears in its annual drive for funds with which to fight tuberculosis. Many other counties have already reached 100 per cent.

Only a short time remains in the 1958 campaign. Leaders of the drive here, optimistic at Christmas time when delayed contributions were flowing in, are dismayed as only a few envelopes with payments for Christmas Seals are trickling in.

"It doesn't look too good at this moment," said Roy Downs, treasurer of the Shelby County TB Association, when he reported a bare $100 added since the post-Christmas appeal went out. "By December 31," he said, "ten counties had already gone over the top." Our county has collected only $1,913.13 of a goal, fixed by the state association. Thus only 73 per cent has been raised.

When it is pointed out that 4,000 letters were mailed November 15 to citizens throughout the county, each containing three pages of Christmas Seals at $1.00 per page, this seems a small return, especially as some recipients bought the entire number received, some two dollars worth and some even less, as their means and consciences dictated. The rest have neglected or forgotten to send anything at all. One who forgot remembered to hand $1.00 to a member of the county board as they stood checking grocery purchases at a counter. He requested that it be added somehow to the Shelby County TB fund. Though an unusual method of sending, the dollar was gratefully accepted and mailed to Roy Downs of Calera, treasurer of the county association, thereby increasing the collection to $1,932.13.

There are no doubt many in Shelby County to whom seals were not sent. The association is cautious in its spending for postage and the list is revised each year so that letters, so far as possible, will go only to those known to be interested in civic matters and health problems and have shown generosity toward the movement in the past. It is always hoped that all interested may be contacted and that any who failed to receive stamps will ask for them and contribute in however modest an amount. It is due to the generosity of many who exceeded the amount expected that the collection is as large as it is.

In the few days remaining before the drive for funds is over, it is hoped that all who have not already done so will contribute their part in an effort to stamp out TB, one of the greatest threats to our people.

Helen Harrison, 16, daughter of Mr. and Mrs. Karl Harrison, shortly after being crowned "Miss Merrie Chistmas" at Columbiana's Christmas Ball. Escorted by Joe Turner, Miss Harrison was selected from 34 entrants. She presided at the Christmas Ball, and will ride on the Shelby County float in the Governor's inaugural parade in Montgomery Jan. 19.

.T.A. Discusses ...porting System

...e Montevallo Parent-Teacher Association held its fifth meeting of the current school year Monday night, January 5, at 7:30 in the auditorium of the high school.

Topic of the evening's program was "An Evaluation of the Reporting System Used in the Montevallo Schools".

Mrs. Carl Edfelt, who was in charge of the program, opened her discussion with a brief history of report cards. The group was then divided into subgroups to discuss the reports of the various grade levels. Following this buzz session, the groups reassembled where the ideas brought out in each discussion were presented to the entire group.

The meeting was opened with a devotional by the Rev. McGee of the Wilton Baptist Church.

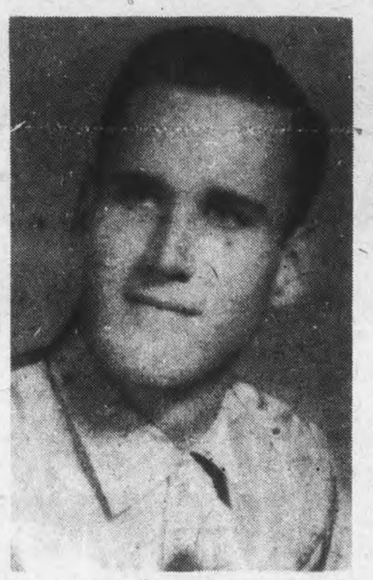

Following the devotional, a vocal quartet from Alabama College—"The Queens"—provided musical entertainment for the group.

New Employees At M&P Bank

Miss Lillie Pearl Carlee, of Montevallo, and Mrs. Carolyn Morris, of Bessemer, are new employees of Merchants and Planters Bank in Montevallo. Miss Carlee is a graduate of Montevallo High School, where she was a member of the National Honor Society, cheer leader and majorette. She joined the staff of the bank in September, 1958.

Mrs. Morris replaces Miss Betty Polk, who recently resigned. Mrs. Morris is a graduate of Bessemer High School. She comes to Merchants and Planters Bank from the Bank for Savings and Trust in Birmingham, where she has been employed for about two years.

Announcement of the newcomers is made by Mr. J. P. Kelly, Cashier.

CHUCK MAURICE

Chuck Maurice is chairman for Calera High School and Assistant Chairman for the Town of Calera for the March of Dimes. "Chuck" is the son of Mr. and Mrs. Charles Maurice of Calera and is a junior at Calera High School; a member of the annual staff; one of the leading characters in the High School Play, "Oh Promise Me". The slogan for Calera is "Let's Fight With All Our Might Against Polio".

College Choir To Perform on TV

The Alabama College Choir, under the direction of Mr. Bruce Tolbert, will perform on Television Sunday, January 11th at 8:30 a.m. Channel 13 on the program "Choirs of All Churches". The Rev. Ray Ferguson To Give Recital

Ray Ferguson, organist, will appear at Alabama College, Jan. 12, at 8:15 p.m. on the college's Organ Recital series.

Mr. Ferguson was originally scheduled to appear in December, but the concert was postponed. Dr. Betty Louise Lumby, Alabama College organist, who was scheduled to appear Jan. 12 has rescheduled her concert for Feb. 23.

Mr. Ferguson is a member of the faculty of Oberlin Conservatory of Music. He is a former faculty member of the Southern Baptist Seminary, Louisville, Ky.

He was national winner of the American Guild of Organists' annual organ competition in 1958.

Chamber of Commerce To Hear Reports

The regular monthly meeting of Montevallo Chamber of Commerce is scheduled for Thursday evening, January 8th, at 7:30 at Town Hall. James F. Whaley is giving a summary of the 1958 activities and the nominating committee and the committee for the annual dinner will make reports to the group in attendance. Present officers of the association are: James F. Whaley, president; Don H. Lovelady, vice-president; F. H. Frost Sr., treasurer; M. Thornton, secretary.

It is expected that after new officers are elected during January, a program of objectives will be set up for 1959. Those interested in the work of the Chamber of Commerce are encouraged to send in 1959 dues at once to F. H. Frost Sr., treasurer.

395 Alabamians To Get Service Calls

State Director James W. Jones said today that 395 Alabama men will be called for induction during January 1959, to fill a Selective Service Quota of 196.

The national January call is for only 9,000 men, compared to calls for 11,000 registrants in December and November.

Alabama's quota includes volunteers, delinquents, and registrants in Class I-A, I-A-O, and who are 22 years of age and older, without children. Six men will be called from Shelby County.

Rotary To Hear J. F. Ingram

Rotarians will hear J. F. Ingram, Supervisor of Trades and Industrial Education, State Department of Education, Montgomery, Alabama when the club meets for its weekly dinner meeting at the school cafeteria on Thursday, January 8th at 6:30. Mr. Ingram will discuss the vocational education program in Alabama and show some ways in which it serves the youth and adults of the state. It is expected that some of the needs and potentials in vocational education will also be pointed out to the group. Mr. Ingram recently served as president of the American Vocational Association and was invited to advise with certain groups on possible vocational programs for some foreign areas.

Mr. Bruce Tolbert has scheduled his group of high school boys for some special numbers for the Rotary on the 15th.

FORD FOUNDATION GRANTS IN ALABAMA

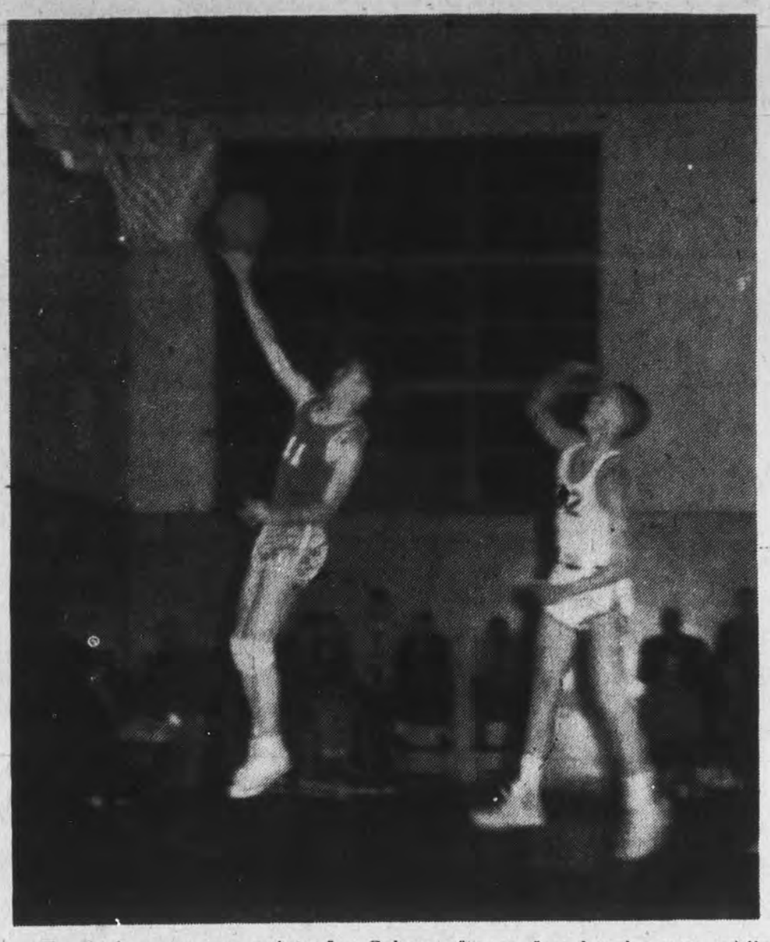

A booklet has been published describing grants by the Ford Foundation in the states of Alabama, Florida, Georgia, Louisiana and Mississippi since the Foundation was established in 1936.

The 32-page publication is available on request from the Ford Foundation, Office of Reports, 477 Madison Avenue, New York, N.Y.

The booklet reports a total of grants in Alabama as $3,956,171.

The equipment of Ford, Bacon and Davis Construction Company of Monroe, La., spent Christmas parked in Montevallo while the operating crew took off for the holidays. Ford, Bacon and Davis are building a new natural gas transmission line for Southern Natural Gas Company.

Soil Conservation District News

B. F. Hatchett and Geo. C. Starcher

Luther Merrill, Four-Mile, is continuing improvement of a natural pond. Shallow areas are being deepened. Trees and stumps that harbor mosquito larvae are being removed. A dike is being raised to keep surplus, overflow water from a creek out of the pond. Fescue and white clover are being planted on adjacent newly cleared areas.

Bob Shirley and Ernest Falkner, competing heavy equipment contractors, are showing a typical spirit of cooperation this week as they both work on construction of a dam for Willis Moore Jr., Chelsea district cooperator. Shirley needed additional equipment to deepen upper reaches of the new S.C.S. designed pond.

Albert Lokey, Wilsonville cooperator, has saved over 3 tons of Arlington Sericea seed. This finer-stemmed sericea is useful for grazing, for hay, and soil improvement. He will sell, or trade for bahia seed. Albert plans to overseed a thinning stand of sericea on a 12 acre field with bahia grass, try the combination.

John Lewis Cates, district supervisor, joins the work unit staff in wishing every cooperator a successful, and Happy New Year!

It Could Have Been Worse

By Fred Thornton, Montgomery Advertiser

Taking stock of the year drawing to a close, I find reason for rejoicing, not so much for what happened as for what did not happen. I did not die, or get fired, and my wife did not quit me, in 1958.

If we are in the throes of cold war on two fronts, with the Yankees and the Russians, at least neither exploded into a shooting war. It is good to know that we are not likely to go to war with the Yankees, if for no other reason than because we couldn't win. As for the Russians, as I understand it we have been holding back until they get as strong as we are, the idea being that it would not be good sportsmanship to fight them unless they had an even break.

Race relations in Montgomery and the South generally are at a low ebb, but even this has redeeming features. We are not mooched as much as formerly, and where it is done we can refuse to give, at least to the sorry ones, without feeling that we have been guilty of a breach of etiquette.

I admit that I do not feel exactly like Pollyanna the Glad Girl as the new year draws nigh, but pessimism and defeatism will not get us anywhere. So chins up, and let's greet 1959 in optimistic mood, or at least with determination to make the best of it.

Making yourself seen is the most effective single precaution to take when traveling at night, the National Safety Council says. Vehicles which have all lights in good working condition, and pedestrians who use flashlights or reflectorized material will make their presence known to others on the road.

MITCHELL-EAGERTON

The marriage of Miss Ann Eagerton to Walter L. Mitchell took place on December 20, 1958, in Montgomery. Mr. Mitchell (Babe), is the son of Dr. W. J. Mitchell and the late Mrs. Mitchell of Montevallo. Mr. and Mrs. Mitchell will be at home in Montgomery, where both are employed.

The harder it is to see, the slower you should drive, advises the Allstate Safety Crusade. Reduced speed gives a driver more reaction time to avoid hazardous situations that may arise.

Final Plans Made For Free Polio Shots

The Shelby County Rural Health Committee made final plans at a meeting Tuesday night for the first or a series of three free polio shots to be given to residents of the county Jan. 20.

"We expect many people to take advantage of this opportunity to get the polio shots free," said Dr. W. C. Browne, Vincent, chairman.

"However, we are afraid that we will not have 100 per cent participation in the program. Although the vaccine is one of the safest in use today, some people refuse to take it.

"By refusing to take the shots, they are running the risk of paralysis and even death due to paralytic polio," he said.

"We strongly urge everyone to take advantage of this opportunity," Dr. Browne said.

The shots will be made available free of charge to school children, children of pre-school age, and adults up to 40 years of age.

The second shot of the series will be given on Feb. 17, and the third and final shot of the series will be given Aug. 18.

The polio shot campaign is the first project of the newly formed county rural health committee. Next year, another project to promote rural health and safety will be undertaken.

Visitors attending the Tuesday night meeting were Dr. W. J. Donald, Montgomery, director of the bureau of county health work, and Dr. Thomas N. Page, associate director of the bureau.

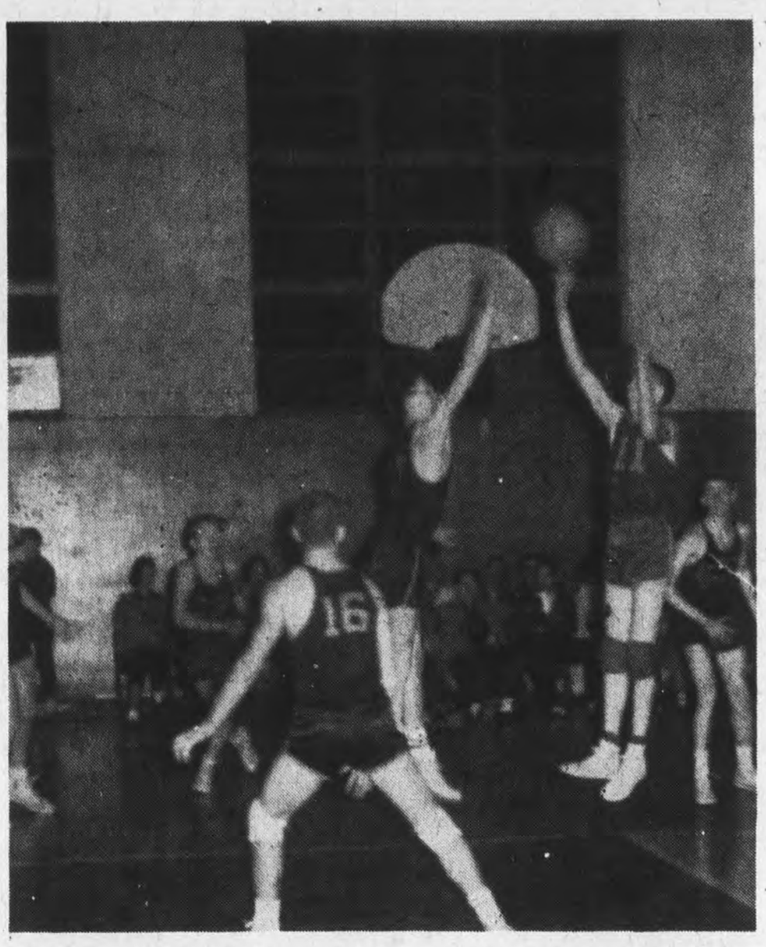

Dr. Ira L. Meyers, Montgomery, administrative officer of the state health department, also attended the meeting.

Shelby County is one of eight pilot counties to experiment with the rural health program.

Assisting the committee in the polio shot drive are the Shelby County March of Dimes Association, which is furnishing funds for the serum, and the Shelby County Medical Association.

All the doctors in the county have agreed to donate their time and facilities on the dates set aside to administer the shots.

"This will enable everyone in the county to get the polio shots free of charge from his own family doctor," Dr. Browne said.

Calera B team's No. 11 makes a jump shot, being guarded by McAdory's No. 17. No. 12 for Calera and No. 16 for McAdory came in for the rebound.

JOE COCHRAN

Augsburg, Germany—Army Sergeant First Class Joe F. Cochran, 28, son of Mr. and Mrs. Eugene Cochran, Siluria, Ala., recently participated in a field training exercise with the 9th Cavalry in Germany.

Sergeant Cochran is a tank crewman in the 9th Troop A. He entered the Army in 1956 and arrived in Europe in July 1958.

The sergeant's wife, Melva, is with him in Germany.

Alert behavior behind the wheel and on foot is doubly important at this time of year, because traffic accidents usually move toward a peak in December, the Allstate Safety Crusade explains. More than half the day is dark, and rain fog and ice compound the difficulties of seeing and stopping in time.

Drivers involved in fatal accidents had worse than average driving records prior to their fatal accidents, according to a detailed study of North Carolina drivers.

SOUTH CALERA HOME CLUB

The South Calera Home Demonstration Club met Dec. 17 with Mrs. M. M. Smith with 12 members present. The club was called to order and the pledge of allegiance to the flag was given.

The story of the song of the month was presented by Mrs. Ben Tate. The hostess, Mrs. Smith, conducted the devotional.

Miss Ann Gardner, assistant demonstration leader, showed lovely angels made of tulle and pipestem cleaners, and displayed bed spreads and how to make them.

Roll call was answered with "Safety Mistakes I Have Made".

A few reports of mistakes made were given, such as turning on the gas before lighting the match; results, an explosion blowing out windows; and when an auto accident is certain, one should relax instead of bracing.

A letter from Coosa River Regional Library was read, and the secretary was ordered to ask for a bookmobile, and a request was made to participate in the clinic to be held in this vicinity.

The Club adjourned to meet on January 21 at Mrs. A. T. Ryan's.

The School of Agriculture, Alabama Polytechnic Institute, lists Robert D. Allen, West Blocton, on its Dean's List for the fall quarter of 1958.

Under Auburn's grading system a 3.0 average is an all "A" listing. From 2.0 to 2.9 is a "B" average, while 1.0 to 1.9 is a "C".

STUDIOSIS CLUB TO MEET

The Studiosis Club will meet January 13, 7:30 p.m. in Reynolds Hall. Dr. Katherine Vickery will speak on Education in Russia.

There will be a social hour after the meeting. Hostesses will be Mrs. M. E. Lazenby, Chairman, Mrs. A. M. Freeman, Mrs. Fred Frost, Sr., Mrs. Arthur Garrett, Mrs. A. H. Gentry, and Mrs. R. A. Hendrick.

Hershel Lawley, right, FFA member, of Montevallo High School, receives 1,000 free pine tree seedlings from Homer B. Starks, District Forester for Coosa River Newsprint Company.

Newsprint Company Distributes Pines

More that 15 million Loblolly pine seedlings have been produced by the Coosa River Newsprint Company Nursery for planting in North Central Alabama this season.

Officials of the Company have announced that almost two million trees were distributed without cost to 4-H Club members, FFA boys, pulpwood producers and dealers, in the area from which the newsprint mill procures wood. The remaining trees are being used to restock cut-over lands owned by the Company.

The seedling pines were grown this year in the Company's modern tree nursery near Childersburg. Lifting and shipping of stock will continue through February at the rate of 300,000 trees per day.

H. B. Starks, Coosa River District Forester, is in charge of seedling distribution in Shelby County. Mr. Starks directs landowner services and forest conservation activities in this area for the newsprint mill. Company foresters are available to instruct landowners in the proper care of seedling pines and planting methods.

The purpose of this huge planting program is to aid in the reforestation of idle and poorly-stocked timberlands and to encourage the practice of good forestry by small landowners.

Wood and wood products constitute one of Shelby County's leading cash crops. This income can be greatly increased through tree planting, proper harvesting methods and the protection of woodlands from the ravages of wild fire.

DAR TO HOLD MEETING

David Lindsay Chapter, DAR, will hold its regular monthly meeting on Monday evening, January 12, at the home of Mrs. W. J. Kennerly, past chapter regent and present chairman of the American flag committee.

Miss Eloise Meroney, vice regent, will introduce Mrs. T. H. Napier, national defense chairman, who will be in charge of the evening's program entited, "Our National Defense".

Mrs. Charles L. Gormley, regent, reports that the main business of the meeting will be the nomination and election of a nominating committee and the selection of delegates for DAR Continental Congress and DAR State Conference.

Americans Have More Than Half World's Phones

Americans have more than half of the telephones in the world. But they're being out-talked by people in several other spots on the globe.

The 1958 edition of "The World's Telephones" shows the U. S. averaged 460 conversations per person last year—trailing the Canadian average of 497 and the Swedish conversation rate of 491.

The statistics indicate it's the inhabitants of the colder climates that make the most use of their phones. Geographically, the most talkative telephone area in 1957 was Alaska with an average of 581 conversations per person. Little Iceland also ranked high, averaging 452 per person.

An exception was Hawaii. The island territory with travel-folder weather, reported 522 conversations per person. No doubt, this includes calls by talkative tourists from cold countries.

The world in general averaged 56 telephone conversations per person. This compares with 51 for the preceding year.

The telephone survey records a total of 117,800,000 telephones in service in the world on January 1, a gain of close to 8,000,000 over the previous year.

The United States, with 63,621,000 telephones, led the list of the countries having the largest systems. Second was the United Kingdom with 7,354,000. Canada reported 4,816,118, the German Federal Republic (West Germany) 4,731,945, Japan 3,886,327, and the USSR 3,558,000.

The Russian telephone statistics were the first to be reported from that country since 1936.

Mr. J. J. Horton is in University Hospital after undergoing surgery on Tuesday.

WBYE

BYE Radio, 1370 on your dial

Voice of Shelby County

Hear the Farm Show each day on "Bye Radio" at 12:05 p.m. The latest farm news from the Shelby County Extension Division via the voices of A. A. Lauderdale, Buck Clark, and John Jones. Oftentimes they discuss problems with farmers in your locality.

•

Do you have to get up real early every morning? Do you then hanker to hear the latest weather report, rumors, correct time plus or minus five minutes, dead air time, few commercials? (We're still trying to sell it.) Then tune S. J. in from 5:30 until 7:00 on the Morning Show, Monday through Friday.

•

WBYE is your radio station. News of your community is as close as the 1370 spot on your radio dial.

WBYE furnishes its listeners with LOCAL news—news that no other radio station carries.

And YOU are the key to this service. A full coverage of local news depends on the participation of each and every listener. Give us the news of your neighborhood by phone, by card, or by letter—Church, School, Club, Scout and other activities—nothing is TOO BIG or too small for WBYE.

•

WBYE is to soon be locally owned and operated. The new owners each have called Shelby County "Home" for many years. Local ownership will most certainly yield a "listenability" superior to the good listening you have known in the past. Being locally owned, WBYE will truly be Shelby County's Radio Voice.

Internal Revenue Service Urges Taxpayers To "Do It Yourself"

"Self-help" again will be the dominant theme in the program of taxpayer assistance offered by Internal Revenue Service during 1959 Federal Income Tax filing periods.

The emphasis is for taxpayers to do their dead level best to complete their own return without government help, George D. Patterson, District Director of the Birmingham office, says.

"As in the past," Mr. Patterson said, "we are offering a program of taxpayer assistance by telephone. Expert agents are available in all Internal Revenue offices to answer almost any federal tax question relating to an individual return."

The number to call in Birmingham, is FAirfax 3-3421.

"Many taxpayers may obtain all the information they need by a careful reading of this year's instruction booklets; others may find one of our larger tax guides will provide the needed answers."

Mr. Patterson said new editions of tax guides now available to taxpayers are "Your Income Tax Guide", "Tax Guide for Small Business", "Farmers Tax Guide", and others relating to several specific tax areas.

"Self-help", Mr. Patterson said, "means that we would like for the taxpayer to complete as much of his return as possible before calling on us for help."

"We ask the taxpayer to have in mind all the facts that apply to his problem."

If you get stymied and must have help, Internal Revenue asks that you try the telephone service. Thousands found last year that this was all the help they needed.

"For some," Mr. Patterson said, "an office visit may appear to be the best solution."

Agents will be on hand to help you in the Birmingham office on Fridays and Mondays. The Birmingham office is located at 1531 Third Avenue North.

Regional Library Report

From time to time we have given you reports on the local library branch. This time we want to bring an overall report for the regional program. For the benefit of those who are not familiar with the set-up, the region consists of Shelby and St. Clair Counties and goes under the name of the Coosa Valley Regional Library. We hope you have noticed the bookmobile as it goes over the two counties.

During the period Oct. 1, 1957 to Sept. 30, 1958, $14,260 was spent for books; 4,878 books were purchased and 381 were received as gifts. At the end of the year our collection had increased from 13,195 to 18,454 volumes.

During the year, 1,589 individuals were added to the list of borrowers. Many more people used the library facilities, however, because often one person would borrow for his entire family or would lend the books in his neighborhood. We urge all people who use the library to register in their own names.

Circulation climbed from 49,286 in 1956-57 to 91,151 in 1957-58. If you would like to compare the three largest units in the region, we note the following: Shelby County headquarters library in Columbiana increased 120%; St. Clair County headquarters library in Pell City increased 102%; and the bookmobile increased 62%.

The bookmobile served 107 communities and schools during the school year. An average of 65 community stops were served winter and summer. Two new branches were put into operation (Helena and Montevallo). A third new branch was organized, but this one (Springville) did not open until the close of the fiscal year. Three home stations were established and these operated during the summer.

Vacation reading clubs were sponsored by three branches, Columbiana, Pell City and Montevallo. A total of 50 children received reading cerificates as a result of the clubs. A story hour was conducted for 8 weeks during the summer in the Pell City branch.—Mrs. Sarah B. Holland, Regional Librarian.

One drink for the road after office hours is more potent than commonly believed, according to a report of the Yale Center of Alcoholic Studies. The usual "cocktail hour" comes at a time when a person's resistance is lowest and most vulnerable to the toxic effects of alcohol.

Don't force other drivers to slow up for you, especially on slippery roads, warns the Allstate Safety Crusade. You risk having approaching cars brake suddently, which could cause them to skid or go out of control.

Priestley To Speak To Phi Beta Kappa

Dr. S. E. Gerald Priestley, professor of political science at Alabama College, will address the annual Phi Beta Kappa Founder's Day Dinner at Birmingham-Southern College Jan. 15.

Dr. Henry King Stanford, president of Birmingham-Southern, will be chairman of the program.

Dr. Priestley will speak on "Fact and Folklore About American Foreign Policy."

For more than 20 years he has followed the changing moods of American foreign poicy and has observed the reactions of people and national leaders in many countries toward the expanding influence of the United States in world affairs.

Light cattle of fair quality is best type to carry through winter, says The Progressive Farmer.

MRS. JOHN T. EILAND

Mr. and Mrs. George Glass Sr., of Calera, announce the marriage of their daughter, Margaret Elizabeth, to Mr. John T. Eiland, of Birmingham. The wedding took place December 5 at the Baptist parsonage, the Rev. J. F. Goree officiating. The ceremony was attended by the families of the bride and groom and a few close friends. They are making their home in North Carolina where the groom is stationed.

Vets May Make Extra Payments on GI Homes

Veterans with GI homes can make extra payments to their mortgage holders at any time, or they can pay off the entire GI loan without a penalty charge.

Harley A. Smith, Manager of the Veterans Administration Regional Office in Montgomery, said the minimum extra payment a veteran may make on his GI home loan is at least the amount of one month's payment, or a flat $100, whichever is less.

He added that should the veteran later become hard-pressed for money, the extra principal already paid may—if the lender agrees—be re-applied to regular payments in order to prevent the loan from going into default.

Teachers May Apply For Grants

High School science and mathematics teachers from Shelby County are invited to apply for grants to attend a six-week Summer Institute to be sponsored by the National Science Foundation at Birmingham-Southern College.

The college will select 60 of the applicants to receive stipends of $450 each, plus allowance for dependents and for travel, to be applied on expenses of the six-week institute.

These grant-holders may live in the college dormitories and provisions will also be made to house their families there if necessary.

During the institute, they will study advanced courses in either the sciences or mathematics, attend special lectures by visiting professors and take part in field trips in the Birmingham area.

Application forms will be sent to all Alabama high schools, and should be returned to the college by February 16.

ZIOLKOWSKI-SUMMERLIN

Mr. and Mrs. Ray Summerlin of Selma announce the marriage of their daughter, Patricia Ann, to John Edmund Ziolkowski, on Saturday, December 27, 1958, in Selma. Mr. Ziolkowski is the son of Mr. and Mrs. M. Ziolkowski of Montevallo. The couple will make their home at 207 Church Street, Chapel Hill, N. C. Mrs. Ziolkowski is a sophomore at Alabama College.

"Methods now available in screening applicants for drivers licenses can throw a spotlight on accident-prone drivers who previously have gone unnoticed," A. E. Spottke, vice president, Allstate Insurance Companies, declared recently, "The detection of these potentially dangerous drivers must become the basis for determining who shall and shall not drive on our roads."

Sargeant's Guernsey Wins Distinction

Wey Acres Levity Bellringer, registered Guernsey bull, owned by J. C. Sargeant, Jr., Calera, Alabama, has become a Summarized Sire, according to the American Guernsey Cattle Club. To attain this distinction, a bull must have at least 10 daughters with official production records.

"Bellringer", has 17 tested daughters that have made 27 official records. Their average production is 9,873 pounds of milk and 473 pounds of fat, when converted to a twice-daily milking, 305-day, mature equivalent basis.

This fine Guernsey bull was bred by Mrs. F. L. Weyenberg, Thiensville, Wisconsin. This bull's sire was Coronation Levity Prince and it's dam was Riegeldale Ben's Melba, that posted an official production record of 16,627 pounds of milk and 848 pounds of fat.

"Bellringer", also has had seven of his registered daughters classified with an average rating of Desirable.

The National Safety Council says traffic police will concentrate on these three traffic hazards as end-of-the-year holiday travel increases; jaywalking pedestrians, motorists who fail to yield the right-of-way to pedestrians, and drinking motorists and pedestrains who violate the law.

Rev. J. F. Goree Accepts Pastorate of Plant City Baptist Church in Lanett

We regret to report that on Jan. 15 Rev. J. F. Goree Sr., will leave Calera on his way to the Plant City Baptist Church, Lanett, Alabama, where he has accepted a call to continue the good work he was doing in the Calera Baptist Church.

Brother Goree became pastor of Calera Baptist Church in May of 1953. Under his leadership the church experienced phenomenal growth. Following are just a few of the things that have been accomplished during his 5 years and 8 months tireless work, doing his best to make the church attain the highest goals.

REV. J. F. GOREE

Total offerings for all causes was $71,802.83. Amounts spent out of this, $25,640.03 for buildings and improvements. This includes a new pastorium valued at $15,000; a new Allen organ, 3 pianos, air conditioning, and 2 lots adjacent to the church at a cost of $7,700.00.

The church has given $10,000 to missions, which has made the Calera Baptist Church second in mission gifts in the Shelby Association.

There has been almost 300 additions to the church; 100 came by baptism.

Brother Goree has held the following offices: Associational Sunday School Supt.; two years as the Moderator of Shelby Baptist Association; and two terms as a member of the State Baptist Executive Board. He is an active member of the W.O.W., the Civitan Club and a Mason.

His family includes Mrs. Goree, 3 sons and 2 grandchildren. Floyd Jr., is a Lt. in the Air Force at Dayton, Ohio, where he lives with his wife and 2 children. Gene attends Alabama College at Montevallo, and Handy is a sophomore in high school.

Mrs. Goree has served as a primary teacher in the Siluria school for the past 4 years.

We wish to commend Brother Goree for his efforts to make the Calera Baptist Church go forward. He worked hard, although his health was not good. We think he has served faithfully and to the best of his ability. We wish him God speed. Under his guidance we know the Plant City Church will prosper.

College Library Receives Grant

The Alabama College library has received $500 for files of science periodicals, Abi Russell, librarian, announced today.

The award is a sub-grant by the committee on foundation grants of the Association of College and Research Libraries. The funds for the sub-grant were contributed to the American Library Association by the United States Steel Foundation.

The Association of College and Research Libraries is a division of the American Library Association.

Shelby County School Children To Receive Free Polio Shots

School children in Shelby County will have the opportunity to receive free polio shots in a few weeks.

Mrs. Chester Atkinson, county health nurse, and Mr. Elvin Hill, county superintendent of education, have formulated plans for the campaign along with the Shelby County Rural Health Committee as sponsoring group for the drive.

Children must have their parents' consent in order to receive the shots. Children who have high temperature on the day of the shots will not receive them.

According to Dr. W. C. Browne, Vincent, chairman of the rural health committee, parents may have their school-age children vaccinated by their local doctor on the dates set aside for the general immunization program.

"We know that most of the school children in the county have had the shots. But many of them are not yet protected. We want all children in the county to be protected," Dr. Browne said.

"If parents prefer they may have their children vaccinated by their local doctor rather than have them vaccinated in the school prgram," he said.

Everyone in Shelby county under the age of 40 may get the shots free of charge on Jan. 20, Feb. 17, and Aug. 18.

Shelby County doctors will donate time and facilities to the program on those dates. Vaccine is being furnished by the Shelby County March of Dimes Association.

Vaccination schedule for the county's white schools is as follows:

Shelby, Wilsonville, Chelsea, Calera and Columbiana pupils will receive vaccinations at the county health office in Columbiana on Jan. 27 and Feb. 24.

Vincent, Sterrett, Dunnavant, and Vandiver schools will meet Feb. 2 and March 2 at Vincent school for the shots.

The county health nurse will be at the Montevallo High School gym on Jan. 29 and Feb. 26, to vaccinate pupils of both Montevallo schools, Mayberry, Dogwood, and Maylene schools.

Thompson High, Siluria elementary, Helena, Pelham, New Hope, and Camp Branch schools will meet at Thompson High on Feb. 5 and March 5.

Schedule of vaccination for pupils of colored schools of Shelby county is as follows:

The Shelby Couny health office will be the meeting place for the Shelby County Training School, the Alabaster school and the Calera school on Jan. 28 and Feb. 25.

The nurse will be at the Vincent school Feb. 19 and March 19.

Shots for pupils of Prentice High School, Montevallo, and Almont school, will be given at Prentice High, Feb. 26 and March 26.

Transportaton for pupils will be arranged.

Gas Company To Install Pipeline

Southern Natural Gas Company is installing 6.5 miles of eight-inch pipe on its Calera line. This will make additional gas available to the towns of Montevallo, Wilton, Calera, Alabaster, Helena, Columbiana and to the Chilton County Gas District which serves the towns of Jemison and Thorsby.

The new construction will also make increased quantities of gas available for interruptible service for industries in the area. These include: Alabama Aggregate Company, Alabaster Lime Company, American-Marietta Company, Cheney Lime Company, Hercules Powder Company, Longview Lime Corp., Pure Carbonic Company and Southern Cement Company.

The new line will be parallel to the existing line and will extend south for about 6.5 miles from a point near Alabaster.

College Sponsors Art Exhibition

The Alabama College Art Department is sponsoring an art exhibit, "The Medieval World," Jan. 5-25 in Comer Hall.

"A gallery talk will be given Thursday, Jan 15 at 7:45 p.m. A short film, 'Art Survives the Time,' will be shown in connection with the gallery talk," said David Huntley, chairman of the art department.

The photographic exhibition was prepared by the editors of LIFE magazine. It was assembled under the direction of Stuart Preston, art critic of the New York Times.

Mr. Huntley said, "This exhibit depicts the roles of the Church, Town, and Castle in the day-to-day life of medieval man."

Alabama College received the exhibit from the American Federation of Arts, which sponsors the circulation of exhibits.

Two Are Killed in Auto Accident

Montevallo's first traffic fatality since 1946 occurred Saturday night at 10:30 when two Negro men were killed and one negro woman was injured in an accident on Highway 25 in front of Seaman Timber Co. Eddie Simmons, age 31, of Wilton, was killed outright. Annanias Dukes, age 45, of Aldrich, driver of the car, was taken to a Birmingham hospital, where he died at 1:05 a.m. Sunday. A negro woman by the name of Grayson, a sister of Eddie Simmons, was injured in the accident but has been released from the hospital.

Chief of Police Harry Kendrick says that the accident was caused by excessive speed and intoxication. The car left the road, hit a tree and travelled from 400 to 500 feet, turning over.

College Offers Evening Courses

Alabama College will offer late afternoon and evening courses for the second semester. All courses will carry residence credit for both graduate and undergraduate work.

Persons interested in enrolling will meet in Comer Hall Jan. 29 at 4:30 p.m., according to Dr. M. L. Orr, dean of the college.

Undergraduates who have already exhausted the 25% limit of credit courses by extension will be eligible for the courses.

Courses include subjects in art, education, English, home economics, psychology, speech, and golf as a phsycial education subject. A graduate student taking four 3-semester hour courses will carry a total of 12 weeks of residence credit.

"Under this program, a graduate student may possibly earn a master's degree in 2 summer sessions rather than three. A graduate student must earn 6 semester hours of credit in late afternoon or evening classes, in order to do this," Dr. Orr said.

DON H. LOVELADY

Don H. Lovelady, Montevallo businessman, is the new Chamber of Commerce president at Montevallo, succeeding James F. Whaley. M. S. McGehee will serve as vice-president, along with Fred Frost, Sr., treasurer, and M. Thornton, secretary.

The annual Chamber of Commerce dinner will be held at the Legion Hut on Friday, January 23, at 7:00 p.m., at which time the new officers will be installed and James F. Whaley, outgoing president, will give a report of the 1958 accomplishments. An interesting and educational program has been planned for the annual dinner meeting.

Montevallo High School Receives Commendation for Sportsmanship

Mr. Guy Milford, Principal of Montevallo High School, has received a letter of commendation from the Central Alabama High School Football Officials Association in regard to the fine sportsmanship displayed at the games in which they officiated.

In explaining their evaluation, Doy Hammond, President of the Association, wrote, "The following method was used to evaluate the sportsmanship of your team, school officals, and spectators in attendance at the games: 1-Excellent; 2-Good; 3-Average; 4-Fair; and 5-Poor."

"Our Association wishes to take this means to commend you for the fine sportsmanship displayed at the games in which we officiated. Your team, school officials, and spectators received a rating of 1.33 or better for the games rated by us. This high degree of sportsmanship is a credit to your school and community and it certainly made our job as officials much easier."

Mr. Milford, The Montevallo Bulldogs, Coaches Fisher, Martin and Corbett, the Montevallo Band, Majorettes, Cheerleaders and student body and faculty are to be congratulated on this high standing they have achieved in sportsmanship. This, along with the fact that they received the Shelby County Championship rating, and tied for Midstate Championship, is something that the City of Montevallo can be very proud of.

Local Church Group Affiliates

The Liberal Fellowship of Montevallo (Unitarian) this week was officially recognized as the 261st active fellowship of the American Unitarian Association. The group consists of laymen dedicated to the development of moral and spiritual values of all persons, and will function as a small church to serve the needs of religious liberals in this area.

The local fellowship conducts church school on Sunday mornings, at 11:00 (for children only); adult meetings are held Sundays at 7:30 p.m. The Girl Scout hut serves as meeting place.

The Unitarian denomination welcomes all persons interested in a continuing search for religious truths. No creedal test or statement of belief is asked. Visitors are always welcome.

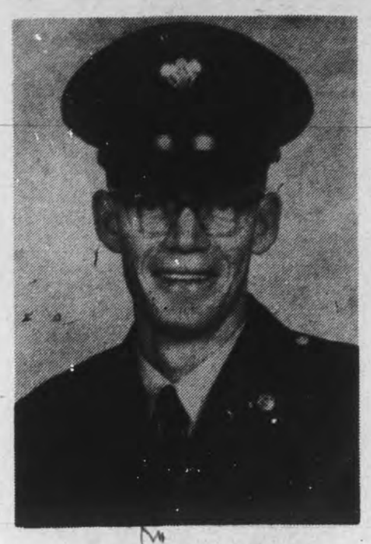

Officers of the local fellowship are: Dr. Herbert Eber, president; Dr. Gid Nelson, president-elect; and Mrs. Andrew Kochman, secretary and treasurer. Programs include visiting ministers and laymen, recorded sermons, and local readers.

JACKSON-HATCHER

Miss Angela Jackson of Odenville and Mr. Jimmy Hatcher, son of Mrs. W. H. Hatcher of Calera, were married Jan. 5. Mr. and Mrs. Hatcher are at home in Birmingham.

Congressman Armistead I. Selden Jr., and Michael Way Delaney, 11-year-old polio victim, meet on the steps of the U.S. Capitol Building to mark the simultaneous opening of the new Congressional session and the 1959 March of Dimes. Michael, whose mother's family is from Tuscaloosa, received a special furlough from treatment at Walter Reed Army Medical Center to be Congressman Selden's guest for the opening Congressional session. The boy's father, Lt. Col. Louis A. Delaney, is stationed at the Pentagon.

PVT. BILLY G. HARRIS

Private Billy G. Harris, son of Mr. and Mrs. Jesse Glenn Harris, Route 1, Marvel, has been assigned to Co. C, 2nd Bn., 1st Tng. Regt. at Fort Jackson, S. C., for his basic training.

Upon completion of his basic training, he will receive further advanced infantry training or will be assigned to an Army school. Fort Jackson offers schooling in several specialties associated with an Army Division.

Mr. and Mrs. Harold Pickett returned to their new home in Calera, after spending their honeymoon in Florida.

Shelby County in Inaugural Parade

Shelby County has been assigned a place as Section No. 18 in the Governor's Inaugural Parade in Montgomery next Monday, January 19.

The Shelby County section will consist of a float entered by the county together with automobiles to carry the county officials. Next in the Shelby County section will be the Montevallo High School Band, sponsored by the City of Montevallo. Following in order will be the Shelby County High School Band, a float entered by towns of Shelby County and the Calera High School Band.

FHA HAS FASHION SHOW

On January 7, the Montevallo Future Homemakers of America had a program on choosing appropriate clothes and accessories for various occasions. Mrs. John Stevens, a senior vocational home economics major from Alabama College, was in charge of the program. She was assisted by Mary Katherine Wilson, another vocational home economics major, and two future homemakers, Lucretia Hollingsworth and Judy Bess Robinson.

Mrs. Stevens emphasized the importance of wise wardrobe planning; disadvantages of being a "spur of the moment dresser"; and choosing clothing and accessories that are becoming to a person's features and figure.

Mary Katherine Wilson, Lucretia Hollingsworth and Judy Bess Robinson served as models who displayed a variety of clothes and accessories which a girl can appropriately wear to school, church, and social occasions.

Sweaters, suits, evening dresses, casual and school clothes were discussed and worn by the models who illustrated some "do's and don'ts" which the tall girl and the short girl should observe in choosing clothes with becoming lines.

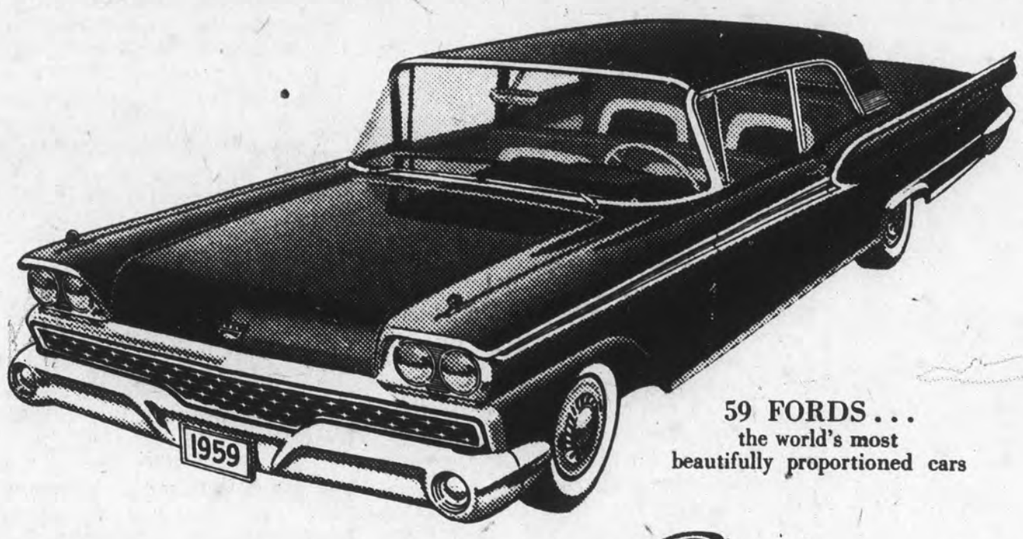

The choosing and wearing of accessories was discussed and illustrated with emphasis on the importance of selecting appropriate gloves, shoes, hats and purses.

The models demonstrated correct use of costume jewelry, scarfs and artificial flowers as means of harmonizing and enhancing a costume.

The clothes and accessories modeled were loaned through the courtesy of The Little Shop.

STEAK ROLLS WITH MUSHROOM SAUCE

YOU'LL NEED:

STEAK ROLLS WITH MUSHROOM SAUCE

- 10-oz. pkg. frozen asparagus or broccoli
- 4 beef cube steaks (about 5 in. square)
- 2 Tablesp. hot butter or margarine
- 1 teasp. onion salt
- 2 Tablesp. flour
- 4-oz. can mushroom stems and pieces (do not drain)
- 1 teasp. Worcestershire sauce
- ½ cup PET Evaporated Milk

Cook asparagus according to package directions. Brown steaks 2 to 3 min. on each side in butter in a heavy 10-in. skillet. Sprinkle onion salt on browned steaks. Put equal parts of drained vegetable on the steaks. Bring 2 sides of steaks up around vegetables and fasten with toothpicks. Keep warm. Stir into drippings in skillet until well blended the flour, mushrooms and Worcestershire sauce. Cook and stir over low heat until mixture begins to bubble. Take from heat. Stir in milk, a little at a time. Return to heat. Cook just until thickened and steaming hot, but do not boil. Serve sauce over steak rolls. Makes 6 servings.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Behind-the-scene efforts of certain liberal Democrats from the North to gain greater control of the new Congress failed to materialize when the 86th Congress convened last Wednesday.

Although there were no changes in the Democratic leadership, it was a different story on the Republican side of the aisle. By an extremely close vote, Rep. Charles A. Halleck of Indiana was chosen as minority floor leader to replace former Speaker of the House Joseph W. Martin of Massachusetts. Halleck, a long-time member of the House of Representatives, is considered one of the ablest Republicans in the entire Congress.

Rules Change Squashed

A movement, spearheaded by the above-mentioned liberals, to reduce the power of the House Rules Committee failed. This Committee, under the chairmanship of Rep. Howard Smith of Virginia, is extremely important as it has almost life or death control over most major legislation. A reduction in the powers of the House Rules Committee would have been extremely detrimental to the South, and a considerable amount of work was done by Southern congressmen prior to the convening of Congress to make certain no changes would take place. As a matter of fact, I returned to Washington several days early to meet with a small group of Southerners in connection with this matter.

Alford Seated

It also appeared that there might be a strong effort to prevent the new Arkansas Congressman—Dr. Dale Alford—from taking his seat, pending an investigation of alleged irregularities in his write-in victory. Again, preliminary work by Southern members of Congress was helpful in averting such action and Dr. Alford, who opposed the integration of Little Rock schools, was sworn in on the first day of the session.

Bills Introduced

I have again introduced legislation which will permit the Secretary of State to deny passports to Communists and Communist supporters. I first introduced this measure last year after the U. S. Supreme Court had ruled that the Secretary of State did not have the necessary authority to prohibtt travel abroad by members of the Communist Party. Although my bill was approved by the House of Representatives last August, the Senate failed to consider it before adjournment.

I also re-introduced legislation which provides that a state law, where not in conflict with a federal act on the same subject, can be enforced for the protection of the state and its citizens. Contrary to earlier rulings, the U.S. Supreme Court has held in a number of recent cases that when Congress passes a law on any subject it intends that all state laws on the same subject be superseded. As you know Congress in recent years has legislated on a multitude of subjects. Therefore, if the Supreme Court continues to follow its present doctrine, it will be a matter of time when states will be deprived of practically all powers and sovereignty in the enactment and enforcement of their own laws.

I had previously introduced this legislation in the 84th and 85th Congresses. Last year an identical bill, introduced by Rep. Howard Smith (D-Va.), was passed by the House of Reprensentatives but failed to pass the Senate by only one vote. This legislation is extremely important and every effort will be made to pass it during the present session of Congress.

Calera's Edwards (25) jumping with Montevallo's Davis (4) during the Montevallo-Calera game Tuesday night at Calera. Also shown are Potts (3) and Thornton (7) for Montevallo and Tyres (15) for Calera.

Montevallo Defeats Calera, 44-28

Forrest Brown scored 22 points Tuesday night to lead the Bulldogs in their 44-28 victory over Calera. This was the second time this season Montevallo has defeated the Eagles.

In this low-scoring event, which was packed with mistakes of both teams, 16 of Montevallo's points came at the free throw line, and 8 of Calera's were charity tosses.

Calera took a 1-0 lead as Edwards hit one from the field after both teams had tried twice and failed following the tip. Then Potts and Brown scored three points apiece as both hit a free throw and a field goal to make the score 6-2. After that Calera never threatened.

Ahead 12-7 at the end of the first quarter, the Bulldogs went on to double the score 26-13 by halftime. A cold third quarter saw only 13 points scored by both teams as Montevallo made six and Calera seven.

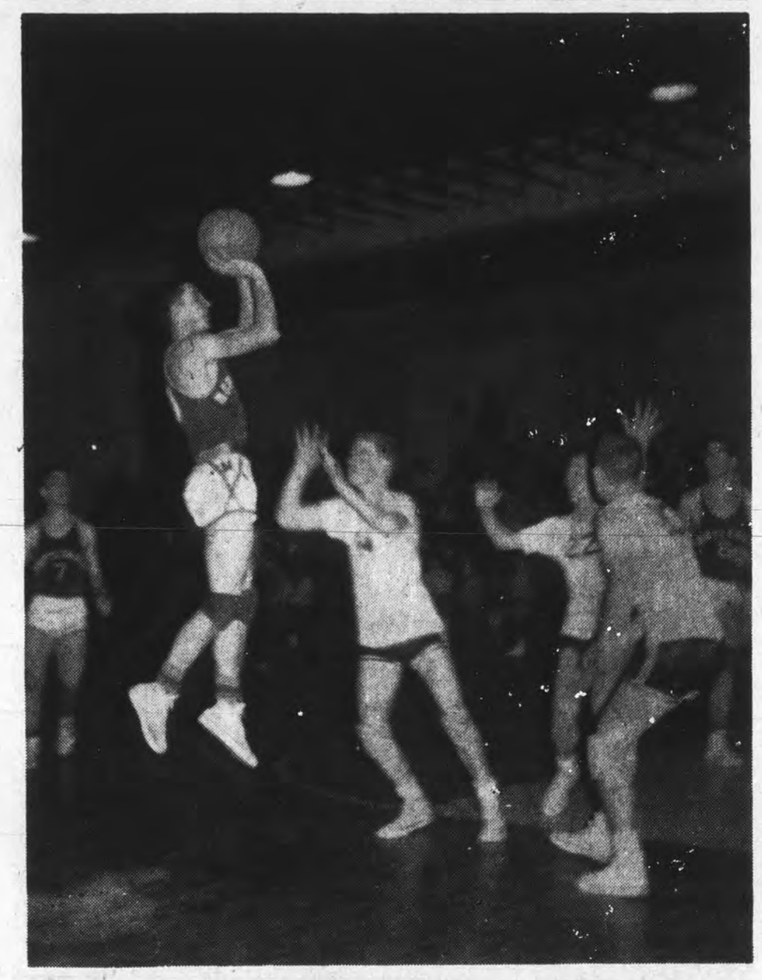

Brown went to work in the fourth period and dumped in four field goals for the Bulldogs. In that frame free throws by Thrasher and Davis, and two by Smitherman, completed the scoring as Montevallo remained undefeated in county play.

Friday night Montevallo plays host to Thompson. During the Christmas holidays the Bulldogs defeated the Warriors in the Mid-State Tournament at Jemison .

B's Win Thriller

Montevallo's B team continued to provide a great part of the excitement as they nosed out the Eagles 39-38.

Trailing 38-37 ten seconds away from the end of the game, the Bullpups sent Jack Rasberry to the free-throw line. One look at the clock and Rasberry saw what he had to do—and he did it. Two perfect tosses and the game was won.

Jimmy Thrasher, Montevallo, shoots. Picture is of the Montevallo-Vincent game last Friday. Also shown are Brown (6) and Thornton (7) for Montevallo.

Thrasher Leads Scoring, Bulldogs Defeat Vincent

Thanks to a 23-point performance by Jimmy Thrasher, Montevallo managed to stave off a last quarter threat to defeat Vincent here Friday night 53-46. This was the first meeting of these two county rivals this season.

Thrasher, top-scorer thus far this season for the Bulldogs, hit 8 for 17 from the field and had 70% accuracy at the free-throw line. Jim Potts and Ronald Smitherman added nine points apiece to the night's total.

Leading 13-9 at the end of the first period, the Bulldogs had pulled away to a seemingly comfortable 31-17 score at halftime.

However, two minues away from the final whistle, the Yellowjackets had the Bulldogs against the wall as they pulled to within two points of tieing the count. Then, with the score standing 44-46, Thrasher sank a field goal, was fouled in the act of shooting, and made good the free throw. This gave the Bulldogs breathing room; but Danny Thornton put them home free when he was called to the foul line for two free shots, which he fired accurately. Two more charity points by Thrasher and one field goal scored by Justice for Vincent finished up the time to end the game with the score 53-46.

The Yellowjackets went ahead at the beginning of the game as an early foul gave Garrett a free throw. Smitherman matched it to even the count. Then Green scored two quick field goals and Spradley hit one from the floor to put the Jackets out front 7-1. Then Thrasher turned on the steam and poured in three from the field. Smitherman hit with two field goals and Brown sank a beaut to lead 13-7. After that the Bulldogs never gave up the lead.

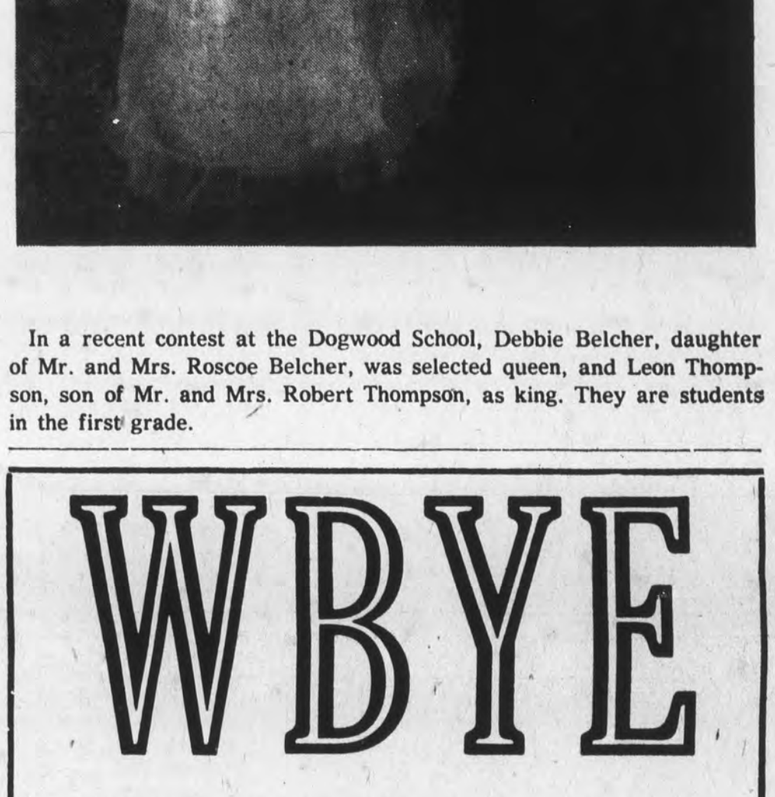

B's Keep Winning

The Bullpups kept their perfect record intact as they took a preliminary match 36-34 in one of their closest games.

Jack Rasberry led the scoring for Montevallo in this game which saw ten men leave the game on fouls. Both teams were forced to finish play with only four men.

Juniors Win Too

Tharpe scored 14 points to lead the Junior team as they made it a clean sweep of the triple-header at Vincent. The junior took their game 30-13.

In a recent contest at the Dogwood School, Debbie Belcher, daughter of Mr. and Mrs. Roscoe Belcher, was selected queen, and Leon Thompson, son of Mr. and Mrs. Robert Thompson, as king. They are students in the first grade.

Kitchen Hints

Here's a serving suggestion for topping pancakes, waffles or toasted breads. Add a generous cup of mashed cooked dried apricots to one bar Imperial margarine, blend well and spread on hot foods—so nutritious too.

* * *

Make your school box lunches especially different by spreading the sandwiches with a blend of chopped pimiento-stuffed olives which have been folded into one bar of Imperial margarine—so tasty with ham or American cheese.

* * *

Dress up broiled "franks" with a basting and spread of one half cup chili sauce and one bar Imperial margarine. Spread it on the rolls too.

* * *

Give broiled salmon extra flavor by spreading the cooked fish with a blend of one tablespoon chopped chives and one bar Imperial margarine. Serve with baked tomatoes which have also been basted with this spread.

"Pardon me—lady—haven't we met somewhere before?"

Editor-Columnist Herb. H. Love, The Lincoln County, Idaho, Journal—Best recent story in Idaho was published in the Idaho Farm Journal. Seems a young fellow was wandering around the Ada county courthouse, just sightseeing and trying to figure out how people could live in town without gardens and cows. A county employee suggested he go to another part of the building and see the forty foot mural. And pretty soon an assessor's deputy came out and asked, "Who sent that chap into our office to see a forty foot mule?"

Farmers who own young calves seem to be experiencing more and more winter losses due to a condition known as "pneumonia-enteritis" complex.

Today, this is causing an annual loss estimated at more than $30,000,000. It has become such a problem that it has been singled out as one of the major targets of National Livestock Loss Prevention Year in 1959.

Keep calves in small group.

Really, this is two diseases in one . . . calf pneumonia and bacterial or virus scours. Either of the two is serious, but when the calf contracts both, the consequences can be disastrous. Under confinement, calves are more likely to pick up the disease viruses and bacteria from contaminated air and bedding.

The best way to check pneumonia-enteritis losses is to have treatment started when first symptoms appear. Symptoms may include fever, loss of appetite, scouring, coughing, rapid breathing, and gauntness. Scouring may begin before pneumonia symptoms appear. The owner may mistake such scouring for simple dietary scours, when it may actually mark the onset of this fatal pneumonia-enteritis problem. So, when symptoms appear, it is wise to have a veterinarian make a diagnosis, to make sure which condition exists.

It is best to isolate sick calves and place them in dry, well-ventilated quarters. If treatment is begun promptly, the chances of the calves recovering are improved considerably. One item on the plus side is that calves which recover usually carry lifelong immunity.

From the preventive standpoint, the farmer can take several precautionary steps—being sure that calves have the first milk or colstrum, keeping calves housed in pens alone, or in small groups of the same age, making sure that barns are well ventilated, not drafty, and that they have ample dry bedding.

For Foundation planting around your home, says The Progressive Farmer, nandina and holly are better than deciduous shrubs. In areas where broad-leaved evergreens are hardy, they are more acceptable than narrow-leaved.

Overcrowded chicken brooders are dangerous during cold weather, says The Progressive Farmer. Brooders with a rated capacity of 1,000 chicks will only take care of 750 four-or-five-week-old birds on a cold day.

TO THE PEOPLE OF SHELBY COUNTY

This will be the last issue of our local publications before I leave the Sheriff's Office, and I would like to say thanks for allowing me to serve you in this important office for four years. It has been four wonderful years to me, my family and my associates. I have served you in the best interest of Shelby County, as I knew how to serve you. I will always do just that.

You, the people of Shelby County, have been wonderful to me while serving you, and I will never forget you. I believe it is my duty, as well as everyone's to serve his community in any way he or she can serve best. I have always felt that everybody has a place in his community to serve his fellow man. If he is a true citizen, he will serve for the interest of all and not a favored few.

If at any time I can be of service to you in any way, please call or let me know. I will be glad to have an opportunity to help in any way. So as I leave you as Sheriff, remember me as a friend and servant of you, the wonderful people of Shelby County.

May God bless each of you in your home and work.

Your friend,

HUGH M. SIMS

IN LOVING MEMORY of our precious son, Eugene W. McDonough, killed in a car accident one year ago January 13, 1958. So sad and sudden death came to call. Your sudden death surprised us all. A sudden change in a moment fell without a chance to say farewell. We often sit and think of you and then of how you died, to think you could not say goodbye before you closed your eyes. No one knows our longing. No one sees us weep. We shed our tears from aching hearts while others are asleep.—(Signed) Mr. and Mrs. A. E. McDonough. (1-15-1tpd)

ORDER OF PUBLICATION LEGAL NOTICE

The State of Alabama, Shelby County, In Circuit Court, In Equity, Case No. 4310; Billy B. Merrell, Complainant, vs. Ernest C. Merrell, Respondent.

In this cause it being made to appear to the Register by affidavit of Joe G. Burnett, one of the Solicitors of Record for the Complainant, Billye B. Merrell, that the residence of Ernest C. Merrell, the Respondent in the captioned cause is unknown and cannot be ascertained by the Complainant or himself after reasonable effort and diligent inquiry and further that in the belief of said affiant the Defendant is of the age of twenty-one years; it is therefore ordered by the Register that publication be made in the Shelby County Times-Herald, a newspaper published in Montevallo, Alabama, once a week for four consecutive weeks, requiring Ernest C. Merrell, the said Respondent to plead, answer or demur to the Bill of Complaint in this cause by the 23 day of January 1959, or in thirty days thereafter a decree Pro Confesso may be taken against him.

Done at office in Columbiana, this the 23 day of December, 1958.

A North Carolina study indicates that drivers show advance symptoms of the kind of driving which might produce a fatal accident. Improved driver licensing procedures can weed out these possible killers before they claim their victims.

Pedestrians can see headlights long before a driver can see pedestrians, the Allstate Safety Crusade states. Those on foot should take advantage of this and never count on a motorist seeing them or giving them the benefit of the doubt.

Rev. Jimmie J. Horton return home Saturday from the University Hospital, and he is now back at work.

Telephone Talk

by
J. L. SWITZER
Your Telephone Manager

"THANKS FOR CALLING!" To let you know how much we appreciate having you as a customer, we're celebrating "Thanks for Calling" month. That's our way of saying thanks not only for the calls you make. but also for the opportunity of serving you. And that goes for all of us—operators, installers, service representatives, linemen. When you see our "Thanks for Calling" badges, or hear that phrase, please take it, too, as a small expression of the satisfaction we get out of bringing people together and supplying communications services so important to you. Again, "Thanks for Calling!"

* * *

AFTER-HOLIDAYS LET-DOWN? Friends and relatives who gathered for the holidays are scattered again . . . children are back at college . . . all the happy hustle and bustle is over. But don't let it get you down! Out-of-town folks are always as near as your phone. And Long Distance costs so little, especially when you call station-to-station after 6 P.M. or any time Sundays. By the way, why not arrange a regular time for your college son or daughter to call home? It's a happy event you'll both look forward to, whether once a week or once a month.

* * *

IT'S ODD, in a way, how many farms around the country have all kinds of work-saving machinery — but just one telephone. For example you'll see electric milking machines, power tools, conveyors, grain mixers. Yet when the phone rings, someone has to run from one of the farm buildings into the house . . . or through several rooms . . . to answer it (and that's usually the farmer's wife). With extension phones costing only pennies a day each, the modern farm should have them wherever needed. Just call us for more information.

April 12-18 Is Library Week

April 12-18 has been designated National Library Week, it was announced by the Columbiana Committee for NLW, by Mrs. Norman Lefkovits, chairman for the Shelby County Committee.

In explaining the aims of the expanded program for 1959, the committee states "We want to heighten the national interest in reading and shorten the step from curiosity to conduct by encouraging people to visit a library, bookshop or newsstand. That step may be short, but it can lead to new frontiers for millions."

The following are members of the Shelby County Committee for 1959: Mrs. Norman Lefkovits, the chairman; Mrs. Keener Roberts, publicity; Mrs. Edwin Joiner, exhibits; Mrs. Karl Harrison, special events.

Funeral For Miss Adelaide Mahan

Miss Adelaide Mahan of Brierfield died on January 9 at St. Vincent's Hospital in Birmingham after a brief illness.

The last surviving member of the family of Jesse W. Mahan, Sr., and Anna Cunningham Mahan, she was born on the family estate in Brierfield in 1872 and lived there all her life. The estate is part of a territorial land grant from the United States to her grandfather, Edward Mahan, and his brothers, in payment for military service during the War of 1812. The family came to Alabama in 1816.

Miss Mahan is survived by twelve nephews, twelve nieces, forty-nine great-nephews and nieces and sixty great-great nephews and nieces.

Miss Mahan was active in the religious, civic, cultural and historical affairs of this area.

She was a member of St. Thomas the Apostle Catholic Church in Montevallo where she belonged to the Ladies Sodality.

A former postmistress at Brierfield, Miss Mahan was for many years Registrar of Vital Statistics for the area.

An early interest in art led to several years of study in New York, Cape Cod and Provincetown, Nova Scotia. Returning to Alabama, she became a charter member of the Birmingham Art Association, at whose exhibitions her paintings have been shown.

Miss Mahan was a charter member of the Studiosis Club of Montevallo and a member of the Alabama Bee-keepers Association. During the past year she was guest of the president of the Alabama Historical Society at a recent meeting at Alabama College in Montevallo.

The body lay in state at the home of Mr. and Mrs. S. M. Mahan, Sr., of Montevallo, where Rosary services was held on Sunday evening.

Funeral services were held Monday, January 12, at St. Thomas the Apostle Catholic Church, Montevallo. Rev. T. J. Blyth offered the High Mass of Requiem. Mrs. M. Ziolkowski directed the choir. Interment followed in Cedar Grove Cemetery at Brierfeild.

Six nephews served as pallbearers: Jesse W. Mahan, Edward C. Mahan, S. M. Mahan, Jr., Stanley Lacey, R. P. Ransom and Hesse Fridley.

Honorary pallbearers included Dr. T. H. Napier, Dr. W. H. Trumbauer, Rev. Edward Glover, Herman Stone, J. F. Blakely and Kermit Woolley, all of Montevallo; Rymps Frederick and Wes Litton of Brierfied.

JOINT RECITAL SUNDAY

Miss Joyce Hann, Birmingham, soprano, and Miss Rosalind Reed, Sylacauga, piano, will present a joint recital Sunday, Jan. 18, at 4 p.m., in the auditorium of Calkins Hall. Miss Mary Katherine Hicks, Montevallo, will accompany Miss Hann.

The general public is cordially invited to attend.

Mrs. W. E. Montgomery has returned from Danville, Ill., where she visited her son, Bob Montgomery, and family during the holidays. Her return home was delayed on account of illness.

It's Always TOMORROW FOR US

ALABAMA POWER COMPANY has completed a record year in the number of new power projects started, finished and authorized for future construction. The amount spent in construction of additional generating facilities and lines to meet the ever-growing need for electric power in our service area is the largest in our history.

These projects began in studies years ago; preliminary plans were developed many months in advance of construction.

Engineers today are studying probable future requirements so that they can recommend when and where future power plants are to be built.

We always are building in advance of actual need. With a power generating unit even of moderate size, costing 25 million dollars or more, it takes faith to start building one before anyone has told you that he is going to want more power. We have that kind of faith.

Such faith also calls for other kinds of activity—

—planning that will stimulate growth

—industrial development representatives combing the country to learn of industries planning expansions in the South so that some will locate in Alabama

—advertising in national magazines to tell the rest of the country some of the South's advantages

—power engineers regularly contacting existing industries and businesses to learn of their expansion plans

—rural service engineers telling the farmer how he may use electricity to save labor or increase farming profits

—home service advisors and others telling and showing how electricity can be used to greater advantage in the home for cooking, heating, cooling, lighting

—constant study of improvements so that the price of electric service may be kept at levels to encourage greater use.

It's always tomorrow with us, because today is the tomorrow we were planning for yesterday.

JUST TWENTY YEARS AGO

Clerk C. M. Gardner was designated as fire chief of Montevallo by the Town Council Monday night. Other appointments were W. M. Davis, assistant chief; Brewer Carpenter, Phillip Arnold and Cooper Shaw, operators of fire truck.

* * *

Cooper Shaw lost his championship as the biggest liar in Montevallo Tuesday night. The belt was taken away from him by Pep Jeter.

* * *

Luther Shaw reports that he has about completed repairs at the brick plant overcoming serious damage inflicted by the storm on the night of January 4.

* * *

It is not unusal these modern days to find most any kind of business most any place in the country. Not long ago a young man, Ottis Bean, put up a barber shop a few miles from Montevallo on the Jemison cut-off. He put an advertisement in The Times last week and said he would run it some more if it helped his business. This week he came back and said: "Run my ad again. It brought me more business than the ad cost on the first day after the paper came out."

There is a "moral" for other business men in the experience of Mr. Bean. If you have a product or a service that people want to use, it will pay you to advertise it in The Times. If your product or service is not worth advertising then you ought to quit business and change your line.

Mrs. Eloise Carter has been awarded her gold service pin for fifteen years of continued and uninterrupted service with the Southern Bell Telephone Company in Montevallo. In addition to answering several million calls during that period of fifteen years, Mrs. Carter's experience in serving the telephone subscribers and patrons of Montevallo has comprised a little of everything from tending to babies to milking cows. But time has not affected her cheerful smile nor dimmed her patience.

MISS DORIS BROGDEN

Mr. and Mrs. W. H. Brogden announce the engagement of their daughter, Doris, of Siluria, to Mr. Charles Bray. Mr. Bray is the son of Mr. and Mrs. Charles W. Bray of Helena. The wedding will be at the Siluria Baptist Church at 8:00 p.m., on February 6.

Dr. Rose To Meet University Alumni

Dr. Frank A. Rose, President of the University of Alabama, will meet with the Shelby County chapter of the University Alumni Association Monday night, March 9. The meeing will be held at the Shelby County High School lunch room.

This meeting was scheduled to be held on Dec. 13, but was canceled because of the cold weather.

Shelby County Chapter officials say that a notice of the meeting will be sent to all alumni on the chapter rolls. Alumni who do not receive notice of the meeting are urged to make reservations with one of the area attendance chairmen. Names of these chairmen will be announced later.

Friends of the University who have never been matriculating students are cordially invited to attend and to become a member of the local alumni chapter. They also may make reservation to attend with one of the area chairmen.

F.F.A. Notes

Chapter Farmers of Montevallo FFA are making plans for a course in farm mechanics beginning Jan. 20. Among the skills drawing the interest of the boys are welding, electrical work, woodwork, painting, and other activities having to do with construction and maintenance of farm machinery.

Howard Hughes, a first year FFA member, has made plans to prune and spray the old trees in his orchard and to add more than 20 new plants. Jerry Edwards is building a trailer, and Glenn Lucas is reworking his lawn mower as a shop project.

All Montevallo FFA members are looking forward to the next FFA-FHA party which is to be at Siluria March 4.

The boys plan to watch the inauguration parade and ceremonies on TV January 19.

OVERDUE LIBRARY BOOKS

Mrs. J. S. Ward, librarian at the Montevallo City Library, states that all fines on books overdue will be canceled if the books are returned January 16 through January 22.

Mrs. Robert (Bobby) Hawkins was admitted to University Hospital in Birmingham Sunday to undergo surgery.

Radio station WBYE, a 1,000 watt station in Calera, was purchased Feb. 15 by the Shelby County Advertising Corporation. Stockholders are Ralph W. Sears and Ed Ewing, Montevallo, and Marion P. Jones, Calera.

The station was purchased from Shelby County Broadcasting Company. Jones will continue his duties of station manager for the new owners.

Ewing has resigned his position as director of the news bureau of Alabama College, effective Jan. 31, to assume the duties of program director for WBYE. Sears will remain at Alabama College as director of public relations.

The new owners issued the following statement: "We are very pleased to take over this facility. It has already proved to be a valuable asset to Shelby County through its broadcasting services.

"We will program for the people in our coverage area. Emphasis will be paced on local news, public service announcements, and features of interest to everyone.

"We will also feature interviews with many Shelby county residents on a variety of subjects. Music programing will be expanded with the addition of a much wider variety of music.

"Greater emphasis will be placed on comprehensive news coverage, including local, state, national, and international news.

"We are sincerely looking forward to serving the people of Shelby County," the statement said.

New Coal Mine Being Opened

A new coal mine is being opened at the old Straven Mine location and expects to be in production within the next few months. Joe Day and son, Bill Day, of Carterville, Ill., are opening the mine.

The Days are experienced in the coal mining business, having operated both strip and underground mines in Illinois. Mr. Day is an uncle of Pat Terrell, of Rt. 1 Marvel. Mrs. Day expects to arrive soon and the family will make their home here.

The first piece of equipment for the new mine arrived on New Year's Day, and the second truck load came Sunday before last. More equipment is scheduled to come, but construction has already begun.

Mr. Day states that they are making a new opening, which eventually will get into the old Straven mine. They expect their tonnage to be between 3 and 5 tons per shift, the number of employees is uncertain, depending on demand. The mine will produce lump, egg, nut and stoker coal. Delivery service will be provided and two coal yards will be established, one in Shelby County and one in Bibb.

Some excavating has already begun. The track will come out of the mine on top of the hill. The mine is located near Brantleyville.

Funeral Is Held For Walter J. Parker, Sr.

Mr. Walter J. Parker, Sr., passed away Thursday, Jan. 15, at his home in Birmingham.

A native of Opelika, he was a cabinetmaker and had been employed by E. E. Forbes & Sons Piano Company for many years.

Funeral services were held Saturday, Jan. 17, at 2:00 p.m. at Johns-Ridout's West Chapel. The Rev. Eugene Poe, pastor of the South Highlands Presbyterian Church of Birmingham, and the Rev. G. M. Hearin, Jr., pastor of the First Methodist Church of Calera, officiated. Burial was in Forest Hill Cemetery.

Mr. Parker is survived by his wife; a son, Walter J. Parker, Jr., of Birmingham; two daughters, Mrs. Roy Downs of Calera and Mrs. Harry C. Harless of Birmingham; seven grandchildren; a sister, Mrs. J. A. Kilgore of Opelika; and three nephews.

New County Officials Take Office

Consummating the verdict of the voters in the elections of last year, several changes were made in the county offices at the courthouse in Columbiana Monday.

Conrad M. Fowler assumed the duties of Probate Judge, succeeding L. C. Walker, who ended his 24 years of service in that office.

Charles (Chuck) Harris took over the duties of Sheriff from the hands of Hugh Sims.

Elvin Hill has begun his full term as superintendent of education. He assumed the office some months ago, replacing W. W. Elliott, who resigned the office to become principal of Thompson High School at Siluria.

E. C. Wooten of Alabaster is the only new face on the County Board of Revenue and Control. He takes the place of Fred McClendon, representing District 2.

John Thompson will again represent District 4. He was defeated in the primary last Spring by H. P. Strickland. Mr. Strickland died before the general election and Mr. Thompson was given the nomination by the County Democratic Executive Committee.

Frank Head, former county solicitor, moved up to the place of Circuit solicitor, succeeding Conrad Fowler, who became Judge of Probate.

Starting on new terms in office after re-election last year are W. W. Martin, treasurer; Gerald Fulton, circuit clerk; and Cecil Cowart, member of the county board of education. J. Alpha Lowe of Vincent is a new member of the board of education.

C. P. (Red) Walker of Alabaster has already taken his seat in the state legislature, succeeding the veteran law-maker, Karl Harrison.

Also in the state senate Joe W. Graham of Maplesville, has taken his place representing Autauga, Chilton and Shelby Counties.

Our editor was in Columbiana on Tuesday and snapped pictures of some of the county officers, which are printed herewith.

Probate Judge Conrad Fowler receives congratulations from one of his first customers after taking office. Shaking hands with Judge Fowler is A. H. Whorton, farm owner, from Route 1, Wilsonville, who said he just wanted to see if the price of drivers' licenses had come down any

Caught during a friendly chat in the Probate Judge's office Tuesday are, left to right, Cecil Duke, Clerk of the County Board of Revenue; Chuck Harris, the new Sheriff; Ross Bob Mullins, Tax Assessor; and new Probate Judge, Conrad Fowler.

Shelby Is One of 20 Counties Selected For County-Wide Soil Testing Program

"Have you had your soil tested?" These are famous words as a result of the Kick-off Luncheon Tuesday in Columbiana, launching a county-wide soil testing program. Shelby County is one of twenty counties in Alabama selected by the Alabama Agriculture Extension Service at A.P.I., Auburn, in which a concentrated effort will be made to have all the soil tested. Shelby and Cherokee Counties were selected from those along the Coosa River.

Representatives from all phases of business, industry, agriculture, and education attended the dilicious luncheon in the Courthouse Annex. A. A. Lauderdale, who has served Shelby County for 35 eyars as County Farm Agent, presided.

W. M. "Buck" Clark, Assistant Farm Agent, in stating the purpose of the meeting, stressed the fact that the biggest smokestack in Shelby County would be our farm lands if they were properly used. Clark stated, "During 1958 the total income from Shelby County farm products was $5,329,000. We feel that if the correct amount and grade of fertilizer had been applied, the value of this 1958 crop would have been $6,827,000, or an increase of $1,498,000. Don't we wish that we could have just one industry coming to Shelby County that would bring this much employment and this much payroll? Shall we make this dream come true in 1959?"

Possibilities of making Mr. Clark's "dream" come true were presented by Dr. Dennis Rouse, Director of the Soils Testing program at Auburn, and by Frank Boyd, President of the Alabama Soil Fertility Society, which is promoting this type or research: Both Dr. Rouse and Mr. Boyd pointed out that our problem is of adjusting our fertilizer to the needs of the soil by having the soil tested and prescribing the proper type of fertilizer.

Dr. Rouse informed the group, "that if we are going to fertilize by soil testing, we must begin with a good soil sample. These samples should be sent to the Auburn testing laboratory in special containers which may be obtained at the County Agent's office, accompanied with a check for $1.00. The results will be sent back to the farmer within ten days."

Dr. Rouse stated that samples of top soil and sub soil should be made at least every 3 years and preferably every year. He said that Shelby County should send in at least 5,000 samples per year. All instruction and materials for making the tests are available in the County Agent's office, where Mr. Lauderdale and Mr. Clark are eager to assist in the process.

Mr. Boyd, who in addition to being President of the Alabama Soil Fertility Society is agronomist for Virginia-Carolina Chemical Corporation, stressed the need to "Have Your Soil Tested" so much that we was informed by J. Frank Baker at the end of his speech that he had said those words 106 times!

Mr. Boyd very emphatically pointed out, by many illustrations, the importance of soil testing. He recommends that banks stress this fact before lending money to farmers, in comparison to the emphasis they make on animal innoculation.

The luncheon was prepared by Mr. Lauderdale's staff through the courtesy of Howard Parker and Bill Nichols of Parker Fertilizer Company in Sylacauga. At the close of the program both Mr. Parker and Mr. Boyd offered the assistance of their fertilizer companies in helping to make an all-out test of Shelby County Soils.

Those who attended the luncheon were: Marion Jones, WBYE, Calera; L. R. Ross, WMIS, Sylacauga; Luther Fowler, Shelby Co. Reporter; Mrs. C. O. Norden, Times-Herald, Montevallo; Luther McGiboney, Birmingham News Rep.; George Starcher, Birmingham Post-Herald Rep.; Harold Benford, Progressive Farmer; Wiley Strickland, First National, Sylacauga; J. I. Harrison, First National, Columbiana; Howard Parker, Sylacauga Fertilizer Co., Sylacauga; Bill Nichols, Sylacauga Fertilizer Co., Sylacauga; Jimmy Purcell, Sylacauga Fertilizer Co., Sylacauga; Clyde Wyatt, Harpersville Gin. Co., Harpersville; B. B. Mooney, John Deere Dealer, Wilsonville; Mack Miles, Montevallo Milling Co., Montevallo; Herbert R. Justice, Fertilizer Dealer, Calcis; Wilsonville Feed Co., Sherrel McClure, Columbiana; Ira L. Sharbutt, Fertilizer Dealer, Vincent; D. F. Bolton, Bolton Gin Co., Wilsonville.

Bill Florey, Fertilizer Dealer, Vincent; A. D. Jackson, Ford Dealer, Talladega; Dick Marshall, United Cement, Montevallo; Robert Hughes, Voc. Teacher, Columbiana; M. Thornton, Voc. Teacher, Montevallo; R. H. Holstun, Voc. Teacher, Vincent; B. F. Hatchett, Soil Convervation Service, Columbiana; S. S. Pierce, Farmers Home Adm., Columbiana; Olan D. Smith, ASC Office Manager, Columbiana; J. E. Bearden, Shelby County Farm Bureau Pres., Helena; W. L. Lawler, Pres. Shelby County Beef Cattlemen's Assn., Montevallo; J. Frank Baker, Pres., Shelby County Dairy Producers Assn., Montevallo; A. A. Lauderdale, County Agent, Columbiana.

W. M. Clark, Ass't County Agent, Columbiana; John Jones, Ass't County Agent, Columbiana; Marian Cotney, Home Dem. Agent, Columbiana; Anne Gardner, Ass't Home Dem. Agent, Columbiana; Mrs. Royce Morris, Extension Secretary, Columbiana; C. H. "Hop" Cole, Pres. Columbiana Kiwanis Club, Columbiana; John Lewis Cates, Pres. Jr. Chamber of Commerce, Columbiana; Conrad M. Fowler, Probate Judge, Columbiana; Ellis Boozer, Anniston Production Credit Assn., Anniston; Dr. Dennis Rouse, Soil Testing Laboratory, Auburn; Jimmy Kidd, Farmer & Ginners Cotton Oil Co., Birmingham; Frank Boyd, Pres. Alabama Soil Fertility Society, Inc., Montgomery; C. W. Summerour, Alabama Soil Fertility Society, Inc., Montgomery; B. B. Curry, County Baptist Assn. Missionary, Wilton; Kyle E. Wilcutt, Rural Service Engineer, Alabama Power Co., Montevallo; Elvin Hill, Supt. of Education, Columbiana; Dr. S. L. Tisdale, National Plant Food Institute, Atlanta, Ga.; K. E. Chandler, National Plant Food Institute, Atlanta, Ga.

Breeding records on animals should include 1) name or number of the animal; 2) date bred and to what sire; 3) date offspring is expected; and 4) brief notes about offspring, such as its weight and number of pigs per litter.

Prominent among those attending the "Have Your Soil Tested" Kick-off Luncheon are, standing, left to right, W. L. Lawler, Sr., of Lawler Manufacturing Co. and member of the Central State Bank Board of Directors; Frank E. Boyd, president of the Alabama Soil Fertility Society and agronomist for Virginia-Carolina Chemical Corp, of Montgomery; J. E. Bearden, president of the Shelby County Farm Bureau; Dr. Sam L. Tisdale, National Plant Food Institute, Atlanta, Ga.; A. A. Lauderdale, Shelby County Farm Agent; seated, J. Frank Baker, Baker Dairies; and Howard Parker, Parker Fertilizer Co., Sylacauga.

Left to right: Jimmy Harrison, of First National Bank, Columbiana; Frank Boyd, V-C Chemical Corp.; Bill Nichols, Parker Fertilizer Co., Sylacauga; and Shelby County Farm Agent A. A. Lauderdale, discuss the soil testing program for this county after the kick-off luncheon at the Shelby County Courthouse Annex Tuesday.

A Change-Of-Pace Week End

Add spice to your life this winter with a change-of-pace week end.

How?

It's easy; if you live in the city, head for the country. And vice versa, for just as much fun.

If you live in a big town, head

for the hills. Energetic members of the family can ski or skate or hike. If you just want relaxation, try leisurely sightseeing from the car, or sitting by the fire at a cozy inn.

Have you ridden in a horse-drawn sleigh? Or gone to sugaring off party? Or enjoyed sillabub after a day outdoors?

If you go to the city, consider the theatre, concerts, or big-time sports events, and, of course famous restaurants. Your children will enjoy a little learning (not too much at a time) at museums, art galleries, or zoos.

Learn with them, how a product is made, bread baked, or a newspaper printed. (Not all plants run on week ends, so arrange such visits in advance). And check with your youngsters' teachers who may be able to suggest goals which tie in with subjects the children are studying.

A change-of-pace week end is all yours with a turn of the ignition key.

Reversing the tube may improve a fluorescent light that has grown dark at one end.

And he said unto them, Why are ye so fearful? How is it that ye have no faith?—(St. Mark 4:41.)

Jesus, our divine savior and redeemer, speaks thus to all of us today as he spoke to his disciples. God gives us bountifully of love and good and strength. But He cannot give us faith. Through our own free choice and belief and will, we must create and maintain our faith ourselves.

Confraternity of Christian Doctrine Names Officers

A new slate of officers was elected at the January meeting of the St. Thomas Confraternity of Christian Doctrine in Montevallo. Named to serve as president was Mrs. Richard Dunnaway. Assisting her will be Mrs. M. Ziolkowski, vice-president; Miss Susan Sharp, secretary; and Mrs. J. F. Blakely, treasurer.

Father Tom Blyth made an interesting and informative talk on the Confraternity of Christian Doctrine, and Susan Sharp was named as delegate to represent St: Thomas at the NCCW meeting in Birmingham January 22.

The next meeting of the Confraternity will be February 11 at 7:30 p.m. All members are urged to be present.

Keep level of potassium medium or high for good cotton production says The Progressive Farmer. Even when high rates of potash are applied in the drill, fields with low levels of potassium produce less than fields testing high.

Mr. Boyd holds an ear of corn on the left which was produced on land fertilized with a fertilizer unsuitable to the soil type. The ear at right is a sample produced on soil that had been tested and fertilized accordingly. Soil testing will tell the farmer which sack of fertilizer to use for maximum production results.

Montevallo and Calera

A portrait of Dr. John Ingle Riddle, Judson College President, was unveiled and presented to Judson College at Founders Day exercises there Friday. Dr. and Mrs. Riddle are shown with the painting, done by Mrs. Willey-Gayle Martin of Montgomery. The portrait was unveiled by Dr. Riddle's younger sister, Mrs. Mildred Riddle Solomon, of Huntsville. Dr. T. H. Napier, Dean Emeritus of Alabama College, was among those who outlined phases of the Judson President's life. Dr. Riddle is well-known and loved in Montevallo, where he served with Alabama College for a number of years before going to Judson.

Alabama College Alumni To Meet

The Shelby County Chapter of the Alabama College Alumni Association will meet this Saturday, Jan. 24, at Calera City Hall.

Scheduled for 12:30 p.m., a covered dish luncheon meeting will bring together alumni from Vincent, Wilsonville, Columbiana, Siluria, Alabaster, Helena, Montevallo, Wilton and Calera.

Mrs. Jessie McGaughy, chapter president, announces that Dr. Katharine Vickery will be guest speaker. Election of officers also will be on the agenda.

All alumni are reminded to bring their favorite casserole dish, another eligible member, and attend the meeting.

Hostesses will be the Calera Alumni members.

The chapter project for the year to raise $100 by individual donations for the Alumni Scholarship Fund, has almost been reached. Those who have not yet donated will want to do so at this meeting, as well as have a voice in considering other important phases of the chapter's aims.

Outgoing officers of the alumni organization are: Mrs. Jessie McGaughy, Montevallo, president; Miss Nell Dean Ingram, Vincent, secretary; Mrs. James Grant, Wilton, treasurer. The five vice-presidents include Mrs. Clyde Carden, Calera; Mrs. Melville Harlin, Columbiana; Mrs. Carl Edfelt, Montevallo; Mrs. George Walker, Siluria; Mrs. James Sharbutt, Vincent.

MISS SARRI FULGHAM

The engagement of Miss Sarri Fulgham of Selma is announced by her parents, Mr. and Mrs. W. H. Fulgham of Wilton. Miss Fulgham will marry Tom C. Beazly of Demopolis, son of Mrs. W. A. Beazly of Gallion, and the late Mr. Beazly. The wedding will be at the home of the bride in Selma.

College Presents "Twelfth Night"

Alabama College will present Players Incorporated in "Twelfth Night" by Shakespeare in Palmer Hall Auditorium on Feb. 4 at 8:30 p.m.

Currently celebrating its 10th anniversary season, the touring company of Players Incorporated has become the longest-running national classical repertory theatre in the United States this century.

The members of the company are graduates of the speech and drama department of The Catholic University of America in Washington, D.C., noted for the many Broadway hits which have originated in the University Theatre.

The company is "on the road" annually from early fall to early spring. Their troup is made up of fifteen actors who double and triple in brass. They carry sets and costumes especially designed and executed for each new Players production.

The company has made six trips abroad under the auspices of the Defense Department to entertain troops.

The presentation is an event of the college's concert and lecture series.

MONTEVALLO CHAMBER OF COMMERCE DINNER

The committee planning the annual dinner of the Montevallo Chamber of Commerce looks forward to a very interesting program when, among other features, the group will hear Dr. George R. Stuart. Dr. Stuart is now in field work and public relations for the Alabama Power Company.

James F. Whaley, outgoing president, will turn the gavel over to Don H. Lovelady, the new Chamber of Commerce president. Serving as officers with Mr. Lovelady for 1959 will be Fred Frost, Sr., treasurer, M. S. McGehee, vice president, and M. Thornton, secretary. Mr. Whaley is expected to give a report summarizing the main accomplishments of 1958.

Thornton Attends Soils Meeting

M. Thornton, local agriculture teacher, attended a county-wide meeting at Columbiana Tuesday at which time all agricultural workers met with J. C. Lowery, soils specialist from Auburn, to make plans for an improved soil testing program in the county. Shelby has been selected as one of the pilot counties in this important agricultural work.

GUTHRIES HAVE TWINS

Mr. and Mrs. Pete Guthrie announce the birth of twin girls on Monday, January 12, at University Hospital. Mrs. Guthrie and girls returned to their home in Montevallo Wednesday of this week.

NINA JANE BRETT

Mr. and Mrs. I. C. Brett of Helena, announce the engagement of their daughter, Nina Jane, to Mr. James Henry Jones, of Brierfield and Alabaster, son of Mr. and Mrs. W. C. Jones of Brierfield.

Miss Brett is a student at Alabama College. Mr. Jones, a graduate of Livingston State College, is a teacher and assistant coach at Thompson High School, Siluria.

MONTEVALLO AAUW TO MEET

On Tuesday evening, January 27, the Montevallo Branch of A A U W will meet in Comer Hall, Room 217. Coffee will be served at 7:15, with Mrs. Rodney Baine, chairman of the hostess committee.

The meeting will convene at 7:30 for a lecture-workshop on "What Makes Good Art", to be conducted by Mr. David Huntley, chairman of the Alabama College Art Department.

CARD OF THANKS

Words are inadequate to express my deepest gratitude for the many kindnesses shown me during my bereavement in the great loss of my husband, Julius F. Busby. All the kind words, visits, food, flowers, and many other expressions of love and sympathy will be remembered always. — Mrs. Sibyl Busby.

Shelby Short in Seal Sale Drive

With a total of $2,138.13 collected in the annual sale of Christmas Seals, Shelby County is short only $365.87 in meeting its quota of $2,504.00. This announcement was made by Roy Downs, Calera, to whom, as treasurer, all contributions are mailed.

Judge Conrad Fowler, chairman for the county, has expressed his gratitude for the amount received and the hope that before the annual campaign ends, Shelby will have reached its goal. St. Clair, our neighboring county has colleced 110 percent of its designated amount, thus being among the top fourteen. Highest of the list is Autauga which has raised twenty percent more than its quota. Clay County, has, like St. Clair, raised 110 percent, this percentage being topped by several northern Alabama counties.

Shelby County has had many benefits from the anti-tuberculosis program. At this time several victims of the disease are being treated in the Jefferson County Sanatorium. Three others were accepted for theatment last week in the newly completed Tuscaloosa Tuberculosis Hospital which responded immediately to a call for help from the Shelby County Healh Department when told there are no available beds at this time in the Birmingham institution. Treatment is given in these hospitals without cost to the patient or his family. The sale of Christmas seals supports the program.

ANNIE ARMSTRONG CIRCLE

On Thursday, January 15, at 7:30 p.m. the Annie Armstrong Circle of the Montevallo Baptist Church met with Mrs. Tamp Eddings. A very interesting program about "Measures of Success" was presented by different members of the circle with Mrs. D. R. Williams in charge.

After a short business session, the hostess served delicious cake and coffee to the eight members present.

Eagles Defeat Vincent in Thriller

The Calera Eagles defeated the Vincent Yellowjackets Tuesday night in a thriller, which either of the teams could have won. The Calera Eagles led by 13 points at the half, but Vincent came back in the third quarter a determined five. At the end of the third quarter the Eagles were leading by only one point. At the end of the game the score was all tied at 34 to 34.

In the overtime the Yellowjackets took the ball at the jump and went in for a field goal. The Eagles then took the ball down court and Bobby Parks went in for a field goal to tie the game at 36-36. The Yellowjackets took over and made 4 points, with only 15 seconds left in the ball game. With 15 seconds left Davis Thomas hit one free shot while missing the second and Vincent took the rebound and fouled a Calera player. Edward hit the free throw missing the second with William Smith taking the rebound and shooting a field goal to tie the game at 40-40 with 8 seconds remaining. Vincent took over the ball and went down court to shoot while missing the hole, Smith got the rebound, passed to Edawrds, who shot for the winning points as the horn was blowing.

Edwards took the scoring honors with 15 points, while Justice of Vincent was high point man with 20.

The Calera "B" team was defeated by Vincent's "B" team Tuesday night by a score of 33-27. The Calera B's lead the Vincent B's most of the night, but in the last few minutes Vincent came back to win with a five point lead.

The high point man for Calera was Bobby Godfrey with 20 points for the night.

Goggins Home Destroyed by Fire

The home of Mrs. Bessie Goggins at Underwood was completely destroyed by fire last Monday about noon. The Montevallo Fire Department answered the call but was unable to save the house. But they saved the house next door, for which the residents of the community are thankful.

The fire was caused by a stove flue becoming overheated, catching the mantel on fire.

DEN 2 VISITS COAL MINE

Cub Scouts from Den 2 had an exciting experience two weeks ago when their Den Mother, Mrs. George Nix, Mr. Ben Vail, her assistant, and Cubmaster George Nix took the boys to visit the Whatley Mines in Piper.

The boys saw many interesting things and the climax was a ride down into the mines. They rode down 375 feet and walked back through the mines to the entrance. All the boys could talk about was the ride into the mines. After refreshments, the Den was dismissed.

METHODIST CIRCLE NO. ONE

Thirteen members were present Monday night when Circle No. 1 of the WSCS of Montevallo Methodist Church met with Mrs. Tom Fancher at her home on Pineview Road. Mrs. S. M. Mahan was in charge of the program on "A New Frontier—Literacy and Christian Literature".

Kindergarten Applications

Mrs. Charlotte Peterson, Principal of the Montevallo Elementary School, has announced that applications for entrance to kindergarten for the 1959-60 term are being taken. Mrs. Peterson requests that parents send her a card with their names and the child's name and birth date.

Spaghetti Supper and Bake Sale

The Montevallo PTA is sponsoring a spaghetti supper and bake sale on Saturday, Feb. 14, from 6:00 to 7:30, at the school cafeteria. Members of the executive committee of the PTA are selling tickets, $1.00 each.

McGehee To Be Rotary Speaker

Montevallo Rotarians will hear M. S. McGehee, local manager of Alabama Power Co., Thursday evening at the regular meeting. Mr. McGehee will show pictures and lead a discussion on his recent trip to Mexico.

Last week the group enjoyed a complete program by the High School Glee Club, Peter Givhan, and Mr. Bruce Tolbert.

Ed H. Turnock will tell of his work with Westinghouse and engineers in Colombia, S. A., when the Rotary Club meets January 29.

Montevallo Noses Out Thompson

Montevallo edged Thompson 48-45 in a see-saw affair here Friday night 48-45. This gave Coach Corbett's Shelby County champions an 8-4 record for the season thus far.

The experienced Warrior band got the jump on the Bulldogs and led the Montevallo hoopsters 13-11 at the end of the first period. They raced to a six-point lead before Montevallo could score.

With the lead changing hands three times during the second quarter, Montevallo managed to take a one-point advantage by half time, 22-21.

As the third period opened, again the stubborn Warriors went ahead, this time by three points. But before the end of the frame, Montevallo had the lead for keeps, 37-34. The Warriors came within one point of tieing the count in the final period, but the determined Bulldogs refused to buckle.

Forrest Brown and Jimmy Thrasher combined forces to score most of Montevallo's points. Brown had 16 and Thrasher 15. Thompson's best was Eddie Bentley with 15.

Bulldogs Lose To Handley High

Montevallo's Bulldogs met defeat a second time this season at the hands of a tall Handley High team of Roanoke last Saturday night, 56-39. Coach Cratie Corbett used every man available and many combinations in an effort to produce an effective quintet, but all was in vain. The Bulldogs remained cold and lifeless before the onrushing Roanoke five.

Scoring first in a slow-moving opening quarter, he Bulldogs led 8-4 wtth less than a minute left in the first period. However, a sudden burst of power by the Handley five put Montevallo in a 12-8 hole before the minute was up.

After the first period, it was Roanoke going away. Halftime score was 29 to 19, at the end of the third period the gap was even wider at 25-44.

Jim Potts had 12 points to lead the Bulldogs scoring for the night.

Montevallo Loses First in County

Here in sight of the Shelby County Tournament, Columbiana posed a real threat to dethrone the defending champs, topping Montevallo Tuesday night, 58-40. Roberts and Weir led the Wildcats in marking up the Bulldog's first loss in county play this season. Earlier the Bulldogs handled the Shelby County five easily 71-33 on the home court.

With both teams cold as the game opened, the score was a mere 9-6 at the end of the first quarter. However, the Columbiana lads kept building steam as time went on. And in the second quarter the Wildcats hit 13 points to lead at halftime 22-17.

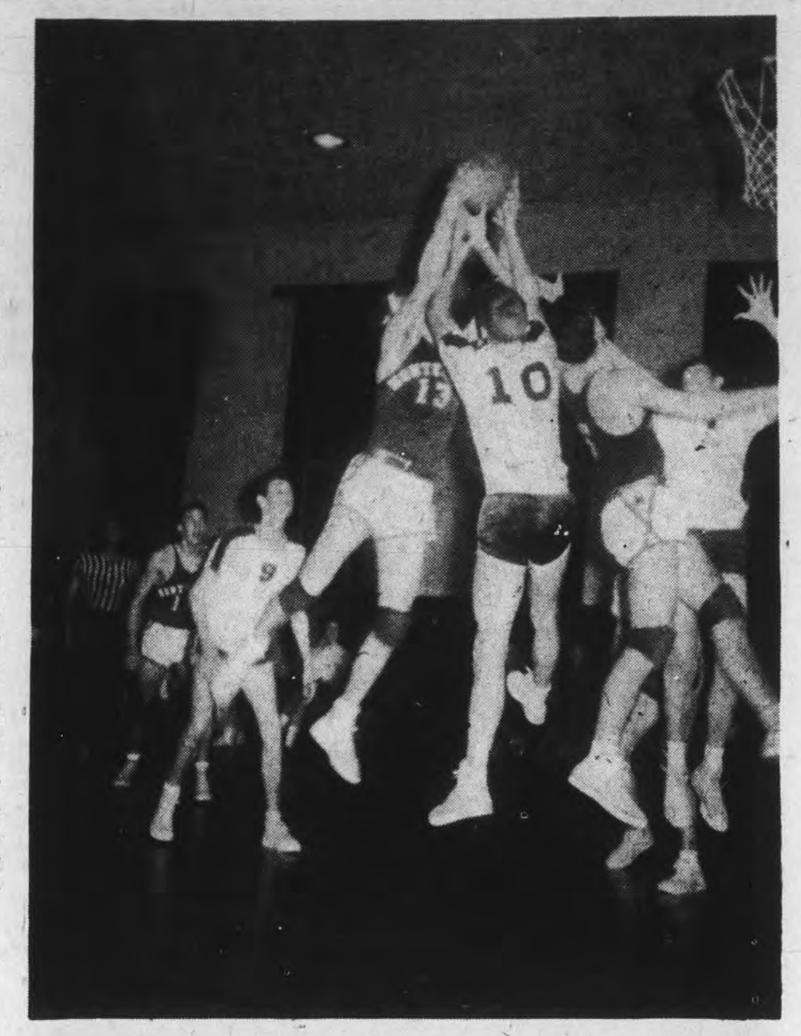

Continuing to strip the net at a hot pace the Wildcats poured in 18 points in the third period and 17 in the final quarter. Montevallo, no match for the red hot 'Cats that night, managed to hit 12 in each of third and fourth quarters.

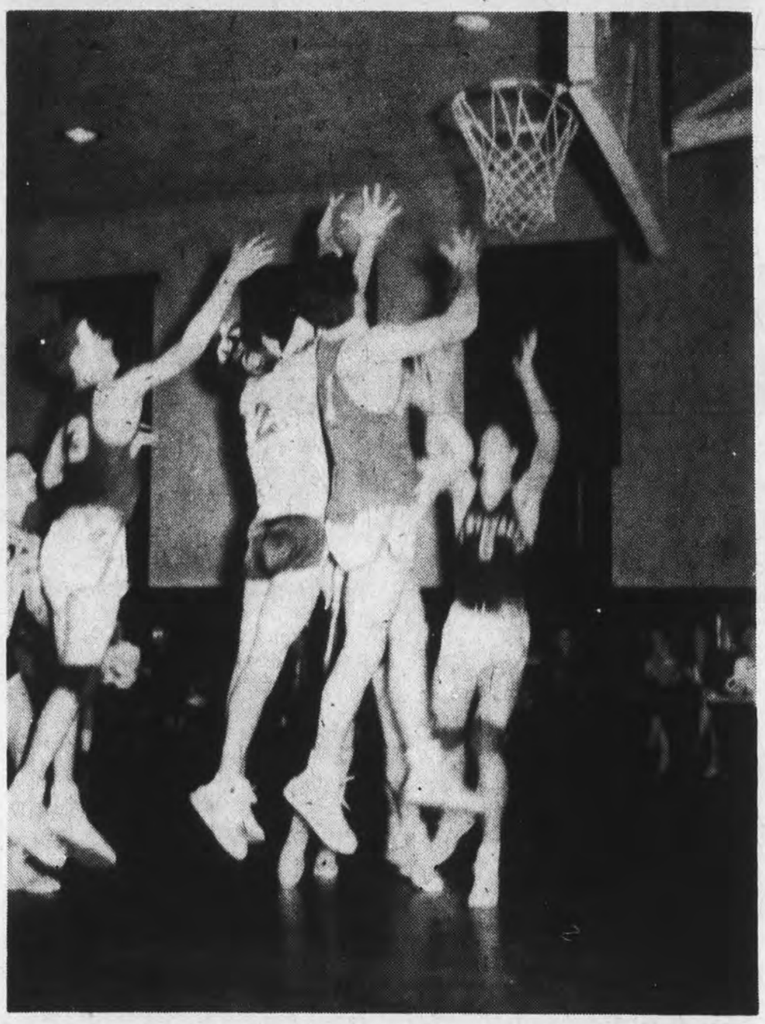

Jimmy Thrasher had 12 points and Forrest Brown 10 for a lost cause.

Montevallo's B team continued its stubborn resistance and held on to its record of no defeats as the Bullpups tamed the baby Wildcats in a preliminary game, 37-29.

Possum Rasberry hit five for eleven from the field and added 4 for 5 from the free throw line to score 14 points for the game's best. He also pulled seven from the backboards to tie with Larry Pickett for tops in that department.

Bill Winslett had 10 points for next highest scorer.

Two scenes from the Montevallo- Columbiana basketball game Tuesday night in Columbiana. Columbiana won 58-40. The score of the B team game was 37-29 in favor of Montevallo.

MONTEVALLO PERSONALS

Dr. and Mrs. J. Harlan Shores and children, Jay and Lee, and Mrs. Mel Fauchold were guests of Mrs. A. W. Vaughan Sunday and Monday. The Shores were enroute to their home at the University of Illinois after a sabbatical leave at the Keys in Florida. Mrs. Fauchold is from Minot, North Dakota. Mrs. Vaughan enjoyed showing the town to her visitors who were very impressed with the charm of the community and the college campus.

Aldrich Church Calls Rev. Cox

The Aldrich Baptist Church has called Brother Thomas W. Cox as their pastor. Brother Cox, a senior history major at Howard College, was pastor of Mt. Hill Baptist Church in Montgomery County and Macedonia Baptist Church near Jemison.

He is married and has an 18-month-old daughter named Sheryl Ray. His wife, Irma Jean, who is a graduate of Mississippi College, is a teacher of English at Helena Junior High School.

The Aldrich Baptist Church is active in all phases of organizations in the Baptist denomination, except the brotherhood; but it will be organized soon. "The Little Church With A Big Welcome" invites everyone to its services.

A reception in honor of Brother Cox and his family will be held Friday evening, January 23, at 6:30 at the church. Everyone is invited to come and meet and talk with the new pastor.

REV. THOMAS W. COX

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Committee assignments were being worked out in the House and Senate last week after both chambers had formally organized and the Senate had completed debate on proposed changes in its rules.

The Senate rules debate was touched off by a group of liberal senators seeking to curb filibusters through a rule change that would permit a simple majority of the total membership (50) to end debate. Their efforts were unsuccessful, however, and the Senate adopted a compromise rule offered by Senator Lyndon Johnson (D-Tex.) whereby debate can be terminated by a two-thirds vote of those present and voting. Formerly, a two-thirds vote of the total membership was required.

Democratic Majorities

In the 86th Congress the Democrats will hold a majority on most House committees of nearly two to one. This is a much higher ratio than in the 85th Congress and is due to Democratic gains in the November elections. For example, the House Foreign Affairs Committee on which I serve will have 21 Democratic members this year and 11 Republicans, as compared with 17 Democrats and 15 Republicans in the last Congress.

Method of Assigning

With so many new House Democrats scrambling for places on the committees of their choice, the task of assigning the new members to committees is an extremely difficult one. This job is handled by Democratic members of the House Ways and Means Committee who act as a "Committee on Committees" for that purpose. The Republican conterpart is a committee composed of one Representative from each state which has at least one Republican in its House delegation. The total membership that each committee may have and the party ratios within it are agreed on in advance by the leadership of the two major parties.

Since the majority party outnumbers the Republicans in this Congress by 347 to 187, the dominance of Democrats on the committees was expected. In the 85th Congress there were 235 Democrats in the House of Representatives and 200 Republicans. The 86th Congress has 283 Democratic House members but only 154 Republicans. In the Senate at the present time there are 64 Democrats and 34 Republicans. Last year the Democrats held only a two-seat majority in that body.

Largest Congress Ever

The 86th Congress is unique in that it is the largest Congress to date. This is due, of course, to the recent admission of Alaska as a state. The Senate now has 98 members, and the House of Representatives exceeds by one its established membership of 435. Beginning with the 88th Congress, however, House membership must by law revert to 435. This will be accomplished through redistricting based on the results of the 1960 census.

4 ACCESSORIES YOU'LL NEED IN EVERY '59 CAR— EXCEPT MERCURY

1. CLEAVER FOR CHOPPING DOWN THE HUMP
2. SHOEHORN FOR GETTING IN AND OUT EASILY
3. PILLOW FOR CENTER-SEAT PASSENGERS
4. SPONGE FOR CLEARING ENTIRE WINDSHIELD IN RAIN

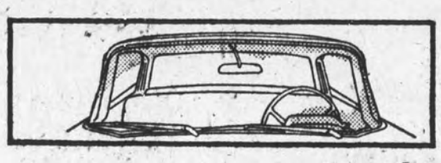

1. Mercury is the only *true* 6-passenger car in the field—because the hump is cut in half! That hump in the floor of other '59 cars makes the man in the middle sit doubled up. Mercury has stretch-out room for *all* 6 passengers.

2. Mercury doors are widest in the industry! Other '59 cars have narrow doors and windshield posts that bump your knees as you step in. Mercury's doors are 6″ wider—posts are swept forward 2″. You step in easily.

3. Mercury alone has extra cushioning over center seats! The hump in the floor of other cars is so high there's only room for a spring and a thin layer of jute. Mercury's low hump made space for extra-thick cushioning.

4. Mercury alone has wipers that clear even the center of the windshield! In other cars, you have to peek through (and around) two fan-shaped clear spots. But Mercury wipers have overlapping pattern to give you *full* visibility.

Home Clubs Hold Training Meeting

The first quarterly council training meeting of the Shelby County Home Demonstration Clubs met on Tuesday, January 13, at the Columbiana Methodist Church. The Rev. Monroe Lewis, pastor of the church, gave an inspiring devotional on "Hands". Mrs. T. L. Burley, president, presided and gave an interesting report of her recent trip to the Alabama Farm Bureau and Home Demonstration meeting in Biloxi.

Training groups were held for the officers. Mrs. I. L. Burley and Mrs. A. M. Muncy led one. Mrs. L. H. Bankston, assisted by Miss Anne Gardner and Mr. Hanchey Logue discussed community activities.

Highlighting the afternoon session was a talk by Mr. Logue of the State Extension Service, who spoke on adult leadership and success in the 4-H Club program.

Luncheon hostesses were from the following clubs: Saginaw, New Hope, Westover, Fourmile, and Siluria.

Mrs. Burley appointed the following committees:

Club Scrapbook: Mrs. H. A. Rubin, Mrs. A. A. Holman, Mrs. F. L. McCoy and Mrs. W. G. McLendon.

Dress Revue: Mrs. A. M. Muncy, Mrs. J. G. Lacey and Mrs. William Mahan.

Achievement Day Committee: Mrs. F. Wyatt, Mrs. Joe Hodges, Mrs. H. S. Atchison, Mrs. Dean Holcombe, Mrs. W. G. McLendon.

The 1960 Program of Work Committee: Mrs. Leslie Meyers, Mrs. Billie Darby, and Mrs. William Mahan.

Plans are in the making for a one-day trip in April to visit Florence and points of interest nearby.

Fair Exhibit Committee: Mrs. D. R. Stewart, Mrs. W. W. Minor, Mrs. Carl Bailey, and Mrs. Frank Johnson.

Committee to make plans for the observance of National Home Demonstration Week, May 3-9: Mrs. Douglas Kent, Mrs. George Starcher, and Mrs. James Hall.

Home Demonstration Club members were asked to assist with the county-wide free polio inoculation program.

A "Refinishing Furniture" workshop was set for January 19th for Home Improvement leaders.

A "Tailoring Workshop" was announced for February 16 and 17 for the clothing leaders.

Mrs. Sarah Holland of the Library Committee for St. Clair and Shelby County spoke briefly to the group.

MARGARET HARDIN HONORED

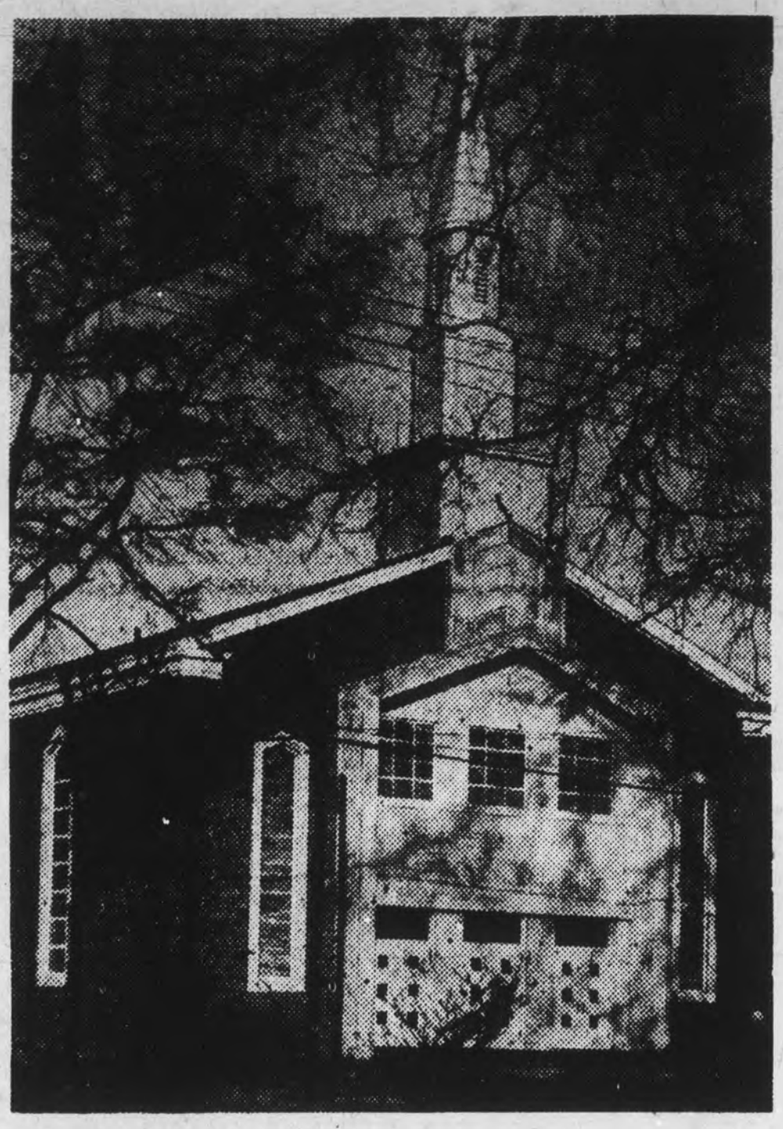

Miss Margaret Hardin, bride-elect of Ben Vail, was honored Saturday at 7:30 p.m. with a miscellaneous shower at the home of Mrs. E. G. Smitherman.

Mrs. George Nix, Mrs. Betty Ann Criswell and Mrs. Cecil Richardson were hostesses. The lace covered table was centered with green and white mums.

Miss Coralee Haywood and Miss Joan Caffey served punch and cookies to the guests, after which the gifts were opened by the honoree.

Miss Hardin and Mr. Vail will be married January 24 at the home erman.

Josslyn Blakely To Compete For Air Appointment

Josslyn F. Blakely, Jr., son of Mr. and Mrs. J. F. Blakely, Sr., of Montevallo, has been selected by Congressman Armistead I. Selden, Jr., as one of his nominees to compete for appointment to the United States Air Force Academy.

Eleven young men nominated will compete among themselves and the one making the highest passable grade will receive the appointment, provided he is also physically qualified. Mr. Blakely was selected by Congressman Selden from a number of requests.

A recent graduate of Montevallo High School, Mr. Blakely is attending Alabama College. While in high school he represented the school at Boy's State his junior year, was president of the science club, member of the track team, member of the photo club and received the American Legion School Award of Honorable Mention.

Salmon Tetrazzini Good Lenten Dish

An inspired way to serve salmon, an old Lenten standby, is borrowed from Italy and adapted to combine the pink-meated king of fish with spaghetti. A rich cream sauce is used to incorporate fish and mushrooms. Serve with crusty bread sticks and a tossed green salad.

SALMON TETRAZZINI

- 8 tablespoons (½ cup) butter
- ½ cup flour
- 2 cups hot milk
- ½ teaspoon salt
- ⅛ teaspoon pepper
- ⅛ teaspoon nutmeg
- ¼ cup sherry (optional)
- A 1-pound can salmon
- ½ cup cream
- 1 pound spaghetti
- ½ pound mushrooms, sliced
- 2 tablespoons butter
- ½ cup grated Parmesan cheese
- ½ cup bread crumbs

In a saucepan melt the 8 tablespoons butter and stir in the flour. Gradually stir in the hot milk and cook, stirring, until sauce is smooth and thickened. Stir in salt, pepper, nutmeg and sherry. Stir in liquid from the can of salmon and cook for 5 minutes, stirring occasionally. Stir in the cream.

Cook spaghetti in rapidly boiling salted water until tender and drain. Saute mushrooms in the 2 tablespoons butter for 5 minutes, or until lightly browned. Mix half the sauce with the spaghetti and mushrooms and pour into a baking dish or deep platter. Make a hole in the center of the spaghetti. Mix remaining sauce with the salmon, flaked, and pour into the hole in the center of the spaghetti. Sprinkle with cheese mixed with bread crumbs and brown lightly in a 350° F. oven for 15 to 20 minutes. Serves 4.

Mrs. Leslie Hubbard Is Named "Polio Mother of the Year"

Mrs. Gene Lewis Hubbard, of Montevallo, wife of Dr. Leslie H. Hubbard and mother of three children, has been named Alabama's "Polio Mother of the Year".

Mrs. Hubbard was stricken by paralytic polio only two weeks after the family moved into their new home on Ashville Circle in June of 1955. Mrs. Hubbard had supervised the interior decoration of the home.

Paralysis affected both arms and both legs. She will never be able to walk again, and she has only slight use of her left arm and hand. In spite of these limiting handicaps, she has learned to do many things everyone else does and takes for granted.

She feeds herself with the aid of a hand splint and a ball bearing feeder. The paralysis affected her right hand more than her left, and because she was extremely right-handed, this gave her still another handicap to overcome.

Mrs. Hubbard plans the family meals, supervises the children, and helps the children with their lessons. She attends the weekly meetings of her bridge club, and plays with the aid of a card holder. Her undaunted good spirits are always evident and her charm and beauty radiate to all who are in contact with her.

Church work was one of her major activities prior to the time she was stricken by polio, and it has remained high on her list of activities ever since that time.

She is active in the Montevallo Baptist Church, and has directed a branch of the Girls Auxiliary since she has been paralyzed.

One of the accomplishments of which she is most proud is her ability to type rapidly and accurately with one finger, using a brace.

She is active in the Montevallo Study Club. She is serving on the program committee of the club this year.

Bird watching has become one of her hobbies, and she has identified more han 100 different types of birds around her home. She also takes an active interest in the beautification of her house and garden.

Mrs. Hubbard is a native of Wetumpka. Her family moved to Montevallo when she was a small girl. She attended Alabama College two years, and the University of Alabama two years.

She received her AB degree in education with a major in English from the University of Alabama, where she attained the distinction of being chosen honorary cadet colonel of the Second regiment coast artillery in the Reserve Officers Training Corps, which is one of the greatest honors that can come to a girl at the University. She received a regular army commission from Washington. As one of the "Military Misses" she led the annual military ball with her cadet commander. She was a member of Kappa Kappa Gamma Sorority at the University.

She married Dr. Leslie Hubbard on September 6, 1942. Dr. Hubbard is a practicing physician in Montevallo. The children are Leslie, 12, Philip, 10, and Nora, 6.

"I attribute my adjustment to my six months at Warm Springs, Ga., and to the help given me by my wonderful family and friends. It was the Shelby County Chapter of the National Foundation that made it possible for me to go to Warm Springs," Mrs. Hubbard said.

"Having known so many mothers who have been stricken by polio and who have done so much in spite of their disability, I feel it is a great honor to have been chosen Alabama's Polio Mother of the Year," she said.

Edith Edfeldt Receives Betty Crocker Award

The Shelby County 1959 Betty Crocker "Homemaker of Tomorrow" is Edith Edfeldt, daughter of Mr. and Mrs. Carl Edfeldt.

She received the highest score in a 50-minute written examination on homemaking knowledge and attitudes taken in December by graduating senior girls.

At a meeting of the Montevallo Chapter Future Homemakers of America on Wednesday, January 21, the homemaking pin was presented to Edith by Mr. Guy Milford, principal of Montevallo High School. This pin represents the slogan, "Home Is Where The Heart Is." The test was designed and judged by Science Research Associates.

EDITH EDFELDT

Edith's examination paper will be entered in competition with those of other school winners of Alabama to name the state Betty Crocker Homemaker of Tomorrow.

Each state Homemaker of Tomorrow will receive a $1,500 scholarship from General Mills, an educational trip April 4-10 with her school advisor to Washington, D.C., Colonial Williamsburg, Va., New York City, and Minneapolis, and she will be a candidate for the title of All-American Homemaker of Tomorrow. The school of each state winner will receive a set of the Encylopaedia Britannica.

The girl who wins the title of "1959 All-American Homemaker of Tomorrow" will receive a $5,000 scholarship.

Edith Edfeldt, a senior at Montevallo High School, has participated in a variety of school activities and has held a number of leadership positions. She is president of the F.T.A., exchange editor on the Spotlight staff, advertising editor of Montala, and is serving as treasurer of the Montevallo Chapter of the FHA. Edith enjoys Scout work and is assistant leader of a Brownie Scout troop. She is a member of the Honor Society and has been voted Most Intellectual in the senior class.

Civitan Club For Alabaster-Siluria

A service club to be known as the Central Civitan Club is being sponsored by the Calera Civitan's, which will encompass the general area served by Thompson High School. Members from Helena, Acton, Pelham, Keystone, Alabaster, Siluria, and Saginaw have already signed pledge cards and at least 50 members should be signed by Charter Night, Saturday, Feb. 7.

Three organizational meetings at the Highway Cafe in Alabaster have shown a fine spirit of cooperation and some wholesome projects are to be announced soon.

Anyone wishing to help build a more solid community through civic unity are urged to join with this endeavor and become a charter member with your friends.

Film Shows Life Of John Wesley

A film, "The Life of John Wesley," will be shown at 7:00 p.m. Sunday night in the sanctuary of the Montevallo Methodist Church, immediately following the regular Sunday night family supper. Anyone interested in seeing the film is invited to attend.

The length of the film is 1 hour and 18 minutes and includes the major experiences in the life of John Wesley. The film has three major sections: first, John's early home life, his school and his efforts to find a satisfying religious experience; second, his intensified efforts to reveal God's presence and love, climaxed by the Aldersgave experience; and third, the results of the next 50 years as this new dynamic faith transforms him into a tireless man of God.

The film is more than a great motion picture. It is an unforgetable religious experience.

CALERA CIVITANS MEET

The Calera Civitan Club met Tuesday night, Jan. 27, at Pearl's Cafe for their regular meeting. T. W. Lawrence gave the invocation.

The club agreed to sponsor Charter Night of the Central Civitan Club at Thompson High School, Siluria, Saturday night, Feb. 7. The guest speaker was Mr. Kenneth Lowery, administrator of Shelby County Memorial Hospital in Alabaster. Mr. Lowery indicated that there is a strong possibility the hospital will open the first of June. He discussed plans for the new county facility. Mr. Lowery stated that all Shelby Countians interested in working at the hospital should contact him at his office.

Sonny Jones, 1958 chairman of the Civitan fruit cake sale, said the sale passed all previous records.

Among those attending the Montevallo Chamber of Commerce dinner last Friday night were, left to right, B. F. Lunsford, Southern Bell Telephone Co., Lew Edmundson, executive secretary, Bessemer Chamber of Commerce, Montevallo's Mayor W. M. Wyatt, R. E. Bowdon, Jr., Calera, and Mayor O. C. Farris of Calera.

Presbyterians To Hear Missionary

The Rev. J. M. Sydenstricker, who will report on the growth of the Christian faith in Brazil when he speaks in Montevallo at the Presbyterian Westminster House following the Church Family Night supper at 6:30, February 5, is certainly well qualified to make this report. A veteran missionary of the Presbyterian Church, U.S. mission to Brazil, he has worked to aid the cause of Christianity since 1919 when he and his wife first went to the field.

For the first three years of his missionary service Dr. Sydenstricker was an educational missionary, but ever since his work has been primarily evangelistic—preaching, teaching Sunday School, and visiting in the hospital. He also is in charge of all the building that is done at his mission station in Dourados, Mato Grosso, Brazil.

Dr. Sydenstricker is on furlough in the United States for one year; he and his wife plan to return to Brazil this spring.

He is a member of Greenbrier Presbytery, West Virginia, and received his education at Hampden-Sidney College and Hartford Seminary Foundation; he holds his master's and doctor's degrees in Theology from Union Theological Seminary.

Members and friends of the Montevallo Presbyterian Church are cordially invited to hear Dr. Sydenstricker. A covered dish supper will be served at 6:30; Dr. Sydenstricker will speak at 7:30. A nursery will be provided for small children.

Pea Ridge Mothers Sponsor Dimes March

The Mayberry P.T.A. will again sponsor the Mothers' March of Dimes annual drive in the Pea Ridge community. On Friday, Jan. 30, everyone is requested to have their porch lights burning from 6:00 until 8:00 p.m., when the mothers will collect the contributions.

The area involved will include Eddingstown, Sawmilltown, Aldenwood and Pea Ridge.

MRS. GROVER C. O'KELLEY

State President Of PTA To Speak

The Montevallo Parent-Teacher Association will commemorate the founding of the Parent-Teacher Association at a meeting Monday evening, February 2, 7:30 p.m. in the Hight School auditorium.

Mrs. Grover C. O'Kelley, state president of the P.T.A. will be the main speaker. All past presidents of the Montevallo chapter have been invited to be guests of the group at this Founders Day meeting.

Mrs. O'Kelley has served as supervisor of instruction, Jefferson county schools since 1945. She has been president of the Gardendale P.T.A. three different times, and she organized four new P.T.A.'s during that time.

Mrs. O'Kelley has been president of the Jefferson County Council of P.T.A.; membership chairman for the state organization, and second and first vice-president of the state P.T.A.

1908 Free Polio Shots Are Given

A total of 1908 persons received Salk polio shots Tuesday as a result of a drive by the Shelby County Rural Health Committee.

Shelby is one of eight pilot counties experimenting with the rural health committee. The project was the first of the newly formed committee.

"We attribute the large turnout to the fine coverage given to our drive by radio and television stations and newspapers," said Dr. W. C. Browne, Vincent, chairman of the committee.

"We appreciate their help in our efforts to protect the people of Shelby County from polio," he said.

Figures compiled in the county health office are as follows: Montevallo, 396; Siluria-Alabaster, 431; Calera, 292; Vincent, 316; Columbiana, 246; Alabama College, 116; Helena, 75; and the county health office, 36.

Arrangements for vaccination of all school children who have not had the shots, and who want them, are being made through the office of county superintendent of education Elvin Hill. Mrs. Chester Atkinson, county health nurse, will be in charge of giving the shots.

The second and third shots of the series will be given Feb. 17 and Aug. 18. "We urge people who missed the first shot of the series to get the next two free shots, then pay for the third shot," Dr. Browne said.

"We also hope that people who got the first shot will follow up by getting the next two," he said.

Vaccine for the free shots is being furnished by the Shelby County March of Dimes Association.

Calera March of Dimes Underway

Shelby County's March of Dimes campaign got a boost the past week by a check from the United Steelworkers C.I.O. Local 5190, representing the employees of American Brake Shoe Co., for $100. The check was presented by Mr. Don Milstead to the Herald office Friday. You can always depend on the fellows at Brake Shoe to come through for a needy cause.

Patsy Carden, county chairman for the teenagers, held a "Suds Bucket Drive" on Highway 31 Saturday, with the help of many classmates. They were able to collect $317.52. They had the aid of the Calera police.

Don't forget the "Mothers March" Friday night, Jan. 30. Put your porch light on at 7:00 o'clock.

Mrs. Priestley Wins Award

Mrs. Ellen Priestley, Montevallo, won second place in the articles catagory of the literature competition of the Birmingham Festival of Arts competition this year.

Mrs. Priestley received the award last week at the Shades Valley Theatre. Competition was open to all residents of the state of Alabama.

The article, "An Idea That Defeated Communism," was based on travel experience in Malaya with her husband, Dr. S. E. Gerard Priestley, professor of social science at Alabama College.

The story deals with the formation of villages for Malayan farmers who were being robbed by communist guerillas.

Montevallo and Indian Springs tossing it up last Friday when unbeaten Indian Springs chalked up another win.

Indian Springs Too Much For Bulldogs

Montevallo could do nothing about snapping the Indian Springs winning streak as the Bulldogs became the sixth victim for the "Independents" here Friday night by a score of 55-42.

Giving Montevallo fans a faint hope for a possible upset, the Bulldogs led from the start and were out front 13-10 at the end of the 1st quarter. Startling the Bulldogs with three quick field goals and one free throw, the Indian Springs five jumped ahead, though, 17-13 early in the second period.

The Bulldogs, not yet stumped, however, came back to tie the count at 17. Then, after the lead changed hands several times, Danny Thornton dropped in a field goal just as the whistle blew to put the Bulldogs two points ahead at intermission, 27-25.

After a halftime rest, the Bulldogs came back colder than a wedge. Jimmy Thrasher and Ronald Smitherman hit one field goal apiece in the third period—and that was it for Montevallo. Meanwhile the visitors added ten points to their count of 25, running the score to 35-31 by the end of the quarter. This four-point lead put the Indian Springs five completely out of reach as far as the faltering Bulldogs were concerned.

Plagued by fouls in the fourth period, Montevallo watched the opponents rack up 12 points from the charity stripe while spreading the gap even wider with four from the floor.

Robinson, hitting better than 60% from the floor for 19 points, and Camp, who also had 19, led the Indian Springs quintet in this their sixth straight win against no losses. For Montevallo Forrest Brown had 13 points and Ronald Smitherman 8.

In a preliminary match the B team made easy work of taking their game from the visitors. Leading 15-4 at the end of the first period, the unbeaten B's were never in trouble.

Jack Rasberry led the Bullpups with 12 points.

Accurate shooting at the free throw line by Bill Winslett (6-8), Rasberry (6-8), and Larry Pickett (3-3) greatly aided the cause for Montevallo.

"Lucille, darling," said the prospective groom, "now that we're going to get married, you should give up your $40-a-week job."

"Certainly, sweetheart," replied Lucille. "Of course I will."

"The way I figure it," the groom-to-be added, "you're gonna have to make at least $60 a week."

Football Squad Entertained at Banquet

There was fried chicken aplenty as Montevallo High School entertained the football squad and Coaches Theron Fisher, Charles Martin, and Cratie Corbett, at a banquet Tuesday night. Besides the football squad, the guest list included men on the faculty and townsmen who had helped in various capacities during the football season, and speaker, Coach Pat James from the University of Alabama.

Guy Milford, principal and toastmaster for the occasion, introduced Coach Theron Fisher, who presented awards and letters to 23 boys. Among those receiving letters were six seniors, Barclay Fisher, Ben Harrison, Curtis Jarvis, Ralph Morris, Ronald Smitherman, and Jimmy Thrasher.

Others earning football letters were: Ruben Hayes, Donny Davis, Billy Winslett, Talmon Hill, Peter Givhan, Larry Pickett, Allen Nabors, Jimmy Baine, Freddy Draper, Jack Battles, Cliff Wooley, Danny Thornton, George Underwood, Jack Rasberry, and Jimmy Eddings. Jerry Thomas and Jimmy Ray Harris earned letters as football managers.

Ronald Smitherman, spokesman for the football team, expressed thanks to all who had a part in the entertainment. He thanked especially the mothers of the football players who worked with Mrs. Rebecca McGaughy and Mrs. Margaret Hollingsworth, home economics teachers, in preparing and serving the banquet. He also expressed the appreciation of the team to the coaches for their guidance and to Mr. Milford for his interest and concern for the football team.

Coach James concluded his entertaining speech with the following quotation: "Winning isn't everything, but it sure beats anything that comes in second."

News From Thompson High School

A band concert and party sponsored by the band boosters held last Saturday night was a huge success. Both the beginners and the marching bands participated, 106 members in all. Four new instruments have been added to our band; amounting to approximately $1000; French horn; bass clarinet, baritone, and E-sharp clarinet.

Thompson placed 21 in the All-County Band. The greatest number of any band in the county.

Some of our future plans for the band are a pancake supper and Family Fun Night; the annual Beauty Contest.

The band is preparing to participate in State and County festivals and contests.

Our band is under the able direction of Mr. Frank Kendeigh.

388 Alabamians To Get Service Call

The State Selective Service System disclosed today that 388 Alabama men will be called for induction during February to fill a draft quota of 181.

The national February call is for 9,000 men, which is the same as the nationwide quota in January.

Alabama's quota includes volunteers, delinquents and registrants in Class I-A, I-A-O and who are 22 years of age and older, without children.

Five men will be called from Shelby County.

TO THE PEOPLE OF SHELBY COUNTY

I would like to express for myself my sincere appreciation to Mr. Marion Jones of WBYE, The Shelby County Inaugural Chairman for the splendid job in having Shelby County in the Inaugural Parade in Montgomery. Shelby County was one of the best in the parade.

I wish to express my thanks to the Board of Revenue and Control and the Mayors from Shelby County for their generous contribution in making it a success. Thanks to the people who attended the Inaugural festivities and to all the people of Shelby County, who but for your support this would not have been possible.

C. P. Red WALKER

Thanks From Band

The members and director of Montevallo High School Band wish to thank the City of Montevallo for providing transportation to Montgomery for the inaugural parade and especially for additional funds for lunch. The three-mile parade, over a hundred bands and two hundred floats were a most memorable experience and the band members are most appreciative of the interest shown to them by Montevallo city officials.

MR. AND MRS. HAROLD PICKETT

Miss Knowles and Harold Pickett Wed

Miss Barbara Joyce Knowles of Montevallo, Rt. 1, and Harold Pickett, also of Montevallo, exchanged marriage vows at 4:00 p.m. Sunday, Jan. 11, at Dargin Concord Church. The Rev. R. M. Forbes officiated.

Parents of the couple are Mr. and Mrs. Floyd Knowles and Mr. and Mrs. Joe Pickett. Mrs. Robert Tim Pierce served as matron of honor. Mrs. Beverly Lyyons was bridesmatron, and Misses Brenda Thomason, Sara Pat Baker, and Bonnie Pickett were bridesmaids. They wore bouffant taffeta with sweetheart necklines encircled by soft tulle. Their hats matched their dresses, and colonial bouquets of pink roses completed their ensembles.

Wanda Garrett was flower girl. Her dress was pink taffeta with hat identical to bridesmaids'. She carried a white basket with pink ribbon and scattered white petals in the path of the bride.

Candles were lighted by Johnny Knowles, brother of the bride, and Rickey Gutherice was ringbearer.

The bride was given in marriage by her father. Her floor-length gown was fashioned with molded bodice, scalloped neckline, and long pointed sleeves. Her skirt terminated in a chapel train. Her fingertip veil of net fell from a crown of seed pearls and irridescent sequins. She carried a white orchid on a white satin Bible, with feathered carnations.

Billy Joe Pickett served his brother as best man. Ushers were Robert Tim Pierce, Allen Pierce, Terrell Pickett and Jimmy Knowles.

The bride's mother wore a royal blue dress and the groom's mother wore navy blue. Both wore corsages of white orchids.

The reception was held at the home of Mr. and Mrs. John Samples. Assisting were Mrs. Gladys Hale, Mrs. Lois Cobb and Mrs. Dorothy Pierce.

After a Florida honeymoon the couple are living in Calera.

Shelby County Civil Defense Hospital

On January 21 Shelby County was the recipient of a valuable two hundred (200) bed emergency hospital. The acquisition of this costly hospital was made possible through the efforts of the Shelby County Civil Defense Organization and the Board of Revenue & Control in conjunction with Mr. Paul Brunson, Civil Defense Executive of Montgomery.

The intent and purpose of a field hospital is to bolster the medical facilities of our county in the event of natural or national emergency. This 200 bed field hospital can be set up in any large building within the county, such as Armories, Schools & Recreation buildings, whenever the medical need presents itself. The Civil Defense Director for the county, Robert N. Bolton, and the Chief of Health Services will direct the location of the hospital whenever an emergency arises within the county.

The 200 bed field hospital is a complete hospital having all the necessary equipment and supplies for immediate use. The estimated cost of this hospital, as a unit, purchased by the Federal Government is $80,000.00. The cost purchased piecemeal at retail prices would approximate $150,000.00. The total cost to Shelby County was only $200.00 for the transportation of the hospital to the county. The Shelby County Board of Revenue & Control authorized this amount to cover this cost. In the event of an emergency the hospital can be set up and ready to receive patients within about three hours at whatever location in the county the emergency so demands.

Very briefly, the major items of the field hospital are:

200 beds, sheets, blankets and pillows.

Complete X-Ray equipment.

Complete Surgical instruments & equipment.

Complete emergency power plant.

Emergency water system (pump and tank).

The wholehearted cooperation of the State Civil Defense, County Civil Defense, County & City Officials is gratefully acknowledged.

County Engineer

Huffstutler Named News Director

Steven Huffstutler, Birmingham, has been appointed director of the Alabama College News Bureau effective Feb. 1.

Huffstutler graduated from Alabama Polytechnic Institute in 1957. He comes to Alabama College from Florida State University where was a graduate assistant in the speech department.

After graduating from API he worked with United Press International in Atlanta and Birmingham, and later with the Jefferson County Sheriff's Office.

At API he was sports editor of the student newspaper and worked with the Alabama Educational Television Network. While at Florida State he was assistant coach of the varsity debate squad.

Huffstutler replaces Ed. Ewing as director of the college news bureau. Ewing has been news director for the past 18 months.

STEVEN HUFFSTUTLER

Ewing is a graduate of the University of Alabama with a major in journalism. He was secretary-treasurer of the student government association.

He served two years in the United States Army. His last six months of service were as public information officer of XVIII Airborne Corps Artillery at Fort Bragg, N.C.

Ewing will assume the duties of vice-president of Shelby County Advertising Corporation, and program director of radio station WBYE on Feb. 1. A native of Wilton, he now makes his home in Montevallo.

Telephone Talk

by

J. L. SWITZER

Your Telephone Manager

"THANKS FOR CALLING!" That's our way of thanking you, not only for the calls you make day in and day out, but also for the opportunity of serving you. This seems an appropriate time to express the appreciation we feel all during the year. For us, there's a lot of satisfaction in providing a service that's so vital to our community and state, and in putting you in touch with those you want to talk to for need, pleasure or profit. Every day we're doing our level best to make your telephone service as useful and convenient as you, yourself, want it to be. Mighty nice to have you as a customer!

* * *

CAN YOU TOP THIS? Watching a telephone installer carefully picking up every snippet of wire after putting in an extension phone reminded one of our customers of his grandfather's thrift and efficiency. His grandfather, he said, never threw away a piece of string. The long pieces he put into a large box labeled "String." The rest went into a smaller box. Its label read: "String Too Small to Use."

* * *

THE HAPPIEST FAMILIES, the friendliest friends are those who remember "It's fun to phone Long Distance." There's no need to wait for a special occasion. Just call whenever the mood strikes you. It'll do you good and bring a lot of satisfaction at both ends of the line. You get Bargain Rates, you know, when you call station-to-station. And you save even more after 6 P.M. and any time on Sundays.

* * *

IN LOOKING at the year end report on telephones in Alabama, I was agreeably surprised to find that our own Shelby County Exchanges gained more telephones in proportion than the rest of the state. The state increase amounted to 7.5 per cent whereas our increase, per cent wise, was 9.2. We now have 5257 telephones in our six Shelby County Exchanges.

County Committee Orders Election For Representative

The Shelby County Democratic Executive Committee, at its meeting Tuesday night, voted 28 to 17 to have a primary election in which voters of the county may nominate a candidate for Shelby's Representative in the State Legislature. By this action, the committee put a stopper on the political shenanigans of the past week. The people of Shelby County will doubtless be glad to know that the Democratic Executive Committee, by its action Tuesday night, indicates that it does not condone the arbitrary swapping of county offices from one person to another without knowledge or consent of the people.

The chain of events leading up to the action of the Democratic Executive Committee Tuesday night started a week ago when Sheriff Chuck Harris unexpectedly and unexplained resigned the office which he assumed on January 19.

At the time of Harris' resignation, Representative C. P. Walker was immediately appointed Sheriff by the Governor, thus vacating the seat of Shelby's Representative in the Legislature.

The date of the primary election for Representative was not set by the Executive Committee at its Tuesday night meeting. It is assumed, however, that the party officials will make arrangements for the primary election as quickly as is possible under requirements of state laws governing such procedures.

Meanwhile, Shelby County will have no Representative in the legislature now in session. That is, of course, regrettable, but it can and should wait until the people of the county have a chance to choose a Representative.

Rumor is that there will be a number of candidates in the forthcoming special primary who will seek the nomination. Let us hope we may have the good fortune to pick one this time who will "stay put" for the duration.

February 8-14 Is Children's Dental Health Week

The eleventh annual National Children's Dental Health Week will be observed the week of February 8 through 14, which this year coincides with the official opening of the American Dental Association's centennial year.

In connection with this observance, Calera Mayor O. C. Farris and Montevallo Mayor W. M. Wyatt have proclaimed next week as Children's Dental Health Week in the two towns. In their proclamations, they state that, "Whereas, early preventive measures can protect our children from a large part of the dental diseases, especially tooth decay, that affect more than 95 per cent of our people, we urge that all citizens and all community organizations join in the observance."

Curriculum Group Meets Next Week

The Alabama Association for Supervision and Curriculum Development will meet at Alabama College Feb. 12-14.

"The group is meeting to constitute a balance in the curriculum throughout the state," said Minnie Dunn, professor of education at Alabama College, who is chairman of the planning committee for the meeting.

"The group will be made up of supervisors, college professors, state department representatives, and outstanding classroom teachers," Miss Dunn said.

They will be divided into two groups to discuss questions which will be worked out by the program committee. A panel discussion will be held the last day of the meeting. The panel will be composed of a representative from each group.

The main speaker for the meeting will be Dr. Margaret Gill, Washington, D. C., a representative of the A.S.C.D. headquarters. Her main address will be the general session Friday.

Dr. E. P. Lauderdale, director of extension and professor of education at Alabama College, is assisting Miss Dunn with program planning.

Dr. Charles Gormley, chairman of the education department, is in charge of local arrangements.

Walters Attends Educators Meeting

Educators representing the thinking of arts and science colleges and teacher-training institutions sat down at a four-state conference at Florida State University this week to discuss co-operation in the improvement of teacher education.

Twelve educators from each of the states of Mississippi, Alabama, Georgia and Florida have been invited to the conference, third of the sort to be held in the country, according to FSU President Robert M. Strozier, who will serve as chairman. Included in the Alabama representatives was Dr. John B. Walters, Professor of history, Alabama College.

Coach Corbett accepts the Shelby County championshiip basketball trophy for the Montevallo Bulldogs. Sammy Daniels, of the Thompson High School, makes the presentation.

Calera To Name Miss Basketball

Calera High School will crown their Miss Basketball of 1959 on Friday night, Feb. 6, during the half time of the A game between Calera and McAdory, at the Calera High School auditorium. The contest began January 5 and ends today.

The six candidaes for the title are Dean Hill, Della Isbell, Linda Wells, Janet Franks, Bechy Killer and Reba Cost.

Immediately following the game there will be a party sponsored by the Beta Club.

Mose Sutton killed Dad Robinson at Columbiana Tuesday afternoon, it was reported here Wednesday. Both participants in the fatal incident were Negroes. The report said that Mose heard that Dad had said he was going to kill him, whereupon Mose proceeded to go to see Dad and find out if he meant what he said. Dad said he did, and Mose forthwith drew his barlow and started to cutting upon Dad. When he had finished, the dissected body of Dad was scattered over the premises.

Mose went home, changed his bloody clothes for a clean suit, and went to the officers of the law and reported his performance. "If you was going to kill Dad, why didn't you use a gun?" Mose was asked. He replied, "I knowed my knife wouldn't snap."

F. F. A. News

"F.F.A. Looks Ahead" is the title of a speech delivered by Tony Birchfield at the Shelby County contest at Thompson School last Thursday. Although Tony had tough competition with representatives from Thompson F.F.A. and Columbiana, he was unanimously chosen by the judges as the winner for Shelby County.

Tony will compete during February in an area contest which is usually held at Sylacauga. He also expects to apply for his State Farmer degree this year and will be nominated by his local chapter for one of the state offices in the Alabama Association of Future Farmers.

Miss Sue Henning's Marriage Announced

The marriage of Miss Marilyn Sue Henning to Howard E. Riley Jr., son of the senior Howard Rileys of Cincinnati is announced by her mother, Mrs. Ethel Smith Henning, 404 N. Chestnut, Arlington Heights.

The couple's marriage took place Saturday, Dec. 20, in the Dixon chapel of Chicago Temple with Rev. Birger Dahl, former Methodist pastor from Arlington Heights, officiating.

The newlyweds honeymooned in New Orleans and as of December 30 are at home in their apartment on 53rd st., Chicago, near George Williams college where the bridegroom is completing work toward his master's degree. The bridge, daughter of J. H. Henning of Morgantown, W. Va., was graduated from the University of Ohio and is now employed as a research worker for an encyclopedia company in Chicago.

The bride, who was known to her friends in Montevallo as "Sue", will be well remembered here. Mr. Henning was formerly with the Speech Department at Alabama College and Mrs. Henning taught in the high school.

Shelby A. C. Alumni Meet

The regular winter meeting of the Shelby County Chapter of the Alabama College Alumni Association was held at the Calera City Hall Saturday, Jan 24.

Following a covered dish luncheon, Dr. Katherine Vickery spoke on her recent trip to Russia.

Officers for the coming year were elected at the business meeting as follows: Mrs. A. C. Jeter, Sr., president; Mrs. James Higgins, secretary; Mrs. Hansel Brown, treasurer. Vice presidents are Mrs. John Kroell, Alabaster; Miss Mamie Hill, Wilsonville; Mrs. Inez Underwood, Montevallo; Mrs. L. H. Ellis, Columbiana; and Miss Mamie Bishop, Calera.

The Scholarship Commitee chairman, Mrs. Tessie Higgins, reported individual donations amounting to $60 have been received for the Alumni Scholarship Fund.

Announcement was made of a tentative legislative program for the May meeting to be held on the campus at Alabama College May 2, with the luncheon scheduled to be in the college dining room.

Miss Mamie Bishop, Mrs. Clyde Carden, both of Calera, were in charge of local arrangements for the luncheon meeting.

Few Dollars More Needed for County Xmas Seal Sale

A few dollars are needed in order that Shelby County may be among those ranking as "hundred percenters" in counties raising money through Christmas Seals to fight tuberculosis.

Judge Conrad Fowler, Columbiana, and Roy Downs, Calera, chairman and treasurer respectively of the annual drive, both of whom have given long and faithful service to this cause, were enthusiastic when they reported a collection to date of $2435.63. As the county's quota is $2504.00, this leaves only $68.37 for collection before Shelby can be included among counties achieving a 100 percent record.

"We'll make it now, I believe," was the cheerful statement of Mr. Downs. If those who have neglected contributing will speedily forward a donation to Roy Downs, Calera, there is still time for us to make a perfect year's record but, more important still, to enable more citizens of our county to take part in helping some tubercular patient toward a return to health.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Two important Presidential messages were sent to Congress last week—one dealing with labor-management legislation and the other with agriculture.

In his labor message, the President proposed steps to curb union racketeering and called for several changes in the Taft-Hartley Labor Law. His recommendations are similar to but more extensive than those in the labor reform bill introduced earlier in the session by Sen. John Kennedy (D-Mass.). The President's proposals are incorporated in a measure introduced last week by Sen. Barry Goldwater (R-Ariz.).

Report on Union Funds

Both the Kennedy and the Goldwater bills require labor unions to submit detailed reports to the government concerning the expenditure of union funds, with penalities being imposed in cases of fraud. They also contain provisions to insure members a more effective voice in running their unions. For instance, both measures require unions to hold periodic elections by secret ballot in order to remove pressures from members who wish to vote against officers who prove unsatisfactory. The two bills also propose that the Labor Department investigate incidents of unscrupulous union procedures. In addition, they call for deletion of the present Taft-Hartley provision which bars dismissed strikers from voting along with their replacements to determine whether a union should continue to represent employees.

Taft-Hartley Changes

Besides the other provisions, the Goldwater bill imposes tighter restrictions on secondary boycotts by unions, extends picketing bans, and places in the hands of state authorities cases that the National Labor Relations Board declines to consider. All three of the latter proposals constitute changes in the Taft-Hartley Act and are not included in the Kennedy measure. Most observers agree that these proposed Taft-Hartley changes will be the most controversial issues when this or similar legislation is debated on the floor of the House and Senate.

Farm Proposals

Calling on Congress to abandon the price support and production control programs in their present form, the President last week proposed two alternatives in his farm message. First, he suggested that the Secretary of Agriculture be permitted to fix price supports between 75 and 90 per cent of the average market prices during a period immediately preceding the action. Under this plan, the President believes that supply and demand factors indicated in current prices will curtail overproduction. The alternative course he offered would permit the continued use of the parity concept in fixing price supports but at lower levels.

The reaction in Congress to both plans has been unfavorable. Such a response indicates little chance of adoption.

Alabama Reports 60 Polio Cases in 1958

Alabama reported 60 cases of polio during 1958, one more than the number occurring in 1957.

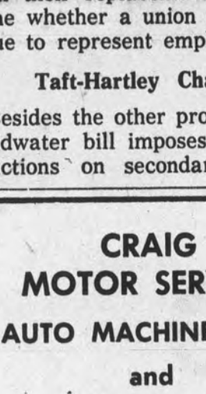

The State Health Department said today that 52 of the 1958 cases were paralytic polio. Thirty-five of the victims of paralytic disease had not been immunized while eight had received some Salk vaccine. The immunization status of nine persons is not known.

The Department stated that 48 of the 1958 victims were six years of age or younger. Seven ranged in age from 7 to 12, and two from 13 to 18. Three were over 18.

Twenty-six counties accounted for all of the 1958 cases. Jefferson County had nine, Mobile and Morgan seven each and Etowah six. Montgomery, Lawrence and Baldwin Counties each reported three cases. Counties recording two cases were Calhoun, Geneva and Henry. Other counties reporting the disease had only one case during the year.

Montevallo Makes Clean Sweep at County Tournament

Montevallo B's Take 13th and Title

By Freddy Drapper

Coming through in true form, the favored Bullpups at Montevallo gained the highest notch in county basketball. Retaining their unbeaten mark, the B's crushed an outclassed Columbiana five, 44-32, to gain the title.

Defeated last year in the tournament's finals, the Bullpups were not to be denied again this time as they put the game out of the Wildcats' reach in the first period, outscoring them 13-3. At halftime the count was 21-9.

Continuing at a runaway pace in the third period, the 'Pups added 12 markers to their count while the Wildcats could gather but eight. In the final stanza the Shelby lads cut the margin to 12 points, 44-32, but the coasting Bullpups were on the throne.

In command of the boards all the way, the Bullpups were on tops in rebounding 40-17. Bill Winslett and Jack Rasberry sparked the scoring drive with 18 and 11 points respectively.

Yellowjackets Fall

It took a strong second-half comeback to overcome the fighting Vincent team, but Montevallo bested the baby 'Jackets 33-27 in their semi-final match. A rapid pace was set up in the first quarter by the Vincent five as they racked up an 11-5 first-period lead.

Slowing down a little in the second stanza, being outscored 10-6 by the Montevallo crew, the 'Jackets still retained a slight edge, 17-14, at intermission. But the Bulldogs outpointed the Yellowjackets 17-6 in the third stanza and possessed an eight-point lead when the whistle blew.

In a cold fourth quarter the 'Jackets mowed two points off the Bullpup lead, but the final stanza rally was not enough as Montevallo squeezed into the final. Knocking the cords for 11 and 9 points respectively, Winslett and Rasberry engineered the victorious drive.

Shelby Passes Calera

Downing host team Calera 45-40 the Shelby B team secured their berth in the finals opposite Montevallo. Harrington led the cause with 16 points.

MHS Takes Thompson

Starting the tournament in high gear, Montevallo edged the Thompson Bees 40-37 in first round action. Rasberry commanded the scorers with 18 points.

A troublesome start saw the B's trailing at one point 12-8. They were still in the rear 14-13 at halftime. However, a hot third quarter which saw everybody hit at least once, put the Bullpups on their way. Rasberry got 10 points, Ruben Hayes two, Randy Woolley three, Winslett six, and Larry Pickett two, to give the Bullpups 23 in that period.

Peter Givhan hits for two points as the final whistle blows in Montevallo's 51-37 win over Shelby County High in the semi-finals. Buddy Majors is No. 32.

Montevallo came home from the Shelby County Tournament, held at Calera last week, loaded with prizes.

Downing Thompson 47-31 in the finals, the A team brought back the crown for a second year. The B's put the whammy on Columbiana in their final game 44-32 for win No. 13 for the season against no losses.

Then when awards were handed out for outstanding players, Montevallo had four named on the A squal of 11 and three on the ten-man B selection.

Varsity Tops Thompson

Paced by Forrest Brown and Jimmy Thrasher the Bulldogs were ahead all the way in their final match with Thompson. Brown had 20 points and Thrasher, who went out via the foul route early in the third quarter, had racked up 13 before he left.

Fighting from the beginning, the Bulldogs continousy staved off desperate rally attempts on the part of the Warriors. Montevallo led 13-8 at the end of the first period, 27-17 at halftime, and 35-26 after three quarters of play.

Top scorers for Thompson were all-county Bentley and Peeples with nine and eight points respectively.

Shelby Falls In Semi-Finals

To reach the finals Montevallo passed Columbiana Friday night 51-37.

It was a well-balanced fighting quintet that outscored, outrebounded, and outplayed the Wildcats, who on the last meeting of the two teams ran away with the Bulldogs.

All the defending champs got in on the scoring against Shelby County. Brown, leader, had 15 points; Jim Potts, 10; Jimmy Thrasher 13; Ronald Smitherman, nine; and Danny Thornton, two. Peter Givhan, in on the last minute of play, scored the final field goal.

Shelby Threatens

Montevallo went ahead early in the first quarter, 8-1; but by the end of the period the Wildcats, clawing away, had cut the lead to 18-13. Then when the second quarter opened, Roberts hit two quick field goals, and Nivens added a third to put Shelby in command for the only time in the game.

This Wildcat lead was short-lived, however; and served only to irritate the defending Bulldogs and spur them to action.

Potts Leads Scoring Spree

Before the Wildcats could hit again, Potts went on a six-point scoring spree, Thrasher added three points, and Smitherman hit a free throw to run the count to 30-19. After that, 10 points was as close as the Wildcats could come to touching the scrapping Bulldogs. At halftime the score was 32-22.

A cold third quarter saw Montevallo able to score only six points. But the Wildcats were even colder and meshed a mere four in that period.

Outscoring the Shelby five 13-11 in the final quarter, the Bulldogs wrapped up their chance at the finals with a 51-37 decision.

Bulldogs Down Eagles in Opener

Meeting Calera in the first round of tournament play, the Bulldogs set their pace for the tourney by getting at the Eagles early, defeating them 46-27.

Brown, hitting better than 57% from the field and sinking eight for nine from the charity stripe, led the Bulldogs in their first-round victory with 20 points. Also in on the Bulldogs' monopoly of the backboards, Brown pulled away 12. There was help aplenty in this department though from Jim Potts and Jimmy Thrasher.

Ronald Smitherman gave the opposition plenty of trouble with his left-hand shot, which added 12 points to the cause; and Danny Thornton gave his usual scrap-till-the-last-whistle performance.

In command of the situation from the beginning, the Bulldogs headed the Eages 13-2 at the end of the first period. Edwards scored Calera's only field goal in the first half, while the team hit 7 for 10 free throws.

By intermission Montevallo had upped the count to 29-9. Fourteen points was as close as the Eagles could get to the defending county champs in the second half.

Thompson Gets Vincent 39-34

To reach the finals Thompson edged Vincent 39-34. Owens had 17 and Peeples 12 points in this semi-final match for Thompson. Green starred in the Yellowjackets' only appearance, collecting 12 points for the team's best shooting.

The champs smile for the trophy and camera. Left to right, Coach Cratie Corbett, Ronald Smitherman, Forrest Brown, Barclay Fisher, Buddy Majors, Jimmy Thrasher, Jim Potts, Danny Thornton, Donny Davis, and Douglas Smitherman.

A bachelor is a man who can be miss-led only so far.—Alabama Trucker.

All-County Teams Named at Tourney

Following the Shelby County Tournament held at Calera last week, coaches of the five county high schools selected all-county teams in both A and B divisions.

Placing the greatest number of players on the selection was Montevallo High School, winner of championship. Bulldogs named for the honor are Forrest Brown, Jim Potts, Ronald Smitherman, and Jimmy Thrasher. Runner-up Thompson had three on the list, Eddie Bentley, Peeples, and Owens.

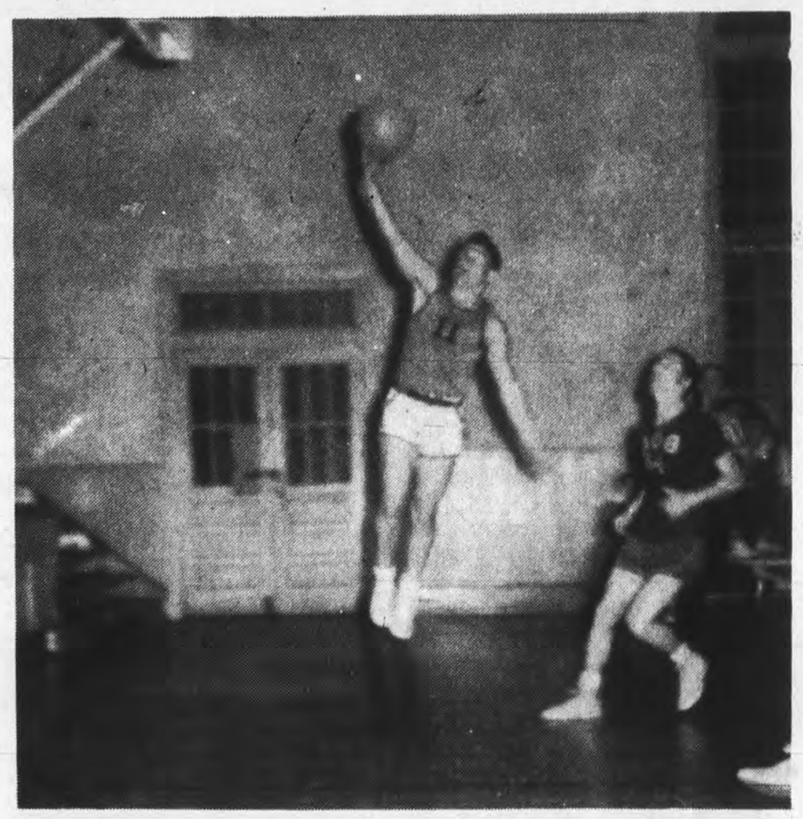

Others named all-county were Justice and Greene of Vincent, Roberts of Columbiana, and Edwards of Calera.

Included on the B team's All-County roster were three from Montevallo, Ruben Hayes, Jack Rasberry, and Bill Winslett. Three from Columbiana also made the select group. They were Rutledge, Rasco, and Wright.

Armbrewster and Weldon of Vincent, Nixon from Thompson, and Godfrey of Calera completed the list.

Calera's Parks (3) and Edwards (23) scrap for the rebound with Jimmy Thrasher. Ready and waiting under the goal are Danny Thornton (20) and Ronald Smitherman (24).

Bill Winslett (11) goes in for a lay-up as he scores in Montevallo's 40-37 B-Team win over Thompson.

Women's Clubs Favor Election To Fill House Vacancy

Two women's clubs of Montevallo, the American Association of University Women, and the Business and Professional Women's Club, have written to Governor John Patterson this week regarding the filling of he vacancy in the office of the House of Representatives from Shelby County.

Miss Josephne F. Eddy, Legislative Chairman of the BPW Club, in her letter to the Governor, stated, "We, the members of the Montevallo Business and Professional Women's Club, are very much disturbed that the first meeting of the new Legislature starting this week is without a Representative in the House from Shelby County. We also feel keenly the fact that the voters of Shelby County had no voice in the shifting of our elected Representative, C. P. Walker, to the office of county sheriff."

Miss Lelah Brownfield, of the Legislative Committee, Montevallo Branch of the AAUW, also expressed their concern over the vacancy at this time. She wrote to Governor Patterson, "We look to you to urge the Legislature to pass a courtesy bill permitting the Shelby County Democratic Committee to telescope the time for qualification of Candidates and election. The people of Montevallo feel they should have the right to elect their Representative to the Legislature."

The president of the Montevallo Business and Professional Women's Club, Mrs. Willie Galloway, also expressed to Mr. Handy Ellis, Chairman of the Shelby County Democratic Committee, the club's appreciation for his public statement in favor of calling a Primary Election to fill the vacancy.

State P.T.A. President Speaks at Montevallo Founders Day Program

Mrs. Grover C. O'Kelley, State President of the PTA, urged parents to guide children into fields of life for which they are best suited at the annual Founders Day program of Montevallo PTA Monday night. Mrs. O'Kelley said that too often parents direct their children's education along the path desired by the parent, rather than according to the talents of the youngsters.

The Montevallo PTA was honored to have the State President as its main speaker. In introducing Mrs. O'Kelley, Mrs. Denson Elliott, chairman of the program, gave a brief resume of the colorful and inspirational leadership for which Mrs. O'Kelley has become known during her educational career. She has served as supervisor of instruction in Jefferson County schools since 1945.

Dr. Andrew Kochman, president of the Montevallo PTA, presided at the meeting. The Reverend David Kaylor gave the devotional. A music program was presented by Clint Mills, tenor, accompanied by Rosalind Reid.

In keeping with the Founders Day theme, all past presidents of Montevallo PTA were invited to attend the meeting. At the close of the meeting, refreshments were served by the refreshment committee, headed by Mrs. L. E. Kirkland. The tiered birthday cake was cut by Mrs. Andrew Kochman, co-president.

Mrs. O'Kelley was accompanied to the meeting by Mrs. Byrd, secretary-treasurer of the State PTA and Mrs. Collins, state pre-school committee chairman.

Announcement was made of the spaghetti supper and bake sale to be held at the school cafeteria on Saturday night, Feb. 14. Tickets are $1.00.

SOUTH CALERA HOME CLUB ACTIVITIES IN JANUARY

The South Calera Home Demonstration Club met in January with Mrs. Albert Ryan. Mrs. Ryan gave the devotional.

Mrs. O. C. Busby gave the story of the Hymn of the Month, and led in singing "My Faith Look Up To Thee".

Mrs. Ryan gave a well-planned demonstration on "Milk In The Diet". She prepared a fruit salad and a frozen lemon pudding.

At the close of the meeting Mrs. Ryan served fruit salad and hot cocoa made from dry milk.

At the business session the club decided to take as a community project the care of the community church grounds. Other projects are recreation for the youth of the community and the Golden Agers.

For the good deed of the month the club presented Mrs. Roland Hale with a basket of fruit. Mrs. Hale is now at home recuperating from surgery.

The council meeting in Columbiana January 13 was attended by Mrs. Hubert Lester, Mrs. Marvin Giles, Mrs. Ben Tate and Mrs. Carl Jones.

On January 19 Mrs. Carl Bailey and Mrs. Carl Jones attended the leadership school.

Mrs. O. C. Busby represented the club at a lesson on using sewing machine attachments taught by Mrs. Childress at Calera High School.

The club cooperated in the polio drive by canvassing the community, offering transportation, and having available on call, helpers at the clinic.

Tony Birchfield Represents F.F.A.

The Alabama FFA State Officers and 67 County FFA Presidents will be the guests of the agriculture committee of the Birmingham Chamber of Commerce for two days, February 19 and 20.

Tony Birchfield from the Montevallo chapter will represent Shelby County in Birmingham during the two days festivities. M. Thornton is his local FFA Advisor.

Upon arrival the boys will register at the FFA booth in the lobby of the Thomas Jefferson Hotel according to J. A. Beaty, Manager, Agricultural Department, Birmingham Chamber of Commerce. They will visit the Birmingham Food Terminal, Farmers Market, and other points of interest in the city during the first afternoon.

At 6:30 p.m. the FFA delegates will be guests of the Alabama State Fair for a banquet in the Terrace Ballroom of the Thomas Jefferson Hotel. Also, that night they will be treated to a picture show party at the Alabama Theatre by Mr. M. C. Glohon, manager of the theatre.

TONY BIRCHFIELD

Next morning the Future Farmers will be guests of the Standard Oil Company for breakfast at Britling's Cafeteria, and then make an educational tour of T.C.I. Division U.S. Steel Corporation.

At noon the group will be guests of the Birmingham Agricultural Club for a luncheon in the Jefferson Room of the Thomas Jefferson Hotel. After this the boys will return to their homes throughout the state.

Alabama Retail Sales Decrease

Sales at retail in Alabama retail concerns were down slightly in November, according to the UA Bureau of Business Research.

In Shelby County, sales at retail by retail concerns only showed a 3.2 per cent decline from October to November, 1958.

Bureau publication "Alabama Retail Trade" out Jan. 29 reports that only food and automotive sales, the two largest categories, showed gains during the month, but that these were offset by losses in the remaining groups.

Sales by nonretail concerns dropped substantially, reducing total sales at retail approximately four per cent below the October level.

Compared with the same period a year ago, November sales were substantially higher with sixty of the 67 counties reporting gains.

TINKER UNDERWOOD

Tinker, a Southern boy, who has had very little experience with snow, writes that he is enjoying it in Germany. He is serving with the 503rd ADM, 3rd Armored Division, in Frankfurt, Germany.

This picture was taken by Lee Woolley. Tinker, Lee, and C. D. Galloway, who have been very close lifelong friends, are all now serving with the Army in Germany. Although they are several miles apart, they manage to get together occasionally for week end fun. The boys are making the best of their Army life. They feel that they will receive an education by being able to tour some of the European countries.

Tinker is the son of Mr. and Mrs. Paschal Underwood of Montevallo.

These Southern Railway Dollars stayed home!

THE RAILROAD that "Serves the South" is more than a mass transportation service vital to the economic development of the young and fast-growing Southland. To the hundreds of communities along its lines, Southern Railway is an important *home-town* industry, too.

Many of the dollars that the railroad receives from its customers in a community never leave town. They "stay home" to create jobs, to buy goods and services of all kinds—and to help pay local taxes. Of every $100 the Southern received last year in Revenues, $86.05 was paid out for wages, materials and supplies and taxes. $15 million went for state and local taxes alone.

A good share of *all* of our dollars are stay-at-home dollars that stimulate local business and contribute to the economic well-being of the territory we serve.

Not only is the 8,100-mile Southern System one of the Southland's largest industries. It is hundreds of *local* industries as well, that benefit the Southern's friends and neighbors throughout the South.

Date Is Set For Primary Election

First primary election to select a new Democratic candidate to fill the vacancy from Shelby County in the Alabama Legislature will be held on April 28. This was the decision of the County Democratic Committee at a meeting in Columbiana Tuesday night.

The committee set May 26 as the date for the runoff election if one should be necessary. March 12 at midnight is the deadline for candidates to qualify for the race.

The vacancy in the seat of Shelby's Representative in the Legislature was created when C. P. (Red) Walker, newly elected representative, resigned to become Sheriff of Shelby County, immediately on the resignation of Chuck Harris, who had held that office only nine days.

Karl Harrison Will Not Be Candidate For Representative from Shelby County

Honorable Karl Harrison, of Columbiana, makes the following statement in which he says he will not be a candidate for Representative of Shelby County in the Legislature of Alabama in the special primary election which is presumed to be held in a few weeks.

I will not be a candidate in the Democratic Primary to be called to fill the vacancy in the office of Representative from Shelby County in the Legislature. I feel it has been the greatest honor of my life to have been your State Senator one term and your Representative in the Legislature for two terms. I have considered these positions offices of importance and I have served the people of Shelby County and the State of Alabama to the very best of my ability:

(1) I directed the Alabama State campaign to give schools $24 million a year more money and helped lead the fight to give them another $20 million from sales tax.

(2) I assisted Representative Ira Pruitt in handling on the floor of the House the passage of the Student Placement Law and then actively supported it when it was submitted to a vote of the people. I actively supported all segregation measures in the Legislature.

(3) I helped build better roads; I was Chairman of the successful $25 million Road Bond Issue campaign. This gave us a $50 million road program.

(4) I proposed and fought for the bills that gave old folks their only increase in pensions during both Persons' and Folsom administrations.

(5) I proposed the plan and directed the State campaign that set aside $4 million to build badly needed buildings and other facilities at State Mental Institutions.

(6) I introduced and fought for passage of a bill that would have permitted the people to vote their approval of a plan to set aside $11 million a year that would have given us much needed hospitals and a real health program in Alabama, including more doctors and nurses and a large sum of money to provide indigent care for our needy.

(7) I introduced he resolution that requested a ruling from the Supreme Court which held the Legislature could reapportion itself, thereby opening the door for Reapportionment in Alabama.

(8) I cast my lot with those in the Legislature fighting for good, clean, efficient and progressive government.

(9) And last, but not least, I never lost sight of the need for our working man and farmer to make a good living, knowing that when they prosper, we all prosper.

Cates Will Run For Representative

Mr. John Lewis Cates, farmer-businessman, of Columbiana, while in Montevallo Tuesday, stated that he will be a candidate for representative of Shelby County in the Alabama Legislature in the forthcoming special primary.

Mr. Cates was a candidate for representative in the regular Democratic Primary of May last year. He made a vigorous and impressive campaign for the office and came up with a very creditable vote in a field of five contenders.

"I haven't even taken off my running shoes since the primary last year," said Mr. Cates. "I am having new soles put on them and I expect to make a race that will win in the special primary. If the people of Shelby County will send me to the Legislature, I will stay there and fill the office to the best of my ability and in the interest of the people of Shelby County to the last pea in the dish."

Mr. Cates said he will make formal announcement of his candidacy and begin his campaign immediately after the county Democratic Executive Committee has announced definite date and arrangements for the special primary election.

CALERA CIVITANS ATTEND CHARTER NIGHT PROGRAM

Those from Calera attending the Charter Night Banquet of the Central Civitan Club at Thompson High School Saturday night were:

Mr. and Mrs. Arthur Davis, Mr. and Mrs. Carlos Warren, Mr. and Mrs. Claudus Tidwell, M. and Mrs. Carl Edwards, Mr. and Mrs. Zolly Cowart, Sr., Mr. and Mrs. Roy Downs, Mr. and Mrs. Jim Duncan, Mr. and Mrs. Sidney Bird, Mr. and Mrs. R. E. Bowdon, Jr., Mr. and Mrs. O. C. Farris, Mr. George Holcombe, Mr. and Mrs. Willie Crawford, Bro. and Mrs. Gary Hearin, Mr. J. C. Rowe, Mr. and Mrs. W. W. Godfrey.

I have been before the people of Shelby County for elective office six times and they have always given me a strong vote of approval. I deeply appreciate this. I would consider it a great honor to serve again as your Representaive, but I have just finished a campaign of several months and have determined that I should not make another one now.

Please feel free to call upon me at any time because I stand ready to join with you in making Shelby County and Alabama a better place in which to live.

Many thanks,

KARL C. HARRISON

Soil and Water Conservation Inventory

An inventory of soil and water conservation needs in Shelby County has been completed by a committee composed of B. F. Hatchett, Soil Conservation Service, Chairman; Oland D. Smith, A.S.C., Secretary; A. A. Lauderdale, County Agent; S. S. Pierce, F.H.A.; and Charles M. Stuckey, County Forester.

According to O. C. Medlock, State Conservationist of the Soil Conservation Service, this inventory, which is being made in every county of the state, will be the first of its kind ever to be made by the U. S. Department of Agriculture.

"One of the reasons for making this inventory is to determine the needed adjustments in land use to take care of the nation's expanding population growth," Medlock says. "It is estimated that the population will exceed 200 million by 1975. Although we've had an excess of production in recent years, it has been estimated that a 30 per cent increase in our present farm production will be needed to meet requirements by 1975."

The inventory will also provide more useful information that may help to solve the problem of land requirements for non-farm uses, the State Conservationist went on to say. Highways, airports, and industrial developments all take farm land out of production, he points out. This presents a serious conservation problem that eventually must be dealt with.

The national inventory is scheduled for completion this year. As soon as possible thereafter the information obtained will be made available to individuals or organizations interested in the kind of information which will be developed by the inventory.

The inventory is to be kept current; therefore periodic review of the information and revision will be made as needed, Medlock says.

CLOTHES DRYER

With an automatic ELECTRIC clothes dryer, you put an end to heaving, hauling and hanging! Your clothes and linens start that wonderful, quick, "softer-than-sunshine" drying just as soon as they've been washed. Clothes dried the ELECTRIC way are cleaner, fresher and fluffier than line-dried clothes.

In fact, a new ELECTRIC clothes dryer will turn out clothes, tablecloths, napkins, bed linens and towels so fluffy, soft, clean and beautiful that many will need no ironing. You can dry them at any hour of the day or night that suits your convenience, and you need never wait on the weather!

Miss Brogden and Mr. Bray Wed

Miss Doris Brogden and Mr. Charles Bray exchanged vows in a double ring ceremony by the Rev. Kirk Lucas and the Rev. M. M. Hargrove at 8 p.m., Saturday, February 6, at the Siluria Baptist Church.

Parents of the couple are Mr. and Mrs. W. H. Brogden of Siluria, Alabama, and Mr. and Mrs. C. W. Bray of Helena, Alabama.

Wedding music was presented by Mrs. Margaret Warren, vocalist and Miss Gail Adams, pianist.

The bride was given in marriage by her father. She wore a waltz length gown of white lace. The scalloped neckline was embroidered with pearls and sequins. She carried a white Bible centered with a white orchid.

Miss Carole Bray, sister of the groom, served as maid of honor. She wore a pastel pink dress and carried a bouquet of pink carnations.

Billy Joe Mullins served as best man.

Candles were lighted by Herron and Howard Brogden, brothers of the bride.

The couple will make their home in Helena.

Southern Bell Introduces New Business Phone

A streamlined multi-button business telephone, the "call director," was introduced this week by Southern Bell Telephone Company.

The new instrument, featuring a modern functional design, was developed for the businessman who needs more than six push-buttons on a telephone, and the secretary or clerk who answers calls for a number of people.

J. L. Switzer, Southern Bell manager here, said the "call director" incorporates in a single unit many features that formerly required separate pieces of equipment.

At the touch of a button, it provides such service as inter-communication, transfer of calls, signaling and conference calling between extensions. It also allows a user access to several other lines and permits the holding of a call on one line while another line is answered.

The "call director" was tested extensively in a six-months trial among business customers, Mr. Switzer said. It is available in 18 and 30-button models and in a variety of colors.

Art Association Meets at College

The Alabama Art Education Association held its annual meeting on the Alabama College campus Saturday, Feb. 7. Mr. Anthony Swider, Supervisor of Art Education in Jefferson County presided over the meeting.

In a general session the association adopted the philosophy and aim "That Art Education should be a creative experience that begins with pre-school children and continues through various developmental stages even into adult life."

It was emphasized that teaching art in elementary and secondary schools is not, nor should be, simply the teaching of drawing for the gifted or talented child. Its aim, rather, is the stimulation of a creative thought process which is vital to all intelligent citizens.

Mr. G. W. Smith, State Department of Education, was guest speaker at the convention. Directing the workshop were Mr. Swider; David C. Huntley, Department of Art, Alabama College; Wright Christian, Department or Art Education, University of Alabama; and Mrs. Lula Bell Black, Supervisor of Art Educaion, Birmingham city schools.

Telephone Talk

by
J. L. SWITZER
Your Telephone Manager

Candy hearts and cards can say "I'm missing you on Valentine's day!" But somehow the nicest way of all Is say it yourself—with a telephone call!

What a wonderful Valentine for someone far away—the sound of your voice reaching warmly across the miles. On special days . . . on any day . . . a Long Distance call is the best and easiest way to keep in touch! Rates are extra low if you call after six P.M. or anytime on Sundays. And it's cheaper than ever when you call Station-to-Station. For faster service, always call by number!

* * *

THE LAST MILE—is the longest. It certainly must seem like that to the lady of the house when the phone's been ringing all day and she's been on the run to answer it. What she really needs is the convenience of extension phones in arm's reach—in her bedroom . . . her kitchen . . . or the basement, perhaps. They'd be handy for other members of her family too—Dad and the teenagers. And, something else—those lovely colors! Soft pastels and bright cheery hues. We'll be glad to help you bring the convenience and color of extension phones to your home if you'll just give us a ring.

LIKE MUSICALS? In addition to more new exciting science shows, to be sponsored by Southern Bell on television from time to time, a series of hour-long music shows will be televised in color this spring. If you, your family and friends like music, I'm sure you'll want to be on the lookout for these delightful musical productions. So watch for the dates and times to be announced in your local newspapers.

A NEW HIGH
in plowing science!

Ford Moldboard Plows

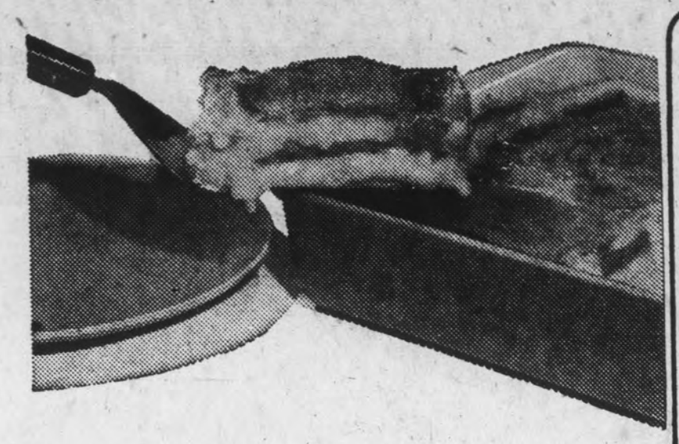

In this line of plows, the science of plowing reaches a high point! Heat-treated steel construction of the sturdy truss frame gives you greater strength—extra trash clearance. And the plow is designed to your needs—size . . . type of moldboards . . . even the shares that fit your kind of soil, your special problems. For the protection of operator, plow and tractor, the new Ford plows have a shear-pin for each plow bottom! We'd like to tell you more about this important development in the science of plowing.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

A bill designed to breathe new life into the GI housing program was passed overwhelmingly last week by the House of Representatives.

In addition to raising the interest rate ceiling from 4¾ to 5¼ per cent on indirect or government-guaranteed loans, the bill authorizes $300 million for the direct loan program.

In recent years, the guaranteed loan program has almost reached a standstill since lending institutions have been reluctant to participate due to the current interest rate of 4¾ per cent. Lenders have argued that because of the "tight money" situation, the interest rates should be more in line with the amount charged on FHA (5¼ per cent) and other loans. As a result of these arguments, the House of Representatives voted an increase in the interest ceiling.

Direct Loan Funds

House members approved additional funds for direct loans in spite of the President's opposition to this provision of the legislation. These loans are made directly by the government to veterans who live primarily in rural areas where sufficient lending agencies are not available to offer guaranteed loans. With the exception of the cities of Tuscaloosa and Northport, the entire Sixth Congressional District falls within the direct loan area.

During consideration of the bill, it was pointed out that a survey by the Veterans Affairs Committee showed that less than 10 per cent of the veterans living in rural counties had obtained loans to purchase homes, as compared with 40 per cent of those living in the metropolitan counties that were surveyed. As of November 1, 1958, there were over 40,000 veterans on the waiting list for direct loans.

Senate Cuts Funds

An omnibus housing bill passed by the Senate last week contains an authorization of $150 million for the veterans direct loan pregram. The bill originally included the same amount endorsed by the House for this purpose ($300 million), and the 5o per cent cut was the result of an amendment adopted during Senate debate.

The Senate bill also authorizes a total of $2.7 billion for other housing projects which include the FHA mortgage program, urban renewal, and public housing.

A general housing bill has not yet been considered in the House of Representatives.

Draft Extended

Another major bill—a Four-year extension of the draft—was also passed by the House of Representatives last week.

As approved by House members, this legislation extends authority to induct individuals into the armed forces from the present termination date of July 1, 1959 to July 1, 1963. It also extends for four years the so-called doctors' draft law, the Dependents Assistance Act for enlisted military personnel, and the suspension on permanent manpower ceilings of the armed forces.

An attempt to limit the draft continuation to two years was defeated by a voice vote. A move to kill the entire measure by having it recommitted to the Armed Services Committee aso failed. Final passage of the bill came on a 381 to 20 roll call vote.

Montevallo Beats Thompson For Fourth Time

It took a photo-finish to do it, but Montevalo managed to stave off a fourth-quarter rally to outpoint Thompson a fourth time this season, as the Bulldogs took a 45-43 decision at Siluria last week.

Ahead by eight (24-16) at halftime, the Bulldogs watched the Warriors chop away five points of their lead in the third period and then eat up three more precious ones in the fourth.

As the third quarter got underway, Montevallo moved ahead 29-20. But all-county Eddie Bentley, dropped in two from the corner and hit two from the charity stripe. Then Peeples, also all-county, added a field goal; and Carter, long-shot artist, blistered the basket from the center stripe to put the Warriors out front for the first time in the game, 30-29.

Putting up a brave but calm struggle to defned their championship honor, Thornton and Brown hit two quick field goals for the Bulldogs. Back in the driver's seat, Montevalo claimed a thin margin, 33-30, as the period ended.

The final stanza was a seesaw affair with the Warriors really turning on the steam to tie the count and then jump ahead by two, at one point.

With the score at 45-43, Montevallo leading fifteen seconds from the end of the game, Thompson was guilty of a deliberate foul, giving the Bulldogs the ball in the charity line. Two shots fell short for Thornton, and the Warriors got possession.

Smitherman, on defense under the goal, averted a pass attempt that would have gone for a layup; but the ball fell into Peeples's hand. His shot rimmed the basket, had a notion, but fell into the waiting hands of Jim Potts, who held out for the final whistle and the 45-43 victory for the Bulldogs.

B's Lose First

Montevallo's B's just coudn't get moving against Thompson in the preliminary match as they fell 41-34 for their first loss of the season.

Randy Woolley's 10 points was Montevalo's best scoring effort.

Calera Garden Club Visits Festival of Arts

The Calera Garden Club motored to Birmingham Tuesday, February 3, to visit the Festival of Arts at the Chamber of Commerce Building. The group met at 20th Street Britling for lunch.

"Traditional Trends for Contemporary Living" was the lecture title and theme for imaginative and beautiful flower arrangements created by Mrs. Howard Kittle, of Fort Worth, Texas. After the flower arrangements the Shades Valley Council of Garden Clubs was hostess at a tea.

Each of the following members left with a renewed enthusiasm to be a better garden club member: Mrs. J. Frank Baker, Mrs. W. B. Blevins, Mrs. R. E. Bowdon, Jr., Mrs. R. E. Bowdon, Sr., Mrs. J. D. Freeman, Mrs. O. C. Farris, Mrs. Robert Burrage, Mrs. R. L. Holcombe, Mrs. Curtis Lucas, Mrs. W. S. Mitchell, Mrs. Z. S. Cowart, Sr., Mrs. Roy Downs, and Mrs. Rosa Kunz, President.

Montevallo Wins Sixth Straight

By Freddy Draper

Edging Vincent 54-47 the Montevallo Bulldogs made the Yellowjackets of Vincent their sixth successive victim, leaving their season record at 13 wins and 7 losses.

It was a nip and tuck battle throughout the first half. The Bulldogs matched the Yellowjackets with 10 points in the first quarter, then managed to hold a one-point advantage at halftime.

With both teams battling away in a wild but low-scoring third stanza, the Bulldogs emerged from the fracas still in command, leading 34-31. The final tally found Montevallo favored 53-47, as the Bulldogs outscored the Yellowjackets 20 to 16 in that frame.

Swiping 46 rebounds off the boards, the Bulldogs continued to head their opponents in this department as Vincent snagged only 28.

Brown and Thrasher Lead

Forrest Brown, averaging 13.1 points per game for the season, paced the victory with a 20-point performance. Thrasher added 10 points, eight of which came in the last half.

Justice, hot shot for the losers, fired in 22 points to head the 'Jackets' scoring.

B's Win by Landslide

Bouncing back on the winning road by commanding the contest from buzzer to buzzer, the Bullpups humiliated the Vincent Bees 51-25.

Randy Woolley tossed in eight markers to lead the way for Montevallo.

Buddy Holcombe Honored

MR. AND MRS BUDDY HOLCOMB

Buddy Holcomb, 28-year-old son of Howard Holcolb, of Columbiana, and Mrs. Becky Worthington, of Grifton, N. C., has received the Distinguished Service Award for 1958 at Grifton, N.C., for outstanding leadership in the community's religious, civic, social, and economic affairs.

Mr. Holcomb, a graduate of E. Carolina College in Greenville, N.C., is an associate of the Grifton Insurance Agency and the H&N Paint Store and operates a farm in the Grifton suburbs. He is married and has one child, Howard Bailey Holcomb, III.

Born in Calera, Mr. Holcomb has many relatives here. He is a nephew of Mrs. Robert Holcomb, of Montevallo.

GOES AND GOES AND GOES ON A GALLON !

Biscayne 4-Door Sedan shows the Fisher Body beauty of Chevrolet's lowest priced series for '59.

CHEVY'S NEW HI-THRIFT 6

More miles are back in a gallon of regular-grade gas—up to 10% more—and Chevy's new Hi-Thrift 6 engine puts them there. It also gives you more "git" in the speeds you drive the most.

Here's an engine that always seems able to coax extra miles out of a tank of regular-grade gas. In fact, if you're one of those drivers who keep tab on things like gas mileage, you'll soon see for yourself that this new Hi-Thrift 6 gets up to 10% more miles a gallon.

Another thing you'll like about this 135-h.p. 6 is the extra pep it gives you for passing and climbing hills. This is due to higher torque at normal speeds.

It may be hard to believe anything that looks and moves like this '59 Chevy can be such a stickler for economy. But—whether you pick the Hi-Thrift 6 or a vim-packed V8—this is just one more reason Chevy's the car that's wanted for all its worth. Stop by your dealer's and see.

TB Fund Drive Goes Over Top

The drive for funds with which to support tuberculosis work in Shelby County this year went over as expected by the Board who conducted the drive. There are even a few dollars to spare.

According to last reports made by Roy Downs, Calera, treasurer of the fund, the amount collected to date is $2521.63. The goal fixed for the county was $2504.00 Citizens came forward, knowing the fine work already accomplished and the necessity for continuation of research and treatment, so that the goal was reached, with $17.63 to spare.

Judge Conrad Fowler, chairman for the county expressed his delight over the results and his appreciation for the support given to a cause so well understood in Shelby County.

Thompson PTA Has Founders Day

The Thompson School's PTA held its Founders Day program meeting Monday night, February 16. The theme followed a favorite TV program, "This Is Your Life."

Mrs. Carolyn Davidson represented PTA and Charles Knowles was master of ceremonies. The guests were past presidents of the PTA and two of the young teachers who have been at Thompson for 24 years—Miss Lavada Harper, grammar school principal and sixth grade teacher, and Mrs. John Kroell, fourth grade teacher. They were presented with corsages of white carnations along with the past presidents.

After the program, a party honoring all guests was held in the school cafeteria, which was decorated with red hearts and flowers.

Chairman for the program was Mrs. Clemmie Bradley, who did a splendid job of preparing this program.

ALBERT L. SCOTT

Albert Scott To Head Cancer Drive

Albert L. Scott, of Alabaster, has been named Shelby County chairman of the American Cancer Society's 1959 crusade in April.

The annual campaign, held in April as "Cancer Control Month", raises funds for support of the ACS three-point program of education, research and service for the control of cancer. It also alerts the public to the cancer problem and cancer's danger signals.

Scott, born and reared at Longview, was in engineering work for 15 years following his graduation from Auburn in civil engineering. Returning to Shelby County, he entered the lime manufacturing business at Alabaster.

Scott is married to the former Caroline Bailie of Augusta, Ga. They have five children.

Band To Present Spring Dance

The Montevallo High School Band is working on plans for the annual Spring Dance to be held on Friday, Feb. 27, at 8:00 p.m. in the high school auditorium.

The theme will be centered about pastel colored flowers common to the season. Decorations will feature lighted panels centered with a flower and the stage will also be decorated to follow the theme.

Music will be furnished by the High School Swing Band which is working on a wide variety of dance music.

The dance is semi-formal and prices are 50 and 75 cents for students; 75 cents and $1.00 for adults —proceeds to go to the instrument fund.

Special Primary Date Announced

Chairman Handy Ellis, of the Shelby County Democratic Executive Committee, has issued the official call for a special primary election to nominate a candidate for Representative in the Legislature of Alabama to succeed C. P. Walker, resigned.

The following provisions of the call governing the special primary should be noted.

1. Date of the primary is April 28.
2. The date of the run-off primary, if necessary, will be May 26.
3. The time for candidates to qualify for the primary expires at midnight, March 1.

The call for the primary provides that the same shall be held under and in accordance with the primary laws of the State of Alabama.

The official notice published by Chairman Ellis appears elsewhere in this issue of the Times-Herald.

Home Ec. Students Study Baby Sitting

Members of a Home Economics I Child Development class in Montevallo High School have been making a study of baby sitting. The girls in this class, under Mrs. Charles Hollingsworth's direction, have studied how children grow and develop and ways of caring for children, with emphasis on keeping them safe and happy.

The students organized and carried out a play school to which pre-school children between the ages of three and five were invited for several short play periods. On these occasions, students took turns in serving on play school committees and observing the children as they participated in free play activities and listened to stories and records selected by class members.

On days when children were not present, the home economics girls studied references and discussed responsibilities of the baby sitter to the child and parents, and responsibilities of parents to the baby sitter. The class members saw two film strips on baby sitting and set for themselves some goals to work toward in becoming successful baby sitters.

Several of the class members have been baby sitting for some time; others have planned to work as baby sitters as a part of their home experiences and work toward degrees in F.H.A. Their names and telephone numbers are listed below for the convenience of parents who may wish to employ them as baby sitters.

Clyde Clifton Gives a Charming Story of this Wonderful Spot so Rich in Memories of the Past

(FROM THE BIRMINGHAM SUNDAY CHRONICLE, DEC. 19, 1886)

An unusually interesting account of life in Montevallo in 1886 has been brought to the attention of the Times-Herald by David Ward, formerly of Montevallo, and now a college professor in Georgia. Mr. Ward, while doing research at the Department of Archives and History in Montgomery, discovered a copy of an article published in the Birmingham Sunday Chronicle on December 19, 1886, about Montevallo. We believe that many people will enjoy reading this article. Due to its length, it will be printed in a series of four weeks. The original author is listed as Clyde Clifton. Mr. Ward has tried to locate information regarding this Clyde Clifton, but so far has been unable to find anything. He requests that any information about Mr. Clifton be sent to him at 212 South Mulberry, Statesboro, Ga.

PART I

In a little valley lies the main village, while here and there cottages dot the Cedar crowned hills that surround it. From a southern window in the room in which I write I can see its spires and roofs, visible through the leafless branches of the oaks—Montevallo, trueful name that so fitly describes these hills and dales. She is not enterprising, she is not pushing, she is not plucky, but none can gainsay that she is placid and picturesque, and has complete mastery of the art of growing old gracefully.

'Once upon a time' Montevallo was one of the most important interior towns of the state. She had the monopoly of the trade of several counties, St. Clair, Bibb, Chilton, and a portion of Talladega and Jefferson. Lying down here in the corner of Shelby, the boundary of Chilton is but a league away, and that of Bibb but little further.

The days that I refer to before the railroads were built through the county may be called the Golden Age of the town, traffic and trade and the spirit of commercial rivalry made it very lively and prosperous. Though her people thrived, for goodly fortunes have been made here in times past, they were not hazardous. They demanded a tangible evidence of gain and were afraid to venture into any sort of speculative enterprises. The first 'faux pas' was when they let the L&N cross the ET&VA. at Calera instead of this point. The commercial sceptre was then taken from them. Now, Calera to the right of them, Brierfield to the west of them, have each usurped a portion of Montevallo's old trade.

I have heard it said that Mr. Peter has been sorry that he did not locate his company's great enterprises here, the nailing and rolling mills of Brierfield, the very life-blood of that stirring manufacturing village. It seems that somebody always fails to point out the superior advantages of this place which has wonderful natural endowment, until capital has been invested elsewhere. Almost every other Alabama town has roused to the bugle call of progress except this one—she has been fitfully dozing for a number of years, now she slumbers soundly, a sleep that does not resemble that of Rip Van Winkle so much as it does that sleep that knows no waking. Yes, once more the Angel Opportunity taps Montevallo on the shoulder. Will she awaken at the touch? One of the numerous railroads centering at Birmingham is reaching an arm down the valley in this direction. It will cross the ET&Va. 'at or near' Montevallo. Is Montevallo doing anything to bring it at Montevallo, or is she going to let it, like the other, cross 'near' here, and build up a rival below here that will steal from her the last vestige of her pristine commercial glory? Time, and a very short time, will show.

But did I not promise something locally historic for this letter? A drive today carried me by 'Altara', just outside the town on a steep hill, on the road to the Aldrich Mines. 'Altara' is now the home of J. D. McMath, Esq., but was once the residence of one of Alabama's most eminent men of the old era, Judge Geo. D. Shortridge, purist, politician and literateur. He was the first mayor of Montgomery, and after returning to Shelby, he was for nine years a circuit judge, resigned it to be the candidate of the American party for governor in '55 and was defeated by bluff old John Anthony Winston, democrat. He represented Shelby in the Constitutional convention of '61 and was one of the signers of the famous Ordinance of Secession of Alabama. From private letters from politicians at the time, I see that Judge Shortridge was quite prominent as a candidate for the presidency of that historic body, but that honor fell upon the shoulders of another distinguished lawyer, Judge W. M. Brooks, lately become a citizen of Birmingham. Two of Judge Shortridge's sons, brilliant youths, mere officered boys, but full of patriotism and chivalry, died wearing the gray on battlefields. Gay and handsome, bright and brave, Eli and Frank—their beautiful lives and grand deaths are not forgotten.

Lieut. Geo. D. Shortridge, another son, died shortly after the war. Judge R. Gaines, of the supreme court of Texas, is a son-in-law of Judge Shortridge, having married the beautiful Miss Lou Shortridge, now a social leader in the highest circles of the Texas capitols. The handsome wife of Dr. Sedberry, of Jefferson, Texas, is the younger daughter. Mrs. Shortridge, the Judge's widow, was recently on a visit to her old home in Alabama. She is an interesting chronicler of the past, and with the key of memory unlocks rich treasures of personal narrative, in which the heroes that now shine on the pages of our state's history are familiar, everyday personages—the Tom, Dick, and Harry of her school days in Tuscaloosa fifty years ago.

Lovely Lizzie King was no less a beauty and belle in those days than was her grand-niece and namesake, pretty Lizzie Lewis, a half century later. George Shortridge was one of the most promising young men of his period, and like Lewis Bradfield, had to win his bride from a host of rivals.

Judge Shortridge was a student all his years, and collected a costly and rare library. This man of letters yielded a forcible pen, and ornate; it seems a great pity that all this knowledge should perish with him and the world be none the wiser for his erudition. The manuscript, poems, magazine articles, legendic stories, memoirs, etc., of Judge Shortridge, who died in the very room in which I write in '70, were for several years in the hands of the Hon. Burwell B. Lewis, his nephew, who intended to have them published, but in his busy life Col. Lewis never completed the work.

Local Students on Purple Team

Six local students have been appointed to important posts on the Purple Team for College Night activities at Alabama College.

Mary Katherine Hicks, daughter of Mr. and Mrs. W. G. Hicks, is serving as Chairman of the Music Committee.

Mary Thornton, daughter of Mr. and Mrs. Melton Thornton, has been appointed to the Music, Properties and Publicity Committees.

Arthur Garrett, son of Mr. and Mrs. A. R. Garrett, is on the Music Committee.

Sara Ann Jeter, daughter of Mr. and Mrs. A. C. Jeter, is serving on the Purple Team Cabinet and on the Music Committee.

Denny Elliott, son of Mr. and Mrs. L. D. Elliott, has been named to the Music and Make-up Committees.

Kitty Stansell, daughter of Mr. and Mrs. Lester Stansell, has been appointed to serve on the Music and Costume Committees.

College Night is a three-day festival of music, art, and drama held annually in conjunction with homecoming activities. This year's event is scheduled for February 19-21.

The student body is divided into two teams, the Purples and the Golds, named for the school colors. Each team produces an original stage production which is presented each night during the festivities. The winner is selected by a panel of outside judges. Their decision is announced after the Saturday night presentation.

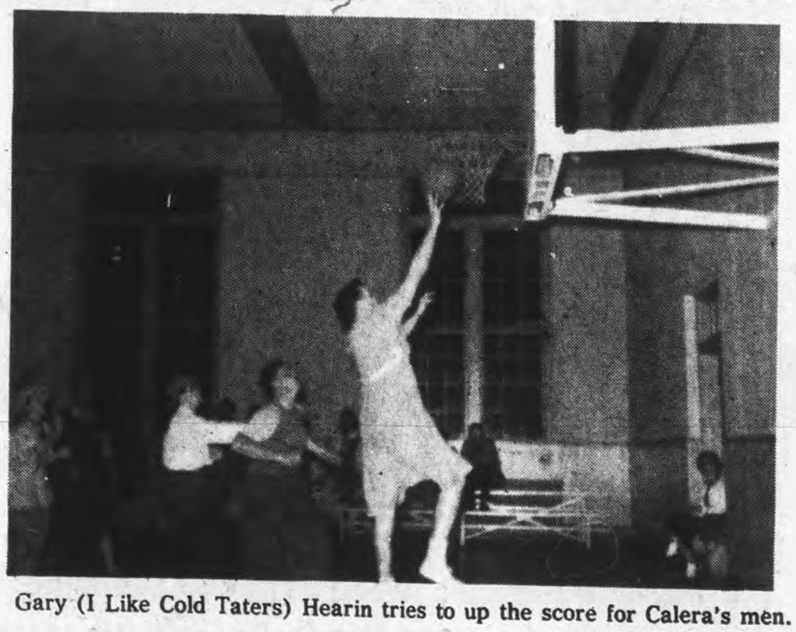

Mary Katherine is a Senior at Alabama College studying Music. Arthur, a Junior, and Sara Jeter, Freshman, are also Music majors. Kitty Stansell and Mary Thornton are both sophomores majoring in Math and Sociology respectively. All are graduates of Montevallo High except Denny Elliott, who graduated from Indian Springs school.

Which Industry Now Betters The Living of 1 Out Of 2 Alabama Families?

. . . Here Are Some Surprising Facts About The Trading Stamp Industry

So far, whenever our nation's economy has needed expansion, a new industry has sprung up to help the country go ahead.

The automobile industry, employing millions, was followed closely by the development of radio and radio broadcasting to make more millions of jobs. Then came the airplane industry, air conditioning, plastics, television, frozen foods, to change our lives some more.

The trading stamp industry, while not new, belongs to this expansion group and has been one of the fastest growing of all. Today it directly benefits the living of the more than 1 out of 2 Alabama families who save trading stamps.

Obviously, an industry affecting such a large proportion of Alabama's population must bring far-reaching benefits for Alabama's economy. And it does. In 1957 the trading stamp industry bought $8,995,000 worth of products from Alabama's manufacturers. In one way or another, it provided employment for 870 Alabama people in many different industries.

The people in the trading stamp industry, its merchandise and redemption stores, its warehouses and transportation and all the activity that goes on within it are helping to develop Alabama.

Thus it seems plain that the trading stamp industry along with the 414,000 Alabama women it serves has become, like other expansion industries, a living, vital part of our State's economy.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

For a number of years efforts have been made to abolish the House Committee on Un-American Activities or, failing that, to limit its effectiveness. In recent months those efforts have been stepped-up by the Emergency Civil Liberties Committee, a group which has been cited as a communist front organization.

This latest campaign was initially conceived at a rally held by the Emergency Civil Liberties Committee in New York City on September 20, 1957. It was decided then that a concerted effort would be made to destroy the Committee on Un-American Activities, end the investigative powers of Congress in the field of subversive activities, and restrict important functions of the FBI. Since that meeting, other communist front organizations have joined the campaign.

Purpose of Committee

The Un-American Activities Committee was established as a standing committee by a vote of the House of Representatives on January 3, 1945 for the purpose of investigating the extent, character, and objectives of un-American propaganda activities in the United States and keeping watch over the administration of various laws dealing with subversion. It was continued as a standing committee in 1946 by provisions of Public Law 601 of the 79th Congress.

It is not the first congressional committee, however, to be concerned with subversive activities. Prior to its creation, there were several special committees of the House that had been established for the purpose of investigating subversion.

Since its establishment, the Un-American Activities Committee has exposed innumerable communist activities in the United States, as well as thousands of members of sympathizers of the Communist Party. It is only natural then that the Committee would be a prime target of communist organizations which have as their purpose the destruction of any obstacles to the exercise of subversive activities in the United States.

Roosevelt Resolution

In addition to the opposition from communist and communist front groups, there is also some opposition to the Committee on Un-American Activities that is non-communist in nature. For example, Rep. James Roosevelt (D-Calif.) recently introduced a resolution which would abolish the Committee on Judiciary.

Roosevelt calls his proposal "A Better Way to Fight the Communist Conspiracy," but Rep. Francis Walter (D-Penn.), Chairman of the Un-American Activities Committee, has said the resolution is designed to strangle rather than strengthen the investigation of subversion.

I am among those members of the House of Representatives who believe the abolition of the House Committee on Un-American Activities, or even the curtailment of its activities, would be a great victory for the communist movement in the United States. For that reason, I am opposed to Roosevelt resolution and will so vote should it reach the floor of the House of Representatives for consideration.

56,000 Students Follow Alabama ETV Courses

56,000 students follow Alabama ETV courses each week according to a new survey report issued this week by the fund for the advancement of Education in Montgomery. The research team, headed by Dr. Edwin Williams, steadily visits schools across the state to aid in educational television utilization by classroom teachers. It also annually tallies the number of students enrolled in each ETV course, and generally assists in the development of in-school programming to create a tie between the classroom and TV instructor.

In Shelby County, ETV is being used at Montevallo, Prentice, Shelby County, Calera, and Vincent High Schools; Chelsea and Helena Jr. High Schools; and Shelby Training School with 1457 students following courses.

Dept. of Pensions Issues Warning

People receiving checks from the Department of Pensions and Security—either old age pensioners or people aided under one of the other categories—are never asked by pensions and security workers to buy anything, to pay out any money to them, or to join any organization in order to receive, or continue to receive a check. This statement was issued today by Commissioner Alvin T. Prestwood who warned that any salesman or organizer purporting to be a "welfare worker" or "from the welfare department" could not be a bona fide pensions and security employee.

"Every State and county worker has an official identification card; every worker who calls on a family does so for purposes of determining eligibility for a check or giving some needed service," Prestwood pointed out. He emphasized that the counsellors and other agency staff never collect from or sell to the people they serve.

The Commissioner added that no one but the county department could determine the amount of an assistance or pension check. Therefore, he added, no salesman can assure a person of a "raise" if he buys something such as insurance. "Specific agency policies," Prestwood declared, "govern budgeting and only specified items up to set standards or maximums can be included."

In urging people not to be misled, Prestwood emphasized that anyone who applies for a pension or assistance, and who meets the requirements set according to State and Federal law, will be approved. "His getting a check depends on his eligibility and the amount he gets is governed by his unmet needs, funds available, and the number of other needy persons." Prestwood added that determination of eligibility is made by the county workers under overall direction of the State Department.

"We hope anyone with knowledge of probable fraudulent activities in relation to pensioners and assistance recipients will notify either the State Department or a county office," Prestwood concluded.

Edith Edfeldt Is Commended For Scholarship

Edith Edfeldt, a senior at Montevallo High School has been commended by the National Merit Scholarship Corporation for her outstanding performance on a nationwide test of educational development, according to Principal Guy Milford.

Edith was a runner-up in the 1958-59 Merit Scholarship competition. She has been sent a Letter of Commendation by National Merit Scholarship Corporation. John M. Stalnaker, President of NMSC, believes that the 10,000 students who received the commendation rank in the top two or three per cent in ability of the senior students in their respective states and should be given every encouragement to continue with their education.

"While the students receiving this commendation did not quite reach the finals of the 1958-59 Merit Scholarship competition, each of them has demonstrated highly superior ability and outstanding promise to benefit from college training," declared Mr. Stalnaker.

"I hope that every one of them will make a special effort to obtain a college education. With further education, these young people can play a vital role in our nation."

Mercury's new beauty is planned for people—makes room for 6, not just 4!

Here's proof you needn't sacrifice comfort for beauty. Unlike most '59 cars, Mercury is beautifully built for roominess. For instance: the hump on the floor has been cut in half, giving the middle rider more leg room . . . and a thicker, softer cushion. Mercury has the roomiest passenger compartment of all. Has the widest doors. Has the most visibility. Yes, you're comfortably fixed . . . in a Mercury.

IN MERCURY THERE'S MORE SEAT CUSHIONING, deeper, thicker, softer—under the middle rider. You'll find it's the most comfortable center-of-the-car ride on the road. Mercury gives you normal sitting height, too, for relaxed riding comfort.

FIRST SIDE-TO-SIDE WIPERS that clear a 5-foot swath, including the center area! Gives you better visibility thru the world's largest windshield.

College To Honor Alumna-of-Year

Miss Lillian Gatchell, a well known Alabama educator, will be honored as Alabama College's Alumna of the Year during homecoming festivities Feb. 21.

A native of Montgomery, Miss Gatchell received her bachelor's and master's degrees from the University of Alabama after graduating from Alabama College.

In a statement concerning her selection as Alumna of the Year, a spokesman for the selection committee said, "Her extraordinary success and prominence as a teacher, and the signal honor of being nominated for the presidency of the Alabama Education Association are evidence that she has fulfilled the great promise of her student days."

Miss Gatchell, who is now Girls' Adviser at Phillips High School in Birmingham, displayed her leadership qualities at Alabama College. While a student she served two years as basketball team captain, two years as secretary and treasurer of the athletic board, and three years as athletic director. Her activities also included three years on the Y.W.C.A. Committee, two years on the "Y" Cabinet, and two years as staff member of the college yearbook.

Her first teaching assignment was at Repton in Conecuh County. Since then she has taught in Birmingham, first at North Birmingham Elementary School, and Phillips High School. She became Girls' Adviser at Phillips in 1957.

Among her other activities, Miss Gatchell has served as President of the Alabama College Alumnae Association, President of the Women's Council of the University of Alabama, Secretary and President of the Birmingham Teachers Club, has received a life membership in the National Education Association, and was recently nominated for President of the Alabama Education Association.

She holds membership in Delta Kappa Gamma, a women's honorary teaching fraternity, and Mortar Board, national honorary for outstanding senior college women.

Miss Gatchell's service in civic organizations includes terms as President and Secretary of the Homewood Business and Professional Women's Club. In this organization she also served as Chairman of International Affairs, Chairman of the Legislative Committee, and Parliamentarian.

She is a charter member of the Shades Valley Presbyterian Church and has served there as Secretary and Treasurer since 1943. From 1950 to 1953 she was counselor for the Business Women Circles of the Birmingham Presbytery of the Presbyterian Church of the U.S.

Introducing Miss Gatchell at the homecoming luncheon and presenting the silver trophy award will be Mrs. Marian W. Spidle. Mrs. Spidle, former President of the Alabama College Alumnae Association, is now Dean of the School of Home Economics at Auburn. She will be the main speaker at the luncheon.

Mr. Willie Crawford and Mr. Glenn Crim were bird hunting in Geneva last week to finish up the season. From all reports lots of quail were brought home.

MISS LILLIAN GATCHELL

Rev. J. F. Goree Is Commended

The Shelby County Baptist Pastors' Conference on February 2, 1959, adopted and authorized publication of the following Resolution commending the pastoral and associational work of Rev. J. F. Goree.

A Resolution:

Whereas, Rev. J. F. Goree was pastor of Calera Baptist Church in the Shelby Baptist Association from May, 1953 to January, 1959.

Whereas, while serving in the above capacity, he also served as Associational Sunday School Superintendent for the Associational year 1954.

Further, he served as Associational Moderator for two years, 1955 and 1956. He also served as President of this body, the Shelby Baptist Pastors' Conference, for a year.

Further, he was serving a second term as a member of the Alabama Baptist Executive Board when he resigned the Calera pastorate to accept the Plant City Baptist Church in Lanett, Alabama.

Be it therefore resolved: that this, The Shelby Baptist Pastors' Conference, express its appreciation to Rev. Goree for his faithful service in these positions and that this body commend Rev. Goree's services to the Plant City Baptist Church of Lanett, Alabama, and to the East Liberty Association of the Alabama Baptist Convention.

Be it further resolved: that a copy of this resolution be spread on our record, and that copies be sent to The Alabama Baptist, The Shelby County Times-Herald, and The Shelby County Reporter, and a copy be sent to the Associational Moderator of East Liberty Association.

Respectfully submitted,
—J. Paul Banks, Edward Glover, B. B. Curry, Committee.

Adopted this second day of February, 1959, by the Shelby Baptist Pastors' Conference.—J. Paul Banks, Secretary.

STUDIOSIS CLUB

At their regular meeting on Tuesday, February 10, Montevallo Studiosis members were privileged to hear Dr. Gerard Priestley speak on Southeast Asia. Beautiful color slides made during the Priestleys travels through this area of the world were shown to illustrate Dr. Priestley's interesting and informative lecture.

Following the program invitation to the refreshment table was extended by the hostesses: Miss Lorraine Pierson, chairman, Mrs. Willa Belle Posey, Mrs. S. M. Mahan, Mrs. C. H. Mahaffey, Sr., Mrs. I. P. Johnson, Mrs. Sam Klotzman, and Mrs. Earl W. McGaughy.

SCOUTS ATTEND CHURCH

Pack 59 of the Montevallo Cub Scouts attended the morning services at the Methodist Church Sunday in observance of Boy Scout Week. The boys were in full dress uniform. Rev. Chesnutt recognized the boys and their leaders. Star Scout George Nix, Jr., was called upon to read "The Scouter's Prayer."

The Blue and Gold Banquet which will be held Feb. 27, in the cafeteria will climax the 49th birthday of Boy Scouting.

Mrs. Priestley Is B.P.W. Speaker

Highlight of the February dinner meeting of the Montevallo Business & Professional Women's Club last Wednesday was a talk on "How to Get the Most Out of Foreign Travel" by the guest speaker, Mrs. S. E. Gerard Priestley, wife of the Alabama College professor of political science and history.

Accenting her discussion of her world travels with color slides, Mrs. Priestley described visits in Europe, the Near East, Iraq, Pakistan, India, Thailand, Burma, Malaya, Singapore, Indonesia, the Philippines, the Fiji Islands, New Zealand, Hawaii, and Australia.

Details involved in traveling abroad such as how to secure the necessary passport, what clothes to take, and the jet-age swiftness of travel by various modes of transportation were emphasized by Mrs. Priestley.

Interesting sidelights on characteristics of the inhabitants of many of the countries Mrs. Priestley visited empressed on her listeners the need for clearer understanding of the people before one visits a country.

Besides her foreign travels Mrs. Priestley has visited 44 of the 49 states as an editor, freelance writer and photographer gathering material for articles she has written for magaines and newspapers.

Approximately three years ago Dr. and Mrs. Priestley made a round-the-world tour gathering material for Dr. Priestley's international affairs lectures.

As well as writing radio scripts and two documentary movies, Mrs. Priestley has served as associate editor of the DuPont Magazine, Wilmington; editor of the Pet Milk Magazine and the American Red Cross publications and president of the Industrial Editors in St. Louis.

A native of Tennessee, Mrs. Priestley has her Master's degree in English from Peabody and two years post graduate work in journalism at the University of Missouri.

The February meeting of the Montevallo B & PW was at the home of Mrs. Pauline Rogan. Mrs. Willie Galloway, president, presided.

Funeral Services For Mrs. Wooley

Ag Students Visit Westinghouse

Vocational Agriculture students, under the sponsorship of Mr. M. Thornton, visited the Westinghouse welding electrode plant Tuesday of this week where they witnessed the manufacturing processes involved in making welding electrodes and brazing alloys.

The class was shown the application of both products in the welding laboratory where sample joints were made and examined by the group. The following were included in the trip:

Tim Birchfield, Francis Fulgham, Bobby Jones, Glen Lucas, Larry Pickett, Jimmy Brantley, Olin Galloway, Johnny Johnson, Ed Moore, Jack Rasberry, Jerry Edwards, Norman Hughes, Herschel Lawley, Gene Moody, Gene Savage, Kenneth Hyde, Bud Lucas, Allen Nabors.

Blue and Gold Night at Calera

Each Spring Calera's faculty and students divide from grades one through twelve for Blue—Gold Stunt night to be held this year on Friday evening, February 20, in the school auditorium at 7:30. Each group works in secret on its production. Each side has an elementary and high school skit and musical, all original productions.

Student leaders for the Blue side are Alethea Boggess and Larry Farris. Faculty leaders working with them are Mrs. Eddie Downs and W. J. Akridge assisted by Mrs. Parks Redwine, Herman Peters, Miss Annie C. Dunaway, Mrs. Hansel Brown, Herschel Day, Mrs. Glover White, Mrs. W. J. Akridge, and James Tubbs.

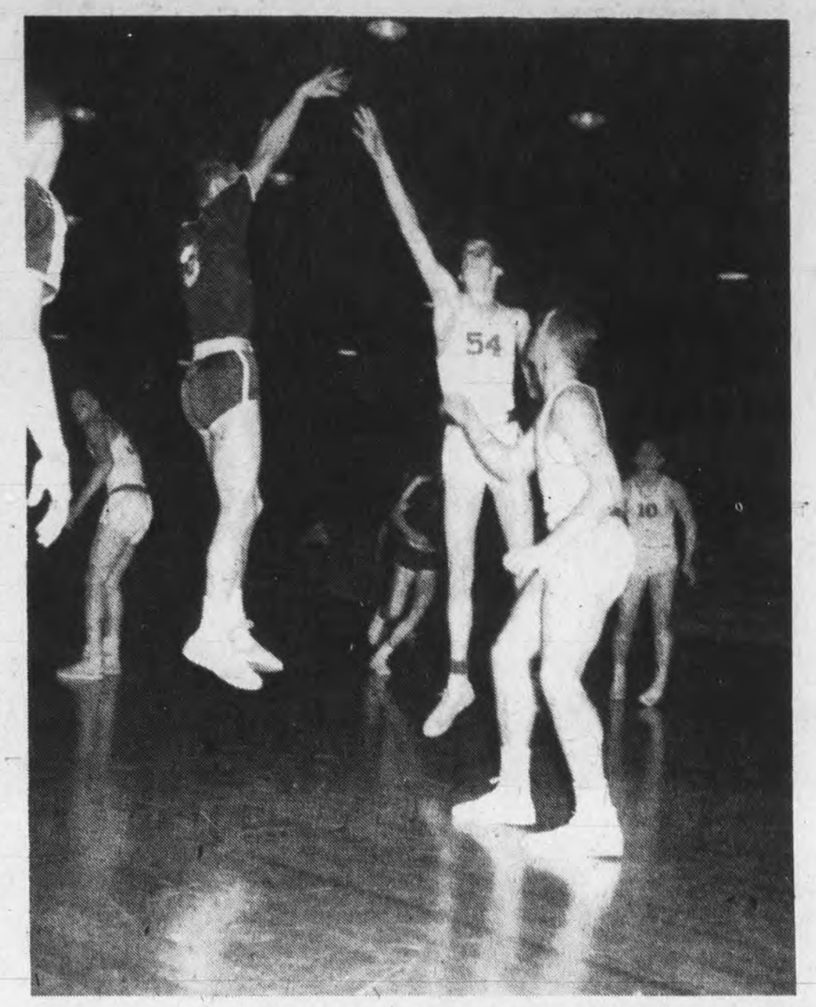

Student leaders for the Gold side are Julia Frost and Paul Nickerson. Faculty leaders for the Golds are Charles Jones and Mrs. Jim Mabry, Jr., assisted by Mrs. E. Marvin Smith, Mrs. William Davis, Mrs. Berman Cadle, Mrs. Nalda Timmerman, Mrs. Jim Childers, W. E. Collins, and Miss Mamie Bishop.

Mrs. Luther Giles, Jr., Junior Class sponsor, is in charge of the entire program.

Each day for the past two weeks pep meetings have been held and competition is at fever pitch. Blue cheerleaders are Mary Gay, Anne Ingram, Linda Loftin, Nancy Duncan, and Delores Bailey.

Cheerleaders for the Golds are Peggy Ingram, Deegee Downs, Blair Mabry, Frank Mabry, and Vivian Baer.

The performances are judged on orginality, spirit, appropriateness, and participation of cheering section. Posters will be judged also. All judges are from out of town.

Montevallo Wins Number Thirteen

Montevallo goes into the Fifth District Tournament Thursday night against Gorgas with a 13-1 record for the season. The Bulldogs' latest conquest came in an uneventful win over Banks High Tuesday night.

Trailing for three quarters, the Bulldogs revived in time to outscore the Jets 19-10 in the fourth period and win 58-49. Seventeen charity tosses were all that saved the Montevallo quintet from humiliation as they hit only four field goals before halftime. At intermission Montevallo was trailing by two points, 27-25.

The Bulldogs went ahead as the third period opened but couldn't hold on as that quarter saw the lead exchange hands eight times before the end, when the score stood at 39 all.

Scoring for Montevallo were Ronald Smitherman with 17; Jim Potts, 10; Jimmy Thrasher, 9; Forrest Brown and Barclay Fisher with 8 apiece; and Billy Winslett, Donny Davis, and Danny Thornton with 2 each.

Negro March of Dimes Is Successful

The Shelby County Negro division of the 1959 March of Dimes campaign met with surprising success. The drive was officially begun on January 6th with a county-wide "kick-off" banquet at the Prentice High School. Seventy school and community leaders, including key mothers, business men, ministers, teachers, and school principals were present to share the opening event with Mrs. Viola W. Williams, Supervisor of Instruction, serving as general campaign director.

Guest contributions were made by Dr. Orr, former county chairman, Dr. Lauderdale, county chairman, and Mr. Wagner, director of the North Alabama Region.

During the month of January the volunteer workers braved the unusual weather to sponsor such activities as benefit movies, plate dinners, spaghetti parties, old-folks concerts, and the Mothers' March to raise funds. A surprising number of parents were reported to have begun their vaccine series.

The "Close-out" was held at the Alabaster Elementary School where 88 leaders and well-wishers assembled to make reports. Coffee, doughnuts, and party favors were served while 45 persons reported a record $1000.30. Dr. Lauderdale was on hand to help count the money and receive the report.

Reports by areas were as follows:

Alabaster leaders were Mesdames Stewart, Spence, Wright, Marcus, Mahone, Rev. Adams, and Principal J. L. Hill. Amount raised $152.24.

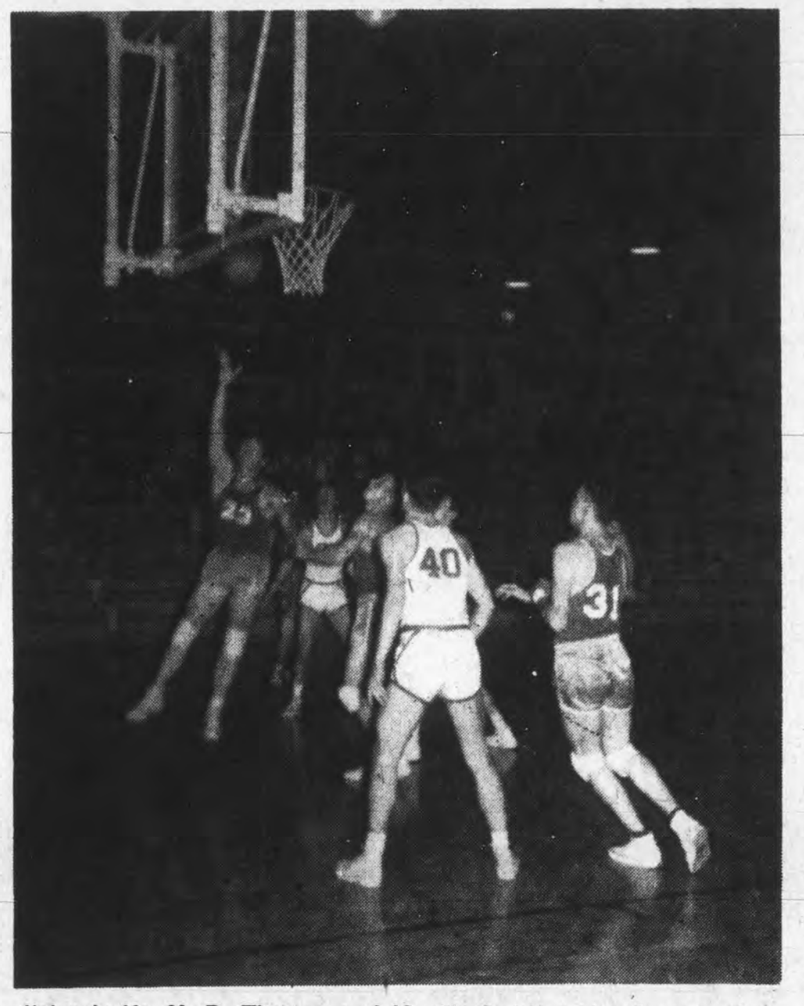

Almont leaders were Mesdames Nicks, DuLose, Walker, Mr. Fields, Rev. Massey, and Principal B. T. Knox. Amount raised $166.07.

Calera leaders were Mesdames Lacey, Henderson, Yarbrough, Russell, Rev. Mays, Mr. Foster, (veteran teacher) and Principal J. A. Cade. Amount raised $275.99.

Columbiana leaders were Mesdames Dixon, Buie, Elliott, White, Davis, Mr. and Mrs. Millender, Rev. Cook, and Principal W. E. Jones. Amount raised $143.32.

Montevallo leaders were Mesdames Gilbert, Emelly, Maeweather, Rogers, Woodard, Salter, Mr. Billingsley and Patterson, Rev. Massey and Principal L. L. Penn. Amount raised $165.91.

Vincent leaders were Mesdames Wallace, Smith, McGinnis, Kidd, Rev. Sam Kidd, Rev. P. E. Kidd, and Principal A. D. Nelson. Amount raised $95.51.

Funeral Held For Miss Ludie Phillips

Miss Ludie Phillips, age 77, a long-time employee of the Southern Bell Telephone Co. prior to her retirement several years ago, died at 2 p.m. Sunday in a Selma hospital.

Born in Calera, she was the daughter of Lafayette and Josephine Sanders Phillips.

She started her employment with Southern Bell in Calera as an operator, and transferred to Selma in 1939 when the exchange converted to dial. Miss Phillips first lived in the home of a brother, the late John Oscar Phillips, after moving to Selma, but since her retirement had resided in Valley Creek apartments. She was a member of the Methodist Church of Calera. While of a quiet nature, Miss Phillips possessed a witticism and affability which endeared her to all who knew her as a friend.

Surviving are a niece, Miss Louise Phillips; 4 nephews, Clyde, John D., Paul, and Powell Phillips of Selma; a sister, Mrs. W. J. Findley, Sr., Calera, and a large number of nieces and nephews in Calera.

Services were held Tuesday at 2 p.m. at Alabama Ave. Methodist Church, Selma. Officiating ministers were Rev. Rex Mixson and Rev. Floyd Newfeld.

Pallbearers were nephews of the deceased. Burial was in the Phillips plot in New Live Oak Cemetery in Selma, Brislin-Service in charge.

Zollie Cowart, Sr., stole the show at the Men vs. Women basketball game in Calera last Friday.

Nevis Jane Glass Celebrates Birthday

Nevis Jane Glass, daughted of Mr. and Mrs. George Glass, Jr, celebrated her 4th birthday Monday night, February 16th with a party at her home.

Games were enjoyed by the honoree and her 17 little guests, after which refreshment of cake, ice cream, and cool aid were served to the following:

Tobie and Carmen Quillian, Kathy and Roby Reynolds, Debra Farris, David Downs, Tamie Slaughter, Gail Reece, Kathy and Billy Backerby, Gail and Tim Mitchell, Dale and Shelia Glass, Nancy Davis, Walter Allen Akridge and Phyllis Hurt.

Assisting Mrs. Glass were Mr. and Mrs. Jack Martin, Mrs. Jean Quillian and Mrs. Billy Blackerby.

SPAGHETTI SUPPER AND BAKE SALE

A profit of $163 was made on the spaghetti supper and bake sale sponsored by the Montevallo PTA Saturday night, according to Mrs. Minnie L. Warnke, chairman of the finance committee.

The school cafeteria was decorated with a Valentine motif. On the dining tables were vases of red carnations and red paper hearts. Valentine napkins were used.

The many friends of Chuck Maurice will be waiting anxiously for his return to Calera in the summer. Chuck will attend school in Rochester, N.Y. this semester. Appreciate you coming by Chuck. Write us real soon.

Morning—Chevy panel hustles over causeway to St. Petersburg.

Chevy panel steps lively in Florida...runs day and night, delivers 19.3 miles per gallon!

This '59 Chevy panel is on the go, morning, noon and night; it covers as much as 587 miles a day . . . runs so constantly that its engine never cools off completely. Yet Mr. Clark Farber, the Tampa Tribune's circulation manager, reports that the truck is delivering 19.3 miles per gallon!

This year, the light-, medium- and heavy-duty trucks of the 1959 Chevrolet Task-Force fleet are out to whip *anything* that comes their way—and they've got what it takes to do it!

Take the panel pictured above, for example. Powered by the '59 Thriftmaster 6 with new economy-contoured camshaft, it's building a sensational economy record, despite the sizzling pace of its work. That's typical of the way Chevies of all sizes are turning-to on the most challenging jobs in America. The way they're made, with tough-built truck components, they make the hardest hauls look easy!

If you have a job that puts a truck on its mettle, see your Chevrolet dealer!

No job's too tough for a Chevrolet truck! CHEVROLET

Officers Destroy Whiskey Stills

Five distilling units containing 8,000 to 8,500 gallons of mash were discovered in the northwest corner of Bibb County Tuesday night when a huge whisky distillery was raided by law officers from Shelby and Bibb Counties.

Bibb County Sheriff Harold Dailey reported the arrest of a man identified as Jack Walker, Lee Junction (near Bessemer). Another man escaped the officers when he fled from the car occupied by him and Walker. The 86 gallons of illegal whisky were found in the car. Walker was charged with transporting illegal whisky and jailed at Centreville.

The distillery was located off a farm-to-market road about two miles south of Ashby and 15 miles northeast of Centreville. Tnree of the stills had been run, one was ready to run and another was running. The still was disassembled by the officers and was dynamited Wednesday.

Participating in the raid with Dailey were his deputies, Norman Meigs and Johnny C. Martin; Centreville Police Chief James Lawrence; Shelby County Deputy C. C. Thrasher, ABC agents Hugh Shaw and Hubert Kirkland.

Southern Bell Continues Expansion Of Facilities Throughout Alabama

Expansion of facilities here and throughout Alabama by Southern Bell Telephone Company continued at a vigorous rate during 1958, according to a joint year-end progress report by the firm's local and state officials.

J.L. Switzer, the utility's local manager, said that approximately 9.2 per cent more telephones were in service here at the end of the year than on Dec. 31, 1957. The increase raised the total in use in the Shelby County Exchanges at the beginning of this year to 5257.

Frank Newton, vice-president and general manager of Southern Bell's Alabama operations, reported that during the same period the number of telephones in the company's statewide system increased nearly 7.5 per cent. The addition of 15,574 telephones during the year was the third largest annual increase on record for Alabama. The total Southern Bell telephones in service in the state at the end of 1958 was 652,109, more than twice the number in use ten years ago.

To add the facilities needed to expand telephone service here and in Alabama in 1958 required the expenditure of approximately $30,000,000, he said.

The Shelby County expenditures amounted to better than $100,000.00 according to J. L. Switzer, local manager.

Highlighting the telephone company's service expansion elsewhere in Alabama was the introduction of customer long distance dialing in Decatur. Placed in service in August of this year, the new system enables one and two-party telephone users to dial distant cities in the same manner as a local call is dialed. Cost of the inovation was $250,000.

Another major project was the start on the installation of a $1,162,700 dial system for Cullman which is scheduled to be completed in mid-1959. To house the needed dial equipment to serve the city's 7,200 telephones, a new central office building has been constructed at a cost of $181,891.

Customer dialing of long distance calls is also slated to be introduced in Cullman coincident with the conversion to dial operation of the local telephone system.

Another city scheduled to get customer long distance dialing this year is Sheffield. Exact date for its inauguration cannot be set at this time.

Dial telephones were put into service in Brewton on December 7, following a year-long expansion and construction program that cost $1,059,000. Brewton, too, got a new telephone building erected at a cost of $112,500. At the time of the Brewton conversion, the new name-numeral telephone numbering plan was placed into service in Flomaton. The new plan had also been put in use in Jackson and in Brewton. At present the new type numbers are scheduled to be introduced in Cullman, Thomasville and Auburn in 1959.

Auburn will also get dial telephones during the new year. Work is now underway on a $750,000 expansion program for the college city that will include a new central office building and toll-free service between Auburn and Opelika. Cost of the new building is estimated at $61,000.

To serve one of Mobile's fastest growing areas---the western section—the utility has begun a $1,485,000 expansion program to house dial equipment. Cost of the building is estimated at $262,737.

To expand and maintain its multi-million dollar plant in Alabama and to render service to the subscribers to the more than 652,000 telephones served by Southern Bell, the company employed an average of 6,770 employees. Total estimated yearly payroll for the telephone company employees was $29,281,000.

Mr. Newton said company forecasts indicate that further economic growth throughout areas in the state served by Southern Bell will create continued need for additional telephone service. To meet the demand, the telephone company in 1959 again will spend, as it did in 1958, approximately $30,000,000 to expand services in Alabama.

ALLEN NABORS

Allen Nabors Wins Corn Contest

Allen Nabors, a second year F. F.A. member of Montevallo, is the winner in the local chapter corn growing contest for 1957-58. Allen expects to continue his fertilizing program and selection of varieties to enable him to increase yields still more in his project work. Allen was also given a special award as winner of Shelby County F.F. A. corn grower.

In addition to his home project work in vocational agriculture, Allen serves as sentinel of his group at meetings. Among other interests he has is that of playing football. He has been active in this sport since the 7th grade at Montevallo High School. Allen is the son of Mr. and Mrs. A. J. Nabors of Underwood, having moved into this area from Bessemer.

General de Shazo Joins Third Army

Headquarters Third United States Army, Fort McPherson, Ga.—Two Korean combat veterans and comrades in arms were reunited recently as Major General Thomas Edward de Shazo, a native of Bridgeton, Alabama, joined the Third Army.

General de Shazo served as the Artillery Commander for the 2nd Infantry Division in Korea in 1951; when Third Army's present commander, Lt. Gen. Clark L. Ruffner, nommanded the same division.

General de Shazo's military record dates back to World War I when he left high school in Montevallo in May, 1917, to enlist.

On being mustered out of the service in January 1919, de Shazo returned to Montevallo and high school. Graduating in June he entered Marion Institute at Marion, Alabama. In his second year there he was appointed to West Point. He was commissioned a second lieutenant of field artillery in June, 1926, and assigned to duty at Fort Sam Houston, Texas.

Shortly after the outbreak of hostilities in Korea, Gen. de Shazo became commander of the IX Corps Artillery in Korea.

During his distinguished career in the Army, Gen de Shazo has been awarded the Distinguished Service Medal, the Silver Star, the Bronze Star with two Oak Leaf clusters, the Air Medal, the Commendation Ribbon, the Legion of Merit, the French Legion of Honor, French Croix de Guerre with Silver Star, the French Croix de Guerre with Palm and the Italian Bronze Cross.

Telephone Talk

by
J. L. SWITZER
Your Telephone Manager

EVER NOTICED how often you hear the phrase—"It's as near as your phone!" Just an example of how we take the convenience and comfort of our telephones for granted. It's so easy to pick up your phone ... for almost anything you want or need without ever taking a step from the house. Comforting, too, to know that you're never really alone when your phone's nearby. It makes modern living mighty convenient and pleasant all the way around —just telephone!

* * *

SHE KNEW WHAT SHE WANTED. Not long ago a woman came into our business office with a swatch of material in her hand. She held it against the new color phones, then selected the one she liked best. Some ladies like phones that blend with their color schemes and others prefer a contrast. It's fun to pick out just the right color, because there are nine lovely shades to choose from. Why not drop into our office and see for yourself, and treat yourself to extension phones to suit *your* taste?

* * *

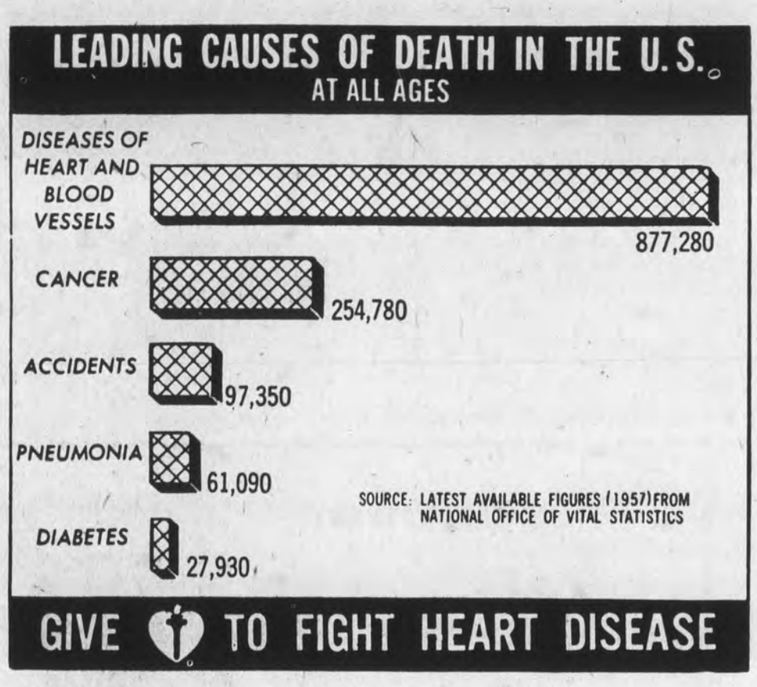

FEBRUARY was once described as "the greyest month of the year." Sometimes the lingering cold winter days seem depressing, and we feel that spring will never come.

Well, here's a suggestion for spreading a little good cheer. Just pick up your phone and make a Long Distance call to that very special person. Just the sound of your voice can brighten their day, and the cost is small for the happiness you give. Remember—it's always cheaper to call Station-to-Station—that's when you'll talk to anyone who answers at the number you're calling. You save, too, by calling after six P.M. or anytime on Sundays. Why not make someone's grey day "rosy" by Long Distance today!

Scholarships Are Offered by College

A total of $11,100 in scholarships at Alabama College is being offered to high school seniors graduating in the spring, 1959.

Dean Iva B. Gibson, Chairman of the Scholarships Committee, urged all interested students to make application for entry before the Feb. 15 deadline. Competitive examinations will be held on campus at Alabama College, Montevalo, March 12-24, 1959.

Twenty-six scholarships are available. Of these, 20 are honors scholarships, four are specifically for music, and two are physical education scholarships open to women only.

"In other scholarships, two factors are considered: ability and need," Dean Gibson said. "The outstanding feature of these grants, however, is that they are awarded according to a student's scholarship and ability. This opens competition to all students."

Of the 20 honors scholarships, four cover full fixed charges including room, board, laundry and college fees, renewable for one additional year; four cover one-half the fixed charges, also renewable for an additional year; and 12 are for $100 for one year.

These scholarships, along with the four music scholarships which are for $100 renewable for three additional years, are for men and women. The two physical education scholarships for women are valued at $250.

"Any unmarried young man or woman graduating this spring in the upper fourth of the class from an accredited high school may, with the principal's recommendation, be eligible for competition," Dean Gibson said. "For the music and physical education scholarship, they must have additional recommendations from the instructors in these fields.

In urging students to enter competition for the scholarships, the Dean pointed out that other scholarships and grants have been awarded as a result of a student's performance in these tests.

"And what does a person have to lose?" she asked. "Here is an excellent opportunity to visit the campus for three days as a guest of Alabama College. Guests live in the dormitories and eat in the dining hall with the college students and get a first-hand picture of college life."

MAJOR MILDRED C. BAILEY

WAC Officer To Visit Montevallo Next Friday

Major Mildred C. Bailey, WAC Procurement Officer from the Third U.S. Army Recruiting District Headquarters, Fort McPherson, Ga., will be in Montevallo, Friday, March 6.

Major Bailey is coming to Montevallo to discuss the College Junior Program as well as other programs available to young women for appointment as commissioned officers in the Womens Army Corps. While in Montevallo she may be contacted through the office of the Dean of Students at Alabama College.

Young women in the Montevallo area who may be interested in becoming commissioned officers in the Womens Army Corps are urged to contact Major Bailey while she is at Alabama College,

Jesus said unto him, if thou canst believe, all things are possible to him that believeth. —(St. Mark 9:23.)

Those who are steadfast and firm in their faith—who constantly renew and re-assert their faith in the moments of weakness we all have – go through life strong, happy, useful, self respecting; confident in the truth of Jesus' words.

"Cosmetics are a woman's way of keeping a man from reading between the lines."

Liberty National Increases Capital; Names Joseph L. Lanier Director

Stockholders of Liberty National Life Insurance Company voted at their annual meeting to increase the company's capital from $6 million to $7½ million. President Frank P. Samford said that this move would further strengthen the company's capital structure. The additional $1½ million will be transferred to capital from the company's surplus and will be represented by 750,000 shares of new stock. The new stock will be distributed to Stockholders on April 17, 1959, on the basis of one additional share for each four shares held. The directors declared a dividend of 34 cents a share on the company's stock payable March 10th to stockholders of record February 27th.

In other action the stockholders elected Joseph L. Lanier of West Point, Ga., to the company's Board of Directors. Mr. Lanier is president of West Point Manufacturing Company, and a director of numerous other corporations including First National Bank of Atlanta, First National Bank of West Point, and Continental Gin Company. The other directors were all re-elected. They are Leo E. Bashinsky, Ehney A. Camp, Jr., Charles T. Clayton, Jack D. McSpadden, Arthur M. Mead, Frank P. Samford, Frank P. Samford, Jr., Yetta G. Samford, F. Page Seibert, and Frank E. Spain.

Mr. Samford's report to stockholders pointed out the company's continued growth during 1958. Insurance in force increased over $150 million to a new high of approximately $1½ billion. Assets increased a record of $26½ million to over $262 million. More than half of this total was invested in residential mortgage loans insured or guaranteed by agencies of the federal government.

The company continued to expand its operations, Mr. Samford said, increasing its field organization throughout the company's territory and establishing new district offices at Fairhope, Ala., and at Crestview and Fort Pierce, Fla.

MRS. WILSON HONORED

Mrs. Huey Wilson, Worthy Matron of the Tom McKibbon Order of Eastern Star, was honored with a surprise birthday party Tuesday night, Feb. 17, after the regular business meeting.

A beautifully decorated birthday cake, cookies, cup cakes and coffee were enjoyed by Mrs. Wilson and the members.

Clyde Clifton Gives a Charming Story of this Wonderful Spot so Rich in Memories of the Past

(FROM THE BIRMINGHAM SUNDAY CHRONICLE, DEC. 19, 1886)

An unusually interesting account of life in Montevallo in 1886 has been brought to the attention of the Times-Herald by David Ward, formerly of Montevallo, and now a college professor in Georgia. Mr. Ward, while doing research at the Department of Archives and History in Montgomery, discovered a copy of an article published in the Birmingham Sunday Chronicle on December 19, 1886, about Montevallo. We believe that many people will enjoy reading this article. Due to its length, it will be printed in a series of four weeks. The original author is listed as Clyde Clifton. Mr. Ward has tried to locate information regarding this Clyde Clifton, but so far has been unable to find anything. He requests that any information about Mr. Clifton be sent to him at 212 South Mulberry, Statesboro, Ga.

PART 2

After leaving Altara and passing along the road through the estate lands of the late Capt. Frank King, your scribe came to an old house that is always pointed out as one being the summer home of Alabama's grandest statesman, that great and lovable man, Senator John T. Morgan. Shelby loves him and always votes for him, and feels a particular claim upon him, as he once lived here. To 'such vile uses we come,' the home that once had this distinguished statesman and family as inmates; and it was an ideal summer place, amid the shade trees, and the merry crystal brook of the poets gurgling over its pebbly bottom and its banks moss and fern-fringed, right in front of the door, but it is now a—barn! "Caesar dead and turned to clay may stop a crack to keep the wind away.' This house passed into the hands of the nabob of Montevallo, Mr. C. C. Vandegrift, the banker merchant, and no doubt utility and pay demanded its conversion into a barn.

Just a few yards on beside the barn, embowered in myrtle, honeysuckle and Baltimore belle roses, is the cottage built by the only man that Shelby has given to the state as governor, plain Rufe Cobb. Gov. Cobb lived here many years, and Shelby still has him as one of her most honored and useful citizens. The Cobb cottage and farm is now owned by Mr. Vandegrift.

On the opposite side of the road, is also an historic cottage half hid from view by climbing jessamine and honey suckle. It was here that young Burwell Lewis brought his briliant bride whose maiden name was that completest floral one Rose Garland, here they spent their happy honeymoon, romantic 'love in a cottage' amid the roses. As lawyer, legislator, congressman and president of his own Alma Mater, the State University, Shelby was very proud of this favorite son of hers and now dead in his prime, she mourns him.

Turning back into Montevallo there is scarcely a house that has not sent into the world at least one man who has made his mark, and it would take one as patient as Mary Gordon Duffie to write their biographies and it would take a volume, not a letter, to contain them.

Standing unoccupied and just ready to topple into ruins, reminding one of the 'Last of the Mohicans,' is the Watrous house, home of Daniel Watrous, who for twenty-five years led the bar of Shelby and sixteen years represented Shelby and Jefferson in the state senate and so popular was he that his party in '45 put him in the field for congress against that renowned orator and brilliant politician, Wm L. Yancey. Though the Watrous house is in ruins, not so the old land that adjoins it. Last year Mr. H. C. Reynolds, a citizen of Montevallo of remarkable energy and enterprise, bought the three acres belonging to the Watrous heirs, and being a convert to the intensive system taught by Freeman, he put it in proper cultivation, used fertilizer, and this fall it has yielded him two bales of cotton to the acre. This land adjoins the famous guinea grass bottoms belonging to the heirs of Capt. Frank King. Wonder tales are told of the remarkable yield of hay to the acre of these lands when in proper cultivation. A geographian in putting down the staple products of Montevallo, a few years ago, would have said, pretty girls and guinea grass. It has now added to the list, cotton, pears—and perhaps in the future may be added—pecans!

About nine years ago some of the Powell lands, a gullied red waste of hillsides, was purchased by Capt. H. C. Reynolds. This year fifteen acres of that same land once called "worn-out" yielded sixteen bales of cotton—more than a bale to the acre. Can there be a stronger proof of the wonderful recuperative powers of red clay sub-soil? Mr. Reynolds has a rival orchard to that of the celebrated Calera pear man, Adams. It is a goodly sight, 800 beautiful pear trees, the orchard on the left bank of that picturesque stream, Shoal Creek, and his fruit will yield Capt. Reynolds a richer return than ever [sic, even] his cotton, under the intensive system of farming. On the opposite side of the road going to the depot, from his pear orchard, Mr. Reynolds intends planting a large grove of pecan trees, it having been demonstrated that pecans thrive and mature its fruit, a favorite nut in this latitude. Your scribe has gathered ripe wild filberts growing near "Hollybrook"—the Davis place—three miles from Montevallo. I have cited the example of Mr. Reynolds to prove how much "life there is in the land yet." Across the street in front of the pretty home of Col. E. G. Walker, one of the village potentates, was pointed out to your scribe as the site of the residence in which was born one of she [sic, the] Magic City's most eminent citizens, Judge Porter. Not a stick or stone marks the spot, but it is in cultivation in the Reynolds field.

The last newspaper that Montevallo had, The Guide, was edited by Mr. D. B. Grace, an attractive and forcible writer, now successful manager of the Evening Chronicle. "And another young man who stands so high in business and society," continued my guide, "in Birmingham used to live here, Clyde J. McCary." One of the favorite families of the town, the Lymans, so much loved and honored here, have given to Birmingham a son, young Mr. Henry Lyman. Wherever there is Lyman blood there you will find true manhood and true womanhood, and there is never an exception to this rule.

(To be continued next week)

CHAMBER OF COMMERCE

Don H. Lovelady, Montevallo Chamber of Commerce president, is urging all eligible individuals and firms to join in the 1959 membership campaign now going on.

Mr. Lovelady points out that with the many projects now under way and being developed that it will be extremely advantageous to have a large and interested membership. Please send dues of $5.00 to $25.00 to Fred Frost, Sr., treasurer, at once.

NOTICE

On February 10, 1959, the Democratic Executive Committee of Shelby County, Alabama, adopted the following Resolution, namely:

BE IT RESOLVED by the Democratic Executive Committee of Shelby County, Alabama, as follows:

1. That a Special Democratic Primary Election be and the same is hereby called to be held in and for said county on April 28, 1959, for the purpose of nominating a candidate for the office of Alabama State House of Representatives.

2. That in the event a run-off is necessary that it shall be held on the 26th day of May, 1959.

3. Said primary elections shall be held under and in accordance with the primary laws of the State of Alabama.

4. That the date for candidates to qualify for said office shall be until midnight, March 1, 1959.

NOW THEREFORE in conformity to said Resolution, I, as Chairman of the Democratic Executive Committee of Shelby County, Alabama, do hereby call a Special Democratic Primary Election to be held in and for said County on Tuesday, April 28, 1959, with a run-off primary to be held on Tuesday, May 26, 1959, if a run-off is necessary. Said primary elections shall be held under and in accordance with the Primary Laws of the State of Alabama, for the purpose of selecting a Democratic nominee from Shelby County as member of the Alabama State House of Representatives, which place is now vacant or unfilled.

This the 10th day of February, 1959.

HANDY ELLIS,
Chairman, Shelby County Democratic Executive Committee.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Last week I was named Chairman of the Inter-American Subcommittee of the House Committee on Foreign Affairs. The appointment was announced by Rep. Thomas Morgan (D-Pa.), chairman of the full Committee.

This is my first subcommittee chairmanship, and I am very pleased to have the opportunity to head a group concerned with matters affecting the countries of Latin American, an area of vital economic and military importance to the United States.

Area Important

Latin America is part of the vital inter-American defense system. Many of its members guard the approaches to the strategic Panama Canal and the Caribbean Sea. Also, the United States depends on the American Republics for many of its raw materials and metals. They in turn depend upon us to supply them with products necessary to their economies

Trade relations between the United States and the countries of Latin America have long been mutually satisfactory. Virtually every dollar the United States spends in that area for strategic raw materials and consumer goods is returned to the United States through the purchase of products essential to the economy of the various Latin American countries. At the present time the United States sells 25% of its total exports to Latin America.

Population Increases

The population of Latin America at the present time exceeds the combined population of the United States and Canada, and it is increasing at twice the world average.

As this area continues to grow in size and prestige, it becomes increasingly important for our country to work closely and harmoniously with our neighbors to the South.

Insurance Bill

The only major legislation considered in the House of Representatives last week was a bill that provides for revising and increasing the federal tax on life insurance companies. Although several objections were raised against the measure, it was passed by a voice vote.

As approved by the House, the bill institutes a permanent formula for taxing life insurance companies. Although the formula raises the current tax rate by about 70 per cent, proponents of the legislation emphasized that its purpose is to spread the tax more equitably through the life insurance industry.

The new method of computing tax on the insurance companies is expected to bring in an additional $500 million for the gorvenment this year. The bill must still be considered in the Senate, however.

Visitors

A delegation of Alabama mayors visited Washington last week and presented their legislative recommendations to the Alabama Congressional Delegation. Representing the Sixth District were Mayors George Van Tassel of Tuscaloosa, J. Hollis Jackson of Clanton, and T. Ralston Long of Uniontown.

Friends Honor Mrs. Durden

On Friday, February 13, in the Camp Branch School auditorium, honor and tribute were paid to Mrs. Nannie Dee Durden. Former pupils, fellow teachers, family and friends filled the auditorium to do honor to "Miss" Nannie Dee, as she is affectionately called. This came as a surprise to her.

J. E. Redfield, acting as master of ceremonies, very cleverly gave the highlights of Mrs. Durden's teaching career by sketching drawings on an easel.

Mrs. Herbert Fulton had the honor of pinning the corsage on "Miss Nannie Dee", she being the only pupil present of the first grade of 1921, Mrs. Durden's first year in Shelby County.

Mrs. Durden was presented with a beautiful silver service as a token of love and appreciation from her many friends and loved ones. The presentation was made by the P.T.A. president, Mrs. Dean Edmondson.

After the program, a reception was held in a classroom which had been decorated for the occasion. Coffee, punch and cake were served to a large number of guests.

Mrs. Durden has given more than 35 years of service to Shelby County and this community. Her influence is felt far and near. May she continue to serve for many more years as she has so faithfully done in the past.

Card of Thanks

We wish to thank our many friends and neighbors for the kind words and expressions of sympathy during the sickness and death of our mother.

Also we wish to thank each and everyone for the food and beautiful flowers that were sent.—The family of Mrs. J. C. Wooley.

Students Dedicate 1959 College Night To Mrs. Willilee R. Trumbauer

Mrs. Willilee R. Trumbauer, daughter of Mrs. William T. Reeves and the late Mr. Reeves, of Centerville, was honored last week when the students at Alabama College dedicated College Night to her. Mrs. Trumbauer, who is at present Assistant Professor of Speech at Alabama College, is the wife of Dr. Walter H. Trumbauer, recently retired Director of the Alabama College Theatre.

Mrs. Trumbauer was born in Centerville, the daughter of a farmer and tax collector, where she attended Bibb County High School. She received the A.B. degree from Alabama College in 1925, being the first person to receive a degree in Speech from Alabama College. She served as Assistant in Speech during her senior year.

Her A.M. degree was earned at Vanderbilt University and she did additional graduate work at Columbia and Northwestern. She has also studied the theatre in foreign countries.

In addition to serving as instructor, and Assistant Professor in English at Alabama College, specializing in Dramatic Literature and Literature for Children, she has sponsored and directed the Peter Pan Club, a dramatics club for small children, and made weekly radio reviews of books for children over radio station WAPI for five years.

Mrs. Trumbauer is author of several plays for children and pageants for May Day and church. She was author and director of the 40th Anniversary Pageant at Alabama College and co-director of the 50th Anniversity Pageant of Alabama College. As Assistant Professor of Speech, she specializes in Creative Dramatics. She is assistant director of the College Theatre, concentrating on costuming, make-up and properties.

Dr. and Mrs. Trumbauer reside in their lovely brick home on Highland Avenue in Montevallo. They are the parents of one daughter, Mrs. Edward T. Peter, of Minneapolis, Minn.

Mrs. W. E. Henson and Norma returned Tuesday from Zeigler, Ill., where they attended the funeral of her nephew Veckie Watson.

John Fesperman Organ Concert

Mr. John Fesperman, Associate Professor of Music at Alabama College, was presented in an organ concert at the Davidson College Chapel, Davidson, N.C., Feb. 17.

Fesperman is a graduate of Davidson and the Yale School of Music. He was also a member of the faculty of Davidson College. He has had extensive study in Europe and has presented concerts on the organ and harpsicord in the Netherlands and Germany as well as the United States.

BIRTHDAY PARTY

Carol Brown, daughter of Mr. and Mrs. Wyman Brown, was entertained Saturday, February 21, 1959 at 2:00 p.m. with a birthday party at the Girl Scout house. Carol was six years old.

Guests were Jimmy and Charlie Brown, brothers, Rita Bearden, Jane Chesnutt, Debbie Cunningham, Susan Edfeldt, Jeffrey Gray, Dean Huntley, Ricky Harris, Nora Hubbard, Frank Lightfoot, Judy Lein, Cathy Sims, Janice Tinsley, David Seaman, Patricia Wyatt, Nancy Barclay, Pam Brown, Beverly Grant, Stevie Glover, Bill Harper, Sally Sears, Jan Plant, Dennis Sims.

PONTIAC NAMED CAR · OF · THE · YEAR

"Pontiac with wide-track wheels is the best combination of ride... handling...performance and styling of any '59 car" —*The Editors of Motor Trend Magazine*

In making its annual automotive award, the staff of Motor Trend Magazine, leading automotive publication, tests and evaluates all new cars. Here are quotations from the April 1959 issue:

"The stability of the 1959 Pontiac is the outstanding automotive advance of the year. Everyone considering a new car should experience it."

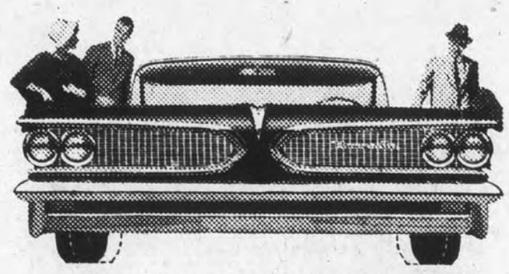

"It's the best balanced passenger car in America. We firmly believe that in moving the wheels farther apart, to develop the widest stance of any American car, Pontiac has created an entirely new sense of balance and handling security."

"Pontiac's lines are clean, simple and beautiful. It has a fleet look, a trim appearance. The wide wheel design contributes greatly to its over-all integrated styling. Any comparison with narrower track cars readily shows the difference."

"For the economy-minded, an efficient new engine. The new 420E Tempest economy engine offers remarkable performance along with exceptionally high mileage while operating on regular grade gasoline."

"Pontiac is again tops in performance, based on our extensive road testing. Acceleration is outstanding, yet the engine is unusually quiet and smooth."

Your nearest Pontiac dealer will be glad to let you road-test this award-winning automobile on your own. You'll see why it's the year's most talked-about car!

THE ONLY CAR WITH *WIDE-TRACK* WHEELS

Wheels are five inches farther apart. This widens only the stance, not the car. Pontiac takes a better grip on the road, hugs tighter on curves and corners. Sway and lean disappear, ride is smoother, balanced, steadier. Handling is easier. You drive with a new confidence, a comforting security. *Pontiac gives you roadability no "narrow gauge" car can offer.*

Marion P. Jones Seeks County Legislative Post

Marion P. Jones of Calera last Wednesday became the third man to enter the race for Shelby County's vacant legislative seat. Deadline for qualifying for the special Democratic primary is March 1. Jones is station manager of WYBE, and is secretary-treasurer of the Shelby County Advertising corporation.

A native of Bibb County, Jones moved to Calera in 1931. He is the son of the late Marion E. Jones of Calera. His grandfather, the late W. P. (Bull) Eason, was widely known in this area.

MARION P. JONES

Jones was graduated from Montevallo High School in 1940. He received his electrical engineering degree from Indiana Technical College. He served with the Navy in the Pacific Theatre of operations in World War II, and in the Korean campaign. Before coming to Calera as manager of WYBE, he was a television engineer at a Birmingham Television station.

Jones was chairman of the Shelby County Inaugural committee for the recent Gubernatorial Inauguration. He is a Mason, a member of the Calera Civitan Club, and a member of the district board of directors of the Boy Scouts of America.

Other candidates who have entered the race are William E. Morris, of Shelby, and John Lewis Cates of Columbiana. The First Primary will be April 28. The election is being held to nominate a candidate of the Democratic Party to fill the vacancy left when C. P. Walker resigned to become sheriff of the county.

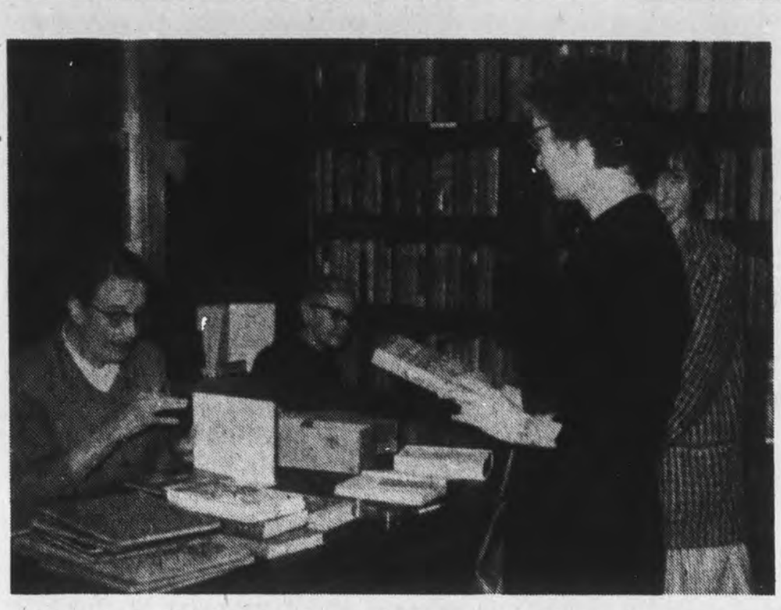

City To Continue Support of Present Recreation Setup

Such financial support as the City of Montevallo may be able to give to public recreation will continue, in the foreseeable future, to be made to and through the Montevallo Recreation Board and its program of activity. This is the unanimous expression of the City Council, made at its regular meeting last week. This decision of the Council was made and authorized as a public statement after a detailed discussion of all phases of the Recreation Board's program, including swimming.

Therefore, it is made clear that the City Council, for reasons which it believes valid, is not ready to consider putting the City into the public swimming pool business. To do so would require such a financial obligation as would necessitate the use of all (and more) of the available funds for public recreation for several years, thus making it necessary for the City to restrict its financial support of public recreation to swimming alone.

It is the belief of the City Council that its best and most effective contribution to public recreation can be made by continuing its support of the established, diversified program of the Recreation Board, with the swimming part of the program kept at the creek and developed and improved as much as is possible.

Toward the improvement of the swimming part of the present recreation program, the Council authorized the immediate construction of additional facilities at the Negro recreation park on the creek near the waterworks plant.

Mrs. J. S. Ward, left, shown checking out books at the Montevallo City Library. Others pictured, left to right, are Mrs. M. M. Cooper, Miss Cora Albright, and Kathy Wooley. The Library is having Open House Friday night in celebration of its first birthday.

Library Plans Anniversary

The Montevallo City Library will celebrate its first anniversary Friday, March 6, with open house, from 7:30 to 9:00 p.m. The library is located in the City Hall.

Growing from efforts of interested citizens, coupled with the City Council and the Regional Library Board, the one-year-old library now provides the community of Montevallo with an open door to knowledge and a fuller life for everyone, all for the mere taking of a good book of your choice and the pleasure of reading it.

Mrs. J. S. Ward, librarian, reports the following circulation figures from May 1, 1958; to March 3, 1959: Adult non-fiction 265; adult fiction 904; junior children non-fiction 440; and junior fiction 1997.

The non-fiction books include biographies.

In addition to the books provided by the Regional Library Board, a number of books have been contributed to the library. Mrs. Ward states that additional shelving is needed to display the books now on hand.

The Montevallo City Library Board, composed of Miss Lucille Griffith, Mrs. R. E. Ballentine, Mrs. Albert Scott, Mrs. M. L. Orr Jr., Miss Ethel Harris, Mrs. J. S. Ward, Miss Josephine Eddy, Mrs. Felix Lewis and Mrs. C. O. Nordan, is very gratified with the acceptance and use of the library. The city can be proud that it has obtained the services of a well-trained and qualified librarian. Mrs. Ward, who recently retired from her teaching duties with the Alabama College English department, is capable and willing to assist the many users of the library.

The open house comes at a time when the entire nation is being prepared for National Library Week the week of April 12-18.

A cordial invitation is extended to everyone to visit the library on Friday evening.

Seniors To Present Comedy -- Tonight!

When the curtain rises tonight (March 5) at 8:00, in Palmer Hall, Louisa Mae Alcott's Novel, "Little Women," will come to life. The audience will be swept back to Civil War days. Amid costumes and furniture of that period the cast of this four-act comedy will tell their story. Comedy, tragedy, and love set to music—Little Women has them all.

Tommie Mowery plays the part of Jo March. Her sisters are Meg (Mildred Jones) a very dignified girl; quiet, shy Beth (Minavee Southern) and pretty Amy (Ronda Albright). Gibbes Scott and Lee Salter team up as Mother and Father March, and Edith Edfeldt is the housekeeper, Hannah Mullet.

James Davis plays the part of the weedlesome, rejected lover, Laurie Laurence. Laurie's tutor, John Brooke is played by Murphy McGehee. John is a quiet, home-loving man, who succeeds in winning the heart of one of the girls.

Tyrannical old Aunt March (Gene Givhan) is the rich March relative. Jimmy Seagle is cast as Laurie's Grandpa, Mr. Laurence, a kind considerate gentleman of the old school.

Dear old Professor Bhaer (Ralph Moriss) falls in love with the only person that Laurie has ever loved, and the result is to be seen.

The Senior Play is under the direction of Miss Vinnie Lee Walker. She is assisted by two college students — Misses Mary Ellen Grant and Jo Anne Mynard.

Judy Robinson is Stage Manager and Book-holder.

Others who have helped with the production are Mrs. Carl Edfeldt (Staging-Makeup), Mrs. Martha McVean (Advertising Costumes), Miss Susie DeMent (Tickets-Programs), and Mrs. Sara Cairns (Costumes-Makeup).

Admission prices are 40c students, and 60c adults.

Characters from "Little Women" to be presented by the Montevallo Senior Class are, left to right, Minavee Southern, Rhonda Albright, Gibbie Scott, Mildred Jones and Tommie Ruth Mowery.

CHICKEN SUPPER

The Calera Methodist Choir will sponsor a chicken supper Friday night, March 6, from 5:30 till 7:30 at the City Hall. Plates are $1.00 for adults and 50c for children. Tickets may be purchased from choir members or at the door.

County Officials Plan New Road

A group of interested citizens and county officials of Shelby and Bibb counties met at the City Hall in Montevallo Monday afternoon in the interest of a proposed state road to make a direct route from the Bibb county coal fields around West Blocton to the Southern Electric Generating Company's steam plant in Wilsonville.

The group was headed by Judge G. H. Stacey, of Centreville, and Judge C. M. Fowler, of Columbiana.

Arrangements were made in the Monday afternoon meeting for the appearance of the group before State Highway Director Sam Engelhardt Thursday to solicit State Highway Department interest in the proposed road.

The route of the road under consideration starts at West Blocton and runs through Marvel, Boothton, Dogwood, Moore's Cross Roads and Dargin to Columbiana. The majority of the proposed road is already paved with the exception of a short distance from Marvel to Boothton and part of the distance from Dargin to Columbiana.

University Alumni To Organize

Alumni and friends of the University of Alabama will meet, eat and organize Monday night, March 9, at 7:30. The meeting is to be at the Shelby County High School lunch room. Price per plate is $1.50.

Dr. Frank A. Rose, University President, is to be the guest of honor and will speak on this occasion.

The Alumni, their husbands and wives, and the friends of the University who wish to attend this banquet should make reservations with one of the following: Ed Ewing, Montevallo; Bob Broadhead, Alabaster; C. M. Fowler, Columbiana; J. W. Donahoo, Harpersville; and James H. Sharbutt, Vincent.

The town officials of Alabaster wish to express their appreciation to the people for their fine cooperation and consideration in helping to relieve the congested area and the hazards brought on by double parking on Main Street.

It is hoped that within the near future plans will be made to provide additional parking space for our customers and visitors.

Funeral Held For R. E. Bowdon, Sr.

Funeral services for Mr. Robert Elbert Bowdon, Sr., were held on Friday of last week at the Calera Methodist Church.

Mr. Bowdon was born Sept. 11, 1874, and passed away in a Birmingham hospital Thursday, Feb. 26, 1959.

He was a Mason, member of the First Methodist Church of Calera, and a loyal and delightful friend to everyone.

"Uncle Bob," as he was fondly known, will be missed in the daily activities of Calera. His personality and good deeds as a citizen were known and appreciated by everyone. You could rest assured that, no matter where you met him, stranger or friend, you would receive a warm greeting. He had that rare human virtue of making the passing years add to his personal attractiveness and spiritual beauty. He took great and justifiable pride in his personal appearance. His friends and admirers will always remember the rose he wore daily in his lapel.

Funeral services were conducted by Rev. Gerry Hearin Jr., and burial was in Salem Cemetery.

Surviving are the widow, Mrs. Ettye Holcombe Bowdon; 2 sons, R. E. Jr., of Calera, and Samuel F., of Birmingham; 2 daughters, Mrs. James E. Gunn of Oklahoma City, and Mrs. William A. Cone of St. Petersburg, Florida; 8 grandchildren; 3 great-grandchildren; 1 sister, Mrs. Loulah Lanham of Birmingham; several nieces and nephews.

His nephews were pallbearers at his funeral.

Siluria Students Get Experience In Business

Mrs. Dyer, the Business Education teacher of Thompson School reports that she has made the Office Practice Assignments for Appretice work in Alabaster and Siluria.

These students leave school each afternoon at two o'clock to report to their assigned places and work until around 4:30.

They were a little nervous when they left last Tuesday for their interviews, but when they returned to school Wednesday they were well pleased with the assignment. They were ready to report to work on Monday of this week.

Jane Mooney will be working at the Mill doing filing, typing, and taking dictation.

Tommy Wells is working with Mr. W. Gray Jones, Office manager of Alabaster Lime Company Inc., doing bookkeeping.

Sue Baldwin and Peggy Jones are helping with the duties at Red's Real Estate and Insurance Office.

Wanda Rutherford will be busy taking dictation and transcribing letters for Mr. Hines at Hines Real Estate & Insurance Office.

Judith Nixon will be working with Rodney H. Rupert, the Laboratory and X-Ray Director at the Siluria Clinic.

Rebecca Pennington is learning to figure sales tax with Mrs. Humphrey for the Humphrey Grocery Store.

We find that business offices offer the best laboratory for training our business students. They get actual job experience, develop additional skills and at the same time improve personalities.

Mrs. W. H. Hatcher had as her Sunday guests Mr. and Mrs. Raymond Johnson of Leeds, Mrs. Mamie Hogles of Six Mile, Mrs. Ruby Hatcher and children of Ensley Highlands.

FOR SALE—60 acres, 8-acre lake, 4 boats, ready now. Six-room home, all conveniences, pasture planted. $15,900.00. Phone NOrth 8-2201. Owner being transferred.

Muster day at the Calera National Guard Armory. The operation of a 50 cal. machine gun is explained to Mr. Wheeler and Mr. Glass by SFC Jones and SP3 Hughes.

National Guard Unit Holds Open House

"The people of this great land of ours can sleep well, for the Guard is awake."

With this slogan as part of the nationwide observance of Washington's birthday, the 657th Transportation Company (Light Truck) of the Alabama National Guard in Calera held open house Feb. 22 at the armory in Calera.

The open house was from 2 until 4 p.m. The unit is under the command of 1st Lt. Charles Knowles of Montevallo.

A large number of people attended the open house to see for themselves the work being accomplished by the local unit of the Alabama National Guard.

For the second straight year, NBC Radio Monitor honored the National Guard Muster Day with a series of feature broadcasts during the week end of Washington's birthday.

The theme of this year's Muster Day was "The Missile-Age Minutemen."

Muster Day is held annually to help inform the people of the great need for the national guard, and the important role the Alabama National Guard has in our nation's defense structure.

Young men interested in learning more about the Alabama National Guard and opportunities afforded in Shelby County may contact Master Sergeant Quillen at the National Guard Armory in Calera, or telephone NOrth 8-8431 for information.

A. C. Alumni Plan Breakfast Meeting

Alabama College alumni will gather in Birmingham on Friday, March 13 at 8 a.m. for a breakfast meeting at the Tutwiler Hotel.

The breakfast is an annual affair held in conjunction with A.E.A. activities. Mrs. Alvin B. Foshee of Clanton, vice president of the Alabama College Alumni Association, will preside at the meeting.

The main speaker will be Miss Frances Rush of Bessemer.

Reservations for the breakfast may be made through the alumni office at Alabama College.

368 ALABAMIANS TO GET MARCH SERVICE SUMMONS

State Director Walter M. Thompson, Jr., said today that 368 Alabama men will be called for induction during March to fill a Selective Service quota of 142.

In February 181 Alabamians were taken into the army to help meet the national quota of 9,000 men. The March national quota is 8,000.

Alabama's call includes volunteers, delinquents, and registrants in Class 1-A, 1-A-O who are 22 years of age or older, without children.

Shelby County's call will be for one.

Dr. H. L. Cook of Canyon, Texas, Mr. and Mrs. Haywood Grimes and Robert of Elba and Mr. and Mrs. J. R. Collins of Clanton were week end guests of Mr. J. B. Cook, Mildred and Mrs. Len Cook. Mrs. Cook was taken to the Clanton Rest Home Sunday afternoon to recuperate from a broken hip.

UNIQUE STUDY CLUB

The Unique Study Club of Calera held its March meeting at the home of Mrs. M. L. Smith, with Mrs. L. E. Gilreath as co-hostess.

The speaker was Dr. Anne Eastman from Alabama College, who spoke on International Relations. This was an interesting talk, and some discussion followed.

The guest was Miss Blair Mabry.

New officers elected were Mrs. Dean Holcombe, president; Mrs. R. J. Mabry, vice president; Mrs. Wallace Reese, secretary; Mrs. C. O. Bailey, treasurer.

Hog Producers To Hold Meeting

Hog producers of Shelby County are invited to meet with the Extension Workers at 9:30 a.m. March 10th. The meeting will be in the Auditorium of new annex to the Courthouse in Columbiana.

Mr. G. B. Phillips, Swine Specialist, Alabama Extension Service will be here to conduct the school. Mr. Phillips has visited several foreign countries during the last three years and will have interesting information on many phases of hog production.

Many farmers are going into the Parlor-type feeding lot and many are running into problems of management. Mr. Phillips will have answers to many of these difficulties.

Pasture & Feed Production Tour

W. H. Gregory, Beef Cattle Specialist of Auburn will be with us for a Tour to study pasture and feed production. We hope all beef and dairy producers will join us for this tour which will end by noon Thursday, March 12th.

The tour will begin 9:30 a.m. Lawlers Machine Shop, Montevallo Highway, then visit the farm of Bill Lawler, Jr., Mack Miles, W. J. Bailey and R. W. Kent.

We will see some good grazing, cattle, 4-H fat calves and have a discussion of the feed production program by Mr. Gregory.

CALERA PERSONALS

Drama Festival To Be Held Friday

Students from eight junior and senior schools in Alabama will travel to Montevallo for the eighteenth annual Drama Festival at Alabama College March 6.

Schools attending the 1959 festival are Bessemer Junior and Senior High, Banks and Ensley of Birmingham, Geneva, Phillips High of Bear Creek, Central of Phenix City, Thomas W. Martin of Gorgas, and Capital Heights, Montgomery.

The festival began in 1942 under the sponsorship of the Alabama College Department of Speech and the College Theatre. It has run continuously since that time.

The festival was re-named the Walter H. Trumbauer Drama Festival in 1957 in recognition of Dr. Trumbauer's service and devotion to the program. Dr. Trumbauer retired in 1957 after 31 years at Alabama College, 28 years as Director of College Theatre.

This year's festival is under the direction of Dr. Andrew J. Kochman, Associate professor of Speech and College Theatre Director.

Conservation Club To Meet Tuesday

In announcing the regular monthly meeting of the West Shelby Conservation Club, Ed Davisston, chairman, states that an interesting program has been planned for Tuesday night, March 10, at the vocational agriculture building in Montevallo at 7:30.

Dick Webb, noted conservationist and speaker from Jefferson County, will be guest speaker. Dr. McMillan, vice president, also states that National Wildlife Week has been announced and that he has literature to distribute along the lines of Conservation in Education, which is the theme for this year. An agreement has been made by the Alabama Wildlife Unit to affiliate the West Shelby unit.

It is the hope that through organized effort much good can be done in sound conservation practices and that the game and hunting situation in the area can be much improved for all sportsmen.

Frank Haynes, information specialist of the State Department of Conservation, Montgomery, was guest speaker at the last regular meeting in February. Mr. Haynes complimented the group on what has been done up to now and his opinion is that the West Shelby Unit is on the way toward having a real active conservation program. Mr. Haynes also pointed out that the State Department of Conservation was willing and ready to help in the educational phase of this fine program.

Jess Henson of Wilton is the secretary and those interested in joining the unit might contact him.

Farmers of Alabama . . .
PLAN YOUR PLANTING!
and include the FARMERS' MARKET on BIRMINGHAM FOOD TERMINAL in your planning.

Agricultural leaders throughout Alabama are working to encourage the development of vegetable and fruit production as a way of increasing farm incomes in the state.

Much research on crop types and market demands has been done and is still going on. County agents and community farm leaders are informed. Learn from them how you can profit by growing for the fresh fruit and vegetable consumers in Alabama and the nation.

The FARMERS' MARKET and BIRMINGHAM FOOD TERMINAL have helped make such planning possible. It is a fine place for the farmer to sell what he grows when he grows what the public wants. And you can learn what the public wants from the people who have done this research for you.

Plan now for profits from your planting this year. Learn how you can add to your farm income.

Southern Railway is proud of its part in building the BIRMINGHAM FOOD TERMINAL and its FARMERS' MARKET where the farmers of Alabama have a point of sale for their fresh fruits and vegetables. This is a major asset on which the agricultural future of the state can rely.

Clyde Clifton Gives a Charming Story of this Wonderful Spot so Rich in Memories of the Past

(FROM THE BIRMINGHAM SUNDAY CHRONICLE, DEC. 19, 1886)

An unusually interesting account of life in Montevallo in 1886 has been brought to the attention of the Times-Herald by David Ward, formerly of Montevallo, and now a college professor in Georgia. Mr. Ward, while doing research at the Department of Archives and History in Montgomery, discovered a copy of an article published in the Birmingham Sunday Chronicle on December 19, 1886, about Montevallo. We believe that many people will enjoy reading this article. Due to its length, it will be printed in a series of four weeks. The original author is listed as Clyde Clifton. Mr. Ward has tried to locate information regarding this Clyde Clifton, but so far has been unable to find anything. He requests that any information about Mr. Clifton be sent to him at 212 South Mulberry, Statesboro, Ga.

PART 3

Mr. Charles Rowley is another clever son that Montevallo has entrusted to the Magic City to build up in a business way. A fair sample of the youths that the Montevallo high school trains now under Prof. Howard Griggs, is young Walter Cleveland, in Copeland and Stone's book store. A wiser, brighter young gentleman will not be found the world over. Walter is the older son of Rev. Dr. Cleveland, pastor of the Southside Baptist Church. This eminent divine has accepted a call to the Baptist Church of Montevallo, one of the most pros[p]erous and beautiful churches in the state. The artistic interior of this sacred edifice would do credit to a city church. Dr. Cleveland will reside at Kingswood, the King homestead belonging to the widow and children of Capt. Frank King.

In writing of historic houses in this vicinity, this one should not be passed in silence. It was begun in 1815, and perhaps was the first brick house in the county.

The late Rev. Dr. Meredith once told your scribe that when it was first built it was the school house of the neighborhood, that people came from miles around to see it, and thought it a grand mansion, modest and old-fashioned, and unpretending as it now seems. Although, it has buffeted the storm of seventy years it remains solid, for it belongs not to the era of Sham and Buddensick. In its solid simplicity it is a reminder of the character of the old Virginia gentleman who founded this homestead.

Edmund King is [was?] a just man, who loved God and his fellow man, he was one of the pillars of the Baptist Church in this state for fifty years. At one time he had amassed what was called in these infant years of the state a magnificent fortune, and he gave to his children every educational advantage. One of his daughters [L]ouise the elder married Hon. Wm. J. Acklen, of Huntsville, a prominent lawyer and office holder, and who lost a son at Gaine's mill. They were the parents of Corine Acklen, now Mrs. Goodman of Memphis, one of the most admired women Alabama has ever known, and who, under the chaperonage of the famous Mrs. Clem Clay, became a belle of national repute in Washington. Mr. King's second daughter, Elizabeth became the wife of Judge Shortridge, a sketch of whom is given in the first part of this letter.

Of the six sons of Mr. Edmund King, four received a classical education and were given a tour of Europe, an advantage very rare at that period. Wm. W., graduated at the University of Alabama, one of the first seniors, and went to New Orleans, where for many years he led the bar, being the senior member of the famous firm of King & Elmore. Mr. W. W. King's sons are all doing business in New Orleans and his eldest daughter, Miss Grace King, has become the rival of Geo. W. Cable as a writer of Creole stories. She is pronounced by the critics one of the most original and ablest story writers of the day. Edmund King's second son, Thomas, who was one of the first students at the Auburn college, also went to Louisiana, where he is a planter in the beautiful Teche country. He married Miss Marsh, and Henry A. King, who was one of June's graduates of the University of Alabama, is the younger son of this worthy pair.

Col. Peyton G. King, one of Birmingham's most prominent citizens, was the third son, and the only one now living in Alabama. He graduated in Rhode Island, and has travelled extensively, is thoroughly versed in literature, and is a charming raconteur. Col. King has ever been a child of fortune, for at his birth she showered upon him her best gifts of mind, and a handsome person, and the goddess has never deserted him yet. He married the beautiful Miss Ala. M. Tarrant, of Jefferson county, and Misses Rosa and Marietta, well known in the society of the Magic City, are their daughters. If Miss Rosa was the daughter of a poor man, she would win her way to fame and fortune with the pencil and brush, for she is an artist of undoubted genius. Some of her canvasses are masterpieces in amateur painting. Nat R. King, the fourth son, graduated at University of South Carolina, and after a foreign tour, married Miss Selma Sibley, of Mobile, a lady of rare intellectual attainments.

In '55 Nat King represented Shelby in the legislature and afterwards was in business in Mobile. He died when only 32 years old, here in this old homestead, and on the stone that marks his resting place is the inscription placed there at his own request: "He was a reliable man."

Shelby King who married a Miss Woodfin, while he was at Howard College, became a Baptist minister, and now lives in Texas.

So. Calera Home Club Has Meeting

A very pleasant and we hope profitable afternoon was spent by the South Calera Home Demonstration Club when they met at the home of Mrs. Lydia Stockdale Feb. 18th.

Mrs. Carl Jones and Mrs. Carl Bailey gave a demonstration on refinishing old furniture. Eight members and the following guests were present: Mrs. Geisler, Mrs. Barnett, Mrs. Jackson, Mrs. Crowe, Mrs. Burcham and Mrs. Bailey from Birmingham.

Mrs. A. T. Ryan gave a story of the hymn "More Love To Thee". The hostess led the devotional by reading Proverbs 1, 1-9 and some facts in the life of Abraham Lincoln, after which a prayer was read.

Mrs. Marvin Giles explained the use on the pennies for Friendship Drive. The roll call for the club was answered with new ideas in gardening. The club discussed the ways to make money and decided on the White Elephant Sale.

Gifts for the month were 2 baskets of fruit for the Golden Aged and a spray of flowers was sent to the funeral of a friend.

Our Home Improvement leaders, Mrs. Carl Bailey, Mrs. O. C. Busby, and Mrs. Carl Jones attended the school on landscaping and visited the P. V. Peetes Nursery at Underwood.

The club was represented at the Civil Defense Program Thursday Evening at the City Hall. Dr. T. S. Slaughter was the MC for the occasion introducing Judge Conrad Fowler who talked of the great importance of organization in case of emergencies and of the protection against radio active fallout in case of nuclear bombs. Capt. Drake from Birmingham was the next speaker giving us more details on the same subject. Mr. Ray gave a frightening picture of nuclear war. Mr. Robert Bolton, County Director of Civil Defense, Mr. Walter B. Ozley and Sherriff Red Walker gave interesting talks also.

We left this meeting feeling more secure that in case of war our community would be protected and directed by these great Legionnaires.

A social hour was enjoyed and the meeting adjourned to meet at the home of Mrs. H. F. Lester, March 18th.

GIRLS SCOUTS TO ATTEND CHURCH

The Girls Scouts and Brownie Scouts of Montevallo will attend the morning worship services at Montevallo Presbyterian Church Sunday, March 8.

Mr. and Mrs. Odis Littleton (Frances Martin) announce the arrival of a daughter Sunday, March 1, at St. Vincent's Hospital.

Chamber Names New Committees

Don H. Lovelady, president of Montevallo Chamber of Commerce, has announced the appointment of some major committees to serve during the 1959 year.

Kyle McClure has been named chairman of the dues and membership committee, with Earl McGaughy, R. E. Whaley and W. E. (Bill) Lovelady to assist him. M. S. McGehee is chairman of the very important industrial committee and serving with him are Sam Klotzman, R. E. Whaley and C. H. Chism.

Giving special emphasis to the retail merchants division this year will be Jack Sims, Earl McGaughy, Jim Seaman, Buddy Allen and Marion Jones.

Mr. Lovelady points out that the industrial committee is already busy surveying the situation and making every effort to secure suitable locations for prospective industrial development. Fred Frost, Sr., treasurer, has reported several new members already for 1959. Indications at present would support the belief that Montevallo will have its largest and most active local unit this year.

The regular meeting for the local Chamber of Commerce has been set for the second Thursday of each month at the City Hall at 7:30. The next scheduled meeting will be held on March 12 at 7:30. The officers of the association are cordially inviting all individuals and firms interested to join and help make our area continue to grow and prosper. There are many advantages given to a large, active, and leading organization. If your local business has not already responded to the invitation to join the Chamber of Commerce, it is the hope of the membership committee that you will give immediate consideration to this united effort this year.

Officers and committees will continue with special effort to develop a program in the interest of all concerned. Your attendance at the regular monthly meetings will have its part in the total program. Come to the meeting and participate in the discussions and decisions made from time to time.

SCOUT FAIR TO BE HELD IN MONTEVALLO

The Cahaba District "Scouts in Action Fair" will be held in Montevallo in August.

Cubmaster George Nix urges all the Scouts to work hard on their projects, so Montevallo Cubs and Boy Scouts will make an excellent showing.

"Last year the fair was held in Brent, and our Cub Scouts came home with first prize," says Mr. Nix, "and we want it again this year. With the cooperation of the citizens of Montevallo, we want to make this a fair to be remembered. We want to make this a gala affair, with a large parade and band. The public will be invited to attend and see what is going on in Boy Scouting.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Many farmers throughout our area have found in recent years that it is not profitable to plant the small amounts of cotton acreage allotted to them. Since current acreage allotments are determined in part by the amount of cotton actually planted in prior years, their failure to do so has resulted in an excessive loss of cotton acreage throughout the entire Southeastern area of the United States. For example, Alabama's cotton allotment for 1959 is 985,191 acres, or only 60 per cent of its 1950 allotment. The nation as a whole, however, has been allotted about 76 per cent of its 1950 allotment for planting this year.

Lease of Cotton Acres

In an effort to remedy this situation, legislation has been introduced by me and by others from Alabama that would enable a farmer to lease for a period of one year the acreage allotment established for his farm. Under the terms of this legislation, a cotton farmer who does not wish to plant the amount allotted to him may lease it, subject to certain limitations, to a neighboring farmer who desires to plant more than his own allotment. As a result, the acreage that is leased is considered to have been planted by the lessor and is not lost for allotment purposes. Such leasing transactions would be under the control of the county ASC Committee.

It is estimated that Alabama will lose an additional 100,000 acres of cotton as the result of underplanting should we continue to operate under the present set-up. If the leasing legislation we propose is enacted by Congress, a state-wide survey indicates that we could expect to reduce this underplanting in Alabama by at least 66 per cent.

Boost by Alabama Group

The Cotton leasing legislation we have proposed was given a real boost laast week when members of the Alabama Cotton Study Committee strongly endorsed the legislation before the Cotton Subcommittees of both the House and Senate. Members of the Alabama Cotton Study Committee who were in Washington included Agriculture Commissioner R. C. (Red) Bamberg, Lt. Governor Albert Boutwell, House Speaker Charles C. Adams, Senator Walter Givhan, Senator Robert Kendall, Representative Bob Gilchrist (committee chairman), and Mr. Ed. Mauldin.

While it was obvious to those of us who attended the hearing that the House Subcommittee does not plan to recommend cotton leasing legislation affecting the 1959 crop, I came away from the hearing somewhat encouraged over the prospects for the passage of such legislation for the 1960 crop year. Certainly there will be no let-up on the part of your Alabama Congressional Delegation in our efforts to retain as much cotton acreage as possible for the farmers of Alabama.

Funeral Held For James H. Prentice

Funeral services for James Howard Prentice were conducted by the Rev. M. Jackson Sunday at 2 p.m., at Ward's Chapel. Burial was in the family plot of Montevallo Cemetery with the Masons in charge.

"Jeems", as he was affectionately called by his many friends, was born June 16, 1885, and died Monday, Feb. 23, 1959, in Mercy Hospital, Bethel Park, Pennsylvania. He was one of ten children of the late Monroe and Molly Prentice, a member of the Methodist Church, Masonic Order, Geometry 14, and the Golden Star Society in Birmingham.

Until a few months ago, when he and his wife moved to Pennsylvania to be near relatives living there, "Jeems' " home had always been in "Jacksonville," which is now better known as Main Street, in Montevallo.

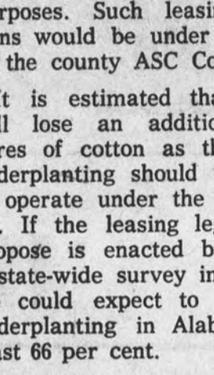

Surviving are his wife, Mrs. Alice G. Prentice, Bethel Park, Pa.; three brothers, Thomas of Pittsburgh, Pa.; Bryant of Cleveland, Ohio; and Eddie of East Liverpool, Ohio; three sisters, Mrs. Millie Miller, Fergerson, Mo.; Mrs. Chauncey Pope, Columbiana; and Mrs. Sally Purnell, Montevallo; a step-daughter and a large number of nieces and nephews.

GIRL SCOUT PARTY

Calera Scout Troops 187 and 567 will have a party for all Girl Scouts in Columbiana and Montevallo on Friday, March 10, at 4 p.m. at the Recreation Center in Calera.

Local Students in College Opera

Three Montevallo students will perform in the annual opera productions of the Alabama College School of Music and College Theatre March 12 at 11 a.m. and 8:15 p.m. in Palmer Auditorium.

Mary Katherine Hicks, daughter of Mr. and Mrs. W. G. Hicks, will furnish the piano accompaniment for "Sunday Excursion," a lighthearted one act music skit by Sundgaard and Wilder.

Singing in the baritone role of "Marvin" in the same production is Vance Bush, son of Mr. and Mrs. E. K. Bush.

Denny Elliott, son of Mr. and Mrs. L. D. Elliott, is providing piano accompaniment for "Slow Dusk," another one act American opera running in conjunction with "Sunday Excursion." "Slow Dusk" is a one act tragedy by Carlisle Floyd.

MARY KATHERINE HICKS

Vance and Denny are freshmen majoring in chemistry and piano respectively. Mary Katherine is a senior majoring in music.

Musical direction for the production is by Mr. Bruce Tolbert, associate professor of music and director of the Alabama College Mixed Chorus. Dr. Andrew J. Kochman, Jr., associate professor of speech and director of the College Theatre, is staging director.

Library Sponsors Program Clinic

Clubs and organizations of all kinds are invited to participate in a Program Planning Clinic to be conducted by Miss Bethel Fite, director of the Department of Library Extension and Program Services for the University of Alabama. This is the first clinic of its kind to be held in Shelby County. It will be valuable to men's clubs, P.T.A. groups and any other organized club.

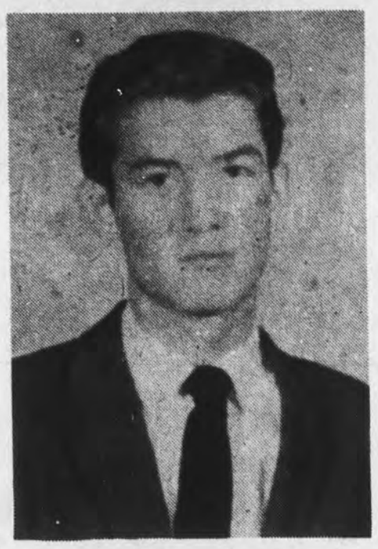

Miss Fite is a specialist on the techniques of planning programs; she will also demonstrate the use of film strips and other audio-visual aids which may be used to add variety to a club program. A member of the regional library staff will assist and will explain how the local library can aid in securing materials needed to enrich club programs.

In order to derive most benefit from this sort of clinic, clubs should elect new program chairmen at an early date so the person responsible for next year's programs may attend the clinic and receive suggestions. There is no charge for participation, but attendance will be limited to one person for each club.

Miss Fite visited the Regional Library Headquarters in Pell City February 19 and discussed preliminary plans for the clinic, which will be held Friday, April 10, from 9 to 11 a.m. in the recreation hall at Columbiana, it was announced by Mrs. Sarah B. Holland, director of the Coosa Valley Regional Library.

1959 Easter Seal Campaign Begins

The 1959 Easter Seal Campaign gets underway this week in Alabama. W. W. Elliott, Shelby County Drive Chairman says that indications are that volunteers have laid the groundwork for the most ambitious drive in the history of the Easter Seal Society.

Numerous special events will highlight the drive in many sections of the state, including peewee basketball games, pancake suppers, road blocks and special school drives.

Statewide Drive Chairman this year is Andalusia Insurance man George Proctor.

"A total of 13,393 persons received aid from the Alabama Society for Crippled Children and Adults and its County Chapters last year," Proctor said.

"This figure could easily be doubled if the people of Alabama open their hearts to those who need a helping hand," he added.

Through physical, speech and occupational therapies, the Alabama Society helps the handicapped help themselves by teaching them to walk, talk and work again.

Drive Chairman Elliott, asks everyone in Shelby County to remember that March is Easter Seal month.

"This years slogan is, 'He's yours, too, ... Help him walk,' You can help crippled children back on their feet by giving to Easter Seals." Elliott said.

Opened officially on February 27, the drive will continue through Easter, March 29.

EBENEZER CLUB NEWS

The Ebenezer Home Demonstration Club met at the home of Mrs. Frank Frost in February with eight members present.

The demonstration of finishing furniture was given by Mrs. E. W. Hare and Mrs. Frank Baker. They did a beautiful job of refinishing a table and also discussed methods used and materials needed for doing this kind of work.

Mrs. Frost served a very pretty plate luncheon carrying out valentine colors and decorations to Mrs. Jimmy Spain, Mrs. W. A. Jones, Mrs. Frank Baker, Mrs. T. S. Hill, Mrs. E. W. Hare, Mrs. Nathan Frost, Robin Spain and Mrs. John Lankford.

Dr. Peck Dies In Massachusetts

Dr. Willena Peck, physician at Alabama College from 1915 to 1952, died at Emerson Hospital in Stow, Mass., Friday, Feb. 27 after a brief illness.

She was 83 years old at the time of her death.

She had been college physician at Alabama College for 37 years from 1915 to 1952. After her retirement she returned to her native town of Stow, near Boston.

Dr. Peck received her MD degree from Woman's Medical College, Baltimore Md., in 1900. In 1950 she celebrated a half century of service in the medical profession. Alabama College honored her in 1940 with an honorary degree of Doctor of Law and Letters.

She was a past president of the Shelby County Medical Association, having also served that organization for many years as secretary-treasurer.

She attended the Montevallo Presbyterian Church during her tenure at Alabama College.

She is survived by one nephew, W. H. Peck of Stow, Mass., and two nieces, Mrs. Richard Lambert, Sterling, Mass., and Mrs. Frances Doyle, Hopewell, N.J.

P.T. A. Hears Prize Winning Speech

The Montevallo P.T.A. monthly meeting was opened Monday night with a devotional by the Reverend Gene McDowell, of the Wilton Methodist Church. The meeting was held at the Montevallo High School auditorium with President Andrew Kochman presiding.

Don Lawley presented his prize-winning speech on "Andrew Jackson" as a special feature of the program. Don was district winner in the Birmingham News Oratorical Finals.

The nominating committee selected to present a slate of officers for the coming year is as follows: Mrs. B. W. Hamric, chairman, Mrs. J. H. Wyatt, and Mrs. W. E. Robinson.

The group voted to spend $55 from the P.T.A. budget to go with $125 donated from friends to the Montevallo School for an eye testing machine.

A program on "An Appraisal of Athletic and Physical Education Program and Equipment" was presented by Mrs. Bobbye Lightfoot, Coach Cratie Corbett and Coach Charles Martin, in which many recommendations for improvement were made.

The next P.T.A. Executive Committee meeting will be on March 16, at which time the committee chairmen will submit their reports to be turned in to the State PTA organization.

French Singers To Give Concert

France's top song writing duo, Varel and Bailly, are appearing on March 12 at Alabama College. This will be the final event of the school's 1958-59 concert and lecture series.

Accompanying them are "Les Chanteurs de Paris," their complementary ensemble of seven young men. Together they have been acclaimed by New York critics as "one of the best musical groups to be heard in America in years."

This year marks their second coast-to-coast tour of the United states and their third North American visit. They have performed in such places as the Waldorf-Astoria's Empire Room and the Plaza Hotel's Persain Room.

Mr. and Mrs. S. K. Walker, Mr. and Mrs. Bill Walker and family of Birmingham were Sunday afternoon visitors of the Walker Brothers.

MR. AND MRS. NOAH DAVID THOMAS

Miss Wilson and Mr. Thomas Are Wed

Calera Baptist Church was the scene Friday night of the wedding of Miss Gwendolyn Elaine Wilson and Noah David Thomas of Calera. The Rev. Brooks Davidson of Birmingham officiated.

Parents of the couple are Mr. and Mrs. Huey Wilson of Calera and the late Mr. N. D. Thomas of Calera, and Mrs. P. J. Smith of Birmingham.

Candle lighters were Eugene Carter and Robert Crouse. Miss Ann Parmer was maid of honor. Mrs. E. G. Frost, Mrs. E. R. Compton, Misses Beverly Sansing and Helen Lumpkin were bridesmaids. Nena Frost, niece of the bride, was flower girl.

The wedding music was furnished by Miss Beulah Askins, organist, and Mr. Eugene Hadaway, soloist.

Walter Ingram was best man. Ushers were Elwood Edwards, Eugene Carter, Earl Miller and Robert Crouse.

The attendants were attired in organza and taffeta frocks in two shades of gold with matching hats and shoes. They carried crescents of lavender carnations.

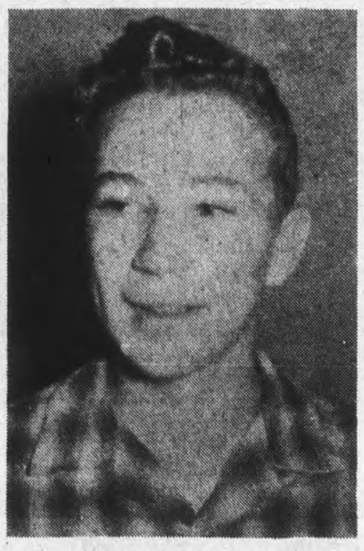

The bride was given in marriage by her father. Her gown was of chantilly lace and tulle over satin. The bodice was fashioned with long pointed sleeves and Sabrina neckline. The full skirt swept to a train and the silk illusion veil was caught to a princess Eugena cap of nylon etched with pearls. She carried a white orchid on a white Bible.

The bride's mother wore a light blue silk organza and chantilly lace dress. The bridegroom's mother wore a light blue lace dress over taffeta. Both mothers wore orchids.

Immediately following the ceremony a reception was held in the basement of the church. Assisting were Misses Bonnie Moore, Sudie Barefield, Gwen Hadaway, Eddie Martin, Mrs. A. V. Parmer and Mrs. George Spencer.

After a short wedding trip, the couple will be at home in Calera.

Don Lawley Is Oratorical Winner

DON LAWLEY

Don Lawley, a tenth-grader at Montevallo High School, "spoke his way" to a one-year scholarship to either the University of Alabama or Birmingham Southern College recently. Using Andrew Jackson as his subject, Don won first place in district eliminations of the Birmingham News Oratorical Contest held at Jacksonville State College, Jacksonville.

Montevallo High School's and Shelby County's winner, Don competed at Jacksonville against contestants from Chambers, Etowah, St. Clair, and Tallapoosa Counties.

Each contestant was required to give a six-minute memorized speech and then a four-minute extemporaneous talk in answer to a question from the text of his speech. Dr. Edwin Van Keuren presided at the contest. Judges were Mrs. Alfred Roebuck, Dr. Bernard Hennes, and Dr. Elmer Pendell, all Jacksonville State faculty members.

Second-place senior division winner was Priscilla Brannon of Ragland High School, and third place went to Carol Shaver of Lafayette High. Both were presented checks from the Birmingham News.

Next step is state competition at Birmingham Southern, where Don will compete against the winners from eight other districts from over Alabama.

Don, son of Mr. and Mrs. R. W. Lawley, Marvel, Rt. 1, is an outstanding student scholastically. While he says his favorite subjects are English and history, he has enough interest in science that his project, "Typing of Human Blood," won second place in the North Central Alabama Science Fair last year.

A very modest winner, Don commented on winning the district title, "I thought the speaker from Ragland would walk away with first prize."

Mrs. Carl Edfeldt, speech teacher at Montevallo High School, has coached Don in the oration and accompanied him to Jacksonville. Also making the trip to Jacksonville were Don's mother, Thomas Cairns, Jr., Terry Davidson, Steve Goad, Terry Phillips, and Mr. Edfeldt.

In the Junior Division, also held at Jacksonville, the judges gave first place to Alice Sharpe of Five Points High School. Mary Glenn Bohannon of Sylacauga and Joy Payne of Calera High Schools received second and third places, respectively.

BILLY JOE HALL

Montevallo Cub Scouts Have Banquet

Montevallo Cub Scout Pack 59 had its annual Blue and Gold Banquet Friday night at the school cafeteria, climaxing the 49th birthday of Boy Scouts in America.

Decorations were made by the Cub Scouts in thier den meetings. The motif was held in its blue and gold colors.

A beautiful birthday cake adorned one table. It was decorated by Mrs. W. G. Hicks and baked by Mrs. G. A. Nix, for which the scouts are very appreciative.

Approximately 175 cubs, parents and guests enjoyed a wonderful meal, which was prepared by the mothers of the boys.

The Reverend James Chesnutt gave the benediction. After the dinner, Cubmaster George Nix awarded the following badges to Jimmy Birdsong, 2 gold arrow points and a three year service pin to Mrs. G. A. Nix.

A gold cup was presented to the Montevallo Lions Club in appreciation for their cooperation and contribution given to the Cub Scouts. Many sincere thanks go out to this wonderful sponsoring institution.

The climax of the evening was the "Pinewood Derby Races." These cars were made by the boys and their fathers. Den 5 and their Den Mother, Mrs. R. Birdsong, are the proud winners of this race. Geogory Ballentine, Den 3, and Billy Joe Hall, Den 5, held out for first place, with Billy Joe winning. Jimmy Birdsong from Den 5 came in third pace.

The guest list included the Reverend and Mrs. Chesnutt, Mr. Tom Potts, Scoutmaster, and Mr. and Mrs. J. McGlown. Mrs. McGlown is a Brownie Scout troop leader.

Cubmaster George Nix wishes to express his and the packs many thanks to Mrs. W. G. Hicks for the wonderful job she did on the birthday cake.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

For a number of years the opportunity for promotions for officers in the Navy and the Marine Corps has been curtailed due to the great number of officers eligible for a much smaller number of grade vacancies. For example, there are 8,000 Navy commanders and lieutenant commanders who will be eligible for the grade of captain over the next ten years, but there are only 2,000 vacancies excepted in the rank of captain. In the Marine Corps, 1940 majors must vie for only 435 lieutenant colonel vacancies in the next five years. Therefore, a large percentage of these officers will fail to receive promotions due to the lack of openings in the appropriate grades.

These officers in this category are referred to as being in or behind the so-called "hump". The hump is the disproportionate number of regular officers of the Navy and the Marine Corps who were originally commissioned and rapidly promoted during World War II. In fact, one-third of all the reguar officers in the Navy and Marine Corps were commissioned at the same time, have the same number of years experience, and are all eligible for promotion.

Bill Passed

Since nothing was done by the Defense Department in the past to balance the number of grade vacancies against the number of those eligible for promotion, legislation was introduced in the House of Representatives this year for the purpose of partially correcting this situation. Generally known as the "Hump Bill", the legislation was passed by members of the House last week on a voice vote.

The House-approved bill authorizes the early retirement of 3500 Navy and Marine Corps officers. This will reduce the number of senior officers and provide better promotion opportunities for those remaining. In order to compensate those who are retired, the bill provides a special bonus or separation allowance in addition to regular retirement pay.

After House passage, the bill was referred to the Senate for consideration.

Visits Alabama

I was in Alabama last week end to attend the yearly meeting of the Warrior-Tombigbee Development Association in Tuscaloosa and to take part in the dedication of the new post office building in Centreville.

At the seventh annual meeting of the Warrior-Tombigbee Development Association on Friday, it was my privilege to present a plaque to Mrs. William Bacon Oliver, widow of the congressman who represented the 6th District in Congress for nearly a quarter of a century. The plaque is inscribed with the public law designating the lock and dam on the Warrior River near Tuscaloosa as the William Bacon Oliver Lock and Dam, and it will be permanently installed at the structure bearing the late congressman's name.

Post Office Dedicated

Centreville's new post office building, which was dedicated last Sunday, is a modern air conditioned structure that contains over 2400 square feet of interior space and is furnished with the latest postal equipment. The building was constructed with private capital under a commercial leasing program instituted by the Post Office Department in 1953. It was erected according to post office specifications and is leased by the Department on a long-term basis.

How VX-6 Works

The major cause of weak or dead batteries is sulphation corrosion. VX-6 dissolves this deadly sulphation corrosion that has formed on plates and insulators and restores normal reaction in cells. At the same time it coats the plates with CADMIUM. so that sulphation can not recur. Thus VX-6 not only dissolves and stops corrosion, but also prolongs the life of your battery and GUARANTEES YOU NO MORE BATTERY FAILURE FOR THE LIFE OF YOUR CAR.

Don't risk ruining a pleasure trip or being caught in an emergency with a dead battery.

Cancer Crusade Begins April 1

"Guard Your Family" is the new rallying cry of the American Cancer Society Crusade which opens in Shelby County April 1, according to Albert Scott, chairman.

The family theme has been added to the phrase, "Fight cancer with a checkup and a check," which was used successfully in last year's fund-raising and educational campaign.

Mr. Scott said the new theme was based on the fact that two out of every three families in this community as well as every other town in the country, will eventually experience cancer's heavy burden.

The slogan also effectively expresses the Society's determined effort to save more lives from cancer. Today there as some 800,000 men, women and children in America who have been saved from cancer.

As in previous years, the Society's April "Cancer Crusade" seeks to raise funds to continue its three-pronged program of research, education and service to cancer patients.

"While research offers the best hope for victory over cancer, the nation's No. 2 disease killer," the county chairman said, "the Crusade is not limited to raising funds. It is a top priority educational effort, on a national scale, to stimulate regular health checkups among all adults for early detection of cancer. Cancer in its early stages can be cured."

Bishop Is Named Deputy Sheriff

Sheriff C. P. (Red) Walker announced today that he has appointed Clarance Bishop as deputy sheriff to handle all juvenile cases and juvenile problems throughout the county.

Bro. Bishop is a Presbyterian minister from the New Hope community and has had considerable experience with "teen" agers.

Sheriff Walker said that Bishop would assume his duties immediately.

Sheriff Walker also announced plans for a county-wide peace officers group to be composed of all peace officers in the county. The first meeting will discuss the idea of the "junior deputies" which has worked so well in other parts of the country.

Chamber of Commerce

A representative from the Shelby County Farm Demonstration Agent's office will speak at the regular meeting of the Montevallo Chamber of Commerce Thursday, March 12, at the City Hall. The time is 7:30 p.m.

University Plans Alumnae Day

Mrs. Barbara H. Joiner, Columbiana, will be Alumnae Representative from the Shelby County Alumni Club at Alumnae Day at the Capstone Sat., April 11.

An address by Mrs. Anne Gary Parnell, president of Sweet Briar College and former University of Alabama and Alabama College educator, will highlight Alumnae Day at the Capstone Saturday, April 11.

Judge Walker Visits Montevallo Friends

Judge L. C. Walker of Columbiana was a business visitor in Montevallo last Saturday. He still enjoys handshaking with his friends, but it is not a political handshake. Likewise, his friends are glad to see him. He now has a private office across the street from the courthouse from which he conducts his extensive business affairs—and takes a look at the Courthouse every day.

PATSY CARDEN

Patsy Carden Receives Letter of Commendation

Patsy Carden, senior at Calera High School has been commended by the National Merit Scholarship Corporation for her outstanding performance on a nationwide test of educational development, according to Principal E. Marvin Smith.

The Calera High student was the Alabama runner-up in the 1958-59 Merit Scholarship competition. She has been sent a Letter of Commendation by National Merit Scholarship Corporation. John M. Stalnaker, President of NMSC, believes that the 10,000 students who received the commendation rank in the top two or three per cent in ability of the senior students in their respective states and should be given every encouragement to continue with their education.

Left to right, Robert Cleckler, President of First National Bank of Childersburg, Mrs. Charles C. Kunz, President of the Calera Garden Club, and Roy Downs, President of Central State Bank of Calera. Mr. Cleckler, an authority on camellia growing, spoke to the Garden Club Tuesday afternoon. Distinguished for his outstanding contributions to the banking business and to many civic organizations, Mr. Cleckler's hobby is camellia growing, having over a hundred varieties in his own yard.

Banking Board Members Named

A Limestone County banker and a Bibb County weekly newspaper publisher have been appointed to the six-member State Banking Board.

Gov. John Patterson last week named Harry Taft of Athens, vice president of the State National Bank, and J. W. Oakley, Sr., of Centreville, publisher of the Centreville Press, to six-year terms on the board.

Mr. Taft replaced the late C. L. Haley, Jr., of Florence and Mr. Oakley replaced Glynn Williamson of Centre, whose terms expired Feb. 1.

The State Banking Board exercises supervisory and advisory control over the state's banks.

Mr. Taft has long been connected with the State National Bank in Athens. Mr. Oakley, a member of the board of directors of the Peoples Bank of Centreville, is also serving as Centreville Mayor.

Miss Pope Is Named Outstanding Teacher

The General Federation of Women's Club is giving an Oscar to the most outstanding teacher in the 49 states. Miss Aileen Pope of Wilsonville has been selected to represent the fourth district in Alabama. Mrs. Pope is a mathematics teacher at Shelby County High School in Columbiana.

The various clubs in the Fourth district were asked to nominate outstanding teachers. From the records submitted concerning these outstanding teachers, a panel of five judges selected Miss Pope. In making their choice, the judges scholastic achievement, teaching experience, professional attitude, outstanding work beyond the call of duty, interest in community, state, and national affairs.

The many students and friends of Miss Pope will rejoice that another deserved honor has been awarded her. She is, indeed, a dedicated teacher.

Attend Convention

Atlantic City—Mr. and Mrs. Earl McGaughy of Montevallo Cleaners were among the nearly 20,000 drycleaners attending the four-day annual convention of the National Institute of Drycleaning here from March 5th through 8th. It is the fiftieth annual convention held by NID and the largest in its history.

Church Services At County Jail

Sheriff C. P. (Red) Walker said yesterday that in line with his new policy at the Shelby County jail, Sunday services were held at the jail and were conducted by Rev. Corley, pastor of the First Baptist Church of Alabaster.

Sheriff Walker also said that Rev. Corley would conduct the services on the first Sunday of each month, and that the other Sundays of the month were open and that he would welcome all other faiths on a regular basis to conduct services on these days.

Sheriff Walker believes that persons who are detained in the jail should not be denied the privilege of organized worship.

Sheriff Walker can be reached at the Shelby County Sheriff's Department in Columbiana.

COMMUNITY EASTER SERVICE

A Community Easter Service will be held at the high school football field on March 29 at 6:30 a.m. Special music will be provided by a Junior Choir composed of boys and girls from the various churches, under the direction of Mr. Bruce Tolbert.

The Rev. James Chesnutt, pastor of the Montevallo Methodist Church, will deliver the sermon.

Everyone is cordially invited to attend this service.

Marion P. Jones Is Named Red Cross Chairman

Mr. Frederick F. Cameron, Shelby County Chairman of the American Red Cross, announced the appointment this week of Mr. Marion P. Jones as the Fund Drive Chairman of the annual fund drive of the American Red Cross for 1959. As usual this drive will be conducted during the month of March. Mr. Jones is well known throughout Shelby County as he lived in our county for a number of years having graduated from Montevallo High School. He has recently returned to our county and is currently connected with radio station WBYE in Calera.

Mr. Jones makes this statement to the people of our county:

"March is traditionally American Red Cross Fund Drive Month throughout our nation.

"The American Red Cross belongs to the American people, and it was created that it might serve the American people. The Shelby County Chapter must make it's quota this year if it is to continue to give the services expected from it—particularly to our Shelby County boys in the Armed Forces, our people in need, and our own smaller community disaster relief in addition to the national emergencies that may arise. Our reserves have been used up, and our operation for next year must be supported by the funds collected this year. Our quota for 1959 has been set for $5,150.00—this is higher than ever before. We cannot be satisfied with less than complete success for our county.

"Your continued help and support to this drive will be greatly appreciated. Next week I will announce the community chairmen for each area in our county. When you are called upon to help them. I trust you will assist them in every way possible. It will be through your efforts that the work carried on daily in our county will be continued.

"Thank you for consideration of this letter and I urge your full cooperation."

The Georgie Leeper Circle of the Presbyterian Church met Monday at 10:00 a.m. at the home of Mrs. Eugene Reynolds. Mrs. W. J. Kennerly and Mrs. D. R. McMillan led the study.

Several state officers and several State Committee chairmen were present. An interesting program meeting and business session was conducted by district directors. Dr. Minnie Miles, U. of A. faculty member was the luncheon speaker.

DAVID DOWNS

David Downs Has Birthday Party

David Downs, son of Mr. and Mrs. Roy Downs, celebrated his fourth birthday with a party at his home Wednesday night, March 4, from 7:00 till 9:00 o'clock.

The guests were met at the door by the honoree with a happy smile and a welcome greeting of "Come in" and "Thank you" when given his gift.

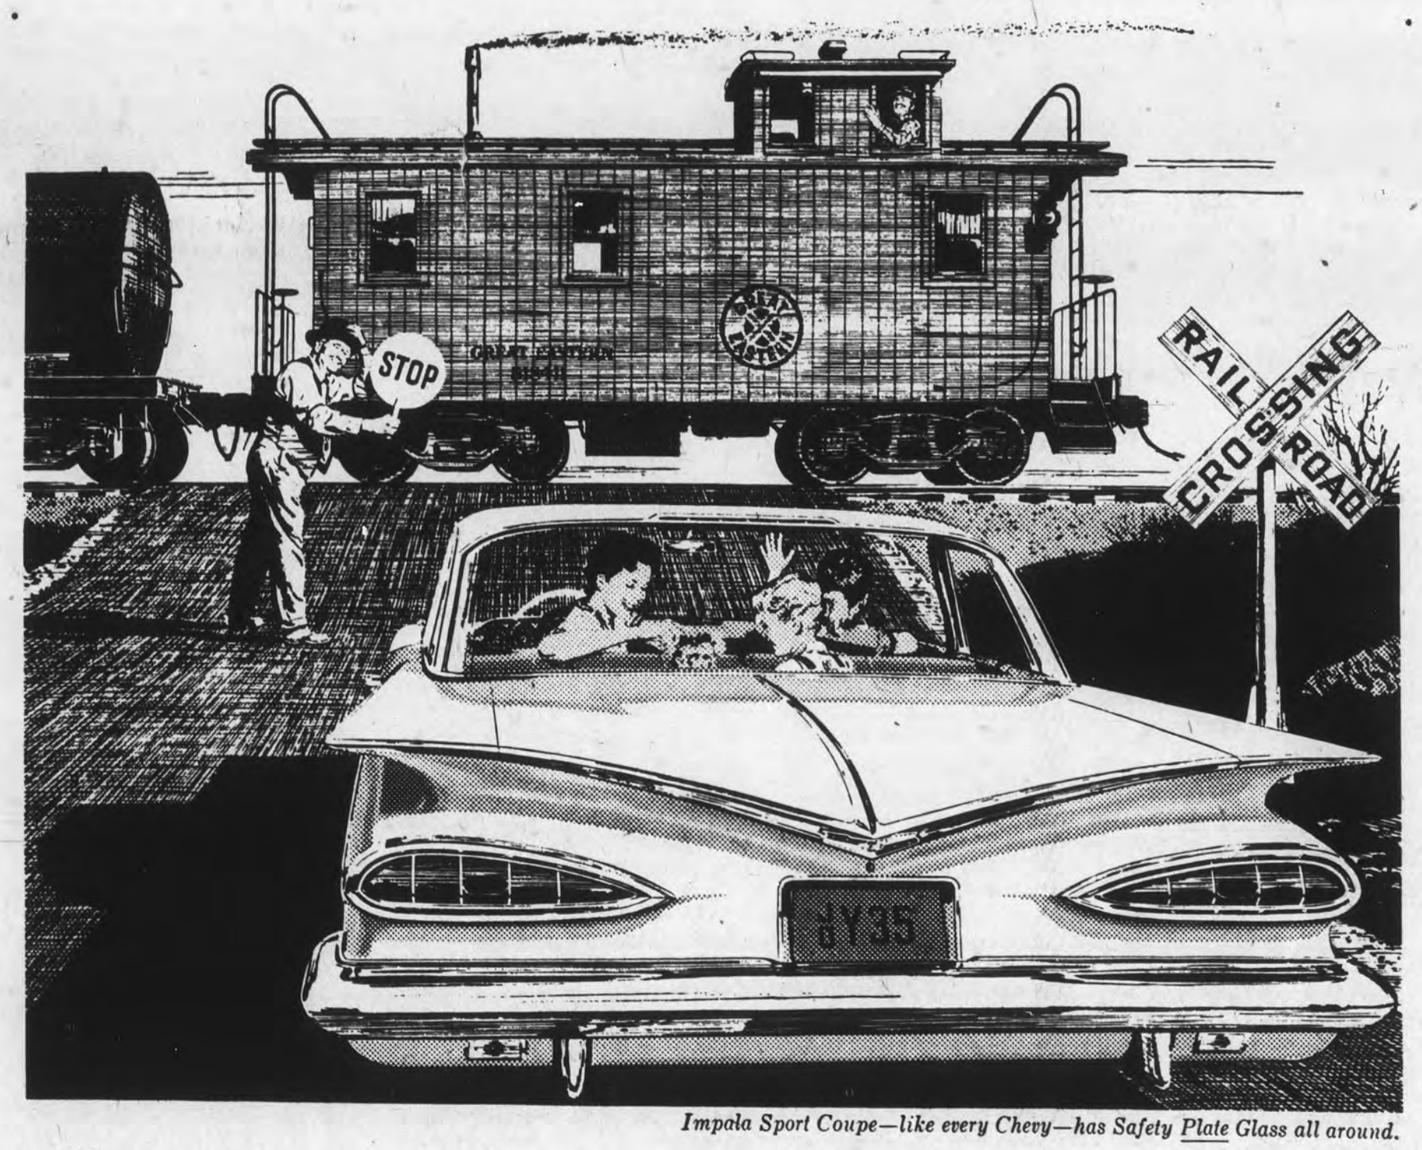

The guests were shown into the dining room for a view of David's beautiful birthday cake, composed of chocolate engine No. 4 with smokestack, a blue and brown boxcar and a red caboose, each holding one candle. The cake was mounted on black trivets, representing a miniature train.

After a very enjoyable period of games and opening of gifts, refreshments and favors were presented to everyone. Refreshments included nuts, miniature baskets filled with candy, ice cream and cake. The favors were hats and balloons.

Those attending were Nevis Jane Glass, Dennis Sims, Debra Farris, Eleanor Downs, Johnny Maddox and Phil Lawler. Assisting Mrs. Downs were Mrs. Jack Martin, Mrs. C. D. Cowart, Mrs. Argie Carter, Mrs. George Glass, Jr., Mrs. Bill Lawler, Deegee Downs, Nellie Johnson, and Mrs. Lex Ozley.

Impala Sport Coupe—like every Chevy—has Safety Plate Glass all around.

Chevy stops quickest... goes farthest on a gallon!

Chevy showed the best brakes of the leading low-priced three in a test of repeated stops at highway speeds conducted and certified by NASCAR*. Chevy also won over the other two in a NASCAR economy run—with the highest gas mileage for 6's and V8's at cruising speeds of just over 55 miles an hour.

Here's a car that knows how to get the most out of a gallon. And it's the only car in its field to bring you hydraulic valve lifters in all popular engines—6 and V8. This means smoother, quieter performance for you.

There are many other advances just as fundamental as the efficiency of Chevrolet's engines and the dependability of its new brakes (with more lining area than any other low-priced car). But why not stop by your dealer's and let Chevy do its own sweet talking!

Thompson School News

The Student Council held election of officers last week and the following students were elected for the year 1959-60: President, Gay Causey; first vice president, Peggy Smith. There will be a run-off for second vice president between Ida Martha Reed and Carlton Dinwiddie. Elected secretary was Charlote Mathis, and treasurer, Frances Spain.

* * *

The Student Council will sponsor Twirp Week next week, and on Saturday, March 21, they will wash cars for a money raising drive—so please let us wash your car!

* * *

The FFA and FHA will conduct a county-wide jamboree next Thursday, March 19. The schools taking part will be Calera, Shelby, Montevallo, Vincent and Thompson.

* * *

George Evans, Eddie Bentley and James Garrett will try for football scholarships at Jones County Junior College in Ellisville, Miss., next Thursday and Friday, March 12-13.

* * *

The National Beta Club convention was thoroughly enjoyed by our nine club members and sponsor, Mrs. Mildred Sparks, who attended last Friday and Saturday at the Tutwiler Hotel in Birmingham. There were 2,407 members present from 176 clubs. It was the largest meeting Alabama has had so far.

* * *

For several years we have been greatly concerned about the activity program, particularly the club schedule, at Thompson. We believe at last we have solved our problem, to a great extent, at any rate.

Heretofore, junior high students have not participated at all in clubs with the exception of a very few in 4-H. The faculty, recognizing this non-participation as perhaps causing the greatest problem, resolved to put their efforts into the organization of clubs this age group would be interested in. After a survey to determine their interests, clubs have been organized in science, arts and crafts, dramatics, creative writing, rhythms, and photography. Primarily for junior high, with perhaps some senior high participation hater on, inasmuch as they have no clubs of this type. The interest shown and participation have been most satisfactory and by next year we expect our activity and club participation to be something very worth while and not a "headache" as we have experienced in the past.

Saturday, March 6, the Thompson High School Band went to Tuscaloosa to compete for state band honors. They were chosen as one of the bands in the district that was qualified and recommended to compete in the contest among the most advanced bands in the state. Most of the criticisms were good ones, though the group plans to do a lot of work before going to Tuscaloosa for the main competition. The band is under the direction of Frank Kendeigh.

The FTA Club met Tuesday and elected the following officers for next year: Pat Hinds, president; Joyce Moore, vice president; Pat Jones, secretary; Charlotte Mathis, treasurer; Sherry Benefield, social chairman; Judy Adams, reporter; Brenda Dover, Dot Frost and Brenda Moore Lemond, program committee.

4-H TALENT SHOW

The 4-H Club of Calera High School held their talent show Tuesday, March 3rd., in the high school auditorium, to select their entries for the County-Wide 4-H Club Rally to be held at Palmer Hall in Montevallo, April 3rd at 9:30 a.m. The high school winner was Sammy Tate with his Andy Griffith Football number.

Barbara Ann Moore was the elementery class winner with her balet dance number.

Mr. N. K. Blankenship of Calera, Mr. J. H. Blankenship, J. C. and Gilbert, and Mrs. Catharine Nix attended the funeral of their sister, Mrs. Adaline Maherg in Mobile Sunday.

Right from the start!

it's the FORD Rear-Attached MOWER

You can be sure that your hay making will be off to a good start if you mow with a new Ford Rear Attached Mower. It's sturdy and dependable . . . cuts fast and clean to help you get the job done on time, before over-maturity robs you of much of the hay's feed value.

Convenient, easy-to-make adjustments, underserrated or plain edge knife sections, heavy duty or standard guards . . . all contribute to the excellent performance of this mower in a wide variety of crops and conditions . . . and it's on or off your tractor in a jiffy.

Models for all Ford Tractors and some competitive tractors with similar 3-point hitch. Available with 6' or 7' cutter bar. Ask for a demonstration.

Shelby County Highway Department Constructs Portable Rock Crusher

The Shelby County Highway Department has constructed a portable (mounted on rubber) "Jow Type" rock crusher. The cooperation of the Board of Revenue and Control, coupled with the ingenuity of the Highway Department's shop personnel, shop foreman and maintenance superintendent, was largely responsible for this valuable piece of equipment.

An 18"x30" "Jaw Type" crusher unit was acquired from the Cheney Limestone Company for a very reasonable sum of money. The Caterpillar diesel power plant was removed from a discarded ¾ cubic yard shovel. The trailer frame was constructed from I beams salvaged from an old steel bridge. The 30" belt conveyor was constructed from parts acquired from a used parts company in Birmingham.

The conveyor gasoline power plant consists of a used 4 cylinder Wisconsin engine operating through a gear train to give the conveyor the proper belt speed. A used 4 C. Y. dump body was utilized to construct a hydraulic operated hopper for charging the crusher. The hydraulic pump, valve and other small items were taken from discarded equipment. The output of the portable crusher is figured to exceed 100 tons of crushed material per hour. The pulverized material will range from 3 inches down.

The versatility of this portable plant will fill a long standing need for pulverized chert material for use in base course, subbase and rural maintenance operations. It is realized that such a plant is certainly no panacea for the county's surfacing problems; however, it will definitely fill a need that will result in better gradation by elimination of oversize materials with a better mixture from the pit.

Heretofore, the oversize materials usually were left along the edge of the shoulders, spilled along the front slopes and in the adjacent ditches, resulting in loss of valuable material, obstructed ditches, created hazards to traffic and costly clean-up before construction acceptance. In operation, the crusher hopper will be charged by power shovel, and the hydraulic hopper will feed the crusher and the trucks will be loaded by the above mentioned 30" belt conveyor.

The construction of this mammoth machine was done by the county shop personnel. The total cost of the portable crusher, exclusive of labor, amounted to $2,453.86. A comparable crusher plant with this capacity costs approximately $60,000.00. Fortunately, the low cost of construction was made possible by the ability and efficiency of the county shop personnel and being able to salvage the major items of equipment, such as the Diesel engine, from discarded or scrapped equipment.—James L. Ray, Jr., County Engineer.

Would you ever guess that there are 800,000 Americans enjoying healthy life today who once had cancer?

Your dollars to fight cancer have gone a long way in slowing down the trend of this dread disease. Your dollars have supported the American Cancer Society's dynamic research, education and service programs—programs whose aim is to save lives. Progress is being made on many fronts, with the dramatic results that the cancer cure rate has jumped from 1 in 4 to 1 in 3 in the last ten years.

But the fight is far from over. Many, many more thousands of cancer victims might be leading healthy lives today if their cancers had been detected early and treated promptly. Guard yourself and your family with health checkups every year. Help guard others with a generous check to your Unit of the American Cancer Society. *Guard your family — fight cancer with a checkup and a check!*

IN MEMORIAM

In loving memory of my husband, Roscoe L. Kimbrell, who was killed one year ago today, March 11. Sudden death surprised us all, a sudden change in a moment fell without a chance to say farewell. We often sit and think of you. To think you could not say goodbye before you closed your eyes. No one knows our longing. No one sees us weep. We shed our tears from aching heart while others are asleep.—Mrs. Bertha Kimbrell Smith.

POLITICAL ANNOUNCEMENT
For Representative of Shelby County in the Legislature

I am a candidate for Representative to the State Legislature from Shelby County, subject to the action of the Democratic Primaries of April 28 and May 26. I pledge myself to do the best job possible as your Representative, if you elect me. Your vote and influence will be appreciated.

Telephone Talk

BACK TO WORK! Every year in the U. S. nearly a million telephone spring cords lose their stretch after heavy use. But we don't throw them away. We send most of them to a Western Electric center, where they go through washing, rewinding, and heat treatments. They come back to us good as new—ready to return to service. We figure it's good sense—and sound economy—to make equipment work as hard as possible for you!

* * *

IT OFTEN COSTS LESS THAN A LETTER to make a long distance call. Seems incredible, yet this was actually proved in a study made by American Business Magazine. The study showed that, by the time you figure stenographic costs, mailing, filing and materials, the average business letter costs $1.70. If you'll check our Long Distance rates, you'll see how many distant places you can call for even less than that. What's more—a Long Distance call is usually better than a letter, because it's faster, more personal and gets quicker action.

I'm the type that goes for solid comfort! Pipe and slippers . . . newspaper . . . phone right at my elbow. That's what I call real living! Happily, most anyone can enjoy those little comforts, because extension phones cost only a few cents a day. And, man, they're worth it! No mad dashes through the house . . . no disappointment of getting there seconds too late. Why not treat yourself to extension phones where you need them. The cost is small. Just give us a ring, and we'll put 'em in!

Clyde Clifton Gives a Charming Story of this Wonderful Spot so Rich in Memories of the Past

(FROM THE BIRMINGHAM SUNDAY CHRONICLE, DEC. 19, 1886)

An unusually interesting account of life in Montevallo in 1886 has been brought to the attention of the Times-Herald by David Ward, formerly of Montevallo, and now a college professor in Georgia. Mr. Ward, while doing research at the Department of Archives and History in Montgomery, discovered a copy of an article published in the Birmingham Sunday Chronicle on December 19, 1886, about Montevallo. We believe that many people will enjoy reading this article. Due to its length, it will be printed in a series of four weeks. The original author is listed as Clyde Clifton. Mr. Ward has tried to locate information regarding this Clyde Clifton, but so far has been unable to find anything. He requests that any information about Mr. Clifton be sent to him at 212 South Mulberry, Statesboro, Ga.

PART 4

Of Mr. Edmund King's half dozen sons, Frank Ragan was the youngest, he was a student of the University of Alabama but graduated at the University ot Virginia and then went abroad to spend two years in travel. When he had been in Europe fourteen months the tocsin of war was sounded in his native south, and he hurried across the seas full of youth's fire and patriotism. He went out as 1st Lieutenant of a cavalry company of which he became captain, and fought to the close of the war. After the war Capt. King graduated from the law department of the University of Lousiana, and practiced law a few months in that city. He was [a] social favorite, gifted in mind and of handsome person and fascinating manners. It was in Lousiana that Capt. King had his public career, the people honoring him with the offices of District Solicitor, State Senator, and member of the last Constitutional Convention. • In'79 Capt. King married Miss Fannie Snodgrass, of Alabama. His health failing him two years after, he came to this old homestead, which he had purchased and after weary months of suffering here, died.

Aside from the personal interest, 'Kingswood" was Wilson's headquarters when he stopped here on his way to Selma, and the room in which I write was where the Yankee general wrote his orders. His whole army camped on this farm which had already suffered at the hands of the Confederate General Lowell's brigade which had spent several weeks in camp on this farm.

Nearer town and just outside the fine old oak grove that makes the policy of Kingswood, as the surroundings are called in Scotland, is the lovely old home, that is the property of the wife and children of the late Hon. John S. Storrs, a prominent lawyer, and for ten years representative of Shelby and Jefferson in the lower house, and one term representing Shelby and Jefferson in the senate of our state legislatur. The former Mrs. Storrs, now Mrs. Holbrook, a lady of superior intellect and attractiveness, resides here, with her interesting daughters. Mr. John Storrs, of Shelby Iron Works, who married that winsome social favorite Miss Lulan North, is his only son. Capt. Chas. Storrs. who married Miss Houghton of Brooklyn, and who struck it rich in Birmingham real estate, is a nephew of Mr. Storrs.

The right hand neighbor of Kingswood is Mr. C. C. Vandegrift, whose wife was a daughter of Mr. S. Steele, a merchant of the Magic City, and A. Vandegrift, his partner, is Mr. Vandegrift's brother. Miss Mayline, a dashing little brunette, not unkown in Birmingham, is his older daughter.

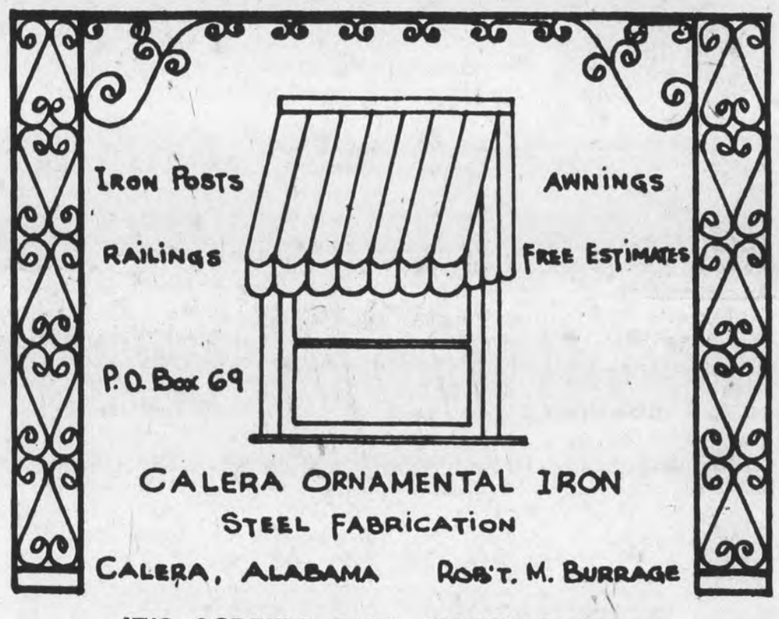

A few yards below the Vandegrift residence is the imposing old institute, from which have gone forth so many maidens, equipped with learning and taught all gracious christian virtues, by Rev. Dr. Meredith and family. The good old man has gone to his reward, but Mrs. Meredith and their youngest daughter, Miss Lydia, have a flourishing school. In Prof. Howard Griggs she has one of the foremost educators in the state. He is winning golden opinions, and the training that he gives the youths entrusted to his care and guidance speaks loudest in his praise. Lyman Hall High School will train some of the leaders of the future Alabama. Mark the prediction!

On a bluff overlooking Shoal Creek, from the rear of the neat cottage, is the home of Mr. Henry Wilson the leading attorney of Montevallo, and who is well known over the state. Miss Leta Wilson, who lately became Mrs. Slaton, of the Magic City, is his sister, and Miss Mamie Allen and Mrs. S. Steele, are his sisters-in-law.

Red Cross Drive Begins in Calera

Red Cross Fund Drive begins this week. Mr. Marion P. Jones of Calera has been elected fund drive chairman of the Shelby County Red Cross for 1959. Assisting Mr. Jones in Calera will be the following:

Mrs. M. W. Hammond, chairman for Calera; Mrs. Lex Ozley, downtown area; Mr. Roy Downs, special gift chairman; residential workers, Mrs. John Gates, Mrs. James L. Duncan, and Mrs. Chuck Barefield.

These workers will be calling on you during the remainder of March.

MHS Band Plans Concert Series

The Montevallo High School Band, directed by Victor T. Young, will present a concert in Palmer Hall on Monday night, March 23rd at 8:00 o'clock. This will be the first of a series of three concerts planned—one each month for the remainder of the school year.

The program will present much that is new this year including concert selections by Bach, Handel, Bizet, Rimsky-Korsakov and Morton Gould. Special features will be a trombone solo by Jimmy Seagle and a trumpet trio by Joe Clark, Tommy Brumbaugh and Ernest Blankenship. Two standard marches, the "Blue Danube" waltz, a modern "blue" number called "Bue Fantasy" and selections from "My Fair Lady" are also included.

Band members will have tickets priced at 25 cents for students and 50 cents for adults. Community-wide support of their efforts in concert work as well as at football games and parades is very important to continued improvement of the band program in the schools. We hope you will be with us next Monday night at Palmer Hall.

Thompson Team Names Captains

Henry Brett has been elected captain of the Thompson High Warriors for the 1959 football season. Eugene "Coot" Walker was named alternate captain of the eleven.

Henry, son of Mr. and Mrs. T. C. Brett, Rt. 1, Helena, is active in other sports at school and has also recently been elected president of the Beta Club for next year.

"Coot" is the son of Mrs. Frances Walker, Siluria.

Sammie Daniels coaches the Thompson team with assistants Buddy Rhodes and Jimmy Jones.

Eleven Betas Go To Convention

March 6-7 marked the date of the annual Beta Club convention in Alabama. From Calera High School, eleven of fourteen Beta Club members went to Birmingham to this convention. They were accompanied by Mr. and Mrs. E. M. Smith.

During the convention the group stayed at a Birmingham hotel; they met Betas from over the state; they gained new ideas for projects in their own club. After four general sessions and the election of the three state officers, the convention ended with a delightful banquet and dance in the Grand Ballroom of the Tutwiler Hotel.

The highlight of the convention to this writer was a talk by Dr. Houston Cole in which he stressed the need for diligent and responsible young people who will become the leaders of the world tomorrow.

Those attending were Patsy Carden, Blair Mabry, Beverly DeWitt, Norma Henson, Linda Farris, Peggy Busby, Linda Lee, Alethea Boggess, Julia Frost, Jean Payne, and Sandra Baer.

Easter Sunrise Service Planned

A community Easter Sunrise service will be held Sunday, March 29, 6:30 a.m. on the high school athletic field. The Community Junior Choir under the direction of Mr. Bruce Tolbert will give special music. The pastors of the community will have charge of the service. The Rev. James Chesnutt of the Montevallo Methodist Church will be the speaker.

Everyone is invited to attend. The Boy Scouts will give out the programs and serve as ushers.

CALERA LEGION MEETING

American Legion Post 56 of Calera will hold a regular meeting at 7:30 p.m. Thursday, March 19. At this meeting applications will be accepted for members interested in the Civil Defense Auxiliary Police. All members are urged to attend this meeting.

Legion and Auxiliary

Montevallo American Legion Auxiliary meets with Hendrick-Hudson Post No. 96 of the Legion Tuesday, March 24th at 7:00 p.m. at the Hut. The meeting is in celebration of the Legion's 40th birthday, and a covered dish supper will be served.

Mr. E. A. McBride, president of the State School for the Deaf and Dumb of Talladega, will be the speaker at the joint meeting. All present and past members of the American Legion and their wives are urged to be present.

Council Passes Trailer Ordinance

At its regular meeting on the tenth day of March, the City Council of Montevallo adopted an ordinance regulating the placement and use of house trailers in the City of Montevallo, Alabama, and the Police jurisdiction thereof.

The ordinance provides that:

(A) No person shall park or cause to be parked any house trailer within the Corporate limits of Montevallo, Alabama, for a period in excess of two (2) hours on any street or alleyway, and not in excess of twenty four (24) hours in any off street area.

(B) No person shall park or cause to be parked, any house trailer within the police jurisdiction of Montevallo, Alabama, without first making application for approval of the City Council of Montevallo, Alabama.

The ordinance further provides permits for parking house trailers within the police jurisdiction as follows:

Permits for parking in the police jurisdiction will be issued only if the following qualifications are met by the owners of the proposed parking site or sites:

(A) There shall be water in adequate quantities and under pressure, from a source approved by the State Health Department.

(B) Sanitary sewer connections or an approved septic tank with disposal fields shall be provided to which connections shall be made to trailers for the disposal of all wastes. All septic tanks shall be installed under the supervision and approved by the Shelby County Health Officer.

Cancer Crusade Goal "Unlimited"

There is no ceiling on the amount of money needed to fight cancer, according to an official of the American Cancer Society who explained why the national organization will launch its 1959 Crusade without fixing a final goal.

Shelby County Crusade Chairman Albert Scott said, " We plan to have a target to shoot at here during the April drive, but it will be a minimum one. There is no maximum goal."

He said, "Nationally the Society, for the first time in history, will adopt a 'goal unlimited.'"

"The public must face the fact of the emergency nature of the cancer problem so that it can accept the full responsibility of supplying the resources needed to deal with it," the chairman said. "You can't fix a dollar ceiling on the lives of some 450,000 men, women and children who develop cancer each year."

It would be unrealistic to fix a ceiling for research funds at a time when there is new hope and many research needs are unmet, the Society spokesman said.

"Today there is hope," the county leader declared. "Cancer research is on the march. The world never before has seen so many brilliant minds employed on a single health problem. The American Cancer Society is supporting more than 1,000 scientists in research centers throughout the country. Many other scientists, including young scientists trained since the war, have asked for Society support but funds are not presently available.

"It is not very realistic to put a ceiling on dollars needed for cancer when 255,000 men, women and children die of the disease each year. Reduction of this loss of life is possible now. In view of what we know and can do about cancer, we should be saving the life of one cancer patient in every two. But we fall 75,000 lives short of this potential because existing medical knowledge and resources are not used to the fullest. Saving these lives is much more important than putting a ceiling on dollars needed for cancer.

"Placing the objectives in human terms rather than dollar terms carries with it the full and true meaning of the April Crusade against cancer."

Mr. Scott has announced that Eddie Downs, of Calera, is County Co-Chairman of the drive. Mrs. Lex Ozley, of Calera, is publicity chairman and Donald Latham, Alabaster, is treasurer.

Drama Festival Is Successful

American Legion's First 40 Years

On March 15, 1959, forty years will have passed since a group of World War I servicemen met in Paris and held the first organizing meeting of the American Legion. From the start the Legion dedicated itself to the Welfare of America in the broadest concept; and of its states and its territories and communities. Today its history and its achievements and its failures blanket the history of the United States and some 17,000 of its communities over four decades.

In the Congressional Act of September 16, 1919, incorporating the American Legion, the names of two Alabamians appeared, John W. Inzer and Mathew H. Murphy.

The Montevallo Post received its first charter in 1924 and was number 96 in the Department of Alabama. It was named The Hendrick-Hudson Post for two Montevallo boys who lost their lives in World War I, Cliett Hendrick, brother of Robert Hendrick, Miss Virginia Hendrick, and Mrs. Lena Duran; and Albert Hudson, brother of Mrs. M. P. Jeter, Sr.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Despite strong arguments advanced against statehood, the admission of the Territory of Hawaii as our 50th state received overwhelming approval last week in both the House and Senate.

As adopted by Congress, the statehood bill determines the boundaries of the new state; provides for necessary elections, including the one to determine if statehood is acceptable to the people of Hawaii; and provides for Hawaii's representation in the U. S. Congress.

Since President Eisenhower has strongly endorsed the legislation, he is expected to sign the statehood measure this week.

Objections to Statehood

A number of important objections to the admission of Hawaii were brought out in the House debate. Hawaii is composed of a series of islands separated from the mainland of the United States by more than 2000 miles of water. Over 70 per cent of the population is of Polynesian or Oriental background with the largest segment of the population—about 38 per cent—being Japanese. Also, the admission of Hawaii as a state reduces by two the number of seats to be apportioned among the remaining 48 states after the 1960 Census.

Communist Influence

Perhaps the most important objection, however, concerned communist influence in the Hawaiian Islands. It is generally conceded that the largest labor union in the Territory of Hawaii is communist-controlled, and there are many political and social organizations carrying communist members on their rolls.

Under the present territorial government, it has been difficult for communists to gain complete control of the islands since the governor and federal judges are appointed by the President of the United States. With staatehood, all officials will be elected.

Those who supported the admission of Hawaii did not deny the presence of the communist element but contended that it could be better controlled if the territory became a state.

Alaska Paves Way

While the arguments against Hawaiian statehood were perhaps even stronger than those advanced against the admission of Alaska as a state, statehood for Hawaii was virtually assured when Alaska's admission was approved during the last session of Congress.

The overwhelming vote last week on Hawaiian statehood indicated that many, who in the past had opposed statehood for both Alaska and Hawaii, felt that since Alaska had been admitted Hawaii should be also.

Priestley Lectures In Michigan

Dr. S. E. Gerard Priestley, Professor of Political Science at Alabama College, lectured at Nazareth College, Kalamazoo, Mich., Thursday evening, March 5. He has just completed lectures at the annual Marygrove Lectures on International Affairs at Marygrove College, Detroit, March 2-4.

Dr. Priestley is one of the outstanding personalities on the American lecture platform. As a specialist in international affairs, he has achieved this position after many years of study in the United States and abroad.

Sunday guests of the Clyde Lawrences were Mr. and Mrs. Bobby Smith, Mrs. D. E. Day, Miss Pat Lawrence of Birmingham and Mr. and Mrs. Jimmy Lawrence of Montevallo.

Spelling Bee Held At Prentice High

The annual county-wide spelling bee and oratorical contest was held at Prentice High School Auditorium Tuesday night, March 10, at 8 o'clock.

Participating in the spelling bee were winners from five of the elementary schools and one high school of the county. The winner of the county spelling bee was Henry Kemp, Alabaster Elementary School.

The callers were Miss Kathyleen Boyd, Mrs. John Hill and Mrs. Ruby Allen.

Following this event, the chorus of Prentice High School, under the direction of Mr. A. Jones, accompanied by Mrs. M. Whitman, sang "The Battle Hymn of the Republic."

The oratorical winners from the respective elementary schools were presented and competed for the county title. The winner of this event was Marvin Maiden, Almont Elementary School.

This was followed by a band number by the Prentice High School Band.

A runoff between two junior high school students of Prentice High School followed, to determine the winner of the high school division of the oratorical contest, with Felecia Glover being declared winner.

A certificate of award was given by Smith and Gaston to the winner of the county-wide spelling bee winner and a chance to take part in the district spelling bee.

A loving cup was given winners of the oratorical contests.

Serving as judges were Mrs. Lelia T. McSpadden, Jeanes Supervisor, Bibb County, Centreville; Mr. and Mrs. John S. Parker, principal and teacher of the Chilton County Training School, Clanton.

Bro. and Mrs. Floyd Goree of Lanette were Friday dinner guests of Mr. and Mrs. Gordon Williams and Douglas.

Farmers of Alabama . . .
PLAN YOUR PLANTING!
● **and include the FARMERS' MARKET on BIRMINGHAM FOOD TERMINAL in your planning.**
Agricultural leaders throughout Alabama are working to encourage the development of vegetable and fruit production as a way of increasing farm incomes in the state.
Much research on crop types and market demands has been done and is still going on. County agents and community farm leaders are informed. Learn from them how you can profit by growing for the fresh fruit and vegetable consumers in Alabama and the nation.
The FARMERS' MARKET and BIRMINGHAM FOOD TERMINAL have helped make such planning possible. It is a fine place for the farmer to sell what he grows when he grows what the public wants. And you can learn what the public wants from the people who have done this research for you.
Plan now for profits from your planting this year. Learn how you can add to your farm income.
Southern Railway is proud of its part in building the BIRMINGHAM FOOD TERMINAL and its FARMERS' MARKET where the farmers of Alabama have a point of sale for their fresh fruits and vegetables. This is a major asset on which the agricultural future of the state can rely.

Highway 25 Montevallo

Southern Electric Generating Company—a new addition to The Southern Company family—was organized to build and operate a huge $150 million steam-electric generating plant now being constructed on the Coosa River, about 40 miles southeast of Birmingham. The new company, known as "SEGCO," is owned jointly by Alabama Power Company and Georgia Power Company; and the economies resulting from the operation of the new plant will benefit both companies.

KEY LOCATION—The power plant is being built near the center of the Southern Company system's four-state service area . . . and readily accessible to Alabama's rich coal deposits. The close proximity of this low-cost fuel, coupled with the fact that here the cost of transmitting electric power over high voltage lines is more economical than transporting coal to distant plants, will result in important operational savings.

ABUNDANT RESOURCES UTILIZED — SEGCO's large fuel requirements will create a new market for Alabama coal. It is estimated that the plant will consume approximately 3 million tons annually, more than 20 per cent of Alabama's total coal production in 1958.

EARLY COMPLETION SCHEDULED—Plans for the gigantic new plant—one of the world's largest—call for an initial installation of four generating units with aggregate power capacity of 1,000,000 kilowatts. The first two units are expected to be completed in the summer of 1960, the third in 1961 and the fourth a year later. This is only one of the projects in which The Southern Company is engaged, in a program designed to assure ample, low cost electric power for the dynamic four-state region it serves. The capacity of our associated companies to serve this area has tripled since World War II. Write the industrial development department of any of our associated companies for full information pertaining to plant sites and markets.

CALERA GARDEN CLUB

The Calera Garden Club met at the Town Hall Tuesday, March 10, at 3:00 p.m.

Delicious refreshments were served with Mrs. W. S. Mitchell, Mrs. Roy Downs, Mrs. O. C. Farris and Mrs. Pat Bailey as hostesses. The table was beautifully arranged with a pale pink tablecloth, centered with a silver bowl of pink roses and at each end a small bowl of pink perfection mamellias grown by Mr. and Mrs. Robert M. Cleckler of Childersburg.

After refreshments, Mrs. Rosa Kunz, president, introduced Mrs. Roy Downs who, in turn, introduced Mr. Cleckler, a camellia fancier, who gave a most inspiring talk on camellias. He brought out several interesting points when buying camellias. First, select the variety best suited to your climate; second, plant on the proper side of the house, and last, but not least, water during the hot season and you will have good luck as a camellia fancier, too.

After Mr. Cleckler's talk the club conducted their business meeting and elected the following officers for the coming year: Mrs. Rosa Kunz, president; Mrs. J. D. Freeman, vice president; Mrs. W. B. Ozley, secretary, and Mrs. P. A. Garret, treasurer.

Among the visitors present were Mrs. George Howell, Mrs. J. F. Blakely, Mrs. S. Davis, Mrs. Gordon Williams and Mrs. Robert Cleckler.

Other members present were Mrs. J. Frank Baker, Mrs. W. B. Blevins, Mrs. R. E. Bowdon, Jr., Mrs. Z. S. Cowart Sr., Mrs. J. D. Freeman, Mrs. P. A. Garrett, Mrs. B. D. Holcombe, Mrs. R. L. Holcombe, Mrs. P. J. Kyser, Mrs. G. N. LaGrone, Mrs. R. J. Mabry, Mrs. Walace Veasey, Mrs. Guy A. Youngblood and Mrs. W. B. Ozley.

Our next meeting will be held on April 14, 1959 at the home of Mrs. W. B. Ozley, co-hostess Mrs. R. L. Holcombe.

VERSATILE — Miss Malinda Berry, 1959 Maid of Cotton, shows how rain-or-shine coat is mated to striped high-belted sheath. By Richard Cole, the coat is J. P. Stevens Zelan-treated cotton poplin; the dress, color-coordinated Ameritex cotton.

GOLD COAST—For after dark, Miss Malinda Berry, 1959 Maid of Cotton, chooses an elegantly styled dress and coat in a gold coast print of deep jewel tones. The dramatic kimono-sleeved coat and softly gathered dress are Claire McCardell Clothes by Townley.

SUN-LOVING — A cotton sun and swim set in yellow souffle striped seersucker by Reeves is modeled by Miss Malinda Berry, 1959 Maid of Cotton. The short topper and swim suit by Brigance for Sportsmaker pack and launder easily.

REGAL—Miss Malinda Berry, 1959 Maid of Cotton, wears a mauve-toned Everfast cotton satin evening coat over a ball-gown styled on Empire lines in floral-printed Supima cotton crepe. This queenly ensemble is by Claire Schaffel.

MAID OF COTTON FASHIONS—

'Ensemble Look' Featured In 1959 Wardrobe

The 'ensemble look' characterizes the 43-piece wardrobe of the 1959 Maid of Cotton, Malinda Berry of Stillwater, Oklahoma. Malinda's wardrobe, styled by top designers in the nation, includes sports, day, and evening fashions—all cotton, of course! In sportswear, the bathing suits are topped by short pullovers or beach skirts. Short, unbelted jackets come with the day dresses in cotton tweeds, satins, and piques. Water-repellent rain and shine coats, ensembled with the day dresses, are lined with the dress fabrics. For evening, designers have paired date frocks with dramatic big coats. Malinda reports that her pretty cotton fashions are "good travelers." Her year-round, all-occasion wardrobe was planned with wrinkle-resistant and minimum-care fabrics in mind. After touring 29 cities in the United States and Canada, Malinda will visit 14 places in Europe, Asia, and the Far East next summer. The Maid of Cotton tour is sponsored annually by the National Cotton Council, the Memphis Cotton Carnival Association, and the Cotton Exchanges of Memphis, New York, and New Orleans.

Children Aid In Clean-Up Drives

In many communities children take an active part in local "clean-up" campaigns. In New York, for instance, miracle gardens and yard parks appeared last year in a number of locations.

The sponsoring organizations furnished tools and the civic committees presented suitable rewards. The projects demonstrated effective public relations on behalf of both the youth organizations and the co-operating municipal agencies.

Another practice is for school students to write and produce plays on "clean-up" themes, take part in poster contests, write slogans, compose songs. The posters and slogans are displayed in neighborhood store windows, the songs sung in school assemblies.

Often a civic organization will organize brigades to do a "clean-up" job on a vacant lot and take responsibility, with the owner's permission, for converting it into a supervised play area.

Fire prevention and safety are important factors in this campaign, which helps immeasurably in preserving property and lives, the National Board of Fire Underwriters points out.

Durable Automobile Bumpers

Nickel under chromium over steel —that's how a good finish on an automobile bumper is built up. The chromium gives it shining beauty; the nickel plating makes the beauty last, and the steel provides the required strength.

RHONDA LITTLETON

RHONDA LITTLETON HAS BIRTHDAY PARTY

Rhonda Littleton, daughter of Mr. and Mrs. Obie Joe Littleton of Calera, celebrated her second birthday Sunday, March 15, at home with a party at 2:00 o'clock.

The "Drum with Clowns" birthday cake was the center of attraction, with the party ice cream, cakes, candy, nuts, chips, and drinks. The children were given chocolate men with balloons as favors.

Rhonda made a lovely hostess as she greeted her guests in her red and white party dress, which also carried out the color scheme of red and white for her party.

Those attending and enjoying the party with Rhonda were Ricky and Bobby Robinson, and Sherry Bice of Jemison, Judy Mims of Jemison, Jodie, Nickie, Patty and Lynn Dobbs, and Stoney Jackson of Birmingham. Mrs. Howell Robinson assisted Mrs. Littleton.

Prepared by American Foundation for Animal Health

America's livestock producers are now taking a financial licking of more than 100 million dollars a year due to causes related to faulty nutrition.

Animals lose weight, milk production is reduced, young animals are born blind, deformed or dead, and mature animals may have defective bones . . . all this caused by faulty nutrition alone.

Vitamin deficiencies can cause calf problems.

One of the most important nutritional problems at this time of year is Vitamin A deficiency. It causes such severe losses that the national committee in charge of Livestock Loss Prevention Year is making a special drive against it this month.

For the farmer, it is important that he know key symptoms of Vitamin A deficiency, so he can be alert for them and get prompt help when they appear. In young calves, symptoms include watery eyes, nasal discharge, cough, wrinkled skin, staggering, and weakness. Mature cattle may develop night blindness or have swollen legs and forequarters. Cows may produce weak, blind, or dead calves.

In swine, Vitamin A deficiency may cause blindness, muscular incoordination, respiratory difficulties, and production of weak, blind, or malformed pigs.

The first thing an owner should do if any of these tell-tale signs appear in his livestock, is to have a proper diagnosis made, to be sure of the cause. Some of these troubles can also be caused by things other than Vitamin A deficiency.

If lack of Vitamin A is the cause, the answer, naturally, is to bolster the ration with corrective amounts of the vitamin. Sometimes, special supplementary treatment may also be needed.

The best plan, of course, is to prevent such deficiency problems. This can usually be done by feeding green, leafy legume hay or yellow corn.

A.A.U.W. TO MEET

The Montevallo Branch of the American Association of University Women will meet on Tuesday evening, March 24, in Reynolds Hall. Coffee will be served at 7:15, with Miss Josephine Eddy serving as chairman of the hostess committee.

Mrs. Gerard Priestley will be the speaker at the program meeting. Her subject will be, "Growing Old Without Fear: What New Zealand Is Doing for the Aged and the Older Citizens."

Mrs. L. R. Conway (Alice Nolen) of Loachapoka, Alabama, was a visitor at The Times-Herald office while in Montevallo last Saturday. Mrs. Conway is principal of the elementary school at Loachapoka.

Tough-built Chevy truck bulls its way deep into the woods for mammoth loads

This big Series 60 Chevy bulls its way as far as 8 miles into the Louisiana woods, fights over ruts and jagged stumps . . . then grinds back out with towering loads of logs! The Sabine Lumber Company attests to the truck's ability to take it: "Chevrolet makes the best truck for our type of operation."

Out where a truck is known for the beating it can take, Chevy's making friends fast. Truckers like the way these toughies hold up; the way they wade right in, take their lumps, yet stay in shape.

Today, it's *grit* that Chevy's showing the trucking industry. Real toughness that pays off in job-after-job dependability . . . in ability to get work done at least expense. You can match Chevy muscle against any tough light-, medium- or heavy-duty job and *know* you've got it beat!

Your Chevrolet dealer's ready right now to meet your special work requirements. Stop by and see him soon.

No job's too tough for a Chevrolet truck! CHEVROLET

IN MEMORIAM

In loving memory of our precious daddy, N. D. Thomas, who passed away 2 years ago, March 24, 1957.

You are not forgotten, loved one,
As it dawns another year,
In our lonely hours of thinking,
Thoughts of you are always near.
They say time heals all sorrow
and helps us to forget,
But time so far has only proved
How much we miss you yet.—Signed: The Thomas Children. 3-19-1tpd

IN MEMORIAM

In loving remembrance of our dear son and brother, Leo F. Ellison, who passed away March 18, 1953, six years ago:

God needed an angel, darling,
Just six years ago today.
And so He called you to Him,
So with us you couldn't stay,
And though we miss you, honey,
And tears still dim our eyes,
We know how peaceful you must be,
'Way up in Heaven's skies.
Please know as you look down on us
You're in our hearts each day,
And your presence is still as dear,
As before you went away.—Mr. and Mrs. J. W. Ellison and Family. 3-19-1t

Funeral Held For Herman Purnell

Funeral services for Herman Emile Purnell, who died suddenly Thursday, March 12, were conducted by the Rev. M. J. Jackson at 2:00 p.m. Sunday at Ward's Chapel with Masonic and Eastern Star ceremonies. Burial in Montevallo Cemetery was directed by Shortridge Funeral Home.

Mr. Purnell, a native of Dallas County was born May 20, 1885 in Selma where at an early age he became a member of the Presbyterian Church. About 40 years ago he came to Montevallo to work at his trade as painter. In the early 1920's he and the former Miss Sallie Prentice, a native of Montevallo, were married here, established a home and reared their family. Widely known as a skillful and relable worker, a loyal friend, and good citizen, Herman leaves many friends in all walks of life to mourn his passing.

He was a member of Masonic Lodge No. 410 in Birmingham, Harris Pride Chapter 437, Order of the Eastern Star in Montevallo, and for many years attended and contributed personal donations to Wards Chapel A.M.E. Church.

Surviving are his wife Mrs. Sallie Prentice Purnell; 2 sons, James Thomas of Brooklyn, N.Y., and Samuel A of Montevallo; 4 daughters, Mrs. Bennie Funderberg of Gaston, Ala., Mrs. Maud Woods of Rockaway Beach, N.Y., Mrs. Mary Jones of Montevallo, and Miss Betty Purnell of Brooklyn, N.Y.; 1 sister, Mrs. Rosa Fancher of Vandergrif, Pa.; 19 grandchildren, and several nephews and nieces.

Mrs. Ella Dismuke from Vandergrif, Pa., was the only out of town niece who attended the funeral.

Village Players Presents "The Four Poster"

The Village Players, one of the nation's most acclaimed theatrical companies, will present Jan de Hartog's hilarious comedy, "The Four Poster," March 24 at Alabama College, Montevallo.

A unique feature of the play is that production includes only two characters. Making this year's tour are Will Sandy and Margery MacDaniel. The 1958-59 tour marks the fourth year the troupe has been appearing in theatres across the nation.

For this tour the Players have chosen the Hartog comedy that ran 79 weeks on Broadway, was a television success, and was made into a popular movie. "The Four Poster" was recently revived with the original cast of Hume Cronyn and Jessica Tandy.

Beverly DeWitte Is Chosen As 'Miss Calera High'

Beverly DeWitte, 18-year-old daughter of Mr. and Mrs. Boyd DeWitte, was chosen "Miss Calera High" Friday evening from a field of 34 contestants. Runners-up were Sandra Baer, Mary Cordes, Linda Loftin and Bonnie Moore.

BEVERLY DeWITTE

A senior, Beverly has been very active in student affairs. She was a cheerleader for three years, is vice president of the senior class, a member of the Beta Club, class favorite, on the paper staff, and was Miss Homecoming in 1955.

Judges were Miss Carolyn Sansing, economist for Alabama Power Company, Miss Peggy Morrison, home economics teacher at Vincent, and Mr. Robert Lightfoot, mathematics teacher at Montevallo High School.

Beverly was crowned by Miss Ann Honeycutt, 1958 "Miss Calera High", and was presented with a bouquet of red roses.

"Wake Up And Read" Is Theme of Library Week

From April 12 to April 18 thousands of communities throughout the United States will be celebrating the second National Library Week. This event is sponsored by the National Book Committee in cooperation with the American Library Association. The object of this week is to remind the American people that reading can help them to explore and to satisfy their need for a greater meaning and purpose in their lives.

Not only is National Library Week a time to reassess personal riches of mind and opportunity; suddenly we find that a "better-read, better-informed America" has become a necessity. The future of our country hinges on the enlightenment of its citizens, for through his own knowledge and action, each man helps to guide the direction of the nation.

A number of interesting exhibits, displays, and events have been scheduled for National Library Week in our town and in the other towns of our county. Let's take advantage of this opportunity, visit these displays, attend these events. Who knows what tantalizing new frontiers, what wonderful treasures of mind and heart we may find in this wonderful world of print.

BURRAGE RITES

Funeral services for William Henry Burrage, 86, of Tuscaloosa, were held Sunday at 2 p.m., at the Spigener-Brown Service Chapel. Mr. Burrage, a native of Tuscaloosa County, died Thursday at the Druid City Hospital. He was the father of Robert Burrage of Calera.

Two County Students Win Scholarships

Two Shelby County high school seniors have been awarded scholarships to Alabama College for the academic year 1959-60.

Samuel Benton Roberts, son of Mr. and Mrs. H. M. Roberts, Columbiana, received an honors scholarship valued at one-half the school expenses.

Anna Blair Mabry received a $100 honors scholarship. She is the granddaughter of Mr. and Mrs. R. J. Mabry, Sr., of Calera.

Competitive examinations were held on campus at Alabama College March 12-14 with some 235 high school seniors from Alabama and surrounding states taking part.

Scholarship winners will enter the freshman class at Alabama College next fall.

Roberts will graduate at Shelby County High School in May. At Alabama College he will major in chemistry.

Anna Blair, who graduates in May at Calera High School, will work toward a degree in education.

Legion Observes 40th Birthday

Thirty-eight members of the American Legion Auxiliary and Hendrick-Hudson Post No. 96 attended the joint meeting and covered dish supper celebrating the Legion's fortieth birthday Tuesday night at the Hut in Montevallo.

O. C. MEDLOCK

Conservationist To Visit County

O. C. Medlock, Alabama State Conservationist for the Soil Conservation Service, will visit Shelby County April 1, while on a one-week trip to study progress in soil and water conservation in the six counties of the North Central Soil Conservation District.

For a day he will tour Shelby County with local S.C.S. workers, visiting many district cooperators to see what progress they are making in establishing a cross-section of the many different practices being planned by row crop, livestock, and woodland operators.

Mr. Medlock after almost 20 years of directing S.C.S. personnel in assistance to Soil Conservation Districts, is familiar with all aspects of the job. He knows Shelby County and is known by many of those farming its soil because he spends some time every year in the field here.

One of the farms visited will be that of A. C. Parker, who became a district cooperator on October 15, 1953. Retiring from a navy career, Parker set out to restore an 80 acre, badly neglected rowcrop farm. Working alone most of the time he has developed lush pastures on the 336 acres not in woods. He is using fescue and bahia grasses on adapted areas, with crimson, button, and white clovers, with rye grass and vescue grass for winter grazing. Hogs and cattle are grazing these fields. Two large poultry houses help provide ful time employment and income.

Future plans call for Mr. Parker to clear 25 acres of land adaptable for pasture, to improve the pine stand on 19 acres and to build a 5 acre S.C.S. designed pond.

"I want a car that's BUILT FOR PEOPLE"

"Just like a woman! I want a car BUILT FOR SAVINGS".

"Dave, I've found exactly the right car for us! It'll make driving ever so much more comfortable."

"Comfort's fine, Nancy, but we've got to consider savings, too. And I've found just the car for that!"

"But the car I've found is so easy to get in and out of . . . and so comfy to sit in."

"Yes, but my car will save us as much as $1.00 on every tankful of gas because it uses regular. How about that?"

"Well, that's nice, but what about my frilly hats? We'll have hat room not just head room in my car. And you're no shorty, either . . . you'd bump your head in a lot of those new cars."

"Not in this one. And it only needs oil changes each 4000 miles. Its muffler is aluminized to normally last twice as long, too."

"In the car I want, everybody enjoys a soft comfortable seat . . . even the folks in the middle! This car's built just right for us . . . and besides, I think it's cute."

"Sure, looks are important . . . and my car will keep on looking good 'cause its finish is so bright and durable it never needs waxing."

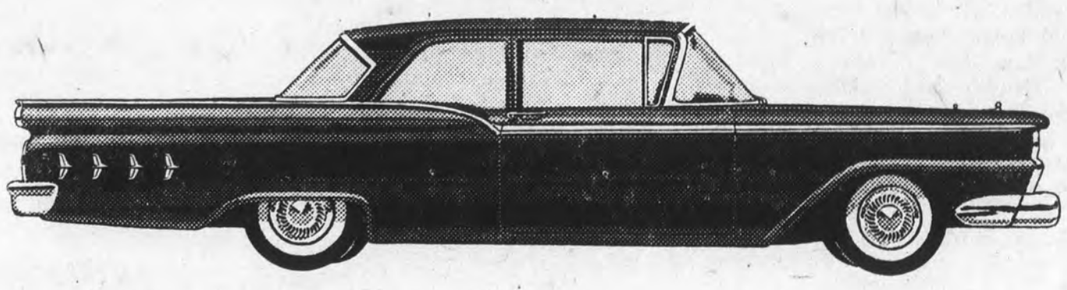

"Well, the nice man at the Ford Dealer's told me . . ."

"Did you say FORD? . . . that's the car I want, too! And we can save as much as $102.75 on purchase price alone! What are we waiting for?"

"Darling, you're a genius!"

Plain talk to the man who thinks "all cars are built alike today"

J. EMMET JUDGE

"The one thing we know car buyers want above all in an automobile is *quality*. Yet many people assume that all cars today are pretty much the same in this respect.

This is far from being the case. I can name at least 30 basic differences in the design of our '59 Mercury. Naturally, we feel these differences make Mercury a better car. For example:

EXTRA STRENGTH STARTS WITH THE FRAME

The backbone of every Mercury is the frame. We use a heavy box-type construction—the heaviest in the industry. Competitors use frames that are up to 125 pounds lighter.

WE BUILD QUALITY YOU CAN SEE

Compare the way Mercury builds engine hoods. Most competitive cars use what is known as a single-panel construction. This type of hood can be twisted and turned with the slightest pressure—often flutters and vibrates when the car is in motion. At Mercury, on the other hand, we use a double-panel construction—two layers of steel with the insulation sandwiched in between. Not only is Mercury's hood more rigid, but it looks better.

YOU FEEL THE QUALITY WITH EVERY STOP...

Mercury brakes are the largest in the field—with up to 22% more brake lining than competitive cars. And only Mercury in its field has brakes that adjust themselves mechanically. You save money by eliminating periodic adjustments. And you are safer because Mercury brakes stay properly adjusted for the life of the linings.

...AND EVERY TIME YOU TAKE THE WHEEL

All 1959 Mercurys have a flexible coupling installed in the steering system. This acts as an insulator—absorbs road shocks that would otherwise travel up to the steering wheel. Mercury, unlike some cars, gives you this with either manual or power steering.

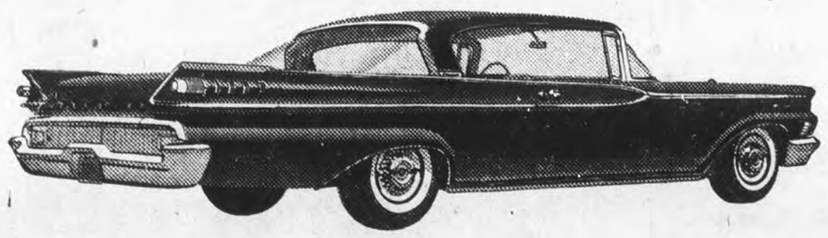

WE HAVE PLENTY OF PROOF THAT THIS IS THE BEST-BUILT CAR IN AMERICA TODAY

We know it is the greatest *Mercury* ever designed and built. Never in Mercury's 20-year history have we had so much value in the product itself. Mercury has advantages *everywhere* over competition. The four described on this page are only typical. In future messages I'll tell you about dozens more—in styling, comfort, in everything you want in a car."

Keep Your Head After Accident

By Martha Johnson
Dodge Safety Consultant

REMEMBER these important rules if you're ever involved in a traffic mishap:

Notify police or highway patrol.

Don't panic. Keep calm. It will help set the pattern for others involved.

Give first aid to the injured. Don't move them.

If your car can be moved, drive it off the highway, but don't leave the scene.

Exchange name and address, license number and name of insurance company with the other driver.

Get names and addresses of witnesses.

Make notes of pertinent details that may be useful later.

Don't admit liability to anyone. Don't sign anything. Leave it to the legal authorities to decide who is at fault.

When released by the police, have your car towed to a garage if repairs are necessary.

Call your insurance company and give them the facts.

MRS. JAMES H. WELLS

Miss Farris And Mr. Wells Wed

Mr. and Mrs. Emory Carson Farris announce the marriage of their daughter, Sherrill Ann, to James H. Wells, son of Mr. and Mrs. James J. Wells of Birmingham.

The ceremony took place on March 18 in Auburn, where the couple attends Alabama Polytechnic Institute.

The bride is a major in the school of home economics. She is a member of Alpha Gamma Delta sorority.

Mr. Wells is a senior majoring in business administration.

The couple will be at home at Lakeside in Auburn.

Selden Warns of 'Civil Rights' Bills

Congressman Armistead Selden warns that "the efforts of those who oppose destruction of states' rights must be intensified if certain so-called civil rights legislation now pending in Congress is to be defeated".

For the past three weeks the House Judiciary Committee has been conducting a series of hearings on various civil rights proposals, and hearings are scheduled to be resumed on April 8 when opponents will be given an opportunity to testify.

Rep. Selden pointed out that bills designed to provide federal aid to desegregated schools, to prohibit poll tax laws, to provide for integration in transportation and in housing, and to broaden the powers of the Civil Rights Commission are all under active consideration and will be pushed by their proponents following the Easter recess of Congress.

The 6th District Congressman has requested permission to appear before the House Judiciary Committee in opposition to pending civil rights proposals.

"The passage of such legislation can only create further confusion and ill will between the races," Selden said. "In order to defeat these measures," he continued "we must have the wholehearted support of all who believe in the preservation of the rights and the privileges reserved to the states by the Constitution of the United States."

Smokey Says:

Be sure your campfire is out — DEAD OUT!

WILL SHE LIVE TO GROW UP?

This child has leukemia – one of the most tragic forms of cancer. Only research has kept her alive. Ten years ago, children stricken with leukemia – cancer of the blood-forming tissues–had only a few weeks or months of life. Today, many of these children have had precious months, even years, added to their lives, thanks to dramatic research discoveries. Until science finds the means to save them, however, they live on borrowed time. The American Cancer Society's research program includes $1,500,000 annually for research related to leukemia. Millions of dollars more are needed to conquer this grim disease –which kills 2,000 children each year, and is taking an increasing toll of adult lives.

Help research find the answers that will save these lives. Give generously to the American Cancer Society's intensive research assault against leukemia and all other forms of cancer.

Transportation, Mrs. Mildred Doyle.

Memorial Chairman, Mrs. Ted Bridges.

Representatives from each town, Mrs. Frances N. Duke, Siluria; Mrs. Z. S. Cowart, Calera, overall County Chairman.

The Cancer Campaign Chairman is Mrs. Pauline Rogan; Mrs. Ted Bridges, co-chairman.

After the program a business session was held. Committee chairmen gave their annual reports and officers were elected for the coming year. They are Mrs. Willie Galloway, president; Miss Edythe Hartley, vice president; Mrs. Frances Duke, secretary; Mrs. Ruth Lovelady, corresponding secretary; Miss Lelah Brownfield, treasurer.

The next meeting will be April 20 at the home of Mrs. Ruth Lovelady, with Mrs. Mildred Doyle as co-hostess. We will have Miss Judy Wallace and Miss Tommie Mowery to talk to the club about Girls' State and Girls' Nation 1958, after which Mrs. Willie B. Graham, State Second Vice President, will install the incoming officers.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Bills were passed by the House of Representatives last week to extend unemployment compensation, to provide tax benefits for the self-employed, and to assist states with airport projects.

The unemployment compensation bill, which was passed by a voice vote, provides a three-month extension of the federal program which pays special benefits to persons unable to obtain employment. The program was initiated last year during the recession and is scheduled to expire on April 1.

If enacted, the bill extending the program is expected to benefit approximately 405,000 jobless persons. To be eligible, an individual must already be receiving the special payments or must file a valid claim by March 31.

The Senate is expected to approve the bill this week.

Retirement Plan

Although the President has indicated that he will veto any tax relief legislation, House members approved overwhelmingly the measure that will give income tax deductions to persons setting up their own pension plans. The bill will permit doctors, lawyers, and other self-employed individuals to deduct from taxable income up to $2500 a year that is set aside in a voluntary retirement trust fund. Those who start their pension plans after age 50 will be allowed to set aside a larger amount annually. In both cases, however, the total lifetime tax-free savings under the plan cannot total over $50,000. Pension benefits can commence at age 65, and the bill requires that they begin before the retiree reaches age 70.

Acceptable retirement plans under the bill are annuities (or endowment policies) issued by a domestic life insurance company or trust funds administered by banks.

The chairman of the Senate Finance Committee has stated that it may be some time before the House bill is considered by his committee. A similar measure was passed by the House of Representatives near the end of the session last year, but the Senate failed to take acion on it before Congress adjourned.

Airport Funds

The third important measure approved by the House last week authorizes federal aid for airports totaling $297 million over a four-year period beginning July 1, 1960.

The total authorization is $97 million more than the Administration recommended, but is less than the $465 million voted by the Senate last month for this purpose. A Senate-House conference committee must now devise a compromise version of the legislation which will be acceptable to both houses.

Sixteen of the 45 public airports in Alabama have reported plans to improve or expand their facilities in the next few years. These proposed projects are estimated to cost nearly $17 million, and it is anticipated that only half that amount can be supplied from local and state sources.

Under the Senate bill, Alabama would be eligible to receive about $1,323,951 annually in federal aid for airport projects. Of course, this amount will be reduced if Congress enacts the House measure or if a compromise bill providing an amount less than the Senate total is enacted.

MARION P. JONES

Jones Opposes County Fee System

Marion P. Jones, Calera, a candidate for representative in the State Legislature in Shelby County, has announced that he opposes the fee system for county officers.

Jones told a meeting of the Mid-State Labor Council Monday night that if elected, he would introduce a bill to abolish the fee system in Shelby County.

A great sacing of county funds for many worthwhile projects can be made in this way", Mr. Jones said.

"The county should, and will pay a fair and equitable salary to continue to attract the finest men," he said.

"If I am elected, and if the proposed bill I introduce is passed, a committee will be appointed to make recommendations as to what the salaries of the various county officers should be," Jones said.

Jones mentioned better roads, aid to education, and more equitable salaries for other county employees as some of the results of the abolition of the fee system.

CALERA CIVITAN MEETS

The Calera Civitan Club met on Tuesday night at Pearl's Cafe.

Rev. Hearin gave the invocation. After dinner the guests of the club, the oratorical winners and their leaders, were introduced by Mr. Zollie Cowart, chairman of the oratorical contest.

Senior winners were Billy Hall and Linda Loftin. Junior winners were Cheryl Conway and Dan Bailey. Miss Mamie Bishop and Mr. Tubbs of the Calera High School faculty were their leaders.

Ladies Night will be held April 14 and a fish fry on May 13 at the home of Mr. and Mrs. Willie Crawford with the fire department invited.

Members of the Board of Directors were elected. They are Z. S. Cowart Sr., J. C. Rowe, Claudus Tidwell, Carl Edwards and Arthur Davis. New officers of the club will be elected on April 28.

Mrs. Dave Carden, Sr., was a recent guest of Mr. and Mrs. Jack Carden and family in Tuscaloosa.

Mr. and Mrs. Curtis Green and Judy have moved back to Calera from Miami, Fla.

MARTHA ANNETTE LEE

Martha Lee Has Birthday Party

Martha Annette Lee, daughter of Sgt. and Mrs. Billy Lee, celebrated her third birthday Saturday with a party at the home of her great-aunt, Mrs. Mitchell Young. After a period of games and opening of gifts, refreshments of cake and ice cream were served by the hostess and the honoree's mother.

Favors of bon-bons, balloons and candy-filled Easter baskets were presented to everyone. Leading the games was Mrs. Claude Humphreys, assisted by Miss Clara Young.

Those attending were Laurie Little, Margaret Lauderdale, Jane Watson, Gerard Priestley, Harry Martin, Danny Blackmon and Allan Blackmon.

HOME OWNERS' QUESTION BOX

Q—We plan to put a new roof on our house and have been advised to leave the old roofing material in place, applying the new roof directly over it. What do you think?

A—Why not? If you use asphalt shingles, I can't think of any disadvantages to this procedure, but there are several advantages. You save money, for one thing. It takes a lot of costly time and labor to rip off old roofing and pry out all the nails. You also save cleaning up afterward, since the job of tearing off an old roof can leave an awful mess. Last but not least, leaving the old roof in place avoids exposing your house to elements in case a sudden storm blows up before the new roof is completed.

Q—My wife hasn't spoken to me since I refused to buy a house she had her heart set on. I did it because I'm sure the builder failed to install a nickle's worth of insulation. Was I right? I'd appreciate an answer in a hurry.

A—Glad to help you out of the dog house. You were 100 per cent right. Even the prettiest little cottage can be a nightmare of chill drafts and high fuel bills in winter if it isn't properly insulated. Tell your wife the facts: it's been proven in exhaustive tests that 4 inches of mineral wool in the ceiling and 3 inches in walls can save as much as 40 per cent annually in heating fuel, not to mention the benefits of comfort from the even temperature this insulation helps maintain.

Q—Is there an easy way to drive screws into hardwood?

A—Try drilling holes in wood first. Use a bit about half the size of the screw.

Darkness Wins; Montevallo, Calera Tie

By Freddy Draper

When darkness finally halted play in a pre-season game between Montevallo and Calera, the score stood at two-all. No plans were announced for completion of the match.

After three scoreless innings, Askins singled and Findley drilled a triple to deep left to bring in the initial run for the Eagles.

On by an error in the following frame, Scoggins advanced to second as Edwards worked Jarvis for a free pass and romped home as Cost smashed a single through the box.

Finally coming to life in the sixth, the Bulldogs scored two to even the count. Smitherman, on by a fielder's choice, reached third when Jarvis planted his second double for the day in the bleachers. Brown brought in both runners with a sharp double to left.

The two teams remained deadlocked through the seventh and eighth innings and darkness finally halted the contest.

Jarvis, Smitherman and Winslett all took turns on the mound for Montevallo, while Findley and Parks handled the Eagle hurling.

Jarvis carried the most menacing club for the Bulldogs, collecting three hits in four trips, including two doubles.

Montevallo got 6 hits while holding Calera to three.

The Bulldogs host the Indian Springs nine Thursday afternoon, March 26. Game time is 3:30. The schedule for next week is Jemison here Tuesday at 3:00 and Blocton there Friday at 3:00.

Press The Attack On Leukemia

Leukemia—a fatal cancer of the blood-forming tissues — is often thought of as a child's disease. This is probably because we are quick to respond to tragedies involving children. Leukemia causes about 2,000 such tragedies among children each year.

But the leukemia problem is far greater than this. Last year the disease killed over 9,000 adults. Furthermore, leukemia mortality is increasing in older adults while it has leveled off in children, the American Cancer Society reports.

The greatest increase is in men and women over 60. The leukemia death rate for men in their early sixties has nearly tripled since 1930. And for men in their early seventies, the death rate has increased five-fold. In a quarter of a century, the leukemia death rate for these older men rose from 8.4 to 41.3 per 100,000 population.

Although it occurs less frequently in women, leukemia has also risen spectacularly in the older age brackets. In the early sixties the death rate has more than doubled, and for women in their seventies it increased from 4.7 to 23 per 100,000 population.

Faced with these facts, the American Cancer Society has stepped up its research attack on leukemia. It reports that current grants by the Society for leukemia research total more than $1,500,000 per year. This includes grants for virus research which may contribute to the ultimate solution of the problem, since there is some evidence that leukemia may be virus-caused.

This research must be continued and expanded. Ten years ago leukemia was considered a hopeless problem. But today there is hope. Through the discovery of chemicals and other new techniques of treatment, it is now possible to prolong lives months and even years in some leukemia patients.

A vaccine has proved effective against one kind of virus-caused mouse leukemia. There are many other promising research leads to a possible solution of the problem. Citing advances made against leukemia, the American Cancer Society has said, "Judging from the results of current experiments more can be expected soon."

This should be one of the thoughts foremost in our minds when the American Cancer Society asks us to contribute to its 1959 Crusade.

Elliott Speaks To DKG Society

Alpha Nu Chapter of the Delta Kappa Gamma Society met in the Thompson High School in Siluria at 7:30 p.m., Marth 19. Mrs. Rebecca McGaughy presided.

Mrs. Wilma Elliott introduced Dr. W. W. Elliott, principal of the Thompson High School and a member of the Alabama Education Commission, who spoke on recommendations of the Alabama Education Commission relative to the instructional program. Some of the recommendations listed by Dr. Elliott were:

Program of studies must provide for needs of all children by means of electives, special courses, libraries, trained librarians, and other facilities.

Relief of overcrowded conditions by provision of more class rooms and additional teaching staff.

Increase of appropriations for textbooks, instructional material for pupils, and materials for teacher study, and for visitation of other school systems.

Qualifications for state and county superintendents, supervisors, and school principals be raised and more supervisors be provided.

Provisions of an adequate guidance program, a testing program; students who are especially gifted be encouraged to take courses to develop abilities.

Dr. Elliott stated that one of the worthwhile outcomes of the study made by the commission was a better understanding of the problems confronting education and educators today.

Members present were Mrs. Emmie Davidson, Miss Minnie Dunn, Mrs. Nannie Dee Durden, Mrs. Wilma Elliott, Miss Lavada Harper, Mrs. Loretta Head, Mrs. Myrtle Johnson, Miss Anita King, Mrs. Mary Kroell, Miss Beatrice Kunster, Dr. Ethel Marshall, Mrs. Rebecca McGaughy, Mrs. Mildred Nichols, Mrs. Charlotte Peterson, Mrs. Sara Walker, Miss Vinnie Lee Walker and Mrs. Margie Sullivan.

"PISTOLS" FOR GOOD HOUSEKEEPING. There's a newly-developed cleaning "pistol" which comes in mighty handy in keeping your telephone service dependable. Developed by Bell Labs, it prevents harmful dust and film from accumulating on dial equipment. The trigger on the handle shoots out a stream of cleaning fluid. On the end of the pistol are special velvet scrubbing pads that get dial switches clean as a whistle. We clean the equipment in other ways, too. Even with vacuum cleaners! Good housekeeping on our part means good, dependable service for *you!*

Freddy Draper To Head MHS Student Council

Freddy Draper, 5 feet 8 inches of freckles, topped with red hair and a friendly grin, has been elected to lead the Montevallo High School student body next year as president of the Student Council. Freddy, a junior, defeated Larry Smitherman for this top office in an election this week.

Other officers chosen were: Secretary, Billy Milstead; treasurer, Cissie Orr. Beverly Bunn was a candidate for secretary. Cissie's opponents were Tommy Brumbaugh and Cecilia Lawson.

A run-off for vice president is set for Thursday. Candidates were Janice Jones, Danny Thornton and Peter Givhan. Danny was eliminated in the first round.

FREDDY DRAPER

Draper, the newly elected president, is an all-round student, outstanding both for scholarship and his ability on the football field. He has been listed on the honor roll since entering high school and for the first semester this year he had an all A average. This past football season he was named all-county and all-conference for his work in the Bulldog line.

The job of president will be no new experience for Draper, as he served as president of the Greenhands in FFA, was president of his homeroom in the tenth grade, and this year is president of the junior class.

In the Baptist church at Aldrich Freddy has been ambassador in chief of the R.A.'s for 4 years.

Freddy is the son of Mr. and Mrs. J. C. Draper. He succeeds Jimmy Seagle of Pea Ridge as president of the council.

Mr. B. W. Hamric is sponsor of the Student Council at Montevallo High School.

Funeral Held For Mrs. Ethel Dawson

Mrs. Ethel McMath Dawson, a member of pioneer families, died in her sleep Monday night. She was 81. Graveside services were at Montevallo Cemetery Thursday at 11 a.m., the Rev. James Chesnutt officiating.

Her parents were the late Mr. William McMath and Mrs. Drucilla Meroney McMath. At an early age "Miss Ethel" was graduated from Central High School and Business College in St. Louis, Mo. After returning to Alabama she attended and received a diploma from the school now known as Alabama College. She served as secretary to the president, Dr. F. M. Peterson.

Her marriage to Mr. R. B. Dawson in 1906 took her to Coleanor, where her husband was employed. While there Mrs. Dawson was made principal of the school, and, as legend has it, she was the most successful principal the residents of Coleanor ever had.

During the 1920's she was a very popular teacher of shorthand and typing at Montevallo High School. For many years her interest and artistic work in ceramics has attracted widespread admiration and has given friends, relatives and organizations pleasure. The "Cardinal", presented to the St. Louis Cardinal baseball club, was probably her best known work.

Surviving are an uncle, John H. McMath of Decatur and a number of first cousins, Misses Anna Nabors, Mildred and Eloise Meroney of Montevallo, Mrs. Battle Peebles of Aliceville, Mrs. Eugene Murray of St. Louis, Mrs. Frank Knox and Miss Lulan Meroney of Birmingham, J. R. Powell of Bessemer, Alex Richards of Knoxville, Hugh McMath and Mrs. DeWitt Duskin of Columbus, Ga.

Except for numerous strips of adhesive tape covering cuts on his face, Louis Knowles seemed as chipper as ever Monday, following a narrow escape from more serious injuries Friday night. His car, in its tumble from the highway on Holloway Hill, was badly bent.

MISS TOMMIE PEETE

Miss Peete To Marry April 11

Miss Tommie Peete and Thomas E. Langston of Birmingham and Centreville will be married at 8:00 p.m., April 11 at the Underwood Baptist Church.

Their engagement is announced by Mr. and Mrs. Thomas V. Peete of Underwood, parents of the bride elect. Mr. Langston is the son of Mr. and Mrs. Surry T. Langston of Centreville.

Miss Peete majored in elementary education at Alabama College and is a member of the faculty of West Side Day Nursery.

Mr. Langston is the grandson of Mrs. C. W. Wade of Calera.

He received his BS degree from the school of commerce and business administration, University of Alabama. He is staff photographer for the Birmingham Post-Herald.

Mr. and Mrs. George Anderson moved into their new home in Dry Valley Tuesday. Glad they didn't move too far from us.

MONTEVALLO STUDY CLUB

The Montevallo Study Club met Tuesday afternoon at the home of Mrs. Paul Rogan with Mrs. T. Bridges, co-hostess. Mrs. Frank Morgan presided.

A report on the legislative council at Alabama College was given by Mrs. J. Frank Baker.

"An Outstanding Person in the Field of Medicine" was the program subject. Mrs. Lewis Kirkland chose Dr. Salk and gave an interesting account of his life and the development of the Salk vaccine.

The next club meeting will be on the third Tuesday in April with Mrs. Kirkland, and Mrs. Walters co-hostess. Mrs. M. L. Orr Sr. will have the program, "An Outstanding Personality in the Field of Literature".

ONE FROM SHELBY COUNTY

State Director Thompson of the Selective Service says that 256 men will be called for induction during April to fill Alabama's quota of 115. There will be one man from Shelby County in the call.

SOUTH CALERA HOME CLUB

The South Calera Home Demonstration Club is growing quite active. Nine members and four visitors met Wednesday afternoon at the home of Mrs. Lester.

"Rat Control" was the demonstration by Mrs. Carl Bailey, and we now know how to get rid of 'em. Later in the summer we all will make a concerted drive on the horrible rodents.

It was decided that caring for a particular church ground is not a club project, since members belong to different churches. Mrs. Marvin Giles never forgets her "Pennies for Friendship" and will have a very nice contribution when time comes to send it.

The willing workers for the cancer drive were Mrs. Tate, Mrs. Bailey, Mrs. Ryan, Mrs. Martin, Mrs. Giles, Mrs. Hale, Mrs. Lester and Mrs. Stockdale. There was a unanimous vote to send a child to camp.

Refreshments were served by the hostess, assisted by Mrs. Bailey, Mrs. Martin, Mrs. Ellison. The April meeting will be with Mrs. C. B. Martin.

Students Visit Central State Bank

(Note: This report was written by the students after their tour through the bank).

On Monday, March 23, Mrs. Eddie Downs' sixth graders enjoyed a very interesting trip to Central State Bank. Mr. Eddie Downs, the cashier, conducted the tour.

We saw several useful and time-saving machines. Among these were the posting machine, automatic money counter, check cancelling, proof machine, dictaphone, and photographic machine. The tellers demonstrated each of these to us. Some in the group dictated a letter into the dictaphone. This is a machine with a microphone into which you talk, and it tape records your voice so that when you play it back you hear your own voice. Mr. Downs dictates his letters into this machine. Then his secretary plays them back and types them.

The most interesting thing of all was a peek inside the vault. The bank vault with its heavy steel door and complicated lock combinations safeguards money and valuables in safety deposit boxes. Believe it or not, but we held $25,000.00 in our hands. It was a very small package. This was more money than any of us could imagine. The safe has a time lock on it. Every afternoon one of the employees sets it to the time he wants it to open the next morning. You can not open it then, even if you know the combination until this amount of time has lapsed.

In a showcase in the lobby we saw pictures of people in Calera that were made years ago. You should see the picture of Calera's first school. The lobby was attractive with its potted plants; soft, sweet music filled the room as the employees worked.

After all of us had seen how the bank is operated, we went upstairs and enjoyed refreshments and each one was given a souvenir from the bank.

Upstairs, they have an attractive living room, and two big storage rooms. Mrs. Theda Nordan, from the Shelby County Times Herald, Montevallo, made pictures of the group as they saw different phases of work in operation. Look for our pictures in the paper soon.

We enjoyed our tour very much. We wish all of you could share this same experience.

Aid Asked For County Hospital

Mr. Frederick L. Cameron, Chairman of the Shelby County Red Cross, issues the following statement of appeal to civic leaders and groups in Shelby County:

"As you know, our Shelby County Hospital is expected to begin receiving patients early this summer. Of course there are some problems to be worked out. We need your help.

"You can help us solve some of the problems, such as supplying a blood bank.

"We want you to attend a meeting of civic leaders to be held Thursday, April 2 at 7:30 p.m. at the First Baptist Church in Columbiana. Cooper Green, national vice chairman of the Red Cross Fund Drive, will speak at the meeting.

"I know you are very busy, but I also know you will help us with some of the problems confronting us.

"I am looking forward to seeing you at the meeting in Columbiana April 2."

Training Institute To Be In Calera

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

The House of Representatives last week passed and sent to the Senate the Second Supplemental Appropriation Bill for fiscal year 1959. This measure contains supplemental or emergency funds for financing various government activities during the remainder of the current fiscal year.

Before passing the measure, the House approved amendments to restore funds cut by the House Committee on Appropriations for the Mutual Security Program's Development Loan Fund, for defense educational programs, and for the care of patients at Veterans Administration hospitals.

Funds for Education

The Department of Health, Education, and Welfare had requested Congress to appropriate an additional $75 million for operating programs under the National Defense Education Act. It was pointed out that more funds were needed to finance student loans, grants, fellowships, and aid to states for the remainder of fiscal year 1959.

Although the House Appropriations Committee had recommended only $25 million to implement the National Defense Education Act, an amendment from the floor providing for the restoration of the full $75 million was approved.

The supplemental bill also included a 20-million-dollar appropriation for the maintenance and operation of schools located in federally impacted areas and $24 million for construction of new school facilities in such areas.

Other Amendments

For the Development Loan Fund, which makes loans to friendly foreign countries for improving their own resources, the House voted $100 million. The Appropriations Committee had earlier eliminated all funds for the Development Loan Fund in spite of an Administration request of $225 million for this purpose.

Another amendment resulted in the appropriation of $4.5 million for in-patient care of veterans and an additional $554,000 for outpatient services.

As approved by the House, the supplemental bill carries funds totaling $2.6 billion to finance various agencies and programs through the remainder of fiscal year 1959 which ends on July 1. This amount constitutes $207.5 million less than President Eisenhower had requested.

It is expected that the Senate will make some changes in the amounts approved by the House, and it will probably be necessary for a join conference committee to draft a version acceptable to both.

Unemployment Funds

A compromise version of the Senate and House bills designed to extend the government's special unemployment compensation program for three months was approved by both houses last week.

As sent to the President, this legislation extends monthly payments through June for those persons already on the jobless benefit rolls and to others who had qualified before the end of March. Persons who become unemployed after April 1 are not eligible for the special benefits.

Congress Recesses

At the conclusion of the legislative day last Thursday, the House and Senate adjourned for the annual Easter recess of Congress. Both will reconvene on Tuesday, April 7.

Mr. and Mrs. J. M. Tames and Sandra are visiting relatives in Kentucky this week.

Bobby Parks Has Birthday Party

Mrs. Robert Parks entertained for her son, Bobby, and his friends, Wednesday night, March 18th at the Recreation Center, with a party celebrating Bobby's 16th birthday.

The color scheme of yellow and green was used in the decoration. and the beautiful 3 tier birthday cake with the No. 16 on the top, and lime punch.

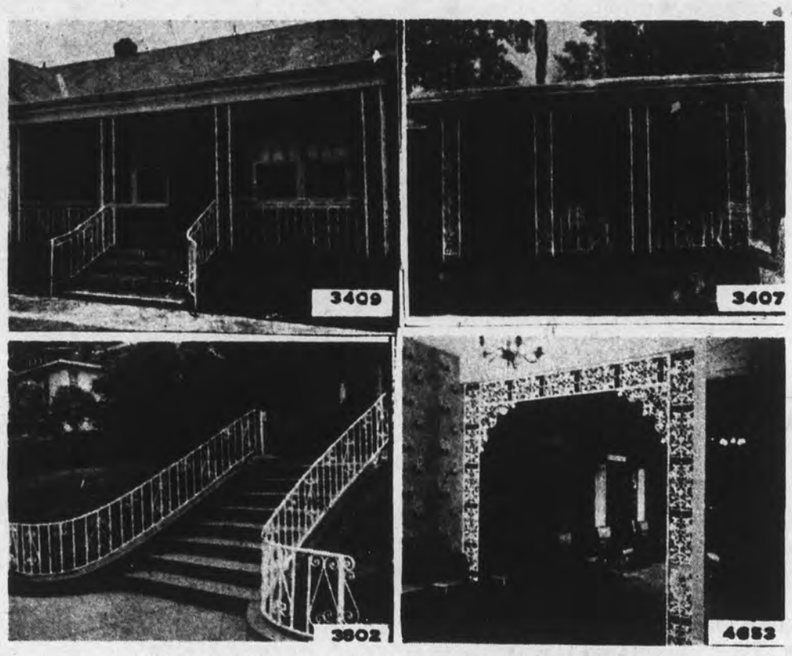

Games and dancing were enjoyed by the honoree and 35 guests.

Many more happy birthdays, Bobby.

Miss Helen Newton had as her guests this week her nephew, Mike Walker, and her niece, Miss Lee Walker, of Hastings-on-Hudson, New York.

Educational Program Planned For Prisons

A plan to offer basic educational studies in Alabama's prison system was told at the University of Alabama this week by the Rev. Cecil Little, Columbiana, president of the recently formed Alabama Prisoners' Aid Society.

He said that his organization is planning to offer a planned curriculum to the State Department soon and ask for an instructor to begin the educational program at Kilby Prison.

Love Letters to Rambler

Leslie Shively

"Two can live as cheaply as one," says Mr. Leslie Shively (Director of Alumni Relations, University of Louisville), comparing his two Rambler station wagons with former cars. With a total of 96,000 miles logged on the two, he writes:

"TWO-RAMBLER FAMILY"

"We're a two-Rambler family. One...has been 71,000 miles. The valves haven't been ground, and repairs have been less than $50. The other has given 25,000 repair-free miles. Gasoline average on both cars has been an honest 20 in the city and as high as 26 on trips. We've been all over the Eastern half of the States, and have never had one bit of trouble. No wonder we love our Ramblers!"

* * *

It's here by popular demand... the small, economy car America asked us to build! It's the all-new Rambler American Station Wagon for 1959 ... 100-inch wheelbase, room inside for five, 52 cubic feet of cargo space, top-economy 90 HP engine, automatic transmission available. Go see ... *go save* ... at your Rambler dealer's now.

Newsprint Company Thins First Plants

First load of pulpwood from trees planted ten years ago is examined by John Raeburn, Woodlands Manager of Coosa River Newsprint Company, Coosa Pines, Alabama.

Pine trees that were planted only ten years ago were thinned this month by the Coosa River Newsprint Company. This marks the first use of wood from trees planted by Company crews during 1949 when the forestry program was begun. Wood from these thinnings came from planted forests in Coosa and Talladega Counties. The rapid growth is attributed to good bottomland sites on which the trees grew.

This cutting marks the beginning of a long-range program of producing trees from seedling to mill for newsprint production. Each year millions of trees are produced at the Company nursery to be planted on understocked lands. The newsprint mill consumes more than 300,000 cords of pine pulpwood annually, but the drain is replaced by the planting of more trees than are cut.

"A market for pulpwood is provided for farmers in every county where we operate and this policy will continue, providing a vital source of raw material for our mill", said Mr. John Raeburn, Woodlands Manager for the firm.

Pulpwood cut from company-owned lands supplements wood purchased from landowners throughout a twenty-county area in east-central Alabama. During 1958 over $4,350,000 was paid to farmers and other landowners in this region.

Very intensive forest management is being practiced on Coosa River lands, greatly increasing their natural yield of wood. Techniques used by the Company are being observed and applied by other woodland owners, demonstrating the value of growing trees at a profit on non-agricultural lands.

DORCAS CLASS MEETS

The Dorcus Class met Monday night, March 30th at the city hall in Calera for their regular business meeting and dinner.

At the conclusion of the business program were exchanged and the secret pals were revealed.

The class was presented a "Chain of Cheer," in which each one took a link from the chain that contained the name of a sick and "shut in" person. During the month they will visit them and do something nice for them.

Games were enjoyed and new secret pal names were drawn. A delicious tuna fish stack sandwich with mushroom sauce, green salad, honey apple crisp with whip cream and coffee were served to 28 members and 1 vistor, Mrs. Sizemore, wife of the new pastor of the Calera Baptist Church.

The meeting was dismissed with a closing prayer. Mrs. Dean Holcombe is the class teacher.

"Prospects are fair for the 1959 baseball season at MHS," according to Coach Theron Fisher as 24 candidates reported for practice last week.

Nine lettermen return from last year's championship team. They are Danny Thornton, Forrest Brown , Barclay Fisher, Bill Winslett, Pete Givhan, Lee Salter, Ruben Hayes, Talmon Hill, and Ronald Smitherman.

Gone by way of graduation are Leroy Winslett, 3b; Milton Terrell, ss; Leslie Harrison, lf; Jerry McNeel, rf; and Edwin Fancher, p.

According to Coach Fisher here's the way the positions look.

As catcher, Thornton, last year's regular, now has the inside track. Butch Kyser, Larry Pickett, and Curtis Jarvis also have possibilities behind the plate.

So far, last year's starter, Brown, is holding first. Buddy Majors, Jimmy Thrasher and Smitherman could be installed there.

At second, Barclay Fisher gets the nod, with Jerry Thomas in the number two slot.

Bill Winslett has been shifted from second to shortstop, with George Underwood, understudy.

At third Jimmy Thrasher is starting, with Charles Warnke and Jarvis reserves.

Ruben Hayes, Talmon Hill and Ralph Morris are taking turns in left field.

Lee Salter and Larry Joe Pickett compete for center field, with Salter's strong arm and experience giving him an edge.

Science Fair winners are, left to right, Clint Folsom, who won 2nd place in the Junior Division of Electricity, Magnetism, Electronics and Nucleonics. His project was the "Wimhurst Static Electric Generator." Karla Christiansen, 1st place in the Junior Division of Botany, Bacteriology and Virology. Her project subject was "Colorful Colonies of Bacteria." Carol Logan, who won 2nd place in the Junior Division of Zoology. Her project subject was "The Earthworm." Jimmy Crim won 3rd place in the Junior Division of Zoology. His project was "The Effects of Tranquilizers in Experimental Neurosis."

Students Receive Science Fair Awards

The fifth annual North Central Alabama Regional Science Fair was held April 3 and 4 at the Grandstand Building, State Fair Grounds, in Birmingham.

The North Central Fair is sponsored by the Alabama Academy of Science, Howard College and Birmingham-Southern College, Southern Research Institute, the Engineer's Club of Birmingham and Alabama Society of Professional Engineers. Twenty-six counties in Alabama participate each year.

Eleven members from Montevallo High School participated in the fair this year. All participants were either members of the Junior Science Club for seventh or eighth grade students or the Alabama Junior Academy of Science for tenth, eleventh and twelfth grade students.

PARTICIPANTS—Front row, left to right, Guy Milford, Jr., Clint Folsom, Cissie Orr, Lois Eady, Charles Hollingsworth. Second row, Karla Christiansen, Carol Logan, Barbara Ballentine. Back row, Bill Garrett and Jimmy Crim.

Central Civitan Banquet Kicks Off Uniform Drive

The Central Civitan Club's "Kick-Off Banquet for Uniforms for Thompson Band" went off with a bang at Siluria Thursday night; and we do mean bang! President Leon Barton used all tricks heard of carrying out the theme of April Fool including exploding fountain pens, plastic realistic bugs, flys and worms in food, and pranks pulled on guests.

Purpose of the banquet was a fund raising campaign to outfit the Thompson School Band with new uniforms next season. A goal of $5,000 was set and announcement was made of pledges already made by local business firms for 42 of the needed 70 uniforms.

President Barton introduced the speaker, Dr. W. W. Elliott, principal of Thompson School, who gave a brief but inspiring talk on the fruition of the communities in this area working together on this project.

A marked spirit of enthusiasm and cooperation was shown by approximately 125 representatives present from the communities of Helena, Alabaster, Siluria, Pelham, Saginaw and Keystone areas which comprise the Central Civitan Club.

The meal was served by volunteer band mothers, faculty and band members and dinner music was played by the dance band who are also members of the regular marching band.

Frank Kendeigh is director of the Thompson Band.

MISS BETTY HARRELL WED

Mr. and Mrs. O. E. Harrell of Montevallo announce the marriage of their daughter, Betty, to Bobby Holcombe of Columbiana, son of Mr. and Mrs. Whit Holcombe. The Rev. J. L. Adams officiated at the 4 p.m. Saturday wedding.

Baptists Plan Evangelistic Services

In cooperation with a Southwide Denominational emphasis on evangelism the Montevallo Baptist Church is cooperating with the Baptist Denomination in a Simultaneous Evangelistic Crusade. Over a period of about four weeks the greater number of the Churches affiliated with the Southern Baptist Convention will be engaged in this evangelistic effort. The theme for this crusade is : "New Life For You."

At the Montevallo Church, Rev. Louis Armstrong, Pastor of the Morningview Baptist Church in Montgomery will be doing the preaching. Brother Armstrong is a very successful young pastor and comes to us highly recommended.

The services will be conducted each morning at 7:15 a.m., Monday through Friday, and each evening at 7:30 p.m.

Bruce Tolbert, professor of voice at Alabama College, and Music Director of the Montevallo Baptist Church, will be in charge of the music for the services. He will be using the three choirs of the church to bring special music at the services. The Church Choir, The Chapel Choir and the Carol Choir.

The public is cordially invited to attend these services.

Montevallo P.T.A. Elects Officers

M. S. McGehee, District Manager of Alabama Power Co., is new president of the Montevallo P.T.A. Other officers elected at the meeting Monday night are Mrs. Earl McGaughy, 1st Vice-President; Mrs. Ralph Sears, 2nd Vice President; Mrs. Phillip Kyser, Secretary; and Mrs. L. K. Birinyi, Treasurer.

Dr. Andrew Kochman, co-president, presided at the April meeting. The devotional was given by Mrs. Carl Edfelt. A special feature of the program was a trombone solo by Jimmy Seagle, accompanied by Victor T. Young at the piano.

Members were happy to hear from the report of Mrs. Gid Nelson that the eye testing machine had been purchased and will be used to test the eyes of both elementary and high school pupils.

The main program of the evening was under the direction of Mr. and Mrs. Albert Scott, co-chairmen of the Buildings and Grounds Committee, and consisted of a report by J. H. Wyatt on the improvements during the last two years; a report of the trustees by F. P. Givhan; and a report on the relationship of the Laboratory School to Alabama College by Lee A. Barclay. The members of the Board of Trustees are elected to serve for four-year terms. The present members are F. P. Givhan, Albert Scott, and Lee Barclay.

The new slate of officers will be installed at the May meeting.

Henson-Glasgow Marriage

Mr. and Mrs. Jesse A. Henson announce the marriage of their daughter, Billie Sue, to J. F. (Buddy) Glasgow, on April 4, 1959. The marriage was performed in Siluria at the home of the Reverend L. G. Nunnally. The couple is now living in Wilton.

Mr. and Mrs. Gary Walton, Ronnie and Ricky of Flint, Mich., spent last week with their parents, Mr. and Mrs. Ben Tate.

REV. LOUIS ARMSTRONG

Auburn Meeting Set For April 17

A county wide meeting of Auburn Alumni, parents, and friends will be held at the Columbiana High School Cafeteria at 6:45 p.m., Friday, April 17.

The purpose of the meeting is to acquaint the general public with Auburn's program, problems and needs, reports Albert Scott, Chairman of the Shelby County Auburn Committee.

Blueprint for Progress, a 25-minute film showing Auburn at work for the people of Alabama, will be presented. An Auburn official will be present to give other facts and to answer questions.

The meeting is being sponsored jointly by Auburn Alumni and parents of Auburn students.

Members of the local committee are: Albert Scott, A. A. Lauderdale, Buck Clark, Eddie Downs, and Elvin Hill.

Candidates To Appear At Town Meeting

Candidates for Representative to the State Legislature from Shelby County have been invited to attend a Town Meeting at the Montevallo High School on Thursday, April 16, at 8:00 p.m. The three candidates, John Lewis Cates, Marion (Sonny) Jones, and William E. Morris, will present their platforms to the audience and will be prepared to answer any questions.

The Town Meeting is being sponsored by the Legislative Committees of the American Association of University Women and the Business and Professional Women's Club. Everyone is urged to attend this meeting and become better acquainted with the three candidates. The special Democratic Primary will be on April 28 for the purpose of electing a representative to fill the vacancy created by the resignation of C. P. Walker.

STUDIOSIS TO MEET

The Studiosis Club will meet Tuesday, April 14, at 7:30 p.m. in Reynolds Dining Room. Harris Holley, student at Alabama College will play the guitar and sing ballads. Mrs. Walter Coppedge will discuss these ballads and explain how they have evolved.

Hostesses will be Mrs. W. E. Robinson, Chairman, Mrs. H. G. Parker, Mrs. H. M. Phillips, Mrs. J. S. Plant, Mrs. R. F. Ray, Mrs. J. S. Reid and Miss Lorraine Peter.

COUNTY 4-H LEADERS—Members of the Shelby County 4-H Council discuss plans for future projects with director of boys' 4-H Club work, John E. Wilsonville Teen-Ager Wins Prize For Favorite Joke

Patricia Mooney, 14, of Wilsonville, has won a prize for her favorite joke which appears in The Progressive Farmer's April issue. She says:

The new employee had been carefully instructed by the zookeeper that whenever a lion wagged his tail he was friendly.

Zookeeper (rather annoyed): Didn't I tell you that when a lion wags his tail he's friendly?

Employee (timidly): Yes, but he was roaring and wagging his tail at the same time.

Zookeeper: Well, what's that got to do with it?

Employee: I didn't know which end to believe!

Montevallo Wins Opening Game

Montevallo Bulldogs found Centreville pitching to their liking and belted 20 hits in defeating the Choctaws 17-6 in their first home game. Ten of the 20 went for extra bases. Centreville used five pitchers, only to see the Bulldogs score in every inning.

Ronald Smitherman, southpaw, handled mound duties for the Bulldogs, allowing the Choctaws only two hits while striking out 11. Two more hits were collected by the Bibb Countians when Curtis Jarvis tried the mound temporarily. Jarvis was relieved by Smitherman after pitching uneffectively to four batters.

Peter Givhan also tried the mound for the Bulldogs, but Smitherman was again called back to duty after the young hurler walked four.

Six Bulldog starters hit .500 or better in the slug fest. Leaders were Jarvis and R. Smitherman, both of whom had four for five. Smitherman's four were all for extra bases—two doubles, one triple, and one three-run home run.

Forrest Brown included one "over the fence" double as he collected three for four. Lee Salter hit two for three, and Ruben Hayes and Barclay Fisher each had one for two.

Mrs. R. L. Harrison left via American Airlines Sunday for San Jose, Calif., to visit her daughter, Virginia, and family, Mr. and Mrs. John E. Mack, Bob, Bill and Mary Elizabeth. She will be gone for several weeks and plans to visit the interesting places of the West while there.

Mr. Herbert Grady and daughter, Linda, from Homewood, Ill., spent the week end with his mother, Mrs. Emma Grady, and other relatives.

Joan Black, Alabama College senior from Elkmont, was the winner of this beautiful radio given away in a drawing at Montevallo Drug Co. Miss Black was at home for spring vacation when her name was drawn and was pleasantly surprised with the gift on her return to the campus.

National Library Week

From April 12-18, 1959, communities throughout the United States will celebrate the second National Library Week— a concerted, nationwide effort to focus attention on the importance of reading and libraries in our national life.

Today, more than ever before we need to read in order to toughen and make resilient the intellectual vigor with which we face our problems, enlarge our knowledge and understanding of the other peoples of the world, and renew our spiritual and cultural heritage.

We must rededicate ourselves to the ideas and ideals of a free society. Since ours is a society based on the choices made by the many rather than the few, its greatest concern must be the development of every individual.

Suddenly, a "better-read, better-informed, America", is imperative. The printed word has become a necessity to keep us in watchful readiness to exercise responsible citizenship. Only a wide variety of reading can inform us of what has been and what is, and what may be in the future.

Therefore, I, W. M. Wyatt, Mayor of the City of Montevallo, do hereby proclaim the week of April 12-18, 1959, to be Library Week and call on our citizens to join in an occasion which will recognize the vitality and strength of the printed word in today's world and its importance to our survival.

Miss Nelms Speaks To Rotary Club

Miss Frances Nelms, Education Director of the Alabama Division of the American Cancer Society, was guest speaker at the Montevallo Rotary Club on Thursday, April 2. Miss Nelms was introduced by Mrs. C. D. Galloway, President of the Business and Professional Women's Club of Montevallo. The BPW Club is sponsoring the cancer educational program in Shelby County this year.

Miss Nelms is a graduate of the University of Georgia with a BS in Health and Physical Education and and MS in Health Education. A native of Athens, Ga., Miss Nelms came to Sylacauga, Ala., in 1946 as medical record Librarian and science instructor for the Sylacauga Hospital. She began her duties as Education Director for the cancer society in January, 1957.

DR. FARMER VISITS MONTEVALLO

Dr. Hallie Farmer, retired Alabama College professor, who is now serving as First Vice President of the National A.A.U.W., enrounte from Texas to her home in Indiana is the house guest of Miss Josephine Eddy while visiting with friends here and filling A.A.U.W. dates in the state.

This week end she will go to Dothan with the state president, Mrs. Van Gelder. April 17-19 Dr. Farmer will attend the State A.A.U.W. convention to be held in Sheffield and from there she goes home.

Letter to the Editor

Carolina Power & Light Company
Raleigh, North Carolina

Editor Times-Herald:

When I was in Montevallo a couple of years ago I had the pleasure of visiting with you and your staff. At that time I subscribed for your paper which has since been received regularly, although no invoice has been received during the interim. It would seem that a further payment is in order and check is attached to help along the fine job you are doing.

It has been a pleasure to read each issue and forward it to my mother and sister, who live in Oak Ridge, Tennessee, where Alice teaches music in the school system of this Atomic Energy City, which sprang up almost over night as a World War II facility.

We were particularly interested in your series of articles "Montevallo in 1886." A similar series for about 1908 would be more in line with my time, but the land marks and the family names mentioned rang a distinct bell in my memory. The write-up on Gen. Tom de Shazo enabled me to make contact with him and renew a friendship which the years of separation have interrupted. I have not seen Tom since 1919 when he, Tom Davies, Yeager Horn, and I made the harvest in northwest Oklahoma. That was the year that Jack Dempsey won the heavyweight championship from Jess Willard. I have a notion that I still owe Tom a five dollar bet on that fight, which I will settle when I see him in Atlanta this fall at a football game we expect to attend. We also noted Dr. Peck's passing. She is remembered with much affection by many generations of students at the college.

When you see Pete Givhan please pass along our congratulations for becoming an "Old Guard" in the organization of the insurance company he represents. By coincidence I will, this month, receive my "Old Timers", twenty-five years, pin with Carolina Power & Light Company. However, two years coaching and eight years with General Electric before that keeps me from being as young as Pete, I'm sorry to say.

It's been nice to have this chat with you. Keep up the good work and say "hello" to our friends there—we think about you folks often.

Sincerely,
W. PAUL LYMAN

CHILDREN'S READING HOUR

On April 18, from 9:30 until 11:30 a.m., a children's reading hour will be held at the public library in Columbiana, for children ages 4-8. This event will be conducted by the Girl Scouts of Troop 584, under the able direction of Scout leaders, Mrs. H. M. Gordon, and Mrs. Frank Sloan. This is one of the interesting and informative events being held in the county during National Library Week.

CANCER GRANTS

Grants made during fiscal year of the American Cancer Society in 1957-58:

Alabama Polytechnic Institute (Auburn), $17,135.00; Southern Research Institute, $103,908.00; Medical College of Alabama, 24,871.00. Total, $145,114.00

WILD ONIONS, GARLIC, DOCK

There will be two demonstrations Wednesday, April 15, of methods and materials for the control of wild onions, garlic and dock.

The demonstrations will be put on by Frick Machinery Co., in cooperation with Mooney Tractor Co., of Wilsonville.

One demonstration will be at 9:30 a.m., at the R. W. Kent Farm at Siluria. In the afternoon it will be at 1:30 at the C. D. Whitten Farm, Wilsonville.

These demonstrations will be of special interest to all dairymen bothered with onions, garlic, and dock. You are invited to attend, if you are interested.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

In the past few weeks I have received numerous letters expressing concern over recent disclosures of expenditures made by members of Congress.

While none of these letters has been critical of your Sixth District Congressman, they nevertheless reflect genuine alarm over the expenditure of public funds. Therefore, I feel it is appropriate to devote my column this week to a discussion of this matter as it relates to the 6th District of Alabama.

Nepotism

Perhaps the most widely discussed issue is that of relatives on congressional office payrolls, a practice often referred to as nepotism.

During my six years as a member of Congress, no member of my family— immediate or otherwise—has been a member of my staff. I can assure the people of the Sixth District that I have no intention of beginning such a practice in the future.

Office Rental

There have also been a number of newspaper accounts relating to the rental of district or home offices by members of Congress. Although I could probably qualify for the $1200 yearly rental allowance for a congressional district office, there has been no necessity for using these funds since space has been available in the federal building in Tuscaloosa. Therefore, the $1200 annual rental allowance has never been used in the Sixth District and has reverted each year to the federal treasury.

For other expenses of operating a district office, each member of Congress is allocated up to $600 annually. Since these funds have been authorized, the amount used in the Sixth District Office has averaged approximately 50 per cent of the amount available.

Office and Staff

The variety of secretarial and administrative details is virtually unlimited in a congressional office that serves a constituency of more than a quarter of a million people. Since members of Congress must devote a large portion of their time to committee work and other legislative duties, it is necessary for them to rely on a loyal and highly skilled staff to handle the great volume of detailed work under their supervision.

As most of you are aware, I maintain two offices to serve the people of the Sixth District. One is located here in Washington and the other in Tuscaloosa. Both offices are open six days each week throughout the entire year.

At the present time, I am employing a total of six staff members who work in my Tuscaloosa and Washington offices. Their names and salaries are public information and have been published from time to time in the newspapers of Alabama.

Although I pay these employees salaries I believe commensurate with their duties and responsibilities, it has been possible for me to return each year to the federal treasury at least a small portion of the Sixth District's clerk hire allotment.

DR. LUMBY ORGAN RECITAL

Sen. Andrews To Speak at Forest Dedication

State Senator L. K. (Snag) Andrews of Union Springs will be the principal speaker at the dedication of the Pilot Forest serving the Shelby County area. The Pilot Forest, located on the adjoining farms of E. C. LeCroy and L. S. Calfee between Clanton and Maplesville, will be dedicated on the second annual Pulp and Paper Day, April 14.

Announcement of the dedication program was made by Tom Marshall of Demopolis, area chairman for the pilot forest.

Fifteenth District Sen. Joe Graham of Maplesville will introduce his coleague from Bullock County in the 26th District. Frank Parham, Tuscaloosa, will serve as master of ceremonies for the day's activity.

"Pulp and Paper Day, which is being sponsored throughout the South by member companies of the Southern Pulpwood Conservation Association, will mark the dedication of 91 such pilot forests in twelve southern states," Marshall explained. "The project is designed to provide permanent educational examples of forestry practices which bring the small landowner increased income and economic stability."

Marshall said Gulf States Paper has done a complete forestry job on the LeCroy-Calfee property, including hand-planting of seedlings, non-commercial tree control, marking, thinning and cutting. All work was done by methods and with equipment available to the average small landowner.

"If all undeveloped timberland in Chilton and surrounding counties were brought into full production, the effect would be as if a substantial new industry were brought into each county," Marshall said.

Close to a thousand people have been invited to the Chilton dedication. Gulf States Paper is developing another Pilot Forest in Fayette County.

Telephone Talk
by
J. L. SWITZER
Your Telephone Manager

LAST FRIDAY at 7 p.m. your Telephone Company began a series of programs to be televised over the State's Educational TV network. The programs originate in Birmingham and will continue for seven consecutive Fridays.

The programs deal with interesting telephone equipment, and guest experts on various subjects will also make appearances. Probably the most well-known to appear will be the famous rocket scientist, Dr. Wernher von Braun.

Each program is 30 minutes in length except the last one which will be one hour.

We think you folks in our Shelby County Exchanges will enjoy the presentations, so won't you look in on them?

* * *

HERE AT THE TELEPHONE COMPANY we have a mighty special feeling about families. From our big family of telephone workers right down to the folks at home — yours and mine — we feel that families are mighty important. That's why I want to bring you a reminder about a serious threat to your family's health and happiness. That threat is cancer! It's not a very pretty word. It's not even something we like to think about, but it's real, and estimates indicate that it will strike two out of every three families.

THE OLD "OUNCE OF PREVENTION . . . " AXIOM can certainly apply here. You see, cancer is not a hopeless problem. Over 800,000 Americans have been saved from cancer because it was detected *in time*. For you that means regular physical checkups for your entire family — even if they feel fine. This will greatly increase the chances of detecting cancer while it is still curable.

THE AMERICAN CANCER SOCIETY urges us to fight this dread disease with a check-up and a check. Sounds like a smart idea to me. How about you?

Rodeo Scheduled In Montgomery

Tommy Steiner's World Championship Rodeo will be held in Montgomery at the State Coliseum on April 22-26. This big event is being sponsored by the Southeastern Livestock Exposition and the Alabama Cattlemen's Association.

There will be four night performances beginning at 8:00 p.m. and two afternoon matinees scheduled for 3:00 p.m. on Saturday and Sunday, April 25-26.

Gail Davis, TV's Annie Oakley will be the star of the rodeo along with many other outstanding features. The nation's top cowboys will be on hand to compete for prizes. The rodeo is RCA approved.

In conjuction with the rodeo will be the Montgomery District Fat Stock Show and Quarter Horse Show and auction sale.

The Fat Stock Show will be held during the day Wednesday and Thursday, April 22 and 23. Approximately 300 head of 4-H and FFA Fat stock will be judged and sold during these two days.

The Quarter Horse Show will be held on Friday, April 24 and an auction sale on Saturday afternoon, April 25.

This is the biggest livestock event ever to be held in Montgomery and all cattlemen are urged to attend.

FUNERAL SERVICES HELD FOR JAMES R. MOORE

Funeral services were last week in Eustis, Fla., for James R. Moore, 80, former Shelby County resident. He died in a Eustis hospital yesterday.

Burial was in Chelsea after services at the K-Springs Church of God.

Survivors include the wife; two daughters, Mrs. Ernest Bell, Eustis, and Mrs. John W. Evans, Birmingham; six sons, O. C. and J. E. Moore, both of Bessemer, W. H. and F. L. Moore, both of Montevallo, and L. B. Moore, and the Rev. L. R. Moore, both of Eustis; two sisters, Mrs. Beatrice Tally and Mrs. W. W. Kendrick, both of Chelsea; four brothers, W. D. and W. B. Moore, both of Chelsea, and F. O. and W. A. Moore, Bessemer, and 15 grandchildren and eight great-grandchildren.

Mrs. D. J. Wade of Bessemer is spending a few days with her brother and family, the C. E. Hancocks.

Miss Julia Crim is seriously ill at her home in South Calera. We hope she will soon be better.

Employers of Domestics Must Report Wages

Most of us pay taxes of some sort and usually there is a deadline date when that tax is due. Employers of domestics are faced with such a deadline as they are required by law to report quarterly the cash wages they pay to their household workers if these payments amount to $50.00 or more during the calendar quarter.

Calendar quarters end March 31st, June 30th, September 30th, and December 31st and tax returns are due by the end of the month following each calendar quarter. The next quarterly payment is therefore due April 30, 1959.

Payments of the social security tax, an equal amount paid by the employer and the employee, 2½% each for wages paid in 1959 must accompany the tax report. Reports, together with the taxes, should be sent to the Director of Internal Revenue, 1531 3rd Avenue, North, Birmingham 3, Alabama.

Information about reporting domestic workers is contained in Leaflet 21 which may be obtained from your local social security office or Internal Revenue Office.

Employers of domestics, in filing their returns, are requested to make them timely, accurate, and complete.

Sgt. Draper Retires From Air Force

After more than 20 years of active duty with the Air Force, Master Sergeant F. M. Draper, First Sergeant of 4th Consolidated Aircraft Maintenance Squadron at Seymour Johnson AFB, N. C., has decided to give civilian life a try.

A native of Montevallo, Sergeant Draper is the son of Mrs. Mae Draper of Route 1, Montevallo. He attended school at Helena before he received his first taste of military service in 1929 when he joined the Army Air Corps. After receiving basic training at Fort McPherson, Ga., he was assigned duties in Hawaii where he spent the remainder of his three year tour of duty and returned to Fort McClellan, Ala., and was discharged.

M/SGT. F. M. DRAPER

Two weeks after Pearl Harbor had been bombed he reeinlisted in the Air Corps and was assigned duties at Keesler Field, Miss., as a training instructor. In April of 1945 he was transferred to Hamilton Field, Calif., where he served as provost sergeant until he was sent to the Philippine Islands for a tour of overseas duty.

In January of 1950 he returned to the states and was given a three year tour of duty with the Air Force Reserve a Birmingham. He later served a year at Hensley AFB, Texas, and was assigned to French Morocco where he was assigned to the 1603rd Support Squadron for two years prior to his assignment to Seymour Johnson AFB in September of 1956, where he has done an excellent job as First Sergeant of his squadron.

Sergeant Draper and his wife, the former Flossie Windham of Columbia, Miss., are making their home at Montevallo, where he plans to work with a local insurance company.

Shower Honors Miss Morgan

Tuesday afternoon, March 31st, a very nice shower of kitchen gifts was given to Miss Frances Morgan, who became the bride of Jimmy Williams, Friday evening April 3rd at Enon Baptist Church.

The place was the home of Mrs. Lydia Stockdale. Mrs. Beulah Busby met the guests at the door. Mrs. Sam Ellison kept the bride's book, Mrs. C. B. Martin and Mrs. Gordon Williams served punch and cakes in the dining room throughout the afternoon. The table was covered with white lace over pink and the center piece was red and pink camellias.

Also assisting was Mrs. G. F. Williams. The spring flowers of every hue helped to make this a gay occasion. The display room was decorated in yellow mums and golden bells. The dining room had Easter lilies, pink and white glads with white spiraea. The front porch had masses of spiraea and red bud, and trays of blue and white violets. Many useful gifts were given this happy couple.

Among pre-nuptial parties for Miss Morgan was a miscellaneous tea at the home of Mrs. Burl Morgan in Montevallo, with Mrs. W. B. Murray, Mrs. Carl Jones, and Mrs. A. C. Galloway co-hostesses.

Bulldogs Win 3

Spring vacation for the Montevallo Bulldogs was filled with baseball games. Three games against out-of-county competition, which included one Mid-State Conference match with Jemison, netted the Bulldogs three victories.

In the three games the Bulldogs walloped Centreville a second time 12-0, squeezed by Jemison 9-8, and scored a 13-5 victory over West Blocton.

Montevallo Blanks Centreville

Peter Givhan hurled the Bulldogs to a shut-out victory over Centreville as Montevallo routed the Choctaws 12-0. Only six Bibb Countians saw first; three of these hit safely and three were issued free passes.

A sixth inning that saw 14 Montevallo batters advance to the plate should give the Bulldogs claim to some sort of a record.

Cooter Smitherman opened the action with a single. During the inning Danny Thornton singled twice, R. Smitherman hit a single and a double, Forrest Brown doubled, and Larry Joe Pickett singled. Three Centreville errors helped break down the gates as nine Bulldogs runs crossed before the onslaught was halted.

Thornton opened the scoring for the Bulldogs in the first inning. He crossed ahead of R. Smitherman, who hit his second home run for the season.

After scoring the two runs in the first, the Bulldogs' bats were silent until the fourth inning. In that frame Barclay Fisher singled and rode home on Talmon Hill's triple.

Taylor for the losers hit two for three.

Montevallo Squeaks by Jemison

Ronald Smitherman's strategic bunt brought in the winning run as Montevallo edged Jemison 9-8.

Going into the bottom of the seventh of this closely fought Mid-State mach, the Bulldogs trailed 8-7. Jimmy Thrasher scored the tieing run, after being issued a base on balls; and Barclay Fisher crossed with the big one. On with a single, his second for the day, Fisher advanced to second when Winslett was issued a free pass. Then Fisher made it to third when Danny Thornton grounded to short.

Fisher with two for three and Curtis Jarvis, who had a single and a double in four trips, led the Bulldogs at the plate.

Bulldogs Take Blocton

With a total of 52 runs scored in five games played this far, the Bulldogs coasted to an easy 13-5 win over West Blocton. The victory went to Peter Givhan, sophomore hurler for Montevallo.

Six of the Bulldogs' total of eight hits went for extra bases. Getting in the act in this long-distance hitting spree were Jimmy Thrasher, Barclay Fisher, and George Underwood with doubles, Givhan and Cooter Smitherman with triples, and Lee Salter with a three-run homer.

Bulldogs Play Friday and Saturday

The Bulldogs travel to Clanton Friday night and entertain the newly formed Indian Springs team here Saturday afternoon.

Dr. and Mrs. Rodney Baine spent Monday night and Tuesday in Jackson, Mississippi, and on Tuesday attended the funeral of Mr. Virgil Everitt, at Palahatchie, Miss. Mr. Everitt was Mrs. Baine's uncle.

Funeral Services for Miss Reasoner

Funeral services for Miss Ethel H. Reasoner, 70, were held Tuesday morning at St. Andrews' Episcopal Mission. The Rev. Robert Y. Marlow officiated. Burial was in Montevallo Cemetery.

Miss Reasoner died Sunday morning in a Birmingham Hospital after a heart attack.

A native of Byesville, Ohio, she was a graduate of Ohio State University and the Prince School of Store Service in Boston. She pioneered in the field of distributive education, setting up a model store for training girls in Hudson, N.Y. Educators from all over the country came to observe this, then new project in vocational education.

During the summer following Miss Anne Eastman's first year at Alabama College Miss Reasoner came to visit her friend and teacher, whom she had formerly supervised. In a few short weeks she had fallen in love with Montevallo. A pioneer at heart she foresaw the need for a shop of personal service. That and the belief in the growth of the town and the college influenced her to retire from teaching and establish such a business. A building was found and arrangements for her business venture, The Little Shop to be opened the following year was concluded. That was 22 years years ago with a war and closing of mines in the surrounding territory making the going hard at times. In 1954 Miss Reasoner retired, but the Little Shop under its current owner lives on.

An unlimited love for people, and interest in civic affairs never wavered. During those early years she and Miss Eastman organized and worked with a Girl Scout Troop, and until a few years ago her club activities included membership in the DAR, B. and P.W., Studiosis, and A.A.U.W.

For 17 years she served as treasurer of St. Andrew's Mission.

MISS ETHEL REASONER

During a statewide drive to raise funds for Episcopal student work, Miss Reasoner was in charge of the Montevallo drive which far surpassed its quota, and from this fund the new St. Andrews Church became a reality. She served in the Diocesan College Commission and for two years was one of two advisors to members of the Canterbury Club, student organization of the Episcopal Church.

Surviving are a niece, Mrs. Burton Davey; a sister-in-law, Mrs. Bess Reasoner; three great-nieces, all of Miami, Fla., and many friends.

Pallbearers were Herman Stone, Sam Klotzman, Peter White, Dr. John B. Walters, T. E. Watson and Denson Elliott. Honorary pallbearers were Dr. L. C. Parnell, M. Ziolkowski, Guy Chamberlin, Dr. T. H. Napier, Dr. Chas. Gormley, W. J. Kennerly, Charles Stewart Martin, Frank Pettit and Dr. M. L. Orr Sr.

BPW Club Aids Cancer Program

The Montevallo Business and Professional Women's Club has accepted as a project the very vital and worthwhile cancer education program for the Montevallo area of Shelby County. The president of the Montevallo club is Mrs. Willie Lee Galloway.

The program is sponsored by the American Cancer Society, Alabama Division, Inc.

This club has also accepted the responsibility of fund raising during the month of April, which is "Cancer Control" month. The educational program is a year 'round project.

Miss Edythe Hartley has been appointed as Chairman of the education committee and Mrs. Mildred D. Doyle as co-chairman.

Miss Hartley has lived in Montevallo for the past 25 years and during this time has been employed by the J. A. Brown Companies, for the past 20 years as bookkeeper for this company. Miss Hartley is a member of the Montevallo Methodist Church, a charter member of the Wesleyan Service Guild and Upper Room Bible Class, member of the Montevallo B.P.W. Club for the past 8 years, served as vice president in 1958 and re-elected for 1959.

Mrs. Mildred D. Doyle is a native of Montevallo, member of the Montevallo Methodist Church, Women's Society of Christian Service and the Business and Professiona Women's Club. She is married to Joe Doyle, employed at Sam Klotzman's Dry Goods Store in Montevallo. They have one daughter, Mrs. Robert Hitt of Talladega and one grandson, Steven R. Hitt. Mrs. Doyle will serve also as transportation chairman for the Montevallo area.

Cancer Control Sunday, April 19

Spiritual approach to the fight to conquer cancer will be made by worshippers attending churches and synagogues in Shelby County during the 1959 Cancer Crusade.

As part of the curent educational and fund-raising crusade of the American Cancer Society in Shelby County, Cancer Control Sunday will be observed Sunday, April 19, and Cancer Control Sabbath on Saturday, April 18.

Members of all faiths have been asked to offer prayers for divine guidance in the work to save man from this cruel disease.

County Chairman Albert Scott said that spiritual leaders have been requested to devote part of their service to the cancer crusade.

"Few human problems can be solved without prayerful consideration," Scott said. "Prayer can strengthen our will and inspire our efforts in this humanitarian crusade."

MRS. MADGE CARPENTER

Mrs. Carpenter Is Chairman of Dental Assistants

Mrs. Madge Carpenter, of Montevallo, is board member and local arrangements chairman for the Alabama Dental Assistants Association state meeting to be held April 20-22 at the Redmont Hotel in Birmingham. The meeting will feature an address by the president, Lorraine Glausier, of Dothan; presentation of competitive papers by several members; competitive clinics; a tea honoring past presidents; and a dinner-dance on Tuesday evening honoring the new president.

Mrs. Carpenter has served as dental hygienist for Dr. M. L. Orr, Jr., for the past ten years. She has been president of the Sixth District Dental Assistants Society for two years, and is a member of the Montevallo Business and Professional Women's Club.

ENON BAPTIST REVIVAL

The Enon Baptist Church will hold revival services April 19 through 24, in cooperation with the Baptist denomination in a Simultaneous Evangelistic Crusade. Services will be held each evening at 7:30. The Reverend J. Paul Banks, pastor of the church, will conduct the revival.

Senator Sparkman Is Speaker For Citizenship Day At Alabama College

Graduating seniors of Alabama College will be honored by their teachers and fellow students Tuesday, April 21, as the school observes its annual "Citizenship Day."

Top speaker of the day will be Sen. John Sparkman, who will address seniors, faculty and visitors during ceremonies Tuesday morning in Palmer Auditorium.

Other state government and education officials have been invited to attend the day's event in which the graduating seniors are traditionally awarded "full citizenship" and received into the business and professional world.

CITIZENSHIP DAY

Dr. Howard Phillips, President of Alabama College, extends an invitation to all citizens of Shelby and surrounding counties to attend the annual Citizenship Day ceremonies at the college April 21.

The program will begin at 11 a.m. in Palmer Auditorium.

The program gets underway at 11 a.m. with seniors filing into Palmer Auditorium in an academic procession.

Dr. Howard M. Phillips, President of Alabama College, will administer the citizenship oath to the seniors. In giving the oath, Dr. Phillips will charge the graduating class with "the rights, responsibilities and obligations of college graduates to the state, the nation and society."

The class will be presented to the President by Dr. Lucille Griffith, Professor of History at Alabama College.

Jenny Cotney of Roanoke, Chief Justice of the Student Court and a graduating senior, will give the invocation at the ceremony.

The Alabama College Choir, under the direction of Mr. Bruce Tolbert, will sing Milan Kaderavek's "Blessed Art Thou O Lord God."

Senator Sparkman and the seniors will be honored with a luncheon in Anna Irvin Hall following the morning ceremonies.

MHS Band To Present Concert

The Montevallo High School Band will present the second concert of the season on next Tuesday evening, April 21, in the high school auditorium.

The program will be different from any other heretofore attempted, and will be in the form of a variety show rather than a formal concert. Special features will be a dance routine by the majorettes directed by Judy Wallace, head majorette, using popular music; a Scots band and Highland dancers using authentic bagpipe music, with eighteen girls in costume. Marches, selections from "Die Fledermaus", one of the operas to be performed by the "Met" in Birmingham this year, and a Rogers and Hammerstein number, "Serenade to Spring", will complete the first half of the program.

The second half will be a complete musical variety show with the band serving as a pit orchestra. The scene is a New York street corner in the Gay Nineties and features a German band, barber shop quartet, Floradora sextet and other groups typical of the period.

The program starts at 8:00 p.m. and prices will be 50 cents for students and 75c for adults.

CIVITANS SPONSOR BAND UNIFORM FUND

The Central Civitan Club of Alabaster and Siluria is sponsoring a drive to help finance the $4,000 needed for band uniforms. So if you are contacted, don't let them down. Our band is one to be real proud of.

Speed was blamed for more than 40 per cent of the traffic deaths and injuries in the U.S. during 1958.

Smitherman Pitches Shutout

Facing only 23 batters in seven innings, Ronald Smitherman struck out eight men and allowed only two hits as Montevallo blanked Thompson here last Tuesday. This was the fifth win against no losses for Coach Fisher's Bulldogs.

Sharp defense on the part of shortstop Bill Winslett and third baseman Jimmy Thrasher greatly aided the cause for the defending county champs.

Forrest Brown scored the initial run in the second. Issued a base on balls, Brown stole second and crossed the plate when Lee Salter singled.

Runs No. 2 and 3 were added in the third inning. Barclay Fisher scored after walking, and Bill Winslett reached first by way of a single and made it to second when the ball got by Dinwiddie in right field. A Warrior error got Winslett in.

On with a triple, Jimmy Thrasher wound up the scoring. He opened the fourth inning with the three bagger and legged it home easily when Winslett doubled.

Curtis Jarvis and Winslett led the winners at the plate. Both had two hits apiece.

Eddie Bentley, losing pitcher gave up six hits, issued five walks, and struck out two for a creditable job on the mound.

Soil Conservation District News

By B. F. Hatchett and Geo. C. Starcher

Bahia planting time is here! Some cooperators observed planting bahia or preparing to do so are Albert Hytton, 15 acres, George Limbaugh 20, F. M. Strother 13, J. H. Edwards 70, John Bronaugh 10, Coy Holsomback 10 and G. H. Eastis 12.

"Where I have ball clover in my pasture I can count on good summer grazing without expensive nitrogen." That is a volunteered statement by Wolfgang von Maubenge, cooperator at Vincent. Nearly all his pastures do have some ball clover, mostly volunteering and spread by cows. Only eleven acres of ball clover seed was ever taken onto the farm—about eight years ago!

Some ball clover was blooming there on April 7.

Auburn Meeting Set for April 17

A county wide meeting of Auburn Alumni, parents, and friends will be held at the Columbiana High School Cafeteria at 6:45 p.m., Friday, April 17.

The purpose of the meeting is to acquaint the general public with Auburn's program, problems and needs, reports Albert Scott, chairman of the Shelby County Auburn Committee.

Blueprint for Progress, a 25-minute film showing Auburn at work for the people of Alabama, will be presented. An Auburn official will be present to give other facts and to answer questions.

The meeting is being sponsored jointly by Auburn Alumni and parents of Auburn students.

Members of the local committee are Albert Scott, A. A. Lauderdale, Buck Clark, Eddie Downs, and Elvin Hill.

The Travelers Insurance Companies studies show that exceeding the speed limit caused 12,770 deaths and 980,000 injuries during 1958 on our highways.

DR. FARMER VISITS HERE

Dr. Hallie Farmer, retired professor at Alabama College, currently serving as first vice president of the National Association of University Women, has been house guest of Miss Josephine Eddy for a few days. During this visit Dr. Farmer has been the honor guest at a number of social affairs.

Monday evening members of the AAUW at Marion were honored by having Dr. Farmer as guest.

Tuesday Mrs. Ralph Sears gave a luncheon and that evening the staff of the Social Science Division of Alabama College were hosts at a dinner party at the College Lake Club House.

Hostesses at the Wednesday afternoon faculty tea at Reynolds Hall were happy to have Dr. Farmer as their honor guest.

Friday, accompanied by Miss Eddy, Dr. Farmer goes to Sheffield to attend the week end state meeting of AAUW. Following the Sheffield meeting, Miss Eddy will drive Dr. Farmer to her home in Anderson, Indiana.

Miss Mary Woolley visited Mr. Wayne Villadsen and family in Birmingham last week.

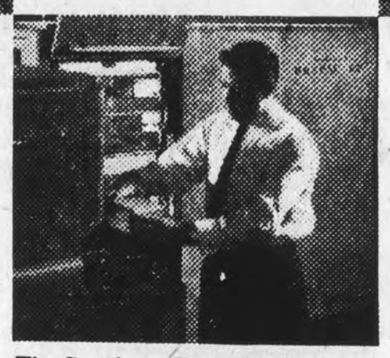

Mrs. H. O. Woolley spent the week end in Wylam with her sister, Mrs. Reynolds Johnson.

Chevy slices gasoline costs by 20% on hot bakery delivery job!

UNIVAC DELIVERS THE PROOF!

The Southern Bakeries Company uses a Univac Computer to be sure of top economy. The machine offers proof that Chevy delivers 20% better fuel economy than any other trucks in their fleet.

Delivering fresh bread daily to millions of consumers, the Southern Bakeries Co. of Atlanta makes stern demands on its trucks. And, according to the Company's Univac machine, the Chevrolets in the fleet are delivering 2.1 more miles per gallon than the other makes—out-saving 'em all by 20%!

Chevy's a born dollar-saver, whether hopping to it on hurry-up chores or hauling heavyweight loads on long, hard grinds. Everything these trucks offer is aimed at fattening your pocketbook. New versions of famous 6's nurse a gallon of gas like nothing you've ever known in trucks. Big, tough V8's for every truck series have the shortest stroke design—the savingest design—of any comparable engines. *Durable* chassis components hike up profits by holding down maintenance costs.

Whatever you do, you'll do it at less expense with a Chevrolet light-, medium- or heavy-duty truck. See your nearby Chevrolet dealer soon!

Get Ready To Vote

Notwithstanding the quiet that prevails in the campaign, we are to have a primary election April 28 to nominate a candidate for representative of Shelby County in the legislature of Alabama.

That which seems to be a quiet campaign among the candidates should not produce complacence in the minds of the voters of the county. It is an important election and our people should so regard it. Get ready to vote.

The three candidates for representative are scheduled to appear at a town meeting at Montevallo High School tonight (Thursday). Come to the meeting and take part in it. Hear the candidates; ask them questions. Tell them what you think.

As we have said before, we commend the Democratic County Executive Committee for giving the people the opportunity to nominate and elect a representative.

Now, the people should show their appreciation of this opportunity by exercising their franchise in full response.

Library Facts

As National Library Week is being observed throughout the nation, the following facts about the Coosa Valley Regional Library will be of interest.

Population served: 57,049 (Shelby and St. Clair combined).

Each book was used an average of 5 times last year.

Last fiscal year 91,151 books were charged out to readers.

This equalled 1.59 books per each individual in the region.

Not all people borrowed books, of course; about 4,000 individuals signed registration cards, but many more people used the books, because many school children were not registered.

Spent per capita for all purposes: .592 cents.

Per cent of budget spent for books: 2.18.

(Note: Our quota for books is higher than the national average. This is always true of a young library. The Public Library Service Division of the State of Alabama recognizes this fact and contributes 4,000.00 a year for each county over a period of three years (12,000.00 per county in the case of this region.)

Supposing the 91,151 books read during 1957-58 had been bought by the individuals who read them. $227,877.50 would have been spent for books (estimating 2.50 per vol.). Ask yourself the question—would these same people have used that money for books, or would they have done without reading material?

There were 24,630 pedestrians injured crossing intersections with the signal in their favor during 1958 in the United States.

AC CALYPSO ON DC—The dance is electric, but the AC-DC doesn't refer to alternating or direct electrical current. The reference is to the dance concert to be presented tonight at Alabama College by the Physical Education Department and Orchesis, modern dance club of the college. And swinging into a gay calypso caper, one of many dances to be presented in the concert, are (left to right), Denny Elliott, Montevallo; Gene McCutchen, Scottsboro; Jane Rice, Mobile; Bobby Harrison, Spring Hill; Jo Veal, Birmingham; and Jimmy Stanton, Greensboro. Another Montevallo student, Joyce Zucco, will appear in the production.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Facing a heavy legislative schedule in the months ahead, Congress reconvened last week after its annual Easter recess. Prior to the ten-day recess, however, Congress had already passed a number of major bills.

Bills Approved

In February the House adopted legislation extending the military draft until July 1, 1963, a period of four years. The Senate followed suit shortly thereafter, and the bill was signed by the President on March 23. An attempt to reduce the extension to two years was defeated in both the House and the Senate.

Probably the most newsworthy congressional action to date was the approval of statehood for the Territory of Hawaii. President Eisenhower signed the Hawaiian bill on March 18 just six days after final passage by Congress.

To further combat the unemployment problem, the Temporary Unemployment Compensation Act of 1958 was extended by Congress until July 1 of this year. The program had been scheduled to expire on April 1. The law permits persons who were eligible for benefits before the first of April to receive special payments.

Also, Congress increased the maximum authorization for financing the 1959 special school milk program from $75 million to $78 million.

Appropriations

Prior to the Easter recess, the House had passed three bills appropriating funds for the 1960 fiscal year. These measures provide funds for the Treasury and Post Office Departments, the Interior Department, and the District of Columbia. The total included in the three appropriations measures is $5.3 billion, an amount $88.5 million less than had been requested by the President.

In addition to the three already approved, there are nine other regular appropriations bills that must also be passed before Congress can adjourn this year.

Cherry Blossom Festival

Thousands of visitors streamed into Washington last week for the annual Cherry Blossom Festival. For the first time in several years, the Japanese flowering cherry trees, which were presented to the United States in 1912 by the City of Tokyo, were in full bloom for the festival.

Alabama was ably represented at the festival by its Cherry Blossom Princess, Miss Ocllo Boykin Smith, attractive daughter of Mr. and Mrs. Hiley Smith of Mobile. Miss Smith, whose mother served as Alabama's first Cherry Blossom Princess, is the granddaughter of Rep. Frank Boykin. She is a student at the University of Alabama.

Mrs. Clayton Nordan was luncheon guest of Mrs. T. C. Casady Jr. in Birmingham last Friday. The occasion was a get-together of friends from childhood, originally from Clanton.

Miss Harper To Wed Mr. Binion

Miss Joyce Harper and William T. Binion Jr. plan a June 6 wedding.

Their engagement is announced by Mr. and Mrs. William Faundron Harper of Bessemer, parents of the bride-elect. Mr. Binion is the son of Mrs. William Thomas Binion of Brewton and the late Mr. Binion.

Grandparents of the bride-elect are Mrs. Thomas Eugene Purcell and the late Mr. Purcell, and Mr. and Mrs. John S. Harper.

Miss Harper, a graduate of the University of Alabama, is an elementary teacher in Montgomery.

Mr. Binion is the grandson of Mrs. Charles Edward Hoskin of Montevallo, the late Mr. Hoskin, and the late Mr. and Mrs. John Thomas Binion of Dothan.

He is a graduate of the University of Alabama where he was a member of Phi Kappa Sigma, Alpha Phi Omega, and manager of the Million Dollar Band. He served with the Third Army Band. Now he is band director for Sidney Lanier High School.

Wedding plans will be announced later.

Mrs. Minnie Lou Warnke and Mr. and Mrs. Tamp Eddings were Saturday night dinner guests of Mr. and Mrs. Jack Albright at their home on Bluff Park Road in Birmingham.

Thompson Band Is Rated "Superior"

Top rating of superior went to the Thompson High School Band at the annual Alabama High School Band Festival at the University last week.

The Thompson Band received its first division rating in Class B.

Thompson received A-1 rating by all three concert judges and went on to get top rating for sight-reading, in the first division.

This is the first time a Shelby County band has received such a rating.

Mr. Frank Kendeigh, band director, has worked diligently with the band. He has constantly encouraged the children in their band work. We feel that our community is fortunate to have such an able band director. Thank you, Mr. Kendeigh, and thank you, Band Boosters Club.

Local Farmers Vote To Create "Shelby County Soil Conservation District"

The 487 farmers of Shelby County who are actively cooperating in the North Central Soil Conservation District in carrying out a soil and water conservation program, recently voted to create a soil conservation district in Shelby County. In making this announcement, Julian Brown of the State Soil Conservation Committee, said 97% of those voting favored the creation of the county district.

Brown said it was the opinion of the farmers and others interested that the county district would lead to closer cooperation among the agencies and better support for the soil and water conservation program.

The old district consisted of Jefferson, Chilton, Bibb, Blount and Cullman counties with one supervisor in each. Over 900 Shelby County farmers have signed district agreements, but for one reason or another, many are not actively farming at this time.

Brown announces that the new district has been officially named the "Shelby County Soil Conservation District". He said the following five land owners of Shelby County have been appointed by the State Soil Conservation Committee to serve as supervisors and direct the affairs of the new district:

John L. Cates, Columbiana; J. H. Edwards, Brierfield; Albert M. Lokey, Wilsonville; Arthur C. Parker, Leeds; Lewis B. Walker, Columbiana.

It was explained that these supervisors serve without pay, though the Soil Conservation District law of Alabama places legal responsibility on them for the development and promotion of a sound soil and water conservation program. Their only remuneration is the satisfaction they may have in helping save our soil and water resources for future generations.

Brown said other counties are converting to the county district plan, and he urges all groups and agencies to join hands and help these local citizens who will be giving so much of their time and talents in promoting this important program.

JUST TWENTY YEARS AGO

Montevallo suffered property damage of many thousands of dollars Tuesday at noon when a roaring and violent cyclone ripped a path a block wide and a half a mile long right through the middle of a Southside residential section of town.

A check-up Tuesday afternoon revealed the following homes damaged or destroyed:

Completely destroyed: Cassie Blankenship house, J. N. Baker house, Montevallo Episcopal Church, Arthur Dean home occupied by Deans and Doyles.

Seriously damaged: W. M. Davis house, George McConatha house, Yancey Conway house, J. A. Love house, Presbyterian pastor's home, The McKibbon house, Paul Rogan house, The Horn house, C. S. Day house, Mrs. A. H. Watson's house, R. H. Russell house, Murray Fancher house, Mr. Maddox's car.

Slightly damaged: W. D. Carpenter house, R. E. DeSear house, Dr. F. B. Pearson house, R. A. Reid house, M. P. Jeter house, J. W. F. Garner house, Chester Chism house, R. H. Brown house, Methodist Home and Booth's Store on Selma St.

Little Eleanor Mitchell, daughter of Dr. and Mrs. Mitchell, entertained a number of her little friends Monday afternoon, April 3, celebrating her fourth birthday.

Those enjoying the party were Joy Holcombe, Rita Joyce Day, Laura Ann Hicks, Juanita Holder, Bobby Jean Wilson, Barbara Grim, Marcia Trumbauer, Lois Hoffman, Harry Klotzman, Lee Woolley, D. D. Pendleton, William Henry Mitchell.

Montevallo Downs Indian Springs

Ronald Smitherman pitched the Bulldogs to their sixth straight win Saturday. The lefthander hurled a two-hitter as Montevallo scored a 5-2 win over Indian Springs.

Ruben Hayes led the Bulldogs at the plate, collecting a double and a single in three trips.

Montevallo scored the winning run early as three crossed in the first inning without benefit of a hit. Leadoff man, Bill Winslett, was issued a walk and Danny Thornton was hit by the pitcher. A double steal advanced the runners, then Winslett scored when Ronald Smitherman bunted down the first-base line. Curtis Jarvis' sacrifice fly brought in Thornton with the second tally.

Two errors and a stolen base got Lee Salters around with run No. 3.

After the first shaky inning, Freeman, on the mound for Indian Springs, settled down a bit, as did his teammates, and it was the fourth frame before the Bulldogs saw home again.

George Underwood was issued a base on balls to open the fourth. Hayes' double made the rest of the trip easy for Montevallo's fourth run.

The final run was added in the sixth. Barclay Fisher brought in Cooter Smitherman with a single. Smitherman had a free ticket to first.

Indian Springs scored in the first and third innings, with Raines, leadoff man, bringing in both runs. In the first inning Raines singled, stole second, got to third on an infield error, and scored when Shearin grounded to short. He scored the second run after walking to first. Athey's single got him across the plate.

Busbys Mark 25th Anniversary

Sunday afternoon during the hours of 3 till 5 p.m., Mr. and Mrs. Dewey Busby of Calera, Rt. 1, were humming the "Anniversary Waltz," their 25th, when they were honored with a party at the Calera Recreation Center by their daughter, Miss Faye Busby, and their sister, Mrs. Howard Alexander.

The color scheme of green, white and silver was carried out in the spring flower arrangements of white narcissus and dogwood with silver containers, also the refreshments of lime sherbert punch, mints, nuts, and anniversary cake, which was baked by Mrs. Alexander. The table was covered with a white lace cloth over green, with an arrangement of spring flowers.

After Mr. and Mrs. Busby cut the cake, and Misses Pat Milstead, Willodene Key, and Geraldine Lucas served refreshments to many friends and relatives of Calera and surrounding communities. Miss Jane Cupp registered guests and displayed gifts.

During the party a congratulatory phone call was received by Mr. and Mrs. Busby from his sister and family, Mr. and Mrs. Beecher Faust of Fairhope, who were unable to attend.

Fifty guests registered during the appointed hours. Out of town guests were Mr. and Mrs. T. J. Hunter, Clanton, Mr. and Mrs. S. M. Burnett, Jemison, Mr. and Mrs. Denny Stonecypher and daughters, Mr. and Mrs. G. T. Stonecypher of Irondale, Mr. and Mrs. John Burnette and children, Lipscomb, Mr. and Mrs. Joe Blake and sons, and Mrs. Susie Hardaman of Calera Rt. 2, Mr. and Mrs. Victor Milstead, Columbiana, Mr. Billy Tollet, Birmingham, and Mr. John Sides of Tarrant.

Many nice gifts were received.

Alpha Nu Studies Mental Health

Alpha Nu Chapter of the Delta Kappa Gamma Society celebrated its eleventh anniversary at a luncheon meeting April 11 at Highland Terrace Gardens.

Miss Aileen Pope introduced the guest speaker, Mrs. Vera G. Bruhn, who is a member of the faculty of the University of Alabama and the executive director of the Social Hygiene and Mental Health Association of Jefferson County.

Mrs. Bruhn spoke on Safeguards for the Mental Health of Teachers. She stated that our mental health is good to the extent that we can harmonize our hopes and ambitions with what we can really do. Mental health depends upon how well we accept ourselves, get along with other people, and do the work we have to do. It is necessary to strike a balance between dependence and independence; to feel that we count as individuals, and that we belong in the group.

Members present at the meeting were Mrs. Annie Adams, Mrs. Bertha Cosper, Mrs. Emmie Davidson, Miss Minnie Dunn, Mrs. Nannie Dee Durden, Mrs. Wilma Elliott, Mrs. Loretta Head, Mrs. Fanny Hinds, Mrs. Myrtle Johnson, Miss Anita King, Mrs. Annie King, Mrs. Mary Kroell, Miss Beatrice Kunster, Mrs. Rebecca McGaughy, Mrs. Hildred Nichols, Miss Aileen Pope, Mrs. Sara Walker, Mrs. Margaret Youngblood and Mrs. Margie Sullivan.

Government Gives Testing Program For Schools

The Federal Government has alloted funds to various states to carry out a testing and guidance program. Alabama received approximately $40,000 this year to cover the cost of the program.

Tests results will be used to help in guidance work, to help schools do more for the gifted students, and to offer more help to the average and below-average student.

Four tests are included. They are the California Test of Mental Maturity and the California Achievement Tests in Reading, Mathematics, and Language.

Testing at Montevallo High School will begin Monday, April 20, with the eleventh grade being tested first. Grades eight and nine will also be included in the program.

Students will use electrographic pencils in taking the test so that papers may be scored at the University of Alabama by I.B.M.

W. C. Corbett, a junior sponsor at Montevallo High School, attended a clinic at the University of Alabama during Spring Holidays to learn about administering the tests.

NOTICE—After quarantine period, 2 dogs will be disposed of unless owners call for them. Male cocker black with white chest; male mixed dog, white. Period ends April 21. If interested call Calera NOrth 8-2102. (4-16-1tpd)

F.F.A. News Items

Only a margin of three points in 1285 nosed Montevallo F.F.A. out of the state finals in the livestock juding contest. However, this left Montevallo as runner up of the 49 judging teams participating at Auburn Saturday. Pete Hughes was runner up and took third place in the tractor driving contest representing 15 entrys from as many counties. Tony Birchfield, Glynn Cunningham and Carey Kendrick participated in the dairy cattle judging but failed to gain a place in the state finals to be held in June at Auburn. Making up the livestock judging team were: Larry Wheeler, Jimmy Brantley, and Ronald Mills. The scoring showed Montevallo 1284 points while the other winner had 1286 points as a final score. Mr. J. D. Hughes of Underwood and M. Thornton of Montevallo accompanied the seven participants to Auburn for the contests which represented 52 schools and 15 counties in Central Alabama. Pete Hughes is the Shelby county winner in the tractor driving contest.

Chamber Holds Regular Meeting

The Montevallo Chamber of Commerce held its regular meeting at the city hall last Thursday evening. President Don H. Lovelady opened the meeting with several important announcements. The Chamber now has 42 active members and the membership committee is busy trying to register the other 50 prospective members.

It was decided to have special signs erected at special areas entering Montevallo. Various areas were discussed as possible sites for locating industry. It was decided to lease certain property for industrial development.

The group voted to pay necessary dues and keep affiliation with the Alabama State Chamber of Commerce.

As the meeting closed some time was given to discussing the need for additional housing in Montevallo to take care of the new families and some families already located here. The Chamber of Commerce is encouraging the development company to construct additional homes as well as encouraging individuals to construct homes here. It was noted that some fine lots are still available in the Arben sub-division and other development areas nearby.

Don. H. Lovelady, president and his membership committee is interested in having every business person or firm as a member in the Chamber of Commerce. Mr. Lovelady continues to predict an unusual and outstanding year for the C of C this year. M. S. McGehee, chairman of the Industrial Committee, continues to be active in the industrial development area. All members and others interested are invited to attend the monthly meeting which is held at Town Hall each 2nd Thursday evening at 7:30. Please direct any matters of concern of C of C to the president in order to have it discussed at the meeting.

CONGRATULATIONS!—So says Alabama College's outgoing student body president, Neal Shirley of Chelsea, as he offers his hand and a few words of advice to his successor and her aides. Gathered around the retiring president, they are (left to right), President Janice Wood, Clanton; Radio Station Manager Mike Haywood, Clanton; Recreation Association President Joyce Willis, Childersburg; Alabamian Business Manager Kitty Stansell, Montevallo; Women's Court President Celeste Parker, Talladega; Recreation Association Treasurer Mary Thornton, Montevallo; and SGA Secretary Becky Martin, Wetumpka. Miss Laura Edwards Weds Mr. Gregory

The marriage of Miss Laura Edwards and Mr. Charles Gregory was solemnized at 3 p.m. April 5 at Calera Methodist Church by the Rev. L. B. Stewart and Rev. Odie Gregg, brother-in-law of the bride.

Miss Edwards was given in marriage by her father, Mr. J. R. Edwards. She wore a blue suit with matching accessories.

Mrs. Odie Gregg, sister of the bride, was matron of honor. She wire pink with matching accessories, and was the bride's only attendant.

Ushers and candle lighters were Elwood Edwards and Jim Cook. Mr. Cantrell served as best man.

The wedding music was furnished by Miss Peggy Busby, organist, and Miss Rebecca Lowery, soloist.

The church was beautifully decorated with smilax, gladioli and dogwood.

The reception was in the church fellowship hall. After a wedding trip to Mobile, the couple will live in Montgomery.

Senior Prom at Thompson School

The Junior-Senior Prom at the Thompson School was one of the most beautiful ever held. The theme "Hawiian Holiday" was carried out in honor of our fiftieth State, Hawaii.

The entrance to the gym resembled a gangplank. As the guests came down the gangplank they were given a lei. The entire gym was decorated with palms, grass huts, a fish pond with real fish in the center. Overhead were hanging stars. Tropical flowers and birds were used around the pond.

The serving table was centered with cymbidium orchids and tropical greenery with hurricane lamps. Refreshments were served in real Hawaiian luau style. Wooden bowls and trays brought back from Hawaii were used in serving. What kind of punch? Hawaiian, of course.

A large grass hut on the stage was used as the entrance for the leadouts, class officers and their dates.

Miss Joan Ellis, president of the Junior Class, escorted by Mr. Billy Mac Stinson presented a bouquet of red roses to Miss Carolyn Wynn, the date of Mr. Marlan Dinwiddie senior class president. Other class officers presented were Raymond Moore, Marie Wooten, Martine Vanderslice, Frances Spain, Henry Brett and Pat Hinds.

During intermission Miss Patricia Harper, formerly of Hawaii performed a hula dance.

The girls that served and also met the guests at the boat were dressed as Hawaiian natives.

The Jones Valley dance band played Hawaiian music under the thatched roof. About one hundred fifty students attended.

REVIVAL AT WILTON

The Wilton Methodist Church is having a 10-day series of revival services each night at 7 o'clock. The Rev. George Creel of Birmingham is the visiting minister. Pastor of the Wilton Church is the Rev. Gene McDowell, a student at Alabama College.

Tuesday evening the pastor's parents, Mr. and Mrs. McDowell of Sylacauga and Mr. and Mrs. Will Carpenter of Montevallo attended the services.

Studies by The Travelers Insurance Companies show that driver error caused 85 per cent of the highway accidents in 1958.

Automobile-bicycle collisions during 1958 injured 59,300 persons.

MRS. LIZZIE PRUITT DIED

Mrs. Lizzie Pruitt, age 85, died Sunday night at her home in Aldrich after a long illness. Funeral services were held Tuesday at 2 p.m. at Macedonia with the Revs. Roper, Holcombe and Partridge officiating. Burial was in Macedonia Cemetery.

Surviving are one sister, Mrs. Laura McDaniel and one brother, John England, both of Birmingham; five sons, Bert. Ernest, Curt, Johnny and Harrison Bice; one step-daughter, Mrs. Addie McDaniel of Montevallo; 72 grandchildren and 60 great-grandchildren.

Farmers of Alabama...

Are you growing what the market wants?

The fresh fruit and vegetable market can grow in importance as an Alabama farm income producer. To take full advantage of its potential, however, you have to plan planting—grow what the public wants.

The Farmers' Market on Birmingham Food Terminal has helped make such planning possible. By studying all operations from field to market to consumer, agricultural leaders know what the American housewife wants and how she wants her fresh foods graded and packed.

County agents and community farm leaders are informed on results of these studies. And you can learn from them how you can profit by growing for the fresh fruit and vegetable consumers of Alabama and the nation.

Southern Railway is proud of its part in building the Birmingham Food Terminal and its Farmers' Market where the farmers of Alabama have a point of sale for their fresh fruits and vegetables. It is a major asset for the state. It is one of great importance as Alabama's farmers look to new sources of agricultural income.

County Hospital To Open in July

Because of inclement weather the work has not progressed as fast as they or we would like. However, your hospital at Alabaster is about two-thirds completed.

You should be able to make your reservation between July 15 and August 1. They are now plastering the walls, setting tile, roughing in plumbing and have completed all glass work. Your hospital will have 35 beds, 12 private rooms, two labor rooms, major and minor operating rooms, X-ray facilities, family room or chapel, two nurseries and snack bar.

The active staff will consist of all the doctors within the county. Those on the consultant staff have not been appointed, since none have made application. However, when the time comes we have some good prospects for some specialists to come down here. Mr. Lowery, hospital administrator, is still accepting applications for professional and non-professional workers. Please call or write to K. L. Lowery, Alabaster, Ala., for an appointment.

The Minstrel Is Coming To Town

You're going to like this!

For an entertainment that all your family will enjoy—and you, too—don't miss Dixie Minstrels, May 7, 8:00 p.m., at Montevallo High School.

A real oldtime minstrel show, Dixie Minstrels is complete with interlocutor, end men, special acts, everything. Authentic minstrel costumes are being obtained to give the show just the right flavor. Nothing is being overlooked in bringing you this top flight entertainment feature.

You'll laugh at the jokes of the end men, composed of MHS's male chorus as well as Bruce Tolbert of the Alabama College Music Department.

You'll sit up and applaud when Peter Givhan picks his hot banjo and croons 'Sixteen Tons."

You'll think you're at Arthur Murray's Dancing Party when Elaine Fisher and Louis Sellers go into their acts.

You'll be comparing the Dreamers to the Lennon Sisters when you hear this quartet of lovelies in harmony

You'll tap your feet in rhythm when Montevallo's Ragtime Band begins to play, and Jim Potts as Preacher Parson and Ralph Burk as Professor Gasbag Magnanimus will make you forget all your troubles.

Dixie Minstrels is not a cheap, slap-stick show. It's good music, clean fun, and genuine entertainment. It's produced entirely under the direction of Bruce Tolbert, who directs Montevallo High School's male chorus, sponsor of the show.

Place—High School additorium.

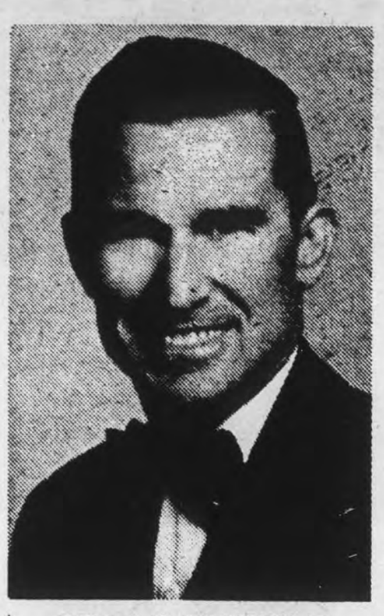

Time—May 7 at 8:00 p.m.

Amission—50c for students; 75c for adults.

Don't miss this show; you'll never get so much for the money. If you don't see Dixie Minstreals, you'll be sorry, for it's bound to be the topic of conversation for weeks to come.

MASONIC LODGE MEETING

There will be a special meeting of Central Lodge No. 70 Monday, April 27, at 7:00 p.m., for work in the M. M. Degree.—W. H. Weaver, W. M.

Aldrich Baptists Plan Revival

Reverend Thomas Cox announces a revival at the Aldrich Baptis Church April 27 through May 3. Reverend J. R. Boutwell, pastor of the Mushulaville Baptist Church in Mushulaville, Miss., will be the Evangelist.

Morning services will begin at 9:45 and evening service at 7:00. Mr. Henry Emfinger will be in charge of special music for each service.

Rev. Boutwell has been active in pastoral work in Mississippi for the past ten years and has been successful as an Evangelist in Miss., Ala., Fla., and Kentucky. He is a graduate of Clarke College in Newton, Miss., and William Carey College in Hattiesburg, Miss.

Rev. Cox and the members of the congregation extend a special invitation to those who will come and enjoy these revival services.

Business Club Plans Banquet

The Business Administration Club of Alabama College will hold its annual banquet Monday, April 27. The event is set for 6 p.m. in Anna Irvin Hall Annex.

Featured guest speaker at the banquet will be Mr. Hugh P. Bigler, President of Southern Electric Steel Company, Birmingham.

The club will have as its guests members of the Montevallo Chamber of Commerce and administrative officers of Alabama College.

GIRL SCOUT DAY CAMP

Girl Scouts in District X, which covers Shelby County, are making plans for another Day Camp this summer. "Camp Bashell" will be located on the William Lovelady property in the Arden Subdivision, Montevallo, Aug. 4-7 and 7-11, from 9:00 a.m. to 2:30 p.m.

Mrs. James Grant is Camp Director. Site chairman is Mrs. Kyle McClure and Mrs. M. L. Smith is business manager.

Girl Scouts planning to attend the camp should mail their applications with registration fee ot $2.00 to Mrs. Smith before July 21. The $1.50 balance of the fee of $3.50 is to be paid on or before the first day of camp.

SILURIA BAPTIST CHURCH CHANGES TIME

The Siluria Baptist Church will change their time for Sunday services and Sunday School beginning May 1 and continuing through the month of June. Services will start at 8:30 a.m. and Sunday School will follow. Services will conclude at 10:00 a.m. so that members can attend memorials at other churches throughout the community.

WATER COLOR SOCIETY

The Water Color Society of Alabama will hold its annual meeting on the campus of Alabama College Saturday, April 25.

The program of the day includes an exhibition of water color paintings in Comer Hall and a 12:30 luncheon in Anna Irvin Dining Hall.

ALABAMA COLLEGE CLASS VISITS BANK

The 26 members of Mrs. Sara Morgan's class in Business Law at Alabama College made their annual visit to Merchants & Planters Bank on April 16 for a discussion on Negotiable Instruments led by Mrs. J. P. Kelly. A review of the Negotiable Instrument Law was followed by showing many types of negotiable instruments and their every-day usage explained.

Methodists Plan Mission Study

A church-wide mission study on the Middle East is being planned by the Montevallo Methodist Church. This mission study will begin Sunday evening, April 26, with a family supper at 6:30. At 7:30 classes for all ages will get underway. Monday, Tuesday and Wednesday nights, April 27, 28, and 29, classes will begin at 7:00 and last until 8:00, folowed by a fellowship and refreshment period.

The best teachers have been chosen for all groups. The planning committee has worked hard to build a program that will be interesting, informative and well worthwhile. The history, geography, people, religions and various problems of the Middle East will be studied. Because of the strategic place the Middle East holds in the complicated world situation of 1959 this study should be of interest to men as well as women and young as well as old members of the church.

Please mark the above dates on your calendar and plan to be at the church each night. This is the first program like this in the Montevallo Methodist Church in a good many years, so let's make it a big success.

YOUTH REVIVAL AT CALERA

The Youth Revival at the Calera Baptist Church will begin Sunday, April 26 and continue thru May 3. Morning services will begin at 7:00, evening services at 7:30.

Come in your work clothes. The services will close in time for the working people each morning.

Rev. H. L. Boeman, pastor, will be the speaker. Song leader will be a Howard College student.

Walters Named Dean of College

Dr. John B. Walters, chairman and professor of history and acting dean of men at Alabama College, has been named Dean of the College upon the retirement of Dean Milton L. Orr.

Dr. Walters' appointment was announced by Dr. Howard M. Phillips, president of Alabama College, following approval by the board of trustees at a recent meeting. The board recommended that he continue as acting dean of men until a successor is named for that position.

Dr. Walters was the unanimous choice of the members of the board of trustees. In a prepared statement, the board said he was chosen ". . . on the basis of the criteria established by the Advisory Committee to the President; his abilities and competencies; his dedication to the ideals and the best interest of Alabama College; and on the basis of the majority vote of the members of the faculty, who expressed themselves in writing."

He will replace Dr. Orr who will retire July 1 after serving on the faculty and administration of Alabama College for the past 37 years.

Dr. Walters came to Montevallo in September, 1956, from Emory and Henry College in Virginia where he was head of the department of history and government.

A native of Cordele, Ga., Dr. Walters holds A.B., M.A., and Ph.D. degrees from Vanderbilt University. He served on the faculty at Vanderbilt as instructor of history and political science before going to Emory and Henry College in 1947. He has also taught at Peabody College in Nashville, Tenn., and in the Extension Division of the University of Virginia.

He is the author of many articles and book reviews appearing in newspapers and literary and professional journals, including the Journal of Southern History, the Mississippi Valley Historical Review, the Tennessee Historical Quarterly, and the Historian. He also served as assistant editor of the Tennessee Historical Quarterly.

Dr. Walters' research manuscript on his doctoral dissertation, "General W. T. Sherman and Total War," is currently being revised for publication.

Mr. and Mrs. Jimmie Williams of Calera, spent Sunday at the home of her parents, Mr. and Mrs. W. W. Morgan, in Montevallo. The occasion was a birthday dinner celebration for Mrs. Williams' brother, Jerry Wayne, and sister, Agnes Faye.

SHELBY COUNTY SOIL CONSERVATION DISTRICT

Shelby County Soil Conservation

Mrs. Esther Roper, a new cooperator near Westover, got an S.C.S. dam designed for her new 81-acre farm on March 9th. On April 17 the dam was completed and ready for checking for conformity to design. It met or exceeded all design requirements. Water is already backing up behind the dam. She also asked for two short terraces to protect from erosion a field she is planting to shrubbery. Bahia grass will be planted as soon as preparation of soil is completed, both for pasture and on the dam spillway.

Geo. Limbaugh, Childersburg hardware man and Shelby County farmer, is cross fencing an acre that includes two land use classes. The cross fencing will permit better management of the two different types of crops recommended to him as part of the conservation form plan. He also was given a design for a 2700 cubic yard dam to provide water in the high ground field.

Lewis Walker, a district supervisor under the new Shelby County S.C.S District organization, is constructing an S.C.S. designed dam on his 40 acre homestead, three miles north of Columbiana.

Multiple Sclerosis Drive Announced

Charles Meriweather, Director of Finance for the Sttte of Alabama and State Chairman of the Alabama Multiple Sclerosis Society, in a statement at Montgomery, said:

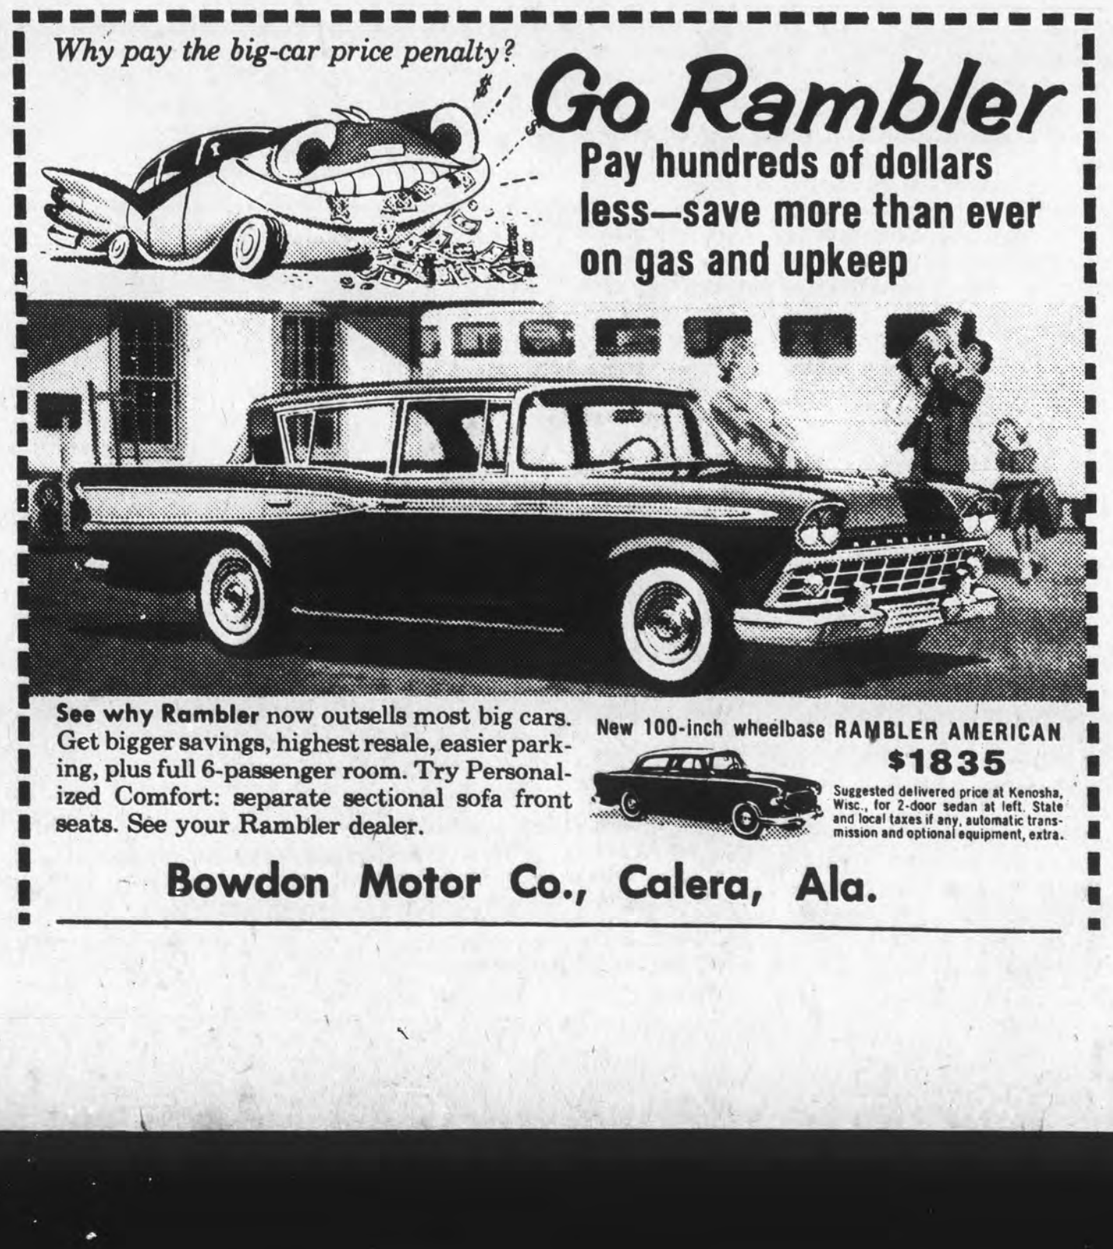

"I wish to announce the opening of our first annual drive for funds for the Society. Multiple Sclerosis attacks young adults between the ages of 18 and 40. There is no known cure for this dread crippler. Our young people are being removed from any active part in society. These people ae in desperate need of help. I am calling on all Alabamians to join with us, during our drive which will take place from May 10, Monther's Day, through June 21, Father's Day."

One Will Be Called

One man from Shelby County will be called for selective service in the month of May. Total called in Alabama is 115.

ART AUCTION

The Alabama College chapte of Kappa Pi, national art fraternity, will hold its annual art auction April 23-25 in the Fun Room of Tutwiler Hall. Works to be auctioned include paintings, sculpture, prints and other items of art contributed by students, former students and graduates of Alabama College, and outstanding artists of the state. Proceeds from the auction will go into a scholarship fund for the college's art department.

Montevallo Zoning Board Lists The Procedures For Subdividing Property

(By C. O. NORDAN, Chm.)

The Montevallo Zoning Board recommends the following procedure to those property owners planning to subdivide or develop their real estate located within the zoned areas of Montevallo in order to have their plans approved by the Board.

1. Acquire a copy of the Montevallo Subdivision Regulations at the City Hall. Acquaint yourself wtih all specifications before attempting any physical ground work on the proposed subdivision and before selling off any part of the property or recording any part of it in the Probate Office.

2. Refer to the City Zoning Map at the City Hall and determine the type of zoning district your property is situated in. Consult the City Clerk for details.

Make two copies of a preliminary plat or drawing of the proposed subdivision, file one with the City Clerk and retain one copy for your personal use. These plats are not necessarily the final plat, but must be prepared by a professional engineer, architect, landscape architect, or land surveyor registered to practice in the State of Alabama.

This preliminary plat or plan will be reviewed by the Zoning Board for their approval or disapproval. Those items which the Zoning Board might find to be in conflict with the existing subdivision regulations will be pointed out to the subdivider in order that he may make the necessary corrections in his preliminary plans before proceeding further.

4. After the preliminary plat and plans have been approved by the Zoning Board, the subdivider may proceed with a reasonable assurance that the final plat will be approved, provided the preliminary approved plans are carried out by him as presented.

5. After the preliminary plat has been approved, a final plat should be made showing all required dimensions and details of the entire subdivision. The final plat should be submitted to the Zoning Board through the City Clerk, in 3 copies, one of which should be the original inked drawing. This should be done within one year following the preliminary plat. Those persons preparing the final plat should acquaint themselves with Section 42 of the Montevallo Subdivision Regulations before attempting to do so.

6. After the Zoning Board has approved the final plat, it will be so indicated on the final plat copy and returned to the owner, and it may then become of permanent record, such as recording in the office of the Probate Judge and the property may be sold and developed as planned, subject to the inspection and acceptance of each City department concerned.

What Is Subdivision?

"Subdivision" means the division of a lot, tract, or parcel of land into two or more lots, plots, sites, or other divisions of land for the purpose, whether immediate or future, of sale or of building development. It includes resubdivision, and, when appropriate to the context, relates to the process of subdividing and to the land or territory subdivided.

It is the desire of the local Zoning Board that all potential subdividers become more familiar with some of the most common requirements of local subdivision regulations, and in order to facilitate that end, and to foster more public interest, they list only a few of these regulations as follows:

1. The City of Montevallo is zoned into the following 7 types of districts designated as follows:

Residence "A" district; residence "B" district; residence "C" district; local business district; general business district; light industrial district; heavy industrial district.

Each district has its own particular regulation.

All of these districts have definite boundaries and are indicated on the Zoning Map of Montevallo, which may be seen at the City Hall.

2. There is a minimum lot size for each type Zoned District.

3. Lands within a Zoned District may be developed only for the purposes for which the district is zoned. (A residential structure may be built in any of the seven zoned districts providing it meets the other minimum regulations for that district.)

4. A general business establishment will not be permitted in any of the districts zoned for residential development.

5. Required street widths measured from lot line to lot line must meet the minimum regulations as follows:

A. Major Street—80 feet wide, minimum
B. Secondary Street — 60 feet wide, minimum
C. Local Service Street — 50 feet wide, minimum
D. Alley serving business lots—20 feet wide, minimum
E. Alley serving residential lots at rear or side in addition to other required streets—16 feet wide, minimum

6. No dead end streets are allowed except where a turnaround of a required size is provided and developed at the closed end by the subdivider.

7. The subdivider must develop an all-weather surface street abutting each lot to be developed.

8. The subdivider must provide the necessary gas lines, water lines and electric power lines to each lot to be developed.

9. Each lot must have the minimum required feet of street frontage as required within that district.

10. Street intersections cannot have a turning angle of less than 75 degrees.

11. Blocks required to be continuous for at least 800 feet and not longer than 1200 feet, whether curved or straight, whereas an intersecting street will be required.

12. The Zoning Board may require a street to be provided by the subdivider to give access to the adjacent property.

13. A subdivider will not be permitted to dedicate only a half or a part of the required width of a street. All streets so dedicated must be for the entire required street width by the individual subdivider concerned.

14. Any planned streets which show to be of a hazardous nature may be disapproved by the Zoning Board.

15. All plats of lots proposed for development must show the minimum required building set back lines.

16. Do not give or accept a final deed to any subdivided lot until it has been approved by the Zoning Board. (Options or other types of sale contract instruments may be used where desired prior to final approval.)

Again, the Zoning Board wishes to make it clear that the above listed regulations are only a partial list of the local subdivision regulations which each proposed developer should become familiar with prior to preparing and submitting a subdivision plat for approval. It is suggested that any person concerned with the contents of this article retain it for future guidance.

The Zoning Board also wishes to point out the fact that individual builders are required to obtain building permits from the City and must comply with zoning regulations. These regulations are found in the "Zoning Ordinance for the Town of ontevallo," copies of which may be obtained at the City Hall.

EBENEZER CLUB

In April Mrs. Frank Baker was hostess to Ebenezer Home Demonstration Club. The theme for the month was "Entertainment for Special Occasions." The hostess and Mrs. Jimmy Spain made golden knots, date nut bread, frozen fruit salad, cheese, potato chips and coffee and served them for refreshments.

We all enjoyed this demonstration very much. We are most grateful to Mr. and Mrs. James Wyatt who presented our club with cemetery signs for Moore's and Harless cemeteries. A project we have been striving for for some time. Material and pamplets were given out to ladies that promised to work on the cancer drive.

Mrs. Baker gave a very inspiring devotional and led prayer. Also gave the story of the hymn of the month, "Jesus Christ Is Risen Today". Those atttending this meeting were: Mrs. Jimmy Spain, Mrs. W. W. Cupp, Mrs. W. A. Jones, Mrs. E. W. Hare, Mrs. John Lankford, Mrs. J. H. Wyatt, Mrs. Frank Frost and our visitors Mrs. Frank Fruetuff of Cincinnati, Ohio, and Mrs. Leo Davis.

ATTE OGBURN CLASS

The Atte Ogburn Class of the Central Methodist Church held their regular monthly meeting at the church. Mrs. Whit Johnson was hostess. Mrs. Bill Harris gave the devotional and Mrs. Iris Goss had charge of the games. Plans were made to build up class membership.

Representative -- April 28

I PLEDGE

FEES:

To introduce legislation to place the offices of Probate Judge, Sheriff, Tax Collector, Tax Assessor, and Circuit Clerk on an annual salary to be paid on a monthly basis. Savings resulting from fees collected in excess of salaries will be earmarked to be SPENT ONLY for our SHELBY COUNTY SCHOOLS. All of us know the serious financial situation confronting our educational program. My plan to earmark this money for educational purposes ONLY will be of material assistance to ALL SHELBY COUNTY SCHOOLS.

ELECTION OF COUNTY COMMISSIONERS:

To introduce legislation to elect members of the Board of Revenue and Control by districts.

SEGREGATION:

To support enabling legislation to maintain segregation and Southern traditions.

OLD AGE PENSIONS:

Continued support of the needy and old folks.

CONSERVATION:

To work to develop and conserve our natural resources, fish and wildlife and work to end pollution of our rivers and streams.

FAIR REPRESENTATION:

To represent all the people and work for the best interests of all the people of our county and state.

TAXES:

I think that the property tax rate is high enough already and I do not favor any increase in property taxes. I do think that the big corporations and big businesses should pay their fair and equitable shares.

CALERA GARDEN CLUB

The Calera Garden Club held its April meeting Tuesday, April 14, at the lovely home of Mrs. W. B. Ozley, Mrs. R. L. Holcombe, co-hostess.

Prior to the meeting, Mrs. Charles Kunz, president, showed some color movies of her yard and other films of interest. After the showing of the films, delicious refreshments were served.

The meeting was then called to order. A group of club members had just returned from Georgia where they visited the Dunaway Gardens in Newnan and Ida Carson Gallaway Gardens in Chipley. They said the gardens were beautiful, as well as the lovely dogwoods. On their way home they came by way of Opelika and it was also very beautiful.

Among the group were Mrs. Z. S. Cowart, Sr., Mrs. Z. S. Cowart, Jr., Mrs. R. J. Mabry, Mrs. Dean Holcombe, and Mrs. R. E. Bowdon, Jr. They spent the night at the home of Mrs. Z. S. Cowart, Jr.,'s sister, Mrs. Morris, in Palmetto, Ga. Mrs. Bowdon brought out the fact we should all be more dogwood conscious and start beautifying Calera.

The following members were present at the meeting: Mrs. Pat Bailey, Mrs. Frank Baker, Mrs. R. E. Bowdon, Jr., Mrs. Z. S. Cowart, Sr., Mrs. B. D. Holcombe, Mrs. Curtis Lucas, Mrs. R. J. Mabry, Mrs. Wallace Veazey, Mrs. Roy Downs, Mrs. O. C. Farris, Mrs. P. A. Garrett, Mrs. P. J. Kyser, Mrs. W. L. Lawler, Mrs. W. S. Mitchell, Mrs. Robert Parker, Mrs. Wallace Reese, Mrs. Rosa Kunz, Mrs. R. L. Holcombe, and Mrs. W. B. Ozley.

TOP TV—The Dinah Shore Chevy Show—Sunday—NBC-TV and the Pat Boone Chevy Showroom—weekly on ABC-TV.

In this Kingswood, every window is Safety Plate Glass.

Nicest wagon that ever joined your family!

Chevy's station wagons should really be called family wagons. You can choose from five models, including the four-door nine-passenger Kingswood, with its rear-facing rear seat.

Here's a brisk and breezy wagon that'll take on any chore you name, from a trip to the beach to a journey home from the lumberyard. There's room, you see, for a whole half-ton of cargo—a space ten feet long, with the rear seat and tailgate down.

These wagons are easy to load, too—you just roll the rear window into the tailgate and flip it down flat. No liftgate to wrestle with.

Chevrolet's so easy to handle it's a natural for the lady of the house. Big, safer brakes, too. Chevy's even got bigger tires—they come as *standard equipment* on every one of our wagons. But why not fall in love with a Chevy firsthand—at your Chevrolet dealer's!

A scene at the FFA-FHA chicken fry last Friday, when members of the two organizations entertained their parents.

Montevallo FHA-FFA Has Chicken Fry

The annual FHA-FFA Mother-Daughter, Father-Son Chicken Fry occurred at the school lunch room in Montevallo on Friday evening, April 17. On this occasion each year, the Montevallo Chapters of Future Homemakers and Future Farmers honor their parents. Other guests were high school teachers and honorary members of the two organizations.

Arrangements of dogwood were used as decorations. On one wall a large mural, drawn by the students, emphasized that "The Homes of America are in the Hands of its Youth." Fried chicken, potato salad, celery-pinwheels, peach pickles, ice cream, and cake were served to approximately 250 people.

Judy Bess Robinson, FHA President, welcomed the guests and the response was given by Mrs. J. Frank Baker, an Honorary member of FHA. Mr. C. A. Edfeldt gave the Invocation. Tony Birchfield, President of FFA, talked on the subject "FFA Looks Ahead". One feature of the program was the presentation of Honorary membership awards followed by the awarding of FHA and FFA degrees. Members of the Future Homemakers Chapter presented the Emblem Ceremony preceding the introduction of the 1959-60 officers of FHA and FFA. The guests enjoyed musical numbers by Gibbes Scott, Pattie Murray, and Gene Moody.

Chapter members who served as co-chairmen of committees for the occasion were:

Invitations, Tommy Ruth Mowery, Tony Birchfield; Business Manager, Gesila Molgedei, Billy Winslett; Food preparation, Phyllis Kyser, Glynn Cunningham; Serving, Betty Milstead, Pete Hughes; Program, Edith Edfeldt, Wayne Anderson; Arrangements, Marjorie Thiemonge, Doug Smitherman; Clean Up, Linda Hill, Ronald Mill.

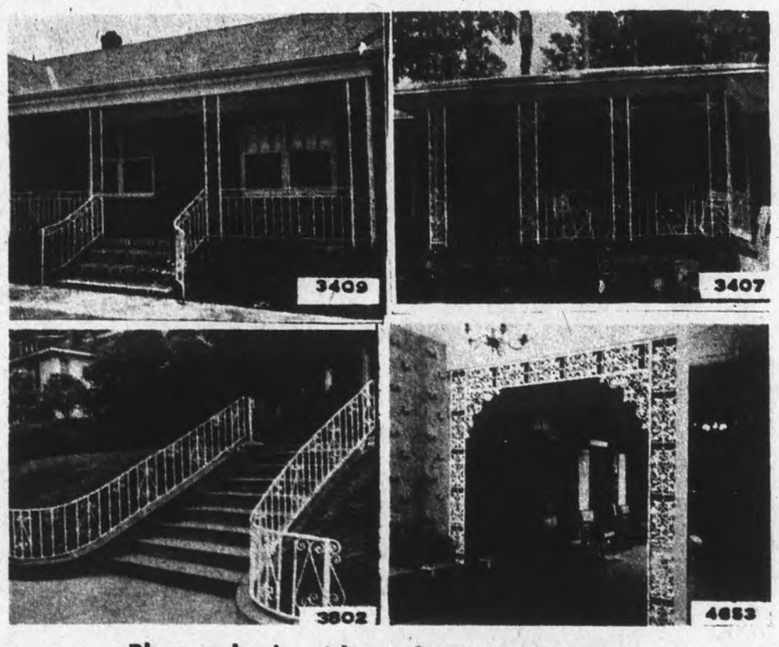

Marines Seek Women Officers

Captain Donrue Wever, Woman Marine Officer Selection Officer, will be at Alabama College on Monday, April 20, to interview college students for the 1959 Women Marine Officers Training Class.

Although primarily designed for college graduates, the Women Officers Training Class is open to seniors, juniors and sophomores through attendance of two six-week summer training courses, Captain Wever said. "Upon completion of this training and on receipt of a college degree, the candidate will be commissioned a second lieutenant in the Marine Corps Reserve and assigned to active duty at one of the major Marine Corps bases in the United States or Hawaii," she added.

"The young woman officer of today has many advantages not usually enjoyed by most women who are employed," the woman officer continued. "Her starting salary alone is between $3600 and $4000 annually—far above the average received by other young women just out of college. In addition, every Marine officer is entitled to a month's annual vacation with pay. She also receives free medical and dental care; travel allowance and living quarters as well as an initial allowance for the purchase of her smart Marine Corps uniforms. Her steady promotions mean, of course, regular salary increases," the captain concluded.

Professional women are also invited for an interview with Captain Wever. She can be reached by calling the Alabama College Office.

Bulldogs Win 8th

Barclay Fisher, Curtis Jarvis, and Lee Salter carried the big sticks as Montevallo downed Blocton here Friday 14-8 for victory No. 8.

Peter Givhan, on the mound for the Bulldogs, gave up seven hits, walked four, and whiffed three chalking up his third win. Called on for relief in the sixth, Ronald Smitherman struck out two and walked one in one and one-third innings.

In a perfect day at the plate, Fisher, with three for three, scored two runs and batted in two more. Jarvis, hitting the ball at .538 for the season thus far, banged out three safeties, one a double.

The game's most exciting moment was provided by Salter. He drove a terrific home run into deep centerfield with one aboard, his third circuit blow for the season.

The Bulldogs got the game in hand early as five runs crossed in the first inning. A sixth was added in the seconr, with two more coming in the third. Another big rally in the fourth saw six Bulldogs round the sacks to wind up Montevallo's scoring for the day.

To quell the scoring riot, Wade came on to relieve Broadhead, starter for Blocton. In the hole 14-3, Wade calmed things down a bit, allowing only two hits and sending four down the K route in two and one-third innings.

With a 14-5 lead in the top of the fifth, Coach Fisher sent his reserves into action to finish the game.

Blocton Scores in Second

Two Bulldog errors, back to back, put Blocton runners on in the second. Both scored when Colburn doubled. Colburn came in with the third run when Hutchins singled.

Tigers Add Five

Quiet then until the sixth frame, the Tigers staged a blazing five-run uprising, at which time Smitherman came in and put out the fire.

This was the second time this season the Bulldogs won over Blocton. On the Tigers' field earlier this spring, Montevallo won a 13-5 decision.

Bulldogs Defeat Calera, 9-3

The Bulldogs tagged Findley, Calera starter, in the first inning for a single, a double, and a home run as Montevallo downed the Eagles 9-3. This was the second victory for the Bulldogs.

Bill Winslett, on the mound for Montevallo, held the county rival to five scattered hits, issued one walk, and fanned three.

Danny Thornton, Bulldog catcher, and Lee Salter, centerfielder, had perfect days at the plate, Danny collected a single and a double in two trips; Lee had a home run in his only time at bat. On two other occasions Salter was given free passes. Ronald Smitherman hit two for three and Forrest Brown one for two.

Findley called for help in the fifth after walking first three Bulldogs. Gay, in his relief role, gave up one hit and fanned three.

Score by innings:

Montevallo: 3 0 2 2 1 0 0 1
Calera: 0 0 0 1 0 2 0 0

Juniors Offered Scholarship Test

Any member of the junior class at Montevallo High School is eligible to take the National Merit Scholarship Qualifying Test, and any student who plans to enter college in 1960 should take the test.

The National Merit Scholarship Qualifying Test is a three-hour exam covering five areas: English Usage, Mathematics Usage, Social Studies Reading, Natural Sciences Reading and word usage. It is an examination on understanding of the ability to use what has been learned rather than on sheer knowledge of facts. The test should help a student learn more about his strengths and weaknessess, and should give him additional information concerning his chances for success in college.

All juniors interested in taking the test should contact Guy Milford, principal, immediately for further information. The test will be given at Montevallo High School Tuesday, April 28, according to Mr. Milford. There will be no charge for taking the exam.

Parents are asked to urge their children to take the National Merit Scholarship Qualifying Test if they are eligible.

IT'S THE LITTLE THINGS! The first tulips coming up . . . Junior learning to drive . . . Sis going to her first dance. Those little events in your everyday life are what mean so much to your loved ones faraway. And what better way to share them than by a Long Distance phone call? You have the fun of telling . . . someone else has the fun of hearing it "first hand." And, Long Distance rates are low . . . even lower when you call station-to-station . . . with extra bargains after 6 P.M. and on Sundays.

* * *

WHY WAIT? The other day I heard a young housewife eagerly describing her "dream kitchen"—"enough cabinets . . . a dishwasher . . . a built-in oven . . . and a phone right there at my elbow!" Fortunately, you don't have to be able to afford your "dream kitchen" to enjoy the wonderful convenience of a kitchen phone. It's available right now for less than a nickel a day. And they come in a variety of spring colors. Why not contact our Business Office and select yours right away?

* * *

WITH MOTHER'S DAY just around the corner (May 10), you'll probably be thinking up something nice to give her. Wouldn't she enjoy a kitchen extension phone —or one in her bedroom?

PTA To Install New Officers

Officers for the coming year will be installed at the meeting of the Montevallo P.T.A. Monday night, May 4, at 7:30. This final meeting of the year will be held in the high school auditorium.

M. S. MeGehee, District Manager of Alabama Power Co., will be new president, with Mrs. Earl McGaughy, 1st Vice-Pres.; Mrs. Ralph Sears, 2nd Vice President; Mrs. Phillip Kyser, Secretary; and Mrs. L. K. Birinyi, Treasurer.

A 30 minute program of entertainment will be presented under the direction of Bruce Tolbert. The band will give their Scots Dance number which was used in their recent concert.

Dr Andrew Kochman, outgoing president, will present the final committee reports and copies of revised by laws will be distributed.

Lawrence Joins Big Star Group

Mr. T. W. Lawrence announces that this will be the last week in which his store will appear in the Food Center ads in the Birmingham paper. Effective next week the Lawrence Food Center will join the Big Star organization.

Mr. Lawrence states that they hope to serve their customers better with this group. Watch for their ads in the Shelby County Times-Herald.

REV. FRED R. DONOVAN

Mayberry Will Have Revival

The Reverend Fred R. Donovan of Jemison will conduct a revival at Mayberry Baptist Church May 3-9. Assisting him with music in the series of evening meetings will be Norman Brymer. Mr. Brymer, a student at Alabama College, will direct the choir and lead a short song service each night at 7:00 before the sermon. The public is invited to attend all services.

Special music will be provided during the week by a quartette of girls from Jemison High School, where Rev. Donovan teaches Algebra, Biology, and Science.

A graduate of Howard College, Rev. Donovan was pastor at New Salem Church for two and one-half years before coming to Mayberry. He was born and reared in Clanton, Alabama, and is married to the former Miss Betty Glass of Jemison. They have one small daughter.

BUSINESS MEN VISIT AC—Four business men from Shelby and Jefferson Counties talk things over among themselves at a reception and coffee in the lounge of Napier Hall at Alabama College. They were guests of the Business Administration Club of Alabama College at the club's annual banquet this week. And passing on words of advice to the future business and professional people, they are, left to right, Mr. John L. Lankford of Montevallo, associated with the comptroller's office of TCI in Fairfield; Mr. J. Frank Baker of Red Acres, well known Shelby County dairyman; Mr. Hugh P. Bigler, Birmingham, president of Southern Electric Steel Co. and main speaker at the banquet; and Mr. Phillip Kyser of Montevallo, president of United Cement Co. (Photo by Doug McCormach.)

Brantley Has Lead In "Blithe Spirit"

James Brantley, son of Mr. and Mrs J. N. Brantley of Wilsonville appeared in a leading role as the sophisticated writer in Noel Coward's stage hit comedy, "Blithe Spirit", which played at Palmer Auditorium last week.

The play, presented by the College Theatre, was under direction of Dr. Andrew Kochman.

The role of Charles Condomine was particularly appropriate for Brantley, since he is also a writer in reality. Two of his short stories have recently appeared in the "Tower", the Alabama College literary magazine.

Students Take Scholarship Test

Nineteen students at the Montevallo High School took the National Merit Scholarship Qualifying Test, Mr. Milford, Principal, announced today. The test was administered at the high school at 9:00 a.m., Tuesday, April 28.

John Cates Wins Nomination

Unofficial returns from the special primary election held Tuesday show that John Lewis Cates swamped his two opponents, Marion Jones and W. M. Morris, and received a decisive majority as the Democratic nominee for Representative of Shelby County in the Legislature of Alabama.

Calera School News

With the hanging of new curtains in the girls rest room, a project started last fall was finished.

The renovation was suggested by the Beta Club as they pointed out the deplorable condition of the facilities. The supports under the concrete floor had given away and the floor had sunk 4½ inches.

The Beta Club, students and faculty joined hands in a project to completely remodel the rest room. Under the supervision of B. H. Cadle, a new concrete floor was poured. Walls were tiled and new enamel partitions installed. A color scheme of pink was selected by Mrs. Avoline Childers and the Home Ec Department. The curtains were also made by this group.

White Elephant Sale

Many worthwhile articles will be found at the White Elephant Sale Thursday at the school auditorium. The sale will be from 3 to 4:30. Proceeds will be used to buy library books.

Household Hints by Frances Graham

Vivid green foliage in solid brass or copper containers can bring life and freshness to your home this Spring — and throughout the year.

The sunny warmth of the copper and brass and the woodland coolness of the plants are echoes of all outdoors. Together they can form the main ornamentation of the room.

Even if you don't have a "green" thumb, there are plants that will flourish with little help from you. Just remember to keep plants moist but not sodden.

One plant is the Whitmanii fern, sometimes called lace fern. This plant has a delicacy that belies its hardiness. It shuns bright sunlight so it is a natural in the foyer or a drab corner of a room. Results can be spectacular when you group this fern in a large copper kettle or brass vase, either at floor level or on a stand.

Or you might try Tradescantis, a hardy, easy-to-grow plant with colorful, shiny leaves. Because it is a trailer, this plant looks especially well in a hanging brass container. Suspended from the ceiling by means of two long brass chains, it can add the finishing touch over a chest of drawers or in a window.

Another type of fern which is said to produce more greenery with less care than almost any other plant is the Boston fern. It comes in many charming varieties, both laced and frilled. This fern which seeks sunlight, can be most effective in a brass planter along the window sill. Or you might prefer to place the rectangular planter on a stand and use the arrangement as a room divider.

Soil Stewardship Stems from the Heart

By Donald A Williams
Administrator U. S. Soil Conservation Service

Twenty years ago a conservationist said that soil and water conservation will truly become a reality when it becomes an ideal in the hearts of men.

He was thinking of the spiritual values that contribute to the satisfaction of working with the soil. He realized that the practice of modern soil and water conservation—true stewardship of the soil—must be on something more than just financial gain and the security of one's investment in the land.

Profits and security do come from conservation farming and they are important But money values change. Ideals and spiritual values usually persist to guide the man who carries them in his heart.

The continuing and growing success of Soil Stewardship Week, sponsored by the National Association of Soil Conservation Districts and various national church organizations, indicates that we have reached the time when soil and water conservation has become an ideal in the hearts of millions of people.

Soil Stewardship Week for 1959 is May 3 to 10 inclusive. During those eight days, soil conservation districts and churches throughout the United States will observe the fact that "the earth is the Lord's and the fullness thereof" but responsibility for its stewardship is a sacred trust vested in man. Many other farmers' organizations, civic and professional organization, schools, businessmen's organizations and other community-minded groups will join in the observance. In many states, the Governor traditionally names Soil Stewardship Week in a proclamation. The Soil Conservation Service is proud of any help our officers are able to give. I am sure the same is true of other Federal agencies.

Miss Holliday To Present Concert

The Alabama College school of music will present Miss Polly Dean Holliday of Haleyville in a senior piano concert Thursday, April 30, at 8:15 p.m.

The recital, to be given in Calkins Hall auditorium, will feature two sonatas by Scarlatti; Sonata in E-flat Major, by Beethoven; three selections from MacDowell's "Sea Pieces" six Rumanian folk dances by Bartok; and Mozart's Concerto in D Minor.

Dr. Maxine Davis, associate professor of music at Alabama College, will provide orchestral accompaniment on a second piano.

Miss Holliday will be graduated from Alabama College in May, receiving the Bachelor of Music Education degree.

FHA District Meeting

About 500 Future Homemakers from 15 counties in the Central District attended the annual FHA meeting at Sylacauga Saturday. State degrees of achievement were awarded to Phyllis Kyser, Betty Milstead, Gisela Molgedei and Judy Bess Robinson. Other members attending were the recently elected officers of the local chapter: Amelia Dodd, Linda Hill, Lucretia Hollingsworth and Langley Tolbert. Accompanying the group were Mrs. Phillip Kyser, Mrs. Rebecca McGaughy and Mrs. Margaret Hollingsworth.

Twirp Week Dance

April flowers were used as decorations for the Junior Student Council's Twirp Week Dance recently. Committees working with Mrs. Cairns, sponsor, were Judy Poole, Charles McGehee, Bobby Brown, Gail Price, Delila Smith, Lois Eady, Judy Lucas, Kay Williams, Jerry Crawford, Jane Robinson, Guy Milford, Johnny Lovelady, Kit and Brownie Cairns.

Miss Barbara Turner of Alabama College directed some mixed dances for the party.

Business and Professional Women's Club

The Montevallo Business and Professional Women's Club met on April 21 at the home of Mrs. Floyd Lovelady with Mrs. Mildred Doyle as co-hostess.

Reports from the cancer drive, which the club is sponsoring, were made. The results at that time were gratifying.

Mrs. Willie B. Graham of Birmingham, state vice president, installed the following officers for the coming year: Mrs. Willie Galloway, president; Miss Edythe Hartley, vice president; Miss Lelah Brownfield, treasurer; Miss Frances Duke, secretary; Mrs. Floyd Lovelady, recording secretary.

Plans were made for attending the 40th annual BPW state convention in Birmingham May 15-17. Delegates will be Edythe Hartley, Madge Carpenter, Jessie McGaughy, Ruth Ratliff and Essie Weston. Alternate is Frances Duke.

CHAMBER MUSIC CONCERT

The Alabama College school of music will present the College Chamber Orchestra in a chamber music concert Sunday, May 3, at 4:30 p.m.

The program, which will be presented in the college library, includes selections from the works of Mozart, Kennan and Bach.

GAYLE JONES

Gayle Jones, daughter of Mr. and Mrs. S. C. Jones, of Montevallo, has been tapped for membership on the Mortar Board, senior women's honorary society at Alabama Polytechnic Institute.

Mrs. Carrie Hayes is in University Hospital where she underwent a serious operation Thursday. Dr. Nick Jones of Birmingham is Mrs. Hayes surgeon. We wish you a speedy recovery Mrs. Hayes.

Kitty Stansell To Receive Award

Kitty Stansell, of Montevallo will receive the A.A.U.W. award scholarship certificate Tuesday, May 7, when some 56 students at Alabama College who have maintained a B-plus average during their college careers will be honored in special Honors Day ceremonies. Miss Stansell is a sophomore with a straight A average.

The group to be honored includes seven seniors, nine juniors, and twenty members each from the sophomore and freshman classes.

Students and faculty will also honor Dr Milton L. Orr, Sr., member of the faculty and administrative staff of Alabama College for the past 37 years. He will receive a special scroll in recognition of his services to the institute.

The program, which is scheduled for 11 a.m. in Palmer Auditorium, will begin with an academic procession led by Dr. Howard M. Phillips, President of Alabama College; Dean Orr; Dr. Herbert W. Eber, professor of psychology and faculty representative of the Honors Day council; and Dr. S. E. Gerard Priestley, professor of political science at Alabama College and main speaker at the ceremony.

Special guests in the procession are Mrs. Ruth Scott Parker, instructor of music at Birmingham's Ramsey High School, and Mr. Robert Jenista of Birmingham, who will present a scholarship award from Loveman's department store.

Special music for the program will be provided by the Ramsay High School choir under the direction of Mrs. Parker.

Other Shelby County students being honored are: Neal Shirley, Chelsea; Arthur Garrett, Montevallo; James Levandoski, Calera; Sara Jeter, Montevallo; and Denson Elliott, Montevallo.

Dr. Farmer Is Banquet Speaker

Dr. Hallie Farmer, educator and authority on legislative process, will be the Iowa Wesleyan Alumni Banquet speaker June 6. The selection of an eminent woman is in line with the theme of special honors for women in commemoration of the graduation 100 years ago of Wesleyan's first coed.

Always active in civic affairs, Dr. Farmer has taken leadership in government, legislative programs, the American Association of University Women, Business and Professional Women's Club, and professional organizations.

She is first vice-president of A.A.U.W. and has been national legislative chairman and chairman of the survey committee on the national level, as well as Alabama state president. In B.P.W.C. she has been state legislative chairman, state education chairman, and state coordination chairman for Alabama.

Her extensive first-hand legislative experience brought her to leadership as state president of the Alabama Joint Legislative Council and second vice-president of the National Council on State Legislation. Her ability has been used in the Bureau of Public Administration of the University of Alabama and she has been state coordinator of th Women's Civil Defense Activities. She served on the town council of Montevallo, Ala., eight years while a resident here.

GRAND JURY REPORT

To the Honorable Arthur L. Hardegree, Judge of the Circuit Court of Shelby County:

We, the Grand Jury, beg leave to report to your Honor as follows:

We have examined 33 cases and return herewith 23 indictments, of which 19 are for felonies and 4 for misdemeanors.

Pursuant to your instructions, particularly as to gambling and gaming operations in our county, we have gone into the matter with particular interest and diligence. Fortunately, there was at our disposal, we believe, ample evidence to support indictments which we think and hope will bring an end to this evil in our county. We feel that the people of Shelby County owe and should thank our several constables in the county for the efficient manner in which they organized and made the raid which brought this evidence before us. However, there have come before us several complaints and considerable evidence that these constables, or at least some of them, have been rather overzealous in their activities as general policemen of the county. We feel that in the interest of better law enforcement, the Sheriff and his deputies are the proper officers to carry on the general police activities of the county, and we believe that law enforcement would be better served if these constables, however noble their intentions might be, would confine their police activities to their respective precincts.

We have had several complaints from citizens without our county who reported to us that they had been rather rudely treated by these constables while passing through our county. This brings us much adverse publicity, and we believe that they should desist from their police activities pertaining to the travelers on the highways which pass through our county. We believe that the responsibility for all police activities should be supervised by some county-wide elective officer who can be held responsible for police activities in general throughout our county.

We have also had some complaints, and some of them supported by tangible evidence, that some of our constables have been charging excessive and illegal fees. We condemn this practice of collecting illegal and excessive fees by whomever it may be practiced, and we recommend that the proper authorities look into the matter and see that it is discontinued.

It has been brought to our attention, and we have notice that some of our people have been rather careless in scattering litter and rubbish up and down our highways. We are informed that this is a violation of the law, and we recommend that steps be taken by our law enforcement officers to apprehend the violators of this law, that our highways may be kept clean.

Pursuant to your instructions, we have examined the books and records of the various offices in the courthouse. We admit that it was at best a rather superficial examination, since we neither had the time, nor would we feel capable of examining these records minutely. We have inspected the courthouse grounds and found the same to be neatly kept, and everything in good condition. We commend our janitors for their efficient services. We have inspected the jail and find it in good condition, and the prisoners seem to be accorded clean quarters, and we heard no complaints as to their fare.

If we have been somewhat critical as to some of our law enforcement officers, we believe a good job has been done by them in many instances. We would especially like to commend our state officers and the Sheriff's forces for the splendid job that they did in apprehending a great many cattle rustlers in our county.

In conclusion, we wish to thank your Honor for your most valuable instructions to us and all the officials in the courthouse for their courteous treatment; and having completed our work, we respectfully make this report to the Court, and request that we be discharged, subject to further order of this Court.

Respectfully submitted

Sweetheart of Thompson

Charlotte Mathis, daughter of Mr. and Mrs. W. J. Mathis, Alabaster, was crowned "Sweetheart of Thompson High" by last year's alternate, Martine Vanderslice, Saturday night in the Senior Division of the school's annual beauty contest sponsored by the Band Booster Club.

Betty Hodgens, daughter of Mr. and Mrs. C. L. Hodgens, Chelsea, Rt. 1, was top winner in the Junior Division.

Second place in the Senior Division went to Ginger Gulledge, daughter of Mr. and Mrs. Howard McClendon, Rt. 1, Helena. Nancy Lucas, daughter of Mr. and Mrs. James Lucas, Alabaster, placed third. Helen Johnson, daughter of Mr. and Mrs. I. W Johnson, Alabaster, was elected by the girls in the senior group as Miss Congeniality.

Nancy Holbrooks, daughter of Mr. and Mrs. Austin Holbrooks, Rt. 1, Siluria, was second place winner in the Junior Division and Gale Bentley, daughter of Mr. and Mrs. S. W. Bentley, Alabaster, third. Susie Vanderslice, daughter of Mr. and Mrs. J. V. Vanderslice, Rt. 1, Siluria, was voted Miss Congeniality by her group.

The contest was held in the high school auditorium staged with backdrops of red felt and white net with a huge red satin open heart edged with net ruffle where each contestant made her entry when introduced.

Fifty-five girls in the senior division competed and 34 in the junior. Each girl was sponsored by local and out-of-town business firms.

Out-of-town professional people acted as judges of the contest.

Proceeds from the event will go for new band instruments for the school band.

Miss Ina Branham, 17-year-old daughter of Mr. and Mrs. T. W. Branham of Alabaster, and a Woodlawn High School senior, won first place Friday night at Birmingham-Southern College in the senior state finals of the Birmingham News Oratorical Contest. Miss Branham, a leading student and top debater for the state in 1958, was awarded a four-year scholarship to either Birmingham-Southern or the University of Alabama and a check for $100 from the Birmingham News.

Thompson Student Council

The Student Council of Thompson High School was represented at the A.A.S.C. convention in Huntsville April 22, 23, and 24 by Guy Causey, Ida Martha Relo, Peggy Smith, Frances Spain and accompanied by Mrs. Margaret Barton. Study groups were held the first day. The speaker for the convention was Dr. Houston Cole of Jacksonville State College. The entire group was honored with a trip through Redstone Arsenal. Mr. Walter Weisman, a German scientist now a citizen of the United States, spoke to the group at the arsenal. A banquet and theatre party were given for the group. On Saturday the election of officers was held and the representative from Montevallo lost the race by only four votes.

Farmers of Alabama...

Are you growing what the market wants?

The fresh fruit and vegetable market can grow in importance as an Alabama farm income producer. To take full advantage of its potential, however, you have to plan planting—grow what the public wants.

The FARMERS' MARKET on BIRMINGHAM FOOD TERMINAL has helped make such planning possible. By studying all operations from field to market to consumer, agricultural leaders know what the American housewife wants and how she wants her fresh foods graded and packed.

County agents and community farm leaders are informed on results of these studies. And you can learn from them how you can profit by growing for the fresh fruit and vegetable consumers of Alabama and the nation.

Southern Railway is proud of its part in building the BIRMINGHAM FOOD TERMINAL and its FARMERS' MARKET where the farmers of Alabama have a point of sale for their fresh fruits and vegetables. It is a major asset for the state. It is one of great importance as Alabama's farmers look to new sources of agricultural income.

Howard Defeats Alabama College

Howard College's Bulldogs defeated Alabama College 3-1 in a baseball game here Tuesday afternoon in a game that was rained out in the final inning.

Right-hander Bob Henderson went all the way for Howard, giving up only one hit and allowing but a single run to cross the plate.

James Findley, of Alabama College pitched the whole game. He scattered four Bulldog hits over seven innings, but in the eighth the batters from Birmingham got the range and belted out three hits to score two final runs. Findley gave up one more hit in the final inning for a total of eight hits.

Howard scored in the fifth when AC shortstop Don Miller stabbed a line drive of the bat of Bob Henderson and threw wild to second in an effort to pick off the base runner, Johnny Papadanis. Papadanis scored on the throw.

Alabama College tied the game in the sixth when shortstop Miller went to first on a hit, made second on a wild pitch, stole third, and scored on a squeeze play.

Howard sealed the game in the eighth when Henderson and third baseman Bob Trucks occupied third and second bases on hits. Henderson scored on a foul fly and Trucks moved home on a long fly to center field.

With two outs on Howard in the top of the ninth, umpire Charlie Martin called the game because of rain.

Givhan Hurls, Salter Hits, Bulldogs Win

By Freddy Draper

On the strength of some clutch relief work by young Peter Givhan and some timely hitting by Lee Salter, Montevallo eked out an 8-7 win over the much-improved Thompson Warriors Monday.

Trailing 7-1 until the sixth inning, the Bulldogs finally got to Bentley, Thompson starter, scoring four runs and finishing up the day for Big Eddie. Winslett and Thornton smashed back to back triples to left centerfield, producing one run. Thornton then raced home when Smitherman singled. Jarvis reached first on the shortstop's bobble and scored behind Smitherman as Salter, hitting hero of the day, drilled a long triple to deep right.

The Bulldogs tied the count in the seventh, scoring two runs off Dinwiddie, Bentley's successor.

Pickett started the ball rolling for the Bulldogs blasting a triple to deep left. He raced home when Farris juggled Thornton's grounder. With Winslett on second with a walk and Thornton resting on first, Smitherman singled to load the bases. Jarvis then forced Winslett at the plate, but Salter singled in Thornton with the tying run.

Forced into extra innings, the Bulldogs scored the winning tally in the ninth inning as Salter tripled down the rightfield line and came home when Braswell overthrew at third.

Salter and Smitherman led the Bulldogs at bat. Both had three for five, two of Salter's went for triples. Dinwiddie led Thompson, gathering three hits and a walk in five trips to the plate.

During his relief stint, Givhan hurled four innings, allowing three hits, walking one, while striking out 8.

This was the second time this year the Warriors have fell at the hands of the Bulldogs.

Mrs. Mary Childress is visiting in Opelika with Mr. and Mrs. Parker Childress and family.

FHA Elects Officers

The Calera Chapter of FHA met April 8 and installed officers as follows: President, Degee Downs; vice president, Connie Wakefield; secretary, Jean Busby; treasurer, Linda Loftin; reporter, Mildred Aldridge; historian, Barbara Battle; parliamentarian, Altha Boggess; recreation leader, Tommie Lynn Cadle.

DURING this Alabama Industries Week perhaps you will not consider it immodest if your attention is invited to an event early this month. At New Orleans, on April 8, at the annual meeting of the Edison Electric Institute, Alabama Power Company was given the highest honor that can be given by the electric light and power industry to one of its members. The Edison Award is given each year to an electric company for "distinguished contribution to the development of electric light and power for the convenience of the public and the benefit of the industry."

Naturally we are proud to have been selected from 29 candidates in various parts of the country, all with a high standard of excellence. Particularly pleasing is the fact that the selection of an electric power company from the South for this honor is evidence of the increasing importance of southern states in the nation.

Since its beginning, Alabama Power Company has looked forward. Although the award was given for accomplishments in recent years, we look upon them as a result of many years of effort and foresight, beginning early in the century with construction of our first hydro-electric plant (Lay Dam on the Coosa River), followed a few years later by other hydro and steam plants and the inception of our rural electrification, industrial development and scientific research programs. Alabama Power Company had faith in the future *then* as it has *now*. It will continue to do its part to prove that "The Last Half of the Twentieth Century Belongs to the South."

The name of Edison* gives special significance to the award.

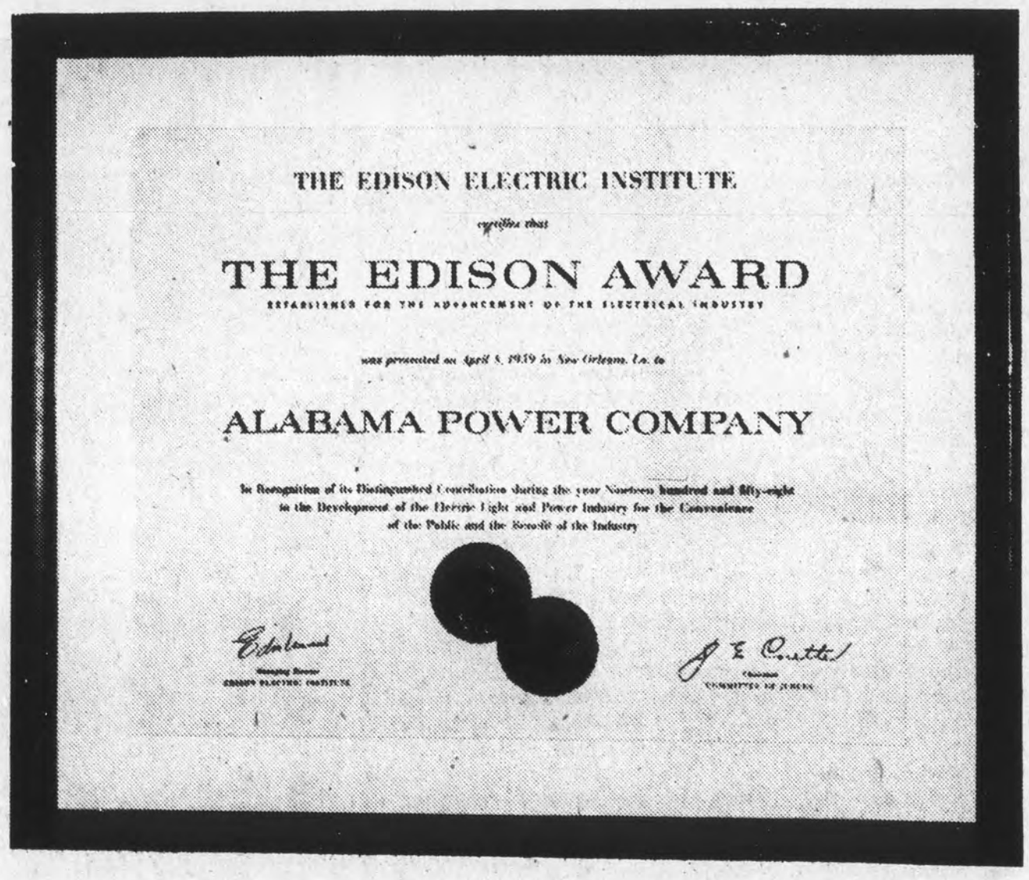

It was against a background of private enterprise that the genius of Edison was projected and brought to fruition for the great benefit of the world. And we should add, that we of the investor-owned electric utility represent in the highest sense the principle of private enterprise projected on the business scene by the great Edison.

The policies and practices of Alabama Power Company in "Helping Develop Alabama" — which have brought it the coveted Edison Award — will continue.

Alabama Power Company

WALTER BOULDIN, *President* — THOMAS W. MARTIN, *Chairman*

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

In the President's Cabinet, the position of Secretary of State is not only tremendously important but extremely difficult. Last week the resignation of John Foster Dulles as Secretary of State and the appointment of Christian A. Herter as his successor focused both national and world attention on this important post.

John Foster Dullas

The resignation of cancer-stricken John Foster Dulles brought expressions of regret here in Washington from both supporters and critics alike. As a member of the House Committee on Foreign Affairs, it has been my privilege to know the Secretary of State and to hear him testify on many occasions. I have admired and respected Mr. Dulles as an able, honest, and devoted public servant. His inability for reasons of health to continue as Secretary of State is, I believe, a loss not only to the United States but to the entire free world.

Christian A. Herter

Mr. Dulles' successor, Christian Herter, is a former member ot the House of representatives where he also served on the Committee on Foreign Affairs. Later he was a two-term governor of the State of Massachusetts. In 1957 Mr. Herter was appointed under Secretary of State, and he has held that position for the past two years.

Secretary Herter faces many difficult problems in the months ahead, and the decisions that will be reached by him and his associates may affect the lives of each and every one of us. We trust those decisions will be wise ones.

REA Bill Passes

A bill to deprive the Secretary of Agriculture of the power to veto rural electrification /loans was passed by the House last Wednesday and sent to the President. The measure had been passed previously by the Senate on a 60 to 27 vote. Although the House vote of 254 to 131 was also strongly affirmative, the Democratic-supported legislation faces a possible Presidential veto.

The REA bill restores to the Rural Electrification Administrator the sole authority to approve or deny rural power and telephone loans. This authority was removed from the Administrator after President Eisenhower recommended and Congress approved a reorganization bill in 1953; although the new bill restores such authority, it also directs that the REA continue under the Agriculture Department for general administrative purposes.

Pan-American Observance

As chairman of the Subcommittee on Inter-American Affairs, it was my privilege to conduct the annual Pan-American Day observance in the House of Representatives last week. At that time, I offered a resolution, subsequently adopted by the House, which extended the greetings of the House of Representatives to the representative bodies of each of twenty other American Republics on the occasion of Pan-American Day.

This observance marked the 69th anniversary of the Pan-American Union which had its beginning at the first International Conference of American States in Washington, D.C., in 1889-90.

OUR TRIP TO MOUNDVILLE
by Judy Smitherman
Third Grade, Mayberry

It was Friday April 17, 1959. We children at Mayberry School were all excited because something wonderful was going to happen. We were going to Moundville and were to leave at 8:00 that morning. We chartered an Alabama Coaches bus. It was going to be a long ride. Mitzi Thanpe was my partner and we took our seats. All the other children came and soon the trip began. We saw many beautiful sights and places. Soon the bus driver called "University Museum." We marched in and climbed three flights of stairs. There we saw a hugh bear. He was stuffed. We saw a rattle snake and a diamond back rattler.

We left there and soon many small hills came in sight. This was Moundville. We came to a museum and there we saw skeletons, heard a lecture and saw films about Indian life. Next we ate lunch. There we saw a barge with tons and tons of coal in front. When we left there we climbed the highest mound which was Mound B. We started home We were all glad to see the school which we had left early that morning.

Two New Cheerleaders

When the Bulldogs take the field next fall two new faces will appear in the line of cheerleaders, Phyllis Kyser and Doris Jones. Others returning are Janice Jones, Linda Hill and Janice Waters. Phyllis, a sophomore, has played in the band for 3 years. Doris, a freshman, is the sister of Janice, head cheerleader for this year.

Montevallo Tops Shelby High

Shelby County High School's Wildcats outhit Montevallo, but the bulldogs combined their safeties with nine walks and took advantage of three Wildcat miscues afield to push across their ninth victory, 8-1. This was the third county win for Coach Fisher's nine.

Bill Winslett, in fine form on the mound for the Bulldogs, handed out no free passes and breezed six in the full seven innings.

Pitching shutout ball until the sixth, Winslett was tagged for a double, and a single to give Columbiana its only run. Eastes, on with the double, came in when Weir singled with two away.

Montevallo scored one in the first, four in the third, and three in the fifth.

In the first inning, Winslett came home on Jarvis' single after walking and then moving to third on Danny Thornton's sacrifice.

In the third Morris, Columbiana hurler, got into trouble after walking Winslett and Ronald Smitherman. Jarvis collecting two for three for the day, tripled to score both runners. Jarvis and Lee Salters crossed the plate when Forrest Brown singled. Salters had been issued a base on balls.

Jimmy Thrasher's home run got in two runs in the sixth, and the final score came as a result of a walk and an error in right field.

Mrs. Jim Cook and David spent a few days this week with her parents, Mr. and Mrs. Russell Edwards.

Bulldogs Blank Vincent, 15-0

Montevallo Bulldogs chalked up their tenth straight win at the expense of the Yellowjackets as they scored a 15-0 victory over Vincent there last week. This game marked the half-way point for the Bulldogs toward reclaiming the Shelby County crown.

Chasing Johnson, Vincent starter, from the mound in the first inning, Thornton and Hayes doubled, Smitherman and Jarvis singled, and Salter and Brown walked. Before this rampage was quieted by reliefer Garret, Winslett had connected with a single, Thornton claimed a second hit in the inning, and Fisher doubled. Eight runs crossed before Montevallo gave the host a turn at bat.

And when the Yellowjackets did get their chance, it was a slim one. Ronald Smitherman, pitching a two-hitte,r sent the Vincent batters down in order for four straight innings. Giving up only one base on balls and two hits, Smitherman struck out nine of the 25 batters to face him in seven innings.

Leading the Bulldogs at the plate was Barclay Fisher, second baseman, who drove in five runs with a double and a triple in three trips, and added two runs of his own. Winslett had three for four, and Thornton, who had to leave the game after the first inning because of an injury, had two for two.

Montevallo PTA Installs Officers

The Montevallo PTA held its annual business meeting Monday night, May 4, in the high school auditorium. Dr. Andrew Kochman presided.

The devotional was given by Rev. James Chesnutt. The High School Band presented a Scottish program featuring a dance by the majorettes and music by a Scottish band. Mr. Bruce Tolbert was in charge of the music program.

Incoming officers were installed by Dr. Paul Bailey, as follows: M. S. McGehee, president; Mrs. Earl McGaughy, first vice president; Mrs. Ralph Sears, second vice president; Mrs. Phillip Kyser, secretary; Mrs. L. K. Birinyi, treasurer.

Dr. Kochman made a composite annual report from the various committees. Committee recommendations and copies of the by-laws were distributed. A questionnaire on "what kind of a program did you have this year?" was given out by Mrs. Ralph W. Sears and Mrs. Ashley Jeter.

It was announced that Superior Rating Award has been received from the State PTA for the work done by Montevallo PTA during 1958-59.

Montevallo P.T.A. officers who were installed Monday night are, left to right, standing, M. S. McGehee, president; Mrs. Phillip Kyser, secretary; Mrs. Louis Birinyi, treasurer; seated, Mrs. Ralph Sears, second vice president; and Mrs. Earl McGaughy, first vice president.

Six Shelby County Students Are Honored For Scholastic Achievements

Six Shelby County Students at Alabama College received scholarship awards and citations Tuesday at the Honors Day exercises.

Arthur Garrett, Kitty Stansell, Sara Jeter and Denson Elliott, all of Montevallo; Neal Shirley from Chelsea and James Levandoski from Calera, were among the 56 top ranking students to be honored.

Dr. Milton Lee Orr Sr., Dean of the College and member of the faculty for 37 years was honored by the faculty and student body with a special citation for his service to the school. Dr. Orr will retire in July.

A special program of music by Ramsay High School Choir was presented under direction of Mrs. Ruth Scott Parker.

Dr. S. E. Gerard Priestley, professor of political science at the college, made the keynote address. Dr. Priestley is one of the outstanding personalities on the speaking platform of today. He spoke to the assembly on "Lasting Values in a Changing World".

One of the 17 special awards went to Kitty Stansell, who received a scholarship certificate from the Montevallo Chapter of the American Association of University Women. Kitty, a straight "A" sophomore in mathematics, is the daughter of Mr. and Mrs. Lester Stansell of Montevallo.

Arthur Garrett, son of Mr. and Mrs. A. R. Garrett of Montevallo, is a junior in psychology and biology.

Sara Jeter and Denson Elliott are first year students majoring in music. Sara is th daughter of Mr. and Mrs. A. C. Jeter.

Denson, son of Mr. and Mrs. L. D. Elliott, is a piano student. He has played accompaniment for stage productions by the music department and is accompanist for the Alabama College Concert Choir.

James Levandoski is a freshman studying pre-engineering at Alabama College. A graduate of Union High School, he is the son of Mr. and Mrs. C. F. Levandoski of Calera.

Neal Shirley, mathematics major, is the senior member of the Shelby County group. The son of Mr. and Mrs. C. A. Shirley of Chelsea, he is the immediate past president of the student body at Alabama College.

Shirley has maintained a four-year grade average of 2.95, less than one-tenth of a point from an all "A" average. He will graduate in May and has received an appointment to the faculty of Alabama College as an instructor of mathematics beginning in the summer semester.

Alabama College honor students from Shelby County—left to right, top row, Neal Shirley, Kitty Stansell, James Levandoski; second row,, Arthur Garrett, Sara Jeter, and Denson Elliott.

Wilton Baptists Plan Revival

The Rev. Lewis Marler, evangelist, will conduct the revival services at the Wilton Baptist Church May 10-17. Song service will be at 7:30 p.m. and preaching at 8:00.

Rev. Marler is pastor of Lakewood Baptist Church in Birmingham. He is well known in this vicinity, having formerly been pastor of the West Blocton Baptist Church. He is one of the outstanding young ministers of the state. Rev. C. B. McGee, pastor, cordially invites the public to attend the services.

Cahaba Girl Scout Council To Meet

All adult members of the Girl Scouts of Cahaba Council are invited to attend an annual meetin May 13, 1959 from 10:30 a.m. until 12:30 p.m., at the Liberty National Life Auditorium, 301 South 20th St., Birmingham.

Church of Christ To Hold Meetings

The Montevallo Church of Christ will hold a series of gospel meetings beginning Sunday, May 10, and continuing through Saturday, May 16. Services are scheduled for 7 p.m. each evening.

Speakers during the meeting will be Ray Linderman of Childersburg, Barry Bishop of Calera, and Trach Latham of Maplesville. All these speakers are students at Alabama College. Kenneth Reed, professor of religion at the University of Alabama will be guest speaker at the Thursday evening, May 14, service.

Sermon topics are: Sunday, "The Scriptures Interpreted;" Monday, "The Christian's Platform;" Tuesday, "The Advantages of Being a Christian;" Wednesday, "Church Organization;" Friday, "The Christian Life;" and Saturday, "Christian Warfare."

Each student will present two sermons with Barry Bishop making the Sunday and Wednesday evening addresses, Ray Linderman speaking on Monday and Friday evening, and Tracy Latham speaking on Tuesday and Saturday.

The meetings will be held at the Church of Christ building on Vine St. in Montevallo.

Southern Electric Generating Company President To Be Honored at Dinner

A dinner, planned as a gesture of appreciation for James F. Crist and his associates, is to be held at the lunch room of the Shelby County High School in Columbiana on Thursday, May 21.

Mr. Crist, President of Southern Electric Generating Company; Walter Bouldin, Vice President of SEGCO and President of Alabama Power Company; A. E. Burnett, operating manager of SEGCO; C. E. Brackett, plant superintendent; James E. Brown Jr., manager of coal operations; C. C. Lyford, superintendent of Maylene Mine; all have been invited to attend. Mr. Crist will be the guest speaker.

The dinner is sponsored by the Columbiana Kiwanis Club. Hop Cole, druggist and Kiwanis president, said "Southern Electric Generating Company, located on the banks of the Coosa River near Wilsonville, is of tremendous importance to the future of Shelby County. The Kiwanis Club wishes to give the citizens of our county this opportunity to demonstrate in a concerted manner, their appreciation for the fact that officials of SEGCO chose Shelby County as the site for its generating plant.'

A representative from each industry in the county has been invited to attend. The Kiwanis Club also plans to offer a limited number of tickets to citizens of each community, so that they may have a part in demonstrating to Mr. Crist and his associates that they are welcome in Shelby County.

Plans Made For Calera Post Office

A letter of April 27 from Mr. G. C. Harris, regional operations director of the Post Office Department, to Congressman Armistead Selden, contains information about the Calera Post Office that will be of interest to citizens of Calera. The letter says:

"The Post Office Department has obtained an assignable option on a site located on U. S. Highway 31 between Tenth Avenue and Woodbin Avenue in Calera. The property is presently owned by Mr. O. C. Farris, Mayor of Calera.

"Plans and specifications for a new building are being prepared in our regional engineer's office, and as soon as they are completed an advertisement will be posted soliciting bids for the erecting of the building and leasing it to the Post Office Department for a term of years. It is expected that the advertisement will be posted not later than May 26, 1959.

"As you know, the lease on the present quarters expires December 31, 1959, and there is no doubt but what the new building will be completed and ready for occupancy by that date."

Pre-School Party

If you will be 6 years old by October 1, bring your mother or father and come to a Pre-School Party May 14, 9:30 a.m. at the Montevallo school cafeteria.

Eddie Downs, cashier of Central State Bank in Calera, is shown helping Montevallo FFA boys open a savings account. Left to right are Mr. Downs, Ernest Blankenship, Johnny Lucas and Rickie Miller. Mr. Downs is an honorary member of FFA and works closely with the boys. The bank gives each boy his first $1.00 on his savings account.

FORD'S OUT FRONT IN SALES . . . SO YOU CAN GET THE BEST TRADES DURING

DIVIDEND DAYS at your FORD Dealer's

Greatest show on the road— from front to rear: Ford's Custom 300 Tudor Sedan, the Galaxie Club Victoria, and the Fordor Ranch Wagon.

AND YOU GET ALL THESE BUILT-IN DIVIDENDS, TOO . . .

SAVE up to $102.75 over Ford's nearest competitor* on a Fairlane 500—any model—with heater, radio and automatic transmission.

SAVE up to $219.85 on completely equipped air-conditioned Ford, hundreds less than many medium-priced cars without air conditioning.

SAVE up to $55 a year on gas and oil. Standard Ford V-8 and Six engines thrive on regular gas. Go 4000 miles between oil changes.

SAVE on aluminized mufflers that resist corrosion better than aluminum itself, normally last twice as long as ordinary mufflers on other cars.

SAVE with 66-plate battery instead of the usual 54-plate battery standard on other cars. Get surer starting at no extra cost.

SAVE on waxing with amazing Diamond Lustre Finish. Its brilliant glow is baked on to keep its beauty bright without waxing, ever.

We will have dial telephones in operation by the end of July, according to letters sent to all subscribers. Well, that means that we must learn how to get along with another one of science's latest gadgets. A happy phase of the change-over is the statement that the new phones will be put in some time before the old ones are taken out. Goody! That will give us time to practice a while and perhaps become so efficient that our fingers will not slip out of socket when we go to spin the dial.

GOODWILL INDUSTRIES

Goodwill Industries recently placed a collection booth in Montevallo. It was opened April 29, and there were 37 bags of clothing and discarded merchandise from the people of Montevallo.

Goodwill Industries is a nonprofit organization which turns "waste into wages" for handicapped people in the spirit of practical religion. It regards not race, color nor creed.

The principle is to save material waste and turn it into human wellbeing by giving employment and wages to handicapped and aged people.

BLAIR MABRY IS WINNER

As winner again in a county essay contest, Blair Mabry has received a citation from Governor Patterson and a $25 Savings Bond from the Board of Revenue of Shelby County.

ANNUAL SPRING FESTIVAL THURSDAY NIGHT

When the Calera Elementary School holds its annual Spring Festival Thursday night, Judy Watts and Danny Weldon will be queen and king. The program will be at 7:30 at the school. "Dances Around the World" will be the theme. Each grade will present a dance.

Judy is the daughter of Mr. and Mrs. W. B. Watts Jr. Danny is the son of Mr. and Mrs. R. E. Weldon and both are in the fourth grade. Other members of the court are Barbara Moore, Barton Moore, Jane Payne, Wayne Tinsley, Barbara Moates, Freddy Moody, Daisey Latimer, Carl Benson, Linda Carol Pierce, Billy Collum, Donna Beane, Micky Rudolph, Linda Moates, Dale Crawford, Donnie Tidwell, Rhonda Dupree, Wendell Miller.

Serving as chairmen of the program are Mrs. Eddie Downs and Mrs. Jim Mabry.

Mr. and Mrs. Ben Griffith of Birmingham were the guests of her parents, Mr. and Mrs. R. F. Ray upon returning from Tifton, Ga., where they visited Dr. and Mrs. Robley Smith (Maxine Vincent). The Griffiths stayed with the Smith children while Dr. and Mrs. Smith vacationed in Nassau. The Smiths stay in Nassau coincided with the royal visit of the Duke of Edinburgh and they were honored with a visit on the Royal Yacht while they were there.

Folk dances and the May Pole Dance were presented by the other students.

Negro Children's Drive Reaches Quota

The Shelby County Negro division of the 1959 Crippled Children's drive topped the combined school and community quotas for the first time. The drive was begun March 5 with a kickoff pep rally at Alabaster. Leaders assembled to hear an address by county chairman, Dr. W. W. Elliott. Mrs. Williams, campaign director, discussed efforts to get help for children who have eye, speech and hearing defects. The social committee entertained the group.

During March these leaders sold Easter Seals, gave benefit activities, and filled coin collectors in effort to raise the quotas. The drive ended April 8 with a general count-up at Alabaster. Dr. Elliott was on hand to receive the reported $870.93. This sum was more than $100 over the quota for the county.

Leaders for areas were as follows:

Alabaster: Mesdames Spence, Johnson, Mahone, Ross, Thomas, Mr. Smith, Rev. Adams and Principal Hill. Amount raised $183.62.

Almont: Mesdames Nicks, Dubose, Mr. Fields, Rev. Jones and Principal Knox. Amount $97.59.

Calera: Mesdames Lacey, Yarbrough, Henderson, Russell, Hall, Mr. Jones and Deramus, and the Principal, Mr. Cade. Amount raised $183.27.

Columbiana: Mesdames Dixon, White, Elliott, Rev. Martin and Cook, and Principal W. E. Jones. Amount raised $197.02.

Montevallo: Mesdames Smelly, Gilbert, Mayweather, Woodward, Rev. Massey and Principal L. L. Penn. Amount raised $116.65.

Vincent: Mesdames Wallace, McGinnis, Kidd, Smith, Rev. Kidd and Principal A. D. Nelson. Amount raised $92.30.

Mrs. Williams thanks the parents, teachers and churches for their hearty support of this worthy project.

Band Chooses New Majorettes

Hours of left, right, left, and hard practice were necessary before the three new majorettes of MHS Band were chosen. The excited girls named by Mr. Young to parade before the band are Lucretia Hollingsworth, Charlotte Higgins and Brenda Turpin.

Lucretia, a freshman, is a transfer from Bibb County High. This attractive blonde has been on the honor roll every grading period since she entered MHS.

Charlotte, a freshman also, is a Montevallo girl. She has attended school here all her school life.

Brenda, a transfer from Somerset High School in Kentucky, was chosen to complete the line. She is a junior and has shown much interest in band since her arrival at MHS.

The three girls named replace seniors Judy Wallace, Brenda Bean and Tommie Mowery.

PHI ALPHA MU CONCERT

Phi Alpha Mu, honorary music fraternity at Alabama College, will present its annual concert on Wednesday evening, May 13, at 8:30. The program, which will be presented in Calkins Auditorium, will feature vocal and instrumental music. Concert vocalists are soprano Sue Bedgood, Montgomery; Dennis Sheppard, tenor, Montevallo; and contralto Judy Harmon, West Blocton.

ALABASTER GETS FEDERAL AID FOR SEWERAGE PLANT

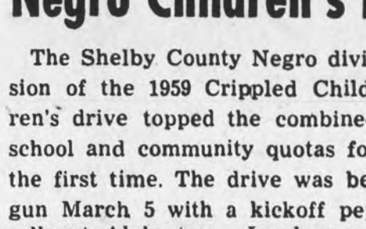

A telegram from Senators Hill and Sparkman and Congressman Selden, April 30, says:

"We are happy to advise that the Department of Health, Education and Welfare has just informed us of the approval of a grant to Alabaster. The grant will be used for construction of a primary sewerage treatment plant and outfall sewer. Total amount $53,500; federal share $15,000."

Smokey Says:

It's your responsibility to be careful with fire!

Let not your heart be troubled; ye believe in God, believe also in Me.—(St. John 14:1).

Some of us in our quest for the Truth, become so confused and unhappy because we cannot seem to comprehend, to understand as we feel we ought. But Jesus, Who was sent by God the Father to be our guiding light, shows us the way in such simple, understandable words that we should never falter.

My Neighbors

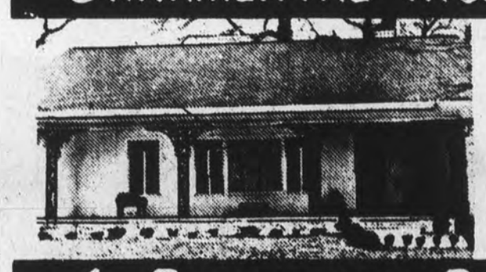

"Darling, don't you think we're carrying this 'togetherness' a bit too far?"

Thompson School News

Annual Band Banquet

Thompson's annual band banquet will take place Saturday night, May 9, at the school. Outstanding band members will be awarded medals for the work they have done during the year. The banquet is sponsored by the Band Boosters Club.

Pre-School Registration

Pre-school enrollment for all children who will start to school in the first grade at Thompson in September will be held in the first grade room Friday, May 8, from 1:00 to 3:00 p.m.

The May Day Festival

May Day Festival at Thompson was a big success. The children performed beautifully in their gaily colored costumes. Queen Jo Lynn King and King Billy Mathis with their court, took their places on the throne.

Each high school grade had a booth decorated to represent a country. First prize was won by the seventh grade whose booth represented Mexico. Second place was taken by the tenth grade; and third plac went to the seniors.

We express our appreciation to judges, parents and all who cooperated and helped make the day a success. The proceeds go to the elementary school.

Shelby Alumni Hold Meeting

The Shelby County Association of Alabama College Alumni met Saturday, May 2. After luncheon in Main Dining Hall, a business meeting was held in Reynolds dining room.

CANCER FUND DRIVE WAS SUCCESSFUL

Our Calera reporter, Mrs. Lex Ozley, says the cancer fund drive for the month of April in Shelby County went over the quota by a landslide.

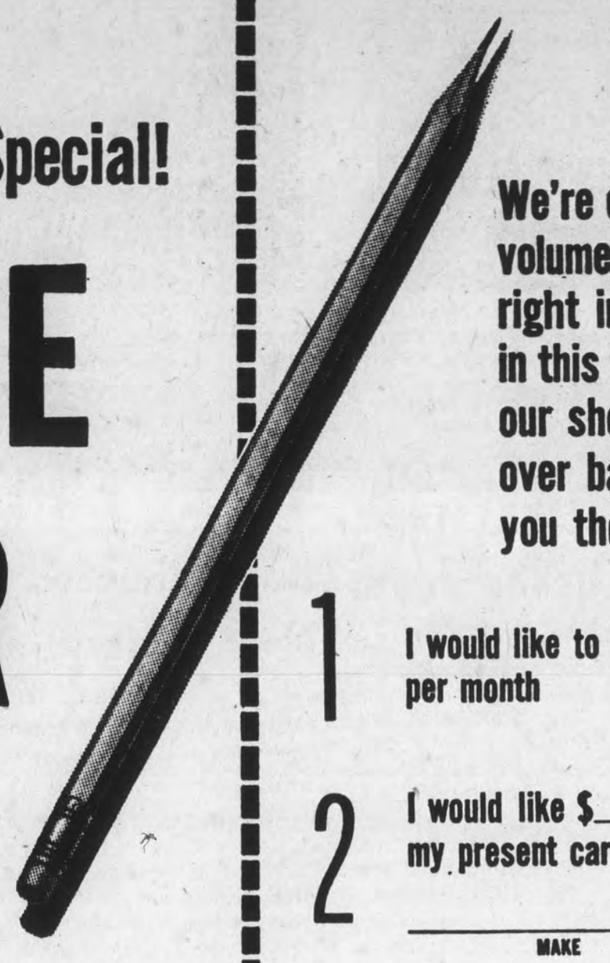

Our quota was $1900 and up to date with a few clubs still to report, we have collected $2,377.52, according to Mrs. Ozley, who is county publicity chairman of the drive.

Coffee Day over the county was very successful, she says. She expects a full report next week.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

President Eisenhower's veto of the REA Bill was sustained last Thursday when the House failed to adopt a motion to override it. The House vote adhered closely to party lines, with only four Democrats voting against the motion to override the veto, and only six Republicans voting in favor of it. The total vote was 280 to 146—just four votes short of the two-thirds majority needed to pass the motion.

As sent to the President by Congress, the REA legislation would have deprived the Secretary of Agriculture of the power to veto rural electrification loans and would have restored this authority to the REA Administrator who held such power until 1953.

The President vetoed the measure because he said it was a "major retreat from sound administrative policy and practice" to give a subordinate (the REA Administrator) final authority on loans.

Prior to the House action, the Senate had voted (64 to 29) to override the veto. While the House has never overridden a veto of President Eisenhower, the Senate to date has so voted on two occasions.

Plea for River Funds

Members of the Alabama Congressional Delegation and officials of the Warrior - Tombigbee Development Association urged the House and Senate last week to approve funds for continuing construction of the Jackson Lock and Dam and for planning the proposed Holt Lock and Dam.

Appearing first before the Subcommittee on Public Works of the House Appropriations Committee and later before a similar Senate Subcommittee, we asked for an appropriation of slightly over eight million dollars for continuing construction of the Jackson Lock and Dam and $200,000 for planning the Holt facility. The appropriation requested for the Jackson installation is included in the federal budget for fiscal year 1960. There are no funds for the Holt project in the 1960 budget, however, as this structure was not authorized until last December.

Jackson Lock and Dam is one of three new facilites on the Warrior-Tombigbee designed to provide a dependable water artery from Mobile to Tuscaloosa. The proposed Holt Lock and Dam will replace four out-moded structures along an 18-mile reach of the river north of Tuscaloosa.

Coosa River Project

Efforts are being made this week by your congressman and other members of the Alabama Congressional Delegation to obtain an initial federal appropriation for another important river system—the Coosa-Alabama Waterway. This is the third consecutive year that we have appealed to the House and Snate Appropriations Committees for planning funds for the Millers Ferry Multiple Purpose Lock and Dam that will be located on the Alabama River near Camden.

Although the budget requests have never included funds for this purpose, the Senate Appropriations Committee in 1957 and again in 1958 approved the sum of $150,000 for advance planning of the project. These funds were eliminated from the bills later by the House-Senate Conference Committees.

The acquisition of planning funds for the Millers Ferry Lock and Dam is a vital step in the full development of the great Coosa-Alabama Waterway, and we are hopeful our efforts this year will prove successful.

SOUTH CALERA HOME CLUB

The South Calera Home Demonstration Club met in April with Mrs. C. B. Martin. Mrs. H. F. Lester presided.

The pledge of allegiance to the flag was led by Mrs. Ben Tate. Mrs. Martin gave the devotional, closing with prayer.

The story of the hymn of the month was read by Mrs. Greslin, after which the hymn, "My Faith Looks Up To Thee', was sung with Mrs. Martin at the piano.

The demonstration on entertainment for social occasions was given by food leaders, Mrs. Albert Ryan and Mrs. Ben Tate.

Th most important business discussed was ways and means of raising money to carry out the program of the year.

The problem of sending a 4-H club member to camp this summer was solved by each member agreeing to contribute one dollar for this purpose.

Mr. and Mrs. Carlos Warren, Gregory and Alice and Mrs. J. P. Warren spent Sunday in Talladega with Mr. and Mrs. John Warren and family.

Montevallo Blasts Calera, 15-1

Bill Winslett, Montevallo pitcher, stopped Calera cold while the Bulldogs battered away at two Eagle hurlers for 13 hits and a 15-1 win there last week. The young righthander allowed only four scattered hits while striking out two and walking none.

Scoring one in the second as a result of an error, the Bulldogs got to work in the third and pushed acloss eight runs.

After Smitherman was issued a base on balls to open the third inning, Jarvis and Salter both went the K route. With two away Parks, southpaw for Calera, lost control and walked the next three batters. Barclay Fisher singled in two runs, Smitherman stole home, and Winslett singled in two more after Parks had walked Thornton.

Coming to bat a second time in the inning, Ronald Smitherman hit his third home run for the season. This blow sent Parks to the showers and brought on Findley in relief.

Again in the fifth the Bulldogs put on their running shoes as six more crossed. Thrasher, Fisher, Winslett, Thornton, Jarvis and Salter all had singles before the inning was over. At this point, with the score 15-1, Coach Fisher sent all his starters, except batteries Winslett and Thornton, to the showers and brought out reserves to finish the game.

Fisher, hitting the ball at a .454 clip for the season, collected three for three, to pace the Bulldog hitting attack.

Montevallo hosts Vincent Friday at 3:00 in a final game.

TO OBSERVE ANNIVERSARY

On Sunday, May 17, Mr. and Mrs. Henry D. Winslett will celebrate their golden wedding anniversary. They were married in Shelby County in 1909 at Creswell Baptist Church, and lived most of thir married lives in Talladega and Shelby Counties.

They are the parents of nine children, eight of whom are living. They are Thomas E., of Birmingham; Steve of Hueytown; Johnnie of Marion Junction; Mrs. Nyla Crosby and Mrs. Clara Ruddy of Mobile; Mrs. Lavenia Grady, Mrs. Willie Galloway and Clyde Winslett of Montevallo. They have 15 grandchildren.

Their children are honoring them on May 17 from 2:00 to 5:00 p.m., with a tea. All friends are cordially invited to call at that time.

UNIQUE STUDY CLUB MEETS

The Unique Study Club met at the home of Mrs. Charles Bailey with Mrs. O. C. Farris and Mrs. W. S. Mitchell as co-hostesses.

Mrs. R. J. Mabry presided and gave the club's yearly report.

Mrs. A. E. Norwood led the installation services for the new officers: President, Mrs. Dean Holcomb; vice president, Mrs. R. J. Mabry; secretary, Mrs. Wallace T. Reece; treasurer, Mrs. Charles Bailey; parliamentarian, Mrs. W. B. Ozley.

Mr. Clayton Nordan was admitted to the University Hospital Wednesday afternoon.

Mrs. J. J. Horton is in critical condition at St. Vincent Hospital. She was injured in an automobile accident recently.

Mayor W. M. Wyatt spent last week-end in Mobile with the family of Mr. and Mrs. James A. Wyatt. Yes, the fishing was good.

DAR To Meet

David Lindsay Chapter, DAR, will hold its regular monthly meeting Monday evening, May 11, at the home of Mrs. O. B. Cooper. Miss Emma Dendy will give a report on national defense. Mrs. Denson Elliott, Mrs. W. H. Lyman and Mrs. E. D. Reynolds will review some of the activities of DAR Continental Congress held last month in Washington, D. C.

At the close of the business session, the chaplain, Mrs. Lois M. Hubbard, will install the new officers: Mrs. W. C. Weems, regent; Miss Eloise Meroney, vice regent; and Mrs. Charles Gormley, treasurer.

Miss Meroney will present Dr. E. P. Lauderdale, who will discuss the topic, "Our Schools". Dr. Lauderdale is professor of education, director of practice teaching, and is also director of extension at Alabama College. He recently was made president of the Alabama Association for supervision and curriculum development. In addition Mr. Lauderdale serves as president of the local AEA.

Mrs. W. H. Lyman, honor roll chairman, reports that the local DAR chapter recently received a citation "for outstanding accomplishments" from the national society.

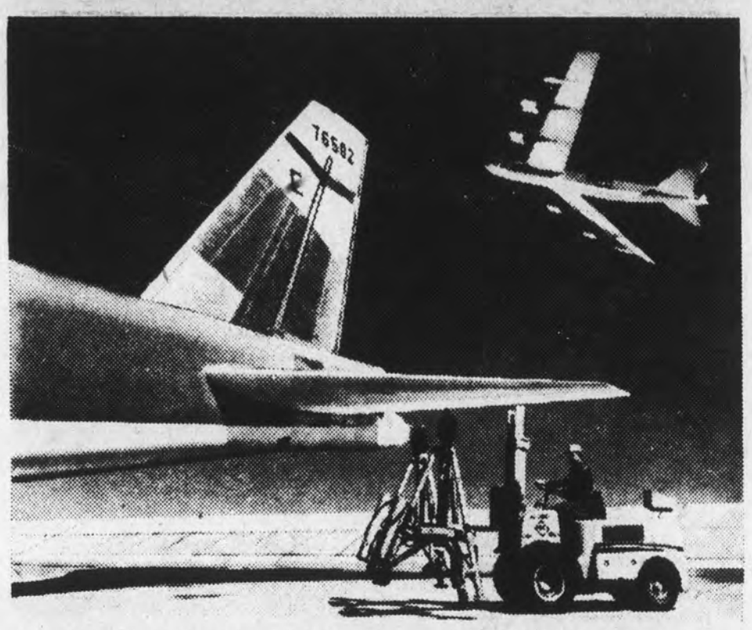

JOHN FESPERMAN

Mr. John Fesperman, associate professor of music at Alabama College, will be presented in an organ concert Monday, May 11, at 8:15 p.m., in Palmer Auditorium. This program is the last in a series of six Alabama College organ concerts for this year.

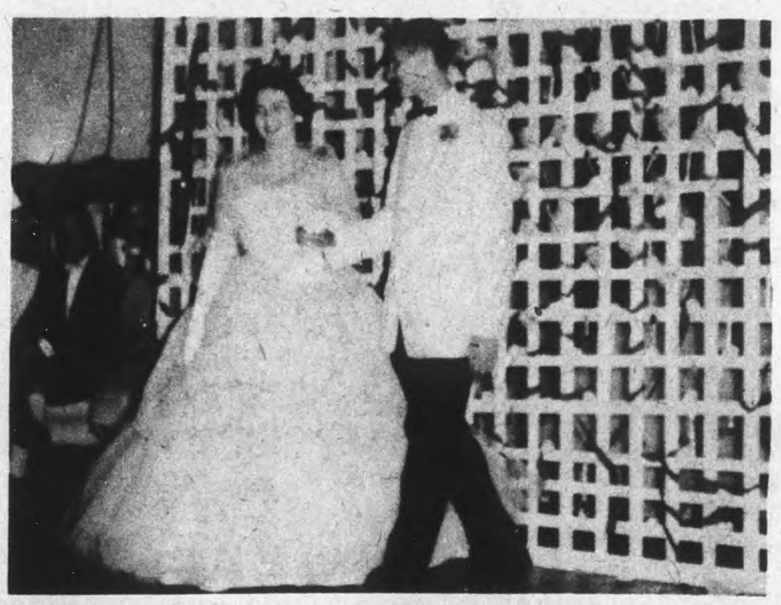

FIRST GRADE VISITS ZOO

About 30 boys and girls in the first grade at Calera School visited the zoo in Birmingham last Friday. Thy left the school early in the morning in automobiles. After seeing the animals they had a picnic lunch in the park. These boys and girls were accompanied by Mrs. M. M. Smith, Mrs. O. C. Farris, Mrs. Jim Duncan, Mrs. David Sayers and Mrs. George Spencer.

SAC Gets Missile Platform Bombers

Peak production of the Air Force's new B-52 "G" missile platform bomber is expected by June at Boeing's Wichita, Kansas plant. Here on Boeing's flight line an Allis-Chalmers fork lift truck brings body jacks into position so that a 225-ton B-52 "G" fresh off the production line can be readied for a test flight as another zooms by in flight. The first of these global bombers described as "missile bases in the sky" was just recently delivered to the Strategic Air Command at Travis Air Force Base, California, after extensive flight tests.

How High Is Up?

Would you pay a tax of $4200 on a $10,000 mink coat? (That's a tax of 42 per cent.)

"Well," you say, "I might. After all, it's a luxury, and if I could afford a $10,000 mink coat I might afford the $4200 tax."

You're right, it is a luxury. But the Federal tax on it is not 42 per cent. It is ten per cent—$1000.

Second question: Would you pay a 42 per cent tax on a "non-luxury" item?

You may be surprised to learn that you're paying such a tax now. And you may pay even more. It's the tax you pay on gasoline. Over the years, it's risen from nothing to its present high level. How high can it go before gasoline becomes a true luxury—something more of us can't afford?

That's up to you. Local, state, and Federal taxes are passed by *your* representatives.

Of course, we do need some tax on gasoline. That's one way of paying for the roads we use. But we should be certain that money raised from taxes on highway users is spent *only* on highways. Right now, 37 per cent of the total Federal levy on highway users is diverted to the general treasury for other uses. If *all* this tax money went for highway purposes, there would be no need for the proposed increase in Federal gasoline taxes.

So far, 27 states have adopted constitutional amendments to prevent diversion of gasoline tax funds to other purposes. Has your state made such a move?

How Safe is Your Car?

William C. "Bill" Herbert
Editor of Southern Automotive Journal, Atlanta, Ga.

What are your chances of escaping serious trouble as the result of the operation of the motor vehicle?

Some traffic safety experts claim that if you are the father or mother of two youngsters today, there is a 50-50 chance that one of them will be killed or seriously injured in a motor vehicle accident before they die of what might otherwise be a normal span of life.

Insurance companies and other fact-gathering agencies report that only in five per cent of the accidents involving a fatality do you find that it was known that at least one of the motor vehicles involved was mechanically defective. No one can often ascertain if and to what extent a motor vehicle in collision was guilty of being defective, since frequently the best evidence is obliterated in the crash.

Franchised car dealers, independent garage operators and service stations which offer repair facilities have invested billions of dollars during the last 12 months as a growing awareness of the importance of having equipment which will enable them best to safety-ize the cars of their customers. More and more of these shop operators are safety-checking vehicles, even when this inspection has not been requested.

There is ample evidence on the highways today of the necessity for this inspection. Slowly the average speed of motor vehicles on the highways has been rising. As more and more of the 41.000 miles of super highways under the new federal-state programs are completed, it would seem logical to expect the average speed to rise further. The average motorist cannot comprehend that 60 miles an hour can become a crash at the rate of 88 feet per second—often too late to do much about it, especially if brakes and steering are inadequate.

Are your shock absorbers in good condition? No one can tell you accurately how many drivers learned too late last year the sorry condition of their "shocks" until, perhaps at high speed, they found their steering being affected and a collision resulted. Some did notice in time the peculiar bouncing and had this condition corrected.

How about the exhaust system? Did you know that a muffler and/or tailpipe is eaten through every year on one out of every two cars which are more than one year old? Sales in this part of the service industry alone may reach well toward $500,000,000 this year. Manufacturers are continuing to improve the metals out of which the mufflers and tailpipes are constructed, but the additives and powerful gases being discharged through the exhaust system continue to be a problem.

Lights, windshield wipers and tires have contributed their share also to the statistics which show that, while the number of fatalities per 100,000,000 miles traveled annually have been decreasing, the cases of individuals seriously injured have been rising steadily for the same miles-traveled base.

The unpopularity of compulsory motor vehicle inspections in some states has wiped out some laws. Over-zealous inspectors and profit-conscious garage owners have damaged the worthy objectives which had originally brought those laws into being. Now the automotive industry as a whole is confronted with the desire and necessity to save just as many lives as possible, knowing that a dead driver never buys another car.

Car manufacturers have been spending millions in research and in contributions to recognized safety institutions in the hopes of reducing the awful toll on the streets and highways. Franchised car dealers have lent more than 10,000 cars to public high schools over the country to further the cause of driver training. Millions have subsequently been invested in shop equipment and knowhow to enable shops to do a better job of making certain that the cars of their customers are safe.

However, the final stumbling block still remains, and that is to convince every owner he should demand of his shop operator a regular safety inspection, preferably in the spring and in the fall.

Who wants to be in that horrible five per cent of motor vehicle fatality accidents?

It is much cheaper to remain alive.

Are You Aware of Social Security Benefits?

Strange as it may seem, the average American thinks he will never grow old and he will never die. So says Carl Dahm, Manager of the Birmingham Social Security District Office, who points out that many of us never bother to inquire about what social security means. This in spite of the fact that this federal system of insurance has been paying benefits for over twenty years. Over 12,000,000 Americans now get checks totaling some $700,000,000 monthly.

What about you? Did you know that social security payments to your family could, under some circumstances, run up to more than $50,000 if you should die? It's a fact—they could. Did you know that cash payments are often made to seriously disabled insured people if they are between 50 and 65? It's a fact—they are. Would you be surprised to learn that not only will benefits be paid to you when you retire after age 65, but that they can also be paid to your wife if she is 62 or more, even if she has never worked? It's a fact—they can. (Women workers may retire at age 62 if they wish.)

These—and many other facts about social security—are things each of us needs to know when trying to plan for the future. In all thinking about the years ahead, a family must face the possibility of death, long illness, or insufficient resources after retirement of the family head. Social security benefits do not and should not be expected to replace, dollar for dollar, the income a worker and his family can earn. But they can and should be used as a base in planning for the future. Knowing what he can expect—and what he cannot expect—from social security, he should strive to add insurance, svaings, investments, and other income sources to provide adequately for his family.

Informational pamphlets about socail security, touching on all parts of the law, are available at any District Social Security Office. They are free. This area is served by the office located at 1710 First Avenue North in Birmingham, Alabama.

THANKS FROM JOHN CATES

I sincerely thank the people of Shelby County for the vote of confidence you gave me in selecting me your representative to the state legislature. I congratulate my opponents, Mr. Jones ...d Mr. Morris for the fine race they conducted.

I humbly accept this responsibility and pledge to you, the people of this county and state, to do the best job of which I am capable.

WILL SHE LIVE TO GROW UP?

This child has leukemia—one of the most tragic forms of cancer. Only research has kept her alive.

Ten years ago, children stricken with leukemia—cancer of the blood-forming tissues—had only a few weeks or months of life. Today, many of these children have had precious months, even years, added to their lives, thanks to dramatic research discoveries.

Until science finds the means to save them, however, they live on borrowed time. The American Cancer Society's research program includes $1,500,000 annually for research related to leukemia. Millions of dollars more are needed to conquer this grim disease — which kills 2,000 children each year, and is taking an increasing toll of adult lives.

Help research find the answers that will save these lives. Give generously to the American Cancer Society's intensive research assault against leukemia and all other forms of cancer.

Calera Merchants Set Trade Days

May 18 through June 6 are to be big days in Calera. This period has been named as Calera Trade Days, with local merchants teaming together to bring hundreds of people here to do their shopping.

To climax the three weeks campaign, arrangements have been made to have a mobile radio studio set up in Calera for the week of June 1 to 6.

Happy Hal Burns, popular radio and TV personality, will broadcast direct from his Rambling Ranch Studio Monday, June 1 to Saturday, June 6.

Burns also will emcee a stage show to be held from the stage of the Rambling Ranch Studio Saturday afternoon, June 6.

As his guests on his Saturday morning TV program over Station WAPI-TV on June 6, Happy Hal will have Mayor O. C. Farris and other local civic leaders in a television salute to Calera.

Another feature of the Calera Trade Days will be the distribution by local merchants of Confederate Prize Bucks which will be used for valuable gifts to be awarded Saurday afternoon, June 6. An automobile, free bank accounts and other prizes will be given on the final day of the period of Trade Days.

The Rambling Ranch Studio will be located at Calera Motor Company.

FIREMEN PLAN FISHING TRIP

The members of the Montevallo Volunteer Fire Department are making plans for their annual deep-sea fishing trip to Destin, Fla., the last week of May. The trip is financed by donations from the city council and merchants and others wishing to contribute as a "thank you" to this group of faithful volunteers.

DANCE RECITAL

Southern Studio of Dance and Arts will present Jacque Brasseale and her 1959 dance recital Saturday, May 16, at Fairfield High School Auditorium in Fairfield. Performers in the recital will include students from the Calera and Alabaster studios.

The three also appeared before the Senate Appropriations Committee.

NOTE OF THANKS

Montevallo Fire Chief Bill Pendleton wishes to express the appreciation of the Montevallo Fire Department to the Fire Departments of Calera, Alabaster and Siluria for coming to their aid so promptly last Saturday. The Montevallo volunteers are anxious to reciprocate whenever needed.

Calera Annual Honors Mrs. White

Mrs. Pearl White of the Calera High School faculty was honored last week when the 1958-59 yearbook, The Eagle, was dedicated to her.

The tribute paid to Mrs. White read: "In grateful recognition and appreciation of her unswerving loyalty, devotion to duty, and the ability to plant and nourish the seed of intellectual stimulation in the minds of her students during her fifteen years of service in Calera High School, we admiringly dedicate our 1959 annual to Mrs. Pearl White, the teacher who has never faltered in doing her best".

Members of the annual staff are: Della Isbell, Wylodean Key, Billy Hall, Linda Lee, Anne Ingram, Julia Frost, Patsy Carden, and Charles Maurice.

Mr. Billy Aldridge served as faculty sponsor.

Retiring Dean Is Honored

Dr. Milton Lee Orr, Sr., Dean of Alabama College, was honored with a reception at the home of the president recently.

Retiring from active service in July, Dr. Orr was honored for his 37 years at the college. During that period he has been a member of both the faculty and the administration.

He came to Montevallo in 1922 as supervisor of the laboratory school. From 1928 to 1936 he was director of teacher training, being appointed in 1936 to chairmanship of the education department. He served in that capacity until July 1957, when he was named dean of the college.

A native of Union Springs, Dr. Orr received his B.S. degree at the University of Alabama in the class of 1910. He received the master of arts and doctor of philosophy degrees from Peabody College in Nashville.

Before coming to Alabama College he was a teacher in the Alabama public school system. He served three Alabama high schools as principal: Geneva County High, Clarke County High, and Escambia County High.

Dr. Howard Phillips cited Dr. Orr's services at the school, stating that "he has served the institution faithfully and well in several capacities.

"Recognized by his colleagues as an outstanding teacher, he has demonstrated superior leadership and administrative abilities, particularly in education."

At the reception Dr. Orr was presented with a terra cotta bust of himself, done by Grace Hayes Davis, graduate student in the art department. Members of the faculty and staff presented the outgoing dean and his wife with a complete set of luggage.

Guests at the reception included present and former members of the faculty and staff, and relatives of Dr. Orr. Presiding at the refreshment table were Mrs. John Orr of Birmingham; Mrs. M. L. Orr, Jr.; Mrs. A. C. Jeter; and Mrs. L. C. Parnell.

Dr. Vickery Elected Chairman

Dr. Katherine Vickery, chairman of the Alabama College psychology department, has been elected chairman of the Alabama Psychological Association's board of examiners in action by the board at its annual meeting in Montgomery recently.

Selden, Fowler Urge Development Of Coosa-Alabama River System

U. S. Rep. Armistead Selden and Shelby County Probate Judge Conrad M. Fowler, along with other members of the Coosa-Alabama Development Association and the Alabama congressional delegation, appeared before congressional committees last week to urge the appropriation of $200,000 for continuing the planning of the proposed Millers Ferry Multiple Purpose Lock and Dam.

To be located on the Alabama River near Camden, the Millers Ferry Dam is one of three structures authorized by Congress for construction on the lower reaches of the Coosa-Alabama System.

In a statement presented to both the House and Senate Appropriations Committees, Congressman Selden pointed out that the Coosa-Alabama Waterway cannot be used as a traffic artery until the federal government adds locks to the dams being built by the Alabama Power Company on the Coosa and then constructs the three authorized locks and dams on the Alabama.

Rep. Selden emphasized that President Eisenhower has stated publicly his belief in treating resources development as a partnership undertaking and has used the Coosa River project as an example of such a program. "Private interests are proceeding with their portion of the partnership project on the Coosa-Alabama," the congressman added, "and we trust the federal government will now assume its responsibility."

Plans Made For SEGCO Dinner

Plans for the SEGCO Appreciation Dinner, Thursday night, May 21 are being completed. Response to invitations indicates that an attendance of about 175 is to be expected.

This dinner is sponsored by the Columbiana Kiwanis Club as a gesture of appreciation to Mr. James F. Crist, President, Southern Electric Generating Company and his associates for the fact that a tremendous steam generating plant is being erected on the banks of the Coosa in Shelby County.

Mr. Crist is to be the principal speaker. The dinner is to be held in the lunch room of the Shelby County High School and will begin at 7:00.

Hop Cole, President, Columbiana Kiwanis Club said, "We are pleased with the support being given this dinner. Reservations have been received from all sections of Shelby County. It is our hope that each community and each industry will be represented."

Cole also stated that the Skirts, a talented girls quartet from Alabama College will provide entertainment on this occasion.

Fire Damages Montevallo Drug

Montevallo Drug Co., owned and operated by Jack Sims, was severely damaged by fire last Saturday afternoon. The alarm was sounded about 2:15 after a flash fire in the rear of the building. Before the Montevallo volunteer fire department arrived thick black smoke was pouring from all exits.

Fire trucks from Calera, Alabaster, and Siluria were summoned as a precaution in case the fire should spread to the buildings next door. Firemen fought the fire for two to three hours.

Mr. Sims has moved his drug department temporarily to the west side of Jeter Mercantile Co. and invites his customers to visit him there for prescriptions and some other miscellaneous items.

SALEM MEMORIAL SERVICE

Memorial services will be held at Salem Cemetery Sunday, May 17, at 2:00 p.m. Come and enjoy an afternoon with friends and relatives.

Bulldogs Retain County Crown

Those Bulldogs have done it again! They have captured the Shelby County baseball trophy, and without a single defeat.

This title is the tenth in 12 years for Montevallo High School baseball teams under Theron Fisher, who is respected over the state as one of the leading high school baseball coaches.

In winning the championship, Montevallo has gone undefeated in 15 games during the regular season; eight of the victories were over county opposition.

Defeating all teams in the county twice, the Bulldogs beat the Thompson team by scores of 8-7 and 4-0. They bested Calera 8-3 and 15-1; blasted Columbiana by 8-1 and 12-2; and outscored Vincent 10-4 and 14-0.

In 54 innings against the four Shelby teams, the Bulldogs piled up a total of 82 runs for an average of 1.5 runs per inning, with 2¼ runs per game for the opposition.

KENNETH REESE KNOWLES

Funeral services for Kenneth Reese (Bubba) Knowles, 22 month old son of Mr. and Mrs. Aubin Knowles of Montevallo were conducted Monday at Enon Church by Revs. J. Paul Banks and B. B. Curry. Burial was in Randall Cemetery.

The child's death was caused by accidental poisoning Sunday morning while playing with a container of rat poison. He was rushed to a doctor for treatment and then carried to Loyd Nolan Hospital, where he died several hours later.

Surviving are his parents; four brothers, Lewis, Dickie, Paul and Larry; two sisters, Jay Nell and Beckie; grandparents, Mrs. Garnett Knowles and Mr. and Mrs. James Anderson.

J. L. SWITZER
Your Telephone Manager

LAST OF THE SERIES! Friday night will be the last showing of the communications series of TV programs on the ETV stations. COMMUNICATIONS OPEN HOUSE is the title for the one coming up at 7 o'clock on stations WTIQ, WBIQ and WAIQ. It will take you on an hour long tour of our main central office building in Birmingham. YOU'LL ENJOY IT and learn a lot about the worlds of equipment it takes to provide telephone communication locally and nation wide. TUNE IN!

* * *

MAGIC CARPETS reserved for Rajahs? Bet your life they're not! I have one, and so do you right within easy reach. It's your telephone! With it you can whisk away to New York, San Francisco, or Hongkong! Be there in minutes, too. And not only does it speed you to the side of faraway friends, but right here at home it transacts business . . . spreads good news . . . runs errands . . . acts as your personal genie! I'm convinced that where "magic carpets" are concerned, Rajahs never had it this good!

(WHEN YOU WHISK AWAY by Long Distance, *your* magic carpet will get there faster when you call by number, and your trip will cost less when you call after six or on Sunday.)

* * *

WHERE ARE *YOU* when the phone rings? Might as well be on a desert island as stranded rooms away. Yet it's the simplest thing in the world to be rescued. Ever thought of a kitchen extension at your fingertips? Or a bedroom phone for leisurely chats? And, Dad, why feel like a castaway when you slip off to your workshop? It's so easy to have extensions to suit the whole family for only a few cents a day each. They come in colors as lovely as a bouquet of fresh spring flowers, too!

Annual Mailbox Improvement Week

The Post Office Department has designated May 18th through 23rd as "Rural Mailbox Improvement Week". Better mailboxes mean better mail service.

Boxes should be painted and your name inscribed on the side of the mailbox visible to the carrier. Boxes should be grouped wherever possible.

Replace rotten posts and unserviceable boxes with new ones. Neatness is a matter left up to each patron on the route, but postmen don't have to deliver mail into boxes that are too high or too low.

Easy-to-read, attractive boxes help the appearance of the home, aid strangers in finding addresses, assists substitute carriers who are unfamiliar with the routes, and helps the regular carrier provide more efficient service with less time.

Your mailbox should have a red flag for a signal and should be up when you put in outgoing mail. Unless a carrier has mail for a box, he doesn't stop if the flag is down.

Incompletely and incorrectly addressed mail is often delayed in delivery because your rural carriers deliver only the mail placed on their desks. Only clerks in the office sort and separate incoming mail, so please have your mail completely and correctly addressed to either route one or two, and also your individual box number. If you do not know your box number please ask your carrier.

Take a look at your mailbox—everybody else does.

Board of Health Endorses Water Fluoridation

The Alabama State Board of Health, at a meeting in Birmingham during April, adopted a resolution relative to fluoridation of community drinking water supplies.

The resolution recognizes fluoridation of public water supplies as a safe, effective, practical and economical method of reducing the incidence of dental caries in children. It points out that there is no other method for prevention of dental caries known today as effective as fluoridation. It affirms the safety of fluoridation, stating that fluoridation of drinking water in the concentration recommended for optimal dental health is non-injurious to the human body, either systemically or organically.

The resolution concludes: Be it resolved that the Alabama State Board of Health go on record as endorsing and approving fluoridation as a safe, effective, and practical public health procedure for reducing the incidence of dental caries in children.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

In the face of a possible Presidential veto, the House of Representatives last week voted , 245 to 170, to approve a self-financing plan for expanding the facilities of the Tennessee Valley Authority.

The bill was strongly opposed by Republicans who sought to give the Budget Bureau and the Treasury more control over the TVA expansion program. However, the House rejected all restrictions proposed by the Administration despite warnings of a veto.

As approved by the House, the measure will permit the TVA to issue $750,000,000 in bonds for financing construction, acquisition, enlargement, improvement or replacement of facilities to meet growing demands for more electric power. At the same time, however, the bill restricts TVA service to its present 80,000 square-mile area.

The House measure specifies that principal and interest on the bonds be secured solely by the sales of TVA power, that the bonds cannot be obligations of or guaranteed by the United States Government, and that their issuance cannot add to the national debt. The bill also requires the Tennessee Valley Authority to repay the Treasury for the federal government's investment in the TVA at the rate of at least ten million dollars annually.

The measure, as passed by the House of Representatives, received the support of all members from Alabama. Senate approval is expected.

Latin America Report

In view of recent unrest in certain Latin American countries, a report released earlier this week by the Inter-American Subcommittee of the House Committee on Foreign Affairs is of particular interest at this time.

The report deals with the strategic importance of Latin America to the defense of our nation, the importance of the area as a principal source of critical raw materials and foodstuffs, and its significance as an importer of our own products. Also covered in the report are a number of the major problems and misunderstanding precalent at the present time in Latin America.

The Subcommittee, of which your congressman is chairman, does not purport to know the solutions to all the problems affecting United States-Latin American relations. However, the report does offer several definite recommendations which subcommittee members believe will be helpful in eliminating certain basic misunderstandings that presently exist between the United States and our neighbors to the South.

I shall be very pleased to mail a copy of this report to anyone who may be interested in it.

Visitors

We enjoyed seeing Judge Conrad M. Fowler of Columbiana who was in Washington last week to appear before the House and Senate Appropriations Committees in behalf of the development of the Coosa-Alabama Waterway.

Montevallo boys who will play in the East-West Baseball Game in Clanton on Sunday, May 17, are pictured above. The game is being sponsored by the Lions Clubs.

East-West Game To Be At Clanton

The annual District ALL-Star East-West Baseball Game is again sponsored by the Clanton Lions Club. This year's game will be played in the Clanton City Ball Park on Sunday, May 17th. Two six inning games will be played. The first game will be between the East team; composed of players from Alexander City, Columbiana, Marbury, Tallassee and Vincent, and the West team made up of players from Billingsley, Calera, Jemison, Montevallo and West Blocton. The second game will be between a team of selected outstanding players of both teams playing in the first game and a team from Chilton County High School of Clanton.

This afternoon of baseball gives promise of being the outstanding sports attractions of the year and probably will be remembered as the classic sports event of all annual East-West games played there in Clanton up to this time.

Lions Clubs in all of the Districts where players for this game will come from are cooperating with the local sponsors by selling tickets. Tickets for admission to the East-West game in Birmingham, a double header, which is scheduled for Birmingham's Rickwood Field will entitle the owner to attend the Clanton game, retain his ticket and attend the game in Birmingham. Where else can you see four great baaseball games for $1.00. All proceeds from the game played in Clanton, as well as the Birmingham game are for sight conservation work performed by Alabama Sight.

The present roster for the East squad playing in the Clanton game is made up of the following players: Gerald Queen, Bill Spivey, Fred Blankenship, Charles Billingsley from Alexander City; Leon Armbrester, Earl Tyus, Tom Minor from Columbiana; Wayne Cartee, Ronald Driver, Donald Hand from Marbury; Paul McInnish, Pete Cottle, Don Davidson from Tallassee; Gary Garrett, Sermon Brasher from Vincent.

The East squad will be guided by Coach J. E. O'Brien of Tallassee and Coach Don Bulger of Columbiana.

The West team will have outstanding players as follows: Clark Billingsley, James Rhodes from Billingsley; Elwood Edwards, Larry Gay, Bobby Godfrey from Calera; Horace Davis, Dick Northcutt from Jemison; Ronald Smitherman, Lee Salter, Curtis Jarvis, Barclay Fisher from Montevallo; Louie Wade, Kenneth Broadhead, Joe Moody, Glen Hankins from West Blocton.

Coach Gene West of West Blocton and Coach Jones of Calera will be responsible for coaching the players in the West team and they feel certain that they can, with the players sent to them, produce a winning team. The local game in Clanton is one of six similar games and from these games major league scouts will select the boys to win a trip to Birmingham and to play in the East-West game there on June 5th. Alabama Sight Conservation Association Inc. renders valuable service to many people who are threatened with loss of sight and this worthy organization receives all proceeds from these ball games. This worthy cause merits your liberal support. Your attendance to this game makes it possible that others may see.

Montevallo Tops Vincent, 10-4

Winning 15 straight games, of which eight were county matches, Montevallo claimed the Shelby County crown again this year as the Bulldogs beat Vincent 10-4 last Friday.

Bill Winslett, on the mound for the Bulldogs, was greeted by the leadoff man Crocker with a double, which produced a run when Brasher singled.

With a 1-0 lead, the 'Jackets held command for two innings. Then Winslett, hitting three for four for the day, doubled. After that, two Vincent errors, a base on balls, and Lee Salter's second double for the day gave Montevallo a winning margin.

The Yellowjackets, aided by three Bulldog errors, got a rally going in the fourth. Watson doubled and Ritch singled to push across three runs, but the effort fell short.

Peter Givhan came to the box for Montevallo in the fifth. In three innings he gave up three hits and struck out four.

Winslett allowed three hits and fanned seven in the first four innings. In the second, he took care of the side, fanning all three of the Yellowjackets to face him in that frame.

Johnson, losing pitcher, gave up 10 hits, struck out none, and walked two.

Chevy pickup pulls through "bottomless" pastures to keep stock fed!

At the Hall Bros. Dairy Farm, Montgomery, Ala., they say this 4-wheel drive Chevy will go anywhere to keep stock fed—even through hub-deep muck that makes it a fight all the way. And yet after a full year of it—no mechanical trouble of any kind!

That Chevy pickup may not win any beauty awards (till it's cleaned up). But it's sure walking off with the top prize for dependability. And that's standard Chevrolet procedure. Put a Chevy truck to work and it keeps on working until you say quit. Not before.

We aren't claiming that every Chevrolet truck is turning out to be a miracle-worker and averaging 100,000 miles before a valve job. (Even though some are going 150,000!) You're sure to find, however, that you can't buy more truck dependability at any price. And that's borne out by the fact that more truck owners put their faith, and their payloads, in Chevrolets than in any other make.

Take your load and schedule figures to your Chevrolet dealer. He'll specify the best way to handle both and save in the bargain.

No job's too tough for a Chevrolet truck! CHEVROLET

Now's the time—see your local authorized Chevrolet dealer for a real truck buy!

MHS Graduation Begins Sunday

Montevallo High School Senior Class of 1959 begins its formal graduation proceedings Sunday night, May 24. A baccalaureate service is scheduled at the Baptist Church at 7:45 p.m. The Rev. David Kaylor, Montevallo Presbyterian minister, will bring the inspirational message.

The high school faculty will entertain graduates, their parents and guests at a reception immediately following the service, the weather permitting, on the side lawn of the church.

Graduation exercises are set for Wednesday, May 27, at 8:00 p.m., at Palmer Hall. Dr. Lucille Griffith of Alabama College will be the speaker. Her topic will be "Yesterday and Tomorrow".

Theme of the graduation program is "Tonight". James Earl Davis, class president, will welcome guests.

Introduction to he music selections will be made by Ronda Albright, Edith Edfelt, Gene Givhan, Judy Bess Robinson, Gibbes Scott and Minavee Southern.

Miss Vinnie Lee Walker, class sponsor, has been assisted in the preparation of the program by Bruce Tolbert and V. T. Young.

Guy Milford, principal, will award diplomas.

Immediately following the graduation exercises, room mothers will entertain in Reynolds Hall.

SOUTHERN BELL TO HAVE DISPLAY

Southern Bell Telephone Company will present a trailer display of all the latest telephone equipment for both home and office Friday and Saturday, May 22 and 23. The trailer will be parked on Main Street in Montevallo by the post office.

Souvenirs and soft drinks will be given to the visitors. Mr. J. L. Switzer, manager, extends a cordial invitation to everyone to come and view the display.

DEADLINE FOR NEWS

Effective with the next issue of the Shelby County Times-Herald, all news items must be turned in by Tuesday afternoon at 5:00 in order to appear in that week's issue. Your cooperation will be appreciated.

Mental Health Drive Chairmen

The western portion of Shelby County has been organized for the Mental Health Drive by Dr. Katherine Vickery. Mr. George Starcher, of Columbiana, has served as chairman for the eastern section. Community chairmen for the drive are

Alabaster—Mrs. J. Garnett Lacey; Calera—Mrs. E. C. Farris; Helena—Mrs. George Lee Green; Keystone — Mrs. Joe Hodges; Mayberry, Miss Lou Morris; Montevallo—Residential, Mrs. R. L. Wooley, Business, Dr. and Mrs. E. P. Lauderdale, Alabama College, Dr. Herbert Eber; Moore's Crossroads—Mrs. B. J. Czeskleba; Pelham — Mrs. Mason Cumberland; Siluria — Mrs. Bill Street; Wilton—Mrs. Alpha Lucas.

If you have not already made a contribution to Mental Health, please see the chairman in your area and do so. Shelby County has 69 patients in Bryce Hospital, nine in Searcy, and twelve in Partlow School. This does not include some in private institutions and in Veterans Hospital. You can be of assistance to these patients with your contribution, and you will also be helping an organization which is working to lessen the patient load by preventing many cases from developing. Won't you share in this very necessary undertaking?

Leslie Hubbard, Jr., was taken to a Birmingham hospital Tuesday afternoon with a broken nose. The accident occurred during a baseball game at school.

Calera Civitan Club Holds Fish Fry

Last Wednesday afternoon the Calera Civitan Club sponsored a fish fry at which the city fire department and police were honored as special guests. Other distinguished guests were W. L. Lawler, Rev. Sizemore, and two brothers of A. M. Crawford.

The festive occasion was held on the lawn of the home of Mr. and Mrs. W. H. Crawford. Fried fish, hush puppies, slaw, coffee, and tea was prepared by members of the club and friends. The outstanding fishermen of the club furnished the fish.

The new home of Mann Furniture Industries pictured here is located across from Lawler Manufacturing Co. between Montevallo and Calera.

Mann Furniture in New Building

Mann Furniture Industries is now doing business in their new building across the highway from Lawler Manufacturing Co. between Montevallo and Calera. A new, modern, air conditioned building was constructed by W. L. Lawler Sr. for the furniture manufacturing company.

Mr. E. S. Eisman, owner, says that several communities in and out of the state had offered to provide facilities for his business but he is happy to remain in Montevallo since Mr. Lawler constructed a building to meet his needs.

Mr. and Mrs. Eisman established their business in Montevallo eight years ago, originally making occasional tables and then chairs. The operation is continuing to manufacture chairs on an expanded basis. The greatest change is the establishment of a cash retail outlet, selling a complete line of furniture. Formerly the company manufactured only for wholesale distribution.

The market for Mann furniture ranges from the Ohio River to Miami and Texas. The operation employs both men and women. Most of the raw materials used are purchased locally.

Bids Sought For Calera Post Office

Bids are solicited, to be received in the office of A. Goode, Real Estate Officer, at Box 1709, Montgomery 3, Alabama, not later than July 10, 1959, to furnish leased space suitable for a Post Office building at Calera.

Important factors include location, good daylight and ventilation, accessibility to rear or side entrance for mails, service considerations, economic factors, and overall operating costs.

Construction requirements For Leased Post Office Facilities, and form of bid (Agreement to Lease), form of Post Office Department Lease, and additional information may be obtained from the postmaster at Calera.

The Postmaster General holds an assignable land option of 11250 square feet located at Calera, Alabama; it is requested that all bidding be confined to this site.

The price of the lot is $5,500.00.

The desired lease term is ten years with two five-year renewal options.

The effective date of the lease is January 1, 1960.

CALERA BETA CLUB ELECTS OFFICERS FOR 1959-60

The Calera Beta Club elected the following officers to serve for the school year 1959 1960 at their last meeting. President, Linda Lee; vice president, Bill Denson; secretary, Julia Frost; treasurer, Della Isbell; chaplain, William Askins; reporter, Jean Payne.

The Beta Club has accomplished much this year. We have successfully completed our project (remodeling the girls' rest room). The club presented a wonderful play, "Crashing Society."

The members attended the Beta convention in Birmingham.

We sponsored several parties for the students after the ball games.—Jean Payne, Reporter.

Charles Lamar Elliott was initiated as a full member of Phi Sigma on May 4. Phi Sigma, the only national biological honor society, is a member of the American Association of College Honor Societies. County Industrial Board Is Planned

A group of citizens of Shelby County, together with a good representation of county and municipal officials, met at Lloyd's near Chelsea Monday night to consider the organization of the Shelby County Industrial Development Board under provisions of a law drafted and sponsored by Rep. Karl Harrison and enacted by the Legislature.

After a discussion of the subject by Probate Judge Conrad Fowler, Jimmy McDow, Mayor Wales Wallace and others, a resolution was adopted requesting the municipalities of the county to petition the County Board of Revenue to set up the Industrial Development Board under provisions of the law.

Another resolution suggested a budget of $4,000 a year for operation of the industrial board, two-thirds of which would be paid by the County Board of Revenue and one-third by the participating municipalities. The law requires that a majority of the ten towns of the county must ask for the organization of the industrial development board before the County Board of Revenue can proceed.

Calera Seniors Honored at Party

The senior class of Calera High School was honored on Tuesday evening when Mr. and Mrs. E. Marvin Smith entertained at their home with an informal party.

Refreshments were served from a table laid with a lace cloth and centered with an arrangement of red and white carnations in a silver bowl flanked with red candles in silver holders. Other appointments were of silver and crystal.

The class colors of red and white were further carried out in the refreshments served to the guests who were members of the senior class and Mr. W. J. Akridge, class sponsor.

Mrs. Smith was assisted in entertaining by Mrs. Akridge and Mrs. Jim Mabry.

RAILWAY EXPRESS NOTICE

Montevallo To Send Five to Boys State

Five Montevallo High School juniors have been named to represent the school at Boys State this summer. They are Freddy Draper, Talmon Hill, Buddy Majors, Larry Joe Pickett, and Randy Woolley. An annual affair, Boys State will be held at Tuscaloosa May 31-June 5.

Highlight of the week for the boys will be a trip to Montgomery. Each boy will hold some office in the state's government and will take over the duties for that day.

Calesthenics at 5:30 will open each day's activities for the Boys Staters. The remainder of the day will be spent in classes concerning government and participation in sports of various kinds.

A committee of the Montevallo High School faculty selected the boys named for Boys State. They will be financed for the trip by the local organizations of American Legion, Lions, PTA, Rotary, and the Student Council.

Mrs. Eddings' kindergarten group took a train ride to Randolph and back Friday. Eleven adults accompanied the 40 enthusiastic travelers who went on the trip. Upon their return lunch was served at the school cafeteria.

Hospital To Have Emergency Room

It may be of interest to everyone that our emergency service will add additional protection to county residents.

Scheduled as a part of the Shelby Memorial Hospital now under construction is a modern, well equipped emergency room equipped with modern resuscitators and oxygen equipment, instruments, supplies and drugs, will have nursing personnel on duty twenty-four hours daily to render immediate assistance to emergency cases brought to the hospital. In addition, members of the medical staff will be on a twenty-four hour call on a rotation basis to answer such needs.

It is to be emphasized that the emergency room is just that—a place for treatment of emergency illness or injury! It is not a substitute for treatment by the family physician. We will not have a house saff or residents, whereby it will in practically all cases necessitate that the family physician be consulted before or during treatment.

Reports from other hospitals in this area show that the number of patients treated in the emergency room equal or outnumber the total in-patient care treatments each year. The dollar volume from this service is smaller than in-patient service, but the immediate services rendered more than makes emergency rooms in hospitals a necessity, and worthwhile to our communities.

Typical of the cases that are handled in the emergency rooms are cases involving auto accidents, injuries from sporting events, burns, home accidents and a variety of medical problems which become serious at unusual hours of the day.

A beneficial service to the patient and doctor, the emergency room is one of the many looked for services from Shelby County's new hospital.

Notice To My Former Patients

On Aug. 15, 1958, I closed my dental office, after having practiced in Montevallo for a period of forty-two years.

During this time I did a considerable amount of charitable work for children of parents who were unable to pay for my service. I was glad to be able to do something for the relief of suffering humanity.

Those of you who owed me then and still owe me, consider your indebtedness to me paid.

Good luck and best wishes to all of you.—Dr. W. J. Mitchell, Box 101, Montevallo, Ala. 5-21-1tpd

On the pocket of the apron was embroidered "Happy Mother's Day from your children, class of 1959." The children feel as though Mrs. Anderson has been a second mother to them and wanted to tell her so. Pictured above are Mrs. Anderson, the children in her first grade and Mr. Anderson, who was on hand to share in the surprise occasion.

A "NEW LOOK" IN FREIGHT TIMETABLES FOR A NEW KIND OF FREIGHT SERVICE!

You're looking at a new kind of freight timetable. Here Southern Railway shippers and receivers find an easy-to-read, graphic presentation of the finest railroad freight service in America.

Listed on the timetables in this folder are modern, diesel-powered freight trains now operating on faster, better schedules than ever before. Our new streamlined freight service ties the Southland still closer together.

Many Southern cities are now only a few hours away from the region's gateways at Cincinnati, Ohio; Washington, D.C.; East St. Louis, Ill.; Louisville, Ky.; Memphis, Tenn.; and New Orleans, La. Port cities in the South and all cities in the interior also share in the benefits of Southern's improved freight service.

This is *modern* rail service for the *modern* South. It is making a vital contribution to the Southland's expanding economy of today and its bright prospects for the future. Our freight customers benefit —and *you* do, too!

Lucretia Hollingsworth, left, is shown being crowned Montevallo G. A. Queen by Mrs. Roy Hicks at ceremonies last week. Kathleen Bowden, right, received the Wilton Queen's crown from Mrs. Curry Ward.

Two Churches Crown "G. A. Queens"

Queens from Montevallo and Wilton Baptist Churches were crowned Wednesday night in a service at Montevallo Baptist Church.

Lucretia Hollingsworth and Kathleen Bowden were recognized for their work in scripture study, mission facts, and denominational information. Twenty-nine girls also received awards for their devoted fforts. They are members of the girls' missionary organization of Shelby County.

Those who have attained the rank of princesses are Barbara McGuire, Billie Jenkins, Linda Bailey, Gay Walter, Sue Pennington, Geneva Holsomback, all of New Hope; ladies in waiting are Linda McDuffie, New Hope; Nina Hollingsworth, Montevallo and Norfleet Day, Wilton.

Maidens are Patricia McGuffie, Janice Reeser, Linda Reeser, Sharon Pitts, Mickie McDuffie, all of New Hope; Ellen Friel, Wilton; Barbara Reed, Underwood; Wanda Langston, Dogwood; and Sallie Hodges, Wilsonville; Nancy Pruett, Kathy Sherrod, Betty Allen, Mary Edna Glover, Sandra Scott, Judy Lucas, Linda Smith, Margaret Turpin, Alice Baine, Faye and Kaye Williams, all of Montevallo.

Mrs. Fred Keller of Vincent conducted the coronation. Mrs. Dell Williams is the associational Girls' Auxiliary director for Shelby County.

At the conclusion of the service the girls were honored with a county-wide reception in the social hall of the church.

Smitherman To Play in State All-Star Game

Ronald Smitherman, an outstanding senior and athlete at the Montevallo High School, was chosen Sunday for the Lions All-Star baseball game in Birmingham June 5. Scouts making the selection at Clanton were Jack Sanford of Kansas City; Jimmy Bragan of Cincinnati; Virgil Ledbetter of Los Angeles; Fred Herring of Pittsburgh; and Red Howarth of Chicago.

Named to represent this area along with Smitherman was Clark Billingsley, shortstop, from Alexander City. Clay Carroll, a Clanton pitcher, was named alternate.

Barclay Fisher, Curtis Jarvis, and Lee Salter also made the trip to the tryout game in Clanton, where the scouts, after seeing 6

RONALD SMITHERMAN

innings between two teams of all-stars, named 15 players for a second game against Clanton's varsity. All four Bulldogs made this roster. Leon Armbrester, shortstop from Columbiana, was the only other Shelby County boy to make this team.

To get the scouts' nod for his place among the state's all-stars, Ronald pitched one inning and played nine more of errorless ball in left field, where he had three put-outs. At bat Smitherman had one for three, that a triple, the longest ball hit in both games of the day's double-header. He got one walk.

Playing his sixth year of baseball at Montevallo this season, he had a .343 batting average, which included three home runs, one triple, and eight doubles. He batted in 22 runs and scored 23 himself. Getting a no-hitter in the first game in the mid-state playoff against Hicks Memorial of Autaugaville, and hurled Montevallo past Jemison in the finals for the trophy.

Ronald is the son if Mrs. Zelda Smitherman and the late J. D. Smitherman of Aldrich.

Note of Thanks

I want to thank my many friends and relatives for their kind offerings of flowers, cards, blood, and especially their prayers since my recent injury. I returned home from the hospital last Saturday and will welcome visits from everyone. — Mrs. J. J. Horton.

Mr. and Mrs. Robert McLain and Mike of Birmingham were the guests of the Ed McLain family Sunday.

A few of the models of chairs manufactured at Mann Furniture Industries are shown in their new display room.

66 Seniors To Receive Degrees

A total of 66 seniors are candidates for bachelor degrees at Alabama College's 62nd annual commencement Sunday, May 31.

Speakers at commencement exercises will be Dr. G. Ray Jordan, of Candler School of Theology, Emory University; and Dr. Ernest C. Colwell, President of Southern California School of Theology at Claremont, Calif.

The two-day program will begin Saturday, May 30, with the Alumni-Senior breakfast. Guest speaker at the breakfast will be Mrs. John Allen Wolf, speech therapist in the Montgomery City school system and alumna of Alabama College.

Seniors, their families and friends will be honored with a garden party at the home of Dr. Howard Phillips, president of the college, Saturday afternoon from 4:30 to 6:00 p.m.

Baccalaureate services will begin at 11 a.m. Sunday, May 31, with the academic procession. David Kaylor, minister of Montevallo Presbyterian Church, will give the invocation, and James H. Chesnutt, minister of the Montevallo Methodist Church, will present the scriptural reading. The Montevallo Baptist Church pastor, Edward Glover, will lead the assembly in prayer.

Dr. Jordan will give the baccalaureate sermon, "When Life Becomes Thrilling".

An invitational luncheon will be held at 1 p.m. in Anna Irvin Annex honoring the commencement speakers.

At graduation exercises, which begin at 3 p.m., Dr. Colwell will give the baccalaureate address, speaking on "The Second Bank". Nelson Fuller, chairman of the board of trustees of the college, will authorize the conferring of degrees.

Dean M. L. Orr will present members of the graduating class and Dr. Phillips will confer the degrees.

Music for the processional and recessional will be played by John Fesperman and Dr. Betty Louise Lumby.

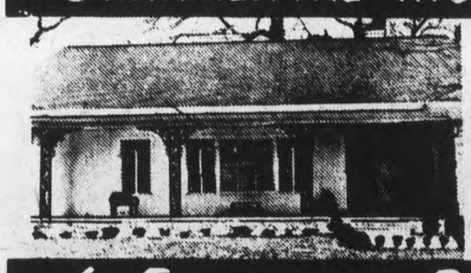

REV. THOMAS DILL LIDE VISITS MONTEVALLO

Rev. Thomas Dill Lide, pastor of the First Baptist Church of Perry, Fla., and Mrs. Lide were visitors in Montevallo last Friday. They were on their way to the Southern Baptist Convention at Louisville.

Dr. Lide's foster father was Dr. J. S. Dill, whose first pastorate was the Montevallo Baptist Church about 80 years ago. Dr. Dill's father was Prof. Thomas John Dill of Howard College when the college was at Marion.

Dr. Lide has the diary of his foster father, which contains much of interest about Montevallo and the people of his time. Based upon the diary of Dr. Dill, Dr. Lide will write an article for publication in The Times-Herald when he gets back home from the convention.

Montevallo Wins Mid-State Conference

Montevallo defeated Jemison 3-1 in the final match of a best-two-out-of-three playoff series for the Mid-State Conference championship in baseball Monday. The Bulldogs took the first game 4-3, and the second one went to the Panthers, 6-1.

Ronald Smitherman was winnig pitcher in the third game, extending his record to 7-0 for the season. Horace Davis, who came in to relieve after Dick Northcutt, had pitched to two batters, was tagged with the loss.

Going two for three at bat, Bill Winslett was the only Bulldog to collect more than one hit, as Davis allowed only six. Winslett scored the Bulldog's first run after his first single.

Jemison tied the score in the top of the second when Gene Sorrell walked and scored later on Jerry Robinson's double.

Putting three of their six hits in a row in the fourth inning was enough to win the ball game for the Bulldogs. Lee Salter, Forrest Brown, and Ruben Hayes got the hits which produced the two-run margin of victory.

Smitherman, in an outstanding job on the mound, gave up only two hits, walked two and sent eight down the K route. The Bulldogs got one hit off Northcutt, starter, and five off Davis, who fanned two and issued no walks in seven innings.

Jemison Hands Montevallo First Defeat of Season

After dropping the opening game, Jemison came into the second match to "freeze" the Bulldogs 6-1.

Getting to Peter Givhan in the first two innings for five hits and as many runs, Jemison downed Montevallo 6-1. This was Montevallo's first loss in 18 games.

Northcutt, southpaw for Jemison, held Montevallo to four scattered hits, with no two coming in the same inning. Ten Bulldogs went down swinging at the offerings of the lefthander, who gave up no walks in the full seven innings.

Curtis Jarvis, in fine relief after the second inning, struck out seven, walked five, and allowed but one hit. The Panthers scored one run in the fourth as a result of a Bulldog error.

Guy, third baseman, was the big man for Jemison at the plate. He had two triples in three times at bat, knocked in three runs, and scored one himself.

Bill Winslett, first man up in the first inning, tripled and came in on a wild pitch to give the Bulldogs their lone run of the night.

Montevallo Squeezes By Jemison 4-3

In the first game of the series the Panthers outhit and made fewer errors than the Bulldogs but could not push across enough runs to top them.

Davis, on the mound of Jemison, held the Montevallo lads quiet in the first three innings, striking out six.

Danny Thornton led off the fourth with a single to start the four-run rally that won the game. He moved to second on Ronald Smitherman's bunt, and Smitherman was on when both the pitcher and first baseman moved in to field the ball and no one covered first. Both runners scored when Curtis Jarvis' single got by the rightfielder for a two-base error. Lee Salter singled in Jarvis and came home with the winning run on Brown's sacrifice to center, Salter had stolen second and got to third on a wild pitch.

In the fifth inning the Panthers got to Winslett for three hits. Then a Bulldog error and a sacrifice fly produced two runs in that inning for Jemison.

An error and singles by Guy and Northcutt in the top of the seventh began to make the picture a little dismal for the Bulldogs. One run crossed when the singles came back-to-back after two were out. At this point Coach Fisher sent lefthander Smitherman to the mound. But a pick-off at third, that went from Smitherman to Thrasher, finished up the day's action.

Winslett, winning pitcher, gave up six hits, fanned three and walked one. Davis, the loser, allowed only five hits, sent nine down via the strike-out route, and issued no free tickets.

The Bulldogs made four errors and Jemison three, with both teams visibly nervous in this opener.

TOM CHAMPION VISITS RELATIVES

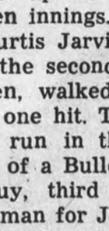

Mr. and Mrs. Thomas L. Champion, of Salt Lake City, have returned to their home after a visit with his sister and family, Mr. and Mrs. Horace E. Lawley, of Pea Ridge. Mr. and Mrs. Lawley and son, Eddie, met the Champions in Shreveport, La., and after visiting New Orleans and Mobile motored home.

Mr. and Mrs. Champion enjoyed visiting his many relatives here for the first time in eight years. On Sunday, May 10, a family picnic was held at Little River, and on Wednesday, May 13, a generation picnic was attended by about 60 relatives at Macedonia Church.

Last Friday, the Lawleys accompanied their visitors to Ft. Walton and Destin, Fla., for the week end. Mr. and Mrs. Champion plan to visit other places of interest on their return trip.

Members of Montevallo Chapter of National Honor Society who took part on the induction program last week are (left to right) Ronda Albright, Mildred Jones, Gene Givhan, Edith Edfeldt, Ralph Morris, James Davis, Judy Bess Robinson, Tommie Mowery, Gibbes Scott, and Minavee Southern.

Honor Society Taps 9 Members

During an impressive candlelight ceremony, Montevallo High School chapter of National Honor Society inducted nine new members into the organization; of the nine, seven were from the 11th grade and two were seniors. Following the ceremony, the home ec department entertained at a reception in the home economics building.

To open the program, the members of the Honor Society marched in procession into the auditorium and onto the stage. Music was furnished by a brass ensemble directed by Mr. Victor Young, band director.

Ralph Morris, president of the Honor Society, welcomed the visitors and introduced the speakers. Mildred Jones explained the meaning of the service; Judy Beth Robinson, leadership; Edith Edfelt, character; and Ronda Albright, scholarship.

James Earl Davis and Gene Givhan stood among the audience and tapped those named to membership. After the new members were led onto the stage, Minavee Southern, secretary, read their names and invited them to sign the register. They were presented lighted candles by Gibbes Scott and given the oath of membership by Ralph Morris.

Tommie Mowery closed the ceremony with a prayer.

Home ec classes under direction of Mrs. Rebecca McGaughy and Mrs. Margaret Hollingsworth were in charge of the reception following the ceremony.

Parents and guests who attended were Mrs. J. C. Draper, Mrs. Reece Hill, Mrs. M. L. Orr Jr., Mrs. Carl Pickett, Mrs. Gussie Seagle, Mrs. Zelda Smitherman, Mr. and Mrs. Hugo Molgedei, Mrs. Frank Southern, Mrs. F. P. Givhan, Mrs. W. L. Lawler Sr., Mrs. Carl Edfelt, and Mrs. Chester Carlee.

New members inducted were Freddy Draper, Talmon Hill, Janice Jones, Betty Milstead, Gisela Molgedei, Cissie Orr, Larry Jo Pickett, Jimmy Seagle and Ronald Smitherman.

Here are the new members of Montevallo's Honor Society. They are (left to right) Gisela Molgedei, Freddy Draper, Ronald Smitherman, Jimmy Seagle, Larry Joe Pickett, Talmon Hill, Janice Jones, Cissie Orr. (Not pictured is Betty Milstead.)

Society Observes Founders Day

Alpha Nu Chapter of the Delta Kappa Gamma Society celebrated Founders Day at its meeting May 16 at Hargis Lake.

Mrs. Charlotte Peterson read a poem, "Our Founders," and in "A Founders Day Tribute" she enumerated the contributions made by these notable women.

Miss Aileen Pope lighted the candles honoring the twelve founders of Delta Kappa Gamma.

Singing was conductd by Mrs. Emmie Davidson and Mrs. Charlotte Peterson.

Mrs. Sara Walker conducted a White Elephant Sale to raise money for the scholarship fund.

After the program a picnic lunch was enjoyed by the nineteen members present.

HOTTEST SELLING OF THE LEADING LOW-PRICED 3

What we mean—this new Chevy's whipped up a one-car heat wave. Its fresh style caught on right away, of course. But—whether you prefer a V8 or 6—where Chevrolet really leaves the other cars in the shade is out on the road. A pair of Chevy 6's came in one-two in their class in this year's Mobilgas Economy Run. And the winning average was 22.38 m.p.g.

Why not drop down to your dealer's and see for yourself why Chevy's this year's hottest selling car?

THE INDUSTRIAL SOUTHEAST

During 1958, Southern Natural Gas Company inaugurated the greatest expansion program in its history. Our natural gas delivery capacity climbed to about *1.2 billion cubic feet a day*. By the end of 1959, we plan to have invested $100,000,000 for the system expansion program and connection of new gas supplies and to have upped our delivery capacity by 35% to 1.35 billion cubic feet a day.

It takes rapid growth to keep up with the increasing needs of our territory and our customers.

County Citizens Honor SEGCO Official at Dinner

The Kiwanis Club of Columbiana rolled out the welcome mat last Thursday night and about 300 people of Shelby County joined in an impressive expression of welcome and appreciation to Mr. James F. Crist, president, and his associates in Southern Electric Generating Company.

The gathering was in the auditorium of the Shelby County High School where a delightful dinner was served by the ladies of Columbiana.

In attendance were citizens representing every segment of Shelby County business, industry, agriculture, together with county and municipal officials.

With Mr. Crist were the heads of the different departments of his company's operations for the construction of the huge steam plant at Wilsonville and the coal mines in Shelby and Walker Counties. And heading the group of power company officials was "the daddy of them all," the beloved and revered Thomas W. Martin, chairman of the board of Alabama Power Company.

Hop Cole, president of the Kiwanis Club, sounded the gavel for opening of the program, stating that "this county-wide response will insure that Mr. James F. Crist and his associates in the Southern Electric Generating Co. are welcome to Shelby County. We deeply appreciate the cooperation that has been given by our neighbors in each community of the county."

Mr. Cole called on Judge Conrad Fowler to preside, whereupon Judge Fowler identified and introduced the Shelby County people in attendance, together with a number of persons representing state-wide industrial and business organizations. He called upon Mr. Thomas W. Martin to introduce the honor guests.

Mr. Martin reviewed briefly the history of electric power development in Alabama and presented each of the officials who are directing the various phases of development of Southern Electric Generating Co.

Last to be introduced by Mr. Martin was Mr. Crist, president of SEGCO, who was the speaker

James F. Crist, president of Southern Electric Generating Co., speaking to over 300 Shelby County citizens at the dinner given in his honor by Columbiana Kiwanians.

of the evening. Following are some selections from the address of Mr. Crist:

Appreciation

This gathering tonight is typical of the warm welcome which has been extendd to us since we became your neighbors. We greatly appreciate it. In furthering an undertaking of the size of the one in which we are engaged, there naturally arise a number of problems. Many of these can

Calera Has Trade Days

The big Calera Trade Days are under way.

And from now until the final day, Saturday, June 6, everybody is talking about and saving their Confederate Prize Bucks.

Because on Saturday, June 6, these Prize Bucks may be good for free automobile, free bank accounts and $1,000.00 in other gifts to be given away in connection with the Trade Days celebration.

Approximately 20 Calera merchants have signed up as participants in the Calera Trade Days promotion and the Prize Bucks are available at their stores.

On Saturday, June 6, Happy Hal Burns will award the gifts from the stage of his Rambling Ranch Studio, from where he will be broadcasting in person the entire week of June 1-6.

In addition to receiving the gifts, those present Saturday afternoon, June 6, also will be treated to a free stage show.

And on Saturday morning, June 6, Burns will have Mayor Neal Farris as his guest on his television program over WAPI-TV, Channel 13, in Birmingham, in a salute to Calera.

Meanwhile, persons in and around Calera are saving their Confederate Prize Bucks for the biggest trade days celebration in Calera history.

Prize Bucks are available at Calera Motor Co., Lawrence Big Star Super Store, Jefferson Furniture Co., Calera Cafe, O.K. Rubber Welders of Alabaster, Fay's Cafe, Charlie Mooney Gulf Station, Samons Barber and Beauty Shop, Barrett Shell Station and Grocery Store, Calera Standard Sation, Central State Bank, P&T Big Saver Super Market, Crawford's Service Station, Bird Supply Co., and Bird Building Materials Co.

Alabama College Commencement

Dr. G. Ray Jordan, Professor of homiletics at Candler School of Theology, Emory University, and Dr. Ernest C. Colwell, President of the Southern California School of Theology at Clarement, Cal., will be the principal speakers at Alabama College's 62nd annual commencement program Sunday, May 31, at Montevallo.

Delivering the baccalaureate sermon at 11 a.m., Dr. Jordan will speak on the subject, "When Life Becomes Thrilling." Dr. Colwell will present the baccalaureate address at graduation exercises Sunday afternoon, speaking on "The Second Rank."

SEGCO Officials Honored at Dinner

(Continued from Page 1)

only be worked out with the help of local citizens. In every instance of this kind we have had the finest kind of cooperation.

Since 1923

My connection with Columbiana and Shelby County did not begin with our present activities here. In the summer of 1923, I came here as a groundman, at work on the Alabama Power Co. 110,000 volt line from Lay Dam to Leeds. There were some high structures at the crossing of Waxahatchie Creek, and I remember when two of us were hanging the suspension insulators, one in the middle of the cross-arms and one at each end.

About the Coosa

Since the Coosa River plays so large a part in the SEGCO development, I want to say a few words about it. It is one of America's great rivers. For more than a hundred years the people of the Coosa Valley have dreamed of making that stream a waterway to the sea.

Alabama Power Program

In 1914 Alabama Power Company built Lay Dam. It followed with Mitchell Dam in 1923 and Jordan Dam in 1928, all on the lower reaches of the river.

In 1953, Alabama Power Co. moved toward the multi-dam development of the river. It involves the construction of four new dams and powerhouses on the Coosa and for increasing the height of one of the existing dams with an ultimate installation of more than 400,000 kilowatts. The program will create a continuous series of navigable pools from Rome to Wetumpka, a distance of 255 river miles.

Looking Toward Navigation

All of the existing projects on the river, as well as the new ones will contain basic navigation facilities; and when modern locks are installed by the government, a modern waterway will come into being. Only three more locks and dams will be necessary to make the entire Coosa-Alabama waterway from Rome to Mobile a modern waterway.

The New Steam Plant

Southern Electric Generating Company is one of the first great industrial projects to take advantage of this river development. SEGCO is building one of the world's largest steam plants with an initial installation of four units aggregating a million kilowatts and provision for two additional units. The plant site is on the Coosa near Wilsonville, accessible to the coal fields and within economical transmission distance of the Georgia and Alabama load centers. In the Warrior coal field we are constructing and developing a mine of 1,500,000-ton capacity and a smaller mine in the Cahaba field. The estimated cost of these projects is $161 million. The first and second units at the steam plant are scheduled for completion in April and July of next year, the third in 1961 and the fourth in 1962. Operation of the first two units beginning in next year, will require about 100 employees and this number will be increased to about 150 with the four-unit operation in 1962.

Showing picture slides, Mr. Crist illustrated and described the construction process of the Wilsonville steam plant from its beginning to the present.

The Coal Mines

The generating company is constructing and developing two coal mines to supply the 3 million tons of coal a year required for operation of the steam plant. Mr. Crist described and illustrated with pictures the development of the coal mines.

Mine Number One

Mine number one is in the Warrior coal field located near Parrish in Walker County. It will have an annual capacity of 1½ million tons of coal. It will have a washer and preparation plant to process coal for use in the steam plant. The coal seam is 57 inches thick. This mine will employ about 400 persons when in full production.

The No. 2 Mine

The construction of the number two mine is in the Cahaba coal field near Maylene in west Shelby County. The mine is being opened by driving two parallel slopes about 70 feet apart. The raw coal storage area and preparation plant will be located near the mine. The mine is being developed for an annual capacity of 360,000 tons, but the operation may well be expanded to 750,000 tons. Work was started on the Maylene mine in August 1958.

About 85 employees will be required for 360,000 tons annual production and if the mine is expanded to an annual rate of 750,000 tons, this number of employees will be increased to about 175. Capital investment required for the initial operation of the mine will be about $4½ million.

The Coosa Valley Future

What does the future hold for the Coosa Valley and for Shelby County? With these projects to spark the growth and development, the industrial potential of this area is without limit. The best view I can give you is the boundless sky. The only limits are those we impose on ourselves.

Carole Lucas and Janice Jones

Carole Lucas and Janice Jones will be delegates to Girls State from Montevallo High School June 7-13 at Huntingdon College in Montgomery. Carole is the daughter of Mr. and Mrs. Claudus Lucas of Dry Valley. Janice is the daughter of Mr. and Mrs. S. C. Jones of Montevallo. They are sponsored by the P.T.A. and the Legion Auxiliary. Alternates will be Cissie Orr and Betty Milstead.

CLYDE J. DAVIS VISITOR LAST WEEK END

Mr. Clyde J. Davis of Montgomery spent last week end with Mayor and Mrs. W. M. Wyatt and visited among other friends in Montevallo. Mr. Davis was associated with The Times about 20 years ago. He is now with the State Department of Industrial Relations.

When the publisher of The Times-Herald started to work at the printing trade at The Clanton Banner in 1907, Mr. Davis was a printer there. He showed me how to start setting type by the hand method in use at that time. We have been close friends since the beginning of our acquaintance and it is a rare pleasure to be with him and talk over times, events and people of 50 years ago.

We play a little dominoes when we get together, too, but both of us have forgotten so much about the game that we could hardly hold our own in a championship bout. We are not in the class with our lamented mutual friends, Pat Harton and Doc Fleming.

NOTE OF THANKS

We want to thank our many friends for their kindness during Herbie's illness.—Mrs. H. O. Milstead, Herbie and Betty.

Six Shelby Students Receive Degrees

Six Alabama College seniors from Shelby County will join their fourth year classmates as candidates for bachelor's degrees in the 62nd spring commencement program of the Montevallo institution Sunday, May 31.

Candidates for the Bachelor of Science degree are: A. Neal Shirley, Chelsea; and Marvolin Moore Stephens, Margaret Hardin Vail, and Carolyn Wilkerson Woolley of Montevallo.

Judith Faye Albright and Jade Elizabeth Higgins, both from Montevallo, are candidates for Bacheor of Arts degrees.

During their careers at Alabama College, the Shelby Countians have taken leading parts in student organizations and affairs both within and outside their fields of study.

Jade Higgins, daughter of Mr. and Mrs. J. B. Higgins, will receive the AB degree in retail home economics. She is a member of the Ivol Spafford Club, local honor society for home economics students, and is president of the AC Retail Club.

She holds membership in a number of organizations outside the home economics field including the Catalina Swimming Club and the Usher's Club.

This summer Miss Higgins will tour Europe with other Alabama College students as a member of the AC seminar study group. The tour will include trips through England, Germany, Holland, France and Italy.

Judith Faye Albright, daughter of Mr. and Mrs. Ferman Albright of Rt. 1, Montevallo, is a candidate for the AB degree in secretarial science.

She holds membership in the Business Administration Club; Sigma Alpha Sigma, national secretarial science honor fraternity; and Mu Delta Alpha, local Spanish language society.

Miss Albright is an honor student at Alabama College, having received a scholastic citation in recognition of her outstanding work in the field of secretarial science. She, along with Miss Higgins, will attend the summer seminar in Europe.

Both AB candidates are graduates of Montevallo High School.

Neal Shirley, candidate for the BS degree in mathematics, is the son of Mr. and Mrs. C. A. Shirley of Chelsea. A graduate of Vincent High School, he has held many student offices including the top office of President of the Student Government Association.

He is also past president of the Student Executive Council and past vice president of the men's court.

Shirley is a member of Kappa Mu Epsilon, national mathematics honorary, and Sigma Alpha Sigma, national secretarial science fraternity. Local honor fraternities to which he belongs include Delta Theta Pi, men's leadership, and Eta Sigma Phi, honors scholarship.

A member of the AC varsity baseball squad, Shirley served on the staff of WRSD, campus radio station, and is featured in the 1959 college yearbook as one of the 16 Alabama College seniors listed in Who's Who in American Colleges and Universities.

Mrs. Marvolin Moore Stephens of 212 Moody St., Montevallo, is a candidate for the BS degree in home economics. A graduate of Franklin County High School, Decherd, Tenn., she is a member of the Ivol Spafford home economics Club, Kappa Delta Pi, national education fraternity, and is president of the AC chapter of Omicron Nu, national home economics honorary.

Mrs. Margaret Hardin Vail, daughter of Mr. and Mrs. W. T. Hardin of Odenville, is a candidate for the BS degree in biology. She is a member of the Alabama College Biology Club. Mrs. Vail was graduated from St. Clair County High School.

Mrs. Carolyn Wilkerson Woolley of Ashville Rd., Montevallo, is a candidate for the BS degree in institutiona home economics. The daughter of Mr. and Mrs. C. E. Wilkerson of Union Springs, she is a member of the Dietetics Club, Ivol Spafford Club, and the Alabama College Chorale. She was graduated from Inverness High School in Union Springs.

Montevallo High Has Awards Day

At Recognition Day held at Montevallo High School last week seventy-five students, ten groups, and three adults received awards for outstanding work or service to the school. Elvin Hill, Shelby County Superintendent of Education, addressed the student body in assembly, using as his subject, "Deserving What You Earn." Mr. Hill was high in praise of the team work exemplified by students and faculty at Montevallo High School.

Recognition was given for outstanding scholastic work through the awarding of letters especially designed for the school. The letters went to those students who earned an A average for the first semester of this year's work. Students making the grade were Barbara Ballentine, Norfleete Day, Freddy Draper, Edith Edfeldt, Bill Garrett, Lucretia Hollingsworth, Janice McEntee, Guy W. Milford, Terry Phillips, Henrietta Pickett, Gibbes Scott, Emily Stansell, Jimmy Timmerman, and Langley Tolbert. Guy Milford, principal, awarded the letters.

Adults recognized for their "devotion and service to the school" were Mrs. W. E. Robinson, Mrs. Albert Scott, and Pat Wyatt.

Edith Edfeldt and James Earl Davis received the Danforth Awards, made to outstanding senior students who have shown all-round development while in high school.

Cited for "outstanding service to the school and a willingness to do whatever task assigned" were James Earl Davis, Freddy Draper, Gibbes Scott, and Ronald Smitherman.

County Supt. of Education Elvin Hill making the address at Montevallo High School Awards Day assembly last week.

Receiving recognition for outstanding work in the secretarial field were Janice Jones, junior student, and Minavee Southern, senior.

Awards also went to individuals for outstanding performances in athletics, band, science, oratory, journalism, art, FFA, FHA and French, and for perfect attendance this year.

Groups named for their contributions to the school included all three athletic teams. All three teams won county titles and the baseball and football teams took mid-state honors also.

Both junior and senior classes received awards. The juniors were recognized for their outstanding work in the magazine sale this year and for their "excellent" banquet and prom. The senior class received its awards for the production of the play, "Little Women."

FFA, FHA, and the Student Council were recognized for outstanding contributions to the school in a financial way. The Spotlight staff received an award for having produced the state's best mimeographed newspaper for the second straight year.

A certificate of merit went to the Boys Glee Club for their performances this year, with special mention of their production of Dixie Minstrels.

Recognition Day was begun at Montevallo High School last year. Miss Susie DeMent served as chairman of the committee in charge of the program.

This Week's Ideas — for Sportsmen

When cooking outdoors, make your fire as small as possible — and of hardwood. Hardwood, such as oak, maple, walnut or birch, smokes less and the coals last longer. Evergreens are good fire starters, but are no good to cook over because of their pitchy smoke and because their coals don't last. Wait until the fire has burned down to coals before starting to cook.

For a 28 page illustrated booklet filled with easy outdoor cooking ideas and recipes, just send a postcard to "Joe Bates, Jr., Box 414, White Plains, New York", and ask for a copy of "The Easy Way To Outdoor Cooking". This authoritative booklet is free to sportsmen.

After cooking, let's remember to burn or bury refuse and pour water over the fire until it is soaking wet.

Tuscaloosa Blanks Bulldogs, 6-0

Tuscaloosa's Black Bears eliminated Montevallo from District play by blanking the Bulldogs 6-0 on the Alabama College field Monday. This marked the sixteenth straight win for the Black Bears; they have lost none this season. The Bulldogs ended the year with an 18-2 count.

For the first time this year, the Bulldogs played shaky field. They committed seven errors, which greatly aided the Tuscaloosa cause. Only two of the six Black Bear tallies were earned.

Stapp, righthanded ace of the Tuscaloosa nine, went all the way, allowing only two hits. Barclay Fisher got through to the righthander with a ground ball single to right in the fixth, and Bill Winslett added a line-shot single to left in the sixth. But that was all for the Bulldogs.

Fanning 12 men and walking five, Stapp rounded out a respectable job on the mound. It was the first time this year for the Bulldogs to be held scoreless. Tuscaloosa was the last team to shut out Montevallo, scoring an 8-0 win in District play a year ago.

Ronald Smitherman went all the way for Montevallo, allowing but two earned runs and six hits. He struck out three.

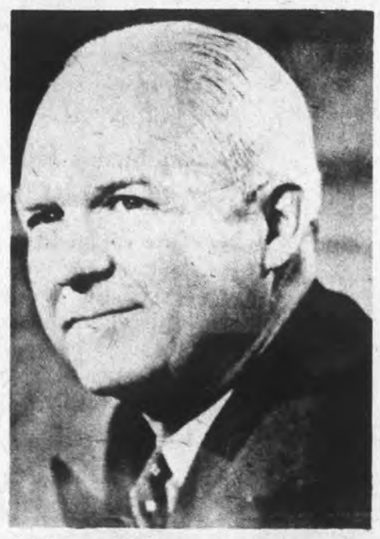

Next step for the Black Bears is a best two-out-of-three series with the Jefferson County-Walker County winner.

WAR ORPHANS OFFERED EDUCATION OPPORTUNITIES

Mr. Frank Stewart, State Superintendent of Education, recommends that the 950 eligible war orphans in Alabama apply for the educational benefits available to them. In a notice from his office he states that high school students whose fathers were killed while in the Armed Forces can obtain additional training or schooling at government expense.

Only 262 Alabama youths have enrolled in this program to date.

Any Montevallo student who thinks he may qualify should contact Mr. Milford. The student will then be put in touch with the State Department of Veterans Affairs.

FHA Observes "Hobo Day"

Saturday, May 16, was "Hobo Day" for the Montevallo Chapter, Future Homemakers of America. Hobo Day is observed annuallly in order to help carry out one of the goals of the chapter—to provide training for participating in home, school community activities. It also serves as a moneymaking project for the local chapter. This year the Montevallo chapter is buying a new sewing machine for the homemaking deparment.

Under the leadership of Amelia Dodd, as over-all chairman, FHA members made appointments with homemakers to do odd jobs at their homes. Chapter members were employed to do a variety of household jobs such as house cleaning and baby sitting; in addition several members were employed to wash cars and to help with filing.

Students Choose "Best Dressed"

"Fashions Around the Maypole" was the theme and style, and the latest word in clothes for the co-ed at Alabama College as the Retail Club presented its annual spring fashion show.

The event was highlighted by the presentation of the co-eds selected as the "Ten-Best Dressed of 1959." Students selected to the group included freshmen Irma Harrell, Lakeland, Fla.; and Shannon Throckmorton, Tuscumbia; sophomores Bobbies Hopkins, Suttle; and Christel Ludewig Huntsville; juniors Frances Trest, Loxley; Jo Veal, Tarrant; and Wynette Turner, Birmingham; and fourth year students Jade Higgins, Montevallo; Jackie Inman, Docena; and Alice Ketchum, Prichard.

Dresses for the fashion show were made and modeled by students of the first year clothing classes. Made for the season, they included new softer, more feminine shapes designed with an eye toward spring and summer activities. The most prominent trend to be seen in the show was the "underplayed" or "natural" look featuring a return of the shirtwaist style dress.

Colorful spring flowers decorated Reynolds Rose Garden, scene of the fashion parade. A flower-wreathed Maypole in the center of the garden pool helped carry out the theme of the show.

A ramp extended from the porch of Reynolds Hall to the blossom covered pool. Viewers were seated on both sides of the ramp from which the models displayed their dresses

The Retail Club honored participants in the show and guests with a reception following the fashion display. Club officers and faculty members of the home economics department formed the reception line. Faculty members are: Dr. Lois Ackerly, director of the department of home economics, and Miss Ethel Bickham, Miss Mary Larkin, Miss Mabel Owsley, Mrs. Florence Folsom, Miss Sara Nell Lightsey, Miss Evelyn Cotney, Miss Mattie Dawson, Miss Alice Ruth Eason, Mrs. Glennie Nybck, and Mrs. Ruby Phillips.

Retail Club officers for 1959 are: President, Jade Higgins, Montevallo; Vice President, Barbara White, Blountsville; and Secretary, Thelma Myers, Prattville.

Students of the home economics foods classes provided refreshments. Serving at the refreshments table were sophomore Eleanor Henderson of Birmingham, and freshmen, Marianne Noland, Prattville; Marneen McDonough, Miami, Fla.; and Nancy DeVore, Hueytown.

Miss Evelyn West of Alabaster is spending the week with her aunt and uncle, the Albert McDonough's.

This picture was received by Mr. and Mrs. L. F. Rochester of their son, SP-4 Jimmie L. Rochester, with the Army in Munich, Germany. The family look for Jimmie to come home Christmas.

MRS. I. L. BURLEY Phone MO 3-3741

We are saddened with the loss of Dr. John Allen Hines, who had worked unceasingly and tirelessly for the people in this community. He went over many a muddy road in the middle of the night when he was called. He always tooks time to speak to his friends and patients with a friendly hello and a pat on the shoulder. Because of a flu epidemic and not taking time to rest, Dr. Hines could not throw off this illness. As always his patients came first. We are glad he was a member of our community and will certainly miss him.

VOICE FROM OUTER SPACE. Rocketing through outer space, a satellite "goes on the air." Though you and I can't pick up this "voice," scientists at receiving stations are eagerly waiting for the messages. This communication from far beyond the earth is made possible by a remarkable invention—the transistor—developed through research by telephone people. It's the same tiny amplifier now being used in such everyday items as radios and hearing aids. They're also used in more and more new telephone equipment, and will play a big part in tomorrow's better telephone service.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

The threat of a Presidential veto was again disregarded by members of the House of Representatives when they approved last week a general housing bill authorizing $2.1 billion in federal funds for various types of housing plus an estimated $3.7 billion in federal assistance to construct 140,000 additional public housing units. In spite of the Administration's contention that the provisions of the bill were too expensive, it was approved by a vote of 261 to 160.

An attempt to substitute a less costly bill, sponsored by a coalition of Republicans and some Southern Democrats and favored by the Administration, was defeated by 44 votes. The $1.3 billion substitute bill would have omitted public housing and reduced somewhat the other housing programs.

In addition to the substitute attempt, the coalition tried to secure passage of several other modifying amendments. It was successful in gaining House approval of one amendment— a provision requiring an annual review by congressional appropriations committees of the funds to be expended by federal housing officials. Under present law, federal agencies are permitted to go directly to the U.S. Treasury for funds which have been authorized.

New Housing Units

As approved by the House, the bill provides 140,000 new public housing starts over a four-year period; a $1.5 billion program of slum clearance and urban development; a $400 million increase in college housing loans; $100 million for loans to construct homes for the elderly; and an increase in the total amount of mortgages that can be insured by the Federal Housing Administration. The measure also lowers down payments on FHA home mortgages.

After passage, the bill was referred to a House-Senate Conference Committee which must work out the differences between the House measure and a similar but less costly bill passed by the Senate last February.

Crop Loans Curbed

Before passing the annual agriculture appropriations bill last week, the House voted to put a limit of $50,000 on individual loan payments under the farm price-support program. The amendment was prompted by recent criticism of large corporate farms which received loans in excess of a hundred thousand dollars under the program.

There is a difference of opinion, however, as to the possible results of the amendment. It was argued during the debate on the amendment that the limit on payments from the Commodity Credit Corporation could immobilize the price-support program by forcing large farms to dump most of their crops on the open market, thereby depressing prices and increasing the cost to the federal government. As a result, most members from cotton producing states voted against it.

"Keep Learning," Says Dr. Griffith to 37 Montevallo High School Graduates

Dr. Lucille Griffith, social science professor at Alabama College, delivered the Commencement address as 37 seniors received diplomas from Montevallo High School, Wednesday, May 27. James Earl Davis, class president, welcomed guests to the graduation exercises, which were held at Palmer Hall.

A reception, at which senior class room mothers were hostesses, was held at Reynolds Hall honoring the graduates immediately after the commencement program.

Receiving the American Legion's Award, which went to the boy and girl chosen as most outstanding in the senior class, were Ronald Smitherman and Gibbes Scott. Certificates of Merit were presented runners-up Judy Bess Robinson and James Earl Davis, with Wesley Lovelady making the presentation on behalf of Hendrick-Hudson Post 96.

Dr. John Walters, recently appointed Dean of Alabama College, introduced the commencement speaker, who used as her topic, "Yesterday and Tomorrow". In offering "words of wisdom" to the graduates, Dr. Griffith urged that they "keep on learning, keep open minds, and be active citizens."

"Keep your mind alert and civic sense working," said Dr. Griffith in closing her remarks to the seniors.

"Tonight", an expression of the various moods felt at graduation time, was the theme of the program given by the senior class before Dr. Griffith's address. Five seniors who spoke to express the moods and introduce musical selections by the class were Gibbes Scott (happiness), Edith Edfeldt (comradeship), Minavee Southern (faith), Gene Givhan and Judy Robinson (appreciation), and Ronda Albright (anticipation).

Songs used to express the various moods were "It's a Grand Night for Singing", "Moments to Remember", "I Believe", "God of Our Fathers", "Thank You, America", and "One World". The music was under the direction of Bruce Tolbert, of the Alabama College Music department; Victor Young accompanied. Solo parts were sung by Bill Knowles and Edith Edfeldt.

Guy Milford, principal of MHS, awarded diplomas to the following seniors: Ronda Albright, Wilma Anderson, Brenda Bean, Beth Bice, Jean Broadhead, James Davis, Edith Edfeldt, Barclay Fisher, Gene Givhan, Charles Goggins, Jimmy Ray Harris, Mildred Jones, Carey Kendrick, Billy Knowles, Allie Langston, Betty Sue Lawley, Delane Lawley, Murphy McGehee, Myrtlene Mooney, Ralph Morris, Tommie Mowery, Peggy Phillips, Jim Potts, Judy Bess Robinson, Evelyn Roman, Lee Salter, Gibbes Scott, Nelda Scott, Jimmy Seagle, Ronald Smtiherman, Bobby Snow, Minavee Southern, Brenda Thomason, Jimmy Thrasher, Judy Wallace, Jack Whatley, and Elizabeth Winslett.

LEADERS OF COMMENCEMENT—Looking over the day's schedule of commencement exercises at Alabama College, Senior Class President Patty Talley (second from left), helps set things in order for the program. With Miss Talley are (left to right) Dr. Howard M. Phillips, president of the college; and guest speakers, Dr. Ernest C. Colwell and Dr. G. Ray Jordan. Dr. Jordan delivered the baccalaureate sermon at the Sunday morning service. Dr. Colwell made the baccalaureate address Sunday afternoon. Miss Talley is the granddaughter of Mr. Pat Kroell of Montevallo.

Wilton Housing Project Approved

The Public Housing Administration will soon sign financial aid contract with the Housing Authority of Montevallo for 20 new low rent homes for the town of Wilton. The total estimated cost of the project is $264,329.

The foregoing information is contained in a telegram to the Times-Herald from Senators Lister Hill and John Sparkman and Congressman Armistead Selden. We quote the contents of the telegram as follows.

"Commissioner of Public Housing Administration has just advised that Public Housing Administration will soon sign financial aid contract with Housing Authority of Montevallo for twenty new low-rent homes for Town of Wilton. Total estimated cost of project $264,329. Under terms of contract public housing administration may lend ninety percent of total development cost. Glad to send you this good word. Regards. Lister Hill USS, John Sparkman USS, Armistead Selden MC."

Summer School Begins June 8

Summer School at Montevallo begins June 8, with elementary and junior high schools operating six weeks, and senior high school eight weeks.

Six high school courses will be offered for credit. A student may earn a maximum of one unit of work in senior high school. The unit may be one in a single course or two half units in the case of make-up work. Subjects which will be offered for credit are Sr. I and II English, American History, Democracy-Economics, and Typing I and II.

Remedial work in mathematics and English will be offered junior high school students.

Registration fees are as follows: elementary school, $15; junior high school, $17.50; Senior high school, $20.

MONTEVALLO SUMMER RECREATION PROGRAM

Coach Theron Fisher announces that the Montevallo Summer Recreation Program will begin on June 15. A complete schedule of activities will be printed later. The recreation program is for the whole school community and will be similar to last year's program.

Coach Fisher also states that there will be no life guards at the creek until the Recreation Program begins on June 15.

Happy Hal Is Feature of Trade Days

Happy Hal Burns, popular radio and television personality, has his Rambling Ranch Studio in Calera this week to help celebrate Calera Trade Days.

Burns will be broadcasting an hour a day, between 4 and 5 p.m., over WBYE direct from his ranch studio at Calera Motor Co.

Then, on Saturday afternoon, Burns will offer a free stage show from the stage of his studio, at which time a free automobile, free bank accounts and many other valuable gifts will be awarded in connection with Trade Days.

In addition to this, Burns will salute Calera on his television program over WAPI-TV between 7 and 8:30 a.m. Saturday, June 6, at which time Mayor Neal Farris will be his guest.

Meanwhile, the Calera Trade Days roll right along, with thousands of persons collecting the Confederate Prize Bucks to used in the give-away Saturday, June 6.

More than 20 Calera and Alabaster merchants have signed up for the Trade Days promotion, the first of its kind ever held in Shelby County.

Meeting To Discuss Spring Creek Road

A public meeting is to be held at the Spring Creek Presbyterian Church Monday night, June 8 at 7:30. County Commissioner E. C. (Buck) Wooten, County Engineer Jim Ray and Probate Judge Conrad M. Fowler will attend this public gathering to discuss with the residents of the Spring Creek Community the program of improvement scheduled for the Spring Creek road.

The citizens of Spring Creek Community are urged to attend this meeting.

County Commissioners of Wyman County, elected at Boys State this week, include Freddie Draper, Montevallo, center. At left is Walter McAllister, Bessemer, and Neil Hyche, Jasper.

JUDGE FOWLER IS VISITOR HERE TUESDAY

Probate Judge Conrad Fowler of Columbiana was a business visitor to Montevallo Tuesday afternoon.

Judge Fowler is inviting the citizens of this area to attend a meeting at Spring Creek Church next Monday night at which he and members of the Board of Revenue will discuss the road program of this locality.

He stated that the short piece of road from Highway 25 to the Spring Creek road (passing Mr. Wooten's clay processing plant) will be paved this summer. This will be welcome news to several people who live on this road.

Lowery To Speak To Montevallo Chamber of Commerce

Kenneth Lowery, Administrator of Shelby Hospital Board, will be the speaker at the monthly Montevallo Chamber of Commerce meeting to be at the City Hall, Thursday, June 11, at 7:30 p.m.

All members and others interested in learning about the new hospital and its administration are invited to the meeting.

Miss Joanna Sharp Honored at Parties

Pre-nuptial parties for Miss Joanna Sharp, bride-elect of Dr. Curtis Adams, Jr., began with a luncheon at the home of Miss Caroline Jackson in Bessemer.

White wedding bells filled with pink and white sweetheart roses and lilies of the valley decorated the party table.

Guests included were Miss Mary Huckaby, Mrs. John Bowman, Miss Mimi Scarborough, Miss Jo Ellen O'Hara, Mrs. Joseph Cocke, Mrs. John R. Sullivan, Mrs. Harry Lee Jackson, and Mrs. Cleveland Sharp.

On Sunday, May 24, Mrs. Walter Trumbauer and Mrs. J. S. Ward entertained Miss Joanna Sharp with a tea at the home of Mrs. Trumbauer. Receiving with the hostesses and the bride were Mrs. Curtis Luke Adams of Dothan, mother of the bridegroom-elect, and Mrs. Cleveland Sharp. Miss Sharp wore a Grenelle Estvez model of white eyelet organdy fashioned with a fitted bodice and a flared skirt. Her flowers were pastel sweet peas.

The house was decorated throughout with pink roses and stock. Serving at the punch table were Mrs. Arthur W. Vaughan, Mrs. Thomas H. Napier, Mrs. Robert Holcomb, and Mrs. Miecislaw Zilokowski. Assistants were Miss Mary Thornton, Mrs. Don Mahone, Miss Jade Higgins, and Miss Gene Givhan.

Out-of-town guests were Miss Caroline Jackson of Bessemer, Mrs. J. B. Cowles of Birmingham, and Miss Susan Sharp of Brewton.

Last Saturday Miss Joanna Sharp was honored with a luncheon at the University Club in Tuscaloosa. Mrs. Joseph Peterson and Mrs. Joseph Cocke were hostesses.

The table was centered with an arrangement of pink spring flowers. The place cards were marked with miniture hearts.

Guests included Miss Susan Sharp, Mrs. J. Porter Collier, Jr., Miss Mary Elizabeth Huckaby, Mrs. John Bowman, Miss Mimi Scarborough, Miss Mary Elizabeth Kendall, Mrs. J. B. Cowles, Mrs. Curtis Adams, Miss Sarah Louise Kendall, and Mrs. Cleveland Sharp.

Firemen Back From Fishing Trip

Montevallo's volunteer firemen are back in town and on the job after a three-day jaunt to the Gulf of Mexico last week, returning with 250 pounds of fish to back up their fisherman's stories.

From Tuesday through Thursday the fire fighters fished in the gulf from the boats of Capt. Dave Mahler, owner of the Florida Girl Motel and Fishing Co., Destin, Fla.

The annual trip for the firemen is made possible through private and individual donations, and from funds provided by the city council.

On their return, volunteer chief Bill Pendleton announced the next regular meeting of the fire department, schduld for Monday, June 15. Pendleton has requested that all members be in attendance for the distribution of new identificaiton cards.

"We would like for all our members, both old and new, to be at the meeting," Pendleton said, "and also we extend an invitation to those who are interested in joining our group.

"We are in the process of obtaining a new truck and more new fire fighting equipment, and it's going to take more personnel to operate it properly. We have a top flight organization and we're certainly anxious to keep it that way. The equipment will certainly help if we have the manpower to make it do what it's supposed to."

Saturday, June 6 Is Poppy Day Here

The American Legion Auxiliary of the Hendrick-Hudson Post No. 96, Montevallo, will sell poppies in Montevallo Saturday, June 6, from 8:00 o'clock until late in the afternoon.

These poppies are made in the hospital at Tuscaloosa by men, who by making them, earn a small amount of money for their family, and help themselves in keeping busy.

Volunteer workers will be on the streets during the day with these bright red popies offering them to you for your contribution. The money derived from the sale is used solely for rehabilitation and child welfare work. There is no set price for them, but ten cents is usually the least amount given.

The poppy became the memorial flower of the service men, for during World War I, the ground upon which had fallen the dead and wounded was soon covered with little red poppies, springing up to, seemingly, help hide the awfulness and ugliness of war. To the men who were fortunate enough to escape death, the brave little poppy became a living symbol of their fallen comrades, and represented the bravery and sacrifice of those who gave their lives.

The years following World War I have added the lists of "Killed in Action" of World War II and the Korean Conflict, to those men whom we should remember.

The members of the auxiliary sincerely hope that every person in Montevallo will buy and wear poppy, Saturday, June 6th.

Baptist Vacation Bible School

Vacation Bible School at the Montevallo Baptist Church will begin Monday June 8 and continue through June 17.

Boys and girls between the ages of 3-12 years will attend in the mornings, from 9:00 to 11:30, and Intermediates ages, 13-16 will attend a night session, 7:00 to 9:00 p.m. This is a change from previous year in order to make the activity available to more young people.

The activities will be Monday through Friday of the first week and will be concluded on Wednesday, June 17. The final program will be Wednesday evening.

We encourage boys and girls of these age groups to attend.

Shower Honors Mrs. Holcombe

Friends of Mrs. Phyllis Woolley Holcombe met Sunday, May 24, at the lovely and spacious home of Mrs. Willie Crawford in Calera for a stork shower honoring Mrs. Holcombe.

Refreshments consisting of frosted lime punch, individual cakes decorated is pink and white rose buds, and nuts were served from a lace covered table over green, centered with asters. Pink tapers flanked the arrangement. Pink carnations, glads, roses and asters were used throughout the house.

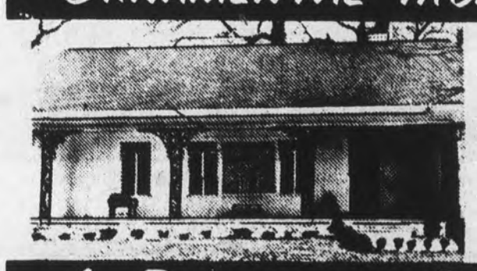

The guests were met at the door by Mrs. Crawford and Mrs. George Holcombe ushered them to the dining room.

Mrs. Carson Farris poured punch from a crystal bowl and was assisted by Misses Katie Jo Crawford, Beverly Dewitt, and Linda Farris. Gifts were displayed by Mrs. Sidney Bird and Mrs. Arthur Davis.

The guests were registered in the lovely baby book, "All My Life", by Mrs. Lex Ozley.

Mrs. Holcombe received many useful gifts.

Hospital Will Keep Important Case Records

(This data on Shelby County Hospital will be printed over a period of time. Cut this out of your paper and keep on file for future reference.)

X-Ray—laboratory—Operation room—these areas of the average hospital are known and understood by the general public; but medical records? A recent poll revealed that not one person in ten was aware of the strategic importance of this little-known, key department which now holds the position of responsibility and trust in every hospital.

Treatment of patients over an extended period often hinges upon related diagnoses and treatment of past cases. Development of individual case histories, complete with clinical results, tests, operation, and other data, often leads to today's startling cures in the field of medicine. The big question often is who is to keep such a record for the patient.

The answer, in most areas, is the hospital's medical records department. Here skilled personnel, trained in courses much like those for library scientists, catalogue, cross index, and otherwise records prepared by the doctors of treatments rendered. Each patient's materials are carefully catalogued and filed following hospital discharge and are available instanly upon examination or readmittance. From such records, doctors secure information which may save scores of hours—prolonged testing—and often life.

To draw the greatest value from such materials, hospitals also analyze statistics monthly and annually to develop local trends to determine type of admissions served, data on births, deaths, infections of various types, and other critical factors of value to the medical staff and administrator.

Shelby County's new hospital will be staffed with a competent medical records department, again assuring area residents of the very finest in preventive as well as curative medicine.

"Architecture" On TV

Tom. B. Kirkland, Montgomery, president of the Alabama Chapter of the American Institue of Architects, today announced plans for a television series entitled "Architecture In Alabama". The series will run for 14 weeks beginning June 5 on Educational Television Channels 2, 7 and 10 each Friday afternoon at 5:30.

Playmates Travis Loyd and David Bennett are confined to their homes this week with measles.

Roy D. Hickman, president of Birmingham Chamber of Commerce, was a visitor in Montevallo Wednesday.

"AND FROM HERE WE GO TO PARIS!"—Anticipating their trip to Europe this summer, a group of Alabama College students gather around a map for a briefing session on the places they are scheduled to visit and the things to be seen. Fifteen Alabama College students and one from Agnes Scott College, Atlanta, will make the 5-week European seminar cruise June 6 through July 16. The Winsletts Observe Wedding Anniversary

Mr. and Mrs. Henry D. Winslett of Aldrich observed their Golden Wedding Anniversary at their home on May 17. The children and their families were dinner guests preceding a tea honoring their parents. Between the hours from 2 to 5 p.m. many friends and relatives called.

An imported Point Venice cloth covered the tea table where a wedding cake decorated with lillies of the valley and golden bells centered it. Golden tapers in crystal holders were used. Mrs. Tom E. Winslett and Mrs. Steve Winslett presided at the punch bowl. Assisting in serving the golden punch were granddaughters, Kay Winslett, Frances Grady, and Patsy Galloway.

Mrs. Clyde M. Winslett kept the golden anniversary guest book, and Mrs. Johnnie Winslett displayed the many lovely and useful gifts received by the honorees. Throughout the house flowers provided beauty and color for this once in a life time celebration.

Visitors from points in Georgia, Florida, and all over Alabama joined the honorees and their hosts for a most enjoyable time.

The eight Winslett children and their families are Mr. and Mrs. Thomas E. Winslett, Mr. and Mrs. Clyde Winslett, Mr. and Mrs. Francis Grady, Mr. and Mrs. C. D. Galloway, Mr. and Mrs. Steve Winslett, Mr. and Mrs. Dan Ruddy, and Mr. and Mrs. Frank Crosby.

Homemakers Meet Here This Week

The spring semester is over, commencement 1959 is only a memory, and the summer session is still several days in the future, all of which added together usually makes a college campus a lonely spot.

Not so, however, at Alabama College as some 800 Future Homemakers of America and chapter advisers continue their annual FHA state convention on the AC campus through noon, June 5.

Top events of the convention are the election of new officers for six top state posts and the conferring of honorary memberships to eight outstanding Alabama citizens.

Following the 9 a.m. registration Wednesday morning, conventioners were guests of the school for a swimming session at the college pool from 10 a.m. until noon.

Miss Ruth Stovall, State Department of Education at Montgomery and state adviser of FHA, was the main speaker at the first general session Wednesday afternoon at 2:30. She used the theme of the convention, "Teens With a Purpose," as her subject. Hildreath Hartley, state FHA president from Leroy, presided at the session.

A Fun Fest Round-Up was held Wednesday evening at the Alabama College field house from 7:30 to 9:30. Recreation leader Evelyn Holifield from Marion and Mrs. Beth Wallace, recreation director from Sylacauga, were forement at the fun festival.

Thursday's activities include three general sessions and a special dinner at 6 p.m. in the college dining room. The program will include greetings from President Howard Phillips.

New officers will be installed into office during inaugural ceremonies Friday morning. Judy Holley, central district vice president, will direct the session which will conclude the cenvention.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Three appropriations bills providing funds for fiscal year 1960 were approved by the House of Representatives last week and sent to the Senate. The bills include $652 million for the State and Justice Departments; $13.5 million for the White House and other Executive agencies; and $675 million for the Department of Commerce.

During consideration of the bill which contained funds for the Justice Department, an attempt was made to delete $280,000 to finance the Civil Rights Commission until its present authority ends on November 9. Proponents of the proposed amendment argued that the six-member commission has failed to justify its usefulness. Despite this and other protests, howver, the amendment was defeated by voice vote.

Renegotiation Bill

Last Wednesday the House approved a four-year extension of the government's authority to renegotiate defense contracts in order to recoup excessive profits on contracts in those fields, such as missile production, where it is impossible to arrive at a fair price for defense items. Only seven members voted in opposition to the measure.

The renegotiation law was enacted during the Korean War and is scheduled to expire on June 30.

During House debate on the measure, the chairman of the House Ways and Means Committee pointed out that renegotiation saves the government at least $100,000,000 annually. About 60 per cent of this amount comes from voluntary refunds and the other from findings by the renegotiation board.

The bill approved by the House and referred to the Senate permits slight relaxations in renegotiation procedures. However, it does not contain industry-backed provisions to broaden exemptions from the act and allow higher levels of profits.

Dulles Funeral

Last week I attended the funeral service at the Washington Cathedral for our late Secretary of State, John Foster Dulles. The simple but impressive rites were attended by dignitaries. representing at least twenty countries, who came to Washington to pay final tribute to the man who had worked so diligently for peace among all nations. Nearly 3000 persons filled the church to hear the last Secretary's minister in final eulogy read a passage from St. Matthew: "Blessed are the peacemakers: for they shall be called the children of God."

As a member of the House Committee on Foreign Affairs, it was my privilege to have known the late Secretary of State and to have heard him testify on many occasions. He last appeared before our Committee on January 28 of this year. Through my assiciation with Mr. Dulles, I admired and respected him as an able, honest, and devoted public servant. I am certain history will treat him kindly.

MONTEVALLO GARDEN CLUB

The Montevallo Garden Club held its second meeting on Wednesday morning, May 27, at the home of Mrs. W. E. Lovelady, at which time the by-laws were adopted and officers elected.

Mrs. Albert Scott was elected president, Mrs. H. B. Starks vice president, Mrs. Fred Miller recording secretary, Mrs. J. A. Brown, Jr., corresponding secretary, and Mrs. Kyle McClure treasurer.

There are 20 members in the club which is federated with the Garden Clubs of Alabama.

STAY SOUTH, YOUNG MAN!

WHERE WERE YOUR DREAMS for the future, on your glorious day of Graduation? Were they up in the clouds where they belong, because horizons are as limitless as the skies today for young men of character and competence, vision and faith?

Hold those dreams high, young man, and stay South to see them come true. For right here at home, in the South you know and live in and love, a great new opportunity-land is coming of age, where dreams that are born on the wings of a star can come down to earth and grow into reality.

A recent U. S. Department of Commerce report shows that since World War II the economic development of the South has out-paced the national rate of growth in almost every category you can name. Along Southern Railway lines alone, in the seven-year period 1952 to 1959, there have been 2,421 major industrial developments representing an investment of almost $4 billion.

Look ahead—stay *South*, young man. Stay South and grow with America's "youngster" opportunity-land.

Southern Cement Co. Is Important to State's Economic Growth, Writer Says

Southern Cement Company is one of the most important industrial operations in the Montevallo-Calera area. It is located midway between the two towns at Roberta Station on the Southern Railway. By employment of many local people, Southern Cement contributes greatly to the economic stability of the community.

Mr. Irving Beiman, Business Editor of The Birmingham News, in a story in The News Monday, relates the wonderful expansion of Southern Cement as "an important milestone in Alabama's economic growth." Continuing, Mr. Beiman says:

The company tomorrow will dedicate the second large rotary kiln to be installed within two years at its Roberta plant, in Shelby County, marking completion of a several million dollar capital expansion of its cement and lime production oprations.

William J. Cabaniss, chairman of Southern Cement Co., a division of American-Marietta Co., said the new kiln, identical to one installed in 1957, has an annual production capacity of 1,250,000 barrels of cement.

Fourteen months in construction, the new kiln is 420 feet long, equivalent to the height of a 30-story skyscraper.

The new kiln doubles the half-century-old company's cement-making capacity. Addition of the new facility is a major step in Southern Cement's over-all plan to keep pace with the growing requirements for cement use in highway building, residential, commercial and industrial construction throughout the Southeast.

With both new kilns in operation, Southern Cement during the first five months of 1959 increased its shipments of Portland and masonry cements by substantial amounts over the same period last year.

In a further expansion, two smaller existing kilns have been converted to fill a unique, dual-production role of making either cement or lime.

The move, unusual in the cement industry, enables the company to provide more flexible service to customers. The convertible kilns expand Southern Cement's ability to supply lime to the paper and chemical industries, and to municipalities for use in water systems.

As part of Southern Cement's expansion program, it has completed construction of additional cement storage silo facilities, capable of holding an additional 50,000 barrels of finished cement.

Homecoming at Prospect Church

Everyone is invited to attend Homecoming at Prospect Baptist Church near Shelby Sunday June 21st. Come bring a well filled basket of food and enjoy a day of fellowship with old friends and relatives.

Teachers Begin Science Studies

Eighty-five Alabama high school science teachers began studies and special projects Monday, June 8, as participants in Alabama College's third Summer Science Institute.

Seventy teachers will attend the institute on stipends awarded by the National Science Foundation.

The six week institute, which runs concurrently with the first term of the college's Summer School, is sponsored by the National Science Foundation and Alabama College.

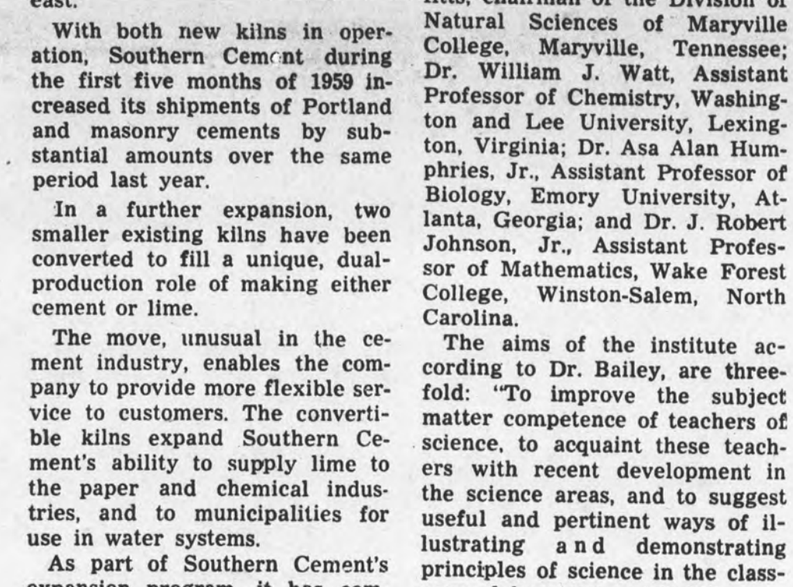

Director of the institute is Dr. Paul C. Bailey, Chairman of the Biology Department at Alabama College. Faculty members are visiting scientists from other Southrn colleges and universities. They include: Dr. Fred A. Griffitts, chairman of the Division of Natural Sciences of Maryville College, Maryville, Tennessee; Dr. William J. Watt, Assistant Professor of Chemistry, Washington and Lee University, Lexington, Virginia; Dr. Asa Alan Humphries, Jr., Assistant Professor of Biology, Emory University, Atlanta, Georgia; and Dr. J. Robert Johnson, Jr., Assistant Professor of Mathematics, Wake Forest College, Winston-Salem, North Carolina.

The aims of the institute according to Dr. Bailey, are threefold: "To improve the subject matter competence of teachers of science, to acquaint these teachers with recent development in the science areas, and to suggest useful and pertinent ways of illustrating and demonstrating principles of science in the classroom, laboratory and field".

REVIVAL SERVICES

The Calera Assembly of God is conducting revival services begining June 19 through July 3. The Rev. L. M. Addison from Panama City, Fla., will be speaking each evening. You are invited to come and hear a full gospel message with old time singing and prayer for the sick each night.

Rev. Lamar Lecompt is the pastor.

SILURIA FFA DAIRY JUDGING TEAM

"NOW WHAT, MA'AM?"—Future Homemakers of America from Montevallo pause after registration at the annual state FHA convention at Alabama College June 3-5 and take a line on the day's activities with Mrs. Margaret Hollingsworth (center), local chapter adviser. Looking over the prospects for the day are (left to right), Martha Whaley, Gisela Molgedei, Betty Milstead, Mrs. Hollingsworth, Linda Hill, and Phyllis Kyser. (Photo by Gene Brymer.)

Homemakers Elect New State Officers

Newly elected state officers of the Future Homemakers of America have been announced following the three day FHA convention at Montevallo.

Evelyn Holifield of Marion was elected to the office of president.

Judi Clement of Haleyville is the new state secretary-treasurer. The north Alabama lass is a straight "A" student in school, and is vice president of her local FHA chapter in Haleyville.

New parliamentarian for the year is Jeanice Paul of Elba. An Elba High School student, Miss Paul holds chapter and junior degrees in the Future Homemakers of America. She is als pianist for the Elba chapter of FHA.

Judy Baker of Buckhorn, new state reporter, was assistant to the outgoing reporter for the past year.

Recreation leader for 1959-60 is Barbara Hall of Camden. She is parlimentarian for the Camden chapter and chairman of the local banquet committee.

Louise Chambers of LaFayette is this year's historian. She was unopposed for the office.

Siluria FFA Team Wins Second Place

The dairy judging team of the Siluria Chapter Future Farmers of America placed second in the State Finals held at Auburn during the annual FFA convention last week. The team consists of Guy Causey, son of Mr. and Mrs. A. D. Causey, Jack Nolen, son of Mr. and Mrs. W. A. Nolen, and Walter Prestridge, grandson of Mr. F. F. Prestridge. The team was awarded a banner for the chapter classroom and a check for $40.00. A place in the state finals had been won by the team in the district eliminations held in April. Boaz, the first place winner will represent Alabama in the national contest to be held in the fall. Siluria is alternate to the Boaz team.

Bobby Baldwin, son of Mr. and Mrs. Dillard Baldwin was awarded the State Farmer Degree at the convention. This is the highest degree of membership awarded by the state FFA association and is in recognition of outstanding work in FFA and Vocational Agriculture.

Jack Nolen served the Siluria Chapter as official delegate to the convention which was the 30th of its kind for the Future Farmers in Alabama. The boys were accompanied by Charles Knowles, vocational agriculture teacher and chapter advisor.

BLEVINS BABY

Far away in the Western Pacific Lt. Commander William D. Blevins was handing out Manila cigars last week, because a little daughter had ben born back in Oak Harbor, Wash. Catharine Ward Blevins, arrived June 3rd. She is the first granddaughter of Mr. and Mrs. W. B. Blevins of Calera who have 4 grandsons. She is also the granddaughter of Mrs. J. S. Ward of Montevallo.

Robert Simpson Gets Fellowship

Robert Reynold Simpson, grandson of Mr. F. W. Rogan, a graduate of Southwestern University at Memphis, was awarded a three-year fellowship by the National Defense Act to the university of Mississippi. The award, which carries a $6,600 financial grant, will enable him to obtain his Master's and Doctor's degrees. He will also be eligible for a Fulbright Scholarship at any foreign university he may choose.

Robert received his bachelor's degree last week, at which time he was also the recipient of $100 cash award by the history department for being the only graduate with a history major.

F. W. Rogan flew to Memphis on June 1 to be at the graduation exercises at Southwestern on June 2. He joined Mr. and Mrs. J. R. Simpson and Larry there and on their return trip they stopped by the University of Mississippi, at Oxford, and all returned to Montevallo via Birmingham.

Spring Creek Road Is Discussed

The road meeting at Spring Creek Church Monday night was well attended. About fifty citizens of the area were present, thereby expressing their very keen interest in the proposal of the county to construct the Spring Creek Road on the Farm-to-Market program.

Judge Conrad Fowler, Road Commissioner Buck Wooten, and County Engineer Jimmy Ray were present. They presented a most informative and interesting outline of the county's overall plans for highway construction and maintenance.

As applied to the Spring Creek Road, this program contemplates beginning of the work in the spring and summer of 1960, with final completion in about two years from the time the work starts.

What is known as the Spring Creek project includes the road from Montevallo by Spring Creek Church, and beyond the church one prong will extend to a junction with the Dargin Road and another prong will go through the Valley Grove neighborhood to Salem Cemetery and from there through North Calera by the Armory and connect with Highway 31.

This summer, paving will be done on two short pieces of side road off the Spring Creek Road. One is known as the Ingram Road and the other is the short connection with Highway 25 passing the Wooten Clay processing plant.

It was pointed out by Judge Fowler and Mr. Ray that this program for the Spring Creek Road is the same as was adopted by the county, along with some other roads, about four years ago.

SP/4 Willie Ray Hyde, who has been serving in Germany for the past 18 months will arrive home this week.

Ford's the best seller...so get the best trades on the

WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS...during

DIVIDEND DAYS

and you get all these built-in dividends to boot...

SAVE UP TO $102.75 over Ford's nearest competitor* on a Fairlane 500—any model—with heater, radio and automatic transmission

SAVE UP TO $219.85 on a completely equipped air-conditioned Ford . . . hundreds less than many medium-priced cars without air conditioning

SAVE UP TO $55.00 a year on gas and oil. Standard Ford V-8 and Six engines thrive on regular gas . . . go 4000 miles between oil changes

SAVE ON ALUMINIZED MUFFLERS that resist corrosion better than aluminum itself, normally last twice as long as ordinary mufflers on other cars

SAVE ON WAXING with amazing new Diamond Lustre Finish. Its brilliant glow is baked on to keep its beauty bright without waxing, ever

SAVE WITH 66-PLATE BATTERY instead of the usual 54-plate battery standard on other cars. Surer starting at no extra cost

*Based on a comparison of manufacturers' suggested retail prices

1959's "best buy" is even better now during your Ford Dealer's Dividend Days! You can have the car with the biggest dividends on a better-than-ever dividend deal. That's because Ford sales are sizzling along out front!

Ford's Thunderbird-inspired styling was awarded the Gold Medal at Brussels for its elegant lines. Ford is the car that's built for people . . . with wider doors for easier coming and going . . . with seats that are deep and soft *all the way across* so that even the man in the middle has full comfort. And, of course, Ford is the car that's famous for savings . . . *big* savings on regular gas and full-filtered oil . . . double-life mufflers . . . no-wax finish . . . plus other economy features.

No matter what kind of a car you're driving, bring it in. Once you see the 59 Ford (and find out the wonderful buy it really is) you'll be Ford's biggest booster!

Stop in at your Ford Dealer's soon and sample his stock. Get the trade-in dividend of the year. Better hurry!

CHEVY 7 (COUNT 'EM) 7 BESTS

Independent experts and official facts and figures prove Chevrolet's ahead of its field in seven big ways.

BEST BRAKES . . . In direct competitive tests of repeated stops from highway speeds, conducted by NASCAR*, Chevy out-stopped both the other leading low-priced cars—and why not: Chevy brakes are far larger, built with bonded linings for up to 66% longer life. ***BEST TRADE-IN*** . . . Check the figures in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to $128 higher than comparable models of the "other two." ***BEST STYLE*** . . . *Popular Science* magazine sums it up: "The fact is, in its price class the Chevy establishes a new high in daring styling . . ." It's the only car of the leading low-priced three that's unmistakably modern in every line. ***BEST ECONOMY*** . . . No doubt about *this*: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car. ***BEST ROOM*** . . . Official dimensions reported to A.M.A.‡ make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars. ***BEST ENGINE*** . . . *Every* motor magazine has given Chevy's standard and Corvette V8's unstinted praise. As *Sports Cars Illustrated* puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price." ***BEST RIDE*** . . . You'll be able to tell this yourself, instantly. But *Motor Trend* magazine expresses it this way: ". . . the smoothest, most quiet, softest riding car in its price class."

Cecil Allen takes the prize for catching one of the biggest catfish. This 55-lb. cat was caught on the river at J. H. Denham's camp. Cecil used a 1/0 hook on a trotline and it took quite some time to pull him in to shore. Dr. Hines and Mr. Denham had been trying to catch this fish for years. John Winfried helped Cecil dress the fish. It was mighty good eating.

Sgt. Lee Arrives At Pope Air Base

Pope A.F.B., N.C.—Staff Sergeant William H. Lee, of Montevallo, Ala., has arrived at Pope A.F.B. for duty with the 778th Troop Carrier Squadron.

In the Air Force seven years, he came to Pope from Burtonwood, England. He originally entered service in June 1951 and has also served overseas in Japan.

Sgt. Lee, 26, is the son of Mr. and Mrs. J. H. Lee of Atlanta, Ga., and he was graduated from Montevallo High School, Montevallo, Ala., in 1951.

He is married to the former Betty J. Heckendorn, of Warrenville, Ill., and they have three children Martha A. Lee, 3, Jacquelyn M. Lee, 1½, and Cynthia A. Lee, 4 months.

Pope A.F.B., where SSgt Lee is now serving, is the home of the 464th Troop Carrier Wing (Assault), a unit of the Tactical Air Command's Ninth Air Force. The base is located on the Fort Bragg military reservation, site of Strategic Army Corps headquarters, and principal wing mission is support of the U. S. Army's airborne forces.

In performing that task the 464th's transport aircraft, Fairchild C-123 "Providers", each year carry or drop over 100,000 paratroopers on tactical exercises or practice jumps in addition to airlifting thousands of tons of supplies and equipment on logistical missions.

Mr. and Mrs. Ed McLain are spending the week in Evergreen and Red Level with relatives.

Airman Lawley Is Discharged

Airman First Class R. W. Lawley, a 1951 graduate of Montevallo High School, was discharged from the United States Air Force here recently after editing the Laughlin AFB, Tex., base newspaper for two years.

After basic training at Lackland AFB, Tex., he was assigned to Bergstrom AFB, near Austin, Tex., where he edited the "Jet Gazette." He transferred to Laughlin in April 1957 and assumed duties as editor of the base newspaper.

When the Strategic Air Command began rating newspapers, Laughlin's first ratings was one of the lowest in the command.

Airman Lawley and his staff tried their best to raise the rating on the newspaper. Ratings showed a fairly steady increase month after month, and finally, April's rating for the "Recon" came to a 92.4, fourth highest of 60 Strategic Air Comand newspapers rated.

Airman Lawley's plans are to complete his college education and earn a degree in journalism. He attended Auburn College one year and the University of Alabama for two years prior to enlisting in the Air Force.

Mr. and Mrs. Brewer Carpenter, Jr., and boys from Ft. Walton, Fla., will arrive Friday for a week end visit with his parents, Mr. and Mrs. Brewer Carpenter, Sr. The grandparents are looking forward to having Billy and Bobby with them for few weeks.

"Looking Back"

Mrs. Fancher's Sixth Grade

Our thanks to our parents and friends who helped us so much in making this a successful year.

Parent contributions:

Furnishing materials, building and painting bookcases, putting in base plugs, installation of electric stove contributed by Mr. Adkins and the Alabama Power Co., putting in window fan which Mrs. Fancher contributed. Furnished a large electric fan for warm days, and for refreshments at various times. First aid supplies, books, magazines, pamphlets and maps. To Mrs. Frances Harrison who told us both the Christmas and Easter stories, using the flannel board for illustrations.

Community and school contributions:

Mr. Milford and Mrs. Peterson have given us their support in all of our goals. Mr. Sims installed our stove. Mrs. Sears shared her experiences and colored slides of her Alaskan trip. Miss Betty Jo Harris showed colored slides and told of her teaching experiences in Norway. Their trip to Mexico, also their slides, were shared by Mr. and Mrs. McGehee. A talk on electricity and magnetism and various experiments were given by Mr. Wilcutt of the Alabama Power Co. Miss Ethel Harris gave us much science material and sent Carol Logan over to talk on her science project and display her charts and experiments. Mrs. Milford has lent us books on our units and essays. Miss Dement and Mrs. Weston have mimeographed much material for us. The service stations furnished each child a map of Alabama. Our Baptist minister, at Christmas, and our Methodist minister's wife, at Easter, took us on a tour of the churches and talked on "Church Behavior." Mrs. Pendergast, nee Elizabeth Albright, told of her life in Ecuador and shared souvenirs. We visited Dr. Bailey's laboratory and saw a skeleton and a model of the human body. He talked and answered questions. Mrs. Nix, a graduate nurse, talked to us on health, exhibited charts and the use of thermometer.

On May 1 our group went on a Citizenship Trip to Montgomery. We were accompanied by four of our mothers and our teachers. Prior to going, we spent a week studying the historical background of Montgomery.

For the past several years the Montevallo chapter of the D.A.R. has sponsored our Essay Contest. Susan Peters, Virginia Jenks, Tommy Wyatt, and Michael Garrett were awarded prizes, and Rosemary Wooley, Omelia Edfeldt, and Linn Meyer's essays were given "honorable mention". The contest has been challenging and inspiring.

Now comes vacation—the happiest time of the year!

MR. AND MRS. WILLIAM EDWARD HICKS

Miss Beckham, William E. Hicks Wed

Miss Nancy Jo Beckham of Miami, Florida, and William Edward Hicks were married in a 6 p.m. ceremony Wednesday, May 27, at the home of the bride's aunt, Miss Maude Ivey in Brundidge, Ala. The Rev. B. T. Beckham, father of the bride, officiated.

Parents of the couple are the Rev. and Mrs. B. T. Beckham of Miami, and Mr. and Mrs. John Hicks of Montevallo.

The bride's full length gown was fashioned of chantilly lace and nylon ruffles. The veil of illusion fell from a crown of seed pearls, and she carried a white Bible.

Mrs. Phyllis Conklin of Jefferson City, Tenn., was matron of honor, and Miss Blanche Logan of Birmingham was maid-of-honor. They crystalet dresses were of shades of acqua and they carried pink floral sprays.

Bobby Bordand, cousin of the bride, served as ringbearer.

Porter Motley of Jacksonville, Fla., was best man and Talmon Hill of Montevallo was groomsman.

A reception was held after the ceremony.

Following a Florida wedding trip and a visit with the parents of the groom the couple will reside in Jefferson City, Tenn., where the groom is a senior at Carson Newman College.

IN MEMORIAM

In memory of a loved one, Earl S. McNeel, who passed away 1 year ago today, June 11, 1958.

You bid no one a last farewell, said goodbye to none. But you are so missed in the hearts of everyone. How we miss your smiling face you left us to remembers none on earth can take your place. How sweet the memories still, death has left a loneliness that the world can never fill. Tho' lost to sight, to memory dear and in our hearts you will always be near.—"Betty".

Summer School Has Students From Many Places

From three other states as well as from all parts of Alabama,, Montevallo High School has drawn summer school students this year. The total enrollment of 141 shows an increase of 25 over last summer. Out-of-state students attending school include boys and girls from New Orleans, La., Key West, Fla., and Springfield, Mo. Besides the Montevallo area, other Alabama towns represented in the enrollment are: Alabaster, Alexander City, Calera, Centerville, Clanton, Columbina, Cullmn, Greensboro, Haleyville, Helena, Jemison, Oakman, Pelham, Saginaw, Selma, Shelby, Siluria, Sulligent, West Blocton, Wetumpka and Wilsonville.

Remedial work on the junior high school level is being offered without credit for a period of six weeks. Classes being taught 8 eeks and carrying one unit each are Sr. I English, Sr. 2 English, American History, Democracy, Beginning Typing and Advanced Typing. Students are in class from 8 until 11:15 a.m. each day.

The faaculty of the summer school includes Mrs. Frances Anthony, Cratie Corbett, Susie Dement, B. W. Hamric and Vinnie Lee Walker. Guy Milford is principal and Mrs. Essie Weston is secretary.

LOST!

1 White Male Coon Hound, slenderly built

He has some brown and tan spots but is predominantly white. This dog was lost on Camp Branch, north of Highway 25, on June 6, 1959, but may have wandered far since being lost. He is shy and probably will not let a stranger catch him, although he might let a woman catch him. He likes women better than men. He doesn't know any better! If anyone sees the dog and will notify me, I will pick him up at once and will be grateful.

Right: Construction at Wilsonville. Structural steel for Unit No. 1 Boiler Room. Foundations for generator at left of photograph. Below: Architect's sketch of 1,000,000 kw capacity Wilsonville Steam Plant of Southern Electric Generating Co., on the Coosa River.

Coosa River Is Site For Giant Steam Power Generating Plant

One of the most remarkable expansions of industry in all history has been taking place in the Southeast during the past decade—and this expansion promises to accelerate during the next decade. This is particularly true in Alabama, where industrial development has taken on a new forward surge during the past five years, and many new projects have been announced for the year just ahead.

Alabama's fortunate situation as regards water resources is a major factor in this trek by industry into the State. Any plant, however large, will be able to secure the process water it needs, or the barge transportation it wants, somewhere in water-rich Alabama.

This new industrial development, with its attendant increase in home and business construction, has brought with it a new demand for electric power production in the area. Alabama Power Company is meeting this demand by the construction of new hydroelectric projects on the Coosa River to add 425,450 new kilowatts, and on Warrior River hydroelectric projects which will add 242,500 kilowatts to the existing 1,700,000 kilowatts capacity of the company.

To keep pace with Alabama and Southeastern growth, the Southern Electric Generating Company (which is jointly owned by Alabama Power Company and Georgia Power Company) was organized in 1956. The basic reason for the organization of this company was to make available to the Alabama and Georgia companies the benefit of economies resulting from low-cost fuel and large generating units.

Two great coal fields, the Warrior and Cahaba fields, extend across Alabama in the area about Birmingham, within relatively short distances of the Coosa River near Wilsonville in Shelby County. Here, at the Coosa River and Yellow Leaf Creek, the new generating company is building a steam generating plant with an initial capacity of 1,000,000 kilowatts. Alabama Power Company and Georgia Power Company will each take one-half of the power capacity of the plant.

The plant site was selected because of its proximity to the vast coal reserves of the Cahaba and Warrior fields, economical transmission distance to load centers in Alabama and Georgia, and the availability of adequate cooling water.

Other location factors were the suitable rock foundation at the site, nearness to a mainline railroad, and adequate highway connections.

The steel skeleton of the vast structure now rears high above the Coosa, and will be essentially completed by late summer of 1959. Two of the generating units will becompleted in 1960, a third in 1961, and the fourth in 1962.

SEGCO (a name derived from the initial letters of the company name) has acquired extensive coal reserves in both the Warrior and Cahaba coal fields. Work is under way on mines in both fields to provide the nearly 2½ million tons of coal to be used annually by the Wilsonville plant. This is equivalent to almost one-fourth of the total coal production of Alabama in 1958. This fuel will come from the firm's own mines in the Warrior and Cahaba fields. The Warrior mine is expected to be producing 1,500,000 tons of coal annually by 1961. Prior to that time sufficient coal will be produced in the developmental stage of this mine for the 1960 operation of the plant. The Cahaba operation will come into production at about the same time.

This SEGGO plant will be the largest investor-owned plant of any kind ever built in Alabama. The power plant itself will represent an investment of about $150 million and the mining auxiliaries will cost an additional $20 million.

The Coosa River, now to be stabilized by the series of additional dams which Alabama Power Company is building on the Coosa, plus the existing Allatoona Dam on the Etowah above Rome, is the key to the choice of this site for this great steam-electric plant.

Nearly 800 million gallons of water will flow through the plant's condensers each day when it comes into full operation. This cooling water will come from Yellow Leaf Creek, just above its junction with the Coosa, and will flow through 1¼ miles of the plant's circulatory system before being discharged into the Coosa.

800 million gallons of water per day is sufficient water for a city of more than a million population. It is enough to operate a dozen large paper mills. It could cool several steel mills and supply the water needs of aluminum plants and refineries as well. It is a lot of water by any measure. Interestingly, the water is not consumed but continues its course downstream after passing through the plant.

SEGCO at Wilsonville is another example of industry's use of Alabama's abundant water. The power from SEGCO's four great generators will supply the electric power needs of the diversified industry which is coming to water-rich Alabama.

BILL ALEXANDER IS VISITOR

Bill Alexanler, formerly with the Montevallo office of Alabama Power Company, was a visitor in town Friday. Mr. Alexander was transferred from Montevallo to Jasper several years ago and is now located in Tuscaloosa where he is working the Western Division of Dealer Sales Promotion with the Power Company. Montevallo is included in his territory and he will be calling on dealers in this area.

Bill reports that the madam and the boys are doing well.

Telephone Talk

J. L. SWITZER

Your Telephone Manager

TELEPHONES ARE FOR SHARING! And June's the time to share all kinds of news and happiness. Graduation, wedding, new babies ... all these happy moments are even happier when two people get together on the phone. And here's a happy thought: when you share news by Long Distance, it costs very little. Costs even less when you call station-to-station, with extra bargains after 6 P.M. and on Sundays. So why not call someone special?

* * *

THE GIRL who married dear old dad has just had her "day" and now it's almost time for dear old dad himself. Father's Day, in case it's slipped your mind, is Sunday, June 21. If you're like a lot of people, you sometimes run out of ideas as to what to give him. Well, here's a thought. Why not give dad something that'll bring him pleasure all year long? An Extension phone of his very own right where *he* wants it. By his bed, in his den or perhaps his workshop. There's a wide choice of colors to match any room. And extension phones cost only pennies a day.

* * *

IF DAD'S AWAY why not give him a Long Distance call on Father's Day? He'll feel mighty good to know you're thinking of him. Nice thing is, bargain rates are in effect all day Sunday.

* * *

FLAGMAKERS' HEADACHE! I don't think I'd care to be a flagmaker these days. No sooner does Alaska change our flag, than along comes Hawaii! However, 50 stars won't become official until the Fourth of July following the admission of Hawaii as a state. Meantime, flagmakers hope the switch won't come until July 4, 1960, giving the industry a year to dispose of quite a few outmoded flags! You see, no U. S. flag is ever legally outdated. Forty-eight-star, forty-nine-star, even Civil War flags can be flown until they wear out.

Miss Nelms Speaks To Lions

Miss Frances Nelms, Educational Director of the Alabama Division of the American Cancer Society, was guest speaker at the Montevallo Lions Club Monday night. She was introduced by Mrs. Willie Galloway, President of the Montevallo Business and Professional Women's Club, which is sponsoring the Cancer education program in Shelby County.

New officers of the Lions Club will be installed at the next meeting on June 22.

Southern Bell To Have Display

Southern Bell Telephone Company will present a trailer display of all the latest telephone equipment for both home and office Friday and Saturday, June 12 and 13. The trailer will be located on Highway 31 in Calera.

Souvenirs and soft drinks will be given to the visitors. Mr. J. L. Switzer, manager, extends a cordial invitation to everyone to come and view the display.

WANT ADS

Effective immediately, all want ads will be accepted on a cash basis only. This action is necessary due to the amount of bookkeeping required when want ads are charged and billed. This does not apply to business concerns and individuals who maintain a regular bookkeeping account with the SHELBY COUNTY TIMES HERALD or THE TIMES PRINTING COMPANY.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Duirng consideration of the Defense Appropriations Bill last week, considerable debate flared up in the House of Representatives over the awarding of defense contracts to companies employing retired generals and admirals. Several members charged that former military officers of high rank are in a position to influence defense orders.

A member of the House Appropriations Committee, which had reported the bil, conceded that some corrective action was necessary to prevent "influence" in connection with defense contracts, but he cautioned against hasty legislation.

Neverheless, an amendment was proposed to bar retired officers from being employed by defense contractors for five years after they leave active service. It appeard that the amendment would be adopted when it was tentatively approved by voice vote, but it was later defeated on a teller vote of 125 to 147. Defeat of the amendment was influenced, however, by the announcement that a House Armed Services subcommittee will investigate abuses resulting from high ranking officers stepping out of the service and into key jobs in the defense industry.

Bomarc Missile

Further controversy arose in the House in connection with the same legislation when an attempt was made to delete from the defense bill $200 million to be used for production of the Air Force's Bomarc anti-aircraft missile. Apparently in an effort to force the Denfense Department to make a decision between the Bomarc and the Army's Nike-Hercules missile, the House Appropriations Committee had already reduced the Bomarc funds by $162 million before the bill was presented to the House. It was pointed out that Defense Department spokesmen had emphasized that the Air Force missile is an important part of the overall defense against manned bombers. When a vote was taken to delete the Bomarc funds, the amendment was defeated by more than a three-to-one majority.

A move to increase the Army's strength by 30,000 personnel was also defeated during House consideration of the legislation.

Defense Funds

The defense bill—which is the largest appropriation measure considered by Congress each year—passed the House on a roll call vote of 392 to 3. This legislation includes defense funds totaling $38.8 billion for fiscal year 1960. The total is approximately one billion less than the amount appropriated for the current fiscal year and almost $400 million less than the President had requested.

Holt Lock and Dam

Efforts to begin the final planning phase of the Holt Lock and Dam on the Warrior- Tombigbee Waterway above Tuscaloosa were enhanced considerably last week when the House Appropriations Committee approved $150,000 in advance planning funds for the project.

Construction of the Holt facility to replace four obsolete locks and dams was recommended by the Corps of Engineers and the Secretary of the Army lsat fall. However, funds for the project were not included in the federal budget that was presented to Congress earlier this year.

Since the House Appropriations Committee has added the funds to its public work bill, the prospects for final congressional approval are now extremely good.

County Road Put On State System

Good news for Shelby County was given by State Highway Director Sam Englehardt to County Engineer Jim Ray, Board Clerk Cecil Duke and Judge Fowler in the Director's office last Friday. Mr. Englehardt stated that traffic surveys had been made on the Columbiana-Saginay road and based upon these surveys the Highway Department has determined to place the road on a state system.

This action by the Highway Director will result in a great savings of funds to Shelby County. The road had been scheduled for an expensive resurfacing treatment by the County in the summer of 1960.

Mr. Englehardt also discussed other phases of the Highway program that will be beneficial to Shelby County.

McCONAUGHY RETURNS FROM WASHINGTON

Mr. Walter P. McConaughy, American Ambassador to Burma, returned from Washington Friday for a few days visit with his mother, Mrs. Pat McConaughy, and brother, William.

Mrs. McClellan Ratchford from Atlanta arrived the same day. Mrs. Joe Jenkins and two children, Milly, Mac and Joe, from Auburn (where they moved last week) spent Sunday with the family. Mrs. Ratchford returned home Tuesday.

Mr. McConaughy left early Wednesday enroute to Burma, after a stay of approximately four weeks in the states.

Popular Calera banker, Roy Downs, checks collateral in C. J. Bailey farm, South Calera. The occasion for his visit was the delivery of a check covering amount of an F.H.A. insured loan, permitting Bailey to expand his farm operations to an economically sound volume.

Sam Pierce, Shelby County Frmer's Home Administration set up this type loan for Bailey, and helped plan his operations, pork, beef, and poultry. Land use is based on S.C.S. recommendations and Bailey's Soil Conservation District land use plan.

Members of the Every-Member Canvass General Committee of the Montevallo Methodist Church are, left to right, the Reverend James Chesnutt, M. S. McGehee, Dr. M. L. Orr, Jr., R. E. DeSear, and Dr. Paul C. Bailey. Floyd Hawkins is not in the picture. The congregational dinner will be Wednesday, July 15, Loyalty Sunday on August 9, and Victory Sunday August 16, climaxing a 10-week canvass.

First Home Ready in Givhan Heights; Will Be Shown to Public This Week

Montevallo's newest subdivision, Givhan Heights, will be officially opened this week end when the first of 41 homes to be constructed will be on display. This modern three bedroom, two bath, all electric Medallion home will be open to the public on Saturday, June 20 from 9 a.m. to 7 p.m. and on Sunday, June 21, from 1 to 5 p.m.

Givhan Heights is being developed by Alabama Developers and Builders, Inc. It is located at the intersection of Selma Street and Highway 31.

In announcing the Open House, the builders have stated, "We, the management of the Alabama Developers and Buildrs, Inc., are endeavoring to bring to our community the latest and modern means of living being used, the best of building materials, modern appliances, and workmanship. These homes will be financed by F.H.A. and conventional loans. The prices will range from $10,400 to $14,000. On completion of the subdivision, there will be paved streets, curbs and gutters.

"We wish to take this opportunity to thank the local city government and the local people of our community for the fine help and cooperation they have given us. This is very encouraging to a builder moving into a new area. The results of such friendship and cooperation can only turn out fruitful for the community."

The new Medallion all-electric home recently constructed by Alabama Developers & Builders, Inc., in the new Givhan Heights Subdivision in Montevallo will be on display for inspection of the public, next Saturday and Sunday, June 20-21. Hours of inspection on Saturday are to be from 9 a.m. to 7 p.m. and Sunday from 1 to 5 p.m.

This three-bedroom home is equipped with the electric heat pump which provides cool comfort in summer and pleasant warmth in winter, a built-in electric range and surface units, quick recovery electric water heater, electric refrigrator, automatic washer, electric garbage disposer, range hood with exhaust fan, exhaust fan in each of the two baths and inter-communication system, and is amply wired for future needs.

The Live Better Electrically Medallion displayed on the new home symbolizes the assurance of the builder, the electric utility and the electrical contractor that the house contains the very best of wiring, lighting and appliances and is the home buyer's guarantee that the house contains everything needed for the best electrical living—today and tomorrow.

Representatives of Alabama Power Company, Alabama Developers and Builders, Inc. and General Electric will be on hand to assist on Open House days.

Times-Herald Wins APA Best Picture Award

This is the plaque awarded to the Times-Herald by Alabama Prers Association for the best use of illustrative material. It is engraved on a copper plate which is mounted on an oak base. The beautiful art work in making the plaque was done by Alabama Engraving Co., sponsors of the award.

Thirty-two Alabama weekly newspapers received awards for excellence in a number of phases of journalism at the Alabama Press Association's annual awards banquet last Friday at Dauphin Island.

Sponsored by the Alabama Press Assn., the contest was judged by Texas newspapermen who selected winners in the nine categories of the competition.

Alabama publishers submitted more than 200 entries as they competed for awards for general excellence, best editorial, best original column, best use of illustrative material, community service, best typography and make-up, best sport or news photo, best news story, and best service to education.

Newspapers were divided into divisions according to population. Division A was open to newspapers in municipalities with a population of under 3,500 and Division B to weeklies in municipalities with a population of more than 3,500. Daily newspaper were not eligible.

Announcement of the winners high-lighted the three day summer convention of Alabama newspaper publishers and persons associated with the industry.

The awards for best use of illustrative material in Division A went to: Shelby County Times-Herald, first; Monroe Journal, second; Moulton Advertiser, third; Winfield Journal, honorable mention.

In making this award to The Times-Herald, the comment of the judge was as follows:

"I gave first place award to the Shelby County Times-Herald, and one of the reasons I did was because of the clearness of the pictures used. A picture or illustration is of little value if the reproduction is not excellent. Also The Times-Herald's pictures and illustrations were very timely and kept abreast of the local news."

F. F. A. News

Tony Birchfield represented Montevallo FFFA at the Youth Conference in Montgomery Wednesday of this week. This conference precedes the Youth Whitehouse Conference which is scheduled during July.

* * *

Every Wednesday is "open house" at the Montevallo Agriculture Department. Last Wednesday the group present observed welding demonstrations by Delbert M. Binegar of Birmingham who is a factory representative. Both repair and construction jobs having to do with carrying out successful farm and home projects will keep FFA members busy each Wednesday they are at the department.

* * *

Forty demonstration areas are in progress with hybrid corn furnished the chapter by the DeKalb sponsor. Two of the latest varieties are in use as well as varieties of sudan grass and grain sorghum. The demonstration plantings are distributed over the school area.

* * *

B. P. Livingston, Chief of Plant Division, State Department of Agriculture and Industries, Montgomery, Ala., was a visitor to the vocational department last week at which time he made plans for complete eradication of a small area of bindweed found in the area. With complete erdication of the noxious weed its future damage can be avoided. Thanks to the State Dept. of Agriculture and Industries.

* * *

In ddition to productive enterprise projects as swine production, poultry production, dairying, beef production, and the like, many of the F.F.A. members find time to work at a variety of jobs to provide experiences as well as add to their income. Jimmy Parks continues with his lawn work and other members accept jobs as they can locate work to do.

* * *

Glynn Cunningham, FFA presiden of Montevallo chapter, will give some time this summer with his executive committee to making plans for the F.F.A. activity program for the coming school year. Usually all the goals or objectives for the year are set up by the middle of October and committees are assigned to see that each of the goals are accomplished. The state activity program and the national FFA program as used as guides in order to keep the local unit aligned with state and national objectives. It was on the basis of the activity program for 1958-59 that the Montevalllo chapter was given the Superior award at the recent state convention at Auburn. Glynn is to attend the national FFA meeting in Kansas City in October.

* * *

M. Thornton, our adviser, will be in Guntersville on June 25th to participate in a vocational workshop of the North East district with vocational personnel and J. F. Ingram. Supervisor Trades and Industrial Education, State Department of Education, Montgomery. Mr. Thornton is the state legislative chairman for AVA.

* * *

Reminder: Now is a good time to prune shrubs which have already completed their blooming this spring and early summer. Proper pruning will cause better blooming next season. Plants that bloom after this season are usually pruned during the dormant season or winter months.

* * *

The Shelby County Cattlemen's Association is having the annual earth roast dinner meeting at the farm of Homer Jackson Friday of this week. R. M. Byrd is Secretary and Treasurer.

Miss Sarah Patricia Baker To Marry

Mr. and Mrs. John Frank Baker of Montevallo, announce the engagement of their daughter, Sarah Patricia, to DeWitt William Self, Jr., of Birmingham.

Grandparents of the bride-elect are the late Mr. and Mrs. John Thomas Bennett of Birmingham and the late William Bradford Baker also of Birmingham.

Miss Baker attended both Judson Collgee at Marion and Alabama College at Montevallo.

Mr. Self is the grandson of the late Mr. and Mrs. Chaney Johnston Dodd of Oxford and the late Pleasant Francis Self of Springville.

The prospective bridegroom attended College at Alabama Polytechnic Institute, Auburn, Howard College and received his B.S. Degree in Music Education at Jacksonville State College. At present he is working on his Master degree at the University of Alabama. He is a member of the Phi Mu Alpha fraternity.

He is band instructor and choral director at Leeds High School, Leeds, Ala.

The wedding will be an event of late August at the First Baptist Church of Montevallo.

MISS SARAH P. BAKER

HANDY FOUND HIS DOG

Mr. Handy Ellis says he has found his lost dog which he advertised last week. He was found near Shelby Springs.

The dog had been hit by a car and was badly injuried. Fortunately he was in a ditch where water was available. Mr. Ellis Carried him to a hospital for treatment.

There is a secret to Mr. Ellis' intense interest in this particular dog. Of course he is "nuts" about any good coon dog—but this one is Mrs. Ellis' pet.

Miss June Hutchens from Somerset, Ky., is visiting Miss Margaret Turpin.

MRS O. G. EDDINGS HONORED

A tea shower honoring Mrs. O. G. Eddings was given by the mothers of her 1959 kindergarten pupils. The party was held at the home of Mrs. Wesley Lovelady. Pink and white flowers were used for decorations. The table, with Mrs. Charles Tinsley and Mrs. Lloyd Harris presiding, was covered with a cut work cloth and centered by a maypole with pink and white streamers set in a bowl of floating pansies.

Mrs. Charles Bearden kept the guest book.

Many lovely gifts for the honor guest were displayed in a bedroom.

Thirty mothers of Mrs. Eddings thirty-five pupils called during the hours from 7:30 to 9:30 p.m.

This same group of mothers furnished the kindergarten room with bulletin boards to be used by future classes.

Serving as home-room mothers for the 1958-59 terms were Mrs. Wesley Lovelady, Mrs. J. S. Plant, Mrs. Bobby Grant, and Mrs. Irey E. Sims.

Mrs. W. B. Cantrell, a guest, assisted the hostesses with their party preparations.

C. of C. Hears Hospital Head

Thursday evening, June 11, at Town Hall, Chamber of Commerce members heard Kenneth Lowery, Administrator for Shelby County Hospital Board, discuss and explain the plans for the operation and maintenance of the Shelby Memorial Hospital which he thinks will be in operation by September this year. Mr. Lowery gave a very informative talk and answered numerous questions raised by members of the group present. Mr. Lowery explained that the hospital of 35 beds is a part of a Master Plan which has been approved by the Health Department and other concerned. It was pointed out that $92,000 was collected through the special tax voted for the hospital. The plan according to Mr. Lowery is to expand the hospital and facilities with the tax money after the first obligations are met.

Mr. Lowery also explained that both the state and federal government had participated in providing the funds which made it possible to start the project. An invitation is extended to all citizens to visit the new hospital and observe it from time to time. Mr. Lowery welcomes inquires about the hospital and also stated that he hopes to get the complete staff from Shelby if qualifications for eaach job can be met.

Don H. Lovelady, president of Chamber of Commerce, announced several new develpoments in the area and also told of the open house meeting planned by the new housing development project. Mr. Lovelady stated that 41 new homes would be constructed and would be available to those desiring to purchase new homes.

M. S. McGehee, chairman of the industrial committee, made a brief report concerning new industrial developments and inquiries.

Announcement was also made about the new Saturday night auction which is being held weekly at Hilltop near the Jemison cutoff. Coosa River Newsprint Co. and Foremost Dairies Inc., were introduced as new Chamber of Commerce members.

Stamp To Honor Soil Conservation

A 4 cent stamp—the nation's first soil conservation stamp—will be formally released August 26 at the annual meeting of the Soil Conservation Society of America at Rapid City, South Dakota.

One-hundred and twenty stamps, designed by New York arist Walter Hortens, (a native of Vienna) will depict the beauty as well as bounty conservation farming brings to rural living.

A farmland setting showing several modern conservation practices in yellow, green, and blue makes the commemorative stamps very attractive.

First day "covers" can be obtained from postmaster, Rapid City, S.D., by mailing request and sufficient self addressed envelopes, plus money for postage. The new stamp affixed to your envelope, will be cancelled with a special concellation mark used only on that day and date, and mailed to you.

The girls attending the luncheon were Deegee Downs, Mildred Aldridge, Connie Wakefield, Barbara Battle, and Tommie Lynn, Cadle.

Qualifications For Maid of Cotton

The Shelby County Farm Bureau is sponsoring the 1959 Maid of Cotton Contest according to announcement made this week by J. E. Bearden, President.

The date has been tentatively set for Thursday night, August 27th, Shelby County High School Auditorium, Columbiana beginning at 8:00 p.m. and held during week of County Fair.

Every Civic and Home Demonstration Club in the county is eligible to sponsor a contestant. Some of the qualifications are as follows:

1. Be a legal resident of county in which contest is held.
2. Be unmarried (never have been married) and be between the ages of 19 and 25 inclusive, and have been born in a cotton growing state. (By being 19, it is meant that the contestant be aged 19 on or before December 15, 1959).
3. Be photogenic.
4. Be at least 5 feet, 5 inches tall.
5. Be in perfect health.
6. Be willing and able to meet people.
7. Remember that background, personality, and appearance are of equal importance, in the selection of the Maid of Cotton.

By beginning early this year we hope that this will give clubs more time to make their committee appointments and get their entry in. All information in regard to the contest is being mailed to clubs this week.

The winner of the county contest will become a finalist for the State contest to be held in front of the Grandstand at the Alabama State Fair, Birmingham, on October 8. The State winner will become a finalist for the National Maid of Cotton Contest to be held in Memphis.

No rest for this Chevy... round the clock the engine never stops!

At Washington's bustling National Airport, Allied Aviation Fueling counts on its radio-equipped Chevy to get crews and tank trucks to the right planes at just the right time. Aside from occasional time out for the usual service, its Thriftmaster 6-cylinder engine has been running 24 hours a day for the past 9 months!

Once you've got that kind of endurance working you don't worry much about lost job time. Breakdowns go out of style the day your Chevy goes into action.

The fact is, Chevrolet trucks are dead set on dropping the word "downtime" right out of the English language. And they just might, if precision engineering and top-quality materials have anything to say about it. Chevy trucks are put together to stay together—incorporating the most advanced chassis developments, the most efficient 6-cylinder and V8 engine designs. They're built to last, built to keep Chevrolet's hard-earned reputation for reliability flying high.

Going into the real heart of Chevrolet advantages is where your dealer comes in. He'll show you, in feature after feature, that you can't buy more truck dependability – in any weight class—at any price.

No job's too tough for a Chevrolet truck! CHEVROLET

Law Provides For Election of County Board of Revenue Members by District

Our representative in the Legislature, John Lewis Cates, reports that the law authorizing the election of members of the Shelby County Board of Revenue by their respective districts has been enacted and signed by the Governor.

Mr. Cates says: "I am happy to report that on June 9 the Governor signed into law House Bill 131, Act number 44 which authorized the election of members of the Board of Revenue in their respective districts. He also signed House Bill 132, Act number 45 which authorized the establishing of any bank or branch for the city of Vincent."

Mr. Cates also sends us for publication a brief resume of happenings in the legislature since his seating in the house, as follows:

Happenings In The House

The most controversial bill thus far which passed the House by a vote of 85 to 18 regulated further the payment of aid to dependent children; to provide the payment of aid to dependent children on behalf of child or children of certain mothers who are physical able to work. A companion bill for House Bill 23 regulates further the payment of aid to the dependent children of where there is more than one illegitimate child. This passed the House by a substantial vote. A bill of some controversy passed the House authorizing or conferring each incorported municipality in this state having a population of less that 6,000 inhabitans to the same powers for the construction of and the issuance of securities to finance street and sidewalk improvements and sewer improvements outside of the corporate limit of the municipality and within its police jurisdiction of one and half miles This piece of legislation will give some relief to municipalities in further construction of these facilities.

House Bill 90, if passed by the Senate, will make it unlawful to plan, sell, offer to sell, barter, or give away any baby rabbits, baby chicks, or other fowl as pets or novelties and prescribes penalty for violation. Passage of this bill is uncertain in the Senate but it did pass the House with only 8 or 10 dissenting votes.

In my opinion the second most controversial bill to be killed was House Bill 39 which provided for privileged communication between clergymen or ministers or persons seeking spiritual advice or guidance. Members of the House feared that this would vest to much power in certain people when called on to testify in court proceedings. On June 2 the general appropriations bills were passed after many changes by the committee which follows the similar pattern of apporatitions made two years ago. The appropriatious bill is yet still tied in the Senate by filibuster. Passage is uncertain at this date and its passage has much to do with the administration's request for adjourning the present session, and the governor calling a special session for raising more revenue for state education. He feels that this a practical way in which to meet the needs of education.

These are high feelings among a lot of members on so called "Haden Bill" which would regulate the power of the Revenue Commissioner from the increasing property tax rates in the counties.

There has been another similar bill introduced in the Senate which would leave the property taxes within the powers of the counties themselves. At the present that measure has gained some support despite the adminitsrtion's open statements against it. Passage of either bills at this time is uncertain.

Scores of local bills have been introduced and passed by both Houses. For now the legislature seems to be getting into position to settle down and tackle the problem of the state for the remainder of this session or sessions.

The most distinct honor to have been a part of and as a member of the House was the appointment to the Escorting Committee of Governor Fubus of Arkansas. He addressed the joint session of the House and Senate June 12. I had the pleasure of accompanying him and Governor Patterson to and from the joint session, and I was asked to have lunch with Governor Faubus. I shall always cherish the memories of the occasion of such a distint governor in his fight for the rights of states against the encroachment of powers against the states.

In my opinion, he is a most courageous and deliberate man in his convictions of handling our problem of segregation.

In my opinion, people are now more united in their efforts to maintain segregation and their Southern heritage.

In the future, I shall try to keep you the people better informed on issues that come up from time to time in our legislature, and I will keep in mind the ones that will best benefit our country and state.

Debbie Wooley Birthday Party

Debbie Wooley, daughter of Sgt. and Mrs. H. O. Wooley, Jr., celebrated her fifth birthday with a party at the home of her grandmother, Mrs. H. O. Wooley, Sr., on Ashville Road.

Reading from left to right, the guests were Davis Wooley, and Debbie Owens, 2nd row, Jan Plant, Debbie Wooley, Nancy and Rosemary Wooley, and Connie Owens.

Assisting her mother and grandmother were Mrs. Haywood and Mrs. Brooks Wooley.

Prizes for pinning the donkey's tail went to Rosemary Wooley and Debbie Owens.

A beautiful decorated birthday cake centered the refreshment table which was covered in a Disney Land cloth.

After opening her gifts the children were presented party favors and served ice cream, cake and lemonade.

WILLIAM J. FINDLEY

William J. Findley, 81, a lifelong resident of Calera, died yesterday at a Birmingham hospital.

A member of a prominent Calera family, he had been in the real estate business for several years and was formerly postmaster of Calera.

Funeral will be at 10 a.m. Thursday at the Calera Church of Christ. Burial will be in Salem Cemetery, Bolton-Walton Funeral Home of Columbiana directing.

Survivors include the widow, six sons, B. A. and Warren Findley, of Calera, F. P. and Charles L. Findley, of Birmingham, E. M. Findley, and W. J. Findley Jr., and two daughters, Mrs. Mildred Dawson, Calera, and Mrs. Margaret Johnson.

GIRLS' STATE DELEGATES WINNERS OF HONORS

Girl Staters, Carol Lucas and Janice Jones, sponsored by Montevallo American Legion Auxiliary and PTA, report their trip as a most exciting experience from a social and educational view point.

Carol, who served on the Security and Pension Committee of the Welfare Department, says, "I learned more about the operations of State Government during my stay at Girls State than I'd learned during a year of study".

Janice, who served as Attorney General, proved herself as a capable politician during her political campaign for that office.

MONTEVALLO PERSONALS

Mr. Albert Baumgartner left for Wisconsin Thursday to attend the funeral of his brother, Walter Baumgartner, who had died in Wrightstown earlier that day. Funeral services were held Monday at the Lutheran Church. Burial was in the Wrightstown Cemetery.

The deceased and his wife, enroute home from a winter vacation in Florida, were recent guests of Mr. and Mrs. Albert Baumgartner.

Members of the "Before Work Coffee Club" who have a cup of their favorite beverage at Harrison's Cafe each day joined in an early Tuesday morning birthday anniversary celebration for Miss Nina Harrison and Mrs. Buddy Allen. Gladioli decorated the table where the group were served birthday cake and punch. A selection of attractive gifts came as a complete surprise.

Miss Carol Bailey, graduate of Alabama College, from Mobile called on friends in Montevallo Saturday. She was en-route to Westport, Conn., to visit Lt. and Mrs. Agee Kelly.

Mr. and Mrs. L. E. Anderson and children from Miami, Fla., are visiting her father, Dr. W. J. Mitchell, and Mr. and Mrs. Cooper Shaw.

MR. AND MRS. EUGENE HADAWAY

Eugene Hadaway Weds Miss Alverson

The marriage of Miss Sue Alverson and Frank Eugene Hadaway was solemnized at 5:00 p.m., Sunday, May 31, 1959, at Calera Baptist Church by Rev. H. L. Sizemore,

Parents of the couple are Mr. and Mrs. James Frank Alverson and Mr. and Mrs. Lowe Hadaway.

Candles were lighted by R. L. Anthony and Bobby Henson.

Miss Barbara Ann Alverson attended the bride as maid of honor. Bridesmaids were Misses Gwen Hadaway, Judy Thomas, Patricia Milstead and Unafae Busby. Attending as flower girl was Debbie Comer.

The wedding music was furnished by Mrs. Maurice Hammond, organist, and Mrs. H. L. Sizemore, soloist.

David Hadaway served his brother as best man. Ushers were R. L. Anthony, Curtis Cofer, Dan Childress and Bobby Henson.

The bride's attendants wore waltz length pastel blue dresses made of organdy and taffeta. They wore matching head pieces and carried arm bouquets of pink carnations.

The bride was given in marriage by her father. She wore a gown of white silk organdy over taffeta. The basque bodice was scolloped onto the bouffant skirt which swept to a chapel train. Appliques traced with sequins and pearls outlined the neck and sleeves and enhaunced the full skirt. Her fingertip veil of illusion was caught to a crescent shaped tiara of pearls. She carried a white orchid on a white Bible.

The bride's mother wore a pastel blue lace over taffeta dress. The bridegroom's mother wore a navy blue dress of linen and lace. Both mothers wore white rosebud corsages.

Immediately following the ceremony a reception was held in the church parlors. Assisting were Mrs. Maurice Hammond, Mrs. C. D. Cowart, Mrs. Dean Holcombe, Mrs. Donald Edwards, Mrs. Charles Alverson, Mrs. Curtis Lucas, Mrs. Jim Hallford, Mrs. Curtis Cofer, Mrs. James Alverson and Miss Jo Beth Barefield.

After a wedding trip to Tennessee the couple will reside in Calera.

Wayne Johnston, of Wetumpka Ala., has joined the staff of Central State Bank in Calera. Roy Downs, president of the bank, and Eddie Downs, cashier, are happy to obtain Mr. Johnston's services.

A graduate of Wetumpka High School, where he was president of the senior class and president of the Sr. Glee Club, Mr. Johnston attended A.P.I. at Auburn before entering the Navy. After two years service in the Navy he attended the University of Alabama, where he was a member of Pi Kappa Phi, social fraternity. In 1950 he was a member of the All-America Jr. Skish Team. We take pleasure in welcoming Mr. Johnston.

WAYNE JOHNSTON

ALABASTER HOUSING PROJECT APPROVED

The Columbiana Housing Authority has received notice of approval of federal financial assistance for the construction of 46 low-rent family dwelling units at Alabaster. The notice was sent by Alabama Senators Lister Hill and John Sparkman and Rep. Armistead Selden.

Debbie McGaughy Birthday Party

Mrs. Luther McGaughy was hostess at a party Saturday afternoon for her little granddaughter, Debbie, daughter of Jack and Kathleen McGaughy, from Troy.

The little guests who helped celebrate Debbie's third birthday were Ann and Bill Nathews, Janice and Diann Tensley, Gregory Gentry, Stevie Glover, Connie Hollingsworth, Nancy and Betty Jane Barclay, Dennis and Nancy Sims, Doug Wilcut, Lynn Loyd, Tommy Whaley and David McGaughy.

The party was from 4 to 5:30 p.m. at the McGaughy home on Pine View Road. Assisting were Mrs. Jack McGaughy, Mrs. Joe McGaughy and Nina Hollingsworth.

Debbie had an exciting time opening her shower of gifts. Favors were enjoyed by the group, and birthday cake, ice cream and pink lemonade were served.

Missionary To Speak at Church

Miss Carolyn Teague will be guest speaker at the Montevallo Methodist Church Monday, June 29, at 1:30 p.m. Miss Teague is a retired Missionary to Japan, who is returning to Japan in September to baptize 1500 Christians who make up the fishing village of Funakoshi. The public is invited to hear Miss Teague speak. Her subject will be "Our Responsibility to Make Christ Known to the Non-Christian World."

The members of the W.S.C.S. and Wesleyan Service Guild will have a covered dish luncheon at 12:00, honoring Miss Teague and past leaders of the W.S.C.S., preceding the open meeting at 1:30.

GIRL SCOUT PICNIC

Montevallo Girl Scout Troop 538 enjoyed a picnic lunch and swimming party Wednesday at Jemison Plunge. This was their June meeting.

Visitors Inspect SEGCO Mines

The directors and officers of Southern Electric Generating Company of Birmingham were hosts to a group of some thirty-five persons who visited the company's SEGCO Mine No. 1 in Walker County this morning and later in the day inspected SEGCO Mine No. 2 in Shelby County and the company's SEGCO No. 1 Steam Plant under construction near Wilsonville, Alabama.

The board of directors of the company held its regular monthly meeting during the morning at the guest house near Alabama Power Company's Gorgas Steam Plants.

The visitors were welcomed at the steam plant site by Hon. Conrad Fowler, Probate Judge of Shelby County.

The members of the board of directors of Southern Electric Generating Company are: Walter Bouldin, H. Neely Henry, James F. Christ, H. J. Scholz and E. C. Gaston of Birmingham and J. J. McDonough and H. W. Boozer of Atlanta.

The company, which is headed by James F. Crist as president, has under construction a 1,000,000 kilowatt steam plant (one of the world's largest) near Wilsonville, Alabama, and coal mines which are expected to produce 2½ million tons of Alabama coal annually. Its common stock is owned by Alabama Power Company and Georgia Power Company in equal shares.

A. E. Burnett is operating manager of the company. Coal operations are under the direction of James E. Brown, Jr. and C. E. Brackett is Superintendent of the Steam Plant.

BARBARA BALLENTINE

Miss Ballentine Receives Citation

For outstanding service rendered on a voluntary basis one of Montevallo's own has received a citation from the Coosa Valley Regional Library. Mrs. Sarah B. Holland, the regional librarian, announced today that Barbara Ballentine, daughter of Mr. and Mrs. R. E. Ballentine has been selected as "Junior Librarian of the Year." Barbara has given many hours of "behind the scenes" work to help prepare books for library use. She can tell you that there is more to library work than meets the eye! Mrs. Holland stated that Barbara is observant and is quick to catch on to the fine points of processing books.

WALTER NED CARY

Fair Committee Lists Prizes

The list of attendance prizes to be given at the 10th annual Shelby County Fair is growing.

Rules for registering will be announced later when the list is complete.

Brierfield Angus Farm will again give a purebred steer or heifer from their fine herd. This animal will be given as an adult attendance prize August 29.

L.B.L. Ranch will give a top hog produced in its modern pork assembly line near Harpersville.

Garretts Used Cars, Montevallo, has given the Kiwanians a used Oldsmobile sedan to be decorated as a "fishing car". This car will be on display over the county until fair week.

A radio is also to be given and further prizes, some especially for children, will be given in an effort to exceed last year's fair in popular appeal and county service.

Pallbearers were T. W. Lawrence, J. R. Edwards, Roy Downs, Eddie Downs, Cecil Cowart and R. E. Bowdon Jr.

Cary Named To DAR School Post

Walter Ned Cary will succeed John P. Tyson as Executive Secretary of the Kate Duncan Smith DAR School, Grant, Alabama, on July 1, 1959.

Mr. Cary was born in Montevallo, Ala., and attended Calera Jr. High School; graduating from Montevallo High School, where he lettered in baseball, basketball, and fottball, being captain of the latter his senior year.

He received his Associate of Arts Degree from East Central Jr. College, Decatur, Miss., played and lettered three years in college baseball and was also an honor student, receiving his B.A. Degree from Mississippi College, Clinton, Miss. In 1952, he received his M.A. from the University of Alabama and has 30 hours beyond his Masters Degree. While in service, he attended the University of Iowa, Iowa City, for six months in a Army Language Program.

He was in service three and one-half years and saw five months of continuous combat in the ETO with the 66th Infantry (Black Panther) Division. At the end of the War, he was elected president of the Alabama "Black Panther" organization.

Mr. Cary has had 13 years of school experience, including 10 years in Shelby County, 2 years in Marshall County, and one year in the highly regarded school system of Dade County, Miami, Florida. While at Montevallo High School, he was assistant coach, 1948-51. From 1951-53, he was athletic director at the Kate Duncan Smith DAR School, Grant Ala. In 1953, he went to Helena Jr. High School as Principal and served one year. He also taught at Thompson High School, Siluria, for three years, where he was head of the social studies department.

He is married to the former Hilda Jeanette Smith, daughter, of Mr. and Mrs. E. L. (Brownie) Smith, of Sylacauga. They have two children, Shirley Delyn, age 2½, and Jeffrey Lane, age 1½. He is a member of the Baptist Church.

Bookmobile Visits All Parts of County

New Bookmobile stops for the summer have been added in Simmsville (location: Free Will Baptist Church yard); Moore's Cross Road (location: Baird's store); and Stewart's cut-off in the Westover neighborhood.

We are proud of the interest being shown by the residents of Four Mile and Blue Springs community. Service began in October 1958, but no one met the Bookmobile. After a few visits and still no customers, we asked Mrs. Blalock at the Valley Farm Store if she would take 20 books and lend them to neighbors. She graciously consented to do so. Next time she took 25 books. Demand increased until in April she got 65. The high point of this story is that in May—for the first time—people came and borrowed books for themselves! Mr. Blalock has decided to put some shelves in the store for the convenience of his customers who want to swap books between bookmobile visits. 94 books were loaned in May and a total of 372 books for the 7 months since November 1958.

The community stop in Alabaster is just one year old. Service began in June 1958. This has been a popular stop ever since the beginning. Our thanks to Mr. and Mrs. Tom Nash, of the Rexall Drug Store. They have been most courteous to our staff. The very first day we loaned 47 books; the next trip circulation jumped to 81. Posters and announcements about bookmobile service are on display in the Town Hall at Alabaster. A total of 502 books have been loaned there during the past year.

We cannot mention every community in this article, but we want to call attention to the following which have shown a great deal of interest in reading; the number of books loaned during the past 12 months indicates that these people really appreciate the opportunity to borrow books: Calcis (487); Mrs. G. W. Stamps' home in Westover neighborhood (315); Mrs. Lola Williams' home at the Narrows (539); Sterrett (217); Vandiver (499); Maylene (141); Elliottsville (218); Sam Martin's garage (125); Harpersville (122) and New Hope (288).

Montevallo Little League Has 62 Boys

Coach Theron Fisher reports a registration of 62 boys in the Little League Baseball team this year. Uniforms have been issued to the best players, but since there are only 31 uniforms available at present there are many disappointed players.

The uniforms are purchased through donations. If anyone desires to make a donation to the purchase of uniforms please contact the Times-Herald or Coach Fisher. Coach Fisher says that if any parents desire to buy uniforms for their Little Leaguer they may do so. The cost is $6.00 for suit and socks. Contact Coach Fisher. He can get delivery in about a week.

Mayberry Holds Music School

JIMMIE STANTON

Jimmie Stanton, senior at Alabama College is directing a music study course at Mayberry Baptist Church (Pea Ridge) this week. He is a music education major from Greensboro where he has directed his home church choir and is to serve as music chairman of Alabama College B.S.U. Jimmie has had extensive training in piano, theory, and voice. His other music experience includes State B.S.U. Choir, Alabama College Choir and band.

The school of music, sponsored by the State Baptist Music Department, is offered to churches by request and endeavers to improve the music programs in the churches. Classes are being held each evening at 7:30 at the church. Morning classes are conducted for childrn under 13 at 9 o'clock.

The support and cooperation shown thus far is appreciated and we are anticipaitng an even greater show of interest in the remaining classes.

Mr., Mrs. Blevins Are Honored

The WMS of the Calera Baptist Church met Monday afternoon, June 22nd., at the home of Mrs. J. H. Johnson for their Royal Service program. After the program and business session, a tea was held from 4 till 6 p.m. honoring Mr. and Mrs. W. B. Blevins who will be leaving Calera in a few days to reside in Washington D.C.

Mr. Blevins has lived in Calera all his life. Mrs. Blevins has been a member of the WMS for over 40 years in Calera.

The guests for the tea were registered by Mrs. Mary Childress, met at the door by Mrs. Johnson and introduced to the honorees.

Mrs. Blevins wore a pink carnation corsage; Mr. Blevins wore a white boutonniere presented them by the WMS.

The guests were shown into the dinner room where lime punch was poured by Mrs. W. W. Godfrey, president of the society, assisted by the WMS ladies.

The tea table was covered in a pink linen cloth centered with a silver bowl of pink and white glads. Silver candelabra with pink candles, pink, white, and green iced cakes and nuts were served to the guests.

Pink and white glads with garden flowers were placed throughout the home.

More car than this Impala Sport Coupe is hard to find at any price.

clings to curves like a cat on a carpet!

the travel-lovin' Chevrolet

Nothing else but a dyed-in-the-wool sports car like the Corvette can take a turn with such solid assurance!

It's easy to see where Chevrolet gets its road sense. With big coil springs at every wheel, a firm, wider stance and all of its pounds distributed with painstaking care, Chevy's *born* with it.

The only thing that may be hard to understand is how it can offer the ride it does, along with so many other luxury-car virtues, and still compete in the low-price field.

We use the word *compete* only in the sense of price. For with a ride as special as Chevy's, real competitors are hard to come by. There's a world of difference between Chevrolet's coil springs at all four wheels and the leaf springs that most other cars still use. Take a Chevy down a snaky back road and you'll *feel* the difference in the sure way it holds through curves and shoots over rough spots with hardly a ripple.

This one's really *made* to travel and loves every minute of it.

CHEVROLET

Stop by your local authorized Chevrolet dealer's and sample Chevy's road sense!

You get the BIG comfort dividends in your 59 FORD...

Some cars' door openings aren't shaped to fit people! So you have to squirm and wriggle . . . make your body conform to the car when getting in and out.

To gain a low roof line, some cars end up with higher floor "humps" and thinly padded rear seats . . . a combination that's mighty rough on the middleman.

The squeezed-down, skimpy roofs of some cars aren't comfortable even for bare-headed riders. And they don't keep out excessive sunlight and glare.

NO SQUIRM

Doors in 59 Fords are wider—up to six inches wider—*and door openings are contoured to fit you!* You get in and out of a Ford with greater ease and comfort. The girls really like Ford's doors . . . for more graceful entries and exits.

NO SQUEEZE

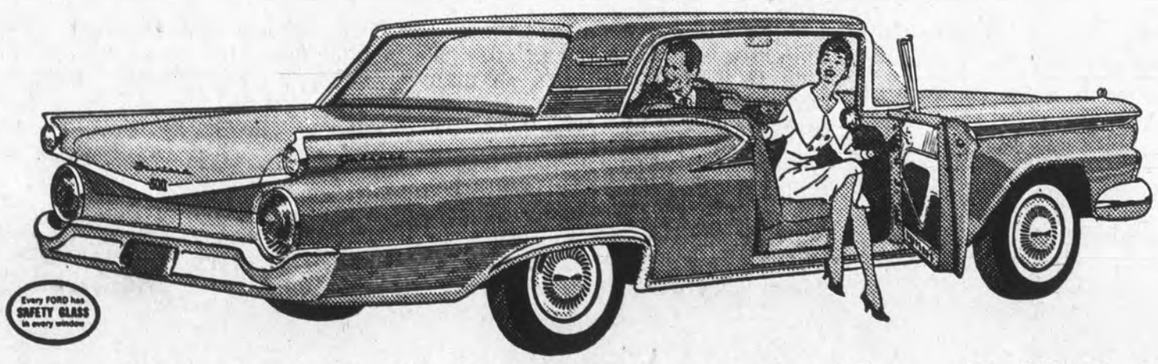

Fords have useable seating space for six big people. The driveshaft tunnel is lower and rear seats are deeply cushioned all the way across. This means more comfort for all passengers . . . especially for the man in the middle.

NO SQUASH

See how much more head room Ford has. Even big six-footers sit up straight without touching the roof. And Ford's big roof protects *all* passengers, in both front and rear seats, against the discomforts of excessive glare and heat from the sun.

Greater comfort is only the beginning of the dividends you get in a Ford. You get the World's Most Beautifully Proportioned Car. You get a big dividend in Ford prices . . . the lowest of the best-selling three. And you get saving dividends that cut costs every mile you drive. See and Action Test a new Ford at your Ford Dealer's. See how you can go finer . . . with more comfort . . . for less . . . in a new Ford!

Roy Downs (center), president of Central State Bank, Calera, and a member of the State FHA Advisory Committee, stands in a lush fescue and ladino pasture Carl Bailey (right) is using to raise hogs. S. S. Pierce, representing the Farmers Home Administration, looks over a sample of Bailey's porkers with banker and client.

Farmers Home Administration and Bankers Provide Capital for Farmers

Since retired Navy Chief Torpedoman, Carl J. Bailey, bought a South Calera farm in 1955, he has been handicapped by limited capital for operations. Most of his funds were tied up in purchasing his land and home. Progress toward a sound farming program has been slow.

Mr. Bailey applied to the Shelby County Farmers Home Administration Supervisor, S. S. Pierce, for a way out of his dilemma.

Pierce suggested a Farmers Home Administration farm development insured loan. Money is actually loaned by a private bank with the loan insured by the Government Agency.

Roy Downs, President of the Central State Bank in Calera, responded to a request for cooperation. He agreed to lend the money Pierce and Bailey found necessary, stating his bank is always ready to help citizens of his area with sound ideas and a workable program.

On May 6, 1959, the detailed planning and careful budgetting of Pierce, Downs, and Bailey reached a climax when Downs Presented Bailey a check for the funds needed.

Bailey will produce 64,000 broilers per year, manage 6 sows and top out their litters for market. Since the entire homeplace is planned for pasture, he will produce needed hay and grain on rented acreage nearby. On the pastures, he will graze both the hogs and fifteen brood beef cows.

Bailey wants to maintain his farm at a high level of productivity without injuring his land. For this reason he became a cooperator of the Shleby County Soil Conservation District and worked out the land use and crops best suited for each acre under guidance of B. F. Hatchett, Work Unit Conservationist.

Social Security Credit Explained

The amount of social security credit needed to qualify for benefits is still widely misunderstood, Carl Dahm, District Manager of the Birmingham Social Security Office, stated today. Many people think that 2 years of social security credit will qualify them for benefits at retirement age. This is not true in the majority of cases.

Person who has reached retirement age and has woked long enough to be "insured" may get monthly social security payments. Retirement age is 65 for men and 62 for women. The amount of credit needed, called quarters of coverage, depends on the person's date of birth. As an example, a man born July 1894 would need 17 quarters of coverage, or 4¼ years. A woman born July 1897 would also need 17 quarters of coverage.

Dahm also pointed out that the younger the person is, the more time he will generally need under the social security program to qualify for benefits. The amount of work necessary to be fully insured is always at least 6 quarters (1½ years) and never more than 40 quarters (10 years).

How many quarters of coverage are needed and how they may be earned is the subject of a new leaflet prepard by the Social Security Administration. The leaflet is free and may be obtained through your nearest social security office, according to Dahm. Ask for the leaflet on "Social Security Credits," he urged. The address of your nearest office can be found "U.S. Government" in your telephone book. Information about your social security office and its services can also be obtained from your local post office.

MR. AND MRS. MORRIS AARON WEBB

Miss Martin and Mr. Webb Are Wed

Miss Eddie Mae Martin and Morris Aaron Webb were united in matrimony at a ceremony performed at 7:30 p.m. Friday, June 5, at the Calera Baptist Church by the Reverend H. L. Sizemore.

Parents of the couple are Mr. and Mrs. J. W. Martin, Sr., of Calera and Mr. and Mrs. Paul Webb of Jemison.

Candle lighters were Kermit Roberson and Tommy Robinson.

The wedding music was furnished by Miss Peggy Busby, organist, and Miss Dian Hill, soloist.

Mrs. V. L. Scott, sister of the bride, was matron of honor.

Bridesmaids were Miss Mary Killingsworth, Miss Ann Webb, sister of the bridegroom, Miss Norma Henson, and Miss Harriet Nelson.

They wore mint green brocaded taffeta dresses accented by a darker shade of green satin cumberbond matching head pieces and carried bouquets of pale yellow carnations.

Dale Scott was the ring bearer.

Elda Smith was the flower girl and was dressed as the other attendants.

Bob Webb served his brother as best man. Ushers were Kermit Roberson, Hubert Ray, Lamon Scott, and Tommy Robinson.

The bride was given in marriage by her father. She wore a gown of chantilly lace and tulle. The lace bodice had a Queen Anne collar with a scroll of seed pearls on front. The floor-length skirt, designed with lace panels down the front and appliques, featured a back attraction of alternating tiers of chantilly lace and tulle ruffles. The full circular veil of silk illusion was secured to a bonnet of chantilly lace emphasized by iridesent sequins and pearls, edged with pleated nylon tulle. She carried a white Bible with a white orchid surrounded by white carnations.

The bride's mother wore a sheath of pink lace and the bridegroom's mother wore a blue lace dress. Both mothers wore orchids.

Following the ceremony a reception was held in the parlor of the church. Assisting were Miss Julia Hathorne, Mrs. Gwen Thomas, Mrs. Virginia Ray, and Mrs. Vernon Busby. Carole Salter kept the wedding book.

The church was decorated with yellow and white carnations, ferns, and yellow candles. The colors of mint green and yellow were used throughout the wedding and reception.

After a wedding trip to the Smoky Mountains and Lookout Mountain the couple is at home in Jemison.

Card of Thanks

We wish to express our sincere appreciation and thanks for paryers, acts of kindness, messages of sympathy, food, and beautiful floral offerings received from our friends, neighbors, and relatives during the long illness and death of our husband and father, W. J. Findley Sr.—Mrs. W. J. Findley Sr., and family.

Sunday dinner guests of the K. G. Kings were Mrs. Nan Milford, Elizabeth Ann, and Charles of New Orleans, Mr. Bob Carmichael, Mrs. W. C. King and Larry and Mrs. Faye Pitts of Birmingham.

Mrs. Houston Jones of Clanton spent Sunday with her children, Mr. and Mrs. Ellis Jones.

Soil Conservation District News

District cooperators who have found Seaman Timber Company to be a good market for fence post size trees thinned under the S.C.S. spacing system (D+6) will be interested to know the plant will soon be more centrally located.

Clearing has already been done on a site 2 miles east of Calera on Highway 25. A modern pressure treating plant is planned.

L. H. Bradley is completing a 2 acre stock and fish pond this week at Chelsea, constructed by R. C. Shirley. Bradley is becoming a cooperator, will put major emphasis on timber.

Work on the seventy-two acre lake just north of Pinnacle fire tower is going to begin shortly. This is to be a joint effort of eleven new district cooperators who bought the Bounds farm.

Unfortunately, the size of this project will prohibit a complete S.C.S. design. However, every assistance permissable will be given as is always the case where district cooperators are doing soil and water conservation jobs.

Year-end reports will keep the local work unit office from undertaking any new field jobs until after the first of July. Please bear this in mind while planning work.

Mr. and Mrs. K. G. King accompanied their son, Airman 3rd. Class Garol King, as far as Canada on his way back to Anchorage, Alaska, after a 10 day leave at home.

MR. AND MRS. R. L. HOLCOMBE

Holcombes Have 50th Anniversary

Many friends and relatives helped Mr. and Mrs. Robert Lee Holcombe of Calera observe their fiftieth wedding anniversary Sunday, June 21st.

Among the out of town guests were:

Mrs. Walton C. Pitts, Hubbard, Ohio; Mr. Hallett MacKnight, Oak Ridge, Tenn.; Miss Zemma Holcombe, Detroit, Michigan; Mrs. John C. Smith, Camp Hill, Alabama; Mr. and Mrs. Charles Curtis Jr., Tuscaloosa; Mr. and Mrs. John S. Pitts, Mrs. Charles Curtis, Sylacauga; Mrs. Marvin Walden, Miss Roberta Walden Headland; Mr. and Mrs. E. Letters To Editor

Dear Editor:

I was pleased to read recently in the Alabama papers that your paper was among the 32 Alabama weekly newspapers, receiving awards for excellence in a number of phases of journalism at the Alabama Press Association's Annual Award Banquet.

Certainly, in view of the fact that more than 200 entries were submitted for the contest, your being among the top 32 is especially praiseworthy. My heartiest congratulations!

With best wishes and kindest regards, I am

Sincerely,
John Sparkman

Dear Mrs. Nordan:

It is gratifying to be able to report that there are more people in Shelby County who are evidencing their interest in library service by coming out to "meet the bookmobile."

I was thrilled in May when I substituted on the bookmobile one day and we stopped at Moore's Cross Roads (Baird's store) the first time. Eight mothers were waiting to get books for their children. They borrowed 50 books that day.

We are also very proud of the Montevallo Branch library and the wonderful spirit shown by your committee.

We hope you will find a spot in next week's paper for the enclosed article.

Sincerely yours,
SARAH B. HOLLAND
Regional Librarian

Dear Mr. Wyatt:

Thank you for your time and kindness shown me when I passed through Montevallo on my way to the Southern Baptist Convention. I enjoyed my chat with you.

I am also enjoying the Times-Herald which is coming to me each week. Thank you.

I have not forgotten my promise to write an article on some pages from the past, especially pertaining to the pastorate of Dr. J. S. Dill at the First Baptist Church there 79 years ago. When I returned from the Convention we went immediately into our Vacation Bible School which lasted two weeks. I shall let you hear from me in the near future.

I am also in receipt of a letter from the Historical Commission at Nashville, just last week, asking for any information in Dr. Dill's papers concerning the establishment of our Home Mission Board in Marion. Of course it is now located in Atlanta, Ga., but Dr. Tichenor, Dr. Dill's second wife's father, was the first president of Auburn University after it became a full University, and he was also the first secretary of the Home Mission Board of the Southern Baptist Convention while it was located at Marion. I doubt if I have any information of interest on that subject. I shall give my attention to your article first.

Thinking you for your every kindness, I am

Yours very sincerely,
T. D. Lide

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Funds for five Alabama waterway projects were included in the Public Works Appropriations Bill passed by the House of Representatives last week.

As approved by the House, the bill carried funds for the Columbia, Jackson, Holt, and Walter F. George Locks and Dams, in addition to an appropriation for flood control purposes near Montgomery.

For the Holt Lock and Dam, which is to be located on the Warrior River near Tuscaloosa, the bill includes $150,000 for advanced planning. The measure also earmarks $8,000,000 for the Jackson Lock and Dam, one of the vital links in the development of the Warrior-Tombigbee Waterway.

Millers Ferry Project

A non-budgeted item of $200,000 for advanced planning of the proposed Millers Ferry Lock and Dam on the Alabama River, requested by the Alabama Congressional Delegation, was not included in the House bill. We are hopeful, it will be added by the Senate. If so, every effort will be made to retain it when the bill goes to a conference committee.

Total Projects

The House-approved Public Works Bill contains a total of $1.17 billion for planning, construction and operation of 364 flood control, navigation, and reclamation projects across the nation.

An attempt to send the measure back to the Appropriations Committee with instructions to cut each item by five per cent failed to pass the House on a vote of 149 to 251. On final passage, the bill was approved overwhelmingly with only 20 negative votes.

Although the President has voiced strong opposition to the beginning of any new public works projects, the House measure provides funds for the construction or planning of 51 new starts.

Water Pollution Control

Another bill pertaining to the water resources of our nation was also approved by the House of Representatives last week. This measure, known as the Water Pollution Control Bill, provides funds for a nation-wide pollution control program.

Under the program, grants are made to assist municipalities in the construction of waste-treatment facilities to prevent the discharge of untreated sewage into our rivers and streams. During the two years the program has been in operation, it has resulted in construction which is expected to clean up approximately 14,000 miles of streams throughout the United States.

The House-approved measure raises the maximum federal grants for sewage plants in any one fiscal year from $50 million to $100 million and increases the ceiling for the total program from $500 million to $1 billion. In addition, the maximum federal contribution to any one sewage plant is raised from 30% of the construction cost or $250,000, whichever is smaller, to 30% or $500,000.

The legislation now goes to the Senate for its consideration.

Visitors

We enjoyed a visit last week with Mr. and Mrs. Frank W. Donaldson of Helena.

Dr. L. E. Kirkland, left, and Dr. L. H. Hubbard, right, with three first graders who received physical examinations under the health program sponsored by the Montevallo PTA this year. Under the chairmanship of Mrs. Gid Nelson, the PTA Health Committee, with the cooperation of the two doctors, provided physical and dental examinations for 53 children.

OREN EDDINGS HAS ACCIDENT FREE RECORD

If every one "backed the attack against traffic accidents as rural carrier Oren G. Eddings Route 1, Marvel, does, automobile accidents would not be, as statistics now prove them to be, responsible for more deaths each year than eight major diseases. Nor would there be so many greived families, and broken bodies.

Mr. Eddings has driven an estimated 42,330 miles during the past five years without a single accident.

His latest Safe Driver award, given by the National Safety Council, for five years accident free driving, was earned May 31, 1959. In presenting this award to Mr. Eddings, his Postmaster, Miss Lucy Torreano, commended him on his fine record and service to his community, and added that Mr. Edding's sense of responsibility, his intergrity and his personal interest in the people he serves have won their respect and admiration.

Mr. and Mrs. Jack Dupree and Rhonda, Mr. and Mrs. A. T. Ryan, visited in Alexander City Sunday with Mr. Hugh Stevenson and Mrs. Mary Eubanks.

LET'S GO! It's that time of year again. Everybody getting set for well earned vacations! Whatever you plan to do, here's something to help smooth out any kinks in vacation plans. *Long Distance*. For instance, why not phone ahead to make *sure* of accommodations? No fun to be on the road watching the "no vacancy" signs roll by! Then, too, calling ahead to plan get-togethers with old friends is a lot of fun. And, naturally, you'll want to check in with the office or possibly home to make sure everything's O.K. while you're gone. For all this help to make a vacation happier, you pay very little. Remember, Long Distance costs less when you call station-to-station with extra bargains after 6 P.M. and on Sundays.

* * *

HINT FOR A HAPPY ENDING. If you're like me, you're already making plans for a big Fourth of July. But all too often the *fifth* of July isn't such a happy day. So I'd like to put in my two cents worth about safety during this big holiday weekend. Play it safe . . . swimming, boating, or driving along the highway. And here's a thoughtful thing to do . . . call friends or family by Long Distance to let them know you got there safely. It means so much to keep in touch . . . particularly on the Fourth.

Under the leadership of its president, E. C. Heath, a class of young people at our local high school is studying the problems of housing that face the people of Montevallo. We adults will do well to keep an eye on them. They are giving us an example of what youth can do when it gets started. The group is using the lawn of the Girl Scout house as a proving ground. In a few days a group led by John Orr will have a chart ready to show what are the responsibilities of federal, state, and local government for good housing.

The following letter was received by the Times in June, 1939.

"To really know a man one would have to observe him in his home. There most restraints are thrown aside and he can be seen as he really is. There are other occasions, however, where opportunities are sometimes given the outsider to judge a man's true character.

"Such an opportunity has been afforded the writer, when as a patient at the Veterans Hospital at Tuscaloosa, he is sharing a ward with three other men, including the genial editor of the Montevallo Times, Mr. W. M. Wyatt.

"We esteem it a rare privilege to have made the acquaintance of this man who is so well known to you. Friendly, courteous, tolerant, clean in his conversation, thoroughly informed, a booster for Montevallo and surrounding territory—Mr. Wyatt is ably serving his community. A typical editor of a typical small-town newspaper, he exerts a tremendous influnce for good in the Montevallo area.—Horace L. Pratt, Shawmut, Ala."

A New Fire Truck Is In Prospect For The City Of Montevallo

The Montevallo City Council has recently released invitations for bids for a new fire truck for the city. Chief Bill Pendleton says that "with the community in a state of expansion and with present equipment dated 20 years, the new truck truck will give Montevallo and its taxpayers better protection and will encourage greater community growth." He says "that the new truck will be a 750 gal. per minute pumper mounted on a commercial Chevrolet or Ford chassis. The truck will have an approximately 500 gal. booster tank and hose capacity of 2000 feet. It will be equipped with some of the latest fire fighting equipment and will be built by the most contemporary specifications available."

Chief Pendleton and members of the Department would like to extend another invitation to men who would like to become volunteer firemen to attend the next meeting on July 6 at 7:30 p.m. The following eighteen men have been issued cards and registered as members for the 1959-60 year: Bill Pendleton, Dudley Pendleton, Clarence Ghism, Harry Klotzman, Clement Hyde, Milton Jeter, Jr., Jimmy Lawrence, Joe Mooney, Howard McGaughy, Johnny Thomas, Bill Weaver, Glenn Lein, Charles Amos, Harvey Rochester, Joe Meyers, Mike Mahan, Herman Stone, and Pat. Wyatt.

Retired members aiding during 1958-59 and offering auxilliary help were Brewer Carpenter, Ed Piper, George Nix, Ed Ewing, Buddy Lucas, Cooper Shaw, Radford Price, and Wallace Weaver.

The volunteers held 26 meetings during the past year. There were 24 residence and business fires and 7 brush fires in 1958-59, requiring 46 man hours on business and residence fires

Sara Mullins Auxiliary Meets

The Sara Mullins Auxiliary of te Calera Baptist Church enjoyed a covered dish supper Monday night at 6:30 p.m. in the church dining room.

We were happy to have Bro. Sizemore as guest.

After a period of working on "The Forward Steps" we went into the regular business session. President Linda Loftin presided.

The main business item discussed was a trip to Shocco Springs during G.A. Week, July 27-August 1st. We hope every member of our auxiliary will be able to attend.

In closing, the group wrote a letter to Mrs. Sara Mullins, wife of Missionary Charles Mullins in Hawaii, for whom our auxiliary is named. Their home is Helena, Ala.

After prayer we adjourned. Those present were Bro. Sizemore, Charlotte Anthony, Linda Loftin, Linda Lee, Gwen Hadaway, June Anthony, Ann Ingram, Mary Gay and Mrs. Gordon Williams, counselor.

Miss Joanna Sharp and Dr. Curtis Adams Married

Miss Joanna LaRue Sharp and Dr. Curtis Luke Adams, Jr., exchanged wedding vows on Saturday evening at eight o'clock in the Montevallo Methodist Church. The pastor, the Reverend James W. Chesnutt, performed the ceremony.

Parents of the couple are Mr. Cleveland Gillespie Sharp and the late Mrs. Joanna LaRue Sharp, of Montevallo, and Mr. and Mrs. Curtis Luke Adams of Dothan.

The altar, softly lighted with candles, was banked in smilax and fern with standards of madonna lilies on either side. The aisle pews were marked with tall standards of candles sprayed with smilax. Preceding the ceremony, a program of nuptial music was given by Miss Priscilla Keeler, organist, and Miss Elizabeth Armstrong, vocalist. Miss Armstrong was accompanied by Miss Mary Katherine Hicks.

Given in marriage by her father, the bride wore a gown of gardenia white Italian peau de soie designed on princess lines. The bodice featured long sleeves and a decollete neckline with a yoke of hand run re-embroidered Alecon lace with scalloped edge. The voluminous skirt ended in court train. The cathedral length veil of Brussels Rose Point lace framed her face in madonna fashion. She carried a sheath of white roses as an arm bouquet.

Miss Susan Lockwood Sharp was maid of honor for her sister. Other attendants were Miss Mary Elizabeth Huckaby, Huntsville, Miss Joella Moore Thurmond, Charleston, Missouri, Mrs. Joseph Garber Cocke Jr., and Mrs. James Porter Collier Jr., Birmingham.

They wore full length frocks of white crepe with basque bodices, featuring cowl necklines and bouffant skirts. Their Juliet caps were of Rose Point lace and they carried bouquets of red roses.

The bridegroom's father served his son as best man. Ushers were Dr. Doy Leale McCall, Monroeville; Dr. John Allen Crook, Union Springs, Dr. James Cook Wells, Opelika, and Dr Joe Byron Ray, Dothan.

Mrs. Sharp wore a floor length sheath dress of blue chantelly lace. Mrs. Adams' full length dress was of aqua chiffon. Both wore white orchids.

Following the ceremony a reception was held at Reynolls Hall of Alabama College. Assisting were Mrs. Denson Elliott Mrs. Robert Holcomb, Mrs. Thomas H. Napier, Mrs. Charles Wandeck, Mrs. W. B. Adams, Mrs. J. S. Ward, Mrs. Charles Gormley, Mrs. Phillip Dalton, Mrs. Howard Phillips, Miss Katherine Vickery, Miss Lorraine Pierson, Miss Lois Ackerly, Mrs. O. B. Alabama Alumni To Hold Rally

Alabama alumni and Alabama football players will meet and eat at the second annual University of Alabama Kickoff Barbecue Sunday, September 13, according to Karl Cecil Harrison, president of the Shelby County Alabama Alumni Association. Efforts are now underway to enlist a sizeable delegation from Shelby County to attend the rally.

Last year more than a thousand Crimson Tide fans from eight states attended the barbecue, met and cheered the 1958 Tide squad, and heard talks by Head Coach Paul "Bear" Bryant and his coaching staff. The rally will be held again this year in Denny Stadium in Tuscaloosa, and is scheduled for 4:30 p.m., with expectations that more than fifteen hundred alumni and friends of the university will be present.

Boy Scouts To Hold Fair in Montevallo

On August 7, 1959, the "Boys Scouts of The Cahaba District", will hold its annual "Scouts In Action Fair", in Montevallo. We want you to have a part in this.

There will be about 300 boys and 1,000 visitors. At 3 p.m. the fair will start with a parade through town, in which we want all of you to join in. The fair will last until 10 p.m.

There will be fun for young and old, Scouts will be competing for ribbons and trophies. There will be bridge and tower building, games, cooking, exihibits camp fire, singing, and Indian Fire Dance.

The Montevallo Cub Pack 59 and the Boy Scouts Troop 59 urge all to come and see how our boys work. Whether you have a boy in Scouts or not, you are a part of it, so give a hand and assist where you can. Don't let your boys down.

Chamber of Commerce Holds Regular Meeting

The Montevallo Chamber of Commerce held its monthly meeting on July 9 at Town Hall. Don H. Lovelady president, introduced many items of importance which were discussed by the group. Discussions were centered around new and needed housing developments and industrial expansion. Reports were made by some individuals and representatives of some of the standing committees. The membership has already reached 48 for 1959 and is expected that the special membership committee will put on an additional drive to secure at least 25 more members.

At the last meeting Foremost Dairies Inc., and Coosa River News Print Co., were introduced as new members. John Farrington, Rainbow Market, was also introduced as a new 1959 member.

The various Chamber of Commerce committees will be real busy the rest of this year completing items in the program which should make this the outstanding year in Chamber of Commerce activities.

The public is invited.

Benjamin Harrison, Jr., Enlists in Marine Corps

Benjamin C. Harrison Jr., son of Mr. and Mrs. B. C. Harrison Sr. enlisted in the Marine Corps and will report for active duty in August.

The former Montevallo High School student joined the Marines through the 120-day program which permits a young man to enlist now and select an active duty reporting date within a four-month period. While remaining at home, Private Harrison will build up valuable "service time" toward increased pay and promotion.

Full information on the Marines' enlistment program is available at the Post Office Building, Birmingham or from the Marine Recruiter when he visits this area.

Rotary Club Installs Officers

Montevallo Rotary Club installed new officers for the coming year at the club's regular meeting Thursday night. President, E. H. Turnock; Vice President, Charles Gormley; Secretary, Stanley Mahan; Treasurer, Milton Jeter; Directors, Albert Scott, Frank Baker, and Felix Lewis.

Mr. Eugene Reynolds gave a report on the Rotary International Convention which he attended in New York City June 6-11.

Incoming President Turnock gave the committee assignments for the coming year.

Shelby County Civil Defense Is Organized

On Wednesday evening, June 24, another County Civil Defense Organization meeting was held in the County Office Building. Many phases of the County Civil Defense work were discussed and plans made for extending the Civil Defense program into each town.

Much progress has been made in the County Civil Defense effort, particularly in the police and medical services. The communities of Calera, Columbiana, Shelby, Saginaw and Vincent have a total of 85 Civil Defense Police recruits organized into squads of seven men each. Mr. Walter B. Ozley is the County Civil Defense Police Chief and has done an admirable job in the furtherance of his service. He has had very good assistance from Claudius Tidwell and Arthur Davis of Calera; Elvis Roach of Saginaw; Laston Etress of Columbiana and Alf Lowe of Vincent. Very soon a representative of the Shelby County Red Cross will teach a class of first aid for the police service.

The 200 bed emergency field hospital has very recently been inspected by the Civil Defense Department and pronounced in readiness for any emergency. Mr. Rodney Rupert of Siluria, Associate Chief of Health and Radiological Service, worked out a color scheme for the grouping of the various hospital items and these items have been so marked and stored on a large trailer accordingly. This will greatly facilitate the setting up of the hospital when and if an emergency arises. Mr. Rupert is to be commended for his ingenuity and hard work in working out this problem.

Many other problems were discussed such as the problem of supply, welfare, warning signals, fallout problems, rescue, and other pertinent phases of Civil Defense. A film on Fallout and Its Effects were viewed. The proximity of Shelby County to Birmingham could make fallout a very dangerous problem to the survival of our citizens.

CANCER REPORT

Montgomery — Shelby County reported 13 of Alabama's 978 cancer cases during May. The State Health Department said today that Choctaw and Green were the only two counties which reported no new cancer cases last month.

The Department said cancer reporting for the State as a whole was up considerably during May, the April total being 559.

WHAT'S YOUR PLEASURE? Salt air? Trout streams? Skyline and bright lights? Whatever your vacation choice, you'll have more fun if you phone ahead for reservations. Long Distance makes it easy, too, to check in with the office while you're away or give the folks at home advance notice of that "whopper" you're bringing back. Calling Long Distance costs so little. Costs even less when you call station-to-station, with extra bargains after 6 P.M. and on Sundays.

RECIPE FOR RELAXING:

One get-together
One patio,
One extension phone
At your right elbow.
Stir not a bit—just
Cool in the shade.
When the phone rings—
reach—
You've got it made!

ANY COLOR PHONES in your home? If so, you're right in style. The Bell System has just won a special award for adding the beauty of color to telephones. It's from the National Society of Interior Designers—the first award of this kind ever made by the Society.

HERE'S A BEAUTY TREATMENT THAT SAVES MONEY! Sound impossible? Well, here's how it works. "Spring" type telephone cords—the kind that can't twist and catch on things—eventually lose their neat, tight curls. Then they're ready for a "permanent wave." (They get it when the telephones come in for repair.) Around one million cords get the full beauty treatment each year—washing, rewinding, and heat setting. $400,000 is saved by this annually, helping to keep down telephone costs.

HAPPENINGS IN THE HOUSE

by John Lewis Cates

The House adopted a House-Senate joint resolution read by the administration forces to recess the regular session June 23 and remain until August 25. By doing this, administration forces assured that the Governor would issue the call for a special session for education to convene Wednesday, June 24 in which he did issue and address the legislature on that date. I will have more to say about his speech in a later paragraph.

In recessing the regular session, there are approximately some 60 bills left remaining on the calendar to be voted on when the regular session starts again in August. No controversial bills have been passed or been on the calendar since the last report other than the bill amending the act which would abolish the State Board of Pensions and Security and appoint a commissioner of the State Department of Pension and Security by the governor. This measure after lengthy debate was indefinitely postpone by a vote of 52 to 30. The general feeling among those who opposed the measure is that too much power and more power would be vested in the hands of the governor in as much as one man would head and control the whole State Board of Pensions and Security. Proponents of the measure felt that it was needed to set up a "One man commissioner" over that department which would facilitate the handling of claims and pensions, etc. This proposed measure may yet have merit.

One of the most controversial bills yet to come that will be on the calendar is that providing for Supernumerary Circuit Solicitors of the state of Alabama, and creating retirement for certain Circuit Solicitors after some period of service. It is predicted this proposed measure will have rough sledding in both Houses.

Governor Addresses First Day Of Special Session

The governor issued the call for the special session for one purpose, that is for "providing legislation to provide for the necessary revenue and appropriations to meet the existing emergency in education in the state of Alabama". In the address he reminded the legislators of the plight of our schools that many of us are familiar with, and reemphasized again and again the need for additional funds. The governor further recommended that the legislature enact the following measures:

1. A three per cent sales tax on the sale of all new and used automobiles and trucks.

2. A three per cent gross privilege license tax on all construction contracts in excess of $25,000.

3. A construction amendment increasing the income tax on corporations from three per cent to a maximum of five per cent.

4. A construction amendment lowering personal income tax exemption from $1,500 to $1,000 for single persons and from $3,000 to $2,000 for married couples.

The governor further outlined other methods that he might consider for ways in bring other revenue if the afore mentioned suggestions were not passed.

1. Increase the cost of automobile licenses and registration fees to the same cost as they were in 1951.

2. Remove the sales tax exemption on heavy machinery.

3. Levy a three per cent tax on all advertising in newspapers, magazines, radio, and televisions.

4. Increase the tax on acholic beverages.

The governor further recommended the enaction of authorizing a revenue bill issued for schools in the amount of 75 million dollars with 25 million going to Universities and colleges and the remaining 50 million going to elementary and secondary schools.

The governor further recommended that the "frills" be eliminated and planned to use money only for that which is absolutely necessary.

The governor further stated that in the event of forced integration that our public education system be closed.

In the first two days, 20 revenue bills were introduced embracing revenue increasing from the 8 outlined proposals that have been mentioned and, of course, other revenue measures mentioned. It seems now that the three per cent tax on advertising will be favorably reported given out of committee. It is also stated that a tax on soft drinks will be given a favorable report.

House Will Not Recess For Fourth of July Holiday

The House and Senate by joint resolution voted to work through Thursday on the school problems and meet again later on Thursday and not take the week or ten day holidays as has been done in the past.

This writer would like to know the feeling of the people in this county on the proposed revenue measures or those already introduced and further revenue measures to be introduced. I would appreciate just a short note, letter, or card as to your ideas about our school financing program.

I solicit your help and deliberations on these most strenuous and forth coming measures.

Letters To Editor

Dear Theda:

I have wanted to write you for some time to tell you how much I enjoy receiving the Times Herald each week. It is surprising with the little contact I have had in Montevallo that I find so many items of interest to me in the paper. I see quite a few names of people I know and it is interesting to me to follow their activities.

There is one thing I wish you woud straighten me out on and that is the coding that follows the want ads. Each one seems to have a number followed by letters which don't spell much of anything. Sometimes they are in parenthesis; sometimes they are not. Sometimes the ads don't have any such coding and I am at a complete loss to figure it out. I would appreciate it if you would straighten me out as I am dying of curiosity.

I followed with a great deal of interest the activities of the basketball team and the football team this past winter and was quite proud of the showing that the boys made. Also, I find many things taking place at the college which I would dearly love to be able to see.

Each time the paper comes, I think of you and your wonderful father and hope you are well and prospering. Please give him my regards.

Very truly yours,
DAN THOMPSON
Manager, Financial Control
Welding Division
Westinghouse Electric Corp.
Buffalo, New York

(Editor's Note — We appreciate Mr. Thompson's interest in our newspaper and the community. He has made many friends here through his connection with the Montevallo Westinghouse Plant.

Perhaps many of our readers have wondered about the "mysterious" coding of our want ads. This is how it works. For instance, an ad is coded "7-9-2tch" —it means "insert in July 9 issue, run 2 times and charge it." If coded "6-3-tfch" it would mean "insert in June 3 issue run until telephoned otherwise and charge it." Also if coded "6-3-1tpd" it means run in June 3 issue one time paid. As for the parentheses, they don't mean a think. It just depends on the way the linotype operator sets it up.

Hope this clears up your questions.

Thanks for all the nice letters. Lets have more of them).

Freda Kendrick Completes Training

Portland, Oregon — Freda Kendrick, daughter of Mr. and Mrs. F. C. Kendrick, Route 2, Montevallo, Ala., completed her one-year internship in hospital dietetics at the University of Oregon Medical School Hospitals and Clinics on June 30.

Earlier that week, the interns attended a graduation dinner at which diplomas and pins were conferred by Miss Ruth L. Mercer, director of dietetics.

In order to become a dietitian, students must graduate from college with certain required courses and then serve a 12-month internship in an approved hospital to meet the requirements for membership in the American Dietetic Association.

Miss Kendrick is a graduate of Montevallo High School and Alabama College.

Mr. and Mrs. H. C. Moats and Mrs. M. A. Easters of Altha, Fla., visited the Stanley Braswells over the week end and Mrs. Essie Mae Adkins and family of Mississippi visited the Stanley Braswells the past two weeks.

BPW Clubs Hold Board Meeting

Organization and expansion of new clubs and a panel discussion of jury service for women were top subjects at the summer board meeting of the Business and Professional Women's Club held on the Alabama College campus recently.

Mrs. Agnes Baggett, treasurer of the state of Alabama and state organization chairman of Business and Professional Women's Clubs, spoke to board members on the state expansion program for the coming year.

She urged members to "let organization be our number one project." She defined expansion as "enlarging the scope of our work; to enlarge the place of our tn to incrase our units and numbers."

main goals of the organization committee: 1. work toward organization of at least one club in every county; 2. each club in the state organize a new club; and 3. each district director organize a club for her district.

"These are attainable goals," she stated, "and work, or action, is the answer to the accomplishment of such goals."

Laying out steps for organization of new clubs, the chairman told the group to "know your federation so well that it comes easy for you to make conversation concerning club facts, objectives and purposes."

Concluding her talk with a list of benefits derived from club membership, she stated that "B&PW club members belong to the largest organization for women as well as the organization which has made the largest contribution to the progress of women since its organization in 1919.

"Jury Service for Women," topic of a panel discussion, was another main point of consideration at the meeting.

The panel, made up of state committee chairmen and the state president of B&PW clubs, included: Mrs. Dorothy Woodall, state president, Decatur; Miss Bess Brymer Anniston; Mrs. Elizabeth Whitmire, Gadsden; Miss Frances Nelmes, Mrs. Helen Stevens, and Mrs. Lois Whitten, Birmingham; Mrs. Anne Mitchell, Mobile; Miss Nell Hopkins, Montgomery; Miss Bessie Mae Young, Cullman; and Mrs. Susie Burns, Tuscaloosa.

Mrs. Willie Graham, program co-ordination chairman and state 2nd vice president from Birmingham, acted as moderator for the discussion.

The panel reviewed some of the main obstructions to women jurors in state courts. These include home responsibilities, health, emotions, and court house facilities.

The panel concluded that women wish to share the responsibilities of full citizenship in the state government, pointing out that women have served on federal juries for a number of years.

Dr Minnie C. Miles, University of Alabama faculty member and 33rd vice president of the national organization, spoke to the group on the national federation an its foundation.

The regional conference of the B&PW clubs, scheduled for July, was also a topic of consideration. Leading the discussion were Miss Jane Ginn and Mrs. Elizabeth Christian from Birmingham; and Miss Gloria Anne Taylor, Bessemer.

Other business of the meeting included reports from state officers and progress reports from state committees.

State officers attending the meeting were: Mrs. Woodall and Mrs. Graham, president and 2nd vice president; Mrs. Nellie Mobley, Birmingham, 1st vice president Mrs. Jane Bentley, Huntsville, secretary; Mrs. Lucille Sconyers, Tuscaloosa, treasurer and Miss Hazel Edmondson, Brighton, editor of the Alabama Business Women, official publication of the organizbation.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Congress took final action on an excise tax extension bill last Monday and the President signed the measure into law the following day.

The new law continues for another year the excise rates originally imposed in 1951 on distilled spirits, cigarettes, passenger cars and automobile accessories. It will thus prevent the government from losing approximately three billion dollars in annual revenues.

The extension law contains some tax reductions, however. It reduces from 10 per cent to 5 per cent the tax on passenger transportation and repeals the levy on local telephone service. Both these provisions will go into effect on July 1, 1960.

GI Housing Loans

The President also signed into law last week a bill to increase the maximum interest rate on GI loans from the present 4-¾ per cent to 5-¼ per cent. The increased ceiling is expected to stimulate the availability of guaranteed loans to veterans. In recent years, the housing loan program has almost reached a standstill since private lending institutions have preferred to invest their funds elsewhere rather than lend to veterans at the previous interest rate of 4-¾ per cent.

The law also authorizes an additional $100 million for the direct housing loan program. Under this program, government loans are made to veterans residing in small towns or rural areas where private capital is not available for the financing of guaranteed home loans. This feature of the legislation had been opposed by the President.

Crop Loans Limited

A compromise appropriation bill for the Department of Agriculture, approved by Congress and sent to the White House last week, contains modified restrictions on the amount of price support loans available to any one farmer. It limits to $50,000 loans to any person on the 1960 production of any one surplus crop, unless the person agrees either to reduce the following year's production up to 20 per cent or repay the amount in excess of $50,000 within a specified period. Before a compromise was reached on the legislation, the Senate had endorsed a provision limiting the total of price support loans on all crops combined to $50,000 per farmer. According to the liberalized provision in the final bill, however, a large farm can obtain loans of up to $50,000 on each price-supported crop planted on it.

The appropriation measure as sent to the President contains almost four billion dollars for operating the Department of Agriculture and the Commodity Credit Corporation during fiscal year 1960. The total is $110 million less than the amount requested by the Adminstration.

Visitors

Washington visitors last week included the 1959 Chilton County Peach Queen, Miss Ola Faye Pierce of Verbena, and her chaperone, Mrs. Bob Sewell of Clanton. At a luncheon in her honor at the Capitol, the queen presented prize-winning peaches to members of the Alabama Congressional Delegation.

As Eisenhower--Measures The Problem

From Montgomery Advertiser

The South turned Eisenhower's picture to the wall when he used bayonets on the citizens of Little Rock, yet the resentment toward him was not what it would have been against, say Truman. There was a tendency to blame the rash act on Brownell and others in the administration. Southern wrath was moderated, we believe, by a sense that this was unlike the President, that he had acted impulsively and out of character.

It has become evident in numerous statements since then that the President saw Little Rock as a naked test of the authority of the world's mightiest government, a test that had to be met with force. He did not, in short, act with any unrealistic notion that the bayonets would change a single white man's mind.

This became evident once again last week in a poltically remarkable statement by the President. Now as before, The Advertiser believes that in time Eisenhower will come to regret Little Rock more than any other decision of his two administrations. Meanwhile, he gives satisfaction neither to the NAACP or the South.

He told a civil rights conference in Washington that civil rights could not be secured by enacting "too many punitive laws"; that he had "little faith in the ability of statute law to change human hearts or eliminate prejudice."

That Eisenhower, an essentially wise man, has a grasp of the problem was seen in his realistic observaation that the race problem seemed "almost to defy solution—all we can do is hold the line and wait for a change in mental conditions."

This is not to suggest that Eisenhower is in harmony with the South on race matters, but that he does have grasp and scorns to truckle to Northern extremism and what is politically expedient. Probably he has been shaken by the Supreme Court more than once, but considers it his oath-bound duty to uphold the rulings of the court. Wherefore he doubtless has much in common with many a federal judge in the South.

Soil Conservation District News

Annual reporting time for the Shelby County S.C.S. work unit has arrived. Compiling statistics on conservation practices for the past 12 months shows a continuing trend towards livestock and away from row cropping.

Those farmers remaining in the row cropping category, however, are not practicing soil conserving measures to the extent they should. This doesn't mean there aren't some of them doing a good job. Some are.

The trend toward larger and faster equipment has caused many to abandon old style terraces. These men should replace them with modern systems, with all possible "parallel terrace" in them.

Local work unit employees will gladly assist in designing a terrace and meadow system that will permit use of multi-row equipment, and preserve soil and retain it in place.

Edwards To Be Host For Barbecue

Mr. and Mrs. J. Harry Edwards again will be host and hostess to Shelby County Soil Conservation District workers, cooperators, and friends at an annual field day and barbecue. Their farm at Brierfield was the scene last year for one of the best barbecues those present had ever enjoyed.

The major difference is that last year's affair was for 6 counties, while this year Shelby County will be the only county involved. For this reason the first 400 people who buy tickets can come. Only about 50 or sixty were allotted Shelby County last year.

John Lewis Cates, district supervisor chairman, has formed an ingenious plan for financing the big feed.

Tickets are printed in pairs, a pair for $2.00.

The person who purchases a pair is a "sponsor" of the district. He can give the second half of the ticket back to the supervisors to be distributed to invited guests, or he can specify to whom the ticket will go. His name will be written on gift tickets.

This means conpanies and public spirited citizens can invite customers or friends to a real Edward's style barbecue and at the same time support a worthy effort in soil and water conservation.

The program for the day calls for field tours at 10 a.m., a program at 11 a.m. in the big pole barn, and dinner at 12 noon.

Don't miss this event—barbecue will be held August 5, 1959, at Brierfield Angus Farms on Highway 25 at the Bibb-Shelby County line. Speak for tickets now—write Soil Conservation District care of John L. Cates, Columbiana.

CHOW TIME—Men of the 122nd Quartermaster Company ARNG, Calera, take time out for a good hot meal. Pictured from left to right, Pfc. D. E. Thornburg of Columbiana, SP4 R. M. McCaig of Lincoln, and SP5 K. N. Key of Columbiana.

National Guard Unit in Field Training

The 122d Quartermaster Company of the Alabama Army Nationl Guard regularly stationed at Calera, Alabama, has now entered its final week of the annual two week summer field training at Fort Benning, Ga.

The Company has recently been changed from the transportation Corps to the Quartermaster Corps and designated as the 122d Quartermaster Company (Mechanical and Metal Repair) and attached to the 143d Quartermaster Group of the Alabama Army National Guard.

All men of the Company are fast becoming reacquainted with the ways of the Army in addition to on the job training, in their new jobs. While undergoing this on the job type training, the personnel of the 122d have many things to learn that are not often thought of in connection with the Military Service. The first job of any person in the Army is to be a soldier, but the men of the 122d must also become experts in such jobs as machinist, sheetmetal workers, electric motor repairmen, refrigerator repairmen and laundry repairmen.

In the event of mobilization the job of a Quartermaster Company such as the 122d would be to support a field Army by repairing or overhauling certain metal and mechanical equipment from typewriters to large material handling cranes.

At the end of this week the 122d will leave Fort Benning, Georgia, with much improved capabilities for doing their job better and more efficiently. The unit will arrive back at its home station, Calera, Alabama, Sunday afternoon, July 12, 1959, to resume its regular training schedule.

Engaged

Mrs. Mallie Killingsworth Compton of Calera announces the engagement of her daughter, Mary Charles, to Mr. Kermit Roberson, also of Calera. The wedding will be July 16th at 7:30 p.m., at the home of Mr. and Mrs. Bud Webb in Jemison. Everyone is invited.

Card of Thanks

We wish to thank our many friends, relatives, and neighbors, for their acts of kindness, fooa, cards and beautiful floral offerings in the death of our love one, Mr. Will Anderson.—Mrs. J. W. Anderson and children.

Mr. and Mrs. Joe Klotzman from Selma stopped for dinner and a brief visit the 4th. They were enroute to Gadsden.

Mr. Alfred Herron of Pea Ridge will serve the groom as best man. Ushers will be Mr. Billy Winslett, brother of the bride, and Mr. Glenn Cunningham of Montevallo.

The ceremony will take place at the Wilton Methodist Church on July 18 at 7:00 p.m. Rev. Gene McDowell will perform the ceremony.

AUCTION SALE

The weekly auction of agricultural and other items continues each Saturday night at 7:30 at Hilltop, which is one mile east of Montevallo on the Calera-Montevallo Highway. You are invited to bring items for sale or come to buy items.

Best Room!

Take a tip from the experts . . . in their own words . . . and from on-the-record facts and figures: More than ever, Chevrolet gives you more than any other of the leading low-priced three! More room to relax in, for instance. A sampling of official dimensions reported to A.M.A.* makes this clear. Chevy front seat hip room, for one thing, is up to 5.9 inches wider than comparable cars. And Chevy even offers more front seat head room than all but one of the *high*-priced cars!

Best Brakes Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR†-conducted test of repeated stops from highway speeds.

Best Style It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

Best Engine Every motor magazine has given Chevrolet's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: ". . . surely the most wonderfully responsive engine available today at any price."

Best Ride MOTOR TREND magazine calls Chevy ". . . the smoothest, most quiet, softest riding car in its price class." You'll be able to tell this yourself instantly, once you take the wheel.

Best Economy No doubt about this: two Chevrolet 6's won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car, 22.38 miles per gallon—with Powerglide.

Best Trade-In Check in any N.A.D.A.‡ Guide Book. Chevy used car prices last year averaged up to $128 higher than comparable models of the "other two."

VOLUME 27 MONTEVALLO AND CALERA, ALABAMA, JULY 16, 1959 NUMBER 12

Shelby County Highway Progress

The County Highway Department has just completed 7.3 miles of new pavement in the Calera area. The type surface is known as a double bituminous surface treatment. This new paved highway connects Calera on the west side and extends into the Dry Valley area connecting Chilton County in three places and making connections with State Highways 25 and 155. The County was fortunate in obtaining an excellent contractor for the placing of bituminous treatments for this summer. This is the one phase of County construction that the County Highway Department does not perform with its own forces. The intense competition for bituminous work so far precludes the possibility of the County being able to effect savings in this particular field. The County still has approximately 20 miles of resurfacing to be done and 23 miles of new highways to pave before October of this year.

Construction is on schedule for the US 280 to Dunnavant County Highway and the Fungo County Roads near Pelham. The recent addition of new and larger equipment to the County Construction Units has greatly bolstered their ability to move more excavation at an accelerated rate and at less cost per cubic yard. The above mentioned addition of equipment has almost doubled the earth moving capacity of the two County Construction Units.

Construction of five reinforced concrete culverts on the US 280—Dunnavant Highway is making good progress and is approximately 25% complete.

The truck groups, county bridge crew, Patrol groups, patrol tractor group and the other integral groups of the County Highway Department are making very good progress. The approximate 800 miles of county highways and bridges are spread over the some 800 square miles of the county and present many problems in their construction and maintenance. The County Radio Communication System is of great help in coordinating the many operations of the Department and its 85 highway employees. The radios also provide a factor of safety for the employees of the department as well as the public in watching for forest fires, vandalism and so forth.

Engineering surveys and plans are ahead of schedule for planned highway and bridge construction in the next couple of years. The Engineering staff is being bolstered with additional personnel to keep abreast of the increase in productivity of the construction program.

Churches Sponsor Bible School

Children between the ages of 4 and 12 are invited to attend Vacation Church School July 20 through 31, sponsored by the Montevallo Presbyterian Church and the Montevallo Methodist Chuch, to be held at the Methodist Church.

Registration and a Vacation Church School party will be held on Friday, July 17, from 3 until 4 o'clock. School hours are 9 until 11:30 a.m. Monday through Friday during the two weeks. Graduation will be July 31, from 7 until 8 o'clock, when the parents will be invited.

Refreshments will be served each day about 10 o'clock.

The Reverend James Chesnutt, left, pastor of Montevallo Methodist Church, and the Reverend David Kaylor, minister of Montevallo Presbyterian Church, with the Old Timey Ford they are using to publicize the Vacation Church School which begins at the Methodist Church next week.

FIRE AT TIMES PRINTING COMPANY PLANT

We had a slight fire at the plant of The Times Printing Company last Friday afternoon. No serious damage was done to the plant. Pressman Kenneth Walker was burned seriously enough to put him in the hospital. He is out now and will be able to resume work in a few days.

Some hustling work was done by employees who were on duty at the time and by the use of fire extinguishers which are kept on hand all the time, the fire was put out without much damage.

The Montevallo fire department came to the rescue promptly and would have handled the situation if it had been out of our control.

Everybody got a good scare, and we thank all who helped as well as others who were ready to help if needed.

Millers Open Law Office

Mr. and Mrs. Robert F. Miller announce the opening of their joint law firm of Miller and Miller, located at 5 Selma Street, Montevallo. Both Mr. Miller and his wife, Carol Fitzhugh Miller, are graduates of the University of Alabama Law School.

Mr. Miller recently resigned his position as Assistant United States Attorney in charge of criminal docket for the Northern District of Alabama in order to enter private practice. Mrs. Miller was formerly employed as Law Clerk to Judge Aubrey Cates, of the Alabama Court of Appeals.

Mr. Miller is the son of Mrs. R. F. Miller and the late Mr. Miller of Montevallo. He was born in Montevallo and attended Montevallo High School, and graduated from Phillips High School. He received the A.B. degree from Howard College. He was employed as a field expert for Diebold. Inc., before entering the U.S. Navy serving as Commanding Officer of Military Sea Transportation Service in Okinawa. He now holds the rank of Commander in the U.S. Naval Reserve.

Mrs. Miller, a native of Texas, received the A.B. degree from the University of Texas when she was 18 years old. She was graduated at the top of her class in Law School at the University of Alabama, where she was president of Phi Delta Delta Legal Fraternity and was a member of the Alabama Law Review Board.

Southern Bell To Have Display

Southern Bell Telephone Company will present a trailer display of all the latest telephone equipment for both home and office Friday, July 17 from 12 noon to 5 p.m. and Saturday, July 18 from 10 a.m. to 5 p.m. The trailer will be located in front of the town hall in Alabaster.

Souvenirs and soft drinks will be given to the visitors. Mr. J. L. Switzer, manager, extends a cordial invitation to everyone to come and view the display.

SCOUTS PLAN FAIR

Troop 59 of Montevallo are busy preparing for the "Scouts In Action Fair," to be held here August 7 at the Alabama College athletic field. The cooperation of all is welcomed to make this a big and better fair ever to be had in the Cahaba District.

Local Physicians Recommend Fourth Polio Shot For Everyone Under 40

Conforming with recommendations published in the July 11, 1959, issue of the The Journal of the American Medical Association, local physicians are now recommending a fourth poliomyelitis vaccine injecton.

The Journal states "An advisory committee of the U.S. Public Health Service formally recommended a fourth, or booster, injection of Salk poliomyelitis vaccine for infants and adults under 40 years of age. The PHS previously had not taken an offical stand on the fourth injection, on the grounds that the public should be encouraged to receive three injections first.

"The advisory committee proposed a basic schedule of four injections for infants under 6 months of age and for all adults under 40 who have completed the basic schedule of three injections at least one year before, and especially if several years have elapsed since completion of the basic series.

"The recommended basic schedule for all persons except young infants was three doses of 1 ml. each. The second injection would come four to six weeks after the first, the third, 7 to 12 months later, and the fourth a year or more later. For infants under 6 month or age a series of three injections of 1 ml. each, spaced one month apart and beginning as early as 2 months of age, and a fourth injection 7 to 12 months after the third was recommended.

"The committee, composed of representatives of the American Medical Association, The Defense Department, the PHS, and other experts, including Dr. Jonas Salk, said that vaccination of persons over 40 years of age with a fourth injection can be beneficial, but is less urgent since polio occurs less frequently in older individuals. Pregnant women should receive a fourth injection prior to the poliomyelitis season for the vaccine not only provides added protection against polio for the mother but also provides a passive immunity to the unborn baby."

The Salk vaccine is available at all local physicians' offices.

Eddins Is Named To Head School

Dr. William N. Eddins of Montgomery, son of Mrs. R. L. Veazey, of Twin Oaks, has been named superintendent of the newly organized Mountain Brook City School System in Mountain Brook, Ala.

For the past five years, Eddins has served as Public Relations Director of the Alabama Education Association, having previously served as deputy superintendent of the Gadsden City Schools and as principal of the Greenville School, Greenville, Ala., He is a graduate of the Montevallo public schools and received his B.A. degree from Henderson State Teachers College, Arkadelphia, Ark., and his M.A. degree from the University of Alabama. He holds a doctorate in education from Teachers College, Columbia University.

DR. WILLIAM N. EDDINS

During World War II, he held the rank of Lieutenant with the U.S. Navy. He is married to the former Frances Hayes, of Tuscaloosa. They have one child, a seven-year old son, Bill.

Many farmers find it pays to use their irrigation system to get quick germination of such summer crops as Sudan, says The Progressive.

To save time, heat wieners and buns in double boiler, says The Progressive Farmer. Wieners go in lower pan with a little water, buns in the top.

Rehabilitation Center Opens At The College

Vocational rehabilitation in central Alabama will take another step forward July 15 with the opening of a new service center on the campus of Alabama College serving a newly established district composed of Bibb, Chilton and Shelby Counties.

J. B. Harkins, district supervisor for the new area, said services which had previously been directed from the Birmingham office could now be expanded and extended to a larger number of people in the central Alabama area.

Asked who may may apply for aid from the division of vocational rehabilitation, Harkins replied, "Any person who feels he has a disability to work may apply." He stated that disabilities are not limited to physical handicaps only, but also include mental or emotional disabilities creating a substantial job handicap.

"Our work over the state has grown rapidly in the past 30 years," Harkins said. "In 1925 there were only three vocational rehabilitation workers in Alabama. Today, as a result of more interest on the part of the public in general and of increased aid from the federal and state government, there are some 60 staff members throughout the state. This includes the point service personnel, consisting of the Talladega School for Deaf and Blind, and the Alabama Society for Crippled Children and Adults. The Veterans Administration also cooperates with the service to aid veterans who are ineligible for certain VA benefits."

Falling within the scope of divisional services are medical and vocational diagnosis and evaluation, training and job placement, and in many cases the actual treatment or therapy needed to overcome or offset handicaps.

The district supervisor pointed out also that there is no charge for diagnosis and evaluation, nor for training and job placement. Charges on other special services such as books, tools and training supplies, hospital, surgery

J. B. HARKINS

and various types of therapy, depend upon the person's financial status.

"In some instances," he said, "the local district office is not equipped to handle needs of a particular case. In such cases the rehabilitation service will aid the person in securing treatment or training wherever it is available, either in or out of the state.

He pointed out that cost of transportation, maintainence and room and board while undergoing treatment or training also depends upon the person's ability to pay.

Most of the work in the three central counties will be in the field. Interviewing stations are to be established in accessable areas for those who would like to apply for aid but ar unable to come to the central office at Alabama College.

Futher information on the division's operation and services may be obtained by writing to the Vocational Rehabilitation Service at Alabama College, Montevallo.

Calera Civil Defense Unit

The Calera Civil Defense Police Unit has been organized for several months. Mr. W. B. Ozley of Calera is the leader of this unit as well as the County Civil Defense Police Coordinator. He has been ably assisted by Claudius Tidwell and Arthur Davis. Appointments have been issued to the men of this unit along with helmets, armbands and other data. Calera unit has held frequent meetings and has made definite plans to perform in emergencies and expand their group. Mr. Ozley is planning to organize a first aid course as soon as the Red Cross can provide an instructor. Plans have also been made to conduct a Police Orientation course. Civil Defense Police from all of the county units will have the opportunity to attend these courses.

Messers. Ozley Tidwell, Davis and each of the men in the Calera Unit are to be commended for the fine work that they are doing as volunteers in this public service. The Calera Unit is presently organized into two squads as follows:

W. B. Ozley, County Civil Defense Police Coordinator; Claudius Tidwell, Captain; Arthur Davis, Lieutenant.

Squad 1—Jim Owens, Sergeant. Squad members: J. M. Barrett, A. R. Poss, W. L. Palmer, T. J. White, J. L. Hadaway, Eugene Lucas, A. M. Crawford, W. H. McCullough.

Ricky Miller Saves Drowning Boy

Lifesaving instructions and skill proved valuable to a Montevallo Boy Scout from Troop 59. Ricky Miller, 15, rushed heroically to the aid of a small boy drowning in a pool at Panama City, Fla., Sunday morning.

The boy was playing in the pool with his father, who could not swim. He jumped into the pool and hit the bottom. A colored porter jumped in to help the father rescue the child, but he could not swim either. Consequently, both of them struggled against the water. Ricky said, "I knew I couldn't save the men but I was sure I could rescue the boy."

The men were rescued by two other men, while Ricky brought the child out of the pool. Artifical respiration was given to the colored man.

Ricky is the son of Mr. and Mrs. W. W. Brown, of Montevallo. He has been active in Boy Scouts for several years. He received his Jr. lifesaving instructions at Alabama College in 1956. Ricky is eligible for a Scouter's Award in heroic achievement.

ONE OF THE 7 BIG BESTS CHEVROLET GIVES YOU OVER ANY CAR IN ITS FIELD

Take it, not from us, but from official results of this year's Mobilgas Economy Run: Chevy's pennypinching 6 delivers the most miles per gallon in its field. For a pair of these Chevrolet sixes with Powerglide walked away with the first two places in their class, getting the best mpg figure—a whopping 22.38—of any full-size car. And here are more expert, impartial opinions and on-the-record facts backing us up on Chevy's other six bests:

BEST TRADE-IN

Check the figures in any N.A.D.A.* Guide Book. Chevrolet used car prices last year averaged up to $128 higher than comparable models of the "other two."

BEST STYLE

It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "Chevrolet establishes a new high in daring styling."

BEST BRAKES

In direct competitive tests of repeated stops from highway speeds, conducted by NASCAR†, Chevrolet out-stopped both of the other leading low-priced cars—and why not: Chevy brakes are far larger, built with bonded linings, to help lengthen brake life by as much as 66%.

BEST ROOM

Official dimensions reported to A.M.A.‡ make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars.

BEST ENGINE

Every motor magazine has given Chevrolet's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed this device is surely the most wonderfully responsive engine available today at any price."

BEST RIDE

MOTOR TREND magazine calls Chevy ". . . the smoothest, most quiet, softest riding car in its price class." You'll be able to tell this yourself, instantly. And your Chevrolet dealer can tell you about a long list of other advantages besides these 7 big ones!

Mr. Lewis H. Driver, presiding minister for the group, discussed the subject of "Proper Christian Conduct" at their meeting Thursday night in the Kingdom Hall and explained how Christians have certain Biblical standards which must control their actions.

Among those planning to attend as delegates from here are the following: Mr. and Mrs. Lewis H. Driver, Mr. and Mrs. M. H. Karr, Mr. and Mrs. Hubert Kirkland, Mr. and Mrs. Earl Walton, Mrs. Lewis Walton and Charlotte, Mr. and Mrs. Tom Mason, Mrs. Sarah Walton, Donna Kay and Chuck.

Shelby County Civil Defense Rescue Unit

The Shelby County Civil Defense Organization is presently and has been planning the formation of Rescue Squads for emergency use. A request has been registered with the State Civil Defense Dept., for the acquisition of Rescue Equipment. This request for surplus equipment has been in that office for several months. To date the County has received considerable equipment such as generators, a mobile crane but no equipment for water rescue. The County Shop is making approximately ten drag hooks and flood lift equipment will be rigged to the generators as soon as it can be acquired from some source. Mr. Tom Minor is the director for Civil Defense Rescue Operations and is planning an efficient organization. He will be recruiting volunteers for this work steadily in the coming weeks. A Red Cross first aid course has been planned for the Police and Rescue Service at an early date. This course will be held in Calera under the direction of the Red Cross and Mr. W. B. Ozley, Director of Police Service.

HAPPENINGS IN THE HOUSE

John Lewis Cates

(LEGISLATIVE REPORT)

The Ways and Means Committee has been in continuous session almost since the first legislative day of the special session. This committee has conducted hearings on the bills that were outlined in this last report and they have undertaken study on numerous other revenue-raising measures. The committee has yet to give a favorable report to any of the revenue bills introduced. The sentiment in the committee is to wait until they have heard most of the proposed revenue-raising measures and then report bills favorable out of the committee to be acted upon by the House.

As yet there seems to be no concentrated effort on any legislative groups in the House to get behind any particular revenue bill for school aid. Personally, I think that the members of the House are still of open mind and will consider every measure thoroughly before making decisions on such proposals. I myself want to know that which would best suit the people of Shelby County and that which would be best for our educational needs—and there is no doubt that there are stringent needs for increasing our revenues for schools.

The most recent bills introduced, all of which were referred to the Ways and Means Committee, were H.B. 92 and H.B. 93. H.B. 92 proposes to reduce the excise tax from 3c to 2c and remove all exemptions, and H.B. 93 would reduce the sales tax to 2c and remove all exemptions. It is reported that these two measures would give an additional $23,000,000 annually for education.

A similar measure introduced was H.B. 94. This bill would reduce the present sales tax from 3c to 2½c, and exempt only feed, seed, fertilizers, fungicides and insecticides. This measure, if passed, is reported to give an additional $28,000,000 in revenue.

All three proposals will certainly be highly controversial, yet many members feel that there is merit in the two cent sales tax with all exemptions removed, and the 2½ sales tax with certain exemptions removed.

Another measure of interest to our people is H.B. 69 which would be an amendment: To increase the automobile tag from $3.00 to $13.00 and by constitutional amendment transfer the additional $10.00 into school finances.

Still another measure introduced by the author that brought chuckles from the House was that of levying a tax of $5.00 per gallon on illicit liquors confiscated and collect the tax after the conviction of the parties.

One other measure that will probably be of merit, but with much opposition, is that of increasing the present sales tax of 3c to 4c and retaining the same exemptions.

These are measures introduced which, I think, have merit and will be controversial and will be interesting to follow their outcome.

The Ways and Means Committee most likely will report some of the measures already introduced onto the floor by next week and debate on them will certainly be hot and furious.

Officials in the State Health Department have assured me that they plan to come to our County and work on pollution control plans and make recommendations thereto. As more plans are made on these matters, I shall keep you informed.

College Discontinues Dairy Operation

Operation of the Alabama College diary farm has been discontinued as of Tuesday, July 7.

Authorization to close down the farm, which had been operated by the college for more than a half century, was granted by the executive committee of the college's board of trustees last week.

The 82 dairy cows, Holsteins and Guernseys, have been sold to the N. H. Water's Dairy at Montevallo.

The college will purchase raw milk and will homogenize and pasturize it in a new ceramic tiled milk processing plant now under construction on the site of the former dairy farm. The college dining rooms consume approximately 150 gallons of milk per day during the regular college year.

Dr. Howard M. Phillips, President of Alabama College pointed out that investigations have shown that milk could be purchased at cost approximately the same or less than the basic cost of the diary operation. Also, discontinuance of the diary farm would eliminate the spending of from 25,000 to $40,000 for additional cows, new fences and gates, additional equipment and renovation of the physical plant.

In other action taken by the executive committee, authorization has been granted to convert one of the dairy barns to an apartment building for faculty housing. Plans call for converting the present barn into three 3-bedroom and four 2-bedroom apartment, landscaping and other improvements.

Work on converting the building was begun Monday, July 6, and will be completed by September 1. New faculty and staff members of the college will occupy the new apartments.

Plans for four additional on-campus parking lots were also approved by the board members. Three of the new parking lots will be located near Palmer Hall on front campus, at the north end of the campus by Comer Hall, and at Ramsay Hall, freshman men's dormitory. The lots which will accommodate some 250 additional cars, are scheduled for completion by September 1.

Good defoliation of cotton is possible only if the chemical hits each left, advises The Progressive Farmer.

Begin fall garden plantings with vegetables grown in spring, says The Progressive Farmer.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Another of the bills designed to reverse controversial Supreme Court decisions was passed by the House of Representatives last week on a roll call vote of 262 to 138.

It provides that a confession obtained from a criminal suspect in the period between his arrest and arraignment cannot be barred as evidence in federal courts solely because there is a delay in arraigning the suspect. The bill requires arresting officers to advise suspects that they are not required to make any statements and that any made will be used against them.

Court's Decision

In 1957, the U.S. Supreme Court reversed the death sentence of convicted negro rapist Andrew Mallory on the grounds that the seven-and-one-half-hour lapse between his arrest and arraignment invalidated his retailed confession to the crime. In its decision, the Court held that the delay violated the federal court rule of arraignment "without unnecessary delay".

The following year, the House passed a bill similar to the one approved last week, providing that an otherwise admissible criminal confession could not be thrown out due to a delay in arraignment. During debate, it was pointed out that there are often cases of delayed arraignment that cannot be prevented.

When the bill reached the Senate last year, it was approved with amendments, and the House later agreed to a compromise measure. However, when the compromise bill was brought up for vote in the Senate in the closing hours of the session, it was ruled out on a technical point of order raised by one senator and sustained by the Vice President.

Although the Mallory Bill has not yet been taken up again by the Senate, several senators have indicated their intentions to offer modiying amendments to the House version of the bill.

Plan Defeated

With his Reorganization Plan No. 1 of 1959, the President attempted to transfer from the Secretary of Interior to the Secretary of Agriculture the authority both to make sales and exchanges of public national forest lands (including all minerals on the lands) and to sell certain minerals on acquired forest lands.

When the plan was submitted to the House for vote last week, it was defeated by more than a two-to-one majority.

Under terms of the Reorganization Act of 1949, Congress is not permitted to amend a reorganization plan. If the plan is presented to either house of Congress for vote it must be rejected or accepted without modifications. Such plans automatically become effective within 60 days after they are submitted unless either the House or Senate votes to disapprove them.

In its report urging the House to reject the plan, the Government Operations Committee emphasized that the Secretary of Agriculture would be vested with liberal power to dispose of valuable mineral resources without first checking with the Interior Department. It was also pointed out that "the plan will at best cause only minor savings" and that the benefits to be gained from it are far outweighed by the disadvantages.

Funeral Held For D. B. DeMent

Masonic funeral rites were held for Dock Benjamin DeMent of Marvel, Rt. One, Monday afternoon at 4:00. Interment was at Mt. Carmel Cemetery, West Blocton.

Mr. DeMent died at his home Sunday morning following an operation and a three-weeks period in the hospital.

A native Alabamian, Mr. DeMent was born at Moulton in Lawrence County, January 12, 1880. Working in and around the coal mines most of his life, Mr. DeMent was an employee of Roden Coal Company, Marvel, for nine years and an employee of Southern Coal and Coke Company, Boothton, 41. He had been retired for eight years.

Mr. DeMent was a member of the Mayberry Christian Church.

All who knew him, knew of Mr. DeMent's love for the Masonic Lodge and his ability to teach Masonic work. Having joined the DeMent Lodge in Birmingham 54 years ago, he was a member of Central Lodge No. 70. The children are Jack DeMent, Bessemer; D. B. DeMent, Beaumont, Tex.; Claud DeMent, Birmingham; William G. DeMent, Macon, Ga.; Susie DeMent, Montevallo; Mrs. R. P. Yonce, Hilo, Hawaii; Mrs. Guy Mason, Red Level; Mrs. Mack Miles, Montevallo; DeLene DeMent, Marvel, Rt. One.

Laboratory Plans Are Discussed

Plans for an outdoor laboratory for instruction in resource conservation was the main topic of discussion at the Alabama Council on Conservation's second annual meeting held this week on the campus of Alabama College.

Discussion centered around the location of sites for outdoor laboratories to be set up by the organization, how such laboratories could be financed, and how the curriculum could be formulated to be accepted by colleges and universities as an accredited course.

Basically, the program is designed to provide futher instruction for teachers in all levels of education and prepare them for classroom instruction in conservation.

Dr. Herbert A. McCullough, chairman and professor of biology at Howard College, Birmingham, said the program, when set up in full operation, would be "the practical side of biology giving participants a first-hand view of the interrelationships between plant and animal life."

He said staff members of colleges and universities in the state, the Conservation and Agriculture Departments and from other members in the field of education would be called on to provide instruction for the project.

Suggested sites for the laboratories are at the Bankhead National Forest near Double Springs in Winston County, and in the area of the 16th section school lands near Haleyville.

Letters to Editor

Dear Editor:

Enclosed is my check for $2.00. Please renew my subscription for another year. It is fine to have news of the people where I lived and worked for eleven years, and I should not like to miss a single copy.

Thanks for reminding me.

Tree Seedlings Are Available

Pine seedlings and any other tree seedlings produced at the State Forest nurseries can be ordered during the month of July and August advises C. M. Stuckey, Shelby County Forest Ranger.

All tree seedlings are $4.00 per thousand except Arizona Cypress which is priced at $5.50 per thousand F.O.B. any of the state nurseries located at Autaugaville, Auburn and Atmore, Alabama. An amount representing half the value of an order must accompany all applications.

Application blanks can be secured for this purpose from the County Agent, Soil Conservation Service or the Forest Ranger in the county.

The following species of tree seedlings are available for planting as long as they last: Longleaf pine, loblolly pine, slash pine, shortleaf pine, yellow poplar, catalpa, Arizona cypress, and a small amount of red cedar and black walnut. These seedlings are produced at cost to the public as a public service to encourage reforestation of idle lands.

DR. FRED GRIFFITH IS ROTARY SPEAKER

Dr. Fred A. Griffith, Chairman of the Social Science Department at Maryville College, Maryville, Tenn., was guest speaker at the Montevallo Rotary Club last Thursday night. Dr. Griffith, visiting professor at the National Science Institute at Alabama College this summer, spoke on "Science and the Law".

Mr. E. H. Turnock, president of the club presided. There were 35 members present.

An acre of corn should produce a ton of silage for each 5 bushels of shelled corn it yields, says The Progressive Farmer.

Judge Windham To Speak Tonight

Circuit Judge Whit Windham of Birmingham will meet with Methodist at the Columbiana Methodist Church this Thursday at 7:30 p.m. Judge Windham is president of the Methodist Layman's Union. Delegations from the Methodist churches in the Sylacauga District are invited. The program and purposes of the Layman's Union will be explained and important matters relating to the need of retaining the present jurisdictional system will be considered. An organization of the Methodist Layman's Union for the Sylacauga District will be effected.

Clarence Pinson, member of the Executive Committee and Gordon Scarboro, secretary-treasurer, of the Layman's Union will accompany Judge Windham.

When hogging-off corn, advises The Progressive Farmer, hogs need some protein concentrate to balance the feed and plenty of clean water close by.

MISS HALSA MATHIS

Miss Mathis To Marry in October

Mr. and Mrs. William James Mathis annonce the engagement of their daughter, Halsa Jane, to James Arthur Shields of Birmingham, son of Mrs. Micheal Shields Jr., and the late Mr. Micheal Shields Jr.

The bride-elect's maternal grandparents were the late Mr. and Mrs. Joseph McKnitt Alexander of Selma. Her paternal grandparents are Mr. and Mrs. John B. Mathis of Lawndale, California, also the late Mrs. Mollie Graham Mathis.

Miss Mathis is a graduate of Thompson High School. She was salutatorian of her class of 59, and a member of the Beta Club Honor Society for three years serving as treasurer her senior year. Miss Mathis was also a member of the Student Council for 2 years, serving as secretary for the council the year 57-58. She is now attending Massey College of Birmingham, Alabama.

The prospective bridegroom is the grandson of Mrs. John A. McGuirk and the late Mr. John A. McGuirk and paternal grandparents Mr. and Mrs. Micheal Joseph Shields, Sr. He is a graduate of Phillips High School and has attended Alabama Polytechnic Institute.

Mr. Shields is now employed by Standard Oil Company of Birmingham, Alabama.

The wedding will be an event of October.

Miss Harrell, Mr. Davis Are Wed

The wedding of Miss Phyllis Marie Harrell and Tillman Edward Davis was solemnized at 7:30 p.m. Friday, July 3, at Providence Baptist Church near Montevallo. The Rev. J. L. Adams of Clanton officiated.

Parents of the couple are Mr. and Mrs. James Earl Harrell of Montevallo and Mr. and Mrs. Ed Davis of Columbiana.

Charles Holcomb and George Walling lighted the candles.

Mrs. Bobby Holcomb, cousin of the bride, attended her as matron of honor. She wore a waltz length dress of pink brocaded taffeta and carried a bouquet of pink carnations.

The bride was given in marriage by her father. She wore a waltz length dress of lace and net over taffeta. The veil of illusion fell from a lace head piece. She carried a white orchid centered on a white Bible.

Malcom Joiner, brother-in-law of the groom served as best man. Ushers were the candlelighters.

As a fervent benediction, Jim Windel of Columbiana sang "The Lord's Prayer".

Both mothers wore navy dresses with matching accessories and corsages of white carnations.

The reception was held in the educational building. Assisting were Mrs. Curtis Lowery and Nelle Harrell, cousin of the bride. Rena Davis, sister of the groom presided at the bride's book.

The couple will make their home in Columbiana.

The S. R. Manning Family Enjoys

TOTAL *Electrical* Comfort

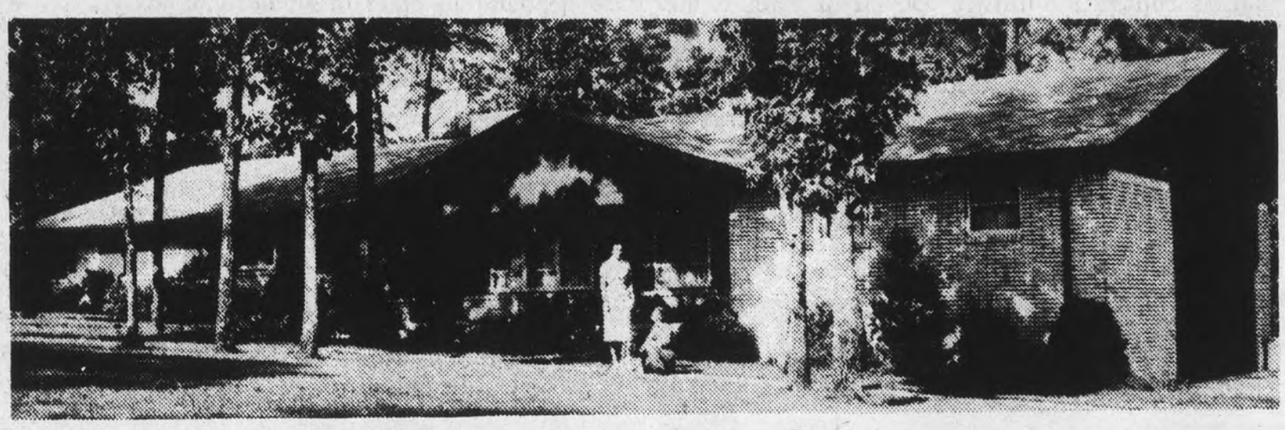

Including Electric Heat in Winter and Electric Cooling in Summer!

Mobile contractor S. R. Manning, Mrs. Manning and their three daughters — Sharon, Fay and Linda — in the living room of their TOTAL ELECTRIC HOME at 3 Lakeview Drive, Spring Hill, Ala.

The S. R. Mannings, who live at Spring Hill, a suburb of Mobile, are one of the fast-growing number of "$1.00-a-Day" electrical families — families who cook, heat water, wash dishes, cool and heat their homes . . . and do with electricity everything that can be done electrically. Mr. Manning, a building contractor, says of his TOTAL electric home: "It's hard to believe that we get all of this convenience, cleanliness and comfort, including the operation of our heat pump — which provides cooling in summer and heating in winter — for a little more than a dollar a day!"

If you're planning to build or remodel, or if you're going to replace a worn-out heating system, inquire about the various kinds of electric heating.

Mr. and Mrs. James F. Herring and their sons Johnny, 11, and Jim, 16, live at 2601 Kingswood Road in Birmingham. They all enjoy the air-conditioned comfort of the ELECTRIC heat pump, which cools in summer and heats in winter. They have the convenience of a plentiful supply of hot water always because the water is heated electrically. Cooking, refrigeration and many small appliances, television and two radios make for TOTAL ELECTRIC living. And yet with all this, their electric service bills average only $33 a month or less during the hottest weather and $39 a month during the coldest weather. "I like the even softness and cleanliness of ELECTRIC heat," Mrs. Herring says. Mr. Herring has a dry cleaning business in Birmingham.

Nelson Receives Research Stipend

Dr. Gideon E. Nelson, Jr., Associate professor of Biology at Alabama College has been awarded a research stipend from the National Science Foundation.

Nelson will carry out research on marine birds. He will conduct his studies at the Gulf Coast Research Laboratory at Ocean Springs, Mississippi, starting this week and continuing until the first of September.

Research will be done by Dr. Nelson on the behavior of marine birds in flocks, specifically to determine the significance of the composition of flocks of marine birds. Nelson's headquarters will be at Ocean Springs Laboratory, but a large part of his research will be done on outlying coastal islands off Mississippi.

Reports of Dr. Nelson's research will be made to the National Science Foundation in Washington.

Other research carried on by Dr. Nelson since joining the Alabama College faculty in 1952 include a limnological study of a central Alabama lake and the toxonomic relationship of the sparrow family. Results have been published in the Journal of the Alabama Academy of Science.

Nelson has served as chairman of the Biology Section of the Alabama Academy of Science and as Associate Counselor of the Alabama Academy of Science. He is also a member of Sigma Xi; Phi Sigma; the American Ornithologists Union; the Cooper Club and the Florida Academy of Sciences.

Many People Are Unaware of Their Eligibility for Social Security Benefits

Many persons are unaware that because of recent changes in the Social Security they man be entitled to Social Security benefits. Pictured above is Mrs. Kennie Rape of Columbiana, receiving her first check for monthly benefits from Mrs. AnaKenda Jones, Field Representative for Shelby County. These monthly checks are based on the earnings record of her son, L. C. Rape, who died in July, 1952. At that time a dependent parent could not receive benefits if the deceased son was survived by a widow or children. In September 1958, the law was changed. It was only recently that Mrs. Rape learned about this change and she immediately contacted Mrs. Jones to file her claim.

The monthly check which Mrs. Kennie Rape will receive from now on will not affect in any way the amount of the monthly benefits which the widow and children of Mr. L. C. Rape have been receiving ever since his death.

In order for a dependent mother, age 62 or over, or a dependent father, age 65 or over, to qualify for benefits, they must prove that they were dependent on a son or daughter who died fully insured under Social Security, This proof must be filed with the Social Security office before August 1960, or within two years after the date of the son's or daughter's death. This proof of dependency on the deceased son or daughter must be filed before August 1960 even if the parent is not yet of retirement age.

If your were denied parents benefits because your son or daughter was survived by a spouse or child, you are urged to contact your Social Security office as soon as possible.

The Social Security office for Shelby County is located at 1710, 1st Ave. No., Birmingham. Mrs. Ana Kenda Jones, the Field Representative for Shelby County can be contacted at the Calera Town Hall on Thursdays from 9:00 a.m. to 1:00 p.m. and will be glad to answer your questions about Social Security and assist you in filing a claim.

JANICE WATERS TO VISIT 50TH STATE

Under the supervision of the Brownell Travel Agency, Jan will be shown many of the most interesting spots in Hawaii.

Her return trip to Alabama will be by plane.

SHELBY RED CROSS TO BE CLOSED

The office of the Shelby County Chapter of the American Red Cross will be closed until August 3. In case of emergency messages only, please contact Mrs. Cates at Owen 4-5301 or Mrs. Roberts at 4-3051.

Calera PTA Has Radio Program

The Calera P.T.A. will sponsor a series of programs over radio station WBYE beginning July 27, to last several days. The time of the programs will be from 9:05 a.m. to 9:20 a.m.

Mrs. A. M. Crawford, President, will speak on "Understanding What Your P.T.A. Is Working For." Mr. Elvin Hill, Superintendent of schools in Shelby County will be interviewed. He will be asked about county-wide educational conditions. Some of the programs will consist of round table discussions of local educational problems.

Any P.T.A. president or member of any other Shelby County P.T.A. is invited to join in these discussions. Please contact Mrs. A. M. Crawford NO 8-6021 for further information.

Chicken with a difference!...

HERB-FRIED CHICKEN AND GRAVY

- ½ cup flour
- 2 teasp. paprika
- 2 teasp. salt
- ⅛ teasp. pepper
- 1 teasp. ground thyme
- 1 teasp. ground marjoram
- 1 cut-up frying chicken (2½ to 3 lbs.)
- ¼ cup hot shortening
- ⅓ cup water
- 1⅓ cups PET Evaporated Milk (1 tall can)

Mix flour, paprika, salt, pepper, thyme and marjoram in shallow dish or on waxed paper. Set aside ¼ cup mixture for gravy. Roll chicken pieces in rest of mixture. In 10-in. skillet brown chicken in hot shortening. Cover and cook over low heat 25 min., or until drumstick is tender when pierced with fork. To crisp chicken, remove cover and cook 5 min. more. Put chicken on warm platter. Take skillet off heat. There should be about ¼ cup drippings. Stir the ¼ cup set-aside flour mixture into drippings until smooth. Stir in water until smooth. Cook and stir until mixture boils and is thick. Stir in PET Milk gradually. Heat just until steaming hot, but do not boil. Serve with chicken. Makes 4 to 6 servings.

Up a steep mud-choked wash—Positraction pays off!

Through a mountain stream—deep in Avintaquin Canyon.

NO MOUNTAIN CAT, MISTER...

That's a Chevy with Positraction!

That 3134 Fleetside has the sure-footed ways of a big western bobcat. Roams through high brush country that would buck the life out of most trucks. Crosses streams without benefit of a bridge. Climbs talus grades where piñon won't even grow. But that's all routine for this Chevy, equipped with Positraction* rear axle. It's hard at it every day for the Utah Fish and Game commission. Figure about 60,000 miles of mountaineering before this Chevy is traded. And yet the district officer who drives it would bet his badge the tie rods won't even need replacing!

Out in that wild, climbing Utah country, Chevy's suspension and frame and brakes, its Positraction rear axle and Thriftmaster 6 power are proving themselves under rougher conditions than most test engineers could dream up. They're proving that Chevrolet's advanced engineering and design ideas pay off—in spades—when the going gets especially mean and dirty.

Positraction, of course, is a big plus on this job, providing the sure grip needed to dig through mud, snow, loose sand, whatever comes along. Could be that a Positraction-equipped ½-ton pickup is the answer for your area of operation. Or maybe a 4-wheel drive Chevy. We've got trucks that specialize in getting in and out of any kind of country. Talk to your dealer about your needs. He'll show you what tough trucks are made of.

**Optional at extra cost*

NOTICE—OLD-TIME MINERS

About 50 years ago there was a coal miner around here by the name of Jonh Palladini, an Italian.

It is thought that a memorial stone for Mr. Palladini was placed at a mine in this area. He has a son in Italy who is seeking information about the memorial through the Italian Consul in New Orleans.

The Consul General has asked the Mayor of Montevallo to help locate this memorial to Mr. Palladini.

Therefore we are publicizing the request on the chance that some of the old-time coal miners hereabouts may be able to supply us with some information on the subject.

It would be appreciated.

ROCHESTER REUNION

The L. F. Rochester reunion was held at their home Sunday, July 19, in Montevallo. Dinner was served under the trees in the yard.

Out-of-town guests were Mr. and Mrs. John T. Cooper and son, of Hartselle, and Miss Sandra Fortenberry, Pelham. All the children were present except Jimmie, who is in Germany, and Mr and Mrs. Harold Nix and children because Jimmie was at home in a cast from a spinal operation.

Those present were Mr. and Mrs. J. M. Rochester and Tony; Mr. and Mrs. Harvey Rochester and Joel; Mr. and Mrs. Jack Rochester and daughters, Debby, Ginger and Linda; Kenneth, Leldon and Sandra Rochester.

The occasion was also the birthday celebration for J. M. and Kenneth.

Miss Winslett Mr. Hyde Wed

In a 7 p.m. Saturday ceremony at the Wilton Baptist Church, Miss Elizabeth Winslett became the bride of Willie Ray Hyde. The Rev. Gene McDowell performed the ceremony before an altar decorated with ferns, white gladioli, and candelabra with white tapers.

Music was presented by Mrs. Lydia B. Murphy and Mrs. Allen Williams (Anita Bradley), vocalist from Selma.

Parents of the couple are Mr. and Mrs. Jewell Winslett of Wilton, and Mr. and Mrs. Odell Hyde of Pea Ridge.

The bride's only attendant, Miss Mildred Jones, of Montevallo wore a street length dress of blue with matching accessories. She carried a bouquet of white carnations.

Given in marriage by her father, the bride was gowned in a ballerina length dress of white lace over taffeta. Her shoulder length veil of illusion was caught to a crown of seed pearls. She carried a white Bible topped with a white orchid.

Alfred Herron of Pea Ridge served the groom as best man. Ushers were Billy Winslett, brother of the bride, and Glenn Cunningham.

The bride's mother was dressed in mint green with white accessories, and the bridegroom's mother wore a white dress. Their corsages were of pink sweetheart roses.

Following the wedding ceremony a reception was held at the home of the bride's parents. Mrs. Clemmie Bradley, aunt of the bride, presided at the refreshment table. A color scheme of green and pink was carried out in the wedding cake and table decorations.

Miss Janice Hyde kept the bride's book.

The young couple are living in Birmingham where Mr. Hyde is employed.

Delegates Named To AAUW Meeting

Mrs. S. E. Gerard Priestley, president of the Montevallo Branch of the American Association of University Women, and Dr. Lucille Griffith, second vice President of the state A.A.U.W., will attend the annual workshop at Howard College in Birmingham July 30-August 1. Mrs. Priestley will report to the workshop delegates on the International Relations program of the national A.A.U.W. convention which she attended in Kansas City, Missouri, June 21-26.

Dr. Griffith will preside at a meeting of vice presidents on July 30 and at the general luncheon on August 1.

Other Montevallo delegates to the workshop are Dr. Katherine Vickery, state chairman of the Status of Women committee; Mrs. M. Thornton, chairman of the local branch committee on elementary and secondary education; Mrs. [illegible]ney Baine, chairman of the higher education committee; Mrs. Carl Edfeldt, legislative chairman of the local branch; and Mrs. David Kaylor, secretary.

Mrs. Gerard Priestley, left, and Dr. Lucille Griffith make preparations for attending the A.A.U.W. Workshop in Birmingham.

Take That Catalog To The Fair

The tenth annual Shelby County Fair catalog will have a potential cash value in addition to several pages of information about the fair, the county in general, and activities of interest to Shelby Countians.

When the winning ticket is drawn for the Brierfield Angus steer, Saturday night, August 29, the winner should have both his ticket stub and fair catalog with his family name written across it anywhere.

As is customary, the winner will not have to be present in person, but someone will have to have his stub there at the drawing. If the winning stub is not immediately presented the drawing will continue until a stub is forthcoming.

And, if the stub is accompanied by a signed catalog a cash additional award of $25.00 will be added to the steer. The Columbiana Quickfreeze has agreed to slaughter, process, and package the steer free except for head and hide, for the winner.

Save and read your catalog. Every effort is being made to get this 32 page catalog in every rural or post office box the week previous to the fair. Read it and save it, patronize the advertisers.

Mrs. James Seale of Columbiana spent Sunday afternoon with her mother, Mrs. Bob Comer.

Teacher Attends Science Institute

One teacher from Shelby County is among the 57 attending part two of the University of Alabama's Summer Institute for High School Teachers of Science and Mathematics.

This session, which began July 20, is being held primarily for junior high school teachers. The Institute closes August 21.

Purpose of the Institute, financed through a grant from the National Science Foundation, is to provide opportunities for teachers of sciences and mathematics to widen, modernize and improve their background of subject matter. The teacher-students are brought into personal contact with productive scientists on the staff of the University and elsewhere.

Taking part in the Institute from Shelby County is Mrs. Marjorie Simpson of Alabaster.

Lucinda Jane Poole, daughter of Mr. and Mrs. Finis Poole of Murfreesboro, Tenn., is shown above with her birthday cake celebrating her 2nd birthday at the home of her grandparents, Mr. and Mrs. Lex Ozley, Saturday, July 18th. Lucinda enjoyed a trip to the zoo in Birmingham.

Schools To Open Monday, Aug. 31

All Shelby County Schools will open Monday morning, August 31 for registration, with the regular schedule beginning Tuesday, September 1. After one week of school, Monday, September 7 will be given as Labor Day Holiday, and classes will resume Tuesday, September 8.

All children who will enter the first grade must be six years old on or before October 1, 1959.

A birth certificate is required before a child can be officially enrolled in the first grade.

BPW Members Enjoy Picnic

Baked ham, potato salad, ice tea, sliced tomatoes, fresh peach ice cream and water melon were some of the delicious foods that made up the menu for a delightful picnic supper enjoyed by members and guests of the Business and Professional Womens Club Tuesday evening, July 21st, at Mrs. Ruth Ratliff's home on the Siluria Road.

This was followed with a very interesting program presented by Miss Josephine Eddy and Mrs. Marcia Sears.

Miss Eddy gave a brief review of history and organization of National and Alabama Federation, after which Mrs. Sears, member of the Prisonary Farm Committee, reported on facts and information obtained upon a recent visit to the prisons. Mrs. Sears stated highlight of her visit was hearing about plans and changes which Mr. McCullough, Commissioner, would like to make in near future. Miss Eddy is serving as chairman of this committee.

Junior Cattlemen Are Organized

If Shelby County's future success in the cattle industry can be measured by the enthusiasm of the younger set for their projects along this line, then the cattle business should prosper.

This younger set of cattlemen held an organizational meeting at the Shelby County Courthouse at Columbiana last Monday night with 19 joining members. A constitution was adopted for the Shelby County Junior Cattlemen's Association and officers elected. Mr. John E. Jones is adult advisor for the group.

Officers named were president, Larry Wheeler, Columbiana; first vice president, Lester Elliott of Double Oak Mountain; second vice president, Benny Nivens, Columbiana; and secretary-treasurer, Johnny Johnson, Montevallo.

Attending the meeting from Montevallo were Mackey Miles, Rickie Miles, Earnest Blankenship, Johnny Johnson, and Mrs. Malcolm Miles. Senior members of the Shelby County Junior Cattlemen's Association present were W. L. Lawler and Albert Scott.

BAPTIST CHURCH PICNIC

The Montevallo Baptist Church picnic will be Wednesday, August 5, 1959, 6:00 p.m. at Big Springs.

Each family is asked to bring a picnic basket and drink to take care of the family and any visitors that may attend with you. It is hoped that each family will have a full attendance and make this a fine period of fellowship and fun.

Teachers Plan Inservice Study Program

After a brief vacation, Shelby County teachers are beginning to think about their work for the coming year. This is especially true for those who will serve in a leadership capacity for the county-wide Inservice Study Program for Teachers next year. All teachers in the county will participate in a study of the present curriculum and make suggestions for needed revisions.

The leaders of the study groups will meet on Thursday afternoon and evening, August 6, in the auditorium of the County Office Building in Columbiana. They will hear a panel discussion on How To Be A Good Group Leader, Co-leader and Recorder. Miss Aileen Pope will serve as moderator of the panel and other members will be Mrs. Irene Hamric, Mrs. Mildred Beavers, Mr. H. C. Wier, and Mr. J. O. Gorman. Miss Martha Smith, from the State Department of Education in Montgomery, will summarize the discussion.

Dr. W. M. McCall and Miss Lulu Palmer, from the State Department of Education, will talk on The Responsibilities of Teachers for Improving the School Curriculum.

These consultants, Mr. Elvin Hill Superintendent, and Miss Anita King, Supervisor of Instruction, will meet with small groups to help make detailed plans for the study during the coming year.

Members of the County Planning Committee for In-service Study, of which Mrs. Emily Pendleton is chairman, will be host at a supper for the group leaders.

The following teachers are expected to attend this important meeting:

RONALD H. DENISON

College Names Debate Coach

Alabama College will renew activities in intercollegiate debate this fall under the direction of Ronald H. Denison, newly appointed director of forensics and assistant professor of speech.

Denison, a native of Kalamazoo, Mich., received his A.B. degree from Western Michigan University at Kalamazoo and the M.S. degree from Purdue University. Work on his doctorate is near completion at Purdue.

As a flight instructor in the U.S. Air Force, Denison traveled extensively throughout North America, Europe and West Africa. His home station was Harlingen Air Force Base, Texas.

The new debate coach, a member of the Speech Association of America, will join the faculty of Alabama College in September. He will move to Montevallo from Flint, Mich., where he is currently serving as director of debate and instructor of speech at Flint Junior College.

ARTHUR GARRETT, JR. BICYCLES OVER EUROPE

Arthur Garrett, Jr., who has completed his studies at the European Seminar, writes his parents, the Arthur Garretts Sr., that he has bought a bicycle and is enjoying pedaling over the countryside before returning home. He has visited with several friends in Europe whom he had met here at Alabama College.

'Awake Ministers' Is Witness Theme

"A danger much worse than nuclear war between man and man, is the danger of war between God and man," Nathan H. Knorr, president of the Watchtower Bible and Tract Society, told 9953 asssembled at the Chattanooga's Engel Stadium Sunday afternoon as a climax to the "Awake Ministers" district assembly.

Mr. Lewis H. Driver, who headed the local group, termed the meeting a grand success. One of the highlights of the assembly was reached Saturday morning when 223 were ordained for the ministry in a simple mass baptism.

Mr. Driver commented that advanced Bible instruction for the Witnesses was provided in the form of talks, demonstrations and discussions throughout the four-day session.

"We all returned home with a more serious outlook on our ministry and the future," he said, adding, "We must be 'Awake Ministers'."

Civil Defense Reserve Police Is Organized

The Columbiana-Shelby County defense Reserve Police met in an organizational meeting on Wednesday evening, July 15, at the County Courthouse. The volunteers in this local group number 31 men. These 31 men comprise four (4) squads of reserve police to aid the sheriff and local officers in any emergency that may arise due to natural or national disaster. The men of this group displayed intense interest and pledged their support to this important work. Many of the reserve police are veterans who have served this country previously, at times under combat conditions. All of these police are exceptionally good men and can be counted on to further the civil defense work of the county.

Appointment cards, helmets, armbands and other data were issued. The many phases of civil defense work were discussed and plans made to immediately act in the event of emergency. Certain squads have already been designated to act without hesitation if needed. The Columbiana-Shelby group will meet regularly and agreed that the first Monday night of each month will be their regular meeting.

The men of this Reserve Police group are as follows:

Laston Etress, Captain; James Whitfield, J. B. Turner Jr., Robert Schofield and Cecil Davis, Sergeants or Squad Leaders.

Squad members are:

Jim Haynes, Frank Wheeler, John Brister, Malcolm Joiner, Otha Cagle, Willie Warren, Rudolph Tidmore, Clyde Joiner, James Nivens, Lewis Walker, Ross Mullins, Norman Lefkovits, George Holcomb, J. T. Edwards, W. W. Minor, George Starche, E. J. Jones, James T. Brasher, A. C. Jones, Milton Bird, William Kendrick, Richard Harless, Hubert Hope, A. E. Etress, Joel Pate.

BEST ENGINES!

One of 7 Big Bests Chevy gives you over any car in its field

Open invitation to excitement, the Impala Convertible . . . and America's only authentic sports car, the Corvette.

You've got more to go on than our say-so: *Every* motor magazine has given Chevy's standard passenger car and Corvette V8's unstinted praise. SPORTS CARS ILLUSTRATED says it this way: ". . . surely the most wonderfully responsive engine available today at any price." And if you want the thrift of a six, you still get the best of it in a Chevy.

BEST ECONOMY No doubt about this: a pair of Chevy sixes with Powerglide came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car, 22.38 miles per gallon.

BEST BRAKES Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR*-conducted test of repeated stops from highway speeds.
**National Association for Stock Car Advancement and Research*

BEST RIDE A few minutes behind the wheel will leave no doubt about this. MOTOR TREND magazine sums it up this way: ". . . the smoothest, most quiet, softest riding car in its price class."

BEST TRADE-IN Check the figures in any N.A.D.A.* Guide Book. You'll find that Chevy used car prices last year averaged up to $128 higher than comparable models of the "other two."
**National Automobile Dealers Association*

BEST ROOM Official dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room, for example, is up to 5.9 inches wider than comparable cars.

BEST STYLE It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

CHEVROLET

NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '59 THAN ANY OTHER CAR!

Mrs. O. D. Fluker, Reporter

Mrs. Pearlie Smitherman Alexander gave birth to her third set of twins on the 20th and 21st of July. This makes seven children within four years, and the second set of twins in fifteen months. Her husband is Jesse Alexander of Pelham.

Artice Thrift visited his sister, Mrs. Alice Thrift, last week.

Mrs. Mamie Fitts and the Jake Boyds continue on the sick list at their respective homes.

Edward Estes White, Jr., is improving at Children's Hospital in Birmingham after undergoing surgery there. Doctors report that he is one of the most courageous patients that they have had in a long time.

Oscar Franklin Fluker is at home in San Francisco after a tonsillectomy at St. Luke's Hospital. He is up and around.

The Excelsior Club met with Mrs. B. M. Coger Saturday night. A very delicious repast of barbecue and all that goes with it was served to Mesdames L. M. Alexander, A. M. Mayweather, E. B. Leach, L. J. White, L. S. Redic and O. D. Fluker.

Mr. and Mrs. James Coger motored to Stovall, Ga., last week to attend the funeral of a relative.

Miss Blanch Mayweather spent three days in Birmingham visiting one of her A. & M. College classmates.

The Boys Chorus and Jr. Choir of Everdale Baptist Church sang at the Helena's Methodist Church Sunday afternoon. The Senior Choir sang at Shiloh Baptist Church Sunday night.

On the third Sunday in August, Mrs. Martha P. Jones will be the Women's day speaker at Everdale on the afternoon program. She is a teacher at the Shelby County Training School, and lives in Columbiana.

The recreational program seems to be going full force. The teams have played several games, winning and losing. The little boys league have suits of which everyone seems to be very proud. One of the most enjoyable events of the season was the trip to Tuscaloosa to play ball. The street was roped off after the game for a dance.

William B. Hall, known around the Bessemer business district as Bill Hall, passed suddenly at his home Saturday night. He was a former resident of Montevallo. His mother, Mrs. Carrie M. Hall, also a former resident of Montevallo, lived with him at 1224 First North, Bessemer. Funeral services will be held Sunday, August 2, at eleven o'clock. Smith and Gaston of Bessemer will be in charge. Burial will be in Lincoln Cemetery, McCauley, near Bessemer.

Shelby County P. T. A. Council Holds Annual School of Instruction

"Lift the Level of Learning Through Better Homes" is the theme for the 1959-1960 Parent-Teacher Association in Alabama. This was stressed at the Shelby County PTA School of Instruction which was held on Indian Springs campus Thursday, July 23. Dr. Andrew J. Kochman, County Council President, presided over the meeting. Superintendent Elvin Hill gave the welcome. Miss Anita King introduced the guest consultants who were: Mrs. Kearney Smith, State Chairman of Library and Children's Reading, Mrs. B. H. Hohnson, Jr., State Chairman of National Parent-Teacher Magazine, Mrs. James A. Holekamp, State Co-Chairman of Legislation.

The local PTA leaders were urged to work with their parents on programs during the year to give them leadership and provide them with fellowship. The group was asked to support legislation for financing education. During the business meeting, the group voted to send a telegram to Senator Joe Graham urging his support of House Bills 92 and 94.

After a general assembly small discussion groups were held on special problems: Work of the President, Program Planning, Parent and Family Life Education Spiritual Education, and Legislation. The afternoon session closed with a general assembly at which Mr. Rodney Rupert, Assistant Civil Defense Director of Shelby County for Health and Radiological Service, reported that Civil Defense in our County is now organized to the point where individual responsibility is necessary to success.

Forty PTA leaders from 11 of the 18 units in the council attended the meeting.

A picnic lunch was enjoyed at noon with members of Thompson and Camp Branch PTA's as hosts.

MHS Cheerleaders Attend Clinic

Montevallo High School cheerleaders attended the annual Cheerleading Clinic at the University of Alabama, August 4-6. Those attending included Janice Jones, Doris Jones, Phyllis Kyser, and Linda Hill. Mrs. S. C. Jones chaperoned the group.

At the clinic they learned new cheerleading techniques and stunts. Entertainment was provided on Tuesday and Wednesday nights. The All-Star Football game drew the clinic to a close on Thursday night.

Thompson School Names Principal

Mr. Cecil Burkett has been named principal of Thompson High School at Siluria. He succeeds W. W. Elliott, who was named Superintendent of Tuscaloosa County Schools.

Mr. Burkett comes to Siluria from Carbon Hill where he was Superintendent of City Schools for five years. He was principal for ten years of Curry High School, Walker County, and of Clark County High School, Grove Hill, for three years. He is a member of Kappa Delta Pi, Honorary Educational Fraternity, and outgoing president of the fifth district Secondary School Principals Association. He has done some advanced study on his doctorate degree.

Mr. Burkett was one of the principals honored recently at the Whitley Hotel in Montgomery for twenty-five years of service. He, with the other principals, was presented a beautiful plaque. His wife is the former Celeste Jones, of Parrish, Ala., a graduate of the University of Alabama, who will teach social studies at Thompson. Mr. Burkett was born and reared in Jasper, Ala.

Dr. Sanders at Boston University

Boston, Mass. — Dr. Irwin T. Sanders, former Professor of Sociology at Alabama College, has been appointed Chairman of the Department of Sociology and Anthropology at the Boston University College of Liberal Arts and Graduate School.

MR. EMMETT SHAW

MHS Graduate Recently Honored

In the International Girl Scout Round-up held during July in Yellowstone National Park, Gibbes Scott, daughter of Mr. and Mrs. Albert Scott, represented this section of Alabama, being one of fourteen from the state.

On a 2,000 acre camping site 8,500 Scouts from all the states and 27 foreign countries came together for the usual pleasures of such camp life and, in addition, with a desire to make a real contribution toward world understanding and peace.

Their activities ranged from the usual delights of camping experience to impressive ceremonies of prayers for peace given by girls in native costumes and language. Habits and customs or specific areas were dramatized. Pretzel making by girls from Pennsylvania, yucca weaving by girls from Mexico, folk songs and dances from Japan show the type.

The Alabama group gave a pageant of southern belles in the costume beloved by girls of the '60's—long, billowing, hooped skirt and fitting bodice. As a narrator described the many uses of cotton, such a combing of cotton by early growers, the girls illustrated the actual process.

Each scout carried with her, to be used as objects of exchange, articles representative of her country or area. Alabama scouts carried samples of iron ore, limestone and coal. Cotton in many forms as well as Confederate flags and money proved to be unusually popular in the exchange.

Forums were held at which hundreds of scouts heard the lectures of experts in education, of masters in planning careers, and of counselors for marriage. Among the leaders of such forums were Mrs. Chas. Culmer, President of the Girl Scouts of America, and Dr. Shane McCarthy, executive director of the President's Council on Youth Fitness.

Other worthwhile events included a visit by bus to the U.S. Air Force Academy, sightseeing in Chicago, Memphis, and the Garden of the Gods.

The concluding affair was a visiting period for three weeks by foreign scouts in various American houses. During the past week end, Gibbes and her parents have entertained Misses Sidney Townsend and Jane Shanard from the Panama Canal Zone.

Postmaster Shaw Retires at Aldrich

Emmett Shaw, who retired July 31, 1959, after 46 years of service as postmaster at Aldrich, Alabama, has received from Postmaster General Arthur E. Summerfield a citation of Honorary Recognition for devotion to duty in the course of an honorable career in the U.S. Postal Service.

In presenting the commendation, the Postmaster General stated, "Since your appointment on December 15, 1912, you have made many friends and served the Department and the public well and faithfully. I wish to extend my warm personal greetings and hope you will accept this honorary recognition certificate as a symbol of my deep appreciation for a lifetime of truly commendable service."

Mrs. Thursie Mae Creek has been appointed acting postmaster at Aldrich. Mrs. Dorothy Latimer will continue to serve as replacement as she has for the past several years. Both Mrs. Creek and Mrs. Latimer have had several years experience in the postal service.

ALABAMA COLLEGE REGISTRATION

Students in this area who expect to enter Alabama College for the first term in September and who do not expect to live in one of the dormitories are required to file an application for admission. Report to the Admission Office in Palmer Hall for this blank or write to the Director of Admissions and one will be sent to you. These applications should be on file by August 15.

DR PRIESTLEY TO DELIVER COMMENCEMENT ADDRESS

Dr. S. E. Gerard Priestley, Professor of Political Science at Alabama College, will deliver the commencement address at Northeast Missouri State College, Kirksville, Mo., on Thursday, August 13, 1959.

Third Polio Shot To Be Given On September 22

A free polio shot, the final shot in a three shot series, will be given to each Shelby County resident September 22.

The shot was originally scheduled for August 18.

"The shots are free to all Shelby County residents under 40 years of age," said Dr W. C. Browne, Vincent, chairman of the committee.

All Shelby County doctors are participating in the campaign. The shots will be available in their respective offices during the entire day September 22.

The vaccine is furnished free of charge by the Shelby County March of Dimes Committee.

Preparations are being made to make the vaccine available to a large number of Shelby County residents because of the recent increase in paralytic polio in America, and the expected increased demand for the shots.

About 6,000 people in the county have already taken advantage of the program on the days the first two shots were given.

"Three shots have proved 90 per cent effective in protecting against paralytic polio," Dr. Browne said.

"Persons who did not get the first two shots should make plans to get the shot September 22, and then arrange for the other two shots at their own expense," Dr. Browne said.

"Scouts in Action" Fair Is Planned

Friday, August 7, is the big day for the Cahaba District "Scouts in Action Fair," which will be held in Montevallo at the college athletic field.

The fair will kick off at 4 p.m. with a parade through town. Boy Scouts and Cub Scouts and their leaders will set up exhibits and be ready to show their skills and exhibits and compete for ribbons.

Montevallo Troop 59 will build a walk bridge out of logs. Cubs from Pack 59 will exhibit their work which they have done in den meetings throughout the year and will be weaving, making boats, etc. all through the afternoon.

Everyone is invited to this gala affair. There will be group singing, awards, and hot dogs, and cold drinks. Come on out and support the Montevallo Boy and Cub Scouts.

Private Eugene L. Moody, son of Mr. and Mrs. Leon Eugene Moody, Rt. 1, Marvel, has been assigned to Company C, 3rd Battalion, 1st Training Regiment at Fort Jackson, S. C., for eight weeks of basic combat training.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

The Tennessee Valley Authority has greatly improved the economy of certain areas of North Alabama. Since other sections of our state also benefit when another area of Alabama is strengthened, legislation affecting the Tennessee Valley Authority should be of interest to all Alabamians.

Need For More Power

The TVA is the sole supplier of electric power for an area of about 80,000 square miles in which over five million people live and work. In addition, it supplies about one-third of its output to installations of the Atomic Energy Commission. In the past six years, there have been no funds appropriated for the construction of new generating facilities by the Tennessee Valley Authority. Yet, power requirements in the area are now growing at an annual rate of about 12 per cent or 750,000 kilowatts, and a severe shortage is expected by 1961.

For the last four years, the House and Senate have had under consideration legislation that will allow the Tennessee Valley Authority to finance its own expansion programs through the sale of revenue bonds. Legislation of this type was finally given congressional approval last week and sent to the President.

Self-Financing Plan

Supported by all members of Congress from Alabama, the bill approved by the House and Senate will permit the TVA to issue $750 million in bonds for financing construction of facilities needed to meet increasing demands for electric power in the area presently served by the agency.

Under the self-financing plan, the TVA would seek private funds for expansion by the issuance of bonds that would be paid off solely through the sale of electric power. The legislation stipulates that the bonds cannot be obligations of the United States government, and it requires the TVA to repay the Treasury with interest for the federal government's prior investment in the program.

An important amendment to the bill, adopted by both the House and Senate, limits the expansion of the TVA service area to a five-mile strip around the periphery of the existing service area.

Veto Possible

President Eisenhower has indicated he feels that the TVA self-financing measure has several defects. Whether or not he believes these defects serious enough to warrant a veto remains to be seen. Should he decide to veto the measure, however, it is doubtful that his veto could be overridden.

Visitors

We enjoyed a visit last week from Judge and Mrs. Conrad Fowler and sons, Conrad, Jr., and Randy.

Dewey F. Bolton Receives Citation

Dewey F. Bolton, Wilsonville, a former member of Shelby County Local No. 58, has been honored for his outstanding service with the agency.

Mr. Bolton received a presidential citation and commendation letters. The Certificate of Appreciation was signed by President Eisenhower and by National Selective Service Director Lt. Gen. Lewis B. Hersehy.

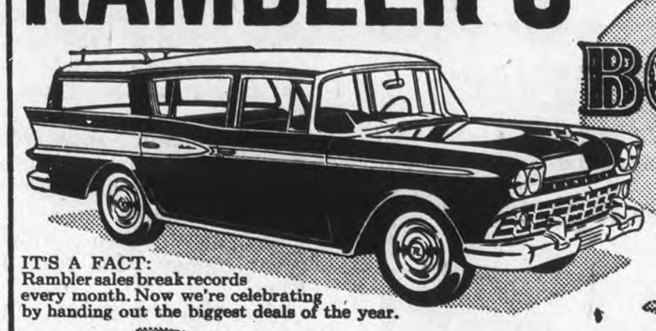

He also received commendation letters from Alabama Gov. John Patterson, and from State Selective Service Director Walter M. Thompson, Jr., Montgomery.

Governor Patterson said, "May I thank you in behalf of all the citizens of Alabama for the service you rendered in this uncompensated capacity. As Governor, I deeply appreciate the fine job that you did. Congratulations for the contribution which you made to the protection and welfare of our country."

Thompson wrote, "I would like to personally thank you for the service rendered. It is highly commendable that you have served your state, nation, and the Selective Service System in this position."

Shelby Soil District Has Barbecue

The first Field Day and barbecue of the newly formed Shelby County Soil Conservation District was held Wednesday, August 5, at the Brierfield Angus Farms. Chairman of the district supervisors, John Lewis Cates, was in charge of activities and supervisor J. Harry Edwards was host.

Barbour County Representative McDowell Lee addressed the guests.

Tours of the Edwards farm were held from 10 a.m. to permit visitors to see conservation practices in use. Crops observed were coastal bermuda, alfalfa, hundreds of acres of bahia grass, sericea and various crops following Mike clover. Specimens of the pruebred Angus cattle for which Brierfield Angus Farms are noted were available for inspection.

Representing the Soil Conservation Service, and discussing crops at each field trip "stop" were S.C.S. employees from Shelby and adjacent counties.

Frosts Write Letter Describing Trip To California and Pacific Northwest

We were up real early July 5, headed our merry Oldsmobile in the general direction of the great state of Texas. At approximately 4:00 p.m. arrived in the beautiful city of Sherman (Texas that is) where we enjoyed the hospitality of our cousins, Mr. and Mrs. Roy C. Wall (Aline O'Hara) and Mrs. Effie O'Hara Nelson. After a good night's rest we again resumed our journey toward California, crossing West Texas, New Mexico and Arizona. In the painted desert section of Arizona we encountered rain which is a bit uncommon for that arid country. Taking turns at the wheel we made very good time, arriving in Burbank California at 3:00 p.m. July 8. Here we spent several days with our cousins, Betty and Furman O'Hara, visiting some of the interesting places in the Los Angeles District, including Knotts Berry Farm at near by Beuna Park, near by Hollywood and the fabolous Boulicks department store in Pasadena.

Saturday morning, with the O'Haras, we started for the famous Yosemite National Park where we spent two nights and one day. The park was crowded, possibly forty thousand people registered in the many lodges, camp grounds, tents, etc. Early Monday morning we left for Oakland and San Francisco, visited with relatives and visited many places of interest in this historical old city by the Golden Gate: Golden Gate Park and its many attractions, dinner at the world famous Fisherman's Wharf, Chinatown, a ride on the world renowned cable cars, and many other places of interest. From Fisherman's Wharf we viewed The Rock better known as Alcatraz, only a mile out in the bay where Uncle Sam puts for safe keeping many of the "bad bad" boys. On beyond The Rock we could see the California State Prison, San Quentin. San Francisco County and the City of San Francisco geographicly are the same boundry lines. When in the county of San Francisco you are in the city of San Francisco.

The morning of July 15th we crossed the famous Golden Gate Bridge, which has the longest span in the world. The cabels are thirty-six inches in diameter. Some thirty miles up the highway we went through the town of Santa Rosa, long the home of the famous horticultrist, Luther Burbank. For Hundreds of miles we traveled through the beautiful red woods. Visited a gift shop carved from one of the red wood trees some thirty feet in length, and trees of mystry almost impossible to describe made famous by the late Robert W. Ripley. This alone was worth our trip. Some three hundred miles north of the Golden Gate we found a a wonderful secluded cabin with wonderful accommodations. A good night's rest and on our way again. Another days drive and we arrived in Seattle, Washington, where we arranged passage on a large ferry boat for Victoria British Columbia eighty miles up through Puget Sound (four hours). Here we took one of the famous Grey Line Buses for sight seeing many beautiful points of interests including the beautiful Buchart Gardens. Of the hundreds of feet of colored movies we feel sure these will be the most beautiful. On with the tour past the Government House, here we saw Queen Elizabeth and her party who were visiting Victria. At 5:00 p.m. we boarded the ferry boat for the 4-hour trip back to Seattle, arriving at our hotel at 9:00 p.m.

Saturday, July 18, up at six, an early breakfast then on our way to Rainier National Park with Mount Ranier towering more than ten thousand feet. The upermost four thousand feet blanketed with snow is visible for seventy-five miles in all directions. There was plenty of snow down to the five thousand foot level. We made numerous pictures, both stills and movies. Here the traveling was a bit slow, winding roads with numerous detours, beautiful mountain streams. Betty had a yen for a trout dinner, we came to a clearing and there was a lodge named "Trout Lodge." Betty got her order filled. Shortly after leaving the mountains we were in the Yakima Valley, a wonderful fruit country. We bought fancy appricots for six cents a pound. We had set our night's stop as Coeur D' Alene, Idaho, reached there at 8:00 p.m. There was an annual boat race, no available lodging, kept going, finally found lodging in the little mining town of Kellogg, Iowa. Two nights and a full day in Yellowstone Park, lots of pict, then to Salk Lake. The O'Haras left us there, returning to California, and we to Alabama. Arrived home Friday, tired and weary but happy and wiser, with a wealth of pictures to show our friends. We'll be showing you soon.—Anna and Nathan Frost.

PRIZES GO TO WINNER OF FISHIN' CAR

Chubby McGehee sent word to the chairman of the Kiwanians' Big Tenth Fair that it takes more than an automobile and a little decoration to make a fishin' car. "What about tackle and stuff?" he asked.

To make a long story short, the winner of the fisherman's dream donated by Garrett's Used Cars will have free tackle and bait of his own choosing, courtesy or Mr. McGhee. Non-fishermen and fishermen alike will be amazed at the tremendous variety of stock they can choose from at the 24-hour Chubby's Place.

SOUTH CALERA HOME DEMONSTRATION CLUB

The South Calera Home Demonstration Club met at the home of Mrs. G. F. Williams for the July meeting. The pledge to the flag was led by Mrs. Tate. The song of the month was "Day Is Dying In The West." Mrs. Williams gave the devotional. Miss Cotney gave the demonstration on "Selection of Furniture."

The club gave Miss Julia Crim a birthday party July 17. Three members of the club went to Columbiana to help serve at the Farm Bureau annual meeting Wednesday, July 29th. The picnic was planned, and the date is Thursday, August 6, at 10 a.m.

Telephone Talk

J. L. SWITZER

Your Telephone Manager

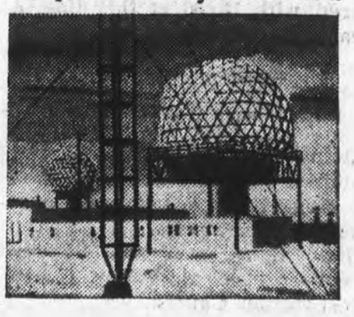

TIPS FOR EASY LIVING. When "dog days" with real August sizzlers come along, most of us take to the outdoors. Whether it's porch, patio or just the backyard, we're often out of the house when the phone rings. That's when a handy extension phone fits the spot for real relaxing. Saves running inside, often to get there too late. So, here's the first tip for a more leisurely summer—have your phones where you need them—just give us a ring and we'll put them in your home for fingertip convenience.

* * *

ON VACATION TOO, telephones can help you relax. A quick Long Distance call ahead can arrange hotel or motel reservations. And, if you're wondering about someone at home, check up first-hand by Long Distance. Because wherever you are, there's a telephone nearby to make your summer pleasanter and more comfortable.

* * *

THE "INSTANTS"—Have been noticing how many instant foods there are these days, giving homemakers more time to relax. Makes me think of another "instant" that gives us a deep-down reason to relax and feel easy. That's the fine defense warning systems set up to flash warnings of approaching airborne objects quicker than you can fix a cup of instant coffee. Telephone scientists and engineers who work to perfect ever-better service for you, also help set up these systems. It's good to know they're constantly working on new developments to help guard our country.

County Fair Program Grows

The big tenth Shelby County Fair is promising to eclipse last year's "Biggest and Best Yet".

Efforts of the Columbiana Kiwanis Club, wide participation by about a hundred businesses and organizations, plus long hours by cooperative Luther McGiboney, the Shelby County Reporter staff, and others have assured a double size fair catalog and a distribution of 7,000 copies of it.

Invitation by Rep. John L. Cates and Probate Judge Fowler has assured two interesting guests who will appear Thursday night to talk to fair-goers, Lt. Gov. Boutwell and Mrs. Bettye Frink, Sec. of State.

Attendance prizes will be awarded as follows:

Tuesday night, table model radio.

Wednesday night, Western Auto Dealers of county, bicycle.

Thursday night, Garrett's Used Cars, "Fisher's Dream" Oldsmobile fishing special.

Friday night, L-B-L Ranch "Top Hog".

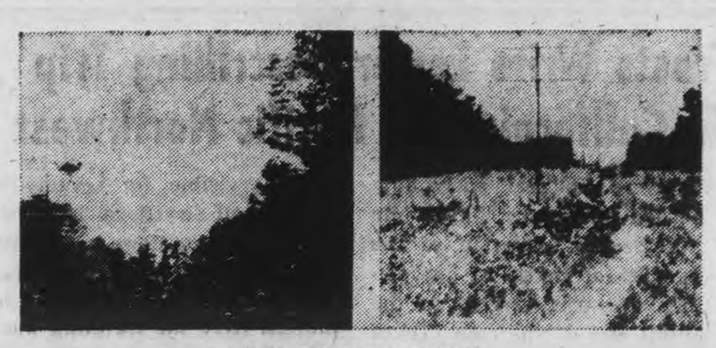

Saturday night, adult only, Brierfield Angus Farms Fat Angus Angus Steer.

Children only register for bicycle. Winner of car must have driver's license. Anyone may register for radio, hog.

Early exhibitors include Cardwell's-Westinghouse, where an electronic oven will be demonstrated and a food freezer will be given away. Another will be Burrage Ornamental Iron products. Word has just come in that the wildlife exhibit by the Alabama Department of Conservation will again be a feature attraction.

The Vignette Club will again sponsor the "Made by the Blind" booth, the Culture Club the Art Exhibits and their popular variety booth; Novella club-Kiwanis Club, bingo.

BEFORE AND AFTER

Southern Bell Makes War on Unsightly Weeds and Undergrowth Along Lines

It's war against ugly weeds and undergrowth!

Yes, the Southern Bell Telephone Company is definitely in the chemical warfare business as part of its effort to provide uninterrupted telephone service, according to J. L. Switzer, local manager for the firm. He said his company spends thousands of dollars yearly in Alabama to keep telephone line rights-of-way clear of undergrowth which could disrupt service if allowed to grow unchecked.

Then too, "it's a beautiful sight to be driving along and look across the countryside to see a highway of flowers growing instead of a line of poles surrounded by unsightly weeds and undergrowth," Mr. Switzer added.

Even Helicopters Employed

Gone are the days when just sheer manpower was employed as the only means of eliminating undergrowth. Now the men spray deadly chemicals, from land and from helicopters which kills the weeds and allows eye-pleasing foliage and flowers to grow in their place.

"After many months of study and experiments we now have a chemical brush control program which will eliminate roots as well as the above parts of existing brush," Mr. Switzer said.

The final objective of such a program is a right-of way on which all plants that are hazardous to service or to maintenance forces are eliminated and replaced by a cover of native grasses and wild flowers. The program retards encroachment of brush, prevents soil erosion and presents right-of-way pleasing to look at, the manager added.

Results Gratifying

Sometimes residents of an area undergoing chemical brush control treatment become unduly alarmed when the sprayed right-of-way turns to an unsightly brown. "However," Mr. Switzer said, "their alarm turns to pleasure in a few months when the killed undergrowth is replaced with natural foliage and wild flowers."

For the sportsmen it has been proven by the Wildlife Commission of various states that rights-of-ways so treated eventually provide more food and cover for small game and birds than the bushy right-of-way of the past.

For the motoring public, a utility roadside chemical brush control program will eliminate many traffic hazards such as brush obscured curves and road intersections and eliminate health hazards such as poison ivy, ragweed and other noxious plants.

HAPPENINGS IN THE HOUSE

The activities of the House for the past week were limited to only the passage of a few local bills and the introduction of so-called non-controversial bills, etc.

There was one bill, H. B. 99 by Mr. Bishop of Colbert County, authorizing any county board of education and any city board of education to issue and sell interest bearing tax anticipation warrants for school purposes; to provide that such warrants shall not be general obligations of the issuing board of education but shall be payable, as to both principal and interest, solely out of the proceeds of any ad valorem tax voted under the constitution for the purpose of paying such warrants, or for school purposes generally, and paid, allocated or apportioned to or for the benefit of the board of education issuing such warrants or out of the proceeds of any privilege, license or excise tax or taxes paid, allocated or apportioned to or for the benefit of the board of education issuing such warrants.

Much of the time this week was spent by the Senate Finance and Taxation Committee on its public hearings on H.B. 92 and H.B. 94. These bills were voted out of the Senate Finance and Taxation Committee by vote of 8-7 and had their second readings in the Senate this past Friday. It is the general feeling that compromise plans will be offered on the floor with amendments to the H.B. 94 to:

1) Amend the bill back to the 3% sales tax level; 2) Amend the bill to include sales tax on heavy machinery and equipment at 1%; 3) Amend the bill to include 1½% on automobilies and trucks. As in the original bill, these three items would strictly have been at a straight 2½%. Passage of the bill is still uncertain. It is predicted that long and lengthy debate by both sides will ensue. We will be able to tell more about the outcome of the revenue measure for schools by next week's actions.

2 Chief Paschals

The following article appeared recently in a Kansas newspaper and will be of interest to friends of Mrs. John Paschall, the former Martha Milstead of Wilton. Mrs. Paschall is the daughter of Mrs. Ruby Milstead and the late Ernest Milstead.

Personalities Of The Week

If you were to wander into the Flight Office at Natechtrau, you might find yourself becoming confused and asking the question: "Two Chief Paschals?" However, upon further observation you would find that here at NATTU we have one of the Navy's rare phenomenons — a husband and wife team both working in the same office. They are Chief Aviation Storekeeper Martha Paschal and Chief Aviation Machinist Mate (Aviation Pilot) John E. Paschal.

Martha's career in the Navy began on October 14, 1942, just three months after the Wave Program started on July 31, 1942. Enlisting in Birmingham, Ala., her home town, she was in the First Regiment at Boot Camp in Cedar Falls, Ia. While there she helped in experiments with uniforms, military drills, and routines—all of which had to be created for the new Navy organization. After Recruit training Martha advanced one rating a year until in 1946 she was promoted to Chief Aviation Machinist's Mate. However, in 1951 her rate was changed to Chief Aviation Storekeeper.

John Paschal first enlisted in the Navy on November 14, 1939, was designated an Aviation Pilot on November 12, 1944. He became a chief aviation machinist's mate on September 16, 1953.

While they both were stationed at NAS Pensacola they met and were married on March 4, 1950. Since that time they have been stationed together at NAS Norfolk, NAS Barber's Point, and are now at NATTU.

State Educators To Meet August 13

Some 300 to 350 educators from all sections of the state will move onto the campus of Alabama College August 13-15 for the annual leadership school of the Alabama Education Association.

AEA president W. H. Kimbrough of Piedmont will preside at the three-day workshop which will have three major odjectives: 1. to inform professional leaders of the growing demands to increase the quality of education in the state's schools, colleges and universities; 2. to establish among members of the teaching profession a better understanding of their responsibilities in developing better instructional programs in the schools; and 3. to encourage local leaders to establish active programs to increase the quality of education at the local level.

Other AEA officers of 1959 attending the leadership school are: Miss Annette Loftis, vice president from Selma; and from Montgomery, C. P. Nelson, executive secretary - treasurer; Vincent Raines, assistant secretary; William N. Eddins, public relations director; Mrs. Callie G. Locke, prefessional relations director; and Mrs. Barbara H. Dowe, educational writer.

The program will get under way at 2:30 p.m. Thursday, August 13, with a general session led by Mr. Kimbrough. Keynoting the initial assembly will be Dr. Esther Swenson of the University of Alabama.

State superintendent of education Frank Stewart of Montgomery will be the main speaker at a 7:30 p.m. session Friday evening.

The program will also include panel-group-audience discussions of three main problems faced by professional educators today. They are: the major educational implications produced by present day conditions and, judging from current trends, what they will be in the next 25 years; the qualities needed at the present to be an effective professional teacher; and the make-up of a balanced school program.

Listing the three main objectives and the three problems to be considered, executive secretary Nelson told panel members, group leaders and participants the school would be concerned mainly with "information, inspiration and initiation of activites at the local level."

"It is not believed that all of the answers can be found in two days," he said, "but it is believed that the teaching profession must assume the leadership role in providing a higher quality of education for the youth of our state."

Participants of the school will be guests of Alabama College faculty members and the Shelby County Teachers Association at an informal reception Thursday evening following the group discussions.

Friday evening the members will be entertained with a square dance at the AC Field House.

The workshop will conclude Saturday aftrenoon, August 15.

American Motors Reports Earnings

Detroit, July 23—American Motors Corporation today reported nine-month earnings of $49,599,962 ($8.36 per share) after provision of $35,986,000 for income taxes, 583,416 (2.61 per share) the same compared with earnings of $14,- period of a year ago, when no provision for income taxes was required.

President George Romney said earnings in the first quarter of fiscal 1959 and the entire 1958 fiscal year were offset by carry forward of operating losses of prior years and no provision for income taxes was necessary for these periods.

Romney said the company's earnings in the June quarter of its current fiscal year were $16,- 083,801 (2.70 per share) after provision of $20,340,000 for income taxes compared with earnings of $7,253,785 ($1.30 per share) for the same quarter a year ago, when no provision for income taxes was required.

Directors today declared a quarterly cash dividend of 60c per share on the outstanding shares of the capital stock, payable August 27, 1959 to stockholders of record as of the close of business August 6, 1959.

American Motor's employment is now more than 28,000 compared with 18,000 at this time a year ago, Romney said.

Missionaries Go To Panama

John and Betty Inman and children will be leaving the last of August for 4 years as missionaries to Panama.

Rev. Inman was the Sunday guest speaker at Valley Grove Presbyterian Church.

State Banks Lead In Farm Loans

Alabama banks were serving farmers with more credit than any institutional group of lenders on January 1 of this year, according to J. I. Harrison, President of the First National Bank of Columbiana who represents the Alabama Bankers Association as Shelby County Key Banker. During 1958, the state's banks maintained their leadership in agricultual credit services.

Based on the eighteenth annual farm lending summary by the Agricultural Commission of the American Bankers Association, Mr. Harrison reported that "at the beginning of the year, Alabama bankers were helping farmers with $60,760,000 in loans —4 per cent more than a year previous. The total included $35,- 002,000 in production loans and $25,758,000 in agricultural mortgages. On the same date, $17,616,- 000 in agricultural loans were held by insurance companies; $46,- 297,000 by Federal Land Banks; $12,222,000 by Production Credit Associations; and $5,626,000 in nonreal estate loans plus $22,- 518,000 in real estate loans by the Farmers Home Administration. About two-thirds of the production credit extended by lending institutions to Alabama farmers came from banks."

Mr. Harrison said that "more and more, the banks in Alabama find that farmers need a new type of credit to help finance the rapid increase in capital requirements. To meet this changing need banks in Alabama now make larger farm loans, and an increasing amount of agricultural credit is on an intermediate term repayment basis.

"Intermediate-term loans are most frequently needed for machinery and equipment, livestock, soil improvements, additional land, and refinancing short-term notes. Over one-half of all real estate credit is used to finance those intermediate-type capital expenses.

"As a further service to help farmers improve their operations, about one-third of all other bank agricultural loans have a repayment program longer than one year. Banks serve farmers with far more intermediate-term credit than any other group of lenders."

Mr. Harrison believes that farmers and bankers working together in this way help make Alabama agriculture more prosperous.

He reported that 97 per cent of the insured commercial banks in Alabama are serving agriculture's credit needs.

STUDENT COUNCIL LEADERS TO MEET AT COLLEGE

A four-day program of hard work, intensive study—and some play—is on the calendar for some 200 student leaders of Alabama's high schools August 9-12 as they journey to Alabama College for the sixth annual workshop of the Alabama Association of Student Councils.

Delegates to the workshop will begin registration at 2:30 p.m. in Reynolds foyer. At 4:30 they will move to the Reynolds terrace where they will be guests of Montevallo High School at a "get acquainted" hour.

Later in the evening they will be entertained at an informal mixer sponsored by members of the Jacksonville High School delegation.

Following preliminary meetings of discussion leaders and staff members Sunday afternoon, the student leaders will get down to business at a general assembly Monday morning. Dr. John B. Walters, Dean of Alabama College, will welcome the group to the campus at the opening session.

MRS. JAMES NICHOLS

Miss Humber and Mr. Nichols Wed

Miss Helen Humber became the bride of James F. Nichols at a 1:00 p.m. ceremony Sunday at the St. John Episcopal Church in Birmingham. The Rev. Robert C. Fletcher officiated.

Parents of the couple are Mr. and Mrs. J. R. Humber of Fayette and Mr. and Mrs. J. O. Nichols of Montevallo.

The bride was given in marriage by her father and attended by her sister, Miss Carolyn Humber. The maid of honor wore a dress of blue lace with a white violet corsage.

For her wedding the bride wore a ballerina length gown of chantilly lace. It was styled with fitted jacket. The bouffant skirt featured tiers of lace. Her veil was attached to a crown of pearls and she carried a white Bible marked with an orchid.

The bridegroom's father served as best man.

Mrs. Humber wore a dress of navy blue faille and the bridegroom's mother was dressed in a frock of yellow lace. Both wore white carnation corsages.

After a brief honeymoon trip to Lookout Mountain, the couple will make their home in Woodlawn.

Shower Honors Miss Sarah Baker

Mrs. R. C. Frederick entertained with a miscellaneous tea shower honoring bride-elect, Miss Sarah Patricia Baker, whose marriage to DeWitt William Self Jr., will be an event of August 22, from 3:30 to 5:30 p.m. Saturday at her home on Oak Street.

Miss Baker was lovely in a sheer light blue dress with a white corsage. Mrs. Baker was dressed in a brown sheer and wore a yellow corsage. Mrs. Self Sr., mother of the groom, wore navy blue sheer and a white corsage.

Receiving guests were: Mrs. S. C. Jones, Jr., and Mrs. W. G. Hicks. Mrs. Barney Champion, Jr., of Birmingham kept the bride's book. Mrs. Denson Elliott and Mrs. Dudley Pendleton assisted by the week end guest, Miss Jennie Ramsey, (former Montevallo High School teacher) from Macon, Ga., displayed the gifts.

Presiding at the punch bowl were Mrs. Edward Glover and Mrs. Luther McGaughy. Assisting with the serving were Miss Clara Young, Mrs. Guy Milford, Mrs. Joe Middlebrook, Mrs. Carl Edfeldt, Misses Doris Jones, Martha Whaley, Langley Tolbert, Becky Hicks and Patty Sue Galloway.

A color scheme of white and yellow was carried out in the floral decorations of gladioli, tube roses, and mums. A yellow lace cloth over green covered the tea table where punch, cakes, decorated in yellow rose buds, and yellow and white mints were served.

G.A'S ATTEND CAMP

The following Junior Girl's Auxiliary members of the Montevallo Baptist Church are attending camp at Shocco Springs near Talledega Monday through Saturday of this week: Faye Williams, Kaye Williams, Judy Lucas, Linda Smith, Nancy Pruette, Kathy Sherrod, Sandra Scott, Bettye Allen, Mary Edna Glover, Alice Baine, Lynn Frost, Shirley Barrett, Connie Majors, Rosemary Wooley, and Amelia Edfeldt. They were accompanied by their leader, Mrs. D. R. Williams and Miss Laura Hargrave, director.

WHY DO WITHOUT A LITTLE LUXURY LIKE THIS... LET ALONE

Chevy's the only car of the leading low-priced three that gives you the convenience of crank-operated vent windows. No awkward latches to fumble with . . . your knuckles and fingernails will appreciate it.

THESE BIG CHEVY VIRTUES!

bigger brakes

Bigger, yes, and built with bonded linings for as much as 66% longer life. And how's this for proof that Chevy's a real stopper: in a NASCAR*-conducted test of repeated stops from highway speeds, Chevrolet outstopped both of the "other two" time after time.

*National Association for Stock Car Advancement and Research.

full coil ride

You're the expert on ride, so you'll want to try Chevy's easygoing smoothness for yourself. MOTOR TREND magazine can give you a hint of what you're in for: ". . . the smoothest, most quiet, softest riding car in its price class." And Full Coil springs, of course, never squeak, never need grease.

award-winning engines

The NASCAR Outstanding Achievement award goes to Chevrolet! Chevy wins for "the creation and continuing development of America's most efficient V-type engines . . . for the establishment of new levels of V8 compactness combined with outstanding smoothness." And you can choose among eight V8's and the Six that won the Mobilgas Economy Run for its class.

fresh styling

POPULAR SCIENCE magazine gave Chevy's styling a thoughtful look, then said it this way: "In its price class, Chevy establishes a new high in daring styling . . ." You'll find your own happy way of saying that Chevy's the only unmistakably modern car in its class.

greater roominess

Automobile Manufacturers Association records carry the facts on this. In a Chevy sedan, for example, you've got more front seat head room than all but one of the high-priced cars! And Chevy's front seat hip room spreads up to 5.9 inches wider than comparable cars.

bigger savings

Here's solid proof that Chevrolet squeezes more miles out of a gallon: In the famous Mobilgas Economy Run, two Chevrolet sixes with Powerglide took the first two places in their class. Winning mileage: 22.38 m.p.g. And that, friends, took top honors for Chevy from *every* full-sized car!

higher trade-in

N.A.D.A.* Guide Books prove that your Chevrolet will keep its value. Chevy used car prices last year, for example, averaged up to $128 higher than comparable models of the other two cars in Chevrolet's field.

*National Automobile Dealers Association.

Fourteen Shelby County Students To Receive Degrees at Alabama College

Fourteen Alabama College students from Shelby County will be candidates for bacheor's and master's degrees when the Montevallo institution holds its summer commencement program Thursday, August 20.

Candidates for degrees in the evening ceremonies are: Mrs. Helen Cater Baker, Harpersville; Mrs. Joyce Baker Mabry and Miss Mary Louvene Roach, Siluria; Mrs. Mary Catherine Allison, Mrs. Betty Jean Cofer, Mrs. Evelyn Ellis Goree and Mrs. Miriam Kaley Findley, Calera.

Mrs. Lena H. Cook, Miss Mary Katherine Hicks, Mrs. Llewellyn Sims Thomas, Mrs. Elizabeth Mims Vail, Mrs. Carolyn Baker Edfeldt, Mrs. Mabry Brown Ferguson and Mrs. Gladys D. Holcomb, all from Montevallo.

The program, during which some sixty-six seniors and graduate students will be presented for degrees, is set for 7:30 p.m. in Alabama College's Palmer Auditorium.

Mrs. Alton B. Parker, educator from Birmingham and member of the Alabama College board of trustees, will present the baccalaureate address, "Education for What?" Nelson O. Fuller of Centreville, chairman of the board of trustees executive committee, will authorize the conferring of degrees.

Candidates will be presented by Dr. John B. Walters, Dean of the College, and Alabama College President Dr. Howard M. Phillips will confer degrees.

The invocation and benediction will be made by James H. Chesnutt, minister of the Montevallo Methodist Church.

Special music on the program will include a duet by Alabama College vocalists Mary Lynn Draper, soprano from Helena, and tenor Clint Mills from Prattville. Denson Elliot, sophomore music student from Montevallo, will play piano accompaniment.

Music for the processional and recessional will be provided by Miss Mary Katherine Hicks.

Members of the graduating class, their families and friends will be guests of Dr. Phillips for a reception and tea at the President's home on Flower Hill following the program in Palmer Auditorium.

Five of the graduating class members from Shelby Count—Mrs. Edfeldt, Mrs. Ferguson, Miss Roach, Mrs. Holcomb and Mrs. Mabry—are candidates for the degree of Master of Education.

Candidates for Bachelor of Science degrees are: Mrs. Cofer, Mrs. Goree and Mrs. Cater, elementary education; Mrs. Findley, biology; Mrs. Vail, home economics; and Mrs. Thomas, general science.

Bachelor of Arts candidates are: Mrs. Allison, social science; and Mrs. Cook, speech.

Miss Hicks is a candidate for the Bachelor of Music degree.

REV. M. L. BUTLER

Former Pastor Returns to Siluria

The Siluria Baptist Church extends a special invitation to the people in the Siluria area and friends elsewhere to attend the revival beginning August 16 at 11 a.m. and continuing through Friday, August 21 night services only at 7:30.

Rev. M. L. Butler, former pastor, now pastor of the Central Baptist Church, Florence, will be doing the preaching. Bro. Butler has a wide circle of friends in this area, having served on several committees and also as moderator of the Shelby Baptist Association.

The music will be under the direction of Frank Sims, Minister of Music and Education.

REV. RICHARD CAUGHRON

REV. FRED DONAVAN

DR. JOHN CALDWELL HEADS NORTH CAROLINA STATE

Dr. John Tyler Caldwell, President of the University of Arkansas, and former president of Alabama College in Montevallo, received overwhelming approval as the eighth chancellor of North Carolina State College, Raleigh, N.C., this week.

Dr. Caldwell, nationally-known educator and scholar, has headed the University of Arkansas since 1952.

Aldrich Baptists Plan Revival

The Reverend Thomas Cox announces a revival to begin at Aldrich Baptist Church on August 16 through 21.

The Reverend Fred Donavan will be the evangelist. Rev. Donavan graduated from Chilton County High School in Clanton. After 4 years in the armed forces he attended the University of Alabama, later transferred to Howard and graduated in 1958.

Rev. Donavan served two years as the pastor of New Salem Baptist Church in Chilton County and presently pastor of the Mayberry Baptist Church in Shelby County. Brother Donavan has been active in revival and youth work for several years.

The evangelist in song for the week will be Rev. Richard Caughron, Pastor of the Cropwell Baptist Church in the St. Clair Association. Rev. Caughron is a senior at Howard College and while attending Howard has been assistant pastor of Norwood and Thirty-fifth Avenue Baptist Churches.

This young man has been active in evangelistic work for many years and served as evangelist and song evangelist. Come and enjoy good spiritual singing with us at Aldrich Baptist Church August 16-21.

Lot Optioned For Calera Post Office

Information was received this week from Congressman Armistead Selden that an option has been obtained on a lot in Calera owned by Mr. O. C. Farris. An advertisement for bids was posted based on the use of this site. As soon as a report is submitted to the Post Office Department from the real estate officer handling the case, they hope to accept a bid so that the post office may be erected on this site.

Repairs Are Made On Courthouse

Alterations and repairs are now being made in the Shelby County Courthouse and the adjoining office building. The principal change is in the Probate Office. Since the construction of the courthouse the probate vault has been large enough to provide storage for the multitude of public records kept by this office. Books are now stored in shelves extending to the ceiling. In order to relieve this crowded condition and to provide ample storage for years to come the north hallway of the first floor of the courthouse has been closed. This hall way together with the office and vault formerly used by the County Treasurer will be used for storage space for the records of the probate office. Space for tables and chairs for those who use these records will also be provided. Judge Fowler stated, "The only other alternatives to using the hall for a vault space are to construct a basement under the building or build an addition on the north side". He stated that either alternative would be considerably more expensive and much less convenient.

The office of the County Treasurer has been moved to the south end of the hall. A fire escape to serve the court room is to be installed outside the building.

Other alterations involve the improvement of two cells in the jail to make the floors waterproof; installation of bath room in the office of the Department of Pensions and Security; installation of ventilating hoods over the stoves in the jail and in the auditorium, and corrective measures with regard to certain plumbing installations.

Young Cattlemen Hear Show Talk

Eighteen young Shelby County cattlemen and women listened as Bob Farquhar, extension assistant livestock man from Alabama Polytechnic Institute, spoke on phases of showing livestock. The group of boys and girls, interested in showing calves in the Fat Calf Show to be held in Columbiana in April, took notes from the speaker on selecting, feeding, managing, and showing livestock. The meeting was held at the Shelby County Courthouse in Columbiana Thursday, August 5.

A. A. Lauderdale, Shelby County Agent, introduced Mr. Farquhar to the group. Also present were assistant agents John E. Jones and "Buck" Clark, who work closely with the young cattle growers in their projects.

Included among the young cattle raisers were the following from Montevallo: Ernest Blankenship, Mackey Miles, Ricki Miles, Terri Miles, Rhinehart Molgedei, Jerry Morgan, Johnny Johnson, and Billy Scott.

Adults from Montevallo who attend the meeting were W. J. Bailey, Mrs. Mack Miles, and W. W. Morgan.

Soft drinks were served at the social hour following the business meeting.

HAPPENINGS IN THE HOUSE

By JOHN LEWIS CATES
Shelby County Representative

After much deliberation the House-Senate Conference Committee finally agreed on the substitute version of House Bills 92 and 94, which in effect is a 3-1½-1½% sales tax version. The three percent is sales tax in our present form, plus the 1½% on automobiles, cars and trucks, and 1½% tax on heavy industrial machinery. The total estimaten derived from this version is some $23,500,000.00. The House and Senate concurred with the Committee's report without any further ado.

Out of forty-three revenue bills the Ways and Means Committee decided to consider the cigarette tax bill, of which I was a sponsor. I did not persuade or exert any pressure upon consideration of this revenue source. It is my opinion that this type of tax, although I agree it is already a heavily taxed item, if we must have them, be derived from luxury items such as tobacco. I am of the opinion that our people, if we need taxes, had rather use this method rather than an additional sales tax and an additional property tax, or an additional tax actually harmful to our business. There is mounting anti-opinion to the measure in the House, and the measure will be considered before the House Tuesday, August 11th.

The House, by joint resolution, agreed to mee Tuesday, Wednesday and Thursday of next week trying to wrap up all the school measures and school appropriations before the Special Session ends August 21st.

In my opinion it is doubtful whether the $42,000,000.00 requested by the Governor will be obtained in the Special Education Session. I am of the opinion that probably some $30,000,000.00 additional money will be the result of this Special Session. Many members are trying to get the House and Senate to finish their deliberation for the Special Session and ask that the Legislature adjourn for some two weeks, without pay, so that members will be able to catch up with their work and business at home before the Regular Session reconvenes.

Shower Honors Miss Sarah Baker

Friends of bride-elect Miss Sarah Pat Baker gathered at the home of Mrs. E. D. Thornton in Calera on the afternoon of August 14, honoring her with a miscellaneous tea shower. Miss Baker will become the bride of DeWitt William Self, Jr., on August 22.

Miss Baker chose a grey blue tucked sheer dress with white corsage. Mrs. Baker a brown sheer with yellow corsage. Mrs. Self, Sr., mother of the groom, wore a blue sheer with white flowers.

Receiving guests were Mrs. E. D. Thornton, Miss Baker, Mrs. John Frank Baker and Mrs. DeWitt William Self, Sr.

Miss Blair Mabry kept the bride's book. Gifts were displayed by Mrs. Carlos Warren.

Yellow fruit punch was poured from a table covered with white linen and crocheted cloth by Mrs. Guy Youngblood. Mrs. Dean Holcomb, Mrs. Beecher Findley assisted Mrs. Youngblood in serving sandwiches, cookies, mints and nuts. Yellow and white summer flowers completed the color sceme.

AUBURN ALUMNI TO MEET

Get Ready For Fair Week Fun

Only 10 days till the Big Tenth Shelby County Fair! Plan to meet your friends, take your family!

Ten years practice is proving that the Kiwanians are "getting better every year" at this job of staging a fair that has something to offer everyone!

Bell Amusement promises a bigger and better midway. Booths will be more interesting. Competition for Maid of Cotton, Dairy Princess, etc. will be closer.

Many—about 75—high class 4-H and F.F.A. dairy animals will be shown.

Prices, politics, art contests, bingo, P.T.A. food concessions, and many other features of the fair will offer a wide variety of entertainment.

Few Maid of Cotton entrants at writing—only one from Montevallo! Maybe she is so lovely Montevallo feels confident that it needs no other entrant to 'cop' the big title. But there's no regulation to keep the alternate from being from the same town. Get us several entrants.

And there has not yet been a booth engaged by a Montevallo business! Let's make this a real county wide fair!

THANKS FROM SCOUTS

Troop 59 and its leaders wish to express their many thanks for the cooperation and help given to them during the "Scouts in Action Fair." Especially our thanks and appreciation to the Rotary Club and Lions Club, to station WBYE, to Alabama College, to the Shelby County Times Herald, and all who helped our fair.

Although the rains came before the fair could get underway, we feel it has been a great experience to the boys. Maybe next year we will come home with Blue Ribbons.

SCOUTS MEET

Boy Scout Troop 59 met at the Scout Hut at 7:00 p.m. Monday night. Ten boys and two leaders were present.

The group was shown moving pictures that Scoutmaster George Nix had taken at Lake Martin. Plans are being made for the boys to go to Lake Martin during August 24th for a week. The meeting closed with the Scout's Benediction and Taps.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

Both the House and Senate have approved legislation that is designed to preserve acreage allotments and, at the same time, is expected to reduce the production of surplus crops at no additional cost to the government. The legislation, which was strongly supported by congressmen from southern states, will go to a conference committee so that differences in the House and Senate versions can be worked out.

Aid For Cotton Farmers

While the House-approved bill deals with all government-supported crops, the provisions pertaining to cotton are of particular interest to those of us who live in Alabama. These provisions will permit a farm, county, and state to maintain their total cotton acreage history without full planting of each farm allotment every year. Farmers who plant 75% or more of their cotton allotment will be regarded as having planted their entire current allocation of acreage for future allotment determination purposes. Those who do not plant may voluntarily release their allotments so that they can be distributed among other farmers, first in the county and then on a state-wide basis.

Under this plan, a county or state will not lose any acreage history credit because of underplanting, as long as 75% of the allotment is planted or the acreage is released.

Acreage Needed

The production of cotton, which was once Alabama's principal source of revenue, is still vital to the growth and stability of our state. During the past several years, however, there has been a steady decline in the amount of cotton acreage allocated to Alabama. This has occurred because, in addition to the national acreage reduction, some farmers in our section have underplanted, and the acreage they forfeited has been shifted to other states. As a result of these reduced allotments, our state's cotton farmers have experienced a great degree of hardship and economic distress, with many being forced to find other means of earning a living.

If the legislation passed by the House is enacted into law, it should halt the unnecessary loss of cotton acreage in the South east to states of the Far West. Since it will require the planting each year of 75% rather than the present 90% of a farm allotment in order to protect future allotments, it may also reduce to some extent our current surpluses.

Day Camping For Girl Scouts of District

Girl Scouts of District X, of the Cahaba Girl Scout Council, have had their second annual day camp at Camp Beshell, on the property owned by Bill Lovelady near the Arden Subdivision.

Over 50 girls and 10 adults from Montevallo, Columbiana, and Calera have participated in the two-week camping session. Activities have been geared to the age levels for Brownies and Intermediates, including singing, games, folk dancing, hiking, cooking, dramatics, badge work, whittling, nature, etc.

Gibbie Scott told the group about her experience at the Senior Girl Scout Round-up in Colorado Springs, Colo., earlier this summer. Mrs. Beulah Whaley has helped the group with nature exploration and identification.

Bobby Harrison, Alabama College student, has assisted with the First Aid training.

An enthusiastic group of hikers has developed in the older Intermediates. Already, during the camp they have 31 miles to their credit, including trips around Montevallo, to Davis Falls, to Spring Creek and a dip in the N. H. Waters' lovely pool, and hiking to and from Lake Schedhi, where they enjoyed an overnight on the property of Roy Downs.

It was a fine camping season for the Girl Scouts. Each Scout wishes to thank those persons responsible for making it successful.

MISS SUSAN SHARP

Miss Sharp To Marry Aug. 22

Mr. and Mrs. Cleveland Gillespie Sharp of Montevallo announce the engagement of his daughter, Miss Susan Lockwood Sharp, to Mr. Roy Francis Montgomery, son of the late Mr. and Mrs. James Alixis Montgomery of Monroe City, Missouri. Miss Sharp's mother was the late Joanna LaRue Sharp of Montevallo.

Miss Sharp attended Mississippi State College for Women where she was a member of the Pallet and Brush Club and was graduated from Richmond Professional Institute, College of William and Mary, where she served as vice president of the Art Students League. She is also a member of the University of Alabama Chapter of Alpha Kappa Delta.

Mr. Montgomery received his A.B. degree from Catholic University of America and his M.A. degree from the University of Tennessee. He is affiliated with Phi Beta Kappa, Phi Eta Sigma, and Phi Kappa Phi.

The wedding will take place August 22 at St. Thomas the Apostle Catholic Church in Montevallo.

smoothest ride!

One of the 7 big bests Chevrolet gives you over any other car in its field

Anyone who's ever taken a Chevy over a choppy country road can tell you how lightly Chevrolet's Full Coil suspension handles rough going—and *coil* springs never squeak, never need grease! Try this velvet way of going for yourself. Once you do, you'll find your own way of saying what MOTOR TREND magazine puts this way: ". . . the smoothest, most quiet, softest riding car in its price class." But the happiest part of it all is that this Full Coil ride is just one of *seven* big bests—all documented by published opinions of experts and on-the-record facts and figures.

BEST ROOM—Official dimensions reported to A.M.A.* show that Chevrolet sedans offer more front seat head room than all but one of the *high*-priced cars—more front seat hip room (by up to 5.9 inches) than the "other two" of the leading low-priced three.

BEST ENGINE—Chevrolet engines have long won expert praise from virtually every automobile magazine, and, just recently, Chevrolet received the NASCAR† Outstanding Achievement award for "the creation and continuing development of America's most efficient V-type engines."

BEST ECONOMY—A pair of Chevrolet sixes with Powerglide won their class in this year's Mobilgas Economy Run, topping every other full-sized car. And the winning mileage was a whopping 22.38 m.p.g.

BEST BRAKES—Chevy's bonded-lining brakes are the biggest in their field, built for up to 66% longer life. In a direct competition conducted by NASCAR, Chevy outstopped both of the other leading low-priced cars in a test of repeated stops from highway speeds.

BEST STYLE—It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

BEST TRADE-IN—Any N.A.D.A.‡ Guide Book can give you the figures on Chevy's extra value. You'll find that Chevrolet used car prices last year averaged up to $128 higher than comparable models of the "other two." Your Chevrolet dealer will be happy to tell you about a whole host of other advantages besides these seven. Why not drop by his showroom?

Alabama Gas Corporation Awarded Franchise To Serve Portion of County

The Shelby County Board of Revenue and Control recently awarded Alabama Gas Corporation a franchise to use the county public road right-of-way for installation of a natural gas distribution system to serve the area north ot Double Oak Mountain and easterly of the Birmingham-Montgomery Highway including the Cahaba Valley Community.

Request for this franchise was first heard by the Board on May 25. The matter was continued to permit the gas boards of Alabaster and Helena to appear so that each could present its case for serving this area. Six weeks later the Board received lengthy testimony from engineers and officials ot each local gas Board and from the Alabama Gas Corporation.

Alabama Gas Corporation offered to install a main line 6" in diameter with 75 pounds pressure capable of serving 1500 dwellings; construction to begin immediately. The rate to be charged was that offorded all other customers of Alabama Gas.

Alabaster Gas Board proposed a 4 inch line with 40 pounds pressure capable of serving present needs plus 345 additional customers. Rate to be charged was slightly higher than that offered by Alabama Gas.

The Helena Gas Board stated that to serve the area it would have to extend its line cross-country 3 miles to Pelham, thence along Highway 31 to the Cahaba Valley Road. A 3½ inch line was to be installed to serve present needs with capacity to serve an auditional 250 customers. Gas rate was identical to that offered by Alabama Gas.

In addition to the area granted the Alabama Gas Corporation, the Helena Gas Board was given the right to serve the area extending to Acton and also the Valleydale Road Community. The Alabaster Gas Board was invited to extend its facilities from the end of its present main just south of Pelham to the Cahaba Valley Road. The Helena Board is to present evidence of its intent to perform in its assigned area by February 12, 1960, otherwise the Alabaster Board is to be given a chance to render this service. If neither Board performs then the Alabama Gas Corporation will be given an opportunity to serve all areas.

Charles B. Gamble, Jr., Vice President, Alabama Gas Corporation said "A wonderful future is in store for Shelby County. We appreciate the consideration extended to us by the Board. Our company is fortunate to have a part in promoting the growth and development of north Shelby County."

REV. T. W. COX

Mayberry Revival Begins August 23

The Reverend Fred Donovan, pastor of the Mayberry Baptist Church, announces a revival beginning Sunday, August 23, to continue through August 29. The evangelist for the week will be Rev. T. W. Cox, Pastor of the Aldrich Baptist Church.

Rev. Cox is a senior at Howard College and has served formerly in the pastorates of Mt. Hill Baptist Church, Montgomery, Ala., and Macedonia Baptist Church in Chilton County.

The Aldrich Church has seen remarkable growth under the leadership of this young man. Twenty-three people have accepted Christ as Saviour and six have joined the church family by letter.

JIMMY SEAGLE

Leading the revival in song for the week will be Brother Jimmy Seagle who is minister of music of the Mayberry Baptist Church. Jimmy graduated from Montevallo High School and is now attending Alabama College where he is studying music. Truly, God is blessing this young Christian man. Rev. Donavan extends an invitation to all to attend all services at 7:00 a.m. and 7:30 p.m.

MACK NIX, JR., BIRTHDAY

Mack Nix, Jr., celebrated his eighth birthday Saturday, August 15 at his parents' home in Dry Valley. Enjoying the 2:30 to 4:30 p.m. party were: Sandra, Glenda, and Sanford Compton, Tommy, Michael, James and Nancy Nix, Peggy Jo, Dianne, Jackie and Annette Lucas, Danna and Cathy Reynolds, and the honor guest. Several games were played and thoroughly enjoyed by the group.

Favors of hats and baloons were received, and a beautifully decorated white cake with yellow and blue decorations was cut and served with ice cream, cold drinks, candies and cookies. Mack received many nice and useful gifts.

Subdivisions Must Be Approved by Health Officer

Henceforth the Probate Office will not accept for record maps or plats of subdivisions of land that do not bear the approval of the Sanitation Officer of the County Health Department. This decision has been reached in order to provide full cooperation with the County and the State Health Departments in obtaining compliance with laws and regulations pertaining to disposal of sewage.

Property owners are urged to consult L. H. King, County Sanitation Officer, before taking steps to divide property into lots for residential purposes. State regulations are designed to protect property owners from unsanitary conditions that may develope from the installation of wells and septic tanks in areas too small to afford adequate absorption from septic tanks.

County Health Officer, Dr. J. B. Dismukes said "No real progress can be made in Shelby County residential development in the absence of adequate public health protection. As our county continues to develope we will do our utmost to insure the home owner, whether on the banks of the Coosa or in other areas of the County, a safe and healthy site upon which to construct his house."

Elliottsville Church Completes Manse

The Elliottsville Presbyterian Church on the Montevallo-Siluria Road has just completed their manse. This is the first manse the church has owned. This manse was bought recently by the church, redecorated, remodeled inside and out. The redecorating and remodeling costs were paid for from the proceeds of fish dinners, hot dog cookouts, pancake suppers, Spaghetti suppers, etc.

The work on remodeling, redecorating was donated by the members of the church. The grounds surrounding the church has been bulldozed and shrubbery and grass will be planted when the weather is favorable.

This church is over 100 years old. It was built with free labor and the ladies of the church not only cooked for the men, but painted the entire inside of the church. There is a grave in the adjoining cemetery which is over 100 years old. In the last five years the members have put new carpeting, new pews, venetian blinds, kitchen, classrooms, fans, rebuilt the rostrum, drilled a well, painted the outside of the church with money they have made giving suppers in their homes as well as the church. They plan to continue building on to the church as the years go by.

The members of this church are to be congratulated for their faithfulness and progressiveness. Their new pastor , Rev. Beverly Johnson and family of Birmingham are moving in this week. We all welcome hime to our community.

Shelby County Maid of Cotton Contest Held Thursday Night at Columbiana

Miss Martha Ann Edge, daughter of Mr. and Mrs. H. R. Edge, will represent the Montevallo Chamber of Commerce in the Shelby County Maid of Cotton Contest in Columbiana next week. Miss Edge, a graduate of Montevallo High School, is a student at Auburn.

The Shelby County Maid of Cotton Contest will be held on Thursday night, August 27th, in the auditorium of the Shelby County High School at 8:00 p.m. This contest is sponsored by the Shelby County Farm Bureau in connection with the Alabama Extension Service and the Alabama State-Wide Maid of Cotton Contest, and held in connection with the Shelby County Fair.

To-date seven entries have been received in the Home Demonstration Agents office, they are:

TOTAL ELECTRIC Homes

(Including Electric Heating and Cooling)

Are In Demand!

The TOTAL ELECTRIC home of Dr. D. G. Briscoe, a dentist in Jasper, Alabama, is illustrated here. In Dr. Briscoe's home are ALL of the modern-day electrical devices—including that marvel known as the heat pump which—without combustible fuel—heats in winter, and cools in summer without an unsightly troublesome cooling tower. For all this comfort and convenience, the total cost for the year to the Briscoe family for electricity was only $374.06 or an average of ONLY $1.03 a day! And you'll recall that last winter was a real cold one. Says Dr. Briscoe: "A dollar a day is certainly a bargain and would be if for it we got only heating and cooling. But for our dollar we get also the electricity for lighting and all the other things we use it for."

When making plans for remodeling or building a home, store, office or church be sure to learn about the heat pump with its EXCLUSIVELY ELECTRIC advantages. With the heat pump you enjoy — from a single, compact unit — year-'round heating and cooling. The heat pump is flameless - sootless - ventless - waterless - dependable -WHOLLY and ELECTRICALLY modern! Requires no troublesome cooling tower. Install at floor level, in the basement or in detached utility room. Write Advertising Dept., Alabama Power Company, P.O. Box 2641, Birmingham, Alabama, for TOTAL ELECTRIC Home Idea Book if you are planning to build or remodel.

AUBURN GRADUATES

A total of 524 graduates will receive degrees at the Alabama Polytechnic Institute on August 22. Commencement exercises will be held at 5:30 p.m. in Cliff Hare Stadium.

Among the graduates are James Austin Yeager and William Paul Yeager, Pelham, who will receive the degree of Bachelor of Civil Engineering.

Speaker for the occasion is Dr. Robert Strozier, president of the Florida State University, Tallahassee.

1,000 To 1,200 Students This Year Is Prediction For Alabama College Enrollment

A record enrollment is expected at Alabama Colege when the Montevallo institution opens its doors for fall registration September 7, and early indications are that the number of students will exceed the 1000 mark.

Dr. Howard M. Phillips, President of Alabama College, said the studnet body would probably be between 1000 and 1200, an increase of approximately one fourth over last year's enrollment.

Talking over problems brought on by the jump in numbers, Dr. Phillips said facilities were being expanded as space and funds permitted. "However," he said, "heavy enrollments over the past four years have taxed student and faculty housing to the limit. Neither additional student nor faculty space can be provided without new building construction.

"This fall our student body will be more than twice the size it was in 1956. The advent of coeducation has brought men to the campus, thereby increasing the enrollment, but there has also been an appreciable increase in the number of women students. And certainly I am gratified that the school has grown and should continue to grow.

"But such growth doesn't come, especially as rapidly as that, to Alabama College, without a corresponding amount of 'growing pains,' the effects of which we are now feeling."

Parking Is Problem

Dr. Philips said all available space was being used for student housing, pointing out that a section of Main Hall, freshman women's dormitory, which has been used for a number of years as storage space is being reclaimed as living quarters.

Several rooms on the third and fourth floors are receiving a complete renovation and face-lifting treatment, according to Aubrey C. Flosom, planning engineer and director of operations at the college. Folsom said the rooms, when completed, would provide living space for sixteen additional students.

The faculty has also felt the pinch of the burgeoning enrollment. To offset some of the housing difficulties faced by new faculty members this fall, one of the buildings formerly used as part of the school's dairy operation is being converted into an apartment building. Reserved especialy for new-comers to the school, the unit will include three 3-bedroom and four 2-bedroom apartments.

An increase of students and faculty members will also mean an increase in automobiles to be worked into parking areas already crowed to overflowing. Folsom stated, however, that work has already begun on two additional parking areas with plans for the expansion of a third area near completion.

A 110-car space will be located adjacent to the administration building. Another 66-car lot will be opened by Ramsay Hall, freshman men's dormitory, and plans call for the expansion of a parking area behind Comer Hall at the north end of the campus.

Folsom said all projects are scheduled for completion by September 1.

State Revenue Commissioner Harry Haden Says He Will Increase Local Property taxes by an Arbitrary Figure that will amount to:

59 per cent in Shelby County

DO YOU OWN:
- a Home?
- a Small Business?
- a Filling Station?
- an Inventory of Merchandise?
- Real Estate?
- Industrial Equipment?
- a Farm?
- Farming Equipment?
- a Poultry House?
- a Cow Barn?
- Timber land?
- a Saw Mill?
- a Printing Plant?
- any similar taxable property?

Then read this advertisement!

DO YOU WANT YOUR TAXES INCREASED.... 59%

Under present laws, State Revenue Commissioner Harry Haden has the power to do this and he has said he will do it. He can overrule local tax assessors. He has set up an arbitrary increase for every county in Alabama. If local assessors and local Boards of Equalization do not do his bidding, he has the power to overrule decisions of these Boards and make the assessment anything he pleases.

Do you want the State Commissioner of Revenue to overrule your local Tax Assessor and Board of Equalization in order to squeeze more money out of you? Do you want your taxes to go to an all-time high? Do you want your property to be assessed on its replacement value? Do you want the assessment on your property to be based on present inflated values that will catch you with no way to pay taxes should a depression come with its disastrous deflation? Would you want your property to be sold for taxes because you were unable to pay exorbitant taxes?

DO YOU WANT *NEW INDUSTRY* TO BE SCARED AWAY FROM ALABAMA BECAUSE OF HIGHER TAXES?

OR—Do you want to keep the tax assessment powers in your own county where you can talk in a friendly manner with a Board of Equalization you know, with men who understand local problems, with men who are **experts** on judging **local** property values?

If you want assessments to be made by your county assessor and the local Board of Equalization, then ask your State Senators to vote for Senate Bills # 62 and 63 and your House Members to vote for House Bills #19 and 20. These bills take away from the State Revenue Commissioner the power to overrule property assessments made by County Boards of Equalization. There will be a committee hearing in Montgomery on these Bills August 27th. Let your State Legislators know that you are for these bills.

Parmer-Crouse Wedding

On August 1st at 7:30 p.m., Ann Paulette Parmer became the bride of Robert Alva Crouse at the home of the bride in Calera. The Rev. Gary Hearin officiated and Wayne Parmer, brother of the bride, lighted the candles.

Parents of the couple are Mr. and Mrs. Aubrey V. Parmer, of Calera, and Mrs. Obie Duncan of Odessa, Texas, and the late Alva Crouse of West Virginia.

Miss Dianne Parmer, Cousin of the bride, was her only attendant. Her ballerina length dress was of apricot organdy over taffeta and featured a full skirt with side bow. She wore a matching bandeaux with nose tip veil, and carried a cascade bouquet of Talisman roses.

The bride's father gave her in marriage. Her ballerina length gown was of white chiffon over taffeta with full skirt and basque waist. The low square neckline was embroidered in seed pearls and sequins. Her elbow length veil of tulle fell from a bandeaux of seed pearls, and she carried a cascade bouquet of white roses.

Errol Miler served as best man. Beulah Askins, pianist, and John Parmer, cousin of the bride, vocalist, furnished the music. Mrs. James Pinckard kept the bride's book.

A reception followed the cermony. Serving were Miss Jimmie Ruth Gaye and Mrs. David Thomas, assisted by Mrs. Earl Parmer, Mrs. C. W. Stewart, Mrs. R. F. Stewart, and Mrs. T. J. Stewart.

The couple will be at home in Odessa, Texas.

Out of town guests attending included: Mr. and Mrs. C. W. Stewart, of Indianapolis, Ind.; Mr. and Mrs. Tom Stewart, Mr. and Mrs. Bobby Stewart, and Mr. C. P. Stewart of Goodwater; Mr. and Mrs. C. M. Norris, Jr., Miss Betty Birchfield, and Miss Janice Strata, of Birmingham; Mr. and Mrs. Reginald Kendrick, Miss Virginia Kendrick, and Miss Clara Nivens, of Chelsea; Mr. Bob Armstrong, of Columbiana; Mr and Mrs. Earl H. Parmer, Sr., John and Dianne, of Wetumpka; Mr. and Mrs. Earl H. Parmer, Jr., of Prattville and Miss Shaughneen Riley, of Pell City.

CALERA PERSONALS

Mr. and Mrs. W. V. Veasey had all of their children and grandchildren home for the week end for a family reunion Saturday. Those present were Mr. and Mrs. R. P. Hagerman and family of Marietta, Ga., Mr. and Mrs. G. P. Martin and children of New Jersey, Mr. and Mrs. Milton Veasey and family of Bessemer, Mr. and Mrs. Shirles Green and Hal of Calera.

Morris Sandlin left a few days ago to accept a position with the Wurilitzer Company of Corinth, Miss., in their electronic field. Morris is a recent graduate of United Electronic Laboratories of Louisville, Ky. Morris is the son of Mr. and Mrs. Fred P. Sandlin of Calera.

Commander and Mrs. John W. Ryan and children of Arlington, Va., Rev. and Mrs. Benny Peacock and family of Doraville, Ga., are the guests of their parents, Mr. and Mrs. J. H. Johnson.

Mr. and Mrs. Donald Edwards and Mrs. Walter Coker were Sunday dinner guests of the Marvin Blackburns and Misses Kate, Mamie and Tonchie Armstrong.

Mr. and Mrs. Homer D. Smith of Weogulfka were week end guests of Mr. and Mrs. B. H. Cadle and Tommie Lynn.

Friday dinner guests of Mr. and Mrs. Marvin Blackburn, Misses Kate, Mamie, and Tonchie Armstrong were Mrs. C. M. Busby and Miss Elsie Busby of Birmingham and Mrs. Earl Gore of Clanton.

Just heard this around the grapevine, Ed Ewing, Ralph Thrasher, Foozy Findley, and Pooch Rochester played 36 holes of golf Sunday. The game started at 1:00 o'clock and continued until 6:00. I understand they left the women at home to make ice cream for them so they would have something cool when they got home. Poor little delicate things!

Two Chevy middleweights prove their rawhide stamina!

Top hands on high-country hauls!

Ask any trucker who's been over Wolf Creek Pass, 10,850 feet up in the San Juans: a 9-mile pull to the summit and low gear all the way down. Mr. C. H. Phillips of Alamosa, Colorado, has a 6403 and a 6503 Chevrolet truck that are up over this route the year round, taking sheep and beef to pasture, later marketing the stock in Denver. In less than a year, his Chevy middleweights have averaged about 50,000 miles of this kind of treatment—and they're going stronger than ever!

Watch Chevy trucks at work out in range country. It's a sight to see the way they pack into high-up mountain pastures and handle through brush and rock like a cowman's favorite cutting horse. Take any truck work for that matter. Chevy middleweights probably handle a bigger variety of jobs than any trucks alive. About anything you name, including work that used to be reserved strictly for bigger rigs. When a truck's built the way a Chevy is, lean-muscled and rawhide-tough, it takes to ugly trails the same way most trucks roll over the highway. It just keeps going, without a big to-do, but looking good every mile of the way. *How* they do it is your Chevrolet dealer's department. He'll be glad to supply details and specifications on the type of models you need.

No job's too tough for a Chevrolet truck! CHEVROLET

Nine-Year-Old Soldier in Third Army

HONORARY MEMBER of Third U. S. Army—William H. (Hank) Frazier, 9, of Scottsboro, receives the congratulations of another Alabamian, Maj. Gen. Thomas E. deShazo, Deputy Commanding General of Third Army, who conferred the honorary appointment. —Third U. S. Army Photo.

Ft. McPherson, Ga.—Nine-year-old William H. (Hank) Frazier, son of Mrs. Paul Conley of Scottsboro, Ala., was sworn in last Friday as an honorary member of the Third United States Army by Maj. Gen. Thomas E. de Shazo at Fort McPherson, Ga.

General de Shazo is the Deputy Commanding General of Third Army. He is a native Alabamian, born in Bridgeton and a graduate of Montevallo High School. He is also a graduate of Marion Military Institute at Marion, Ala.

The young honoree's father, Maj. William H. Frazier, was killed in action along the Naktong River in Korea in 1950 as a member of the 9th Infantry of the 2d Infantry Division during the time General de Shazo was Commanding General of the Division.

Young Hank, visiting friends at Fort McPherson, said he was not yet positive what we wanted to be when he grew up, but told the General he would probably be a soldier.

Savage-Hyde Wedding

Mr. and Mrs. Billy Jo Savage (Carolyn Faye Hyde) will live in Montevallo after a wedding trip.

They were married at 5 p.m. Sunday, August 2, at Wilton Baptist Church by the Rev. C. L. McGee.

Parents of the couple are Dr. and Mrs. Charles H. Hyde and Mr. and Mrs. Willie L. Savage also of Montevallo.

Candles were lighted by Miss Anita McDaniels and Stephen McDaniels. Miss Nora Johnson and Mrs. B. Hamick attended the bride. They wore street-length sheaths of blue with net overskirts. They carried asters.

The bride was given in marriage by her father. Her floor-length gown of tulle featured a white satin cummerbund. Her veil fell from a tiara of pearls. She carried a white orchid with a white prayer book.

B. Hamick served as best man. Ushers were Gary Hanna and Bobby Smitherman.

The bride's mother wore a beige lace dress. Mrs. Savage's dress was of blue lace. Both mothers wore corsages of white carnations.

The reception was in the church parlor.

DEBBIE COMER CELEBRATES WITH A BIRTHDAY PARTY

Debbie Comer, daughter of Mr. and Mrs. Jack Comer, celebrated her 6th birthday Wednesday, August 12th with a party at her home from 2:30 till 4:30.

Games were enjoyed on the lawn by Debbie and 21 little guests, and favors were presented.

The color scheme of pink and white was carried out in the ice cream, and the beautiful birthday cake decorated by Mrs. Sara Slaughter.

Those attending were Suzon and Chere Glasscock, Cheri Franklin, Mickie and Gayle Crawford, Tami Slaughter, Gail Mitchell, Kiki Comer, Sandra Alverson, Johnny Maddox, Michael Bain, Jackie Kiriakos, Mary, Martha, and Eric Wyatt, Mary Lynn and Debra Farris, Gail Reece, Toby Quillian, Andy Barrett and Butch Bird.

Those assisting Mrs. Comer were Mesdames Jesse Ozley, Margaret Glasscock, Betty Crawford, Betty Alverson, Lamont Franklin, Lorene Maddox, Lucille Barrett, and Martha Mitchell.

Christopher Ballentine, son of Mr. and Mrs. R. E. Ballentine, of Montevallo, was born Wednesday, August 12, at 10:44 p.m. at St. Vincent Hospital.

KENDRA KOCHMAN BIRTHDAY

Kendra Kochman in celebrating her fourth birthday Tuesday enjoyed an afternoon of rides at Kiddieland Park. Guests enjoying her anniversary celebration were Mary Lynn Huntley, Susan and Jo Ann McGlown. Before leaving for Birmingham the little girls were served birthday cake and ice cream, and Kendra opened her beautifully wrapped and interesting gifts.

Mrs. Catharine Smith is beaming again, she's grandmother for the 3rd time. Pamela Dean was born July 15th at West End Baptist Hospital, to Mr. and Mrs. Joe Smith. She weighed 8 lbs 11 oz.

BOYS SCOUT MET

Troop 59 met at 7:00 p.m. Monday night at the Boy Scout Hut. Two boys and one leader were present.

Advancements were discussed. Then plans were completed for August 24th when the boys will leave for Lake Martin for a few days.

The meeting was closed by the Scout Benediction.

Mr. and Mrs. A. V. Parmer and Wayne spent the week end in Goodwater with Mr. C. P. Sewart.

Mr. and Mrs. James F. Harris, of Rt. 1, Marvel, recently vacationed at Panama City. They reported a very nice trip.

Telephone Talk

by J. L. SWITZER
Your Telephone Manager

THE CALENDAR tells me there's a holiday ahead—the Labor Day weekend. And this makes me think of two things—a good time (which I'm sure we're all planning) and safety.

* * *

SAFETY ON THE HIGHWAY will be especially important this year. There are more cars on the roads today than ever before in history—and you can count on it that most of them will be out over Labor Day. So, take care and drive carefully. You'll have a happier holiday if you do.

* * *

AND ON THE LIGHTER SIDE of safety and warning, if you're going away for Labor Day, "play it safe" and "warn" folks of your arrival. A Long Distance call will reserve accommodations, help you plan your visit with out-of-town friends and family. Remember when calling Long Distance, it's cheaper to call station-to-station—faster when you know the number.

* * *

THE REASON I'm so safety conscious is because we at the telephone company are continually aware of safety's importance—especially on the job. Because of this, we regularly conduct classes in safety and first aid. This knowledge helps protect us at work, and many times it's enabled us to help others in emergencies—even save lives. That's why I never underestimate the rules of safety, and I hope you won't either.

Plan to attend the Shelby County Fair next week.

Bobby G. Logan Ends Tour of Army Duty

Specialist Five Bobby G. Logan, who has completed a three year tour of duty with the United States Army Security Agency at Ft. Devens, Mass., is presently undergoing his pre-separation processing.

Due to the nature of his duties and the type of classified equipment Bobby came in contact with, he was granted Top Secret and Cryptologic clearances by the Third U.S. Army.

Bobby's wife, Patricia, has been with him for the past two years. They are living in Leominster, Mass., a typical New England town a few minutes drive from a number of historic scenes and landmarks.

Bobby and Patricia are both looking forward to returning to Montevallo the first of September. Both plan to enroll in the fall semester at Alabama College.

CHEVROLET

*most m.p.g.** *miles per gallon

one of 7 big bests Chevrolet gives you over any car in its field

Proof that Chevy delivers the most miles from a gallon comes from an indisputable source: this year's Mobilgas Economy Run. For a pair of Chevrolet sixes with Powerglide walked away with the first two places in their class—got top mileage, in fact, of *any* full-sized car. Over the Run's long, rugged course, over mountain and desert in the long, long haul from Los Angeles to Kansas City, the winning Chevrolet averaged a whopping 22.38 miles per gallon. That's the kind of economy-engineering that keeps you saving while you drive!

BEST STYLE—It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

BEST BRAKES—In competitive tests of repeated stops from highway speeds, conducted by NASCAR**, Chevy outstopped both of the "other two." Naturally—Chevy brakes with bonded linings are far larger, built to lengthen brake life by up to 66%.

BEST TRADE-IN—Look at the record—the used car prices in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to $128 higher than comparable models of the "other two."

BEST ENGINE—Chevrolet engines have long won expert praise and, just recently, Chevrolet received the NASCAR Outstanding Achievement award for "the creation and continuing development of America's most efficient V-type engines."

BEST ROOM—Official dimensions reported to A.M.A.‡ make this abundantly clear. Chevy front seat hip room, for instance, is as much as 5.9 inches wider than in comparable cars.

BEST RIDE—MOTOR TREND magazine names Chevy ". . . the smoothest, most quiet, softest riding car in its price class." But this is one Chevy feature you really should discover for yourself, at your Chevrolet dealer's. Stop by soon!

County Roads Are Inspected

Shelby County roads received a critical inspection by A. P. Villadsen Maintenance Engineer, State Highway Department on Tuesday, August 25. Mr. Villadsen accompanied by District Maintenance Engineer John Thompson of Alexander City, County Engineer Jim Ray and Probate Judge Conrad M. Fowler looked over the county highway system in order to see and then discuss several outstanding road problems.

The group also conferred with municipal officials of Columbiana and Calera about state highway problems within the limits of these towns. Other problems considered include the intersection of the Columbiana-Saginaw road with the US Highway 31 at Camp Branch, the improvement of the Columbiana-Saginaw road, paving of roads in Double Oak Mountain Park and other matters relating to the county road program.

HAPPENINGS IN THE HOUSE

The Special Session will end Monday, August 24th, and immediately the House will meet again on August 25th on its next regular day in the Regular Session, as previously agreed. There was sentiment against the House meeting Monday in as much as many felt that all the work would have been completed on this Friday. Personally I supported the idea of adjourning the Special Session on Friday, and then waiting until Tuesday to start the Regular Session. There is, however, a Resolution, which calls for a two week recess, without pay, after the 25th of August.

The high light of this Special Session, of course, was the thirty-two million raised for educational purposes in the state, and secondly, if not the greater high light, was the passage of the one-hundred million dollar bond issue for schools, which will make a total of over three hundred million dollars for education. Now just exactly how much bond issue Shelby County can benefit from the passage is herein set out, based on estimates of the past fiscal year. For example, Shelby County will receive $288,968 plus a $250,000 allocation, and if county funds are available another $288,968 can be granted as matching money, which would make total of $1,111,000, or they are definitely guaranteed $827,900 if they are unable to match the $288,968. Certainly the nearly $1,000,000 additional money can put our Shelby County educational system further advanced.

Tobacco Tax Deductible

The cigarette bill, which imposes an additional 2c tax on cigarettes, passed both houses with the Lock Amendment, which merely states that the taxes on tobacco products were consumer taxes and the statutes on Federal revenues state that if there is such a tax directly on the consumer, then the tax can be deducted from the federal income tax. For an example; it has the same effect as one who deducts his gasoline tax from his federal income. For further example; if a person is using a pack a day or is a pack a day smoker there will be 6c per package tax and at the end of the year (6c times 365) $21.90 can be deducted from the federal income tax. This means that the increase has not cost the consumer, but has made it a deductible item.

Personally I am glad that the revenue session is over and as I publicly stated on the floor, I do not favor advocating revenue measures, but I felt it my duty to get more for our schools. The Members of the House are certainly glad that its revenues for the next two fiscal years have been taken care of and they are now ready to get back in the regular routine of legislation.

This report will be the last report that I will make until the House comes back into the Regular Session after the two weeks recess, and again I shall keep you informed by these weekly reports.

County Hospital Names Personnel

The Shelby Memorial Hospital is taking shape very rapidly. Dean R. Upson, Administrator of the hospital states that all of the equipment has been delivered and is ready for installation just as soon as the building is released to the hospital Board. Mr. Upson thinks this will be some time around September first.

The installation of surgical equipment, getting the other items stocked in the hospital such as linens, drugs, furniture, food etc., getting the staff completed and on the job will take about three or four weeks.

Mr. Upson announces the following professional personnel have been employed and will assume their duties about three weeks before the Hospital is ready to open:

Mrs. Lois Looney, Director of Nurses, R.N.; Housekeeper, Mrs. Betty Prewett; Dietitian, Mrs. Erwin; Admission Secretary, Mrs. Ray Balcom; Business Office and Bookkeeper, Mrs. Gertrude Tinsley; Surgical Supervisor, Mrs. Frances Burell, R.N.; Radiologist, Walter Brower, M.D.; Obstitrics Supervisor, Mrs. Anderson, R.N.

Announcement will be made later as to the opening date of the hospital.

NAN JACKSON NAMED RANDOLPH COUNTY MAID

Wedowee, Ala., Aug. 19 — Nan Jackson won the Randolph County Maid of Cotton title on beauty and personality, but she is also talented.

The Alabama College junior was a semi-finalist in the 1958 Miss Alabama Contest. In high school and college, her activities have ranged from girl politics to journalism in addition to participation in music and drama groups.

Southern Bell Has Fair Exhibit

For this year's Shelby County Fair, the Southern Bell Telephone Company has on display a large electrically activated map of the U.S.A. This map will be used to illustrate customer long distance dialing. A representative will be on duty to explain this new service. Present plans are to put this service into effect in the Shelby County Exchanges by January 1, 1961.

The popular Voice Mirror is also on display. This device repeats anything you say into it and gives you a good idea of how your voice sounds to others on the telephone.

County Exceeds Cancer Quota

Shelby County exceeded its goal in the 1959 Crusade of the American Cancer Society, Alabama Division, Inc., by raising $3,325.53, according to an announcement from Dr. Thomas S. Gibson, of Huntsville, state Crusade chairman.

Dr. Gibson thanked the people of this county "who gave untiringly of their time and energy and unselfishly of their resources" to aid the fight against cancer.

Malcolm Laney, Tuscaloosa, was co-chairman with Dr. Gibson in this area. Albert Scott, Alabaster, was county Crusade chairman.

Farmers who are hiring workers for harvesting the fall crop were reminded today that the Fair Labor Standards Act sets a sixteen-year age minimum for the employment of children in agriculture during school hours.

The reminder came from Sterling B. Williams, regional director of the U.S. Dept. of Labor's Wage and Hour and Public Contracts Divisions.

Fowler Attends Coosa Improvement Meeting

Judge Conrad Fowler, of Columbiana, represented this section last Wednesday at a meeting of the Board of Directors of the Coosa-Alabama River Improvement Association. Plans were formulated to secure favorable action by the Bureau of the Budget for inclusion of funds in the next fiscal year's Federal Budget for continuation of advanced planning of the Millers Ferry Lock and Dam, Alabama River.

F.H.A. Executive Council Meets

The executive council of the Montevallo Future Homemakers of America held a planning meeting at the home of Mrs. C. L. Holingsworth, August 24th.

Before lunch we thoroughly discussed our National, State, and local goals, ways of interpreting them, and planned the local program of work. We then enjoyed a delicious luncheon served us by the advisors, Mrs. Rebecca McGaughy, Mrs. C. L. Hollingsworth, and Miss Mary Larkin, an honorary member of this chapter.

Standing committees and their chairmen were appointed.

Members of the executive council attending were: Phyllis Kyser, President; Gisela Molgedei, Vice President; Linda Hill, Parliamentarian; Janice Waters, Historian; Lucretia Hollingsworth, Reporter; Martha Whaley, Recreation Leader, and Charlotte Higgins, Student Council Representative. Betty Milstead, Secretary, Langley Tolbert, Historian, Amelia Dodd, Treasurer, and Jackie Blakely, Recreation Leader were not able to attend.

Howard College Extension School

The Howard College Extension School for Christian Training will open again for classes on September 1, at the Siluria Baptist Church. The classes will begin at 7:00 p.m. on Tuesday evenings. The following courses are offered: Sunday School Preview Studies (a study of the Sunday School lesson series for the year), Homiletics (a workshop course for preachers and public speakers) and Old Testament Studies (a thorough study of the book of Isaiah).

Anyone interested in getting college credit may take these courses, and any who desire to improve their teaching and knowledge of the Bible. It is possible to take two courses and receive two hours of credit toward a degree or a certificate of Christian Training. Transportation will be provided to and from Siluria for one or two car-loads.

Anyone who is interested may contact Brother B. B. Curry, Associational Missionary, Wilton, Alabama, Edward Glover at the Montevallo Baptist Church or any pastors in the Baptist Churches. Visit the school on Tuesday evening and get a first-hand knowledge of that which is offered.

AUCTION SALE

Every Saturday afternoon at 4:30 p.m. down town Calera. Sponsored by the American Legion Post No. 56.

Bring all unwanted objects. Will sell for a small percent of sale.

Teachers Hold Pre-School Meet

A pre-school meeting for all Shelby County white teachers was held on Wednesday and Thursday, August 26, and 27. The purpose of the meeting was to help teachers to make plans for the new school study. The theme of the study was, "A Continuation of the Study of the Curriculum in the Shelby County Schools". Teachers were divided into groups and met for three times to work on the above named subject.

On Thursday morning a group of teachers spoke on the subject, "How To Have a Balanced Program in the Schools." Dr. W. M. McCall, State Department of Education, was moderator of the panel. Other members were Mrs. Cliffortine Harris, Mrs. Charlotte Peterson, J. H. Upchurch and H. C. Weir.

The conference came to a close Thursday afternoon after the teachers heard Dr. C. P. Nelson, Executive Secretary of the Alabama Education Association, speak on School Legislation.

The teachers met in their respective schools on Friday to get everything in readiness for the opening of schools on Monday morning, August 31.

Fiorella Conviction Is Affirmed

The case of Sam A. Fiorella, Birmingham gambling figure, in which he was convicted of operating a gambling house in August, 1957 has been affirmed by Judge Annie Lola Price of the Court of Appeals last week. Fiorella was convicted by a jury in the Circuit Court of Shelby County and was setenced to serve eight months at hard labor.

Evidence on which the prosecution was based was obtained in a raid by officers of the Department of Public Safety, Representatives of the Attorney General's office and county officers in January, 1956.

MRS. BELLE FULTON TO BE HONORED

There will be a reunion of all former pupils and friends of Mrs. Belle Fulton at the Elliottsville Church on Sunday, August 30. Services will be at 11:00. Everyone is invited to come and bring their lunch.

Report of Negro Recreation

Each year our program grows better and bigger as interest of our people is at all time high. Never before has any program drawn as many people and ended so quickly as this one.

Many adults who never attended an activity before joined in and continued to come, thus keeping alive the attendance which shows a marked increase over last year.

We never have waited for the official opening date of recreation. When that date arrived this summer, several little league and a number of girls softball games had been played. Two night entertainments at the recreation swimming place on the creek had been enjoyed and all of the children were awaiting the opening night of the gymnasium which was a tremendous success with games of table tennis, basketball, cards, checkers, dominoes, and to round out the evening, the last thirty minutes is used for dancing. It is usually enjoyed by adults and children of all ages.

The "swimming hole" has been a very busy place the summer long. Mornings and evening have been attracting large groups and private picnics. Barbecues and weiner roasts have been the pride of family groups in the shade and at night. The swimming or "dip in the water" as some term it, has drawn more in attendance on the creek than ever before.

Now that the swimming hole is being walled by a cement wall with steps leading in and out of the water, also the place will be dug deeper another year, all of which we appreciate more than words can tell. We hope to show just how much we like it by doubling our attendance next season.

On our play ground where volleyball, dodgeball, soft and hard ball are played along with many games suited for the smaller group.

Little leaguers lost some games and won several which delighted the many spectators who saw how they were learning to execute plays in hard ball which would not have been possible without our recreation and much help and instruction by adults.

The pony leaguers made several visits and gave us several evenings of fine baseball, The girls softball team made more visits and played more games at home than the other recretional teams. They were the teams who drew the most in attendance besides the larger boys who play on Saturday and Sundays.

The night program in the Prentice gymnasium has been the largest drawing card of our recreational program where all ages took part in some phase of the program that caught their fancy best. Many activities were offered and were accepted by participants who enjoyed one or the other.

Sportsmanship and leadership are always emphasized in the activities among all who take part. Civic responsibility never goes lacking in any part of the recreational program and the leaders have seen marked improvement in these fields. We hope to make this program, through training, one of the best in the state.

We have visited other recreational programs in our county and other parts of the state, such cities as Tuscaloosa, Bessemer and Ensley and have found that we have the same and more of a variety of recreation than all we have visited. With the interest being shown by us, and the help we receive we believe we have as fine a recreation program as any.

Our girls softball team has several more visits to make and as we make them we observe others and what they have and compare them to ours. We feel fine about what we have.

We would like to give Mr. Andy Smelley, operator of the Owl Service Station, and others who helped him our sincere appreciation for the wonderful entertainment and refreshments given to the softball team for their splendid performance in defeating such teams as Tuscaloosa, Bessemer, Ensley and Fairfield.

Such sportsmanship says Mr. Tripp "was displayed on many instances and should not go unmentioned.

Our attendance for the year goes as follows:

The first month totaled 3,708, the second month totaled 3,840, making a grand total for the recreational year of 7,548.

Letter to the Editor

Dear Editor:

I would appreciate if somewhere in your paper you would explain to the people, as I have been queried, the Lock Amendment which made tax on tobacco products deductible against federal income taxes each year.

I have attempted to explain how it was written in the bill in my weekly report this week, and I would appreciate you calling it to the attention of your readers.

Sincerely yours,
JOHN LEWIS CATES

Mrs. R. C. Parsons, Craig, Don, and Gary from Mobile recently visited relatives on Pea Ridge and Birmingham. Brenda Harper returned home with them for two weeks vacation. Mrs. Parsons is the sister of Mrs. D. W. Harper.

Card of Thanks

Words can never express our appreciation to our friends, neighbors, and relatives for the flowers, cards, visits, and prayers during my illness in the hospital. May God bless every one of you.—Mrs. Ben Tate.

Miss Baker Is Bride of Dewitt Self, Jr.

Miss Sarah Patricia Baker was given in marriage by her father, to DeWitt William Self, Jr., at a 4 p.m. ceremony Saturday at First Baptist Church. The Rev. Fred Leander White, brother-in-law of the bride, and the Rev. Edward Glover, officiated.

The bride is the daughter of Mr. and Mrs. John Frank Baker of Montevallo. Mr. Seft is the son of Mr. and Mrs. D. W. Self of Birmingham.

The bride wore an heirloom gown of candlelight satin and chantilly lace designed on classic lines. The molded bodice was fashioned with a queen's collar and long sleeves.

The full lace skirt swept to a chapel train. Her veil of silk illusion was caught to a Juliet cap of lace traced in pearls. Her bouquet was of white flowers.

Anna Blair Mabry acted as maid of honor. Mrs. Robson James Mabry Jr., sister of the bride, was matron of honor. Bridesmaids were Josephine Conrad Graham, Mary Jane Graham, Eberle Wayne Baker, junior bridesmaid.

The attendants wore afternoon frocks of blue mist sheer. The shirred bodices were fashioned with scooped necklines. Satin cummerbunds ended in bows at the back. Their hats were matching satin bows with float veils. They carried bouquets of white Fuji chrysanthemums, tuberoses, and ivy.

Charles Farrell was best man. Groomsmen were John Robert Baker, Arvile Smitherman, James Mann, and Floyd Tredaway.

Mrs. Baker chose a dress of ice blue lace for the wedding. The bridegroom's mother wore rose lace dress. Both had gardenia corsages.

Organ selections were played by Mrs. Fred Leander White, sister of the bride.

A reception followed the wedding at the home of the bride's parents in Red Acres.

Assisting were Mrs. Fred L. White, sister of the bride; Mrs. Frank Thomas Baker, Mrs. John Robert Baker, Mrs. Floyd Tredaway, sisters-in-law of the bride; Mary Belle Baker, Mrs. Margaret Baker Graham, Mrs. J. W. Baker, Mrs. A. D. Brown, aunts of the bride; Mrs. A. B. Leath Jr., Mrs. Peyton Baker, Mrs. Jean Baker Zorzour, cousins of the bride.

Mrs. Carlos Warren, Mrs. Robin Hood, Mrs. A. C. Jeter, Mrs. George Howell, Jennie Ramsey, Mrs. O. G. Eddings, Mrs. Martha Cox Champion, Mrs. R. J. Mabry, Mrs. Felix Lewis Jr., Mrs. B. D. Holcomb, Mrs. Guy Youngblood, Mrs. Barbara Knowles Pickett.

After a wedding trip to the Smokies and the Florida coast the couple will make their home in Leeds, where Mr. Self is bandmaster at Leeds High School.

Carlson - Rochester Vows Are Said

Little Rock, Arkansas, Aug. 22 —Miss Catherine Carlson and Kenneth Rochester of Montevallo, Ala., exchanged nuptial vows at 4 p.m. Sunday at St. Mark's Episcopal Church. The Rev. Wiliam Wilcox officiated.

Parents of the couple are Mr. and Mrs. Lawrence Paul Carlson and Mr. and Mrs. Luther Franklin Rochester of Montevallo, Ala.

Given in marriage by her father, the bride wore a gown of white lace over taffeta fashioned with a molded bodice, short sleeves and a bouffant skirt. A scaloped lace motif edges the portrait neckline and deep ruffles formed a chapel train.

Her finger-tip veil of Brussels was caught to a pearl tiara and she carried a cluster of toast cypripedium orchids.

She was attended by Miss Jean Richardson of Houston, Tex., as maid of honor. Other attendants were Mrs. Karl Kullander and Mrs. J. R. Mosley, both of Little Rock and Mrs. Richard Gladden of Alexandria, La.

They wore waltz length dresses of white lace over taffeta and carried cascades of yellow glamelias.

Harvey Rochester served his brother as best man. Ushers were Leldon Rochester, another brother; Harold Nix and Larry Carlson, brother of the bride.

The bride's mother wore a blue lace over taffeta sheath. Mrs. Rochester's dress was of frosted blue lace over taffeta. Both wore corsages of white glamelias.

Following the ceremony a reception was held in the church parlor. Assisting were Mrs. Oley Rooker, Mrs. Wycliffe Steele, Mrs. Harold Nix, Mrs. Harold Steelman, Misses Sandra Rochester and Connie Brady.

After a wedding trip to Hot Springs, the couple will live in Montevallo, Ala.

Card of Thanks

We would like to take this opportunity to express our thanks and appreciation for the thoughtfulness of prayers, cards, flowers, gifts, and visits from so many friends and relatives who so kindly remembered James Luther Harris during the many days he spent at University Hospital.

We also appreciate the countless acts of kindness rendered the family dhring his absence. Thank you from the depths of our grateful hearts. We are happy to report that he is now at home in Sylacauga and getting along very well at the present.

May God bless each one of you.—Mrs. Lex Ozley, sister, Mrs. J. L. Harris and family.

Montevallo Chamber of Commerce Plans Important Thursday Meeting

On Thursday evening, September 10th, the Montevallo Chamber of Commerce will hold one of the most important meetings of the year at City Hall. It is expected that some of the important committee reports will be made to the group and President D. H. Lovelady will have important announcements for the group.

M. Thornton, secretary, will report results of some of the chamber's projects and M. S. McGehee will report on industrial news. F. H. Frost, Sr., treasurer, has already reported that the membership this year already exceeds 50 and additional members can continue to be listed as dues are sent in. Projects of interest to the entire community will be discussed and the chamber of commerce invites others who may be interested to attend this important meeting.

Among the items of interest will be a discussion on how the local chamber can participate in the Southeastern Exhibition which is being held at Birmingham Municipal Auditorium on December 6, 7 and 8. It is expected that at this time Montevallo will have an opportunity to present the many ad vantages offered to those seeking location for industrial expansion. The Committee of 100 of Birmingham has already extended a cordial invitation for the Montevallo chamber to participate in this great event.

Again all members are urged to attend this important meeting.

The Montevallo Chamber of Commerce has cooperated by having an entry in the Shelby County Maid of Cotton contest and plans made for participation in the Bessemer Queen Bess contest and the Livestock Festival.

Home Clubs Have Fair Exhibits

The Home Demonstration Clubs of Shelby County who had booths at the Shelby County Fair in Columbiana this year were Siluria, homemade bedspreads first prize; Ebenezer, tailoring second prize; Yellow Leaf, refinishing furniture second prize; South Calera, table-setting third prize; Columbiana, making tables; and Klein Club, Christmas decorations.

Mr. R. W. Kent, Siluria, owner of Kent Dairy, can well be proud of his grandchildren, Mike Kent, Joy Kent, Eric Nix, and Dianne Kent. They all won ribbons in the dairy cattle show. Guy Causey of Siluria also won several ribbons with his fine dairy cattle.

It was difficult to choose a dairy maid from all the beautiful contestants, however, Miss Julia Frost of Calera was named Dairy Maid; Miss Lemoine Booth, first alternate; Miss Nancy Holbrooks, Siluria, second alternate; and Miss Joy Kent, elementary Dairy Maid.

Local Boy Scouts Return From Trip

Boy Scouts from Troop 59 returned Thursday night from their trip to "Castaway Islands" at Lake Martin.

The group, under the supervision of Mr. and Mrs. George Nix, arrived at the island Monday morning. After getting settled in their cabin, which had a sun deck and was situated on the point of the island, the boys changed into their swim suits and the first thing they did was get on the bobsleds, which went down into the water from a chute. They also enjoyed the paddle boats.

The next three days are the most unfortgettable ones. They rented a motor boat and some of them learned to water ski, and all of them learned to surfboard ride. From early morning till sundown they boys frolicked in the water.

Wednesday morning the boys and Mr. Nix motored the boat over to Martin Dam and were taken on a tour through the plant. While there they ran into Mr. Albert Scott and family, and the boys were treated to Coca-Colas after touring the dam.

The boys, sunburned, tired, but happy, are looking forward to going back to Castaway next summer. Next year we hope to have a larger group of boys to enjoy this trip. Those who went on this trip are Robert and Claude Eddings, Bill and George White, Eddie Potts, and George Nix, Jr.

The boys are convinced that 45 thousand acres of water is not all made to drink but to swim and frolic in.

LAKE DRAINING

Tickets are on sale by members of the Montevallo Lions Club to attend a lake draining at the N. H. Waters Farm Lake Saturday, September 5, from 2 p.m. on. The $3.00 ticket entitles the holder to all the fish he can catch or carry.

Mr. Waters has given the Lions Club permission to drain his well stocked lake and sell the fish, letting the group have the proceeds for local work and Alabama Sight Conservation.

Spectator tickets will be on sale at the gate, $1.00 for adults and 50c for children 12 and under.

MONTEVALLO POST OFFICE TO CLOSE FOR LABOR DAY

Postmaster M. F. Watson announces that the Montevallo Post Office will be closed on Monday, September 7.

STUDIOSIS TO MEET

Studiosis will meet in Tutwiler Hall Tuesday, Sept. 8, at 7:30 p.m. Dr. T. H. Napier will speak on "Know Your City." Refreshments will be served by the president, Mrs. B. W. Hamric.

Bulldogs Ready For Isabella

Opening night for the Montevallo Bulldogs is Friday, September 11, with Isabella as the opponent. The game, to be played at Montevallo, is set for 7:30. Last year the two teams fought to a 7-7 deadlock at Isabella. Both touchdowns came in the first two minutes of the second half on runs that went all the way.

Gone from Shelby County's champions are ends Jimmy Thrasher and Curtis Jarvis, quarterback Barclay Fisher, and halfback Ronald Smitherman, all of whom were named all-county last year. Also missing from the Bulldog roster are outstanding lineman, Allan Nabors and Ben Harrison, along with Ralph Morris and Jack Rasberry.

Among the 35 prospects now battling for the coach's nod on opening night are 13 returning lettermen. Only five regulars are left from last year's squad, which had a 7-1-2 record and tied with Verbena for the Mid-State championship.

Back for the second year at center is Danny Thornton, a sophomore. Others lending aid at this position are Paul Glover and Robert Walters.

Seniors, Lary Joe Pickett, tackle, and Freddy Draper, guard, return to the line and should spell trouble for the opposition. Jimmy Baine appears to have an edge on the other tackle position with Jack Battle, Tony Harkins, Kenneth Hyde, and Butch Kyser in reserve.

At guard besides Draper are lettermen Jimmy Eddings and Cliff Woolley and newcomers Jimmy Wyatt, Peter White, Ricky Frost, and "Cowboy" Harkins.

With both regulars missing from the terminal posts, Peter Givhan and Talmon Hill appear to be the most likely prospects at present. However, there are more to choose from in Keith Salter, Buddy Majors, Glenn Cunningham, Jerry Johnson, Albert Scott, and Johnny Starks.

According to Coach Theron Fisher the Bulldog backfield is wide open so far as assignments are concerned. Here regulars Ruben Hayes and Donnie Davis and lettermen Billy Winslett, Charles Hollingsworth and George Underwood are the returnees. Ready for service in the backfield also are Tony Birchfield, Cooter Smitherman, Buddy Day, Tom Hicks, Bobby Hyde, Vicky Terrell, and Olin Galloway.

Coach Fisher says the battle for Shelby's championship this year looks like a close race to him with all five teams pretty evenly matched.

Montevallo's coaches are head, Theron Fisher, and assistants, Charles Martin and Cratie Corbett.

Here is the Bulldog schedule:

Montevallo's Schedule

September 11 Isabella*
September 10 Thompson
September 25 Clanton*

SPIRITUAL LIFE DAY

A Spiritual Life Day Apart was held by the W.S.C.S. of the Montevallo Methodist Church at Lake Schechi on August 31st.

The program was under the direction of Mrs. James Chesnutt. Mrs. O. D. Thomas, jurisdictional secretary of student work of the southeastern jurisdiction, was the featured speaker.

NO MORE NEWS PICTURES

The Times-Herald will not accept news pictures for publication in the future as we have done the past two years.

This decision is made necessary because the demands of other business now consumes the full capacity of our facilities. We choose, therefore, to discontinue the use of pictures and to use our time and facilities for something that is profitable.

Thompson P.T.A. Greets Parents

The P.T.A. of Thompson School greeted the parents of high school and elementary school on the opening day of school. Registration was carried on at a rapid rate and before noon 57 parents had signed up for P.T.A. Thompson hopes to have a 100 per cent registration in P.T.A. work this year. The P.T.A. will be headed by Mrs. F. E. Smith of Alabaster.

The Student Council of Thompson had charge of assembly on the opening day of school. The meeting opened with a devotional by Miss Ida Martha Reid, second vice president. The Alma Mater was sung by the whole assembly and then Miss Charlotte Mathis, secretary, gave a welcoming address. Miss Frances Spain, treasurer, introduced the officers of the Student Council and explained their purpose and plans for the year. Miss Peggy Smith, vice president, introduced the teachers and as each was recognized a corsage or boutonniere was pinned on them. Guy Causey, president, introduced the new principal, Mr. Cecil Burkett, who in turn greeted all students and welcomed them to Thompson.

Thompson School opened with an enrollment of 935 pupils, 414 in the elementary school and 521 in the high school. There are 106 in the senior class.

Thompson Must Replace Forewall

Thompson High has a big job of building a new line for the few backs who are returning from last year.

From the 1958 squad Coach Shell and Coach Bennie Rhodes have returning Henry Brett, quarterback; Jerry Busby, and Maxie Nixon, halfbacks; Howard Bramblett, center; Steve Davis, end, and Eugene Walker, guard.

Among those trying for the backfield jobs are Lary Burton, Tracy Thornton, and John Creamer, fullbacks; John Sweeney, and Eddie Finch, quarterback.

The line is led by Walker, who will play tackle and guard. Other strong candidates are David Owens and William Moore, guards; Buck Rutherford, Bobbie Huckabee, Hershel Riley and Wayne Watts, tackles; Jackie Nolen, Davis Harris, Jack Acton, Corky Fullin, Conrad Pitts, Victor Gulledge, Guy Causey, Wilborn Moore, ends, and Tony Kent, center.

Coach Shell has been grouping his faster boys for the probable starting eleven.

Thompson Band Boosters

The Thompson High School Band Boosters Club will sell barbecue sandwiches and home-baked cakes in front of Alabama Power Co. in Alabaster Saturday, Sept. 5. Proceeds will go for the Thompson High School Band.

IF YOU LIKE MONEY, YOU'LL LIKE BUYING A CHEVY NOW!

IT'S BEST-BUY SEASON ON NEW CHEVROLETS RIGHT NOW . . . AND YOU'LL NEVER DO BETTER BY YOUR DOLLARS Stop by your Chevrolet dealer's and see the season's most wonderful money's worth. Better make it soon!

IF YOU LIKE GETTING YOUR MONEY'S WORTH, YOU'LL LIKE CHEVY'S 7 BIG BESTS!

BEST BRAKES . . . STOP ON A DIME AND GIVE YOU MORE STOPS PER DOLLAR They're bigger too. With 'em, Chevy out-stopped all competitors in its field in a NASCAR*-conducted test of repeated stops from highway speeds.

*National Association for Stock Car Advancement and Research

BEST STYLE . . . BEAUTY THAT DOESN'T DEMAND A BIG BANK ROLL The experts at POPULAR SCIENCE magazine looked them all over and said that ". . . in its price class, Chevy establishes a new high in daring styling." Chevy's leadership in sales for '59 says a lot for its looks too!

BEST RIDE . . . CARRIES YOU AS CAREFULLY AS IT PAMPERS YOUR DOLLARS "The smoothest, most quiet, softest riding car in its price class." That's the way MOTOR TREND magazine describes Chevrolet's cream-smooth ride. It's way more fun to sample than to read about though. Get out in a Chevy and see what Full Coil springs do.

BEST ENGINE . . . YOU COULD SPEND JARSFUL OF JACK AND NOT GET A V8 LIKE CHEVY'S Talking about our standard as well as Corvette V8's, SPORTS CARS ILLUSTRATED says, "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

BEST ROOM . . . NO CRAMPED QUARTERS Let's take the official figures filed with the Automobile Manufacturers Association. They show Chevrolet's front seat hip room up to 5.9 inches wider than in comparable cars. Count on real comfort.

BEST TRADE-IN . . . YOU GET MORE DOLLARS BACK FOR YOUR CHEVY Last year, for example, Chevrolet used car prices averaged up to $128 higher than comparable models of other makes. Just check the NADA* Guide Book.

*National Automobile Dealers Association

BEST ECONOMY . . . SOCK AWAY YOUR CHEVY SAVINGS As sure as two Chevy Sixes won their class in this year's Mobilgas Economy Run, getting the best mileage of any full-size car!

Now there's an Impala Sport Sedan . . . one of Chevy's full series of Impalas for '59

Shelby County Highway Progress Report Is Made by Engineer Ray

Lists 48.9 Miles of Paving and Bituminous Treatment Completed

The paving or bituminous treatments have been completed on several more important county highways. Since May the following county highways have been paved:

From Calera southwesterly through Dry Valley to the Chilton County line, with a spur to State Highway 25 1.1 miles west of Calera.

From State Highway 25 (2.7 miles west of Calera) southerly via Enon Church and State Highway 155 to the Chilton County line, with a spur from Enon Church southeasterly to the Chilton County line.

From State Highway 25 (0.7 mile east of Montevallo) northerly to the Spring Creek county road.

From County Highway 22 (0.7 mile east of Moore's Cross Roads north of Montevallo) southerly to point of intersection with the Spring Creek county road near Spring Creek Church.

From Columbiana southeasterly to the Kingdom Community cross roads on County 61 (Wilsonville-Shelby Highway).

From Wilsonville northerly and westerly via Fourmile community and church to intersection with County 55 (Jackson Springs-Westover Highway).

From County 55 (Jackson Springs-Westover Highway 5.5 miles south Westover) easterly to intersection with the Fourmile-Wilsonville County Highway.

From Chelsea easterly and northerly to point of intersection with U. S. 280 or State 91.

From Harpersville (on State 25 or U. S. 231) northwesterly and easterly to Vincent with a spur from Vincent southerly to this route. This is the final paving project of this season and is currently being completed.

From U. S. 31 (3.4 miles north of Pelham) northeasterly via New Hope-U. S. 280 and Lake Purdy to the Jefferson County line. This was a resurfacing project in the planned maintenance program of the county.

From Columbiana southerly via Shelby to a point 2.0 miles south of Shelby. This was a resurfacing project in the planned maintenance program of the county.

From South Helena northerly to the L&N tracks in Helena on County Route 17. This was a resurfacing project in the planned maintenance program of the county.

The above paving or bituminous treatments aggregate 48.9 miles of this type work.

In addition to the above progress, a brief outline of other current county construction is as follows:

Shelby County Highway Department Grading Group No. 1 is constructing a new highway from U.S. 280 (4.0 miles west of Chelsea) northeasterly to Dunnavant and intersection with State Highway 25.

Shelby County Highway Department Grading Group No. 2 is constructing new highways east of Pelham in what is known as the Fungo Hollow area. This highway makes a loop north of the Pelham-Simmsville County Highway and ties to the State Park on the north end.

Shelby County Highway Department Grading Group No. 3 is improving the county roads between Shelby and the Spring Junction area. The primary purpose of this group is to eliminate sharp curves, short sight vertical curves and very narrow places on the county roads.

Five large reinforced concrete culverts have been completed on the U. S. 280 to Dunnavant County Highway.

Shelby County Highway Department bridge crew is currently replacing many of the rural timber bridges with pressure treated creosote timber. Life in excess of 25 years for this type treated timber is not uncommon.

Construction will soon begin on the Day Crossroads-Union Church-Prospect Church road that connects County 55 to U. S. 280.

Construction will soon begin on the Bethel Church (State 25 5.8 miles west of Wilsonville) via Florence Church to intersection with County 47 3.0 miles south of Chelsea. Construction of both of these county roads will be done with the Construction Group No. 2 which constructs those county roads not participated in by the state or federal government.

Plans and surveys are nearly complete for construction of the Calera - Spring Creek - Montevallo county highway with spurs to County 22 and State 25. Construction of this highway will be done with the County Construction Group No. 1 since state and federal funds will be utilized to the fullest. Construction will begin when this group has completed the U. S. 280 to Dunnavant highway.

The many other Highway Department groups are continuously working to maintain the some 800 miles of county routes with the daily needs for patrol work; right of way cutting; maintenance of the county's heavy equipment and trucks; bituminous repairs to existing pavements; the maintenance of drainage structures and pipes; the manufacture of new pipe for the construction program, and many other phases of equal importance to a progressive County Highway Department.

The County Engineering Staff, which includes office and field personnel, is continuously making surveys and plans for current and future construction projects to take full advantage of any state or federal funds that are made availble to the county. These funds are used on a matching basis and state and federal specifications are closely adhered to in order to meet the requirements for such funds. Shelby County has never lost one cent of state or federal funds that could be used for highway construction purposes.

The splendid management of the Shelby County Board of Revenue and Control and the hard work of each and every county employee has made the progress, current and past, stated above possible.—James L. Ray, Jr., County Engineer.

GIRL SCOUT MEETING

Neighborhood Association of Cahaba Girl Scouts Council will meet in Columbiana Friday, Sept. 18, at 9:30 a.m.

Important Road Meeting October 5

The County Board of Revenue and Control has caled a public meeting for Monday, October 5, relative to the Spring Creek Road proposed to be built from Montevallo to Calera.

Advertisement of this meeting will be found elsewhere in this paper.

All persons interested in and concerned by this proposed road are urged to attend the meeting at the courthouse in Columbiana.

GASOLINE TAX REFUND

Farmers who wish to make claim for refund of federal and state tax on gasoline used on the farm should do so at once. October 1, 1959, is the deadline for getting this claim in. This gasoline must have been purchased from July 1, 1958, to June 30, 1959, for this period of refund claimed. Farmers are eligible to receive 3c federal and 6c state tax on all gas used for farming purposes.

Forms may be obtained from the District Director of Internal Revenue, Gasoline Tax Division, Birmingham, Alabama, for the federal refund and from the State Department of Revenue, Gasoline Tax Refund Division, Montgomery, for the state refund, or at the County Agent's Office, Room 202, County Office Building, Columbiana. If you need help in filling out these forms, come by the office and we will be glad to help you. —A. A. Lauderdale, County Agent.

AAUW Names Committees

Committee chairmen for the Montevalo Branch, American Association of University Women, were announced this week by Mrs. S. E. Gerard Priestley, Branch president.

Serving in 1959-1960 are Mrs. Frank Morgan, Membership; Mrs. Charles Gormley, Arts; Mrs. M. Thornton, Elementary and Secondary Education; Mrs. Rodney Baine, Higher Education.

Mrs. Ethel Marshall, International Relations; Miss Laura Wright, Mass Media; Miss Anne Eastman, Social and Economic Issues; Miss Katherine Vickery, Status of Women.

Mrs. T.E. McCulley, Fellowship; Mrs. Carl Edfeldt, Legislative Program; Miss Helen Newton, Publicity; Miss Annabeth Cash, Social Committee; Mrs. E. P. Lauderdale, Senior Contact; Miss Lorraine Peter, Historian.

Other officers are Mrs. Iva Gibson, Vice-president; Mrs. R. D. Kaylor, Secretary; and Miss Lelah Brownfield, Treasurer.

The club will begin its monthly programs with an open meeting featuring a panel discussion of "Women and Finance," Tuesday, September 22, at 7:15 in Tutwiler Hall. Other activities of the year include a rummage sale, in October; a book sale in November; and a fashion show in January.

In less than one hour, a typical hurricane expends more energy than 50 years' production of electric power in the United States, says The Progressive Farmer.

SUBSCRIPTION PRICE ..... $2.00 A YEAR

Entered as second-class matter at the Post Office in Montevallo and Calera, Ala.

Letter to the Editor

Dear Sir:

By hearsay, and studying the map of Alabama, though we have never been in Montevallo, have decided we would like to take up residence there.

Not knowing the name of the newspaper there, we wrote to the Chamber of Commerce at Montevallo and they sent us folders and the newspaper of August 13. As we asked them for the name of the newspaper we are enclosing $2.00 for a year's subscription to your paper, and that way we will learn more about your town of Montevallo. So by the time we have our vacation which we hope to spend in Montevallo.

As we are looking for a location for a business, by the newspaper we may find different rentals, etc.

Trust we may receive your paper at an early date.

Respectfully,

Mr. and Mrs. Harold B. Smith

LEGAL NOTICE

Notice is hereby given that the Shelby County Highway Department will hold a public hearing on the 5th day of October, 1959 at 9:30 A.M. in the Auditorium of the County Office Building at Columbiana, Alabama. The purpose of this public hearing is to consider the economic effects of a proposed Federal Aid Secondary highway which begins at a point in Montevallo, Alabama on Shelby Street (0.1 mile north of F.A.P. Rt. 45 or State 25), thence northeasterly and southeasterly to a point on F.A.P. Rt. 45 or State 25 near the west city limits of Calera, Alabama with a spur extending northerly to a point on F.A.S. Rt. 1030, known as the Dargin-Dogwood highway (approximately 3.0 miles west of U. S. 31 at Dargin, Alabama), with another spur extending easterly to a point on F.A.P. Rt. 1 (U. S. 31) by the Armory in Calera, Alabama. The length of the proposed F.A.S. Highway is approximately 10.9 miles and is referred to as the Calera-Spring Creek Road.

Another purpose of this public hearing will be to explain the plans of the Shelby County Highway Department for this proposed improvement. It will also enable citizens in the rural and urban areas, through whose property this improvement will pass, to express any objections they may have to the proposed location of said highway.

Said project is known as Federal Aid Secondary Rt. 1092 or SACP 4203-A, Spring Creek Road.

This hearing is expressly for the purpose of fulfilling the requirements of Section 116(c), Public Law No. 627, 84th Congress, and Section 13, Public Law 85-381, 85th Congress of the United States.

By order of the Shelby County Board of Revenue & Control, Columbiana, Shelby County, Alabama.

CONRAD M. FOWLER,
Probate Judge & Chairman,
Board of Revenue & Control

Bill Day and Douglas Kimber spent the holiday week end at Panama City, Fla.

Mr. and Mrs. Mitchell Young, and Miss Clara Young visited Tec. Sgt., and Mrs. Billy Lee and children in Fayettevile, N.C., last week. On the return trip they toured the Skoky Mts., and enjoyed stop overs in Gatlinburg and Chattanooga, Tenn.

Miss Gayle Jones gave a most interesting talk and showed slides illustrating the Baptist Student Union work she did in California this summer. She was guest speaker at the Sunday night services at the Baptist Church.

Following a honeymoon in the Smokies Mr. and Mrs. Roy F. Montgomery spent the week end with her parents, Mr. and Mrs. C. G. Sharp. They are now residing in Mobile where Mr. Montgomery is a members of the faculty at Spring Hill College.

Mr. and Mrs. G. H. Lien and family have recently moved from the Givhan apartments to the house at the corner of Highland and Wadsworth Streets.

Mrs. F. R. Young from Jemison is spending a few days with the Mitchell Young family.

Mr. and Mrs. Joel Russell of Birmingham were week end guests of his parents, Mr. and Mrs. Festus Deal, and sister, June.

Mr. and Mrs. Buddy Allen and family and Mr. and Mrs. Raymond Bearden and family spent the holiday week end at the Allen cottage near Mitchell Dam.

Dubose Galloway and Clarence Tucker vacationed at Panama City, Fla., over the week end.

Mrs. David Huntley entertained Saturday, September 5 with a luncheon honoring their son, Kim, on his 8th birthday. She was assisted by Andrea Kochman. Enjoying the party were Cecile Dennis, Judy Nordan, Adelle Simpson, Susan and Joann McGlown, Cheryl McClure, Deirdre and Kendra Kochman, Mary Lyn Huntley, Roy Starks, Greg Ballentine, Bobby Scott, Bill Nathews, Jimmy Brown, Mike Guthrie, Eddy Lovelady, Ed Simpson, Dean, and baby Mark Huntley.

Denny Elliott left Sunday for the University of Alabama where he has transferred from Alabama College.

Mrs. Henry I. Barclay Sr., mother of Mr. Lee Barclay, who has been ill for several days is reported as holding her own. She is at her home at 401 Montevallo Road, Birmingham.

Mrs. Margolus was released from the hospital last week and is back home with the Sam Klotzman family.

Mrs. Polly Smith, Miss Nina Harrison and Mrs. Jean Finch of Center Point drove to Selma Monday afternoon to see Mr. Boots Kendrick.

Nancy Barclay had the misfortune of breaking an arm Wednesday of last week, but in spite of her cast Saturday, September 5, was a memorable day when 30 little guests joined her for a party on her sixth birthday. They were: Susan Fraser, Pam Brown, Janice Tinsley, Patricia Wyatt, Sally Sears, Nora Hubbard, Jan Plant, Jane Chesnutt, Judy Lien, Susan Edfeldt, Beverly Grant, Carol Brown, Joann McGlown, Nan Lovelady, Dean Huntley, Ricky Harris, John McCulley, Steve Glover, Frank Lightfoot, Donny Tinsley, David Seaman, Bill Harper, William Grady, Dayle Wooley, Lee and Allen Barclay. Betty Jane and Barbara Barclay baked and decorated the beautiful birthday cake and cup cakes served with ice cream.

Mrs. L. W. Wooten is at University Hospital recovering from a surgical operation. She may be home by the end of the week.

Mr. and Mrs. Jack Weston and boys, Dean, Don, and Dan, from Emelle, spent the Labor Day week end with his mother, Mrs. F. M. Weston.

Mr. F. W. Rogan was brought home from the hospital Saturday and at present he is convalescing at the home of his son, Mr. Paul Rogan. On August 31 Mr. Rogan celebrated his 87th birthday.

The Thursday Night Bridge Club met with Mrs. Arthur Fraser last week.

Mrs. Jim Potts had a suggestion published in a recent "If I Were" column of the Birmingham News. Her tip was, "If I were the manufacturer of electric irons, I'd put a tiny red light on them, showing that the iron was 'on' or 'off'."

Parties Honor Newlyweds

Mr. and Mrs. Roy Francis Montgomery were honored with many pre-nuptial parties.

On Tuesday evening, Dr. and Mrs. Ernest Reinhold were hosts at a coffee. Assisting were Mrs. Reinhold's parents, Mr. and Mrs. E. P. Hood, Mrs. D. J. Ratliff, and Miss Ollie Tillman.

The lawn was festive with hurricane lights, and the house was decorated with summer flowers and candles.

About fifty guests called during the evening.

On Friday evening, Dr. and Mrs. Walter Trumbauer, Mrs. Robert Holcombe, and Miss Vinnie Lee Walker entertained the bridal party and out-of-town guests with a buffet dinner at the home of Dr. and Mrs. Trumbauer.

Summer flowers were used throughout the house. A color scheme of green and white was used in the dining room. The serving table was covered with a white hand-drawn linen cloth and centered with an arrangement of smilax, white flowers, and green tapers in silver candlesticks.

A rehearsal party was given at the home of the bride for out-of-town guests and close friends of the families.

White chrysanthemums and gladioli formed the central arrangement in the entrance hall. Talisman roses and white candles were used in the living and dining rooms. Japanese lanterns lighted the porch and lawn.

Mrs. W. S. Birchfield of West Blocton spent Tuesday with Mr. and Mrs. L. R. Birchfield and Mrs. Hattie Harrison.

Mr. William Rogan of Selma spent the holiday week end with his father and the Paul Rogan family.

TODAY...10 P.M. THE NEW-SIZE FORD STARTS ON ITS WAY TO YOU!

The Falcon, the New-Size Ford, already is the most thoroughly tested and proven new car in history. Today this new Ford Falcon starts EXPERIENCE RUN, U.S.A., over every mile of numbered U.S. highway

This is not a test run in the ordinary sense of the word. For in its 3 years of development and over 3 million miles of proving, the Falcon has *already* passed and repassed every kind of test that could be devised.

It's been dust-tested, heat-tested, and endurance-tested on the test track at Kingman, Arizona. Wind-tested and rain-tested in the 300 mph wind tunnel at the University of Maryland. Shock-tested, curve-tested, brake-tested, noise-tested, paint-tested, stability-tested, service-tested . . . *everything*-tested on Ford's own proving grounds. The Falcon has already proved to engineers that it takes anything they can dish out.

Now, Experience Run, U.S.A. will show you what the Falcon can do over *your* kind of roads.

How many miles to the gallon? Records will be kept of every drop of gas used. Better gas mileage? The Falcon will average up to 30 miles per gallon!

On October 8, the New-size Ford will be at your Ford Dealer's . . . for *you* to experience. See your Ford Dealer today for more information on the Ford Falcon.

TREATMENT FOR CHILDREN, in many cases, can be fun. This is one of the basic tenets of doctors and other staff members at treatment and rehabilitation centers operated by the Sister Kenny foundation. Shown exercising her legs by riding a specially-built "trike" is this little girl who was receiving Kenny treatment and rehabilitation for cerebral palsy. Under its expanded program, the Kenny foundation now provides treatment and rehabilitation for patients of all ages with neuromuscular disabilities, including polio.

Treatment and rehabilitation for polio patients is and will continue to be a vital concern of the Sister Kenny foundation as long as the disease exists. The foundation provides care and treatment for acute cases and rehabilitation services for those who are left with crippling aftereffects.

Children and Cars

If you drive the children to school next week, you can add to their education by teaching them how to be safe, well-behaved passengers.

Simply saying NO is not enough. Adults should explain why proper behavior is safe, impress on children the responsibility they must assume. Their key to safety is cooperation with you, the driver.

K & M Grocery is shown in their new location one-half mile south of Calera on Highway 31. The new store opened for business on September 4.

Eye cues

Children do not "outgrow" crossed eyes. To prevent possible loss of sight, crossed eyes should be treated before the child is four years old.

* * *

Glaucoma, a leading cause of blindness, attacks one person in 50 over age 40. These symptoms may mean glaucoma: Frequent change of glasses - none of which is satisfactory . . . inability to adjust the eyes to darkened rooms . . . loss of side vision; blurred or foggy vision . . . vague eye discomfort.

* * *

Approximately 300,000 industrial eye accidents occur every year.

Proper use of safety glasses at work or in the home would reduce eye injuries by as much as 90%.

* * *

Sunglasses should not be worn for night driving. (They do reduce glare but they also reduce your ability to see.)

* * *

A thorough eye examination every two years is your best safeguard for protecting your precious gift of sight.

Telephone Talk

by
J. L. SWITZER
Your Telephone Manager

THERE'S NOTHING LIKE the old-fashioned sound of the school bell ringing to remind us that hundreds of our well-scrubbed, bright-faced youngsters will once more be crossing streets or waiting for rides. So let's all remember our "driving manners" and heed the traffic safety rules of school zones and bus signs.

* * *

OTHER BELLS are ringing more often during the busy fall season too — telephone bells. Most folks have learned how easy and fast it is to shop by phone. In fact, there's a growing new class of consumers in the country — women who've learned how much time they save when they order by phone. So, when you're at your busiest with "things to do" piling up all around, let your telephone work for you. It'll save you lots of time and steps and doesn't cost any more whether you make one call or a hundred (in town, of course).

* * *

AND BY THE WAY, to make your telephone shopping easier, don't forget the Yellow Pages are a handy guide for the goods and services you want.

* * *

AND LADIES, here's something made to order for you. I'm sure you'll enjoy our new 15-minute technicolor film, "Plan for Pleasant Living"— a room-by-room tour of an idea-filled home, designed and furnished in cooperation with GOOD HOUSEKEEPING.

It'll give you a hatful of wonderful ideas for any decorating you're planning this fall. Just call our business office and we'll arrange a showing at your next woman's club meeting, PTA meeting, or other get-together. It'll be something new and interesting, and there's no charge.

F.F.A. President Has Active Year

Beginning on plans for the 1959-60 program of work for Montevallo F.F.A., Glynn Cunningham, president of the chapter, has had an active year during 1958 participating in the various activities on a local, state, and national level. During last year he served on the dairy judging team at Bessemer and at Auburn. He was one of the chapter delegates to the national F.F.A. convention in Kansas City last October and was official chapter delegates at the state convention in Auburn last June. He is 16 years of age and the son of Mr. and Mrs. J. K. Cunningham, Jr., and is in the 11th grade at Montevallo High School. In addition to his work in vocational agriculture and his other regular school work Glynn is out for his place with the football squad.

Along with the responsibilities met at school by Glynn, he has found time to help with the dairy at home where 50 holstein cows are milked daily and 120 acres under pasture and hay crops, and has sold the calf from his heifer that is now giving milk. Since he has a regular weekly allowance provided by his parents for his work at home, he is able to put the profits from his F.F.A. projects on his savings account. From time to time as Glynn expresses himself about his future plans one might get the idea that he has a long-range objective looking to the area of veterinary medicine and dairying. During this year he expects to continue with helping landscape their new brick home and do some other improvement projects about the home and farm.

The entire F.F.A. membership looks forward to the leadership of the president and each member will be given an opportunity to aid in planning for the activities of the year.

MISS BARBARA BURNETT AND TOMMY HALL WED

The wedding of Miss Barbara Burnett and Tommy Hall was an event of September 4 at the Baptist parsonage in Wilton. The Rev. C. B. McGee officiated.

CD Unit Acquires Rescue Truck

The Shelby County Civil Defense organization now has an emergency rescue truck. It was acquired from state surplus property for $200. The Board of Revenue and Control approved the purchase of the necessary equipment to make this unit operational.

After much hard work on the part of Tom Minor, Elvis Roach, Clay Hamilton, Ermon Willis, Amos Hughes, Nelson Latham and other shop personnel, the rescue truck has been completely refurbished and is ready for emergency use.

Some of the equipment on the truck is as follows: portable resuscitator, drag hooks for recovery of water victims, life jackets, generator with flood light, a portable generator, portable hand lights, truck mounted flood lights, and other small items for rescue work.

The later addition of boats and motors will make this unit complete. Two squads have been organized for the Colmubiana and Shelby areas to initiate this phase of Civil Defense work.

Thomas W. Minor is the county chief of rescue services.

Agriculture Class Has 62 Students

The program of vocational agriculture at Montevallo High is off to a good start this year with a class of 62 students, M. Thornton, teacher, said this week.

The course has been revised so that more emphasis will be placed on science related to agriculture, developing leadership, and discovering mechanical skills which the students may follow as a life's vocation.

In connection with the teaching program, the students will put into practice what they learn by carrying on a supervised farming program.

During the year the classes will make trips to factories, farms, or other enterprises in the community relating to the subjects being studied.

COLLEGES RECEIVE FUNDS FOR STUDENT LOANS

A wire from Senators Hill and Sparkman and Congressman Selden advises us that the United States Office of Education has allocated $463,270 to 23 Alabama institutions of higher learning for loans to worthy students under provisions of Hill Elliott National Defense Education Act. This allocation, it is stated, includes $14,216 for Alabama College.

CALERA P.T.A.

The Calera P.T.A. will have a hamburger supper on September, 24, between the hours of 6-7:30 at the Calera Park.

Plates will be 75c and you can eat hamburgers, cole slaw and potato chips — coffee and tea are free. Plan now to come.

CHICKEN SUPPER

The Band Boosters Cub of Calera High School will sponsor a chicken supper, Friday night, September 18th, from 5 till 7 o'clock in the school lunch room.

Tickets are $1.00 for adults, and 50c for children through the 6th grade.

AAUW Schedules Open Meeting

"Women and Finance" is the subject of the September meeting of the Montevallo Branch, American Association of University Women, according to Mrs. S. E. Gerard Priestley, local branch president.

The meeting, to begin at 7:15 p.m. Tuesday night, Sept. 22, in Tutwiler Hall on the Alabama College campus, is open to the public. Members of other clubs and civic organizations, as well as other interested individuals, have been invited to attend.

Appearing on the program will be Mrs. Evelyn Keenan, investment counselor, of Merril Lynch, Pierce, Fenner, and Smith, Birmingham; Mr. Plato Britton, trust officer, First National Bank of Birmingham; and Miss Alvis Neville, personnel clerk of the bank, and a graduate of the American Institute of Banking, who will act as moderator of the panel.

Hostesses for the meeting will be Mrs. James Childers, Mrs. E. P. Lauderdale, and Mrs. Walter P. Coppedge.

GARDENING CLASS FORMED

An adult education class in gardening has been organized by M. Thornton, vocational agriculture teacher at Montevallo High School and the Montevallo Garden Club. This will be a general course in landscaping, trees, plants, diseases, soil, and flower gardens. There will be ten class lessons, a community group project, and each individual will have a project. Mr. Thornton will supervise the projects.

Anyone interested is invited to join. The next meeting will be at 2 p.m. Wednesday, Sept. 23 in the vocational agriculture building.

Westinghouse To Curtail Electrode Production Friday

Due to the steel shortage, the Westinghouse Electrode Plant at Montevallo has issued a notice to all employees that the plant will shut down the electrode lines at the close of the third shift Friday, September 18.

In an effort to keep as many employees as possible on the roll, the company at the same time will step up and expand operations on those products not requiring steel as a raw material to the extent that business conditions will permit.

A company spokesman has estimated that approximately 50 people will be immediately affected by the lay off.

P.T.A. Council To Meet Tuesday

The first County Council meeting will be held Tuesday, September 22, 1959 at 7:30 p.m. in the Montevallo High School Home Economics Building. It is important for all local presidents and committee chairmen to attend this meeting.

This year's project is "A Health Program in Every School." Mr. George Starcher of Columbiana, County Council Chairman of the Health Committee is in charge of the program. He will present Dr. and Mrs. Gideon Nelson of Montevallo in a demonstration of a vision-testing machine and a report of a health program instituted in the Montevallo Schools during 1958-59. We feel sure you will find the program interesting and profitable.

The committee chairmen to report are: Character and Spiritual Education; Membership; Music and Citizenship; Program.

All P.T.A. members are needed at council meetings. The purpose of the council is to help to be better workers in our local P.T.A.

The schools serving as hosts are Montevallo, Calera, Dogwood and Mayberry.

At the County P.T.A. Executive meeting held in Columbiana September 8, Mrs. L. E. Lovelady, Jr., of Helena was appointed a district vice president to replace Mrs. J. L. Johnsey of Helena, who resigned, and committee work plans for the year discussed.

AAUW Entertains New Members

The Montevallo Branch, American Association of University Women, will entertain new members at a tea in the home of its president, Mrs. S. E. Gerard Priestley, Sunday, Sept. 20, from 4:00 to 6:00 p.m.

Guests will be greeted by Mrs. Frank Morgan, membership chairman, and presented to the receiving line by Miss Helen Newton, publicity chairman. Officers receiving will be Mrs. Priestley; Miss Iva Gibson, vice president; Mrs. R. D. Kaylor, secretary; Miss Lelah Brownfield, treasurer; and Miss Lucille Griffith, immediate past president.

Miss Lois Ackerley is in charge of refreshments, and Miss Annabeth Cash, social committee chairman, will be in charge of other arrangements. Approximately 100 guests have been invited to attend.

Montevallo P.T.A. Has First Meeting

The Montevallo P.T.A. held its first meeting of the year Monday night, Sept. 14, at 7:30 in the high school auditorium. M. S. McGehee, president, presided.

The devotional was given by the Reverend C. B. McGee, of the Wilton Baptist Church. Mrs. Ralph Sears, program chairman, introduced the speakers, B. W. Hamric and Mrs. Don Lovelady, who spoke on Parent-Teacher Cooperation.

Guy Milford, principal of the Montevallo schools, introduced two new members of the faculty, Mrs. Doris Jeter and Mrs. Helen Reinhold.

Mr. McGehee announced the resignation of Mrs. L. K. Birinyi as treasurer. A nominating committee was appointed to nominate a successor. It was announced that the Executive Committee would meet on Monday, Sept. 21, in the high school home economics building at 7:30 p.m.

A large crowd attended the meeting. They were registered for membership by the membership committee, under the chairmanship of Mrs. Fred Miller. Yearbooks were distributed by Mrs. Ralph Sears.

At the close of the meeting refreshments of punch and cookies were served by members of the hospitality committee, with Mrs. H. B. Starks as chairman.

The next P.T.A. meeting will be on October 5.

Funeral Held For "Boots" Kendrick

Lyle L. (Boots) Kendrick, 55, of Montevallo, died last Saturday night at the home of his sister in Selma following an illness of several months.

Funeral services were held Monday at 3 p.m. at Montevallo Baptist Church with the Rev. Edward Glover officiating. Burial was in the Kendrick family plot in Montevallo Cemetery. Brislin of Selma was in charge. Nephews served as pallbearers.

Boots, a native of Montevallo, was one of the 12 children of the late Mr. and Mrs. Samuel J. Kendrick.

Until his retirement in July he was superintendent of the water and gas systems of Montevallo. In his dozen years with the City his congenial and jovial personality endeared him to his fellow workers and to all the citizens of the community.

"Boots rendered an excellent service in an important capacity in our community," said Mayor W. M. Wyatt, "and his loyalty and devotion to his duties is sincerely appreciated by the City administration."

Surviving are a sister, Mrs. John Harrison of Selma; eight brothers, E. V. of Selma; J. F., George, Cody, and Harry, all of Montevallo; Eugene and Theodore of Birmingham; and Walter of Johnson City, Ill.; two sisters-in-law, Mrs. J. J. Kendrick, widow of the late Joe; and Mrs. Jewel Metz, widow of the late Sam Kendrick.

NOTICE

Effective with week beginning September 21, garbage collections will be reduced to one weekly collection.

Trucks will pick up on West side of Shoal Creek each Wednesday and on east side of Shoal Creek on Friday.

It will be greatly appreciated if householders will burn paper.

Alabama College Has Largest Freshman Class

Alabama College's freshman class, largest in the history of the Montevallo institution, have now completed the formalities in becomng full-fledged college students.

The more than 400 freshmen were honored guests recenty at a formal reception, final event in a week-long series of activities initiating the class members into the student body.

The reception was sponsored by the Student Government Assocation under the direction of Linda Sparkman, SGA social chairman from Columbus, Ga. Members of the receiving line included the school's president, Dr. and Mrs. Howard M. Phillips; dean of the college, Dr. and Mrs. John B. Walters; dean of students, Miss Iva Gibson; and dean of men, James R. Wilkinson and Mrs. Wilkinson.

Also in the receiving line were Mrs. Mary M. Egerton, freshmen women's house director; and men's counselor and house director E. P. Hood and Mrs. Hood.

Student officers were: SGA president Janice Wood, Clanton; senate president Flora Clark, Dothan; student court chief justice Clyde Hoffman, Chatom; Lois Ann Ray, Bessemer, president of the interhouse council; and the director, Linda Sparkman.

Other freshman activities of the week included an open house party, swimming party, outing at the college's 28-acre lake, "roarin' 20's" show, theatre party, and receptions by the various churches and religious groups in town and on campus.

Calera Garden Club Has Meeting

The Calera Garden Club held its first meeting at the home of Mrs. Charles Kunz last Tuesday afternoon, September 8. Mrs. J. D. Freeman and Mrs. Roy Downs were co-hostesses. Delicious sandwiches, cookies and punch were served before the meeting, which was conducted by Mrs. Kunz, club president.

The program was conducted by Mrs. R. E. Bowdon, Jr., who made a lengthy discussion of our project for the year. Our main project for the coming year is the beautification of the entrance of Salem Cemetery. Mrs. Bowdon passed around among the members a diagram she had drawn of the entrance, showing the various arrangements of shrubs and plants to be used, which was very interesting. The club members voted to spend $50.00 this year toward the project and it is planned to start this fall on the work.

The following members enjoyed the afternoon: Mrs. R. E. Bowdon, Jr., Mrs. C. D. Cowart, Mrs. S. D. Cowart, Mrs. Roy Downs, Mrs. O. C. Farris, Mrs. J. D. Freeman, Mrs. B. D. Holcombe, Mrs. P. J. Kyser, Mrs. Curtis Lucas, Mrs. Clyde Lawrence, Mrs. R. J. Mabry, Mrs. W. B. Ozley, Mrs. Wallace Reese, Mrs. Wallace Veasey, Mrs. L. G. Williams, Mrs. Guy A. Youngblood. Mrs. P. J. Kyser brought a visitors, Mrs. E. H. Turnock, from Montevallo.

Our next meeting will be held at the Town Hall with Mrs. R. J. Mabry, Mrs. B. D. Holcombe and Mrs. Curtis Lucas acting as hostesses. Mrs. Guy A. Youngblood and Mrs. J. Frank Baker will have for their program, cut flower arrangements.

Montevallo Blasts Isabella, 43-6

Scoring every time they got possession of the ball, the Montevallo Bulldogs made their first Mid-State Conference game seem an easy victory Friday night as they overran Isabella 43-6. This week, however, the Bulldogs face a county rival, Thompson, at Siluria; and from all evidence, much stiffer competition is in the offing.

The Bulldogs built up a 24-0 halftime lead over the Mustangs, thereby enabling all Montevallo reserves to get into the action before the night was over.

Determined from the beginning that this game would not be a repeat of last year's 7-7 heartbreak, the Bulldogs capitalized on two blocked punts to score 12 points and put the game on ice early in the evening.

Peter Givhan set up the first touchdown as he blocked the Mustangs' initial attempt to punt from the 15-yard line. From there Donny Davis moved to the four and Charles Hollingsworth went over.

A second time the Mustangs were unable to get going and again Givhan blocked the kick. This time Ruben Hayes traveled 30 yards for the final stripe.

Cooter Smitherman, giving a fine performance in his first quarterbacking assignment, scored the third six-pointer. Good runs by Davis and Bill Winslett advanced the Bulldogs to the six, from where Smitherman went in to score.

A 24-yard run by Winslett set up another TD for Montevallo in the second period. Hayes crossed from the three after Hollingsworth had picked up nine yards.

Driving 54 yards from the second-half kickoff, the Bulldogs moved within striking distance again early in the third period. Winslett made the final stab from nine yards away, and Hayes added the extra point.

One bright spot came for the Mustangs in the third period. Trailing 31-0, they saw their star, Bennie Mims, shake loose for one of the longest runs of the night, good for 63 yards and a touchdown.

Two sprints by Hayes, one good for 59 yards and the other 70, added two final touchdowns in the fourth period and wrote a successful finish to an opening night performance for the Montevallo Bulldogs.

Faculty and Staff Honored at Tea

Newly appointed members of the Alabama College faculty, staff and administration were honored recently with a tea and reception at the home of Dr. Howard M. Phillips, president of the college.

The new members, their wives and husbands, joined Dr. and Mrs. Phillips in receiving guests.

Included in the receiving line were: Mr. Joe Barkley, Mr. and Mrs. Ronald H. Denison, Mr. and Mrs. Carlton Jackson, Mr. John B. Lott, Dr. and Mrs. Chester L. Palmer, Mr. William Ringham, Mr. Neal Shirley, Mrs. Kate C. Sneed.

Mr. and Mrs. James F. Suttle, Mr. Paton L. Woodham, Mr. and Mrs. James R. Wilkinson, Mr. and Mrs. George C. Lipe, Dr. and Mrs. James D. Thomas, Mr. Donald C. Stevens, Mr. and Mrs. James F. Whaley, and Mrs. Ruth Head.

Presiding at the refreshment table were: Miss Iva Gibson, dean of students; Miss Virginia Hendrick, director of admissions and registrar; Miss Abi Russell, director of libraries; and the wife of the student health services director, Mrs. L. C. Parnell.

Garden Club Has First Meeting

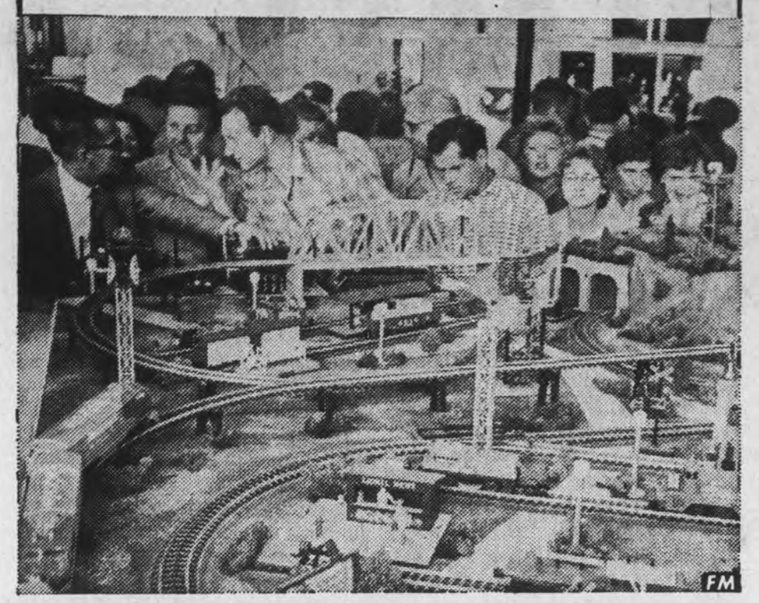

On Wednesday, September 9, 1959, the Montevallo Garden Club held its first meeting at the home of Mrs. Albert Scott. Mrs. Scott, president of the club, assisted by Mrs. J. H. Wyatt, and Mrs. Fred Miller, honored the sixteen members and one guest present with a delightful luncheon and presented each one with phamplet on flower arrangements and a book, "Let's Learn the Birds of Alabama."

Officers for the year 1959-60 are Mrs. Albert Scott, president; Mrs. Homer Starks, Vice President; Mrs. Fred Miller, Recording Secretary; Mrs. J. A. Brown, Jr., Corresponding Secretary; Mrs. Kyle McClure, Treasurer.

The next meeting will be held October 21, 1959, at the home of Mrs. Lee Barclay.

Mrs. Fred Smith of Linden stopped Friday afternoon for a visit with Mr. and Mrs. Charles McDonald on her way to Vincent.

Model Trains at Moscow Fair

SEVERE CROWD CONTROL PROBLEM at Glass Pavilion became evident when Lionel electric trains were put into operation. Crush of people was so great that adjacent aisle and stairs became jammed. Stoppage of train demonstrations became necessary at intervals. Lionel's representative (in suit) explains to amazed Muscovites the operation of the trains and that most American boys have model trains.

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "washboard" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / *Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brawnier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.*

LEGAL NOTICE

Notice is hereby given that the Shelby County Highway Department will hold a public hearing on the 5th day of October, 1959 at 9:30 A.M. in the Auditorium of the County Office Building at Columbiana, Alabama. The purpose of this public hearing is to consider the economic effects of a proposed Federal Aid Secondary highway which begins at a point in Montevallo, Alabama on Shelby Street (0.1 mile north of F.A.P. Rt. 45 or State 25), thence northeasterly and southeasterly to a point on F.A.P. Rt. 45 or State 25 near the west city limits of Calera, Alabama with a spur extending northerly to a point on F.A.S. Rt. 1030, known as the Dargin-Dogwood highway (approximately 3.0 miles west of U. S. 31 at Dargin, Alabama), with another spur extending easterly to a point on F.A.P. Rt. 1 (U. S. 31) by the Armory in Calera, Alabama. The length of the proposed F.A.S. Highway is approximately 10.9 miles and is referred to as the Calera-Spring Creek Road.

Another purpose of this public hearing will be to explain the plans of the Shelby County Highway Department for this proposed improvement. It will also enable citizens in the rural and urban areas, through whose property this improvement will pass, to express any objections they may have to the proposed location of said highway.

Said project is known as Federal Aid Secondary Rt. 1092 or SACP 4203-A, Spring Creek Road.

This hearing is expressly for the purpose of fulfilling the requirements of Section 116(c), Public Law No. 627, 84th Congress, and Section 13, Public Law 85-381, 85th Congress of the United States.

By order of the Shelby County Board of Revenue & Control, Columbiana, Shelby County, Alabama.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

When Congress overrode the public works appropriation bill veto last week, it marked the first time since President Eisenhower has been in office that a bill has become law without his signature.

A two-thirds majority of those voting in both houses of Congress is necessary to override a Presidential veto. The House vote on the public works veto was 280 to 121, twelve more votes than required. In the Senate, where the vote was 72 to 23, there were eight more votes than needed.

The first public works bill passed this year was vetoed by the President because it exceeded the budget request by $30 million and included funds to start 67 unbudgeted projects. After an attempt to override the veto failed. Congress passed a new bill which contained funds for all the projects but which reduced each project's appropriation by 2½%. The measure was again vetoed. Shortly thereafter, Congress voted to override and thus enacted the bill into law.

Holt Funds Retained

In the original bill, funds of $150,000 were included for planning the Holt Lock and Dam on the Warrior River near Tuscaloosa. This project received an automatil cut of $3,750 when each item in the revised bill was reduced by 2½%.

As passed, this appropriation measure contains a total of $1,185,309,093 for various public works projects throughout the nation in fiscal year 1960.

Third Housing Bill

Although the President has already vetoed the housing bill twice, there is every reason to believe he will sign the third measure passed by Congress. Two previous measures that were more costly than the new bill were vetoed by the President, with attempts at overriding the vetoes failing.

The latest housing bill omits the 50-million dollar loan program for the construction of college classrooms to which President had objected. It also reduces the immediate cost of the slum clearance program by authorizing grants for this purpose totaling $650 million over a two-year period rather than for one fiscal year as authorized in the previous housing bills.

The bill still contains, however, authority for 37,000 new public housing units and $50 million in loans to provide housing for elderly persons. Both these programs have been criticized by the President.

As sent to the White House, the housing bill carries a total fiscal authorization of about one billion dollars.

Gas Tax Raise

Final congressional action was taken on the gasoline tax increase bill last week, and the highway revenue measure was referred to the President.

As approved by the House and Senate, the bill will help finance the interstate highway construction program by raising the federal tax on gasoline from three to four cents for 21 months beginning October 1. After this period, certain excise tax revenues will be transferred to the highway trust fund to provide financial aid for the construction program.

PFC. KELLY WOOLLEY SERVING IN GERMANY

Grafenwohr, Germany — Army PFC Kelly L. Woolley, son of Samuel R. Woolley, Montevallo, Ala., is participating in a lengthy large-scale field training exercise with the 3rd Armored Division in Grafenwohr, Germany. The exercise is scheduled to be concluded Oct. 17.

The training, which will be climaxed by a mock war pitting armored, artillery, aircraft and infantry units against realistic aggressor forces, is designed to test the combat readiness of the 3d Armored Division.

Woolley, a driver in Headquarters Battery of the division's 6th Artillery, entered the Army in April 1958, received basic training at Fort Hood, Tex., and arrived in Europe the following October.

The 21-year-old soldier is a 1955 graduate of Montevallo High School and attended Alabama Polytechnic Institute in Auburn. He was employed by Alabama Power Co. in Birmingham before entering the Army.

Selden's Passport Bill Approved

With only 18 dissenting votes, the House of Representatives has passed Rep. Armistead Selden's bill authorizing the denial of passports to communists. A similar bill introduced by the 6th District Congressman last year was approved shortly before the end of the 85th Congress by the House but was not considered by the Senate before adjournment.

The new bill, approved on a vote of 371 to 18, has been referred to the Senate. If there is insufficient time for consideration before adjournment, the measure will carry over to the second session of the 86th Congress which begins in January 1960.

Speaking in the U. S. House of Representatives in support of his bill, Congressman Selden said, "Since June 16, 1958, it has been impossible for the United States government to deny passports to persons who are active supporters of the international communist movement even though they openly acknowledge that fact and frankly state they are going abroad to further the cause of international communism. On that date, the Supreme Court handed down two decisions . . . in which it ruled that the regulatons of the Secretary of State denying passports to supporters of the world communist movement were not valid because of a lack of specific legislative authority."

Selden went on to point out that, since the Court's decision, hundreds of passports have been issued to persons with known records of communist affiliations, many of which the State Department would have denied if it had not been for Supreme Court ruling.

As passed by the House, the Seldon Bill specifically delegates to the Secretary of State the necessary authority to deny passports to communists if it can be proved that the applicants have been engaged in communist activities since January 1, 1959. No passport can be denied, however, until the applicant has been given the opportunity for a hearing. In addition, the bill provides that any denial or revocation of a passport shall be subject to judicial review on the record in the district courts of the United States.

"Travel by couriers and agents is a major means by which the international communist movement is promoted," Rep. Selden stated, "and the possession of a United States passport protects the holder and facilitates his travel."

"It cannot be claimed," he added, "that the passage of this bill will assure that no active communists will be able to travel outside the United States. It will, however, give the Secretary of State authority to deny passports to a considerable number of persons who, without this legislation, will receive passports and whose presence aboard is definitely detrimental to our security."

Mass Production Auto Service

Mass production, the secret ingredient in Henry Ford's famed Model T is now being applied to preventive maintenance. At Seaway Motors, Inc., Detroit, Volkswagen owners leave their cars for service. Thirty minutes later, they drive away, their automobiles completely checked and serviced.

Called Inspect-O-Line, the novel service system incorporates hydraulic lifts and small, strong track-mounted dollies. The car is backed onto a hydraulic lift at Station One and raised off the ground. A trained mechanic drains the engine oil, checks transmission oil level, greases the chassis and adjusts the brakes. The car is lowered onto a dolly which rolls on tracks to the next five stations. At each, a trained mechanic makes various adjustments and inspections. At the last station, another lift raises the Volkswagen for final inspection.

After fifteen minutes on this maintenance line and a thorough road test, the keys are returned to the owner. This idea of high-production preventive maintenance is being used in Detroit for the first time in this country.

Drive Carefully... School's in

Safe driving is everyone's job, all year long. But now that school's starting again, it's time to be even more careful.

Our youngsters may carry some of that carefree summer back to school with them. They may forget to stop and look carefully before crossing streets and highways, getting off their school buses, chasing after baseballs.

All of Southern Bell's drivers are going to work to make this the safest school year ever. They are going to drive as if their lives—and someone else's—depend on it.

Because they do.

Welcome by Hon. Conrad Fowler, Probate Judge of Shelby County.

Introduction of guests by Dr. Joseph Bancroft, President of the Shelby County Medical Society.

Remarks by Hon. Armistead I. Selden, Jr., Congressman of the Sixth District of Alabama.

Address by Hon. Lister Hill. U. S. Senator from Alabama.

Remarks by Dean R. Upson, administrator of the Shelby Memorial Hospital.

Benediction by the Rev. G. M. Hearin, pastor of Calera Methodist Church.

Cutting the Ribbon by Miss Elenora Lester, Shelby County Maid of Cotton.

There will be a guided tour of the hospital for everyone.

Shelby County will open its new $350,000 hospital in ceremonies on Sunday, Sept. 27.

Dean R. Upson, hospital administrator, said the facility is completely organized, staffed and stocked and will be ready to admit the first patient the week of Sept. 27.

The dedication and open house will start at 2 p.m. Guided tours through the hospital have been arranged for the public.

Sen. Lister Hill of Alabama, co-author of the Hill-Burton Act which provides federal funds for hospitals, will be dedication speaker.

Upson reported to the board of governors that of the 42-member hospital staff, 33 are Shelby County residents.

And of the 25-member nursing staff, 18 are residents of the county, he said.

This new haspital gives Shelby one of the finest in the country. It is made possible from federal funds under the Hill-Burton Act, the State of Alabama, and the 4 mill tax in Shelby County.

Tax Assessor Makes Report

To All Tax Payers:

The time of year is at hand, once again, for a report and a reminder from your Tax Assessor's office.

First, for the report: We have one of the better assessed counties in the state, which means we will continue to have good schools, good roads and a fine county. We are growing and our assessed value for 1959 is $26,086,170 (unofficial), which is an increase over the previous year of $1,766,345.

You receive more from your ad valorem tax dollar than anything else you can buy. In my opinion, the people should never be taxed for any more than it takes to run the government. We have tried to establish fair and equal valuations for each taxpayer. The assessments of Shelby County have continued to keep pace with other advancements with the tax year 1958 showing an increase of $153,086.74 in tax money over the year 1955. The distribution of your tax money for the past year was as follows:

State of Alabama	$129,183.78
County of Shelby	169,619.43
School Tax	170,238.77
Hospital Tax	94,562.62
(9) Cities	29,727.34
Total	$593,331.94

The accuracy of our records have again won the praise of the State Examiner of Public Accounts.

Now, for the reminder: If you (1) have taxable personal property such as stock of merchandise, tractors, boats, etc., (2) have bought or sold real estate, or (3) built or added to a building, the law requires that you make a new assessment this year. However, if you do not own any taxable personal property and have not made any changes in your real estate, this will not be necessary. Assessments must be made during October, November, or December.

It is our earnest desire in the Tax Assessor's office to serve you, the people of Shelby County, humbly, honestly and efficiently. Your cooperation has made it possible for this office to operate with outstanding success. You can always get a courteous and intelligent answer about your tax assessment from this office. I shall continue to faithfully follow the path that you, yourselves, have designed.

Sincerely yours,

ROSS B. MULLINS,
Tax Assessor

County Has Adequate Supply of Polio Vaccine

There has been a dire shortage of polio vaccine throughout the United States but the Shelby County Health Department has been fortunate in having an adequate supply at all times for those who qualify. The Shelby County Health Department has not turned away any child or person eligible for polio vaccine.

The county health departments in Alabama offer free of charge to all children up to age 12 and all expectant mothers the three shots authorized by the State Health Department. — Jackson B. Dismukes, M.D., County Health Officer.

Shaw Mercantile Out of Business After 50 Years

Shaw's Store, as it was called for 53 years, was begun at Aldrich by Pleasant Shaw, Sr., and son, Thomas H. Shaw, and was called Shaw & Son. About 15 years later, Pleasant Shaw, Sr., bought out Thomas H. Shaw, and the name of the store was called Pleasant Shaw, Sr. Pleasant Shaw, Sr., died in April of 1933, at which time the store was run in the name of Pleasant Shaw Estate until 1939, at which time P. J. Shaw and L. E. Shaw purchased the store from the estate and ran it until September 1st, 1959, when they sold out to Maxwell Harper.

The store is now being renovated and re-arranged into a serve-yourself store. The Shaws wish to thank their many friends and customers who made it possible for this store to serve the people in the Aldrich community for so many years.

Montevallo School Has Record

In 98 degree weather 848 boys and girls went back to school to begin the 1959-60 session at Montevallo's public schools. Of this number 484 are enrolled at Montevallo High School in grades seven through twelve.

Two new members of the faculty at the high school are Mrs. Helen Reinhold and Mrs. Doris Jeter. The elementary school faculty remains the same as last year.

LEGAL NOTICE

Notice is hereby given that the Shelby County Highway Department will hold a public hearing on the 5th day of October, 1959 at 9:30 A.M. in the Auditorium of the County Office Building at Columbiana, Alabama. The purpose of this public hearing is to consider the economic effects of a proposed Federal Aid Secondary highway which begins at a point in Montevallo, Alabama on Shelby Street (0.1 mile north of F.A.P. Rt. 45 or State 25), thence northeasterly and southeasterly to a point on F.A.P. Rt. 45 or State 25 near the west city limits of Calera, Alabama with a spur extending northerly to a point on F.A.S. Rt. 1030, known as the Dargin-Dogwood highway (approximately 3.0 miles west of U. S. 31 at Dargin, Alabama), with another spur extending easterly to a point on F.A.P. Rt. 1 (U. S. 31) by the Armory in Calera, Alabama. The length of the proposed F.A.S. Highway is approximately 10.9 miles and is referred to as the Calera-Spring Creek Road.

Another purpose of this public hearing will be to explain the plans of the Shelby County Highway Department for this proposed improvement. It will also enable citizens in the rural and urban areas, through whose property this improvement will pass, to express any objections they may have to the proposed location of said highway.

Said project is known as Federal Aid Secondary Rt. 1092 or SACP 4203-A, Spring Creek Road.

This hearing is expressly for the purpose of fulfilling the requirements of Section 116(c), Public Law No. 627, 84th Congress, and Section 13, Public Law 85-381, 85th Congress of the United States.

By order of the Shelby County Board of Revenue & Control, Columbiana, Shelby County, Alabama.

WHAT'S THE STORY ON THE NEW FORD FALCON?

Come in and we'll tell you all we know!

HOW BIG WILL THE ALL-NEW FORD FALCON BE? HOW MANY PEOPLE WILL IT CARRY? HOW ABOUT POWER?

To start with, in the New-Size Ford—the Falcon—you *save* but never "do without!" You get modern, fine-car styling, six-people room and comfort, a car that's born and bred for the *American* road!

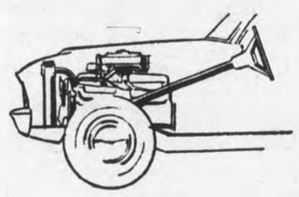

LET'S TALK ABOUT STYLING FIRST!

You'll be amazed by the Falcon's beauty. No "stubbiness" of other cars in this field, but low, sleek, European flair in beautifully proportioned style . . . "wide open" visibility all around . . . interior styling that's fresh and smart. The Falcon is Ford's way of proving a *true* economy car needn't suffer in looks or ride.

LET'S TALK ABOUT THE ALL-NEW FALCON'S SIX-PASSENGER SIZE!

In both 2- and 4-door models, the new Falcon will have full-width, full-depth seats for six adults. Plus room in the spacious trunk for all their luggage! And it can turn and park just as easily as most of those 4- and 5-passenger imported jobs!

LET'S TALK ABOUT HOW IT'S BUILT!

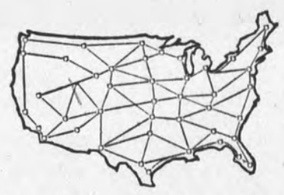

Like the fabulous Ford Thunderbird, the Falcon's built in the latest single-unit construction . . . adding extra inches everywhere inside . . . making the car one solid, quiet, integrated structure.

LET'S TALK FALCON PERFORMANCE!

The all-new six-cylinder engine's up front for greater safety and stability . . . will deliver up to 30 miles per gallon of regular gas . . . has a water-cooled engine which permits use of a water-type heater that's safer, never robs you of gas mileage. You can get an automatic transmission in the Falcon, too!

AND NOW . . . ABOUT THE FABULOUS FALCON EXPERIENCE RUN, U.S.A.!

Topping off 3 years and 3 million miles of research and development, a fleet of new Falcons is traveling every mile of U.S. highway to prove its "30-miles-per-gallon" average . . . and to *prove* it takes to the roads you

drive, right around your home, like a duck takes to water!

YOU MEASURE THE FALCON'S SAVINGS IN MANY MORE WAYS THAN GAS AND OIL SAVINGS ALONE!

Take the price. Though we can't give you the figure just yet, you can be sure the Falcon's price will help *prove* it's the savingest car, *right from the start!* Actually, we've just started to scratch the surface of the Falcon news, here. Come in. Bring all your questions, but make it soon. We have many orders in already.

CONTINENTAL CLASSROOM, the first network TV program for college credit, will present a new course—*modern chemistry*—during 1959-60. It will be telecast 5 days a week from 6:30 to 7:00 a.m., local time, over NBC network, beginning September 28. Financial backing will be provided by the Ford Foundation and seven leading industries, including the Bell Telephone System.

IT'S CALL-HOME TIME! Kids away at school? Then you know what a job it is to keep in touch with them. Letters are all too few, and your campus Joe or Jill is often hard to reach. So, why not try this. Plan a Long Distance get-together. Set a certain time on a certain day—once a week or more often if you like—for your young folks to call you. It's fun to get the news and not expensive, especially when you call station-to-station.

* * *

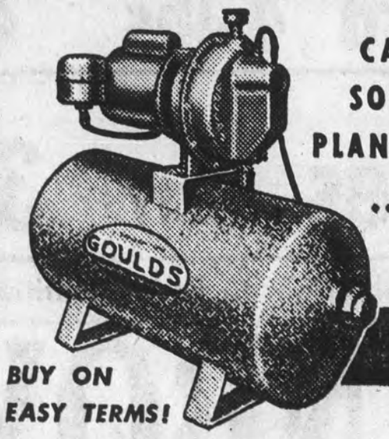

AND, HERE'S another money-saving tip. Long Distance is an efficient sales and buying tool. Salesmen can save time, reduce travel expense, process orders faster by using Long Distance. And if you're the buyer, quick Long Distance calls will often help track down the best buys. Try it for economy and efficiency.

Troop 59 Holds Court of Honor

Boy Scout Troop 59 of Montevallo met Monday at 7 p.m. at the Boy Scout Hut. Two leaders, six scouts and several parents were present.

The pledge to the flag was led by George White. The Scout Oath and the devotional was led by George Nix, Jr.

Scoutmaster George Nix talked about the plans beng made by Boy Scout Councils over the nation, to erect a Boy Scout monument in Washingtong D.C. Also plans were discussed for the Boy Scouts to have a bake sale.

The group was entertained with a cracker eating contest by Bonard Hamric and Claude Eddings with the winner as Bonard Hamric.

The Court of Honor was held with the following receiving ranks and merit badges. They were presented by Assistant Scoutmaster, Tom Potts. First Class Badge to Bonard Hamric and Mike Garrett. Charles McGhee and George Nix, Jr. received merit badges.

The Scoutmaster urged the boys to work on their ranks.

Refreshments were served the guests by the troop.

The meeting was dismissed with tap and the Scoutmaster's Benediction.

The driver who is reluctant to make a full stop under ordinary conditions will often hesitate a little too long in making emergency stops, the National Safety Council says. Such hesitancy can be eliminated by making a regular habit of stopping completely at all "stop" intersections.

College Plans Art Exhibits

Four outstanding art exhibits will be displayed by the art department of Alabama College during the 1959-60 school year, according to David C. Huntley, chairman and professor of art.

Scheduled for display in Comer Hall, they are: "German Graphic Art of the Twentieth Century," Oct. 1-22; "Emerson's New England," Nov. 1-22; "The New Landscape in Art and Science," Jan. 10-31; and "Architecture of Puerto Rico—Old and New," April 18-May 9.

The exhibition of German graphic art contains 105 prints by artists characteristic of the German school of the last fifty years. "Emerson's New England" exhibits places immortalized in the works of 19th century New England writers. Such places include the Old Manse, Wayside, Walden, Brook Farm, the "Snowbound Farmhouse," and many others.

"The New Landscape in Art and Science" explores the interrelationship between intuitive searchings of contemporary artists and new images and concepts revealed through scientific discoveries. Included are panels of enlarged microscopic shots of animal, vegetable and mineral forms; high speed pictures of sound, motion and electrical patterns; aerial views of the earth and telescopic views of the heavens.

The exhibition of Puerto Rican architecture illustrates the contrast between buildings containing "the most rare vestiges of medieval architecture in the Americas" and contemporary residential and commercial buildings.

Watch Your Tires

Tubeless tires cut your chance of getting a flat 75%. That's fine. But too many motorists now neglect their tires – and this can lead to trouble, principally unnoticed wear.

The major causes of tire wear are excessive speed, underinflation, neglected damage, wheels out of alignment, and sudden starts and stops.

Here's how to diagnose tire trouble: heavy wear in the center of the tread means overinflation; excessive wear around outer edges, underinflation; individual treads worn on one side, wheels out of alignment; large, smooth depressions one one side of the tread, wheels need balancing.

Here are some tips on tire care:

Have tires properly inflated before starting your trip, when they're cool. Then leave them alone.

When driving on a very hot road, slow down. And stay at this slower speed unless you want to damage your tires.

If your car always carries a heavy load, it's o.k. to add 2 to 4 pounds to every tire.

If you get a puncture, don't ride on it for long. Change and patch tire as soon as possible.

Cross-switch tires every 5,000 miles. One good way: right front to right rear; right rear to spare; spare to left front; left front to left rear; left rear to right front.

Avoid sudden stops. One jarring stop at 70 m.p.h. scrapes off 100 miles' worth of rubber.

Why we built two cars for 1960 . . . as different as night and day

On October 2—for the first time in Chevrolet's 49-year history—you will be able to walk into your dealer's showroom and see two totally different kinds of cars. ■ One is the conventional 1960 Chevrolet, brand new in appearance and more beautifully refined and luxurious than you can imagine. ■ The other is unlike any car we or anybody else ever built—the revolutionary Corvair, with the engine in the rear where it belongs in a compact car. ■ We'd like to tell you why we built two such different cars, how we built them—and for whom we built them.

Why two *kinds* of cars? Because America itself has been going through some big changes in the past few years. Our cities have been straining at their seams. Traffic is jam-packed. Parking space is at a premium.

And our suburbs have spread like wildfire. People are living farther from their work, driving more miles on crowded streets. There is new leisure time—but more things to do. There's a new standard of living—and more need for two cars in the family garage.

In short, America's automobile needs have become so complex that no one *kind* of car can satisfy them completely. That is why we at Chevrolet, keeping tab on these trends, have had a revolutionary *compact* car in the planning stages for more than nine years.

Thus, when we decided three years ago to prepare for production of such a car we were ready to build it the way it should be built. There was no need for a hasty "crash" program that would create only a sawed-off version of a conventional car.

That is why the two cars you will see in your dealer's showroom October 2 will be two entirely different kinds of cars. One is the conventional '60 Chevrolet—brand new in beauty, with new space inside, new spirit under the hood, a new feeling of sumptuousness and luxury never before attained by any car in its field. There is great V8 power linked with new thrift, plus Chevrolet's superb 6-cylinder engine. It is a traditional car that comes even closer to perfection—in silence, in room, in ease of control, in velvety ride—than any other car we have ever made.

The other is the Corvair, a compact car that is astonishingly different from anything ever built in this country. It has to be—because this is a *six-passenger* compact car, with a really remarkable performance . . . a car designed specifically to American standards of comfort, to American traffic needs.

The engine is in the rear. Among the basic advantages resulting from this engine location are better traction on a compact 108-inch wheelbase and a practically flat floor. But to be placed in the rear, the engine had to be ultra light and ultra short. So Corvair's engine is totally new—mostly aluminum and *air cooled;* it weighs about 40 per cent less than conventional engines. It is a "flat" horizontally opposed six—so it is only three cylinders long . . . and that leaves a lot more room for passengers.

Another weight saving: like modern airplanes, the Corvair has no frame; the body-shell supplies it great structural strength . . . it's a welded unit that is virtually rattle-free.

The ride is fantastic. But to get it we had to design *independent suspension* at every wheel; conventional springing would give a compact car a choppy ride. Right now we'll make one prediction: no other U.S. compact car will ride so comfortably, hold the road so firmly and handle so beautifully.

Now there are two kinds of cars from Chevrolet—because it takes two kinds of cars to serve America's needs today. If you love luxury—the utmost in luxury—and if you want generous interior space, breath-taking performance, automatic drives and power assists—then the conventional '60 Chevrolet may be your choice.

If easy parking, traffic agility and utmost economy are high on your list—then you should seriously consider the Corvair. But the best thing to do is to look these two new cars over at your Chevrolet dealer's . . . take them out for a drive. It may be that the only logical choice for your family between two cars like this is—both. They make a perfect pair.

Post-Vacation Car Care

After a summer in the sun and sand, your car—like yourself—may need some special beauty treatment. Here's how to set up a *salon de beauté* right in your own garage.

Cars, like some sensitive complexions, can't always take strong soap and hot water. When you give your car its fall facial, use only cool water and a clean sponge.

If it's particularly dirty, add a little mild, kitchen detergent to the water. Then dry off the enamel with a clean chamois skin. If you're doing the job outside, do it in the early morning or late afternoon; strong sunlight can streak wet enamel.

If you've had the car at the beach, it may need a special liquid cleaner and wax job. Apply with a sponge or soft cloth, let it dry, then rub it off. With liquid wax, arduous polishing isn't necessary.

Clean the chrome work with a Brillo pad or chromium polish and protector. Wipe it good and dry.

Don't stop your beauty operations with the car's exterior. The inside may need a thorough treatment with whisk broom, vacuum cleaner, and elbow grease.

It's a good idea to vacuum the car once a month to prevent abrasive wear and deterioration of fabrics, covers and flooring.

CATTLEMEN ENJOY BAILEY'S BARBECUE

W. J. Bailey entertained members of the Shelby County Cattlemen's Association Wednesday evening at a steak barbecue at his farm north of Montevallo.

In addition to the cattlemen, many other guests were present to enjoy this delightful occasion.

The guest speaker was Mrs. Jones from the Social Security Office in Birmingham, who spoke on the phases of social security relating to farmers and farm employees.

Everybody had a most delightful time sitting on benches improvised by planks supported by bales of hay and relishing the finest barbecued steaks you ever saw.

Report from Washington

BY

ARMISTEAD SELDEN

Congressman, Sixth District

At 6:21 a.m. last Tuesday the 86th Congress adjourned until January 6, 1960, thus ending the longest continuous session of a congress since 1951.

During the eight-months tenure of the 86th Congress's first session, almost 12,000 bill were introduced. A number of these were enacted into law. Oahers received approval of both the House and Senate and are now awaiting the President's signature. The thousands that were not considered this year will carry over to the second session in 1960.

Civil Rights Rider

In the waning hours of the session just ended, both houses of Congress debated and subsequently passed the mutual security appropriatons bill. Despite the opposition of Southern members, an amendment appropriating $500,000 to continue the Civil Rights Commission was attached to the bill. Under the terms of the law passed in 1957 creatng it, the Commission was scheduled to expire on November 8. In the Senate, the amendment was approved by a vote of 71 to 18, while House approval came on a 221 to 81 vote.

As sent to the President, the mutual security bill included a total of $3.6 billion, of which $3.2 billion was for the mutual security program itself. The remainder was earmarked for several miscellaneous items, such as the Civil Rights Commission and certain civil defense activities. The measure provides $695 million for the Development Loan Fund, both considerably below the Administration's budget requests.

Report Resumes Next Year

Although this will be my last weekly report this year, it will be my privilege to resume my "Report from Washington" when Congress reconvenes in January.

Beginning this week, I plan to be in my Tuscaloosa office on the second floor of the Post Office Building two days weekly. The remainder of each week will be spent visiting in the other seven counties of the 6th District.

I am looking forward with a great deal of pleasure to seeing as many of you as possible during the congressional recess.

Child Welfare Cases Number Nearly 10,000

Children receiving child welfare services through the Department of Pensions and Security in Alabama at the time of a recent study numbered nearly 10,000, pensions and Security Commissioner Alvin T. Prestwood said today in releasing Alabama's findings prepared for a nationwide report being compiled by the United States Children's Bureau.

"The Bureau is attempting to examine the characteristics of children receiving child welfare services in March, 1959," Prestwood explained, "and Alabama's report included all children under supervision of child welfare workers on that date, together with all other children receiving service only and aid to children in foster care, but under supervision of someother other than a child welfare worker." Not included, he pointed uot, were most of the more than 71,000 children receiving aid to dependent children that month. Findings of the nationwide study are to be used in pointing up legislative and other child welfare needs, Prestwood added.

The Shelby County Department of Pensions and Security participated in the study of characteristics of children receiving child welfare services. At the end of July 1959 the Shelby County Department of Pensions and Security was serving 739 children who received aid to dependent children, 22 children in foster care, and 88 children receiving social service only. Nearly all public child welfare services in the State rech children directly through their own county department of Pensions and Security.

Local Choirs Will Present 'Messiah'

This coming Christmas season, the Alabama College Choir and the Montevallo church choirs will join together to present the fourth annual presentation of Handel's immortal oratorio, MESSIAH. This program represents the Montevallo jont Christmas service. In past years it has proved inspirng to all, necessitating two performonces each year since the first year.

In past years singers have joined the Messiah choir from several surrounding communities. The choir personnel is open to everyone, and a cordial invitation is given to all. Past training or experience in singing is not necessary, according to Mr. Tolbert, conductor of the MESSIAH. He is Professor of Music at Alabama College, and serves as choir director at the Montevallo Baptist church.

Performance date is Sunday, Dec. 6th, with two performances at 3:00 p.m. and 7:30 p.m. This year the performances will be presented at the Montevallo Methodist Church. Rehearsals will be held at the Montevallo Baptist Church on Thursday evenings 7:00 to 7:45 p.m. and will begin October 1st.

The music for the MESSIAH is furnished without charge. It you would like to sing this great music, just come to the Montevallo Baptist Church on October 1st for the first rehearsal. Everyone in Montevallo and surrounding communities is invited to participate.

Business Women's Club Has Meeting

Montevallo's Business and Professional Women's Club met Tuesday evening, September 15, at the home of Mrs. Ruth Frederick.

Carrying out the National Federation theme of "Effective Living with Accent on You," the Career Advancement committee chairman, Mrs. Jessie McGaughy, presented Mrs. Walter Coppedge as guest speaker.

Tape recording the voice of each member present Mrs. Coppedge gave a brief analysis of each member's speech following the playback. This evaluation stimulated much group interest and gave each member an excellent opportunty to recognize good points, as well as errors in personal speech which can be corrected easily through conscious individual effort.

The followng B&PW members reported on the B&PW Fall District VIII meeting which they attended in Selma last week: Miss Edythe Hartley, local program chairman; Mrs. Frances Duke, Siluria, District VIII secretary-treasurer; Mrs. Jessie McGaughy, Miss Ethel Marshall and Miss Elizabeth Dempsey.

Clubs represented at the district meeting included Chilton County, Bibb County, Selma, Camden and Montevallo. State officers from Montgomery and Birmingham were also present.

HAPPENINGS IN THE HOUSE

By John Lewis Cates

The Supernumerary Solicitors' Bill which has caused much controversy in the House heretofore under the leadership of opposition by Representative Temo Callahan is still and yet has not been voted on for its final passage. The Supernumerary Solicitors' Bill is at the top of the calendar and is still on the order of unfinished business and will probably be under debate again on the House floor Tuesday, September 22nd. It is the opinion of many in the House that the bill shoud be further amended to include sixteen years of service as a solicitor and reduce the proposed $5,200.00 salary to a $4,200.00 retirement salary at an over the age of sixty-three. Its passage is still uncertain.

The most controversial bill in the remainder of this session since our two week recess was the passage of the regulation of small loans in the State of Alabama. The bill was put on special order ahead of all other business last Friday, September 11th. I voted against making it a special order because the order specified that it be considered immediately on that day and the records shows that no controversial issues are ever considered on Friday and we had other unfinished business to dispose of.

I was questioned personally by many people in the county why I voted to not bring it up on that date. I explained my position, as stated above, was because I felt that the delay of a week end would cause stronger opposition for the bill. The records shows, however, that once we were in the fight I did not vote to adjourn, and the record shows further that I supported the bill with exception of one minor amendment and supported the bill loyally until its final passage. It is now in debate in the State. The House did stay in session six hours on debate of the Gilchrist Bills regulating the small loan industry.

The House this Friday considered and approved some thirty-five or forty bills of local nature and engaged in debate on a bill allowing a 2% discount for gasoline taxes collected by distributors, refiners or wholesalers who heretofore have not been allowed any discount is allowed by those who collect for the State sales taxes. Another somewhat controversial issue that was under debate was that amended the code which relates to the running of prison sentences concurrently when the discretion of the trial court approves or disapproves the method of punishing offenders with penetentiary sentences.

I have introduced along with twenty-nine other co-sponsors a bill which would authorize the State of Alabama to pay its State employees beginning January, 1960, every other Friday rather than the fifteenth and thirtieth of each month because there are some week ends and holidays when employees miss week ends and holidays without pay. This is not an increase in salaries or a diminishing of salaries but just a service to be considered strictly on its merits for some ten thousand employees.

Legion Auxiliary Installs Officers

Eighteen members of the American Legion Auxiliary attended the covered dish supper meeting and installation of officers Thursday at 7 p.m. at the Montevallo American Legion Hut. Following a delicious supper and social hour, the meeting was called to order by Mrs. Fred Miller, vice president.

Plans for a joint meeting of the Auxiliary and the Legion were discussed, and it was decided to have a supper meeting in November.

Mrs. M. P. Jeter, Sr., past unit president, installed the following officers for 1959-60: Mrs. Wesley Lovelady, president; Mrs. A. E. Baumgartner, first vice president; Mrs. R. L. Woolley, Sr., second vice president; Mrs. Lee Wilson, secretary; Mrs. Kyle McClure, treasurer; Mrs. Fred Frost, Sr., chaplain; Mrs. W. M. Wyatt, historian; Mrs. Fred Miller and Mrs. Will Fullman, sergeants-at-arms.

American Legion Auxiliary meetings will again be held on the second Thursday evening of each month. This year's delegates to Girls' State will give reports on their trip at the October meeting.

coming soon!

48 new diesel locomotive units...
1,240 new roller-bearing freight cars!

THE SOUTHERN, first major rail system in the United States to be completely dieselized, will soon put forty-eight new diesel-electric freight locomotive units in service. These locomotives, now on order, will incorporate all of the latest technological improvements in diesels and add tremendous new "muscles" to our present modern, up-to-date fleet of diesel power.

This fall, too, deliveries will start on 1,240 new roller-bearing gondola and covered-hopper freight cars. 1,205 of these cars will be of new composite aluminum-steel construction, each with a carrying capacity of 100 or more tons. This is the railroad industry's first big order for this type of rolling stock and represents a pioneering break-through in the large-scale use of lightweight, corrosion-resistant materials in freight car construction.

It will take a lot of money to pay for all this new equipment —more than $38 million. But they will be dollars well spent, for they will help provide the better-than-ever mass transportation so necessary to the continued economic well-being and growth of the territory we serve.

Montevallo Eases By Thompson, 7-0

For a third straight year Montevallo has defeated Thompson, once county king in football. However, the Bulldogs found this year's Warrior uprising much harder to quell than those of the two prevous years, as they squeezed past the Indians in a 7-0 thriller Friday night at Siluria.

A quick kick by Ruben Hayes paid off in setting up the winning touchdown. The kick followed the Warriors' initial drive, which traveled from their own 26 to Montevallo's 29 before being halted. From the 29 Donny Davis got 10 yards in one try, but a second attempt lost ground. Then Hayes punted. Catching the Warriors completely unaware, the kick rolled dead on Thompson's 15.

A charging Montevallo line jolted Brett, Thompson quarterback loose from the pigskin, and Cliff Woolley claimed it for Montevallo on the 14. In two plays Hayes was across for the money. Later he added the extra point, and scoring was over for the night.

In the closing moments of the first half Warrior fans saw hopes of tieing the score. Nixon grabbed a Bulldog fumble and was well on his way before Danny Thornton and Donny Davis combined forces to bring him down on Montevallo's 40.

The Warriors staved off Montevallo's only other real scoring threat late in the third quarter. Davis skirted right end and was off for 58 yards. Hayes moved the ball to the two. There Thompson's determined line, aided by a backfield in motion penalty against Montevallo, held the Bulldogs for downs.

Statistics-wise the Warriors had the edge in this game that could have gone in any direction to the last moments. But the Bulldogs protected the last stripe with tenacious ferocity. Marking up nine first downs to seven for the Bulldogs, Thompson had a total of 164 yards gained to 162 for Montevallo.

This week the Bulldogs host Clanton. Game time is 7:30. Last year Montevallo defeated the Tigers for the first time in eight years, 17-7. Thus far this season Clanton has lost to Childersburg and tied Maplesville 7-7.

NOW...'60 CHEVROLET TRUCKS WITH REVOLUTIONARY TORSION-SPRING SUSPENSION THAT GIVES ASTONISHING NEW SHOCKPROOF ACTION !!!!!

CHEVROLET

Chevy's done the next best thing to paving every road in America!

First they threw out the front axle and put in torsion-spring independent suspension. Then they built wide-base coil rear springs into most light-duty models, variable-rate leaf springs into heavies. That made it—a ride you have to feel to believe. A ride that lets you move faster to get more work done in a day's time.

Brawnier bulldozer build!

Frames are stronger, cabs 67% more rigid. Front wheels and tires are precision-balanced. And that new suspension cushions jars and road shock that used to spell slow death for the truck's body and sheet metal.

More comfortable cabs!

Easier to hop in and out of too. Many models are a whole 7 inches lower outside. Yet there's more head room inside, plus more width for shoulders and hips. More real comfort!

Big in the power department!

With the industry's most advanced gas-saving 6's. With high-torque Workmaster V8 performance in heavyweights. With new 6-cylinder or V8 power available in L.C.F.'s.

More models than ever!

New 4-wheel-drive models and tandems and high-styled Suburban Carryalls. It's the handsomest, hardest working Chevy fleet ever to report for duty. See your dealer soon for a ride!

Hundreds of People Attended Dedication of the Shelby Memorial Hospital

SHELBY MEMORIAL HOSPITAL, dedicated and formally opened last Sunday, occupies a beautiful site on the east side of Highway 31, a short distance north of the business district of Alabaster. The building is a comfortable distance from the busy highway, on an elevation with sloping grounds in front, beautifully landscaped, and containing surfaced driveways and parking areas.The building is at the foot of Oak Mountain whose forested slope rises to the east from the edge ofthe hospital grounds. Charles H. McCauley was the architect. The construction was done by Brice Building Co. (This picture is used by the courtesy of Blue Cross, Blue Shield of Alabama.)

Address Made By Senator Lister Hill

The Shelby Memorial Hospital was formally opened last Sunday afternoon when Miss Elnora Lester, Shelby's Maid of Cotton, cut the ribbon and admitted hundreds of visitors, to enter and make a tour of inspection of this beautiful, modern, and superbly equipped institution.

Prior to the ribbon cutting, impressively appropriate dedication services were held, in which practically all of Shelby County's officials participated.

Probate Judge Conrad Fowler made the address of welcome.

Mr. Ralph W. Sears of Montevallo was master of ceremonies, introducing Congressman Armstead Selden. Mr. Seldon in turn introduced Senator Lister Hill, who made the stirring and most impressive dedication address.

"In the name of Jesus Christ, our Lord, and the Great Healer, we do now dedicate this institution to the future wellbeing, health and happiness of the people of Shelby County," said Senator Hill.

A most deserved measure of praise was given to the Shelby County Hospital Board, whose splendid work of planning and execution of plans has produced for Shelby County one of the finest possible hospitals. The Board is composed of Roy Downs, chairman: D. B. Smith, vice chairman; J. T. Phillips, T. H. Napier, Pat Terrell, Basil Smith, Rux Carter, Joe Roden and Eugene Abercrombie.

The tremendous turn-out of people for the dedication exercises attests the high degree of interest held by the people of Shelby County in their hospital.

Dean R. Upson is administrator of the hospital. He has assembled a hospital staff that is eminently able to carry on the great service of ministering to those who need the service. Mr. Upson conducted the tour of hundreds of visitors who had stood at rapt attention through the dedication program and were pleased to see the interior equipment of the beautiful building.

All-in-all, it was a happy occasion for the peole of Shelby County, and certainly an ample number of them showed their happiness and interest by attending.

The First Patient

It did not take long for the hospital to get into use. The first patient, Mr. L. C. Hatcher, was admitted at 10:21 Monday, the 26th.

The First Baby

The hospital's first baby was born Wednesday, Sept. 28. Dr. Warren Duke of Siluria, was the attending physician. The parents are Mr. and Mrs. Robert Furline of Route 1, Siluria. It was a girl.

Ten Patients Thursday

The number of patients in the hospital Thursday morning was 10, including the baby. The capacity of the hospital is 35, and the present number of patients is one-third of its capacity in less than a week since the opening.

Mr. Upson, administrator, expressed optimism for the success of the institution. It is completely staffed, he said, and in complete operation, with every department functioning smoothly, one hundred per cent.

Robert F. Miller Speaks to Rotary

Robert F. Miller, Montevallo attorney. was the speaker at the regular meeting of the Montevallo Rotary Club last Thursday evening at the school cafeteria. Mr. Miller's subjact was "A Lawyer Looks at Religion."

The speaker was introduced by Dr. M. L. Orr, Sr. Mr. Miller recently returned to Montevallo to pactice law after serving several years as Assistant U. S. Attorney for the Northern District of Alabama. He attended Birmingham-Southern College, received his A.B. degree from Howard College and later received his LL.B. degree from the University of Alabama.

President Ed Turnock presided at the meeting.

CALERA PTA MEETS

The Calera P.T.A. will meet in the School Auditorium Thursday, October 1, at 7:30 p.m. The Rev. David Sayer will give the devotional. Mr. Paul Brunson, Assistant Director of Civil Defense, of Montgomery, will be the speaker. You are urged to attend.

Thompson Band To Play at Auburn

Director F. H. Kendeigh and the Thompson High School Band of Siluria will be in Auburn on October 3 to take part in Band Day. Twenty high school bands from over the state will be on hand for the event.

All the bands will participate in the massed band pre-game show of the Auburn-Hardin Simmons football game. During the game, the Thompson band will be seated in the east stands.

About 30,000 fans are expected to be on hand to see the bands and football teams perform.

MONTEVALLO P.T.A. TO SPONSOR CALENDAR

The Montevallo P.T.A. will again sponsor the Birthday Calendar. Mrs. Rodney Baine and Mrs. W. E. Robinson are in charge of the project this year. They have announced that people will be contacted soon for ads and listing of birthdays and special events. It is hoped that the project will receive the wonderful cooperation of the community that it did last year.

AAUW To Hold Rummage Sale

The Montevallo Branch, American Association of University Women, will hold a rummage sale Saturday, Oct. 3, on Main Street between the Baptist Church and the Plaza Grill.

Co-chairmen for the all-day event are Miss Josephine Eddy and Mrs. David Cotter.

Proceeds from the sale, and from other money-raising projects during the year, will go to fellowships sponsored by A.A.U.W. and to the building fund for national headquarters of the organization.

Persons interested in contributing clothing, books, and household items for the sale are requested to contact Miss Eddy or Mrs. Cotter before Saturday.

SILURIA 4-H CLUB ELECTS OFFICERS

The Siluria 4-H Club of Thompson High School held its first meeting on Sept. 22, at which time the following officers were elected: president, Jackie Nolen; vice president, Guy Causey; secretary-treasurer, Bobby Joe Seals; and reporter, Bobby Baldwin.

The chapter includes 28 members from grades 7-12. They are looking forward to an eventful year.

Chamber Of Commerce To Meet Thursday

Don H. Lovelady, president of Montevallo Chamber of Commerce, announces a regular monthly meeting to be held at City Hall on Thursday evening, October 8, at 7:30. All members as well as others interested are invited to attend. Some matters of interest to the community and immediate area will be up for discussion and it is expected that a large crowd will attend.

Fred Frost, Sr., reports that the membership this year already exceeds 50 members and annual dues are still being accepted for the 1959 year. M. S. McGehee, vice president and chairman of the industrial committee, will make a report having to do with some of the recent developments along the line of additional industries for our area.

It is expected that Montevallo C of C will have a delegation and possibly an exhibit at the Southeastern Exhibition in Birmingham in December.

MONTEVALLO P.T.A. TO MEET MONDAY

The Montevallo P.T.A. will hold its second meeting of the year next Monday, October 5, at 7:30 p.m. in the high school auditorium. Highlight of the evening will be an address by Conrad Fowler, Probate Judge of Shelby County, who will speak on the subject, "Building Character and Handling Discipline in the Home."

Victor Young will present a short musical program.

The room count will be taken as parents and teachers enter the room, which will shorten the length of the meetings.

Prentice High School Community Night

The theme for the annual Community Night program to be given at Prentice High School auditorium on Wednesday night, October 7, is: "The Home, School and Church Working Together To Improve Our Children." The program has been planned with the purpose of showing the importance of the home, school and church coming together to plan some activities that will help children solve their growing and learning problems.

The faculty of Prentice High School believes that both parents and teachers must share in the responsibility of educating our children for a lifetime of constructive citizenship. You are invited to come and enjoy this occasion.

The adult part of the program will consist of some of the outstanding choirs in the county. The students are working hard to make their contribution equally as entertaining. There will be no admission charge. The time is 8:00 p.m.

Serving on the Community Night committee are Mesdames B. M. Coger, chairman, S. T. Green, M. J. Whitman, and Miss M. A. Peoples.

* * *

Mrs. A. M. Allen attended the funeral of her brother, Will Galloway, in Bessemer Saturday.

The Excelsior Club met with Mrs. E. B. Leach in Columbiana Saturday night. Following the business session, chicken dinners were served to Mesdames A. M. Nunn, L. M. Alexander, R. Harris, V. Craig, V. Lilly, L. J. White, L. S. Redic, B. M. Coger, O. D. Fluker, V. L. Thomas, and I. T. Nelson. The latter two are new members. Mrs. A. M. Mayweather was absent due to a foot injury. Bingo prizes were won by Mesdames Harris and Lilly.

As one of its projects, the Excelsior Club will sponsor the Jackson Homer Campbell Scholarship Award. This scholarship award was begun and sponsored by Mrs. V. L. Thomas, a niece of Mr. Campbell. It was made possible by contributions from friends. The awards will go to the valedictorians of each of the two high schools in the county.

Rev. G. W. Woods was the pulpit guest of Ward Chapel A.M.E. Church on the two Sundays that Rev. and Mrs. M. J. Jackson were vacationing in Cleveland, Ohio.

Choir No. 1 of Shiloh Baptist Church held its third anniversary Sunday. Rev. Lawrence Miller, a student of the Interdenominational Seminary in Atlanta, was the guest speaker.

Everdale Baptist Church is expanding its building to include a basement, elevated choir stand, pastor's study, business or conference room, and rest rooms.

B. T. Whittington, mathematics instructor at the Chilton County Training School, Clanton, was a recent guest of Mr. and Mrs. James Coger.

Mrs. E. Adams, supervisor of Negro schools in Shelby County, showed the latest in handmade hats to a group of county teachers Tuesday afternoon. The "show" was hosted by Mrs. B. M. Coger.

The senior class of Prentice High School has named its officers for the present term. They are president, Walter Earl Yarbrough, Calera; vice president, Annie Bell Coleman, Montevallo; secretary, Carolyn Ann Harris, Calera; assistant secretary, Dorothy Threatt, Alabaster; treasurer, Roslyn Harris, Calera; reporter, Margaret Mayweather, Montevallo; and assistant reporter, Paul Henry Nicks, Montevallo. Mrs. B. M. Coger is homeroom teacher.

The senior class will give a party at Coleman's Cafe Friday night, October 2, to swell its treasury.

A Wonderful New World of Fords for 1960

A new world of style! A new world of savings!
A new world of performance! A new world of built-for-people comfort!
A new world of station wagon living!

On October 8, for the first time, there will be not one, not two, but *three* completely new kinds of Ford cars designed and priced for nine out of ten Americans:

The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!

The 1960 Falcon—The New-size Ford, the world's most experienced new car, and the easiest car in the world to own!

The 1960 Thunderbird—The World's Most Wanted Car!

FORD—*The Finest Fords of a Lifetime*

Here are 15 new models! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. Five beautifully husky new station wagons. A sleek new Sunliner convertible and a brand-new hardtop model, the Starliner.

A wonderful new world of style. Ford's beautiful new proportions flow smoothly through an elegant Thunderbird-inspired roof to swift rear-quarter lines.

A wonderful new world of performance. For action, there are new Thunderbird V-8's that blend blazing power and acceleration with kid-glove smoothness.

A wonderful new world of ride. With Ford's new Wide-Tread Design, wheels are spread farther apart for a *full 5-foot tread*. It handles and rides like the Thunderbird!

A wonderful new world of economy. Ford's Mileage Maker Six and Thunderbird 292 V-8 and 352 V-8 all travel beautifully on *regular* gas at savings up to a dollar a tankful. And go 4,000 miles between oil changes.

A wonderful new world of built-for-people comfort. Six big people—including the man-in-the-middle—ride in greater comfort than ever. The new Fords give you as much as 4 inches more shoulder room, more knee room, more hip room. You relax on chair-high seats.

A wonderful new world of safety. Ford's big safety news for 1960 includes new *Truck-Size Brakes* with brake linings 25% bigger. Ford's new *Safety-Girder Frame* is 25% stronger than ever before. Better visibility, too.

FALCON—*The New-Size Ford*

Here is the welcome news Americans have been waiting for . . . the *Falcon*, a product of Dearborn, Michigan, automotive capital of the world, *was expressly designed for American needs on the American road.* It's the one economy car without the economy-car look.

Averages up to 30 miles per gallon. Experience Run, U.S.A., *proved* it! Oil savings? Ford's *standard* Full-Flow Oil Filter stretched oil changes 4,000 miles apart.

The engine's up front for greater safety and stability. Built brand-new for the Falcon, the short-stroke Falcon Six was developed, and mounted up front, according to long-proved, thoroughly accepted engineering principles.

1960 Falcon seats six with ease. Six fit comfortably into the Falcon—and it swallows luggage for six in the big rear trunk that holds 23 cu. ft. Compare this with others!

Easiest car in the world to own. A Falcon is so easy on the wallet that it's easier than ever to be a 2-Ford family!

THUNDERBIRD—
The World's Most Wanted Car

For 1960, the Ford Thunderbird is distinctively new—without basically disturbing the famous profile that has made it America's new fine-car favorite. It's the most wanted car of all!

No matter who you are . . . or what your tastes and needs . . . there's an exciting 1960 Ford styled, sized and priced for you. See *your* Ford Dealer October 8!

A picture of better health for Shelby County!

Blue Cross-Blue Shield of Alabama extends congratulations to this new hospital, and to the people of Shelby County it is destined to serve. This hospital joins 125 others over the state as a Blue Cross Member Hospital.

The value of this new health facility to the people who live in this area can never be measured in dollars and cents. In ages past, emperors and kings . . . men of unlimited wealth . . . were helpless in the face of diseases. But any of us can escape these same diseases, today, simply by taking a shot or a few pills. Modern health care available through our hospitals and doctors can readily assure most of us longer, more active lives.

To help make this type of care possible, Blue Cross-Blue Shield of Alabama has paid over 125 million dollars for health benefits to its Alabama members since 1936. For these people, care and financial help were there when needed.

So, whether it's an employee group plan for a big industry or a little business . . . protection for the self-employed or the unemployed under a non-group contract . . . Blue Cross-Blue Shield offers important advantages and solid value to those who become members. You are invited to write for complete information on this time-proven health service. Nearly 750,000 Alabamians are now enrolled.

Bulldogs Fall Before Clanton, 7-0

A pass that traveled only nine yards spelled defeat for Montevallo's Bulldogs last week.

After taking their first two games this season, the Bulldogs bowed 7-0 to Clanton here Friday.

The touchdown pass from Warren Edwards, quarterback, to David Cobbs, left end, capped off a 60-yard drive for the Tigers. Edwards and Tommy Shelton were main ground gainers in setting up the score early in the first quarter. Edwards tossed again to Elliott Monroe to put the extra point on the board. From there on in it was a hard-fought defensive battle for both teams.

Montevallo's brightest scoring hope was broken up by a fumble just three yards from the pay-off stripe. In the second quarter Peter Givhan blocked a Tiger punt to give Montevallo possession on Clanton's 25. From there Ruben Hayes got five yards and George Underwood added 20, moving the Bulldogs to the three, where they fumbled. Mims fell on the ball for Clanton on his own one-yard line.

Unable to move out of danger in this back-to-the-wall situation, Vines kicked to Clanton's 39. Again Montevallo penetrated the 10-yard area, but this time the Bulldogs were held for downs nine yards away from the goal line.

Hayes, Montevallo's fullback and workhorse of the night, ran 17 times for a seven-yard average.

At home again this week, the Bulldogs meet Jemison, fresh from a 20-14 homecoming victory over Calera.

SGT. HORACE EDDINGS TO SAIL FOR GERMANY

Sgt. Horace R. Eddings, Jr., son of Mr. and Mrs. Horace R. Eddings of Pea Ridge, will sail this week for a three-year tour of duty in Germany. Sgt. Eddings has served with the MP detachment at Fort McClellan since June, 1958. He served in Korea and with the Alabama Military District, having a total of eight years of service.

Sgt. Eddings will be attached to the 293rd Engineer Bn. at Baum Holaler, Germany. His wife, the former Dean Harwell, plans to join him in about three months. Sgt. Eddings is a graduate of Montevallo High School.

Mrs. D. J. Carden, Sr., and Mrs. George Anderson, accompanied them to Oxford, Miss., to visit relatives.

Elegant Impala 4-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose from.

THE SUPERLATIVE '60 CHEVY

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper rear deck, there's so much that is new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the relaxing roominess, tasteful trim, hushed elegance, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, you'll find new economy of operation, new dependability, new longer life. Here, then, we're confident both you and your budget will joyously agree, is the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design—with so much that's new and different the other ones can only hope to come close.

It's the superlative '60 Chevrolet—with **new space inside, new spirit under the hood, new splendor in every clean-etched line.**

Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, there's room to sprawl in, room to sit tall in—generously provided by Chevy's sofa-wide seats and extra margin of hat space. And there's **even more leg room for the man in the middle**—thanks to the way Chevrolet engineers have shaved down the transmission tunnel.

Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. And, adding to your sense of silence and solidity are **thicker, newly designed rubber body mounts** that do an even more efficient job of filtering out road shock, tire hum and vibration.

Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrift 6 and **a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular** while delivering greater engine torque at normal speeds.

Chevy's accent on comfort and convenience even extends back to its **easier-to-load (and tremendous) luggage compartment.** You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters out even the smallest engine impulses more effectively than ever and a trim new two-toning motif that's available on all **16 fresh-minted models.**

But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes . . . and that's to drop in on your dealer and drive one!

F. F. A. News

Montevallo F.F.A. members have already made plans to attend the State Fair in Birmingham on October 7 at which time the group plans to observe and study the various educational and agricultural exhibits. Approximately 75 of the members are planning to attend the day at the fair. Some students expect to continue with study of the various enterprises in order that decisions can be made about enterprises each will choose for his own project.

* * *

The local chapter expects to send two delegates to the national F.F.A. convention in Kansas City during October. Delegates have not been named as yet, but it is expected that they will be chosen from the third year boys. Named as prospects for the trip are Terry Daviston, Bud Lucas, Bobby Jones and Ernest Blankenship.

* * *

The F.F.A. chapter has accepted an invitation from the West Shelby Conservation Club to attend an opossum hunt on October 24. Ed Daviston, chairman of the club, has extended an invitation to all Montevallo F.F.A. members.

* * *

Delegates from all F.F.A.-F.H.A. units in Shelby County will be in session early in November along with vocational teachers in the county to determine certain items to be included in the Shelby program this year. Some discussion will be held concerning the usual jamboree and annual F.H.A.-F.F.A. meetings.

Vocational agriculture students recently enjoyed joint classes with the home economics girls as a study was made having to do with personal improvement and manners.

* * *

Two adult classes continue to meet in the vocational agriculture department bi-monthly. The class for ladies meets at 2 o'clock each second and fourth Wednesday and the one for men each second and fourth Thursday at 7:30. Meetings are held at the vocational agriculture building.

QUIET REVOLUTION! ON DISPLAY FRIDAY! HOORAY! SMALL WONDER! FRIDAY! ASTONISHING! NOTHING LIKE IT! CORVAIR! SMALL MIRACLE! FRIDAY!

CORVAIR BY CHEVROLET! SMALL MIRACLE! THREE COMPACT CHEERS! FRIDAY!

THE REVOLUTIONARY

Corvair

BY CHEVROLET

There's nothing like a new car—and no compact car like this de luxe Corvair 700.

Here's the car created to conquer a new field—Chevrolet's low-priced compact Corvair.

The product of nine years of research and development at the auto industry's most advanced facilities, it's America's first truly compact, economical car that retains the ride and 6-passenger comfort you're used to in a big one.

The key to this small miracle: America's first and only modern rear-mounted aluminum engine—a lightweight 6 that's so revolutionary it can be packaged with the transmission and drive gears as one compact unit.

By putting the engine in the rear, Chevrolet has made the floor practically flat, front and rear. There's plenty of foot room for everybody, including the passengers in the middle.

Shifting engine weight to the rear also makes for smoother, easier compact car handling and gives glued-to-the-road traction on ice, mud or snow.

Corvair's size—some 5 inches lower, 2½ feet shorter and 1,300 pounds lighter than conventional sedans—makes it a joy to jockey through busy streets, a pleasure to park (no need for power assists). Its revolutionary Turbo-Air 6 gets up to 30% more miles on a gallon of regular (a real magician on mileage). And, because the engine's air-cooled, you never have to fuss with antifreeze, you get quicker warmup with less wear on parts even on the coldest mornings (even heat for passengers comes quicker—almost instantly—from an airplane-type heater*).

Yet, wonderfully practical as all this sounds, you'll find the most practical thing of all about this new Corvair is its remarkably low price. Your dealer's the man to see for all the short, sweet details.

America's only car with an airplane-type horizontal engine! America's only car with independent suspension at all 4 wheels! America's only car with an air-cooled aluminum engine!

The engine's in the rear where it belongs in a compact car!

STYLING—PURE AND SIMPLE
Clean, uncluttered lines shape both 4-door models—the de luxe Corvair 700 and the standard Corvair. Each has its own distinctive trim, and you get more visibility area than in many full-sized cars.

FOLD-DOWN REAR SEAT*
Works easily, instantly, adding to Corvair's versatility by enlarging rear seat cargo space to 17.6 cu. ft.

FLAT FLOOR
Corvair is America's only compact car with a practically flat floor, the only one with the kind of relaxing room that U.S. motorists are used to.

UNISTRUT BODY BY FISHER
Does away with conventional frame, incorporating all structure into a rigid body-frame unit that gives you more inside room with less weight.

UNDER-HOOD LUGGAGE COMPARTMENT
Trunk's up front (like an elephant's) where it's convenient for groceries, luggage.

4-WHEEL INDEPENDENT SUSPENSION
There's no conventional axle—front or rear. Wheels, cushioned by coil springs, take bumps independently of each other, for smooth, road-hugging ride.

REVOLUTIONARY TURBO-AIR 6
Gets up to 30% more miles on a gallon, needs no antifreeze, provides quicker warmup with less wear on parts.

ONE-PACKAGE POWER TEAM
Wraps rear engine, transmission and differential together into one compact lightweight unit. Takes less room, leaves you more.

*Optional at extra cost

Veterans Affairs Office Assigned To District

The Columbiana office of the Alabama Department of Veterans Affairs was notified today of its assignment to District 3 under revised management plan. The local office will continue in charge of Solly H. Perkins, Sr., Veterans Service Officer, but will be under District Manager Thurmon Guthrie for supervision. Guthrie was named to have charge of several central and north Alabama counties including Cullman, Blount, Shelby, Morgan, Limestone, St. Clair and the Bessemer office in Jefferson County, Montgomery headquarters announced today. The Columbiana office is one of the busiest in this section of Alabama serving veterans from many surrounding communities according to informed sources.

Guthrie is a resident of Cullman, Cullman County, where he will continue to operate the Veterans Affairs office. He is a World War II veteran having served in the European Theatre and was awarded the Bronze Star with 8 Battle Stars. He holds the office of Adjutant in the Cullman Post of the American Legion and is presently a Master Sergeant in the Army Reserve.

fresh point of view...from Pontiac!

Another fresh one from Pontiac!

The inspired beauty of perfect proportion!

The precision control of Wide-Track Wheel Design!

The softer ride of supple suspension!

The wide choice of vigorous Tempest V-8 Engines tailored to economy or high performance!

The car craftsmen who developed Wide-Track Wheels, the innovation that brought a new standard of roadability to the American passenger car, present another fresh original for 1960!

With clean, crisp lines they've composed a delightful rightness of form with unity and rhythm.

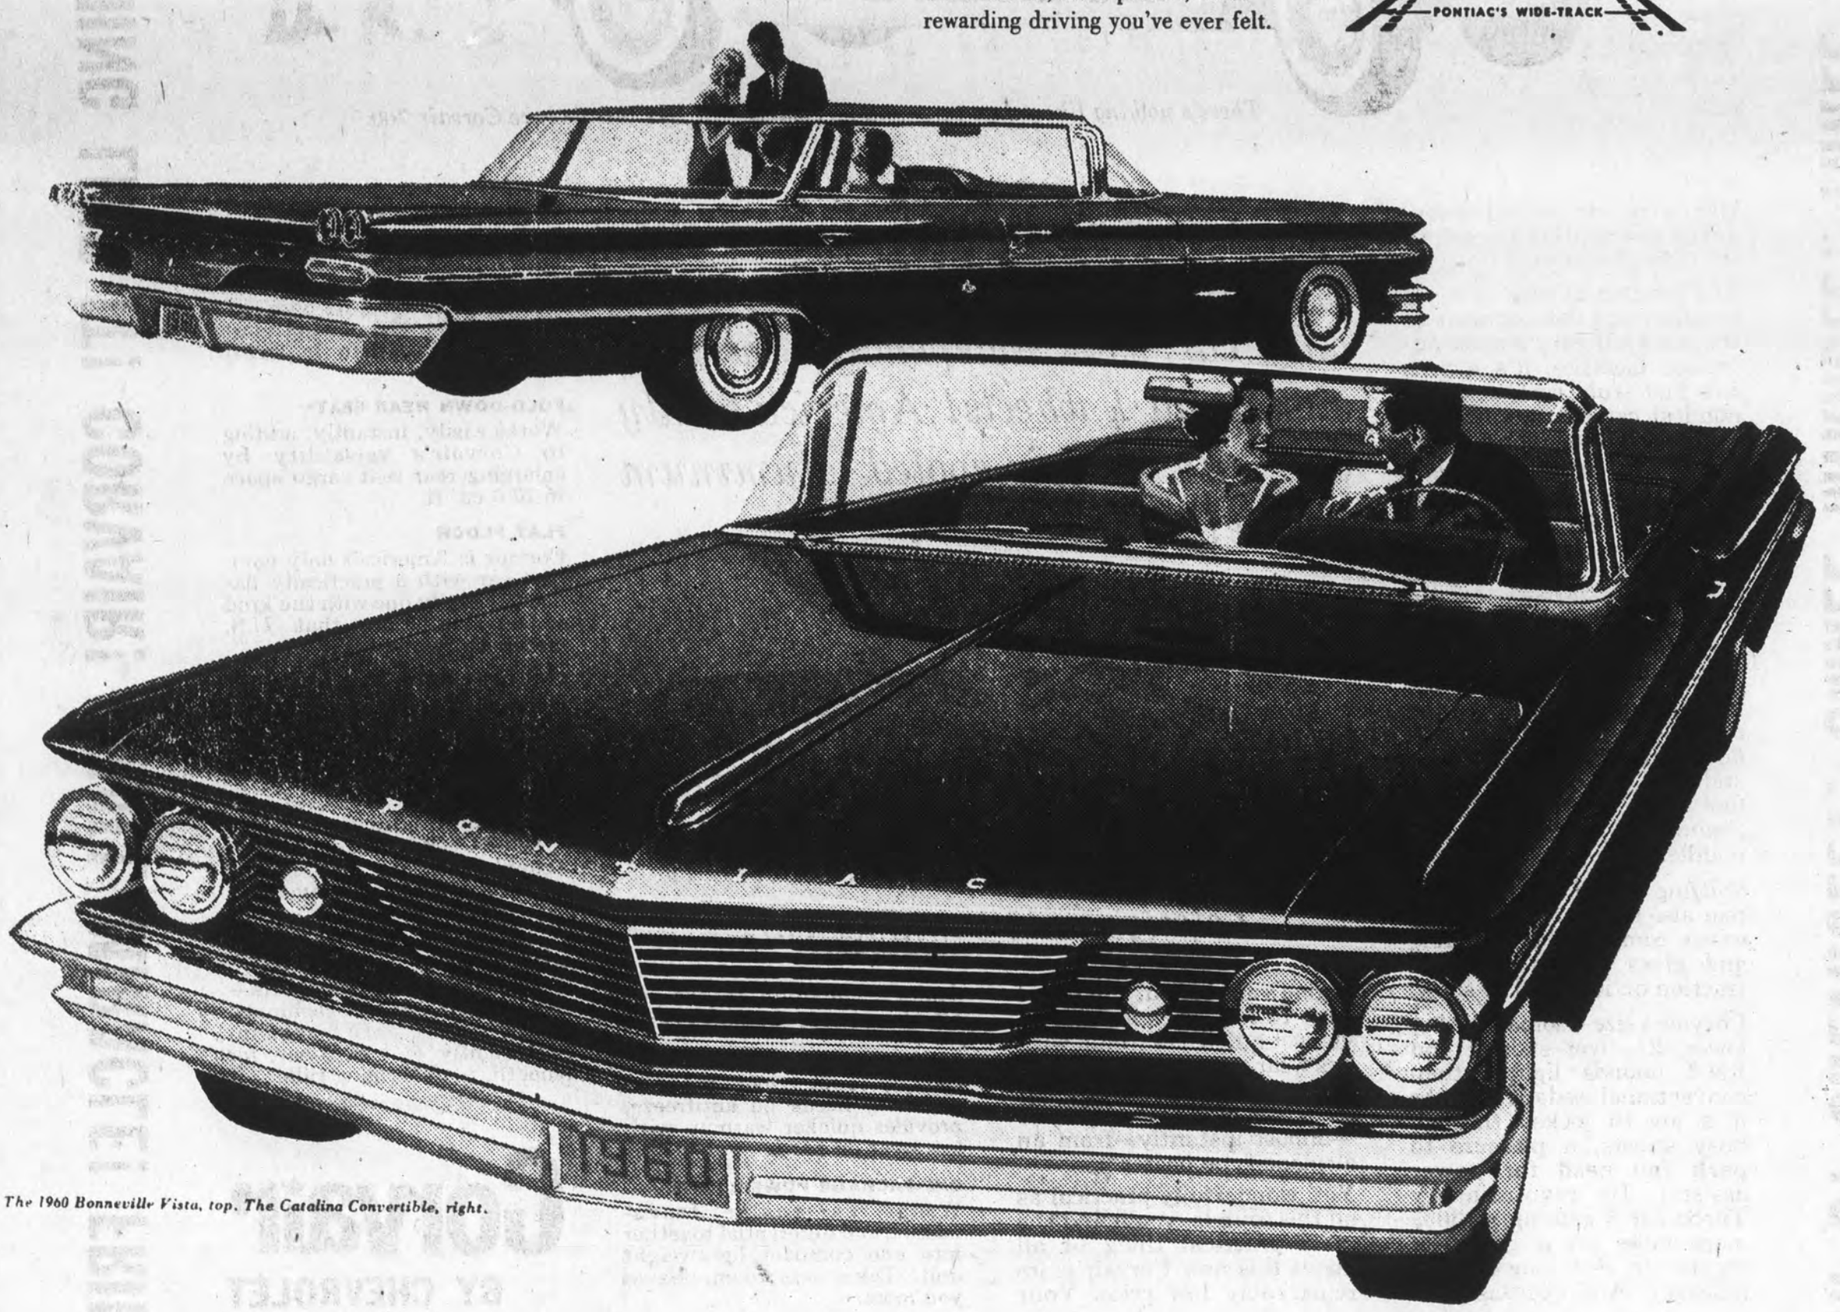

Into the proved principle of Wide-Track (wheels farther apart for a steadier stance) they've engineered an ingeniously improved suspension system. This combination of a firm foundation and supple suspension gives you flawless control, more skill in the fine art of driving, smooth stability, bump-yielding softness.

The power plant is typically Pontiac. A wide range of restless, ground-gaining power packages to choose from. All are husky V-8's, ranging from the frugal 425E economy engine that prefers regular grade gasoline to the fiery Tempest 425.

Haven't you been an admiring spectator of Pontiacs long enough? Isn't this your year to become a participant in Pontiac pleasure, to move up to Pontiac ownership, where the enjoyment is the fullest, where the point of view is the freshest?

Wide-Track Wheels give you swayless stability, solid comfort. You maneuver with skillful sureness, accurate control. It's the sweetest, most precise, most rewarding driving you've ever felt.

Letter Writing Week Planned

The 22nd annual Letter Writing Week will be ceebrated in Montevallo, Alabama during the week of October 4 to 10, it was announced today by Postmaster Morris Watson.

"I am sure we are all aware that a personal letter is, next to an actual visit, the most intimate and economical means each of us has to communicate with our fellow human beings. Accordingly, I urge everyone to 'write today to those away'."

Postmaster Morris Watson stated that the special Week should serve as a reminder to write long-overdue letters to servicemen, hospitalized patients, foreign acquaintances, faraway friends and relatives, and others who will welcome a personal letter.

Selective Service To Call 367 Men

State Director Walter M. Thompson, Jr., has announced that a total of 367 men will be called to the induction station in October to fill the Alabama Selective Service quota.

Thompson said that the October national call is for 9,000 men, which is an increase of 2,000 inductees overs the 7,000 quota for September. All are designated for Army service.

The State Director said that the Alabama call will include only volunteers, delinquents, and registrants in Class I-A, and I-A-O, without children. He pointed out that individual county calls are based on those available registrants already examined and acceptable.

The county-by-county call includes 2 from Shelby.

Card of Thanks

We wish to express our sincere appreciation and thanks to neighbors, friends, the Woman's Society of Christian Service of Montevallo Methodist Church, Love Sunday School Class, and the Sun Beams of the Baptist Church for their prayers, visits, cards, flowers, and other acts of kindness and love during my recent illness and hospitalization.—Tom Fancher and family.

FUNERAL SERVICES HELD FOR MRS. ELLA MITCHELL

Mrs. Ella Latham Mitchell, 87, of Sylacauga, died of a heart attack at the home of a sister, Mrs. Chapman, in Columbiana Friday morning.

Services were held at 2 p.m. Sunday at Service Chapel in Sylacauga with Dr. W. K. Weaver, Jr., officiating. Burial was in the Latham family plot in Montevallo Cemetery.

Mrs. Mitchell, a native of Montevallo, was the daughter of the late Henry and Lucinda Latham. After the death of her husband, W. H. Mitchell, of Talladega Springs, she moved to Sylacauga where she was a long time resident.

Survivors include a brother, Howard C. Latham of Montevallo; two sisters, Mrs. Lida L. Chapman of Columbiana and Mrs. S. T. West of Birmingham; one step-son, Dr. W. J. Mitchell of Montevallo; two step-daughters, Mrs. W. S. Hulse of Merchantville, N. J., and Mrs. Roy Bishop of West Palm Beach, Fla.; a number of nephews, nieces, and grandchildren.

CARD OF THANKS

We wish to thank all friends and neighbors for their kind thoughtfulness, flowers and food during the death of our husband and father. We are very grateful to each and every one.—Mrs. S. G. Hale and Children.

Calera Methodist Church

G. M. HEARIN, JR., Minister

The Pastor's Paragraph

This Sunday will be observed as promotion day in our Sunday School. We have our promotion exercises as part of the morning worship service. At this time we will also recognize all those who have had perfect attendance during the past year and all those who have had a perfect attendance for a six months period.

Another of the highlights will be the promotion of the juniors into the intermediate class. They move from the Children's Division into the Youth Division. To commemorate this occasion the Commission on Education will present to these young people a New Testament. The whole service will be on the theme of Christian Education and the morning sermon will follow this theme.

On Oct. 4 we will start a new Sunday School year. A new year is a wonderful opportunity for us all to renew our vow of faithfulness to the Sunday School and the church. Be sure you come to church Sunday.

Welcome

We wish to welcome into the fellowship of our church Mr. and Mrs. William Lawrence. Mrs. Lawrence (Glenda) comes to us from another denomination and Mr. Lawrence (Bill) comes to us on transfer of certificate. At the same service they had their infant son, Victor Joseph, baptized.

New Chairs

If you were present at the Sunday services you may have noticed new chairs for the choir. They are very beautiful new folding chairs that match the choir robes and the altar drape. We are very proud of our new chairs.

Happy Birthday To:

Mrs. Z. S. Cowart, Jr., Tuesday, September 29.

Sonny Davis, Sept. 29.

Miss Nancy Duncan, Thursday, October 1.

Mrs. Fred Allen, Thursday, October 1.

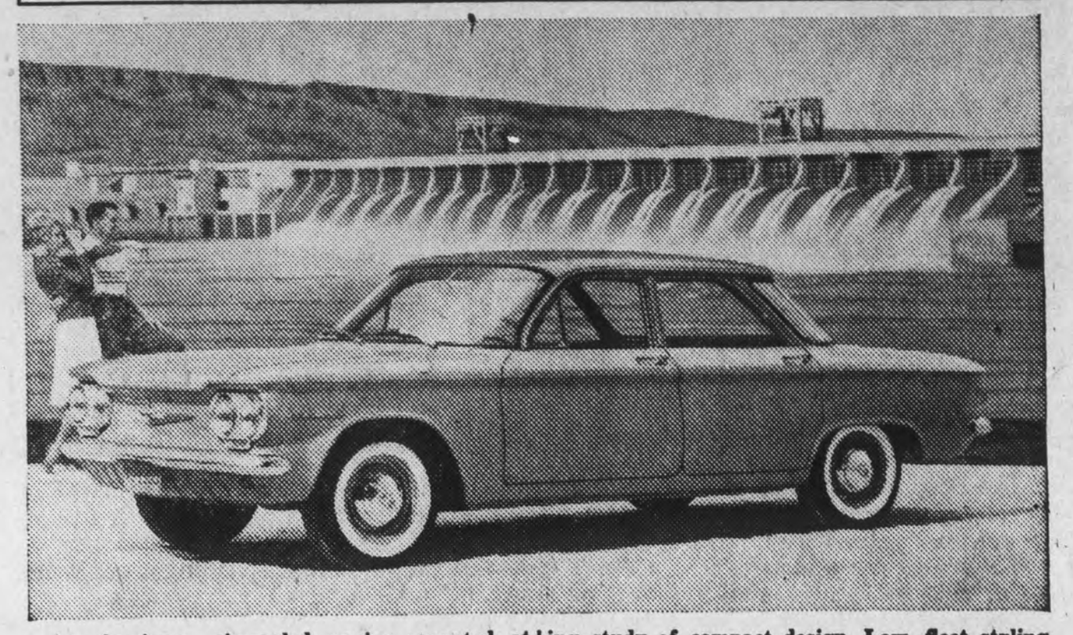

MONTEVALLO W. S. C. S.

The Woman's Society of Christian Service of the Montevallo Methodist Church will begin a study on Africa Oct. 6, at 7:30 p.m. in the Ladies' Parlor of the church.

This is an especially timely study, as Africa has recently been so much in the news. It is a continent which is rapidly changing and advancing, and this study will bring out the reason for and implications of these changes.

Crisp styling and air-cooled engine in

CHEVROLET'S COMPACT CORVAIR

An aluminum, air-cooled engine mounted at the rear is among a multitude of mechanical features Chevrolet has originated for its all-new Corvair. A car that seems small only when you park it, the Corvair boasts "big car" roominess and performance due to a long-term engineering study of compact design. Low, fleet styling in accord with American tastes, a unique suspension system and unitized body-frame construction are among other features in the six-passenger four-door sedan. All 1960 Chevrolet cars will be on display in dealer showrooms on October 2.

The Ford Falcon, first of America's new-size cars, represents a "breakthrough" in automotive design that may materially alter the future of the automobile industry. The Falcon Fordor shown here is more than two feet shorter and three-quarters of a ton lighter than a standard 1959 Ford. Yet, the Falcon is a six-passenger car, with interior roominess approximating that of standard models.

Founder's Day Program Features Dr. Caldwell

Dr. John Tyler Caldwell, sixth president of Alabama College, will be the principal speaker at this year's observance of Founders Day, October 12. Dr. Caldwell is now chancellor of the North Carolina State College at Raleigh.

Founders Day ceremonies are scheduled to begin at 10:00 a.m., with an all-student faculty convocation in Palmer Hall.

Another feature of the school's 63rd anniversary will be dedication and naming of the college's indoor-outdoor swimming pool. The pool will be named the Margaret McCall Pool in honor of Dr. Margaret McCall, who served as the chairman of the department of health, physical education and recreation from 1937 to 1958.

Dr. Caldwell will also deliver the dedicatory remarks at the ceremonies to be held at the pool. The swimming pool building was constructed and opened during Dr. Caldwell's administration as president of the college.

Spring Creek Church Will Ordain Minister

A special call meeting of the Presbytery of the Cumberland Presbyterian Church, Birmingham district, will meet with the Spring Creek congregation October 11. The purpose of the call is to ordain the present minister of the church, W. V. Bozeman, to the full gospel ministry, to form pastorial relationships with any church of the district, and to receive candidates and letters from ministers.

This will be the first ordination service that has been held in the present church building at Spring Creek. The officers of the church and the members extend an invitation to the public and urge all the friends of the church to attend.

Some eight ministers of the Birmingham Presbytery will take part in the service which will begin at 2:30. There will be a reception in the church basement with refreshments served following the service.

The Spring Creek Church is located on the Spring Creek Road, four miles from Montevallo and four and a half miles from Calera. The church has regular Sunday morning worship services at 11:00 and Sunday School with four classes at the present time, no night services at present, but hopes in the near future to install a full time program.

Homecoming Is Planned at Calera

Calera High School will observe its annual Homecoming, October 16 when the Calera Eagles meet Isabella on the gridiron.

Plans are being made for a parade on Friday afternoon, a reception for the old graduates at 6:30, and a dance following the ball game. Miss Homecoming will be crowned at the halftime of the game.

Mrs. Betty Giles of the Calera School faculty is serving as general chairman.

CALERA P.T.A. BUYS FILMS FOR SCHOOL

Calera P.T.A. presented the school a check this past week to purchase strip films for the Visual Education department.

The films selected will be in the fied of science and guidance, and can be used by the elementary, junior and senior high departments.

Mrs. A. M. Crawford, president of the P.T.A., in presenting this check stated that in the near future the P.T.A. would give to the school a total of $500 to be used to purchase library books and films strips.

Chamber Music Program Monday

The first Chamber Music Program of a series of five will be presented next Sunday, October 11, at 4:30 p.m., in Calkins Hall. The Chamber Music series, now in its fourth year, will be presented by students, faculty and outside performers. The professional Claremont Quartet will present the fourth concert in March.

The first program featuring music of the 17th century, will contain the following:

Sonata for 3 violins, Gabrieli; Jauchzet Gott, Alle Lande, Weiland (tenor, 2 violins and continuo); Musikalische Freuden Stucklein, Schopp (2 violins and continuo); Sonata No. 2, Pezel (Brass quintet); Quartet, Scarlatti (Flute, 2 violins and continuo).

Performers will include: Ed Cooper, tenor; Becky Martin, flute; Mavis Bridges, Rodney Baine, and John Gay, violins; Ruth Fraser, cello; Sara Jeter, harpsichord; Arthur Fraser, piano; Robert Hudson, Richard Bond, trumpets; Brad Wallace, horn; Arthur Garrett, Elson Hood, trombones.

Furniture Dealers Win Trip To Puerto Rico

Local winners in a Gibson Appliance Dealer Sales Contest were James Whaley of Whaley Furniture Co., Montevallo, and Sidney Bird of Bird Supply Co., Calera. They won an all expense paid seven day vacation trip for themselves and their wives to Puerto Rico with reservations at the beautiful La Concha Hotel.

At Birmingham Airport Mr. and Mrs. Whaley and Mr. and Mrs. Bird joined 88 other vacationers, winners from the Southern Division, and were flown by Eastern Air Lines to their destination. Their five day stay in Puerto Rico included a tour of the Island, entertainment at all the famous resort spots, and a flight by Caribar Air Line to the Virgin Islands for a day of sight seeing and fun in St. Thomas.

This was not a "first time" for Mr. Whaley, but by far his most enjoyable trip to the West Indies.

INA BRANHAM PLEDGES ALPHA OMICRON PI

Seventy-five new students at Birmingham-Southern College were pledged to membership in the six national social sororities during fall rush recently.

Among the new pledges is a student from Alabaster. She is Ina Branham, who pledged Alpha Omicron Pi.

Indigent Patient Care Planned at County Hospital

The program of assisting indigent patients at the Shelby Memorial Hospital has been placed in good hands. An appointing board composed of representatives from the County Board of Revenue and Control and the city councils of the two largest municipalities in the county has named Dr. John B. Walters, dean of Alabama College, L. D. Cole, Columbiana druggist, and F. H. Smith, Alabaster business man, to the Admissions Committee.

This committee will pass on requests of individuals for medical care who are unable to pay for the services extended by the hospital. Money to finance this program is provided by the County Board of Revenue and Control and the State Health Department. Regulations of the State Health Department provide that only the actual expenses of the hospital may be approved for payment by the committee.

The Admissions Committee will have $6500 available for the indigent patients program for the year beginning October 1, 1959.

TROOP 59 HAS GUEST SPEAKER

Troop 59 met at 7 p.m. Monday night at the Boy Scout Hut.

Six boys, one leader and one guest were present. After the meeting was called to order, Scoutmaster George Nix, introduced their guest speaker, Mr. Palmer, who is with the Physical Education Department at Alabama College.

Mr. Palmer's talk to the boys was on "Physical Fitness." This is one of the required badges for Boy Scouts, to acheive the rank of "Eagle Scout." He related some personal experences, and how a healthy person can ward off many more illness and pull out of things easier than a person who is not physically fit.

The boys, most impressed, and Mr. Nix wish to thank Mr. Palmer, for this most educational knowledge.

The meeting was adjourned at 8:30.

OFFICIAL PROCLAMATION

I, W. M. Wyatt, Mayor of Montevallo, Shelby County, Alabama, do hereby proclaim October 4th, 1959, through October 10, 1959, to be

National Business Women's Week.

This annual week, sponsored throughout the United States by the National Federation of Business Women's Clubs, Inc., is set aside to pay tribute to women in business and the professions, and the contribution they make to the nation.

The theme of 1959 "National Business Women's Week" is "A Right Turn to a Confident Future."
—W. M. Wyatt, Mayor.

THANKS TO FFA

I would like to express my gratitude to the FFA for extending to me the opportunity of participating in the Queen Bess contest during the Bessemer Corn Festival.—Brenda Bean.

CARD OF THANKS

I wish to thank my friends and relatives for the many acts of kindness shown me during my illness and confinement at Caraway Methodist Hospital. Thanks for the cards, flowers, visits and prayers. I want to especially thank Bro. Sizemore for his prayers and his interest shown me.—Mrs. Linnie Johnson.

Funeral Held For Miss Kennedy

Miss Dawn S. Kennedy, painter, writer, lecturer, and former head of the art department at Alabama College, died at her home in Seattle, Washington, Sunday, Oct. 4.

Miss Kennedy had been a member of the Alabama College faculty and head of the art department for 22 years before her retirement in 1956. She came to Montevallo in 1934.

While at Alabama College Miss Kennedy held membership and served officially in a number of professional and educational organizations.

The Kennedy Art Scholarship, named in her honor, is awarded each year at Alabama College to an outstanding art student. The Departmental Chairman, David C. Huntley, says the scholarship will now be re-named the Dawn S. Kennedy Memorial Scholarship.

"CHRIST FOR ME" WAS THEME AT CALERA SCHOOL

"Christ For Me" was the theme selected when Calera School observed Religious Emphasis week. Daily programs were held in the auditorium.

Rev. Herschel Sizemore, pastor of Calera Baptist Church, opened the week's observance Monday. He was introduced by Mary Gay.

Tuesday's speaker, Rev. Lewis Brasher, pastor of Jemison Baptist Church, was introduced by Larry Gay.

The subject, "How Can the Community, the School and the Church work more closely together", was discussed by a panel of parents, and students on Wednesday. Ricky Martin introduced the speakers, Mrs. Herschel Sizemore, Mrs. Roy Loftin, Mrs. A. M. Crawford, William Askins, Bobby Turnbloom, Linda Lee and Charlotte Anthony. Mr. Herschel Day of the Calera faculty served as moderator.

MOVIE FILM AVAILABLE

A 16mm movie film entitled "The Valley of Promise" is available for showing at club, school and group meetings throughout Shelby County during the month of October. The film, prepared by the Coosa - Alabama River Improvement Association, gives a very interesting story on the development that may occur in the Coosa-Alabama River basins when these streams are made navigable.

Interested persons who desire to show this film may contact C. M. Fowler, Columbiana.

BISHOP CARPENTER WILL HOLD MONTEVALLO SERVICE

Bishop C. C. J. Carpenter, Bishop of the Diocese of Alabama, will hold services at St. Andrews Episcopal Church, Montevallo, Sunday, October 11, at 11:00. There will be a coffee honoring the bishop at the Parrish House immediately after the service.

County Buys Property For Future Needs

Room for additional parking and for future building needs has been assured by action taken by the Shelby County Board of Revenue and Control last week. An additional 307 feet along Depot Street in Columbiana has been purchased by the county. This property is located west of and adjoining the courthouse parking area.

The property consists of three lots. The sellers residing on this property are Richard and Frances Gardner, B. M. Isbell and Reedy Davis. Under the sales agreement each family may continue in possession of their home for 12 months. A total consideration of $13,000 was paid for the property.

Judge C. M. Fowler, chairman of the board, stated, "The Board is pleased that negotiations extending over the past several months have resulted in this agreeable conclusion for both the county and those who have sold this property. The Board feels that this purchase will provide for all foreseeable needs of the county for the next 50 years."

Ricky Zucco Wins Science Prize

Ricky Zucco, a Jr. II at Montevallo High School, won a $50 grand prize in the Junior Science Division at Alabama State Fair this week. His project, "A Study of Fossils," also captured a $10 award, which was a first prize in the division of archaeology, anthropology, and geology.

Two other science students entered projects in the State Fair, both took awards. Entering a $3, third-prize winner was Karla Christiansen, whose project was "Colorful Colonies of Bacteria." Jimmy Crim Eber's study, "The Effect of a Tranquilizer on rats," won a $1, fifth-prize.

All three winners are members of the Junior Science Club at Montevallo High School. Miss Ethel Harris, science teacher, is sponsor of the club.

The Junior Division is a Special Achievement Division in Science at the Alabama State Fair. Projects are displayed on the second floor of the grandstand building.

"WOMANLESS WEDDING"

The W.S.C.S. of the Camp Branch Methodist Church will present a "Womanless Wedding" at Camp Branch School Saturday night, October 10th, at 7:30.

Admission: Adults 75c, children 25c. Ice cream and cake will be sold.

Montevallo

By Mrs. W. E. Montgomery Phone MO 5-7189

C. D. Galloway and Kenneth Oglesby are at home after 3 years in the armed forces. They enlisted together, served with the Third Medical Battalion, and finished a tour of duty in Germany without being separated until their return trip to the States. C. D. plans to re-enter college in January. Kenneth is eagerly awaiting the arrival of his German bride who is scheduled to arrive October 30.

A former well known Montevallo druggist, Billy Strong, from Mobile, spent two days here this week visiting old friends. Mr. Strong was first associated with his father, W. B. Strong, in a drug store in a frame building on the corner where the Times office is now located. Before that building was destroyed by fire, the W. B. Strong & Son Drug Co. had moved further up on Main Street. The business was sold to Mr. Will Reid in the early twenties. Since leaving Montevallo, Mr. Strong has been located in Montgomery, Brewton, and for several years in Mobile. We understand he can still be found behind the prescription window a couple of hours a day. While here some pleasant hours of reminiscing were enjoyed by Billy, Tommie Latham and other old friends. The trip included a visit with his brother, Harry Strong, in Birmingham.

Mrs. Andy Kochman was called home because of the illness of her mother, and for the past week she has been in Akron, Ohio, with her parents, Mr. and Mrs. Anderson.

Sunday guests of Mr. and Mrs. Charlie Boothe were Mr. and Mrs. J. W. Cassey and children of Bessemer.

Mrs. Cora Kendrick, 82, a resident of Pea Ridge community, was buried at Macedonia Sunday. She died in Artesia, New Mexico, at the home of her son, Melvin Kendrick. Surviving are 4 sons, Cyrus, Reedy, Watson and Melvin.

Van Smith, fireman apprentice, USN, son of Mrs. Ruby Smith of Montevallo, is serving aboard the destroyer USS John W. Thompson operating out of San Diego, Calif.

Friends of Mrs. Mamie Carleton and Mrs. Lovie Grill of Eddingstown are looking forward to attending their joint birthday celebration Thursday. This is an annual party and will be held at the home of Mrs. Carleton this year.

Mr. F. W. Rogan was moved from a Birmingham hospital to the new Shelby Memorial Hospital on last Friday. He is reported to be improving and happy to be nearer home.

The David Lindsay Chapter, Daughters of the American Revolution, will meet Monday, October 12, at 7:30 at the home of Mrs. A. W. Vaughan.

Bulldogs Blank Jemison, 13-0

Defeating Jemison 13-0 last Friday Montevallo moved one step nearer to reclaiming the Mid-State crown. This was the third Conference win for the Bulldogs against no losses.

The star of the night's show was Jack Battle, who beside doing his usual outstanding job in the line, turned "ball carrier." Finding the pigskin in his posession when he intercepted a Jemison pitchout, Battle raced 32 yards for Montevallo's second touchdown. A six-yard pass from Cooter Smitherman, quarterback, to Peter Givhan, end, was good for the Bulldogs' first score. Both touchdowns came within three minutes of halftime in the second quarter.

Taking a Panther kick on their own 20, the Bulldogs drove 80 yards for the initial counter. A pass from Smitherman to Bill Winslett put the Bulldogs twenty-four yards nearer the goal. Then Winslett, averaging four yards per carry three times, Smitherman added six yards and Hollingsworth four, to place the ball on the six. The Smitherman to Givhan pass finished off the drive.

On the first play after receiving Montevallo's kick, Northcutt attempted to pitch to Davis on his own 32. That's when Battle intervened and made like the fullback to the amazement and delight of Montevallo fans. Winslett went over for the extra point.

A WONDERFUL NEW WORLD OF FORDS FOR 1960

FINEST FORDS OF A LIFETIME

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but *three new lines* of Ford cars . . .

1. The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any *Point of View* worth more from every *Point of Value!*
2. The 1960 Falcon—The New-size Ford, the world's most *experienced* new car and the easiest car in the world to own!
3. The 1960 Thunderbird . . . The World's Most Wanted Car!

Now you can *see* them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hardtop model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on *regular* gas.

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only *begin* with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond Lustre Finish that never needs waxing . . . aluminized mufflers that normally last twice as long as conventional types . . . new, safer, Truck-Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

FORD DIVISION, Ford Motor Company

Introducing the New-Size Ford . . . the 1960 Ford Falcon

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for *six* big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to pass and climb like a "big" car . . . and built like *no* other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminized mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most *experienced* new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers *expect*. Its gearshift is on the steering column—*not on the floor*. Its engine is located *up front* for greater stability and safety. Best news of all is the Falcon's low, *low* price. See it at your Ford Dealer's . . . and see the *difference!*

THE FALCON FORDOR SEDAN the world's most experienced new car is the easiest car in the world to own!

THERE'S A GREAT TV SHOW FRIDAY NIGHT When the Bell Telephone Hour begins a new season of special hour-long programs. There'll be music, singing and dancing by such fine entertainers as the Kingston Trio, Red Nichols and his Five Pennies, Connee Boswell and Alfred Drake. And the 57-piece Bell Telephone Orchestra will be on hand. The show's in color, too, on NBC-TV. Remember, it's this Friday, October 9th, at 10 P.M., EST (9 P.M., CST). Check your newspaper for local time and station.

SPEAKING OF TELEVISION, many homes have a special kind of TV interference — the teenager telephone chats. The young people have a lot to talk about, what with all the school and social activities. Still, the rest of the family want to hear TV or radio, or maybe just have their own conversations. You can make the whole family happy by giving teenagers a bedroom extension phone. Then, they can chat in private and not bother anyone. Just call our Business Office and see how little an extention phone costs.

I SOMETIMES WONDER if folks realize what great work it takes to get out the newspapers that serve our communities. The papers are mighty important to all of us.

Newspaper folks are observing National Newspaper Week October 15-21 and Sigma Delta Chi, the professional journalism fraternity, is celebrating its 50th anniversary. Hats off to the journalists for doing a good job of keeping us informed. The better informed we are, the better our chances to keep our freedoms. A free press is one of the foundations of democracy.

new and different things

IN THE 1960 Chevy!

!new!

easy loading luggage compartment

New convenience has been built into Chevy's big, vacation-sized luggage compartment by lowering the loading height.

NEW

spaciousness inside

Inside you'll find room and more room. There's room to sprawl in, room to sit tall in—and the roofline has a respect for hats. A new flatter transmission tunnel is a boon to the middle man. Here is the kind of space that invites the family.

THRIFTIER

!!!new!!!

V8 POWER

Under the hood thrift is accented in a new standard V8, engineered to deliver up to 10% more miles for every gallon while giving you more zest at normal speeds. Or you might choose its teammate—Chevy's Hi-Thrift 6—the engine that starts saving the moment you flip the ignition switch.

NEW QUIET AND COMFORT

Thicker, newly designed body mounts insulate you from road shock and noise, insuring an almost cocoon-like quiet. Full Coil spring suspension melts bumps as no other suspension system can. Oil hushed hydraulic valve lifters reduce engine noise to a whisper.

!NEW!

refinements for the driver

Everybody will want to be the driver when he sees the kind of pleasure a turn at the wheel brings. The driver finds Chevy has further cushioned him from engine impulses by an improved clutch linkage system. He'll also find a convenient new parking brake that automatically returns to normal height after application.

Federal Money For Sewerage Plant

The Times-Herald was advised by wire Tuesday from Congressman Selden and Senators Hill and Sparkman that the Department of Health, Education and Welfare in Washington has approved a grant to the City of Montevallo of $81,197 to apply toward the construction of a sanitary sewerage disposal plant for the city. The plant is estimated to cost $272,659, the federal share of which will be $81,-197.

The City Council and Alabama College are working together to make the project a joint community improvement to take care of sewerage from the city and the college.

On the part of the city it is planned also to construct sewerage facilities in areas not now served by public sewerage. This part of the project can not participate in the federal aid nor in the cooperation of Alabama College.

Presbyterians To Observe Laymen's Sunday

The laymen of the Montevallo Presbyterian Church will conduct the morning worship service on October 18 at 11:00. This is in keeping with an interdenominational emphasis on the place of laymen within the Protestant churches.

Mr. Felix Lewis, a ruling elder in the church, has been placed in charge of planning the service. Others who will participate in the service include Mr. Frank Lightfoot, Mrs. Jim Mabry and Miss Flora Clark.

Everyone is invited to attend this service of worship and inspiration.

SHELBY STUDENTS AT MASSEY

Terry Largin, Jerry Mooney, and Norma Posey are among the 74 member freshman class at Massey this fall. Terry is majoring in junior accounting. Jerry is taking the clerical course, and Norma is taking the Junior secretarial course.

Teachers Hold English Offices

Mrs. Sarah Cairns, Montevallo, and James H. Mason, Helena, are members of the Alabama Council of Teachers of English for the Alabama Education Association which will hold a state-wide workshop at Howard College, Birmingham, Ala., October 31, from 9:00 a.m. until noon. The workshop is for elementary, junior high and senior high school English teachers. All teachers of language arts, speaking, writing, reading and listening on the elementary, junior high and senior high school levels are invited and urged to attend.

Bobby H. Henson Wins Scholarship

Bobby H. Henson, son of Mr. and Mrs. W. E. Henson, of Calera, aeronautical administration junior at Auburn has received a scholarship of $100 per quarter until he graduates. Mr. Henson is one of two students who were awarded scholarships from Delta Air Lines.

He received the scholarship because of his previous college and service records. He formerly was a naval flight instructor.

Retiring Soon? Pointers Given

Do you plan to retire soon? If so, Carl Dahm, district manager of the Birmingham Social Security Office, offers the following pointers on things you can do to assure that your first check will reach you on time.

First, inquire several months ahead to find out exactly what proofs you will be asked to submit so that you can be sure to have those necessary to establish your claim for payments.

Then, file your claim a month to six weeks before you actually retire.

These two steps might save considerable delay in the issuance of your first check, Dahm says. He points out that his office handles some 12,800 new applications for monthly benefits each year and therefore early filing is important to assure prompt initial payment.

Montevallo High Makes Big Plans For Annual Homecoming Celebration

Next week Montevallo High School will celebrate homecoming. The Student Council, which annually sponsors this event, announces big plans for the occasion.

Blast Off! Destination Moon, the theme of homecoming activities, indicates the high hopes for a successful celebration at the school.

With Calera as their homecoming foe the Bulldogs promise a real match on the gridiron Friday night. Montevallo fans can readily recall a 7-6 defeat at the hands of the Eagles on a similar occasion two years ago. Already this season Calera has defeated Vincent, Hayden, and Verbena.

A special treat is planned for returning alumni. Former football players who register at the high school next week will be given free tickets to the football game, and all alumni will be guests at the homecoming dance. This group will be entertained immediately after the ball game at an informal gathering in the high school.

The homecoming queen, yet to be announced, will make her first appearance as she leads Friday afternoon's parade at 2 o'clock. On the float with her will be two senior attendants and two junior maids, all chosen by popular vote of Montevallo's student Body. The Royal Court will again be presented by the band in a pre-game salute which begins at 7:15 on the football field.

Music for dancing in the auditorium, following the Montevallo-Calera match, will be furnished by the Bessemer High School Swing Band. Highlights of the dance will be the Queen's leadout and the coronation of this year's queen by last year's ruler, Tommie Mowery.

A pep rally featuring the cheerleaders and band starts the celebration Thursday night at 7 o'clock on the tennis courts behind the high school.

Over-all faculty chairman for homecoming is Mrs. Sara Cairns. She is assisted by students Janice Jones and Cissie Orr. B. W. Hamric is faculty sponsor of Student Council; Freddy Draper is president.

ATTENTION! FORMER FOOTBALL PLAYERS

All former Montevallo High School football players are invited to be guests of the school at the homecoming game, Montevallo vs. Calera, Friday, October 23.

In order to avoid confusion at the ticket booth, you are requested to come by the high school one day next week and pick up your ticket. You may register in the principal's office any day next week between 8:00 a.m. and 3:00 p.m., and secure your ticket at that time.

"A Dedication to Education" Is Subject Of Caldwell's Founders Day Speech

Is our educational system "good enough" to meet the challenge of Soviet competition? Who should go to college? Who should pay for higher education? What should be taught at the level of higher education? What should colleges attempt to do . . . and for whom?

These vital questions were the basis of the main address at Alabama College's Founders Day ceremonies, delivered by Dr. John T. Caldwell, president of Alabama College from 1947 to 1952, now chancellor of North Carolina State College, Raleigh, N. C.

Addressing students, faculty, returned graduates and friends who had gathered to observe the 63rd anniversary of the Montevallo institution's establishment, Caldwell entitled his address "A Dedication to Education."

Following the 10 a.m. Founders Day convocation Caldwell also delivered the dedicatory statement at the dedication of McCall Swimming Pool, the college's indoor-outdoor swimming pool. The swimming pool building is named in honor of the late Dr. Margaret McCall, former chairman of the health, physical education and recreation department at Alabama College.

At the ceremony dedicating the AC swimming pool in honor of the late Dr. Margaret McCall, Caldwell said nothing could be more fitting than that the pool be named after the former departmental chairman.

Dr. McCall was chairman of the health, physical education and recreation department of Alabama College from 1937 until her death in May. She was a member of the faculty throughout Dr. Caldwell's presidential administration at Montevallo.

Speaking from his own personal experience, Caldwell said her philosophy was "characterized culturally by conviction as to the worth of her profession. Her convictions produced a dedication, a perseverance in pursuit of objectives, an energy which was unflagging."

He noted that the building and pool named in her honor was constructed as a result of her own efforts and ambitions.

"Her skillful planning, attention to detail, and clear thinking resulted in a facility which contains more for the money expended than any other educational facility I have seen," he said.

Members of the late Dr. McCall's family received recognition during the dedication ceremonies. These included brothers Dr. E. L. McCall of St. Louis, Mo., and Crawford McCall, Anchorage, Alaska; cousin, Dr. Morrison McCall of the state department of education in Montgomery; nephews John, Kim and Robert McCall of St. Louis who unveiled the bronze plaque carrying the dedication inscription; and Mrs. E. L. McCall.

Dr. Phillips, president of Alabama College, presided at both the Founders Day ceremonies and the dedication service. Others appearing on the program were Nelson O. Fuler of Centreville, chairman of the Alabama College board of trustees executive committee, and David Kaylor, minister of Montevallo Presbyterian Church.

KINDERGARTEN CLASS VISITS ZOO

The Kindergarten Class with their teacher, Mrs. Gayle Pinckard of Calera, visited the zoo at Lane Park in Birmingham last Wednesday. After a tour of the zoo and riding the train, the class enjoyed a picnic lunch.

Those making the trip were Gregory Warren, Jack Kiriakos, Nena Frost, Billy and Kathy Blackerby, Wanda Jones, Helen Wright. Tim Jones, Gayle Reece, Butch Bird, Gayle Mitchell and Nevis Jane Glass.

Mothers of the children accompanying them were Mrs. Reece, Mrs. Mitchell, Mrs. Warren, Mrs. Kiriakos, Mrs. Jones, and Mrs. Wright.

REVIVAL SERVICES

The Concord Baptist Church at Dargin will begin a revival Monday, Oct. 19, through 25.

Rev. Homer Davis will be evangelist and Frank Sims, singer. Services each day at 10:30 a.m. and 7:00 p.m. Everyone is invited to attend.

Calera Post Office Building Bid Is Accepted

Postmaster General Arthur E. Summerfield has announced that a bid has been accepted to lease quarters for the post office at Calera, Alabama, from R. P. Henderson & Son, Pell City, Alabama.

A new brick building containing approximately 2,183 square feet of space will be erected according to the plans and specifications of the Post Office Department on Montgomery Avenue (U.S. Highway 31), Calera.

The new building will be occupied under a ten-year lease term beginning January 1, 1960. It will be provided with modern fluorescent lighting and will be completely air conditioned. The lobby will be divided so that the patrons of the office will have access to their boxes after the office is closed. The Post Office Department will provide the newest and most modern equipment for the service windows and the boxes.

The erection of this building is another step in the program of the Post Office Department to provide better working conditions for the employees of the Post Office and to provide better service to the patrons of the office in a building of which the citizens of Calera can be proud.

OLD AGE PENSION MEETING

The North Alabama Old Age Pension Association is holding an old age pension meeting in the court room at the court house in Columbiana Saturday, October 24, at 10 a.m. Several outstanding speakers will be there to discuss the Old Age Pension Program and outlook for legislation pending for the old folks of our state. This is a vitally important meeting.

"Miss Homecoming," Parade, Game, Are Friday Features at Calera School

Miss Homecoming 1959 will be crowned Friday night at the halftime festivities of the Calera High School-Isabella football game.

A great deal of interest has been shown by the junior and senior high school classes in the selection of Miss Homecoming. The contest will close Friday at 12 o'clock and the identity of the winner will be announced at 1 o'clock.

Candidates for Miss Homecoming are Nancy Askins, seventh grade; Jo Ann Franks, eighth grade; Glenda Murray, ninth grade; Carolyn Cook, tenth grade; Barbara Battle, eleventh grade; Linda Lee, twelfth grade.

Other features of the homecoming observance will be a parade through the streets of Calera at 1:00 o'clock and a dance which will follow the football game. A bonfire and pep rally will be held Thursday evening at 6 o'clock on the athletic field.

A reception honoring graduates and former students of Calera High School will be held in the school library from 6:30 to 7:30 p.m. Friday.

An annual affair, the reception will be held just before the homecoming football game between Calera and Isabella.

Judge L. E. Shaw Opposes Legislative Plans To Create A New Court For Shelby County

TO THE CITIZENS OF
SHELBY COUNTY:

A local act has been advertised that will make a radical change in the system of courts in Shelby County. Under the act the people will be inconvenienced, law enforcement officials will find their jobs made more difficult, those who are defendants in the new court would find that they pay considerably more court cost and many matters now being handled on the beat or precinct level could only be disposed of by traveling to Columbiana. This bill would take from the people their right to a hearing in their own beat and require the parties and witnesses to journey to Columbiana for all misdemeanor court hearings. The bill would change the office and duties of our Probate Judge. Perhaps worse than these things is the fact that the people of Shelby County will not get to vote on whether they favor this radical change or not.

The people will be inconvenienced by this centralizing of courts in Columbiana. To appear in this court the people will have to travel farther, and because of this, many parties and witnesses will have to miss a day's work to attend this court. Under this bill, I believe that within four years there will be few if any Justice Courts in Shelby County. If this proves correct, then those who wish to have warrants issued for the protection of life or property will have to go to Columbiana for this service—further inconvenience.

If the Justices of the Peace, having been stripped of their official duties by the terms of this act, decline to serve, then officers of the law could not get search warrants or warrants of arrest except in Columbiana. Officers who arrest out of state tourists for traffic violations will have to leave their post of duty and take the defendant to Columbiana where he can appear before the judge. Yes—the task of our officers will be more difficult and expensive.

Defendants will find that in many cases they will be charged a $10.00 Solicitor's fee and a $3 or $4 trial tax before they begin paying the officers' fees, the clerks' fees and fine. They do not now pay a Solicitor's fee for a trial tax in a Justice Court.

Since the new court will meet in Columbiana on days set by the judge, parties and witnesses will find that they will be put to missing days of work more often in attending court. Witnesses will be paid a fee and mileage for their attendance. Since they will have to travel farther to attend court, another item of court cost is increased. Yes, the proposed new court will cost our citizens more.

Expense of operating the new court would cost at least $8,000 per year or more. Will it increase the revenue now being brought in by our courts by this amount so as to pay its own way? I doubt it very much.

If you agree with me that this is a bad bill for Shelby County, or if you agree with me that the people of Shelby County should have the right to vote on such a radical change in our courts, please write or call our Representative in Columbiana and tell him what you think. Write also to your State Senator, Mr. Joe Graham, at Maplesville.

I have been a Justice of the Peace since the Honorable Bill Brandon was Governor of Alabama. My statement to you is based on the knowledge and experience I have gained in almost 30 years of serving the public in west Shelby County.

L. E. SHAW
Montevallo, Alabama

Card of Thanks

We desire to express to our kind neighbors and thoughtful friends our heartfelt thanks for their expressions of sympathy. The beautiful floral offerings were especially appreciated, also the food.

We are especially grateful to the Rev. Thomas Cox and the Rev. C. B. McGee for their comforting words in the death of our beloved daughter and sister. May God bless each of you.—Mr. and Mrs. J. W. Holdsambeck and children.

FUNERAL SERVICES HELD FOR BONNIE JEAN HOLSAMBECK

Funeral services for Bonnie Jean Holdsambeck of Aldrich, who passed away in a Tuscaloosa hospital on Monday, Oct. 5, were held at the Aldrich Baptist Church on Wednesday, Oct. 7, at 2:30 p.m. The Rev. Thomas Cox, assisted by the Rev. C. B. McGee, officiated. Interment was in Montevallo Cemetery, Jack Lee Funeral Home of Centreville in charge.

Bonnie Jean was a native of Shelby County, born Oct. 1, 1922, the daughter of Mr. and Mrs. J. W. Holdsambeck. She attended Montevallo Elementary School and graduated from Montevallo High Schoo in 1941.

She was a welder in a Mobile shipyard during World War II. Later she was an operator for Southern Bell Telephone Co. She was a member of Aldrich Baptist Church. The many friends who attended and the beautiful floral designs indicated the admiration of the many people for the deceased.

She is survived by her parents, of Aldrich; two sisters, Mrs. T. N. Freeman of Bessemer and Mrs. J. D. Beane of Montevallo; three brothers, Grady of Ft. Mill, S. C., Coy of Aldrich, and Burl of Chicago, Ill.; two nieces and three nephews.

Pallbearers were Clement Nichols, Paul Crenshaw, Earnest Hall, J. C. Draper, Robert Pickett, and David Lucas.

Electric WATER HEATERS

Look Good Anywhere

Electric water heaters are clean because they require no vent or chimney and the heating elements are completely sealed.

Only electric heaters can be placed anywhere, often in space that would otherwise be wasted.

Round, square, counter-top or tall models can be installed in closets, pantries, alcoves, utility rooms or basement. Counter-top models provide extra work space in kitchens and laundry.

Montevallo Romps Over Verbena

Three plays after they got their hands on the ball the Bulldogs were across with the first of seven touchdowns scored in the 46-7 rout of Verbena here last week. This win was the fourth conference victory for Montevallo and the first time for the Bulldogs to defeat the Red Devils.

All who witnessed the game were aware of the tremendous team effort of the Bulldogs as they removed would-be interference for eigth runs for Donny Davis, night's top ground gainer, to average 17.6 yards per try. Further evidence of the kind of magnificient blocking received by Montevallo's ball carriers was an 81-yard run by Ruben Hayes, who had a 16.1 average for seven carries. Danny Thornton, center, also saw his teammates provide plenty running room when he picked up a Verbena fumble on the 15 and would have gone all the way but stepped out of bounds on the 20.

Here's a rundown on the scoring.

Winslett's opening kick set Verbena in action on their own 10. But the Red Devils were unable to "act" effectively, and with the ball on his 33 Scarbrough kicked. Davis caught the ball on Montevallo's 35 and appeared to be headed for the money stripe before being brought down on Verbena's 35. Three plays later he crossed from 19 yards out. The slight but rugged left half scored Montevallo's second touchdown, also, going 10 yards in the final TD effort. Winslett added the PAT.

Freddy Draper, captain and all-conference guard, covered the ball for Montevallo when Peter Givhan blocked the Red Devils' kick on their own 25. This put the Bulldogs in scoring position a third time in the first quarter. It was Davis again carrying the mail. This time he went off right tackle for the distance. Winslett got the extra point again.

Thornton's 65-yard gallop set up the Bulldogs' fourth score. With 20 yards between him and the goal, Winslett skirted left end and got the yardage in one try.

Halftime score was 26-0.

Hayes scored from seven yards out after the Bulldogs moved the second-half kickoff 59 yards. Smitherman passed to Givhan for the extra point.

Charles Hollingsworth ran the point after when Hayes' 81-yard dash produced the sixth touchdown.

In the final quarter, Albert Scott recovered a Verbena fumble on the Red Devils' 45. From there Underwood, Davis, and Hollingsworth took turns to put the ball on the one-yard line. Hollingsworth got the last yard and the score, and Hayes ran the point.

Verbena's touchdown came near the end of the game. Richard Davis, who only one quarter earlier had been carried from the field, passed to Earl Griffin 22 yards then Pierce ran 35 yards to score.

This week the Bulldogs have a giant-sized task on hand as they travel to Columbiana to meet the Wildcats. Last week this Shelby County foe manhandled Clanton for a 33-6 count. The Wildcats' only loss this season was a 20-13 defeat by Thompson.

The Prentice High School Student Council, under the able leadership of Mrs. B. M. Coger and Earnest Colvin, has gotten off to its usual good start for the school year of 1959-60.

This organization is one of service and it is in this spirit that the council seeks to aid in the total program of the school.

Among the many services rendered by the Student Council are (1) hall monitors during the school day to keep traffic moving orderly; (2) initiation of the hall pass system to bring about less student loitering in the hall; (3) supervised trash disposal.

We emphasized school cleanliness by designating the week of October 5 as "Let's Clean Up Our School Week".

Our officers are: President, Walter Yarbrough; secretary, Pearlene Cahill; treasurer, Sadie Threatt.

A campaign which is anxiously awaited by the students of Prentice High School will soon be under way. This is the election of officers for this school year. The following have tossed their hats into the ring: For president, Robert Poe, Thomas Young, Willie Harris; for secretahy, Catherine Alexander, Earnestine Tranholm; for treasurer, Dorothy Davis, Fannie Brantley.

Wednesday, Oct. 21, the Student Council is giving a pre-Hallowe'en party at the school gymnasium. There will be a floor show featuring the top talent of the school. All this and more for only 25c a couple and 15c single. Come and make this party a huge success.

Mr. and Mrs. Nazareth Thomas of Los Angeles are visiting his mother, Mrs. Hattie Thomas. The Thomas family, the Hobart Harris family and Miss Mittie Mae King visited in Docena, Ensley, Edgewater and Birmingham Monday.

Saturday night Mr. and Mrs. L. L. Penn, Mr. and Mrs. Taft Hill, Mr. and Mrs. David Nunn and O. D. Fluker saw Sigma Gamma Rho presentation of "Rhomania in Mother Goose Land" at Parker High School. Players included Audrey Denise Hill as Mistress Mary; David Wayne Nunn as Jack-Be-Nimble; Wilbur Kenneth Penn as Little Boy Blue; and Vanzetta Penn doing a ballet dance.

Miss Geraldine Pope of Columbiana visited the Prentice family Sunday.

Mrs. Alice Thrift was hostess to her Christmas Saving Club Thursday night.

Mrs. Albert Jones Jr. was hostess to her club Sunday afternoon.

Ward Chapel AME Church is preparing for annual conference, which will be held in Opelika the week following the third Sunday in October.

Mrs. Ida Mae Young returned from a trip to Atlanta to visit her daughter, Mrs. Vera Bullard and her little grandson, Tyrone Fernando.

Mrs. Mary Smitherman, Reporter

The Five Aces Christmas Saving Club met at the home of Mr. and Mrs. Frank Cardwell Sunday afternoon. Mrs. Minnie Thrift is the president; Mrs. Pearlie Cardwell, secretary; Mrs. Cornelius DuBose, treasurer; and Mrs. Rennie Nicks and Mrs. Betty Agee, members.

Mrs. Nettie Dukes, Akron, Ohio, is visiting her parents, Mr. and Mrs. John DuBose.

Michael Nelson had a birthday party for his third birthday last Sunday afternoon at the home of his mother, Mrs. Magnolia Nelson and grandparents, Mr. and Mrs. John DuBose.

The following persons went to Oak Grove Baptist Church, Bessemer, to the 15th anniversary celebration of Rev. F. H. Jones: Mr. and Mrs. A. H. Frierson, Mr. and Mrs. A. A. Nicks, Mr. and Mrs. Eugene Melton, Mrs. Nettie DuBose and K. York.

Last Friday at Almont Elementary School the 5th and 6th grades, under the direction of Mrs. E. E. Massey, presented the assembly program. It was divided into three parts. The first part was centered around fire prevention; the second part was the recognition of the month of October in the presentation of "Autumn Leaves"; the third part was a type of creative dance, "The Virginia Reel" and a phase of rock and roll.

TROOP 59 TAKE ON PROJECT

Boy Scouts from Troop 59 will be calling on each of you to buy Christmas cards, gift wrapping paper, etc., in the next few weeks. Wont you help your Boy Scout Troop by buying from them, so they can get much needed equipment?

Commerce Group Holds Meeting

The Montevallo Chamber of Commerce met at City Hall for the regular monthly meeting last Thursday evening. Mr. John G. Graham was a special guest and he told of the operations at Montevallo Lime Co. and of the proposed expansion of this and other industrial operations. M. S. McGehee reported that some industrial interests had expressed interest in locating in Montevallo but nothing definite could be reported at this time.

Mr. A. C. Folsom gave a report on the grading being done in certain areas of the college campus in order to provide parking space. Ralph Sears reported on the Chamber of Commerce promotional program which is being sponsored by the chamber through station WBYE. He reported that 18 chamber members were now participating in the program.

Mr. R. E. Whaley made a motion which was seconded and passed directing the secretary to write to the Mayor and Council requesting immediate action toward getting the project in operation having to do with widening Main Street and the street south by the Baptist Church.

Other items of interest were discussed as M. S. McGehee presided in the absence of the president, Don H. Lovelady.

The Montevallo Chamber of Commerce now has over 50 members and it is expected that even a larger membership will be listed next year. Jack Sims, chairman of the Christmas lighting committee, is going forward with plans for more extensive lighting for the holiday season this year.

F. F. A. News

George White of Chilton County and Ed Siebert of Cullman County, both seniors in agricultural education at Auburn, are doing a six-weeks period of apprentice teaching in the vocational agriculture department at Montevallo. The student teachers began their practice period on the 12th of October and will continue until Thanksgiving.

* * *

Bud Lucas and Bobby Jones have been in Kansas City this week attending the National F.F.A. convention as representatives of the Montevallo chapter. Approximately 50 other F.F.A.'s, advisers, and supervisors made up the Alabama delegation.

* * *

Sixty F.F.A. members enjoyed a day at the State Fair last Wednesday at which time they studied the various exhibits and livestock on display.

* * *

Several members continue to harvest pine cones which are being sold to Coosa River Newsprint Co. at $1.75 per bushel. The boys have already sold near 100 bushels and have received approximately $350.00 for the cones. H. B. Starks, forester for Coosa River Newsprint Co., is purchasing the cones.

* * *

As part of the program to improve the reading and study of adults and students in our community as well as help the chapter fund, several members of F.F.A. have been taking newspaper and magazine subscriptions. The boys are also selling subscriptions which will also give each sales person and the chapter part of the funds from the magazine sales campaign.

Mr. H. T. Pruitt, teacher trainer at Auburn, will be a visitor to the Montevallo agriculture department sometime during the month of October.

W S C S CIRCLE FOUR

Circle Four of the WSCS met on Tuesday at the home of Mrs. Ray Birdsong. Ten members attended. Mrs. L. C. Parnell gave an interesting program on the United Nations. The meeting was adjourned with the watchword.

Local Power Company Employees

Attend Reunion

Three Alabama Power Company employees from this district—G. N. Lagrone, district superintendent, Montevallo; J. F. Thompson, local manager, Columbiana; and J. W. Price, local manager, Centreville—were among a group of about 800 attending the reunion of Old-Timers at Martin Dam last Friday. The reunion is held for all employees who have been with the company 25 years or have had 25 years of service prior to retirement.

Mr. Edward Creel of Huntsville visited his sister, Mrs. Lura Mae Cannady and family Monday night.

SCOGGINS-HAYNES

Miss Bennie Ann Scoggins of Calera and Mr. Donald R. Haynes of Ashland were married Oct. 3 at Hunter Street Baptist Church in Birmingham. Relatives attended the ceremony. The couple are at home in the apartment of Mr. and Mrs. Henry George in Calera.

NOTE OF THANKS

I wish to thank members of the Sr. III class and the Hi-Y Club of M.H.S., the Mayberry and Macedonia Churches, relatives and friends for the flowers, gifts, visits and cards received during my recent stay in the hospital.—Talmon Hill.

W S C S CIRCLE THREE

Circle Three of the Montevallo WSCS met at the home of Mrs. Howard Phillips Tuesday. Thirteen members and 5 visitors were present. An interesting program on the United Nations was given.

BOY SCOUT NEWS NOTES

Troop 59 met Monday night at the Hut. One leader and 5 boys were present. The boys were urged to work on their badges and ranks.

Boy Scouts of Montevallo and Pea Ridge will sell donuts Saturday at the Alabama Power Co.

Troop 59 will take orders for Christmas cards. They will appreciate your help in buying cards.

Mr. and Mrs. Clarence Swann of Pea Ridge and Mrs. Durene Herron of Calera are visiting Mrs. R. C. Parsons and family this week in Mobile. Mrs. Parsons is the daughter of Mr. and Mrs. Swann.

We are glad to have with us Margaret Holliday, who has appeared on the faculty of the Chicago National Dance Association. Her instructors have just returned from New York, bringing the newest materials. They studied under most outstanding teachers there.

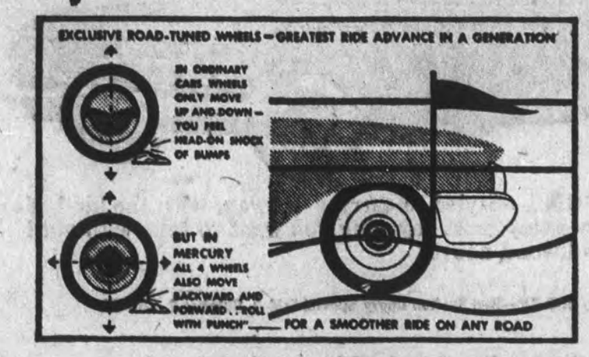

Prices importantly reduced on *all* Mercury models! Popular Monterey* now $136.50 lower. Now you can own a new Mercury for a very few cents a day more than a car with a low-price name.

* Comparison based on manufacturer's suggested delivered price for a Monterey 2-door sedan, 1960 v. 1959. Includes Federal excise tax and suggested dealer preparation and handling charges.

You'll be glad you bought a Mercury every time . . .

Why pay a medium-range price for a car with a low-price name? For this year, Mercury is in a new lower-price range. You'll be glad you didn't settle for less . . .

. . . every time you look at its Sleek-Line styling.

Every line is clean, trim. All excess metal has been pared away, shaped smooth. There's no unnecessary bulk. Just elegant simplicity.

. . . every time you feel its exclusive Road-Tuned ride.

Mercury's Road-Tuned wheels (see left) take bounce out of bumps. This ability of each wheel to "roll with the punch" is one of the most important ride advances in years . . . another reason why you'll be glad you bought Mercury . . .

. . . every time someone sits in the middle.

There's real comfort for 6 people, not just 4. Full head room, hip room, foot room for all.

. . . every time you see other new cars.

You'll discover that Mercury has the freshest styling—no warmed-over '59 design as in many so-called 1960 cars. You'll find that Mercury has the newest features—de luxe interiors on even the lowest-priced model, at no extra cost. And you'll appreciate the extra quality—the kind that cuts repair bills. For Mercury is the best-built car in America today. Don't miss the first showing.

P&T Big Saver To Have New Store

In keeping with the progress and growth of the County and his Community of Alabaster, Mr. J. H. Deham wishes to announce that in the very near future he will move his P & T Big Saver Market No. 1 into a new and larger building located on the Alabaster-Siluria Road just off Highway 31 in Alabaster.

Mr Denham has been in business in Alabaster for 20 years and in Shelby County for over 35 years. He is pleased that his son-in-law, Mr. James S. Gould, has been associated with him in the grocery business for the past two years and will continue to be a valued member of the business after the move and expansion.

The move and expansion will see P & T Big Saver Market in Alabaster go to all self-service, but Mr. Denham and Mr. Gould want to assure all their friends and customers that the personal touch will still be available to all who wish it.

In the new building there will be 72 feet of self-service produce case with 48 feet refrigerated and 24 feet dry, 72 feet of frozen food case, 60 feet of self-service meat case, 36 feet of four deck self-service dairy case, 20 feet of ice cream case, approximately 2600 linear feet of adjustable steel shelving with departmental lighting fixtures to show location of merchandise for ease of shopping. Large capacity latest type ball bearing wheeled shopping carts and carry-out carts for convenience of shoppers, five check-outs for ease of shoppers. Cutting room for self-service operation 12 feet by 26 feet with automatic scales and latest meat grinding, cubing and slicing equipment for speedy handling of pre-packaged meats. Cutting room cooled to 60 degrees for keeping meats cool while packaging.

Paved, well lighted, large spaced parking area for comfortable parking while shopping. All merchandise to be received in modern conveyors and handling equipment to reduce cost of sales with savings to be passed on to customers.

All shopping area has been designed for convenience having wide-spaced aisles. Lighting to be the ultimate in offering the customer modern shopping. Store to be comfortably cooled and heated for the year round air-conditioning.

Watch this paper and listen to your local radio station for the announcement of the exact openind date and grand sale.

All self-service cases will be in pastel colors to blend with color of walls and tile floors.

GLASS 50TH ANNIVERSARY

Friends of Mr. and Mrs. Carl Glass of Calera Route 1 will honor them Sunday, October 18th from 2 till 4 with open house, celebrating their 50th anniversary.

Everyone has a special invitation to attend.

Soil Conservation "Doings"

Lawrence and J. C. Garrett are planting 50 acres of bahia grass, oats and crimson clover.

Dugout stock ponds will soon be made on the E. H. Till, Dudley McGuire and O. C. Waldrop farms, and work will start soon on an ACP stream bank clearing and a straightening project on the Joe Raines farm.

Backlog of requested technical assistance is still heavy, but the recent appointment of Bill Dean, Columbiana dairyman as "aid" will facilitate this work. Dean, a former school teacher, is associated with his brother, in operating the dairy farm they purchased recently from H. C. Pantor, a district cooperator for many years.

Bill Lawler Buys Angus Cattle

W. L. Lawler, Jr., Montevallo, recently purchased three Aberdeen Angus cows and a registered Angus bull from Mr. and Mrs. J. H. Edwards, of Brierfield.

JULIA GUNN SUNDAY SCHOOL CLASS MEETS

The Julia Gunn Sunday School Class of Calera Methodist Church met Monday afternoon at 3 o'clock at the home of Mrs. Jack Ozley for their regular monthly meeting.

The devotional was given by the president of the class, Mrs. W. V. Veasey.

New officers were elected for the coming year. They are Mrs. W. V. Veasey, president; Mrs. H. C. Baker, vice president; Mrs. R. L. Holcombe, treasurer; and Mrs. J. R. Edwards, teacher.

Seven members were present and the next meeting will be held the first Monday in November at the home of Mrs. R. L. Holcombe.

Chicken salad, crackers, iced tea, and cookies were served by the hostess.

Mrs. Johnny Pointer and Mrs. H. L. Walton of Birmingham were dinner guests of Mr. and Mrs. R. E. Weldon last week.

Presenting the completely new

CHRYSLER 1960

The car of your life for the time of your life!

There have never been so many new advances . . . in any single year . . . as there are in the new Chrysler for 1960.

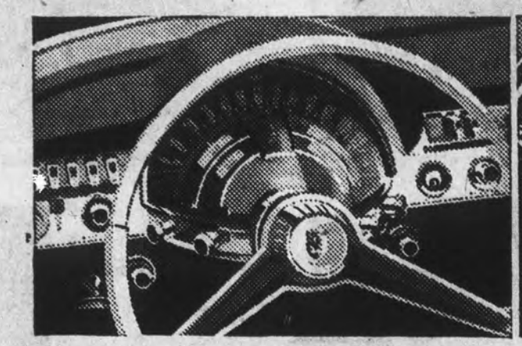

New Ideas in Styling. Bold, strong grille. Graceful rear deck. Clean lines sheathed in Lustre-Bond . . . the hardest automotive finish known.

New Ideas in Convenience. Chrysler offers *automatic* Swivel Seats . . . pushbutton controls. Three-dimensional AstraDome houses instruments.

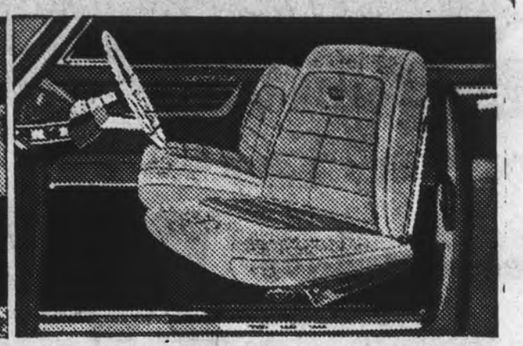

New Ideas in Comfort. The driver's seat has been raised . . . padded with extra foam rubber. There's more leg, knee, hip and head room.

New Ideas in Reliability. Body and frame are built as a single, rattle-free Unibody. Stronger, quieter, roomier. A new dipping process locks rust out of vital areas.

Get touching close to this new Chrysler soon. Compare its fresh beauty with other cars. See how Chrysler has actually built in *more* room while other cars continue to be cramped. Then take it out on the road and have the time of your life!

New AstraDome Control Center. Three-dimensional dome projects instruments toward the driver . . . makes them easy to read. At night, new Panelescent lighting gives reflection-free illumination.

This new Swivel Seat is Automatic. Open the door and the seat swings out to greet you *automatically!* When you leave the car it *automatically* swings inside. Chrysler's High-Tower seat adds driver comfort.

This is Chrysler's greatest . . . *lion-hearted*

Lauderdale To Direct '60 County March of Dimes

Dr. E. P. Lauderdale, Montevallo, has been appointed Shelby County Director for the 1960 March of Dimes. It was announced today by Dr. Frank Rose and Mr. Thomas Parker State Campaign Co-chairmen. The drive will be held during the month of January.

The polio fighting organization is expanding into a broad new force that will tackle health problems on a wider front and no longer will confine its activities to a single disease.

"I am confident that the people of Shelby County who helped make possible victory over polio through their contributions to the March of Dimes over the past 20 years, will give even greater support to the National Foundation's expanded program in the future", the county director said.

"We would like to make it clear, as we begin preparations for the 1960 March of Dimes, that the National Foundation will not abandon polio patients", Dr. Lauderdale declared. "We have a moral obligation to the patients of this county to continue to provide needed care and rehabilitation and we will fulfill this obligation."

This year Alabama had eight times more polio cases by the end of September than the entire total for 1958. The state also ranked second in the nation in number of cases per population count.

Dr. Lauderdale stressed that while solution of the problem of arthritis and birth defects are the immediate new goals of the March of Dimes, the organization also will follow leads as they develop in the fields of virus research and studies of the central nervous system. Polio experience has demonstrated that basic research cannot effectively be limited to single disease categories.

"The National Foundation, already conducting the largest research, patient aid and professional education programs of any voluntary health agency, will now be an organized medical force with specific goals at first but flexible enough to meet new health problems as needed.

Arthritis and birth defects were chosen as initial targets because they are regarded as major threats to the nation's health to which the experience and skills gained in the polio fight can be applied," he said.

With the research efforts of the March of Dimes intensified in the new areas, Dr Lauderdale said, there is real hope that the cause and prevention of the most severe forms of arthritis and of the major disabling birth defects can be found. He also announced that some time in the near future, the benefits of March of Dimes and for care and rehabilitation will be made avaiable to victims through age 18 of arthritis and birth defects involving the central nervous system.

Safety Patrol Names Captains

Joe Busby and Wayne Murphy have been appointed to serve as captains of the Calera School Safety Patrol. They are in the 6th grade and have served on the patrol for two years.

The patrol, organized about 4 years ago, is composed of boys of the upper elementary and junior high school.

Community Chest Drive Planned

Plans are being made for the annual Montevallo Community Chest Drive to get underway in the near future. Earl McGaughy is the chairman of the drive. Workers are being organized to call on all households in this and surrounding communities.

The Chest budget for 1959-60, based on indicated needs of the various local agencies is as follows:

Welfare: Food and clothing $215; Montevallo white school lunches $498.52; Almont school milk $187.68 and Prentice High School lunches $298.80; total welfare $1200.00.

Girl Scouts $275; Boy Scouts $275; Montevallo schools $400; Almont school $171; Prentice High School $202.90; operation expenses $30.22; total disbursements will be $2,554.12.

Disbursements for 1958-59, shown by Community Chest Chairman, Mrs. T. E. Watson, in her report to the Chest Board were:

Girl Scouts $275; Boy Scouts $275; Almont school $100; Prentice High School $100; Montevallo High and Elementary Schools $400; welfare program $1200; operation expenses $50; total $2,400.00

Local citizens are urged to give generously to this worthy cause. If a solicitor fails to contact you, please take your contribution to S. M. Mahan, Community Chest Treasurer, at the barber shop.

Jeter Mercantile Joins Big Star

Jeter Mercantile Company, one of Montevallo's oldest businesses, has joined the "Big Star" stores.

The Jeter Building, located on Main Street, has been renovated, redecorated and rearranged and new equipment installed.

Jeter's was established in Montevallo almost 60 years ago by the late M. P. Jeter. It is now operated by M. P. Jeter, Jr., better known as "Pep". The store will celebrate its 60th anniversary in January.

Other Big Star Stores in this area are Spears in Alabaster and Lawrence in Calera.

Calera P. T. A. Plans Carnival

If you enjoy clean fun and entertainment, you will enjoy this year's carnival at Calera High School.

Beginning at 5:30 in the lunch room, you can eat hamburgers, hot dogs, cake and pie; also drink coffee and hot chocolate. Then upstairs at 6:30 the fun begins. It will be a wheel of fortune, house of horrors, fortune teller and cake walk. There will be a fish pond, a dart game, and you will be able to buy candied apples, pop corn, peanuts, cakes and candy.

The high school grades will participate in other games for the children and will be responsible for their safety.

Help your school and community by attending.

Calera School Lighting Improved

Lighting of the commercial department of Calera High School is greatly improved by the installation of four flourescent units.

This was made possible by a cash gift from the 1959 senior class. W. F. Akridge was the sponsor.

The lights were installed by Eugene Carter and Paul Nickerson, members of the 1960 class.

ATTENTION, MHS ALUMNI

Welcome, alumni!

All Montevallo alumni are invited to attend an informal reception in Room 5 of the high school immediately following the ballgame Friday night.

A special attempt is being made this year to get as many alumni as possible to return for homecoming. Do come by and greet your former teachers, exchange news with former classmates, and visit your school. As you register you will be given a free ticket to the homecoming dance.

Our doors are open! Welcome!

It's Homecoming at Montevallo Friday

Two pep rallies, a parade, two band shows, a football game, an informal reception, and a dance are included in the plans for Montevallo High School's homecoming celebration this week end.

Cheerleaders Janice Jones, Doris Jones, Linda Hill, Phyllis Kyser, and Janice Waters announce a pep rally for Thursday night at 7:00 as the first event of the homecoming activities. The rally will be held on the tennis courts back of the high school and will feature music by the band.

All homerooms have planned floats, many cars are being decorated, and clowns will be on hand when the school parades through town Friday. The procession, which leaves the high school at 2:15, will march through Montevallo and halt in the middle of Main Street for a second pep rally. M. Thornton, agriculture teacher, will be master of ceremonies for this activity, which will feature short talks by Coaches Theron Fisher, Charles Martin, and W. C. Corbett. Music will be furnished by the high school band, under the direction of Victor T. Young.

In a pre-game show the homecoming queen, Cissie Orr, will be presented to the audience. The queen and her court will make an appearance at 7:15, being ushered onto the field by the band and escorted to seats of honor on the sideline for the Montevallo-Calera football game.

The Bulldogs play host to the Eagles of Calera in a football game that promises to be a real match. News from Calera reveals that the Eagles are out to spoil Montevallo's perfect Conference and County records. Game time is 7:30. All former football payers from Montevallo are to be special guests.

Immediately following the game there will be a dance in the school gym. Admission prices are 75c and $1.25 for students; $1 and $1.75 for adults. Music for dancing will be furnished by the Bessemer High School Swing Band. Climax of the evening will be the presentation of the royal court and coronation of the queen. Tommie Mowery, last year's queen will present the crown to Cissie Orr, this year's ruler.

All alumni have a special invitation to an informal reception to be held in Room 5 of the high school immediatelly following the ballgame. Upon registering at the reception, alumni will be given free tickets to the dance.

First Baptist Church, Alabaster Is Dedicated

Realizing the need for another church to serve the people of Alabaster, 44 inspired people met and organized the First Baptist Church of Alabaster on Oct. 10, 1957.

These people met in different homes until the need for more space caused them to seek other quarters. They met in the basement of the Hi-Way Cafe for over a year.

The first pastor called was M. L. Corley. He assumed his duties on Dec. 1, 1957, and has since led the way to a rapid and successful program of building.

Property was bought in April of 1958. A ground breaking ceremony was held July 27, 1958, with construction beginning on the new building the following day. First worship service in the new building was Nov. 2, 1958. In May 1959, construction was begun on a pastorium adjoining the church building. It will be completed soon.

Formal dedication services were held Oct. 11, 1959. Dr. George Bagley, of the Alabama Baptist Convention delivered the dedication message with remarks by Associational Missionary B. B. Curry of Wilton.

When organized the church had 44 members. Present membership is 127. There are 164 in the Sunday School and 97 in the Training Union. In the last year 33 new members have been received by baptism.

Band Boosters Ham Supper

The Band Boosters Club of the Calera High School will sponsor a ham supper Thursday evening, from 5 to 7 in the school lunch room. Adults $1, children 50 cents.

Notice of Last Day For Paying Taxes

Probate Judge Conrad M. Fowler states that the following is the last days for payment of designated items of taxes:

Privilege licenses, October 31; motor vehicle taxes and tags, Nov. 14; property taxes Jan. 1, 1960; poll tax Feb. 1, 1960.

Judge Fowler further states that on Saturday afternoon, Oct. 31, Nov. 7 and Nov. 14, the offices of the Tax Assessor and Collector and the Probate Judge will be open until 4:00 p.m. These offices will also be open each day during the noon hour beginning Oct. 31 and through Nov. 14.

Persons who have changes to make in their assessments of real or personal property should do this during October, November or December.

Mail orders for privilege licenses should be mailed so that they will be received in the Probate office by October 31.

Final Free Polio Shot To Be Given

The final shot in the series of free Salk polio shots will be given in Shelby County Tuesday, October 27.

Dr. W. C. Browne of Vincent, chairman of the Shelby County Rural Health Committee, said vaccine for 3,078 shots is in stock.

The shots are being given in the various schools of the county by the county health nurse.

All Shelby County residents under 40 years of age may get the shot free of charge at any doctor's office, or the county health office on October 27.

The rural health committee, in cooperation with the county medical association, and the March of Dimes Association, is sponsoring the program. Two free shots have already been given.

"We urge all citizens of Shelby County to take advantage of this free service. The shot to be given on October 27 will serve as the first, second, third, or fourth of the series.

"This will be a fine opportunity for everyone to get one of their Salk shots free of charge. They may get the shot at their local doctor's office, or at the county health office," Dr. Browne said.

Members of the home demonstration clubs in the county are assisting in the doctor's offices, and in the schools for the program.

The doctors of the county have donoted their time and facilities for the program. The vaccine is furnished by the March of Dimes organization of the county.

Dr. Browne emphasized that the free shot will be available only on October 27.

More than 6,000 shots were given to adults and children in the first two days of the campaign.

Cates Speaks to A. C. Alumni

Shelby County alumni of Alabama College heard Representative John Lewis Cates report on activities of the State Legislature, at their dinner meeting Thursday, October 15, at the Faculty Club in Montevallo.

Mrs. A. C. Jeter, chapter president, introduced Mr. Cates, who reviewed recent legislation affecting the public schools and colleges of Alabama, as well as other bills pending in the House. He also spoke in support of a local bill to create a new court for Shelby County.

In addition to Mr. and Mrs. Cates, guests of the chapter were Dr. and Mrs. Howard Phillips, Dr. and Mrs. John B. Walters, J. A. Brown, Jr., James B. Higgins, E. P. Hood, Floyd Lovelady, Earl McGaughy, Donald Lovelady, and Dr. Walter Trumbauer.

Representative Cates Explains The Proposed Shelby County Court

Many of my fellow citizens who favor the creation of an Inferior Court in Shelby County, have requested that I explain some of the provisions of the proposed bill being published which have apparently been misunderstood by some people.

The need for an Inferior Court has been the subject of much discussion among jurors, witnesses and persons having cases in court who are required to miss time from their jobs while awaiting the disposal of cases in Curcuit Court. They feel that Shelby County is progressing and its Courts should progress with it. In checking into the need of such a court, I found that 390 cases were disposed of by Judge A. L. Hedegree during 1958 and despite the efficient work of this Court, there remain on the Circuit Court docket awaiting trail on the date this Bill was published, 334 cases. In checking further with the Legislative Reference Service at the State Capitol in Montgomery, I found, and have records to show, that more than two-thirds of the counties of Alabama, and all counties comparable in size to Shelby, have already created some form of Inferior Court or obtained relief through additional Circuit Judges. Presently, there are three additional counties in this session of the Legislature that are creating this same type of Court. The only counties which have not made some improvement in their judicial system are counties with very small population.

The proposed Bill, now being published, would create a court of record which would have a full annual audit of all its activities. This Court would have equal power with the Circuit Court as to all equity matters (and disputes, domestic relations, etc.) and could handle civil cases where the amount sued for was $1,000 or less. The Justices of the Peace may now try cases in which the amount sued for is $100 or less. The proposed law would in no way change this authority. The proposed court would have authority to try all misdemeanors (crimes not involving penitentiary punishment). The Justices of the Peace would still have authority to issue warrants as they have in the past—including search warrants; however, all of these cases would be returnable to the Inferior Court for trial.

This new Inferior Court would in no way affect town or city courts. This court would have authority of all juvenile and non-support cases—but it would in no way affect the Probate Court which would continue to have the exclusive authority over all probate matters (wills, administration of estates, guardianship, etc.).

As your Representative, I have had the opportunity to discuss this matter with Representatives from all over the state who have similar courts in operation in their counties. I find that a court has proven most beneficial to the people of these counties. For example, in Chilton County—where a similar court has been in operation for several years—during the last four year period, this court handled 684 equity cases, 793 civil, 7,816 criminal cases, or a total of 9,293 cases. Needless to say, this court has operated at no cost to the county. In fact, during these four years, $65,390.01 was paid into the General Fund of the county—more than double the expenses of the court.

The bill provides that the judge of this court would be elected by the people at the next general election. The Board of Revenue and Control of Shelby County would fix the salary of the judge at not less than $6,000.00, nor more than $7,200 per year. The Board of Revenue will also fix the solicitor's salary at not less than $3,600 or more than $4,800 which will be paid instead of his present salary. These provisions are for the purpose of allowing the Board of Revenue to make such changes as they might see fit in coming years. This Court would be open at all times for the transaction of business and handling of cases.

The provisions for the $1.00 Public Law Library Fee will be taken out of the proposed act by amendment on the floor of the House of Representatives.

It is my belief that the people of our county deserve prompt handling of their cases and that they are entitled to a judical system which would insure that the jurors, witnesses and other persons required to come to court would miss as little time from their familes, home, and work as is necessary.

AAUW To Study Educational TV

Educational TV in Alabama will be studied at the October meeting of the Montevallo Branch of AAUW according to Mrs. Carl Edfelt, the program chairman.

Meeting in Comer Hall at 7:15 Tuesday night the members will see kinescopes of programs previously used by the Alabama network.

Three teachers will discuss their own use of educational TV in the classroom. They are Miss Ethel Harris of Montevallo High School, Mrs. M. Thornton of Thompson High, and Mrs. Priestley of Calera High School and president of the Montevallo AAUW.

Hostesses for the meeting are Miss Josephine Eddy, Mrs. R. P. Holcomb, Miss Eva Golson and Miss Mary Jo Harris.

Charles Robinson At Berea

Charles Allen Robinson, son of Mr. and Mrs. Charles H. Robinson of Montevallo, is now a student at Berea College, Berea, Kentucky.

Charles is a graduate of Montevallo High School and is a college senior.

Cissie Orr Named High School Queen

From this list of popular girls—Betty Gene Bice, Lena Hamm, Brenda Harper, Roberta Henderson, Linda Hill, Carole Lucas, and Cissie Orr — Montevallo High School students named Cissie Orr as homecoming queen in an election last week. All students were nominated for the honor by signed petitions and voting was done by secret ballot of the entire student body.

Runners-up, Carole Lucas and Betty Gene Bice, will serve as senior attendants to the queen. Junior maids, chosen from junior high school by popular vote of that group, are Judy Pickett and Jane Robinson.

Cissie, artist for the Spotlight, is the daughter of Dr. and Mrs. M. L. Orr, Jr. Other honors held by the queen are Student Council treasurer, overall chairman for homecoming, Montala editor, and head drummer in the school's band. Cissie serves her church as vice-president of MYF.

Last year Cissie was treasurer for the junior class, and as a freshman she was a cheerleader.

Carole Lucas, senior attendant, is secretary of the senior class. Last year she was one of Montevallo's representatives to Girls State.

Betty Gene Bice, the other senior attendant, comes from Aldrich. This Business Club member was a majorette her freshman year.

Mrs. Barbara Miller, daughter of Mr. and Mrs. B. A. Findley, will leave Friday by plane to join Pvt. Billy Miller, who will be in Toul, France, for 18 months with the U. S. Army.

GROUP VISITS HISTORIC TALLADEGA

Mrs. Z. S. Cowart Sr., Mrs. R. J. Mabry, Mrs. Lewis Henderson, Mrs. Rosa Kunz, of Calera, and Mrs. B. F. Hatchett of Columbiana motored to Talladega Friday, Oct. 16, to visit the pilgrimage of beautiful and historic homes, namely, the Old Manse, The Purefoy Home, Julian Elliott Home, Thornhill, Coker House, Harrison Place, The Cedars, and McAlpine Place; also the First Presbyterian Church, organized in 1834.

The flower arrangements in the different home were beautiful, as were the antiques, the mirrors, pictures, silverware, handmade rugs, vases, bedspreads and hundreds of other articles.

The group was also shown thru the Alabama School for the Deaf and Blind by Mr. McBride. He pointed out and described the new buildings which are going up to house the various activities of the boys and girls. It was very interesting to see the training the boys and girls are given and how interested they are in their work.

Farm Census Crew Leader Named

Appointment of Fred Hassett as a crew leader for the 1959 census of agriculture has been announced by the census regional office at New Orleans.

Mr. Hassett will direct a force of census takers who will canvass all farms in Shelby County and a part of Talladega.

The canvass of farms will start November 18.

RAILROAD FEATHERBEDDING:

$500,000,000 LOSS

TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than $500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman — even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is **a fair day's work for a fair day's pay.**

Fall Weather Brings Increase In Forest Fires

With the coming of fall and dry weather usually setting in at this time of the year, forest fires can be a destructive agent if allowed to run wild in the woods, says forest Ranger C. M. Stuckey.

Approximately 380,600 acres out of the total 512,000 acres of land in Shelby County is in woods. About 3 out of every 4 acres of land in the county is growing trees of some type or making an effort to grow trees. This 380,000 acres of forest land by itself could be made to produce enough wood to furnish the wood requirements of a paper mill the former size of the Coosa River Newsprint Company, if wild fires were eliminated altogether and the proper management was given each acre.

There was reported in Shelby County 3 forest fires burning 16 acres during the month of June, 2 forest fires burning 7 acres during July, 9 fires burning 54 acres during August and not any fires were reported or occurred during the month of September 1959.

Four of the fires that occurred during August was caused through carelessness of people burning trash or debris near their homes. All of these fires could have been avoided by taking the necessary precautions, which requires clearing away all material that will burn a good safe distance in all directions from the material that is planned to be burned. Never burn paper or anything that the wind can pick up easily and carry away. For burning paper, have an incenerator made of metal or heavy net wire with cover and set in a clean safe place.

In years past, forest fires have done enormous damage to the forests of Shelby County. During dry weather and with tremendous growth of grass and straw, wild fires can destroy lots of forest growth needed for the present and future generations of people. Wood is needed all the time for some use by man. Remember what Smokey says and lets stop this needless waste. Only you and I can prevent forest fires in most every case.

CALERA GARDEN CLUB MEETS

The Calera Garden Club met on Tuesday afternoon, Oct. 13, at the Town Hall. The meeting was called to order by the president, Mrs. Rosa Kunz. Devotional was given by Mrs. R. L. Holcombe. The program was conducted by Mrs. J. Frank Baker and Mrs. Guy A. Youngblood. Mrs. Baker made a talk on color of flowers, types of containers, and proper placing in the room.

The club plans to start immediately on beautification of the entrance to Salem Cemetery.

One new member was welcomed into the club, Mrs. W. L. Ingram. There were two visitors, Mrs. Eddie Downs and Mrs. Gertrude Cobb. Twenty regular members were present.

During the social hour the hostesses, Mrs. R. J. Mabry and Mrs. B. D. Holcombe and Mrs. Curtis Lucas served refreshments.

The next meeting will be held on November 10.

SAVINGS BOND PURCHASES IN SHELBY COUNTY

State chairman Thad Holt has announced that Alabama reached 68.5% of the years goal of $48 million in sales of E and H Savings Bonds.

Sales during the month of September bring Shelby County to $71,603 for the first nine months or 48.1% of this year's goal of $149,000, as announced by Roy Downs, county chairman.

RELIGIOUS EMPHASIS WEEK AT ALABAMA COLLEGE

Religious Emphasis Week is in full swing on the campus of Alabama College this week with one of the nation's outstanding Presbyterian leaders high-lighting the program.

Dr. Albert Jacob Kissling, minister of the Riverside Presbyterian Church, Jacksonville, Fla., is the featured guest speaker and counselor during the three-day program October 19-21.

NEW CASES TO BE ELIGIBLE FOR PENSIONS

It is estimated that a large number of new cases will become eligible for pensions in Alabama on the July 1, 1960 effective date of the recently enacted veterans pension act.

Of the new cases there will be a number of widows and children of veterans made eligible by the widows equalization clause and there will be some additional cases involving living veterans, widows and children made eligible by the increase in the income limitation, Neil R. Smart, manager of the Alabame VA Regional Office in Montgomery, has indicated.

Smart suggested that the veterans, widows, or guardians of children who believe they may become eligible after next June 30, wait until after the first of the coming year to start action toward that possible end.

By delaying this action, both the VA and the applicant will benefit by avoiding premature correspondence and interviews before necessary basic information can be obtained. For instance, income for the calendar year 1960 can not be accurately determined until the first of the determining year arrives, Smart pointed out.

Applications filed in the first few months of 1960 will result in no delays as there will be ample processing time by the July 1 effective date.

SGT. JAMES D. VICKERS GETS GOOD CONDUCT AWARD

Camp Lejune, N.C.—Marine Acting Sgt. James D. Vickers, son of Mr. and Mrs. A. B. Vickers of Vandiver, Ala., recently received his first Good Conduct Medal, while serving with the Third Battalion, Sixth Marine Regiment, a unit of the Second Marine Division at Camp Lejeune, N.C.

The Commandant of the Marine Corps issues the Good Conduct Medal to only those Marines who have demonstrated the highest of achievements in conduct and proficiency in rank throughout a continuous three year active duty period.

Before enlisting in August 1957, Vickers attended Childersburg High School.

Petty's Points BATTERY CARE

To the millions of motorists who have suffered the hazards and inconvenience of dead batteries, especially after a sudden cold spell, Lee Petty, 1959 Nascar Champion and winner of the 500 mile Daytona race in 1959, offers four hints for "preventive" battery care.

Lee Petty

These recommendations by one of the nation's championship drivers, who is battery consultant for National Dynamics Corporation, manufacturers of battery additive VX-6, will go a long way towards elimination of the dangers of battery failure:

- **The next time you buy gas have your garage serviceman check the voltage output of the battery cells. Weak or dead cells point to excess sulphation — "battery cancer".**
- **Clean the outside of your battery with an oil soaked rag to remove harmful exterior sulphate deposits and dirt.**
- **Clean the battery posts and battery leads with a wire brush or medium sandpaper to make a better electrical contact. All metallic contact points should be cleaned till they are bright. Your garage serviceman will do this for you upon request.**
- **Use a battery additive as a necessary step in preventive corrective maintenance. An additive is a vitamin pill as well as medicine for your sick battery. I personally recommend battery additive VX-6 which I have been using in all of my racing cars as the best by test of all battery additives.**

For additional free detailed information on battery care write, Lee Petty, National Dynamics Corp., 212 East 23rd Street, New York City.

County-Wide Civil Defense Meeting

On Thursday evening, October 1, a county-wide civil defense meeting was held for all county civil defense reserve police and rescue personnel. This meeting was held in the auditorium of the county office building in Columbiana.

Quite a few guests were in attendance, including James H. Sharbutt, mayor of Vincent; C. P. Walker, sheriff; Claude Fore, chief deputy; Chief Roy Damron of Helena; Chief Gordon Poore of Vincent; Chief Clyde Whitsell of Columbiana; Chief Harry Kendrick of Montevallo; and Chiefs W. C. Garrett and C. E. Carter of Alabaster.

Mr. Fred Cameron of Indian Springs School was present as chairman of the American Red Cross in Shelby County. Mr. Cameron discussed the possibility of organizing classes in first aid in several towns for civil defense police and rescue personnel. Plans were made to initiate this phase of civil defense in the very near future. Mr. Cameron's cooperation and interest in the civil defense organization is sincerely appreciated and will most certainly result in a more efficient and workable organization.

There were approximately 80 civil defense police and rescue members present from all sections of the county. Towns represented were Vincent, Columbiana, Calera, Alabaster, Saginaw and Helena.

The relationship of civil defense police and the law enforcement agencies of the county was discussed. A lengthy discussion was held on the perils of radiation from nuclear fallout and the means by which the civilian population could be protected. Radiological monitoring was discussed and the instruments by which radiation could be detected and measured. Chemical warfare was briefly discussed, particularly "nerve gas," its symptoms and the means of protecting the public should it be used.

Two films were shown pertaining to the civil defense program, particularly the 200 bed emergency field hospital and its proper use in event of emergency.

The recently established rescue truck and equipment was displayed to each of the members present. This unit is now complete in every detail. The Board of Revenue and Control authorized the purchase of such essential rescue equipment as resuscitator, lifejackets, draghooks, generators for floodlights, gasmasks, raincoats, battery powered megaphones, asbestos gloves, rubber gloves, boat and motor and many other small items for rescue operations. Rescue squads are ready to swing into action when needed. Tom Minor, Hilry King and John Farr are the leaders in rescue work.

The members of the civil defense police and rescue services showed intense interest and their cooperation is sincerely appreciated. Plans are made for the further expansion of these services so that immediate action can be undertaken in the event of any emergency whether national or natural.—James L. Ray, Jr., County Civil Defense Director.

Mrs. Finch of Birmingham, Mrs. Hattie Harrison and Miss Nina Harrison were week end guests of Mr. and Mrs. Leonard Burchfield in Columbia, Tenn., and Mrs. E. P. Harrison and children in Nashville.

TELEPHONE INCREASE IS PREDICTED FOR COUNTY

Southern Bell predicts that telephones in Shelby County exchanges will number 9840 by 1969, an increase of 73.8 per cent over the present number of 5667.

J. L. Switzer, manager for the telephone company, said the figures are based upon a study of past growth of this area and the general trend of population increase. He said that local telephone growth is a good barometer of the overall expansion of industrial, business and residential areas.

Telephone growth in Shelby County has been as follows:

Calera, 1910, 41; now 749; Chelsea, 1910, none, now 362; Columbiana, 1910, 48, now 1163; Montevallo, 1910, 47, now 1428; Siluria, 1940, 74, now 1442; Vincent, 1950, 167, now 523.

HERE'S WHAT MAKES *the* CORVAIR REVOLUTIONARY

Short and sweet! Engine's in the rear—where it belongs in a compact car. With more weight on rear wheels, you get extra road-gripping traction for cornering and driving on ice, mud or snow. Also, by avoiding nose-heaviness of front-engine compact cars, Corvair handles easier, brakes better, rides smoother. Styling of both 4-door models is clean and uncluttered . . . as fresh and functional as modern architecture.

AIR COOLED

You never have to fuss with antifreeze. Turbo-Air 6 warms up quicker, with less wear on parts. Airplane-type heater* goes to work almost instantly.

*Optional at extra cost.

Revolutionary Rear Engine

works small miracles with mileage. It's the world's first production 6 with the ultra-smooth power of horizontally opposed pistons.

Unipack Power Team

Engine, transmission and drive gears are neatly wrapped in one lightweight package. Takes less space, leaves you more.

UNISTRUT BODY BY FISHER

Body and frame are combined into a single rigidly constructed unit that reduces Corvair's weight, enlarges its passenger space.

Practically FLAT FLOOR

Corvair is America's only compact car with a virtually flat floor that gives you full 6-passenger comfort. For extra space, folding rear seat converts easily to make room for 17.6 cu. ft. of cargo.* *Optional at extra cost.

TRUNK'S UP FRONT

Lots of luggage space under the hood, where it's convenient for groceries, packages.

NEARLY 3 FEET SHORTER

Corvair's almost 5 inches lower, 1,300 pounds lighter, too. Its compact size makes it a joy to jockey through traffic, a pleasure to park. No need for power assists.

4-Wheel Independent Suspension

Springs at each wheel cushion bumps independently of each other for a ride that rivals much costlier cars.

. . . and the most practical thing of all is Corvair's

Montevallo Squeezes Past Shelby 13-12

A pass from Smitherman to Givhan for an extra point spelled the difference as Montevallo edged Shelby County High 13-12 at Columbiana Saturday night in a rain-postponed game.

This win, jampacked with excitement till the final whistle, kept Montevallo's county and conference slates clear. The homecoming game with Calera this week is the final conference match of the season for the Bulldogs; after that there's Vincent yet in County play on the Montevallo schedule.

Both teams went into Saturday night's tussle with no other idea than to give it the old go-go from start to finish. This was no night for the fainthearted. Each squad knew and respected the desires and intentions of the other. Shelby County was a slight favorite after having defeated Clanton so soundly the week before.

It could have been anybody's ballgame until the final 45 seconds when the Bulldogs got possession on their own 40 and glued their fingers to the leather as they held on for dear life to preserve their rights to the bid for county and conference honors. That one point margin was good enough.

In four plays from the opening kick the Wildcats watched Ruben Hayes cross their goal line with Montevallo's first score. Freddy Draper, guard, fell on Mullins' opening kick, which traveled only to Montevallo's 41, to set up the drive. Winslett, Davis, and Hayes then joined forces, and with each carrying one time, put the ball on the 18, from where Hayes went over.

Montevallo penetrated deep into the oppenent's territory a second time in the first quarter after Jimmy Eddings recovered a fumble on Shelby's 49. But the Wildcats held this time, and took over on their 15.

As the second quarter neared the end, Shelby capitalized on a Bulldog fumble to tie the count. Woody Furney, main thorn in the Bulldogs' side, crashed through for the final 34 yards and the score.

A 73-yard march in the third quarter put across the final touchdown for the Bulldogs, and Smitherman's pass to Peter Givhan scored the point that proved to be the victory margin. Donny Davis went through the center for the last eight yards to score the touchdown.

Taking the kickoff on their own 36, the Wildcats got as far as the 50, where they were faced with a fourth-down-and-seven situation. Dropping back in punt formation, Leon Armbrewster completely surprised everyone when he fired a pass to David Glenn. With daylight all around him, Glenn had no trouble in racing the final twenty yards to score. But Armbrewster was stopped cold on the PAT attempt as the Bulldogs swarmed all over him.

On the ground the Bulldogs outgained the Wildcats 230 yards to 138 yards as they rolled up 12 first downs to Shelby's 8. Completing three passes for 51 yards, the Wildcats led in that department as Montevallo failed to connect through the air in three attempts.

Frank Morgan Is Named Salesman Of the Month

Frank M. Morgan, lifelong resident of Montevallo, has been named "Salesman of the Month" by the Atlanta Manufacturers and Distributors Association in their October issue of AMDA Newsletter.

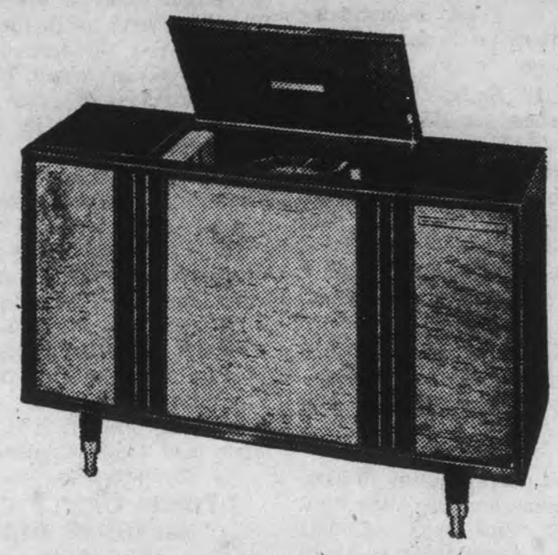

The bulletin, in making the announcement said, "Frank M. Morgan is one of the best known and liked shoe salesmen in the Southeast. A veteran salesman with 30 years experience selling shoes, Frank is known and admired by hundreds of merchants in Alabama, Mississippi and West Florida, for his friendly smile, warm handshake and pleasant disposition.

"Mr. Morgan is sales representative for Frederick Shoe Company, and he is referred to by many of his customers as "a true Southern gentleman" in the finest sense of the phrase.

"Born and readed in Montevallo, Alabama, Frank has lived his entire life in that city where he is a member of the American Legion and the Board of Truestees of the Episcopal Church. His talented and charming wife Sara Ruth is an associate professor of business administration at Alabama College. They have a son, George Will."

Students Study Preschool Children

Ten youngsters between the ages of three and four years were guests of Home Economics I class members at the Montevallo High Schoo for several "play school" occasions during a unit on child care and development. One of the main objectives of the home economics students during this unit was to learn how to function successfully as baby sitters and to increase their abilities in keeping young children safe and happy.

The girls learned about the advantages of play and types of equipment that a child needs for play. Toys for different age groups were examined and evaluated. Music, stories, and books appropriate for young children were discussed, and the girls learned how to become good story tellers when caring for children.

On each play school occasion the students observed the children's play activities and their response to stories.

On the days immediately preceding the play schools the students made careful plans for observing the children, an on the following day shared with each other conclusions based on their observations.

The young play school guests for these occasions were: Margaret Lauderdale, Jimmy Chesnutt, Blaine Anderson, Debbie Garrett, Dianne Tinsley, Joey Lane Lovelady, Brenda Adams, Dale McGaughy, Mark McGaughy, and Jimmy Palmer.

Frances Woods Returns To States

Miss Frances Woods visited her aunt, Mrs. Florence Lyman, here this week. She has just returned to the States after 18 months in Arabia with the International Bechtel Builders, Inc. She left today for California where she will visit her sister, Mrs. G. V. Kortozian (May Lyman) and aunt, Hattie Lyman Carroll. Frances reports a very interesting experience and says she hopes to be transferred to another foreign country (without deserts).

Montevallo Wins Homecoming, 32-0

The Bulldogs fastened on the Mid-State Conference crown and insured at least a tie for county championship as they blanked Calera 32-0 last Friday. Montevallo has Vincent remaining on the county slate.

It was homecoming at MHS and easy for the Bulldogs to recall that only two years ago this same county rival had completely spoiled this celebration by upsetting them 7-6. This must not happen again.

Ruben Hayes scored three times, and Donny Davis and Bill Winslett once each in their homecoming triumph. Bill also added the two extra points.

The Bulldogs's first touchdown began from their own 39-yard line where Gay placed the ball with a quick kick. Davis got 16 yards in two tries, Hayes added 7 in two, and Winslett picked up three. A pass from Smitherman to Davis complete for 31 yards, got the Bulldogs to the 18, then Davis went around right end to score. Winslett made the extra point.

After holding the Eagles for downs on the 22, in 8 plays the Bulldogs drove to the 18, from where they scored their second touchdown. A pass from George Underwood, which Hayes pulled in as it bounced from a would-be intercepter's hands, completed the effort that time.

Intermission put new life into the Eagles as they came flying back in the second half. Barnett and Barrett spearheaded a 67-yard drive which the Bulldogs could not stop until they heard the Eagles knocking just six yards away from the goal line.

Hayes' kick, partially blocked, landed on Montevallo's 35. In one play Barrett picked up a first down, and the Eagles were back in business. With the ball on the 25, however, Barnett fumbled and Montevallo recovered on the 17. Three plays later, Hayes took off on the touchdown express around left end for 68 yards. Winslett added the PAT.

The Eagles, still fighting to stay in the game, pushed again to the Bulldog 20 before Montevallo took over on downs. The drive covered 65 yards, with Barnett and Barrett picking up most of the yardage. A pass from Gay to Godfrey was good for 8 yards.

After Winslett got the ball to the 25, Hayes broke loose again. This time he covered 75 yards to score his third TD of the night. Great blocking cleared an easy path for the fullback, with Charles Hollingsworth removing the last obstacle.

In the closing moments of the game, Tony Birchfield took Smitherman's 13-yard pass to set up the final score. Smitherman got to the one-foot line, and Winslett bulled over. An attempted kick was blocked.

Final score was 32-0, Montevallo; and the Bulldogs had completed a successful performance for their most critical audience, the alumni.

Christmas Seal Chairman Named

Judge Conrad M. Fowler of Columbiana was named Chairman of the 1959 Christmas Seal Sale in Shelby County.

L. O. Brackeen of Auburn, president of the Alabama Tuberculosis Association, in commenting on this appointment said:

"I congratulate Shelby County on the fact that Judge Fowler has agreed to lead the fight against Tuberculosis in that county.

"The Christmas Seal Sale will officially open November 16 when Seals will be delivered to practically every home throughout the state.

"Hundreds of volunteer TB association workers in Alabama are behind the move to broaden a program of TB prevention and control. They are determined to stop the steady rise of TB deaths and cases in our state. And volunteers like Judge Fowler and members of the Shelby county TB Association are the strength of the fight against tuberculosis in Alabama.

"The annual Christmas Seal Sale, independent of all other fund-raising campaigns, is the sole support of the TB association's year-round program. It is a very democratic campaign because it gives every one of us an opportunity to invent voluntarily in strong community action against TB.

"In spite of great progress in the fight against the disease, tuberculosis accounted for more deaths in Alabama in 1958 than all other infectious disease combined. TB is definitely Alabama's Number One communicable disease problem.

"Every county in Alabama is being infected from active cases of TB. The number of known cases in Shelby County are 112 with 22 of those cases newly reported last year. Three deaths occurred in Shelby County last year. The number of known cases in Alabama are 12,839 and 2,068 of those cases were newly reported during 1958.

"366 persons died of TB in Alabama last year, making an 18 per cent increase of deaths over the previous year. Alabama's death rate is 44 per cent higher than the national average.

"Every person who receives Christmas Seals November 16 is urged to look at them carefully, and then resolve to use them so their message can be spread. What the receiver gives for Seals is a matter for each to decide."

Valedictory

I have sold my franchise of The Shelby County Times-Herald to The Shelby County Reporter, Inc., of Columbiana. No physical property or equipment is involved in the transaction.

Beginning October 31, The Reporter will take over responsibility for printing and publishing the newspaper each week with both a Montevallo edition and a Calera edition, just as The Times-Herald has done in the past. All present subscribers of The Times-Herald will receive The Reporter for the time subscriptions are paid up.

The Shelby County Reporter will maintain an office in both Montevallo and Calera for the purpose of adequately serving the two communities in gathering local news and in rendering service to advertisers. The Reporter will make a detailed announcement of its organizational plans next week.

It is my feeling that I can assure the people of Montevallo and Calera that in The Reporter of the future you will have a bigger and better local newspaper in every respect. I know that the Reporter, Mr. Luther Fowler, Mrs. Mildred White Wallace, and their associates in the business, Mr. Luther McGibboney and Mr. Arthur Davis, are truly able and capable of producing for you the best possible newspaper for Shelby County. They approach this objective with determination and sincerity.

Let me commend them and The Shelby County Reporter to you and express my hope that you will join me in supporting them to the full extent that a good county newspaper deserves of all citizens of the county.

It is, of course, with regret that I take the step that terminates my career of 52 years as a newspaper publisher. I am no longer physically able to keep up the gait that is necessary to conduct a newspaper satisfactorily. Hence, my choice of other and more capable hands to take over the newspaper and go forward into the future as a vital part of the constantly growing Shelby County.

I wish to express my sincere thanks to my friends for the support you have given me in the publication of my newspaper here for the past quarter of a century. It was your support that enabled me to make a success with it, and to enjoy the years I have tried to make it serve you and the interests of our community and our great county.

The Times Printing Company will continue to operate as usual, devoted to the field of commercial printing, under the management of my son, W. P. (Pat) Wyatt.

For the remainder of my active years I will revert to that still fascinating role of "printer's devil" where I started in 1907. I have not yet learned all there is to know about printing.

A community and a county can have as good a newspaper as you want, if you want it enough to give it your support. I hope you will do this for the Shelby County Reporter in the future and thereby help to make it the best possible institution of public service to the people of Shelby County. There is no other institution or agency that can fill the place of a good local county newspaper.

Christmas Mail For Overseas

Have you done your Christmas shopping for friends and relatives who are overseas with the armed services?

Postmaster Morris Watson announced today that to insure arrival before Christmas all parcel post for service personnel in Korea, Japan, and the Pacific Islands should be mailed now. You have until November 20th to send gifts addressed to U.S. bases in Europe or the American territories and you can send your Christmas cards as late as December 1st providing you use air mail.

Letters and Christmas cards sent by regular mail should go before November 20. To insure prompt delivery of all of yous overseas mail be sure you print the full name, rank, serial number, branch of service, organization, and the Army or Navy Post Office to which your overseas mail is to be routed.

Time flies so why not take care of your overseas Christmas shopping and mailing now.

Saturday Is Last Day To Buy License

This Saturday, October 31, is the last day for purchasing privilege licenses for the year 1960. Licenses purchased after that date will cost more in that a 15% penalty will be added, 6% interest is charged and if the tax payer has been cited a citation fee of $1.50 will be added. Business and professional people are urged to renew their privilege licenses on or before next Saturday.

Beta Club Starts Rehearsal

The Beta Club of Calera High School started rehearsals last week on the three act comedy, "Seeing Double" which will be presented in November.

Taking part in the play will be Alethea Boggess, Linda Lee, Jean Payne, Larry Gay, William Askins, Jerry Payne, Julia Frost, Della Isbell, Billy Denson, Linda Loftin, and Barbara Battle.

Lindă Lee is president of the club and E. Marvin Smith, sponsor.

Mahaffey, Sr., Mrs. Grady Parker, Miss Virginia Hendrick, Mrs. Charlotte Peterson and Mrs. Bill Weston.

At this meeting solicitors will be handed information and materials needed in their campaign which will begin officially at the time of the breakfast.

This drive is a community affair, so help your community by supporting your Community Chest and giving a generous contribution to these workers next week when you are contacted.

Earl McGaughy is chairman of this year's drive.

Local Chamber of Commerce Meets

Don H. Lovelady, president of Montevallo Chamber of Commerce, announces an important meeting of that body on the second Thursday evening in November, the 12th, at the Town Hall. Important matters concerning our town and community will be discussed, and he urges a large attendance.

Jack Sims is going forwerd with the biggest Christmas decoration program Montevallo has ever had. The Chamber of Commerce has given him and his committee the go signal with this project.

Don Lovelady and Jim Seaman have been busy lately getting new and better Chamber of Commerce signs on some of the main highways leading into Montevallo.

Fred Frost Sr. reports that over 50 memberships have already been paid, but additional members can still be added and can participate in the annual meeting in January.

Among the items of interest included in the minutes of the meeting are:

1. An improved sewerage and disposal system.
2. Improvements in traffic signs to promote safety.
3. Widening of Main Street and other areas in town.
4. Improving the parking situation.
5. Removing obstructions to drivers along streets and roadways.
6. Improving the housing situation for newcomers.
7. Coordination of effort with the college.
8. The Southeastern Exposition in Birmingham Dec. 6, 7, and 8.
9. Industrial expansion.
10. Improved public relations through Radio Station WBYE, the merchants to participate.

College To Present Famous Organist

The Alabama College school of music will present one of the nation's leading organists Monday, Nov. 2, in the second of its series of four organ concerts for the 1959-60 season.

David Craighead, chairman of the organ department of the Eastman School of Music, Rochester University, Rochester, N.Y., will be the featured guest artist, performing in Palmer Auditorium on Alabama College's Skinner organ, largest institutional pipe organ in the South.

The program, which is scheduled to begin at 8:15 p.m., will include selections from the works of some of the world's most noted composers.

Selections to be presented are: the Vivaldi-Bach composition, "Concerto in A-minor;" Buxtehude's chorale fantasy on "How Brightly Shines the Morning Star;" "Andante in F-major," by Mozart; and Bach's "Toccata in F-major."

Other selections on the program include: "Partita on Psalm VIII," by Van der Horst; D'Aquin's "Noel;" "Toccata from Suite, Opus 5," by Durufle; and a new unpublished work by Catharine Urner, "Barcarole."

In addition to heading the organ department at the Eastman School of Music, Craighead is director of music at St. Paul's Episcopal Church in Rochester.

As a student, he received his musical training in piano and organ from Clarence Mader and the late Olga Steeb, later studying at the Curtis Institute in Philadelphia with Dr. Alexander McCurdy.

He has held positions at the Bryn Mawr Presbyterian Church of Bryn Mawr, Penn., the Westminster Choir College, the Pasadena Presbyterian Church and Occidental College in Los Angeles.

He was named chairman of the Eastman school at Rochester in 1955.

Other organ concerts of the 1959-60 series include a Feb. 2 performance by Miss Betty Louise Lumby, associate professor of music at Alabama College, and an April 18 concert by Peter Hurford, choirmaster-organist of St. Alban's Cathedral, Hurtfordshire, England.

ALLEN PLACES HIGH

Charles Allen, son of Mr. and Mrs. Armon Allen, Route One, Montevallo, recently placed among the top 12 per cent in the United States on an accounting achievement test. This test, which is prepared and graded by the American Institute of Certified Public Accounting, has been administered to more than 800 students in the colleges throughout the country during the fall terms of 1956, 1957, 1958. Allen, who is a graduate of Thompson High School, is just starting his upper division work at Massey College in Birmingham. He is a business administration accounting major.

Juniors Redecorate Homeroom

The eleventh grade of Calera High School recently completed the project of redecorating their homeroom. This work was started at the end of last term, when plans were made, and finished last week with the installation of fluorescent lights.

Others improvements were the painting of the room and the hanging of new curtains.

Linda Lee is serving as president of this group and Mrs. Betty Giles as sponsor.

FALCON, the New-size Ford, is America's lowest-priced 6-passenger car*

The Falcon is priced up to $72 less than its rear-engine competitor . . . as much as $124 less than other American-built, so-called compact 6-passenger cars. And the new Ford Falcon is the easiest car in the world to own. Just look at these Falcon superiorities:

Beauty *and* economy! The Falcon has the clean lines and the uncluttered good looks of the glamorous 60 Fords. Diamond Lustre Finish *never* needs waxing. Galvanized structural members resist rust and corrosion. Bolt-on front fenders cost less, replace easily.

Seats six passengers with all their luggage. The Falcon easily seats six big adults in built-for-people comfort. There's no floor-mounted gear shift to interfere with center front-seat passenger. Big luggage compartment in the rear holds over 23 cu. ft.

Up to 30 mpg. The Falcon's outstanding gas economy was *proven* when a fleet of Falcons traveled every mile of numbered Federal highway in Economy Run, U.S.A. Another savings: The Falcon goes up to 4000 miles between oil changes.

Front-mounted engine. For stability and handling ease, the Falcon's six-cylinder engine is mounted up front. And there is plenty of free heat from the Falcon's fresh-air, hot-water heating system, with no sacrifice of gas mileage in cold-weather driving.

New luxury interiors. You'll find the same quality materials and taste in design as in the big new Fords. Door panels are fully upholstered. Front seat cushions are generously foam-padded. Thick roof insulation guards against heat and noise.

Montevallo High School's band, under direction of Victor T. Young, performs at the downtown pep rally, a highlight of the homecoming parade. Shown in the foreground are the majorettes. Front row, Glenda Gaddy, head. Left to right, Jackie Blakely, Charlotte Higgins, Becky Hicks, Lucretia Hollingsworth, and Elaine Fisher.

The above picture shows two very old friends, Frank P. Weaver, 90, right, and Pat J. Kroell, 89, left. They have been close friends all their lives. Their fathers worked in the coal fields of Shelby County for many years. Since his retirement Mr. Weaver and his wife live with their daughter, Mary, in Montevallo. Mr. Kroell left last Sunday to live with his daughter, Dionetta. He wishes his friends to keep in touch with him at Demopolis, Ala., P. O. Box 304.

Montevallo majorettes perform a special routine in their homecoming show in which the band featured "moon' songs. The majorettes are taught and directed in their routines by Glenda Gaddy, head majorette.

Miss Gene Givhan (left) of Montevallo, is a freshman at Queens College, Charlotte, N. C. Pictured with her are, left to right, Gypsy Ann Pool of Montgomery and Priscilla Cooper of Selma. Miss Givhan is the daughter of Mr. and Mrs. Francis Peterson Givhan.

MHS Homecoming Is A Success

Blast Off—Destination Moon, the theme of Montevallo High School's homecoming celebration, was carried out to the fullest as the Bulldogs blasted off with a 32-0 victory over Calera, and returning alumni declared the homecoming dance to be the best yet.

Opening the big celebration was a pep rally Thursday night. Despite the threatening rain and an occasional sprinkle, a crowd of approximately one hundred loyal students and teachers gathered on the tennis courts behind the school building to hear Lee Barclay, business manager at Alabama College, inspire both football team and the band with his pep talk. Janice Jones, head cheerleader, was master of ceremonies for the occasion which featured, along with Mr. Barclay, music by the band, majorette routines, and rousing cheer for Montevallo.

Friday's program of events included the annual homecoming parade, the Montevallo-Calera ball game, a reception for alumni, and the homecoming dance.

Winners in the homecoming parade included marchers Paul Glover, Loran Fraser and Brian Cairns. Mrs. Pendleton's seventh grade group won first prize among floats, while Mrs. Cairns' Jr. II's and Mrs. Jeter's Jr. I's took second and third respectively. In car competition, the Sr. Girls' Athletic Association was winner.

To the strains of "A Pretty Girl Is Like A Melody", the band led the queen and her court onto the field in a pre-game ceremony. She was introduced to the audience and presented roses by Freddy Draper, president of the student body.

The Royal Court, in attendance to the queen, was composed of senior maids Betty Gene Bice and Carole Lucas, and juniors Jane Robinson and Judy Pickett. Escorts were Larry Joe Pickett, Donny Davis, Tony Birchfield, Ed Kyser and Mike Harkins.

A special halftime show by the band featured "moon songs" and a salute to the alumni, "You Keep Coming Back Like A Song". Former band members taking a part in the program were Jimmy Seagle and Sara Jeter.

For competition on the gridiron the Bulldogs entertained the Calera Eagles. To the delight of former football players, who were special guests at the game, as well as that of a standing-room-only crowd, Montevallo took a 32-0 decision over this county foe. Ruben Hayes scored three times, while Donny Davis and Bill Winslett scored one each . That gave the Bulldogs the Mid-State championship.

About 125 alumni registered at an informal reception in their honor following the ball game. So great was the enthusiasm of this group that plans are already underway for a banquet at the next homecoming celebration.

Reuben Hayes crosses the goal line with his third touchdown for the night as he finishes off a 75-yard run in Montevallo's Homecoming win over Calera last Friday night.

The royal court watches from the sidelines as Montevallo defeats Calera 32-0 at homecoming. The queen, attendants and escorts from left to right are Pete Hughes, Carole Lucas, Jimmy Thrasher, Cissie Orr, Betty Gene Bice, Jerry Lawley, and Jane Robinson.

Montevallo High School's queens have smiles for all. Cissie Orr, homecoming queen for 1959, receives her crown from last year's queen, Tommie Mowery.

This lively five keep the Montevallo High School spirit alive as they cheer the Bulldogs to victory every Friday night. From left to right with the mascot on homecoming night they are: Phyllis Kyser, Linda Hill, Janice Jones (head), Janice Waters, and Doris Jones.

Miss Caroline Scott of Montevallo (left) was among 238 new students who began their educational careers at Converse College, Spartanburg, South Carolina. Shown with Miss Scott is Miss Susan Spann of Dothan. Miss Scott is the daughter of Mr. and Mrs. Albert L. Scott.

The new First Baptist Church at Siluria was recently dedicated. This picture shows the church building and the pastorium in the background.

SOUTH CALERA CLUB

A very good spirit of cooperation has been shown in the South Calera Home Demonstration Club under the able leadership of Mrs. H. S. Lester as president.

The Club met Oct. 21 at the home of Mrs. Marvin Giles. Eleven members and two visitors attended. Mr. Wilcutt of Alabama Power Company gave an instructive talk on improved electric wiring for the home. He showed a movie of a family and their amusing situation when the electric power went off.

We were honored to have with us Mrs. I. L. Burley of the County Council who installed the incoming officers with a simple but beautiful ceremony. Mrs. W. M. Smith as president; Mrs. Joe Burcham as first vice president; Mrs. Carl Jones as second vice president and secretary; and Mrs. H. S. Lester as reporter.

Mrs. A. T. Ryan and Mrs. Ben Tate attended the leadership conference in October and will give demonstrations on beef in the diet in November when the club meets with Mrs. Carl Jones.

The Club assisted Mrs. Ernest in the open house for the Carl Glass golden wedding anniversary.

Twelve members attended the achievement play program at Helena.

LEONARD R. DAVENPORT IN NAVY DEMONSTRATION

Seattle, Wash.—Participating in a demonstration of Nanvy mobile logistics support, Oct. 13, at Seattle, Washington, to 800 delegates of the National Defense Transportation Association Convention was Leonard R. Davenport, fireman apprentice,USN, son of Mr. and Mrs. Walton S. Davenport of Siluria, Ala., serving aboard the destroyer USS Brinkley Bass.

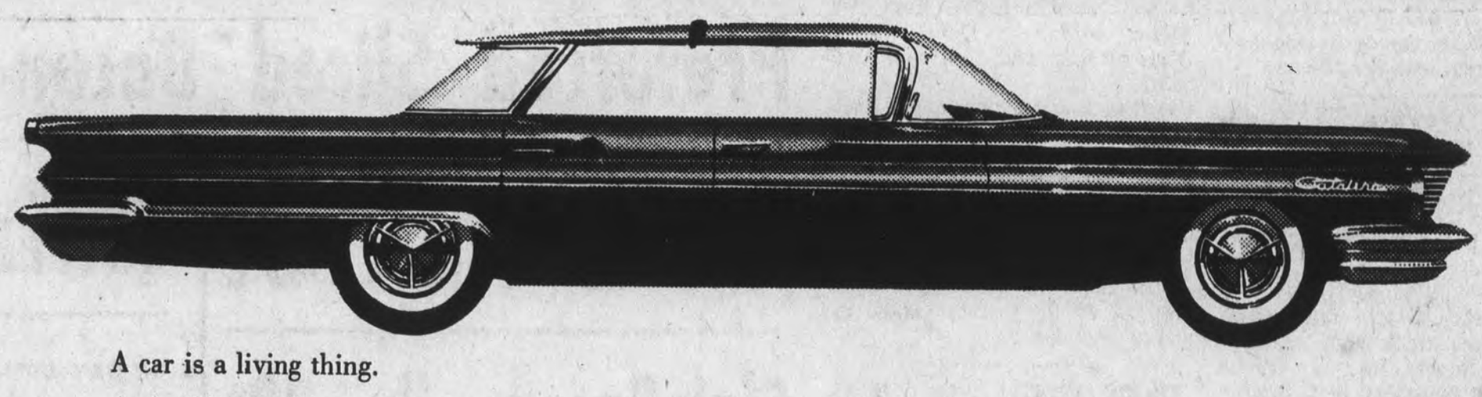

Mobile logistics support is the act of refueling and reprovisioning a ship while underway.

Six American and two Canadian ships participated in the two-hour affair conduced off the southern tip of Whitbey Island in Puget Sound.

fresh new beauty

from the only car with

Wide-Track wheels!

A car is a living thing.

And all living things must change.

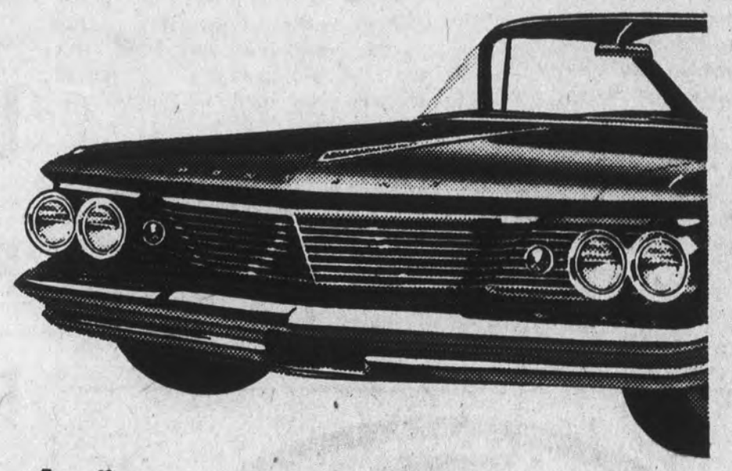

This is why the creative car builders of Pontiac took the proved principle of Wide-Track Wheel Design and surrounded it with fresh, exhilarating, totally new beauty for 1960.

The prow is styled for excitement.

The horizontal bars bear the artistry of the classical.

The perfect profile comes from just-right proportion, unity, rhythm.

The clean, graceful back contributes character where other cars seem only to reflect confusion.

With the widest track of any car, Pontiac's width is on the road—where it gives you better stability. Wide-Track widens the stance, not the car.

Its effect upon your attitude toward driving and owning cars can be quite radical.

For you cannot possess this automobile and be anything less than lighthearted. You cannot control it and be anything less than sportive about driving.

You cannot be seen in it and be anything less than buoyantly proud.

This Is No Trick, It's a Real Treat

When the young people of the Methodist Churches of this area knock at your door this Halloween and say "trick or treat for UNICEF," you can know that this is no trick but a real treat for the more than 55 million underprivileged children of the world.

Instead of the usual candy or fruit treats, the young people of the Montevallo, Wilton, Calera, Rocky Mount, Shiloh, Alabaster, Camp Branch and Columbiana Methodist Churches will be asking for pennies, nickels, dimes and dollars for the hungry, diseased and naked children of the world. This is the third year it has been observed in this area.

One penny will provide the vaccine which will protect a child from tuberculosis; a nickel will furnish the penicillin which will cure a child of the crippling topical disease, yaws; a dime will buy 50 glasses of nourishing milk.

These "trick or treat" visitors for UNICEF, United Nations Children's Fund will be known by the lapel tags which identify them as being authorized visitors.

The campaign to provide milk and medicine for the underprivileged children of the world has received national recognition since its modest launching by a single Sunday School class in 1950. Last year more than 1 million dollars was collected and then matched by the participating countries at a ration of 2 to 1. Thus, when you give $1 for UNICEF you actually provide the basis for $3 for the needy children of the world. This is no trick but a real treat. Won't you participate?

MRS. MARY FANCHER DIES

TIME IS SHORT AND H. B. 1079 IS A BAD BILL

If you agree that the court reorganization bill that has been introduced in the Legislature will not be a good bill for Shelby County, please write to Senator Joe Graham, Maplesville, and request him to oppose this bill.

THIS BILL PROVIDES AS FOLLOWS:

1. All traffic law violations, game and fish law violations—in fact, all misdemeanors committed in Shelby County—will be tried in Columbiana and no case can be settled elsewhere than in Columbiana.
2. This means that all parties and witnesses will have to go to Columbiana for court hearings. These cases are now handled by the Justice Courts.
3. Cost of court will be much higher than that charged in Justice Court.
4. Trips to Columbiana will be expensive and time consuming for those citizens who have to appear in court; many of whom will be caused to miss a day's work.
5. The work of law enforcement officers will be made more difficult.

This bill has not been discussed; few people understand it. If passed (and it will unless Senator Joe Graham will kill it in the Senate) it will take effect January 1, 1960, without a vote of the people. Will you use a 4c stamp to let Senator Joe Graham know that you do not approve this bill?

F. F. A. News

It was an evening of fun last Saturday when the West Shelby Conservation group entertained the Montevallo FFA boys with a hot dog supper and possum hunt. After plenty of good food and cokes at Big Spring Park, the group left at 9 o'clock with Ed Daviston, A. C. Folsom and Ken Peters for the hunt which had its thrills.

George White and Ed Seibert, seniors at Auburn, and practice teachers, helped prepare the food with Mrs. Rebecca McGaughy at the home economics department. All reports were favorable about the food but it was just too plentiful for the group to eat it all.

Howard Hughes was named possum catcher and Terry Daviston, rescue man, because he had to go down into a well and bring up one of the dogs which had fallen in.

All FFA boys appreciate the courtesits shown them by this adult group.

The adult group continues to hold meetings the second and fourth Tuesdays of each month.

An adult group for ladies meets on the second and fourth Wednesday afternoons at 2:00 in the vocational agriculture building. The group is studying landscaping and improving home grounds. Special projects are planned by individual members of the group.
